

THE BALLINGER LEDGER

VOLUME 60

BALLINGER, TEXAS, THURSDAY, JULY 25, 1946

NUMBER 39

By-Passing Business Area Proposed for State Roads

State highway department officials have informed city authorities that highway traffic may be routed around the Ballinger business district unless double parking is stopped here.

Officials here the past week-end stated that plans were being considered to direct traffic from Broadway along Park Avenue to Tenth Street, thence south to Hutchings Avenue and traffic west would continue along Hutchings Avenue on the regular route. Traffic to the south would go to Strong or Sealy along Tenth and cut back to highway 83 for points south.

Attention was called to the fact that as soon as they could be secured parking meters and traffic lights would be installed in the business district but highway department representatives were of the opinion that these devices would not eliminate double parking unless a city ordinance was passed and enforced.

It was pointed out that through

traffic was being routed around most towns in the state and that travelers did not like to lose time by passing through congested streets. When informed that part of the route considered for a by-pass was not paved, highway officials said the state would pave the unpaved portion of the route.

Board of Community Development directors discussed the proposal at their meeting Monday night but took no action on the question. They plan to make a more thorough survey to ascertain the desires of local citizens in regard to the by-pass. It was pointed out that a number of service stations along the route would be hurt by the change, yet there are many local business men who are opposed to stopping all double parking on Hutchings Avenue and Seventh Street. The city ordinance governing double parking permits cars to stop in the streets for loading merchandise if a driver remains in the car and the stop is not for more than five minutes.

Future Activities Planned By B.C.D. Board Monday

Directors of the Ballinger Board of Community Development were in session Monday night to discuss a number of proposals and to hear reports of activities since the last meeting.

The livestock committee reported the purchase of the auction barns north of the city as the first step in providing show barns for 4-H club and F. F. A. boys of this area. It is planned to make improvements on the property as soon as possible and in the meantime to maintain livestock sales there.

The resignation of E. H. Becton was accepted and J. G. Tuckey was named to serve the unexpired term. Harry Lynn was appointed treasurer to succeed Mr. Becton in this office.

It was voted to provide picture show tickets for all 4-H club boys who attend the annual encampment here on August 7 and 8. It also was voted to instruct the entertainment committee to aid in providing program numbers for the Rannels County Livestock Association meeting here next month.

A lengthy discussion was held in reference to housing units at Camp Berkeley which have been promised the city under certain conditions. It was finally voted to leave the matter up to the city commission without recommendation from the B. C. D. The deal involves the moving here of three barracks to be converted into housing units for veterans.

A discussion was held in regard to trying to secure small industries for Ballinger and committee leaders explained what probably would be necessary in order to interest manufacturers in establishing units here. Opinions were expressed in regard to possible highway work, especially the widening of streets over which highway routes pass through the city.

A raise in salary was voted for Miss Juanita Daniels, assistant secretary.

Currie Grain Co. Building Modern Loading Elevator

The Currie Grain Company is completing construction on a new loading elevator for grain on the Santa Fe right-of-way between Tenth and Eleventh streets. Wix Currie, Jr., stated that the elevator would be completed by this week-end and that shipments would be started from this point as fast as possible.

Mr. Currie said the company would buy a large amount of maize and load into cars from the elevator. A buyer will be on duty at the elevator and another at the Currie store on Seventh Street. They will be in the market for any kind of grain but expect to make heavy purchases of maize.

The elevator is a modern loading device with equipment for dumping truck loads. Loading will begin this week-end and cars are expected to start rolling at once. The elevator is being built for permanent use and is so anchored that it will withstand high winds and storms, it is believed.

CROCKETT FAMILY HAS REUNION JULY 19 TO 21

The Crockett family reunion was held on the T. A. Crockett farm on Valley Creek near Norton July 19, 20 and 21. More than 150 registered for the three-day affair, twenty having been released from the armed forces recently.

Barbecue of mutton and chicken and fried fish made up the main dishes for three days. Relatives here from out of the county were from Dallas, Fort Worth, Austin, El Paso, Morton, Fort Stockton, Odessa, Abilene, Sweetwater, Roby, Humble, Los Angeles, Calif., Sudan, Enoch, Bronte, Coleman.

Announcement was made that the reunion would be held at the same place on July 18, 19, and 20 next year. Mr. and Mrs. George Crockett and son, David, and Mrs. Ella Duke, of Los Angeles, California, are here and will visit relatives and friends several weeks.

Jacob Food Market Will Open August 1 On Seventh Street

Jacob's Food Market, Otis Jacob owner and operator, will open here August 1 and the formal opening ad will be carried in this newspaper next Thursday, August 1.

Mr. Jacob announced this week that everything would be ready for the formal opening at that time and that many hard-to-get items would be included in the sales for the first-week-end.

The new store is located on Seventh Street next door to the Doss Auto Co. For some time the building has been undergoing renovation, making it strictly modern and rat proof and the interior has been redecorated. The most modern fixtures on the market have been bought and installed by Mr. Jacob and the entire building is air conditioned.

Besides the usual grocery departments, a meat market and a new type vegetable department will be operated. Free delivery will be maintained for the customers who desire this service.

Mr. Jacob was in the grocery business a number of years ago when he entered the service. At that time he sold his store and since his discharge has been looking for a business location in Ballinger. He has taken his time in order to secure the most modern equipment on the market and will have his store ready for operation next Thursday.

Tennis Tournament To Start Tomorrow; 15 Players Entered

The city tennis tournament will get underway here this week with the first game scheduled for tomorrow (Friday) evening. A bracket of pairings has been arranged and the contests will be on the elimination plan until a champion is determined.

First pairings and the brackets are:

- July 26—Clifford Howell vs. Max McCrory
- July 27—Steve Cook vs. J. L. Henderson
- July 29—Wayman Wilson vs. Morris Nunley
- July 30—Reid Caskey vs. Bob Dickinson
- July 31—Lanham Flynt vs. Charles Hambrick
- August 1—Marvin Davies vs. Ray Tisdale
- August 2—Walter Moss vs. Allen Davis

Ed Curry drew a bye in the first games but will meet the winner of the Moss-Davis contest on August 7. Winners in the bracket will continue games until some one goes all the way to the city championship.

Coach Wilson stated that all games would be played on the high school courts after 6 p. m. Practicing will be done on the junior high school courts after 6 in the evenings.

Other features in the recreational program will include a visit here next Wednesday of a large number of junior boys from Coleman to meet local juniors in softball, basketball, tennis and boxing. Recreational directors from Coleman will come here with their groups and contests will be arranged and played all during the day.

Donald Lemmon, of Sacramento, California is a guest in the home of Mr. and Mrs. E. M. Lynn. At one time he was a cadet stationed at Bruce Field.

Mosquito, Fly, Rodent Campaign on in City

R. R. Roberts and a crew of workers are covering all the business and industrial sections of Ballinger this week in the rodent elimination program. DDT and the poison 1080 have been put out with excellent results and the work will be continued until Mr. Roberts is satisfied that all rats and mice in these areas have been killed. The work includes the poisoning of the city dump grounds in an effort to stamp out all germ-carrying rodents at that place.

The city has a truck rigged for spraying and a crew is working on all breeding places of flies and mosquitoes. This work will be continued and the aid of citizens is asked in locating breeding places. The spraying crew has been along streams at the city

SERVING UNCLE SAM

Capt. Jack Bandy McGregor came in Tuesday night from San Antonio and will be here for some time on terminal leave. He arrived at Seattle, Washington, last week after being stationed in Korea since the end of hostilities in the Pacific. He plans to enter A. & M. College this fall to complete his school work and get his degree.

Billie Jack Williams, yeoman 3c, has received his discharge at the U. S. naval separation center at Shoemaker, California and is now at home. He served overseas with the 96th Seabees division in the Philippine area. He is the son of Mrs. H. A. Williams of Ballinger Route 2.

Weldon Lee Henry, seaman 1c, has received his discharge from the navy at Norman, Oklahoma, and is at home with his parents. He had been stationed in the Guam area for some time before starting home. Henry served 11 months overseas.

Sgt. and Mrs. W. Paul Board, of Bellville, Ill. visited last week-end with Mrs. Board's parents, Mr. and Mrs. H. W. Ridings, of Ballinger. Sgt. Board is being transferred to Kearns, Utah, and is expecting to be sent overseas soon. Mrs. Ridings and Mrs. Charles V. Webb accompanied the Boards as far as Denver, Colorado, where they visited Sgt. Board's mother, Mrs. Robert Hufford.

Ensign Margaret Louise Jones came in this week from San Diego, California, where she has been stationed as a naval nurse for the past sixteen months. Miss Jones was in training at Dallas before entering the service. She is on terminal leave at this time and will receive her discharge some time next month.

APPLICATION BEING MADE FOR RADIO STATION HERE

According to a Washington release, Fred Harman, E. L. Ingram, Arthur Underwood and R. E. Bruce, representing the Rannels County Broadcasting Co., have made application to the communications commission for a radio station at Ballinger. The announcement said that the station would operate on 1,400 kilocycles, have power of 250 watts, and have unlimited hours.

Mr. Ingram stated this week that nothing could be done until action by the communications Commission had been taken. He stated that several locations for the station were under consideration in case the application is approved, but there is no definite announcement to be made at this time relative to the place of the operation of the station.

CHURCH WOMEN OF CITY TO MEET MONDAY 4 P. M.

The City Council of Church Women of Ballinger will meet Monday afternoon at four o'clock at the First Methodist Church for their monthly program.

Mrs. C. F. Bailey will preside at the meeting and Mrs. Harry Lynn will have charge of the program. All church women of the city are invited to attend.

Miss Pansy Setser, of Norton, left by plane from Abilene yesterday for Pensacola, Florida, where she will visit her brother-in-law and sister, Lt. and Mrs. Ira B. West.

Raby Padgett, of Edcouch, spent a few days recently in the home of his mother, Mrs. W. T. Padgett, F. M. Maddox, of Lubbock, also was a recent guest in the Padgett home.

Misses Virginia Nance and Melba Bankston will leave tonight for Washington, D. C., where they will be employed in civil service. Both have been employed until recently at the army air base in Fort Smith, Arkansas. For the past two weeks they have been visiting here with their parents and friends.

Starley Gatlin and two sons, of Montana, were here the first of the week to visit relatives and old friends at Ballinger and Norton.

Ann Stasney Taken To Angelo Hospital For Polio Treatment

The first case of poliomyelitis to originate in Ballinger was diagnosed this week when Ann Stasney, daughter of Dr. and Mrs. E. W. Stasney, developed the disease and was taken to a San Angelo hospital for treatment. Her condition is reported as satisfactory, attending physicians describing it as a light case.

The child had been ill about a week and local doctors had been observing development closely. Her condition was such Monday evening that the parents were advised to take her to the hospital for treatment. The case was reported to San Angelo health authorities Tuesday as polio.

Dr. and Mrs. Stasney and children were on a vacation trip near Junction several weeks ago when Dr. Stasney became slightly ill and they returned home a few days later their son, Edward (Ruddy) became ill and attending doctors watched his case very closely. He became better last week and is continuing to improve, although he is still being kept in bed most of the time. Ann became ill last week and her condition was decidedly worse Monday when she was taken to San Angelo in an ambulance.

Dr. O. H. Chandler, city-county health officer, after a conference with other physicians, stated that it was not their desire to create a panic here and pointed out the following facts: that the disease was contracted away from Ballinger and that the period of exposure was passed.

Dr. Chandler declared that streams were the greatest hazards and suggested that swimming be stopped by children as well as adults. He also said drinking water from streams was a bad risk and advised against it. Samples of water taken from the Ballinger Country Club lake disclosed pollution, he stated, and swimming there has been banned by the board of directors.

Doctors are of the opinion that gatherings of children can continue here, there being no hazards which would warrant a quarantine or stopping of public gatherings.

City authorities are doing everything possible to eliminate health hazards and all citizens are asked to cooperate. City water is being analyzed each week by the state health department and so far it has been approved in every respect.

Flynt Gives Report On Firemen's School At Jaycee Luncheon

Ballinger Jaycees heard a report Wednesday at their regular meeting on the firemen's short course recently held at College Station. Lanham Flynt, city employee, attended the sessions of the short course as a representative of the Ballinger fire department and studied new methods of fire control and prevention.

Flynt told of the highlights of the program at A. & M. and described some of the more interesting demonstrations which were given. He stated that it is most important for each city to have a representative at the short course because of the better grade participating cities receive as a result of representation at the sessions.

Misses Virginia Nance and Melba Bankston will leave tonight for Washington, D. C., where they will be employed in civil service. Both have been employed until recently at the army air base in Fort Smith, Arkansas. For the past two weeks they have been visiting here with their parents and friends.

Starley Gatlin and two sons, of Montana, were here the first of the week to visit relatives and old friends at Ballinger and Norton.

Heavy Voting Forecast In Primary Saturday

The final round in the present political campaign got underway this week and voters will go to the polls Saturday for the first primary. As far as Rannels county is concerned, all local races will be settled in this election as there are not more than two in but one race, that of commissioner of Precinct No. 3.

Democratic chairman J. M. Williams had all boxes ready for delivery this week and election managers were calling for their boxes and supplies. The county has purchased new boxes to replace the old tin ones, which have been in use for many years. The new boxes are all the same size, are square, have much better locks, and will be easier to handle.

Polls will open in all the 29 voting boxes at 8 a. m. and remain open until 7 p. m. All holders of poll tax receipts, under and over, and veterans who have been discharged from the service will be eligible voters. There are more than 4,300 who hold poll tax receipts this year and approximately 2,000 veterans of the county

have been given discharges. This can make possible the largest vote ever recorded in the county. The Ballinger Ledger will act as correspondent for the Texas Election Bureau at Dallas and all election managers are urged to send in tabulations of their boxes as soon as the count is completed. Workers will be on the job at the Ledger office until late Saturday night taking the returns, tabulating them and relaying them to the Dallas office by wire. It is hoped that the votes of the county will be counted soon after midnight.

The Dallas bureau will make returns available to newspapers and radio stations as fast as they are received. County returns will be announced over a public address system at the Ledger office as they are received so that anyone desiring to keep their own tabulations of local races may do so. No outside black board will be used in posting results this year. Election managers are asked to call telephone number 27 collect as soon as they are ready to submit returns from their box.

Mr. Wilson stated Tuesday that he regretted to leave Ballinger and that his year's work here had been a pleasant one. He and his family have made many friends here who will regret his action in accepting a position that will take them from here. Mr. Wilson is serving as president of the Ballinger Lions Club, teacher of the Victory Bible class at the First Baptist Church, is a director in the Rannels County Tuberculosis Association, and holds numerous other posts of importance.

Mr. Caskey came to Ballinger January 1, 1941, when he was appointed county superintendent to complete an unexpired term. He has made an excellent record in the office of county superintendent and currently had been engaged in a race for reelection. He was offered the city superintendent's position by the board of trustees Monday night and accepted, to begin the duties on August 5.

Since coming to Ballinger Mr. Caskey has held many posts of importance in the civic life of the city. He served the Ballinger Lions Club as president and as secretary, is a director of the Ballinger Board of Community Development, teaches the Doss Bible class of the First Methodist Church,

and has served on many special committees for the county and city. He is thoroughly acquainted with the operation of the Ballinger school system and will take over the superintendency at the beginning of the fall semester. This development leaves W. E. ("Buck") Ekins as the only candidate for the office of county superintendent. After the resignation of Mr. Caskey the commissioners' court will name a successor for the unexpired term.

Other changes announced will be as follows: The morning west-bound train will arrive here at 6:52 a. m. and will carry mail and pullman service from both North and South Texas. The evening east-bound train will arrive here at 9:03 p. m. and will make connections for both South and North Texas. The new service will include two pullmans. One will be a through sleeper to Houston and the other to Fort Worth and Dallas. The east-bound train will go through to Fort Worth and Dallas with one sleeper making this trip. The Houston sleeper will be transferred to another train and will arrive in Houston at 7:40 the next morning.

The Dallas bureau will make returns available to newspapers and radio stations as fast as they are received. County returns will be announced over a public address system at the Ledger office as they are received so that anyone desiring to keep their own tabulations of local races may do so. No outside black board will be used in posting results this year. Election managers are asked to call telephone number 27 collect as soon as they are ready to submit returns from their box.

New Train Service Effective Sunday; Motor Car Stopped

Ballinger will have a slight change in train schedules on the Santa Fe and also improved pullman service beginning Sunday.

On that date the motor car which has been operated will be discontinued. Action to take this service off was sought recently before a hearing of the state railroad commission and received approval.

Other changes announced will be as follows: The morning west-bound train will arrive here at 6:52 a. m. and will carry mail and pullman service from both North and South Texas.

The evening east-bound train will arrive here at 9:03 p. m. and will make connections for both South and North Texas.

COWS SAVE FIFTY DAYS BY FLYING . . . This bunch of purebred Guernsey calves are the first group to be shipped to a distant point by air. They took off from Teterboro, N. Y., bound for Bogota, Columbia. The trip will take 2 days, instead of 32 required by sea. Cattle transported by sea have taken six months to a year to recover from the rigors of a sea voyage. The result of the air trip is being watched by agricultural experts as well as air specialists.

To the Voters of Precinct No. 1...

I appreciate the good vote I received from you last Saturday. I want you to know that I will do my best to carry on the work of this important office.

Call on me when I can be of service to you.

Clyde Chapman

Commissioner Precinct No. 1

Gold Star Heroes Will be Returned If Parents Desire

The first authoritative booklet on the repatriation program to be published since the law was signed by President Truman on May 15

has recently been released by the government to morticians. The booklet, entitled "The Return of Gold Star Heroes," is dedicated in sympathetic understanding and appreciation of grief and heartaches of the relatives of the men who lost their lives while overseas with the armed forces.

According to information contained in the book, the first of these returned heroes will reach the United States about March, 1947. Any service man or woman who died overseas will be returned to this country at the request of the next-of-kin. All unidentified dead will be brought back to this country for interment in national cemeteries.

There will be no difference in rank regarding time of shipment or any other preparation. All ranks from all branches of the service will be placed in identical caskets and all remains will be accorded the same dignified and reverent treatment.

The repatriation program will be carried on in every part of the world. Shipments cannot be speeded and will be handled in a systematic manner with groups working in various sections at special times. Next-of-kin have been urged not to try to speed shipment of any special soldier but to await the time when they will receive special blanks and to fill these out, file them and await future action by those in charge of the program.

Thanks to Supporters

I wish to thank those who supported me in the primary last Saturday for the office of Sheriff of Runnels County. While I did not win, I appreciate each voter who cast a ballot for me and wish to thank each one who spoke a word in my behalf.

W. E. GULLEY

TO THE CITIZENS OF RUNNELS COUNTY:

This is to express my sincere appreciation to the many fine people there, and in the other counties of this senatorial district, who voted for me in last

Present plans call for the detail to be completed by the end of 1946. Next-of-kin may request shipment of remains to any part of the United States. Where heroes are not buried in national cemeteries, the government will allow \$50 for burial expenses and relatives may make interment arrangements with their own morticians but any amount over \$50 must be paid by the next-of-kin. The government provides an official type grave marker and if another type is desired, it must be bought and paid for by the relatives.

All gold star parents or wives will be notified of the plan soon and given full and complete instructions as well as complete fill out and file. Where they desire, heroes will be buried in national cemeteries overseas and not returned to this country.

Saturday's election. It has been a real pleasure to serve this district as your senator. I will still be glad to help the

Thanks to Voters...

I wish to thank the voters of precinct 1 for the fine support given me in last Saturday's primary election. I appreciate being elected as constable of the precinct and will do my best to fulfill every duty of this office to the satisfaction of the people.

J. W. Whitworth

people with their problems in the future in my capacity as a citizen of West Texas.

Sincerely,
PENROSE B. METCALFE

Rev. W. R. Karkalitz Is Assistant Pastor First Baptist Church

Rev. W. R. Karkalitz has been named associate pastor of the First Baptist Church of Ballinger and has assumed his duties. A student of Hardin-Simmons University, Abilene, he will devote his mid-week and week-end time to the local church.

Rev. Karkalitz will have charge of the music in the church and is now directing the choir. He also will work in the young people's department and assist the pastor in his services.

Rev. B. J. Martin, pastor, stated today that the fall revival in the local church will begin September 8 and be concluded September 15. Rev. P. D. (Dick) O'Brien, pastor of the First Baptist Church at Big Spring, will conduct the revival, doing all the preaching. Well known in this section, Rev. O'Brien has been in Ballinger on

23 Blocks Paving Completed in City; 52 Are Contracted

Asphalt and rock macadam work was completed on sixteen blocks of paving last week which brought the total of new paving to 23 blocks.

New paving completed included six blocks in Wilke Terrace on Hamilton Avenue, Fourth and Third streets, two blocks on Seventh Street, one block on Pough Avenue, two blocks on Bonsall Avenue, one block on Phillips Avenue, one block on Hamilton Avenue between Eighth and Ninth streets, 3 blocks on Eleventh Street.

Crews are working on curbs and base work on Third, Fourth and Fifth streets and a stretch on Murrell Avenue. This will be completed and all blocks in that section of the city will be included in the next paving contract to be finished here.

There are 52 blocks signed up for paving and to date only 23 have been completed and accepted by the city. The remainder will be rushed to completion as fast as possible.

FIRE DEPARTMENT DELEGATES REPORT ON STATE FIRE SCHOOL
 T. Whitehead and Lanham Flynt, delegates from the Ballinger fire department to the state fire school at A. & M. College, made their reports to department members Thursday night of last week.

The two Ballinger firemen attended different classes and brought back excellent reports on the work covered in each course and at the demonstrations presented.

How women and girls may get wanted relief from functional periodic pain

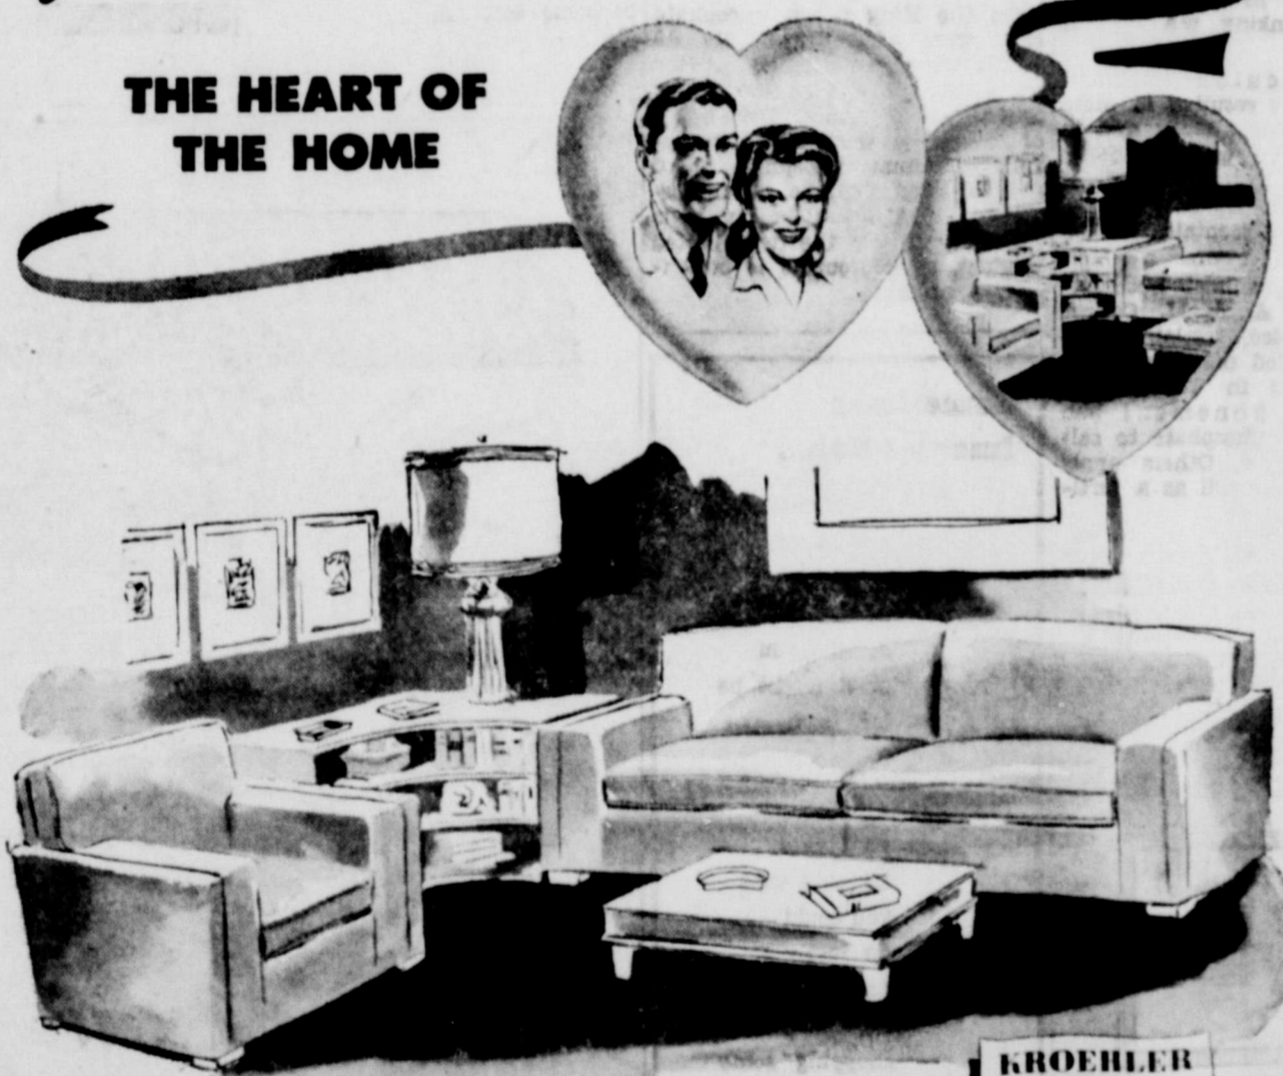

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous habits of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "blues" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardui. If it helps, you'll be glad you did.

BALLINGER COUNTRY CLUB LAKE WATER PROVES PURE

Samples of water taken from the Ballinger Country Club Lake and sent to Austin for analysis last week were reported this week to be uncontaminated. Samples prior to that time had proved unsafe for swimming and directors ordered the swimming piers closed until there was a change. Additional samples are being sent in from the lake this week and a report will be back by the first of next week. It was thought that sunshine and wind was responsible for the change in the lake water.

Health authorities have suggested that all swimming be stopped in lakes and streams until the polio scare ends.

USO Will Continue Operations in '47; \$19,000,000 Sought

In typical style Texans are accepting their responsibility to put the state over the top in the next and final USO drive, Governor Coke R. Stevenson, general chairman, said today.

Texas' share of the \$19,000,000 quota is \$800,000. Stevenson added, "We are particularly pleased with the manner in which Texans are accepting the responsibility of leadership in the counties throughout the state. These leaders are providing the backbone of the organization necessary to make this drive a success."

Stevenson pointed out that there are still approximately 125,000 Texans in the service and we certainly cannot overlook our responsibility to them. He said, "We cannot overlook our responsibility to these men who are helping us win the peace. Morale problems in the armed forces are greater now than ever before and I feel that we owe as much to

those in uniform now, as those who served during the combat phase of this war.

Those who accepted leadership in the drive are Carl L. Phinney, Dallas attorney and former staff officer of Texas' famous 36th division, as campaign chairman; Robert L. Thornton, Jr., vice-president of the Mercantile National Bank as state director; and J. O. Newberry, formerly publicity director of the war finance committee of Texas, as state director.

Colonel Carl L. Phinney said, upon accepting his appointment as campaign chairman, "I have seen what the USO contributed over here and over there and now I am more than glad to serve in this capacity and help those who are still in uniform." He added, "The continuation of USO throughout the year 1947 comes about through urgent requests from both the secretaries of war and navy and the head of the veterans' administration." The program for this final year of operation will be to serve veterans in hospitals, men on occupation duty overseas, and those in training, or in transit, here at home. In keeping with the national USO policy of terminating its services where the need no longer exists, the number in operation has already been reduced from 85 to 26. At the same time, however, USO is expanding its operations overseas. Since VJ day eleven clubs have been opened in the Philippines; three in China; and seven or eight clubs have been opened in Japan to date.

R. L. Thornton, Jr., said, "USO furnished us the only entertainment we had on Iwo Jima and Saipan and it still furnishes the only entertainment in many remote places where wholesome entertainment is greatly needed." Thornton, a major in the air corps, was in the service four years and served one year overseas in the Pacific.

VETERINARIAN SAYS LOADING CHUTES AND CROWDING PENS WILL FORESTALL INJURIES

COLLEGE STATION, July 31.—Crowding pens and loading chutes will prevent many unnecessary injuries to farm people in handling livestock, says Dr. E. A. Grist, veterinarian for the Texas A. & M. College extension service.

The use of practical handling facilities will enable the person working the stock to get the job done better as well as ward off personal injuries. By handling cattle in small, improperly fenced pens, farm people receive too many unnecessary injuries, Dr. Grist says. Crowding pens and loading chutes will prevent being shoved against a fence or being kicked severely.

Dr. Grist recommends dehorn-

EAST SIDE HOME DEMONSTRATION CLUB

The East Side home demonstration club held its meeting on Tuesday of last week in the home of Mrs. Harold Routh with Miss Ollie Chenoweth, county home demonstration agent, giving a demonstration in marketing and bedspreads.

At the conclusion of the program, a plate of prune bread and iced tea was served to: Miss Chenoweth, Miss Pauline Simpson, Miss Mattie Lee Tomlinson, Mmes. Clyde Flanagan, T. W. Malone, Dabney Tomlinson, Rankin Jones, Paul Pullin, Tom Moreland, Clarence Routh, Jess Schneider, Wallace Barnett, Ernest Schott, Harold Routh; and five visitors:

Farm and Ranch Workers Needed In Most of Texas

COLLEGE STATION, July 31.—General farm and ranch workers are still needed in most sections of Texas despite the return to farms in large numbers of veterans and war plant workers, according to a labor survey conducted by C. Hohn, state farm labor supervisor with the Texas A. & M. College extension service.

In the panhandle, labor needs are not large, but general farm workers are wanted in Lipscomb county and tractor drivers in Swisher and Roberts counties. Hoe hands are in demand in Crosby and Lynn counties.

Cotton and grain sorghum growers in the Rolling Plains country from San Angelo to Oklahoma need year-around farm hands and cotton choppers in Childress, Donley, Foard, Kent, Stonewall and Haskell counties. General farm and ranch workers are needed in the eastern counties of the Edwards Plateau. North of Brownwood to Okla-

On the King ranch phosphate salts were added to supply 6.5 grams phosphorous in six gallons of water. This way the cattle assimilated it easily. Two forms of phosphate were used successfully—disodium phosphate and defluorinated triple superphosphate. USDA scientists say it is necessary to use the defluorinated product, since flourine is poisonous to animals.

The particular treatment worked out has resulted in more productive breeding stock and in better gains by calves. Adding phosphate is not necessary, of course, except where native vegetation does not contain enough phosphorous.

A. L. Smith, animal husbandman for the A. & M. College extension service, explains that this is a decided departure from usual practices in Texas. Most stockmen add bone meal and other forms of phosphate to salt in mineral boxes. Others apply phosphate to the soil as a fertilizer.

SAVE YOUR CHICKS! If losing chicks from Coccidiosis or Bowel Trouble try **DURHAM'S COCCI-DINE**. It's guaranteed! Your money back if it does not stop your losses. Sold and guaranteed by **J. Y. Pearce Drug Co.**

Phosphates Added To Water for Cattle Said a Decided Help

COLLEGE STATION, July 31.—Some experiments which have been going on at the King Ranch in South Texas have convinced scientists of the U. S. department of agriculture that there is a decided value in adding phosphates to drinking water for cattle.

The particular treatment worked out has resulted in more productive breeding stock and in better gains by calves. Adding phosphate is not necessary, of course, except where native vegetation does not contain enough phosphorous.

A. L. Smith, animal husbandman for the A. & M. College extension service, explains that this is a decided departure from usual practices in Texas. Most stockmen add bone meal and other forms of phosphate to salt in mineral boxes. Others apply phosphate to the soil as a fertilizer.

SWEETWATER CLUB WINS FROM RED SOX SUNDAY

The Sweetwater Mustangs put a stop to the Ballinger Red Sox winning streak Sunday by defeating the locals 10 to 5 on the Ballinger diamond. The Mustangs have a tight defense and can hit the old apple.

The Red Sox played in tough luck through most of the contest and gave the visitors a number of

homa in the West Cross Timbers and North Central Grazing Areas, a few general farm and ranch workers as well as year-around and skilled laborers are in demand. There is opportunity for dairy hands in this area also, says Mr. Hohn.

Year-around farm and dairy hands will find work in the northern part of the Black and Grand Prairie Areas above Austin. General farm hands are needed in the South Texas Blackland from Beeville to Brenham, where cotton picking has begun in Bee and DeWitt counties.

The survey showed that in nearly all sections, living quarters will be furnished for year-around workers, with wage rates running from \$60 to \$140 per month. Day hand rates range from \$3 to \$8 in some sections.

SAVE YOUR CALF!

A shame to lose one with scours when a \$1.00 bottle of **DURHAM'S COMBINATION TREATMENT** will save it. You risk nothing. If it does not save your calf your \$1.00 will be refunded by **J. Y. Pearce Drug Co.**

One of the best crowds of the season witnessed the game and were well paid for their time in the heat of Sunday afternoon by seeing one of the best played games of the year and the best club to play on the local diamond. Other games will be booked by the Ballinger management to conclude the season.

Rita Hayworth Shining Light In Romantic Drama, 'Gilda'

Something different in the way of conflict resulting from the clash of these forceful personalities creates a stirring film, hitting hard all the way to an explosive last scene. The action is said to be highlighted by some of the most provocative musical routines Miss Hayworth has ever attempted, including a torrid samba in one of the night club sequences.

Opening tomorrow at the Texas Theatre for showing Friday and Saturday, is PRC's latest cinecolor triumph "The Caravan Trail," which is highlighted by fast-moving action. In the starring role is Eddie Dean, the singing cowboy.

Others in the supporting cast are Emmett Lynn, Jean Carlin, Bob Malcolm and Al La Rue.

A collection of new and old musical numbers are heard in Monogram's teen-agers comedy musical, "Freddie Steps Out," No. 2 feature on the double-feature bill Freddie Stewart, June Preisser, Noel Neill and Ann Rooney have the featured roles. Among these numbers are "Don't Blame Me," "Patience and Fortitude," "Let's Drop the Subject," "Redskin Rhumba," "Dark Bayou," and "Cuban Rhapsody."

The selections "Brahma Lullaby" and "Swing Low, Sweet Chariot" were arranged by Herschel Gilbert, and musical arrangements for other tunes in the film were

GEOLOGICAL SURVEYS BEING CONDUCTED BY UNIVERSITY IN STATE'S MAJOR REGIONS

AUSTIN, July 31.—Geological surveys are being carried on this summer in the state's major geographic regions by the University of Texas bureau of economic geology. The projects are primarily with mineral materials of possible economic importance or with studies which have potential economic applications.

F. B. Plummer and H. P. Bradley are making a field study of high-grade clays in North Central Texas; Dr. H. B. Stenzel and H. C. Fountain are making a similar study in East Texas; Dr. H. B. Damon has begun a study of silica sands of North Central Texas, and R. R. Bloomer is making a survey of southern Brewster county.

Dr. L. L. Frizzell is engaged in laboratory studies to complete a handbook of guide micro-fossils encountered in oil well drilling in the Gulf Coast area.

FIELD RESEARCH TO BE DONE BY TEXAS UNIVERSITY GROUPS IN COUNTRY'S OIL REGIONS

AUSTIN, July 31.—Gifts and for field research and training in the petroleum industry will be set up in the Southwest during the coming year, under a new program to be inaugurated by the University of Texas with the aid of a grant from the American Association of Oilwell Drilling Contractors.

A grant of \$6,000 from the Association will be handled by the University's industrial and business extension bureau, in cooperation with the trades and industries division of the State Board for Vocational Education.

Centers to be set up will be at Rangely, Colo.; Great Bend, Kan.; Oklahoma City and Tulsa, Okla.; Hobbs, N. M.; Shreveport, La.; and Kilgore, Beaumont, Houston and Corpus Christi, Texas.

Experimental work has already been completed at Odessa, Kermit and Wichita Falls.

The first phase of the program will consist of field research and training in the use and control of drilling fluids. Drilling equipment and drilling practice are scheduled

Crops Needing Rain In Most of County; Maize Sells at \$2.85

John A. Barton, county agent, stated today that crops in Runnels county were looking good in sections that had received rain recently but in dry belts were not doing so well and making little progress the past ten days.

As much as 1,700 pounds of

maize was reported harvested off a single acre in one community and many farms have a good crop made. Cotton is progressing well in more than half of the county and is pretty well at a standstill in other sections.

Maize is starting to move through local markets and is bringing one of the highest prices in history, around \$2.85 per 100 pounds. Local dealers stated Wednesday that they had bought considerable maize this week and expected the movement to be well underway next week.

Bob Steele Western, New 'Shadow' Mystery And Crabbe Western Next at the Palace

Moviegoiners who thrill to flying fists and flaming six-shooters will find "Six Gun Man," PRC's newest western starring Bob Steele, right to their taste when it comes to the Palace Theatre tomorrow and Saturday, August 2, 3.

Others in the cast of this picture include Syd Saylor, Jimmy Martin, Jean Carlin and Stanford Jolley.

"Behind the Mask," other half of the double-feature program on the same dates, co-stars Barbara Reed and Kane Richmond.

Among those in the supporting cast of this latest of Monogram's new "Shadow" mystery series, are George Chandler, Dorothea Kent, Joseph Crehan, Pierre Watkin, Robert Shayne, June Clyde, James Cardwell, Marjorie Hoshelle, Joyce Compton, Edward Gargan, Dewey Robinson, Bill Christy, Lou Crosby, Nancy Brinkman, Jean Carlin and Laura Stevens.

Buster Crabbe and his gun-totin' pal, Al ("Fuzzy") St. John, will be seen in one of their most exciting westerns when "Border Badmen" comes to the Texas Theatre Wednesday and Thursday of next week, August 6, 7, 8.

There is action, fast riding and gun-play galore in this latest PRC western, with Buster and the inimitable "Fuzzy" taming a bad gang of frontier racketeers who kidnap an heiress and hide her away so they can get their hands on her estate.

But Buster and "Fuzzy" go into action and succeed in rounding up the badmen and bringing them to justice after many thrill-packed sequences.

'Cluny Brown' Teams Boyer With Jen Jones

Charles Boyer and Jennifer Jones are romantically teamed for the first time on the screen in Ernst Lubitsch's production of "Cluny Brown," 20th Century-Fox film, to be shown at the Texas Theatre Wednesday and Thursday of next week, August 7, 8.

In addition to being the first film to co-star the suave Boyer with Academy Award winner Jennifer Jones, "Cluny Brown" is the first film since the memorable "Heaven Can Wait" that Lubitsch, sly genius of sophisticated romantic comedy, has both produced and directed.

Charles Boyer is seen as the carefree and restless refugee writer whose unsteretyped ideas on achieving happiness leads him from one uproarious situation to another. In her first comedy role, Miss Jones is seen as "Cluny," the uninhibited madcap with an urge to be a lady plumber, who is rescued from a "perfect marriage" by the author.

Outstanding support is provided

by Peter Lawford, Helen Walker, Reginald Gardiner, Reginald Owen and other top names.

\$50,000 IN GIFTS AND GRANTS GO TO UNIVERSITY OF TEXAS

AUSTIN, July 24.—Gifts and grants with a value in excess of \$50,000 were accepted by the University of Texas board of regents in their July meeting. The funds were for financing scholarships, research and other purposes.

A grant of \$6,000 from the Association will be handled by the University's industrial and business extension bureau, in cooperation with the trades and industries division of the State Board for Vocational Education.

Centers to be set up will be at Rangely, Colo.; Great Bend, Kan.; Oklahoma City and Tulsa, Okla.; Hobbs, N. M.; Shreveport, La.; and Kilgore, Beaumont, Houston and Corpus Christi, Texas.

Experimental work has already been completed at Odessa, Kermit and Wichita Falls.

The first phase of the program will consist of field research and training in the use and control of drilling fluids. Drilling equipment and drilling practice are scheduled

Mrs. Minnie B. Brown

Mrs. Minnie B. Brown, 60, died at the home of her daughter, Mrs. C. D. Nevels, 10 miles northwest of Ballinger at 5 o'clock Saturday, July 27, after an illness of about one year. Decedent was born in Louisiana April 27, 1886, and had lived in Texas and been a resident of Runnels county for the last 30 years.

Funeral services were held at the Agnew chapel 4 o'clock Tuesday afternoon, Rev. E. M. Walker, pastor of the Church of the Nazarene, officiating. Interment followed in Evergreen Cemetery. Survivors include: two sons, H. F. of Louisiana, J. E. Salt Lake City, D. L. of Ballinger and Pvt. A. C. of the U. S. army, camp Hood; two daughters, Mrs. C. D. Nevels, of Ballinger, and Mrs. J. L. Cunningham, of Ballinger; four brothers, Edgar, Elmer, Howard and Johnnie, all of Louisiana; three sisters, Mrs. J. H. Brown, Mrs. Clara Cuipepper and Mrs. Cassie Cool, all of Louisiana; and 13 grandchildren.

Mrs. Elizabeth Luedtke

Mrs. Elizabeth Luedtke, 65, died in a San Angelo hospital Saturday morning, July 27, following short illness.

Decedent was born in Otto county, Nebraska, August 2, 1880, and lived at Lowe since 1914, and has been a resident of Texas since the age of 14.

Funeral services were held at the Zoar Evangelical Reformed Church of Rowena at 10:00 o'clock Monday morning, Rev. Robt. Mohr, of Copeland, officiated and was assisted by Rev. Rorak of Miles. Interment followed in the protestant cemetery at Rowena.

Survivors include three daughters, Mrs. Paul Swanson and Miss Edna Luedtke, of Miles; Mrs. Tom Jennings, of San Angelo; two sons, L. A. and H. K. of Miles; a sister, Mrs. August Krueger, of Bangs; four brothers, George and Will Grosshaus, of Sterling City; Emil and Walter Grosshaus, of Miles.

Agnew Funeral Home was in charge of arrangements.

Card of Thanks

We wish to thank the good people of the entire Maverick community who came to our assistance during the recent fire which completely destroyed our store and the post office.

Jack and Lois Dismore
1-11-

Miss Ruby Allan, of Fentress, left this week for her home after a week's visit here with her sister-in-law, Mrs. Ed O'Kelly.

The Altar Society of St. Mary's Catholic Church is sponsoring a barbecue supper, bingo games, fish pond, cake walk, domino games, etc. on the church lawn on the evening of August 7th at 7:00. The barbecue supper will be sold for 35c per plate. Everybody invited and welcome.
1-11-

If every man woman and child in the United States would eat one less slice of bread each meal, three-fourths of a million tons of wheat would be free for overseas shipment within 90 days.

HOSPITAL NOTES

Mrs. Carl Freeman, surgical patient in the Bailey Clinic-Hospital, is improved and was dismissed Tuesday.

Mrs. Harold Benefield and son were dismissed Sunday.

Frank Gleason, medical patient, was dismissed Thursday.

Roy Clack, operated on last week, was able to return home Thursday.

E. A. Fuller, of Talpa, surgical patient, much improved, left for his home Sunday.

Mrs. Henry Tegel, of Rowena, surgical patient, was dismissed Saturday.

Mrs. J. P. Young and son, of Miles, were dismissed Saturday.

Mrs. Nannie Meeks, of Winters, was dismissed Wednesday.

J. P. Burnett, surgical patient, is improving following an operation Saturday.

Frank Hagar, of Dumas, wreck victim, who was admitted to the hospital Saturday, was dismissed Sunday.

Mr. and Mrs. Sam H. Wood are parents of a daughter, born Sunday. Mrs. Wood and baby are doing nicely.

Bill Mathis, of Hatchel, operated on Tuesday, is resting well today.

Mrs. H. H. Halfmann, of Rowena, who underwent surgery Tuesday, is improving.

The condition of Mrs. John Byers, operated on Tuesday, is satisfactory.

Winfield Read underwent surgery Tuesday and was dismissed Wednesday.

Mr. and Mrs. Alvah Stevens are parents of a daughter, born Wednesday. Mother and baby are doing nicely.

Mr. and Mrs. Howard C. Gray are parents of a daughter, born this (Thursday) morning. Mother and baby are doing nicely.

Roy Worley was passing out cigars Monday after a son was born to him and Mrs. Worley Saturday afternoon at the Bailey Clinic-Hospital. The young man, John William Worley, weighed nine and one-half pounds upon arrival and he and his mother are doing nicely.

Dickie Eyster, of Corpus Christi, is here for a visit in the home of Mr. and Mrs. K. V. Northington.

Mr. and Mrs. Harry Lynn spent the past week-end at Water Valley, visiting their son-in-law and daughter, Mr. and Mrs. Buddy Hall.

SINGING AT CREWS SUNDAY AFTERNOON

There will be a program of singing at Crews Sunday afternoon beginning at 2:30 and all singers of the county are invited to be present. W. C. Mathis writes that quartets from San Angelo, Winters and Ballinger will participate and other good singers from other communities have accepted invitations to attend and take part in the program.

The public is cordially invited.

Mr. and Mrs. George H. Moore and son, of Houston, are here for a visit in the home of Mrs. Lela McAdams.

Miss Ida Lee Pitman, of Fort Worth, visited in the home of Mrs. Wallace Barnett the past week-end.

Mr. and Mrs. George Beard returned home Sunday from Clinton, Oklahoma, where they attended the funeral of Henry Geiger, Mr. Beard's cousin.

Miss Willeddell Schawe left Friday for Dallas, where she took a plane for New York city. Miss Schawe is nutrition advisor for the Metropolitan Life Insurance Co. While in Ballinger she spoke to the Rotary Club on nutrition. Miss Schawe was accompanied to Dallas by her sister, Miss Louise Schawe, who teaches piano and theory in that city, and Miss Elsie Thiessen, a teacher in the Dallas schools. Mr. and Mrs. Arno Schawe, of Waco, also were visitors here. All were house guests of Mrs. A. Schawe and Miss Olga Schawe.

Mr. and Mrs. Francis Fry and children, Jean and Donnie, of Dallas; Mr. and Mrs. J. C. Slagle, of Abilene; Mr. and Mrs. Lynn Metcalfe and daughters, Mary and Helen, of Orange; Mr. and Mrs. M. J. Harris and children, Susie, Glanda and June, of Bethel; Mr. and Mrs. E. T. Branham and children, Zane, Peggy and Joyce, were guests in the home of Mr. and Mrs. C. D. Harris the past week-end. Mr. and Mrs. Metcalfe are on vacation and will visit relatives and friends here and at San Angelo several days.

Mrs. Fred Poteet, Jr., and son, Fred III, of Temple, are here for a visit with relatives and friends.

J. B. COFFEY MOVES TO HOME IN CITY

J. B. Coffey and family, formerly of Balmorhea, have bought a residence at 304 Hamilton Avenue and are now at home here. Mr. Coffey is looking after interests in this section.

Thanks...

I wish to thank those who supported me for the office of Sheriff of Runnels county in the first primary. The fine vote which returned me to this office is deeply appreciated and I will strive at all times to make you a good officer and attend to the duties of the office in a pleasing manner.

Again I say thanks for each vote and everything done in my behalf in this campaign.

SOCIETY

R. V. Northington Complimented with Surprise Birthday Party

compliment her husband, K. V. Northington, on his birthday anniversary when she included a group of friends and neighbors.

The beautiful rock-walled back garden provided an ideal setting with the trees, flowering shrubs, and varied perennials, where the three-course Mexican menu was served and the honoree's favorite

cake, "lemon jelly special," was served with home-made ice cream and lemonade. The hostess was assisted by her small daughter, Martha Kay, and Mrs. K. V. Northington, Jr.

Guests visited for an hour following the dinner. Those included were: Rev. Steven Cook, Messrs. George Moore of Houston, Alex McGregor, Troy Simpson, Townner Dickinson, J. A. Schnable, Delbert Vanell, Charlie Miller, H. J. Zappe, Sam Behringer, Claude Stone, Harry Lynn, D. G. Posey, W. O. Wallace, W. B. May, W. B. Woody, Fred Holliday, J. G. Tuckey, Jack Rudd, Frank and Lanham Flynt, J. M. Pyburn, O. C. Sykes, E. C. Grindstaff, Packer, Jim Dankworth, Vick Eyster of Corpus Christi, Charles Miller, Jr., and K. V. Northington, Jr.

First Baptist Y. W. A. Gives Appreciation Tea for W. M. U.

Monday evening at seven o'clock the home of Mrs. Malcolm Morgan on Eleventh Street was the scene of a beautiful tea given to honor members of the Woman's Missionary Union, hosted by the Young Women's Auxiliary of the First Baptist Church.

A profusion of zinnias, crepe myrtle, queen's wreath, and other summer blossoms decorated rooms where Miss Gwen Morgan greeted guests and presented Dorothy Ann Holliday, president of the Y. W. A. Miss Louise Kenney of Talpa gave piano selections, while Miss Holliday was toastmistress for the affair. Miss Mary Ann Morgan gave the opening prayer and Miss Grace Jo Bonduant welcomed guests and gave special recognition to visitors. Miss Gladys Kemp gave a radio skit of "Breakfast in Hollywood." Misses Morgan and Lanetha Arrant sang "Jesus Saviour, Pilot Me," with Miss Elizabeth Wear at the piano; Miss Kenney sang "Alone" and other request numbers from guests.

Mrs. Charles Hambrick played all accompaniments. Mrs. E. L. DeWitt, who is leaving Ballinger to make her home in Tulsa, Oklahoma, and Mrs. Mattie Holliday, who has been a member of the Baptist Church for 66 years, were presented corsages by Mrs. Holliday's granddaughter, Dorothy Ann Holliday.

Mrs. Morgan and Mrs. Felton Underwood, sponsors of the Y. W. A., presided at the crystal punch bowl, and Betty Parrish, Elizabeth Wear, Mary Ann Morgan and Jewel O'Neal assisted in serving cookies from the lace-laid dining table.

Others present were: Meses. B. J. Martin, Carl Black, B. C. Kirk, J. W. Blasdel, A. S. Love, W. E. Harvey, H. W. Doherty, Lavona Varley, L. L. Stroble, T. A. Rape, Misses Alice Thomas, Winifred Strickland and Mary Green.

Mrs. DeWitt Complimented by T. E. L. Class

The First Baptist T. E. L. Sunday school class members met Tuesday afternoon in the home of their teacher, Mrs. B. C. Kirk, on Seventh Street, to compliment Mrs. E. L. DeWitt, who is moving with Mr. DeWitt to Tulsa, Oklahoma.

Arrangements of multi-colored zinnias and crepe myrtle were used about rooms where the class hymn, "My Faith Looks Up to Thee," was sung in unison and

Mrs. H. W. Doherty gave the devotional. As guests registered, words of appreciation for Mrs. DeWitt were also included. Mrs. A. M. King presented the register and a flower container from class members and a few extra guests.

Frosted punch was served with cookies. Others present were: Meses. Mattie Holliday, W. E. Blair, H. O. Campbell, F. W. Wellhausen, W. E. Harvey, A. S. Love, T. J. McCaughan, Oscar Harber, George Holliday, Lavona Varley, Frank Kemp, A. F. Brock, W. A. Nance, M. M. Alexander, J. W. Blasdel, C. J. Lynn, O. L. Parish, and Miss Emma Thomas.

Mrs. D. S. Crockett Family Has Reunion at Christoval

The children and grandchildren of Mrs. D. S. Crockett, of Winters, met at Christoval for a family reunion the past week-end. All the son, Mr. W. N. Crockett, of Los Angeles, California.

Those attending were: Mrs. D. S. Crockett of Winters; Mr. and Mrs. M. L. Crockett and son, David, of Los Angeles, California; Mr. and Mrs. Tom Bobo and son, Tommie Ralph, of Fort Stockton; Mr. and Mrs. R. F. Crockett of Odessa; Mr. and Mrs. D. M. Crockett of Norton; Mr. and Mrs. T. H. Crockett of Ballinger; Mr. and Mrs. J. D. Crockett and daughter, Ruth, of Winters; Miss Luella Duke of Los Angeles California; Mr. and Mrs. Jack Atinip and children, Tommy and Dolly, of San Angelo; and Ed Terry of Abilene.

Sixteen Methodist Young People Attend Glen Rose Encampment

Sixteen young people from the intermediate department of the First Methodist Church left early Monday morning for Glenrose, where they will attend the annual Brownwood District Intermediate Encampment at Glenlake Methodist Camp.

The camp program will be under the direction of Rev. J. D. F. Williams of Handley. For a week, the group will enjoy swimming, woodcraft, hikes, singing, worship service and recreation. They will return home immediately after breakfast Saturday morning.

Those attending are Patsy Sue Bowden, Betty Jo Middleton, Thelma Cathrine Hays, Joyce McCorstin, Patty Morrison, Janie Sue Morrison, Sue Hampton, Mary Lou Howell, Betty Jean Hudgens, Mary Jean Bell, Norma Ruth Holland, Billy Jack Middleton, Kenneth Landers, Neal Loyd, Jean Wilson and Noel Wiley.

Raleigh Reese, Jr., Has Birthday Supper

Raleigh Reese, Jr., was guest of honor on his thirteenth birthday anniversary Wednesday evening when his mother, Mrs. Raleigh

Reese, entertained with a birthday supper on the lawn at their home on Seventh Street.

Mrs. W. E. Harvey and Mrs. Jim Flynt, Jr., grandmother and aunt of the honor guest, assisted in serving the two-course supper. The white birthday cake, which was decorated with pink and green and topped with "Happy Birthday," was served from the lace-laid tea table with ice cream.

Included were: Jackie Fulcher, John Milton Reese, Robert Miller, Jackie Reese, Jimmie Davenport, Jerry Dow, Jimmy McAden, Joe Smith, Jimmie Parrish, Billy Harvey Flynt, Tommie Buchanan, C. B. Bogges, Jackie Rudder, John Eoff, Eldon Bogges, Jim Erwin, Jimmie Endacott, Neal Loyd, Robert Reese; Jimbeth Flynt and Frances Kay Reese; Messrs. Jim Flynt, Howard Clem and Raleigh Reese.

Sunrise Breakfast at Park Honors Thomas and McCartney

Mrs. H. R. Bieciuk was hostess at a sunrise breakfast in City Park Wednesday morning to compliment Miss Carolyn Thomas, of Richmond, Virginia, and Miss Betty Ann McCartney, of Bryan, who are house guests in the Alex McGregor home.

Tables in the park were laid with colorful cloths and centered with bowls of zinnias combined with queen's wreath where the two-course breakfast was served. Mrs. Henry Doss assisted her daughter in serving.

Besides the honor guests were: Meses. Alex McGregor, Estes M. Lynn, Malcolm McGregor, Steven Cook, Charles Pafford, Bill Williams, Bill Chababa, Orland Middleton, Richard Willis, Murrell Landreth, David Caudie, K. V. Northington, Jr.; Misses Mary and Clara Beth Lynn, Ann Kiechle, Norma Gene Bankston, Catherine Hayes, Peggy McGregor, Billy June Walker, Carolyn Cheatham, Mary Brian Woody, Charlotte Miller, Martha Saunders and Ann Creasy.

A number of informal affairs have been given for Misses McCartney and Thomas over the past week-end, when Capt. Jack Bandy McGregor and Capt. Alexander McGregor were included as honor guests. Mr. and Mrs. Alex McGregor entertained with an informal Sunday evening supper at the McGregor-Lynn summer home at the Country Club.

The Altar Society of St. Mary's Catholic Church is sponsoring a barbecue supper, bingo games, fish pond, cake walk, domino games, etc., on the church lawn on the evening of August 7th at 7:00. The barbecue supper will be sold for 35c per plate. Everybody invited and welcome.

HAS YOUR ADDRESS CHANGED RECENTLY

Ledger subscribers are requested to notify the publisher of any change in their address promptly. Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is to send the change of address in advance.

County politics were pretty well settled in the first Democratic primary Saturday and not as much interest is expected in the second primary. State and district races will not create interest like a few county contests and with all of these settled, many Runnels countians probably will stay away from the polls in the second primary. This is a bad practice, however, as some of the most important races in the state will be at stake in the run-off. Every citizen should exercise his right to help name these important officers who will have so much to do with running the state. Make up your mind now to cast a ballot on the fourth Saturday in August.

Ballingerites are vitally interested in the proposal that state highways be-pass the business district. Many of the business men, especially those in filling stations along the present routing are in favor of the present status being maintained and favor a city ordi-

nance against all double parking which might persuade state highway officials to leave the routing as it now stands. Others whose business houses face main streets think their customers should be permitted to double park while they load merchandise. State officials have stated that unless double parking is halted and streets through which highways pass are kept open routing will be changed and the principal streets by-passed. This action would mean a visible financial loss to stations on Broadway where all through traffic now passes. These operators assert that much of their business comes from what is known as through travel. According to state highway officials the question must be settled at once.

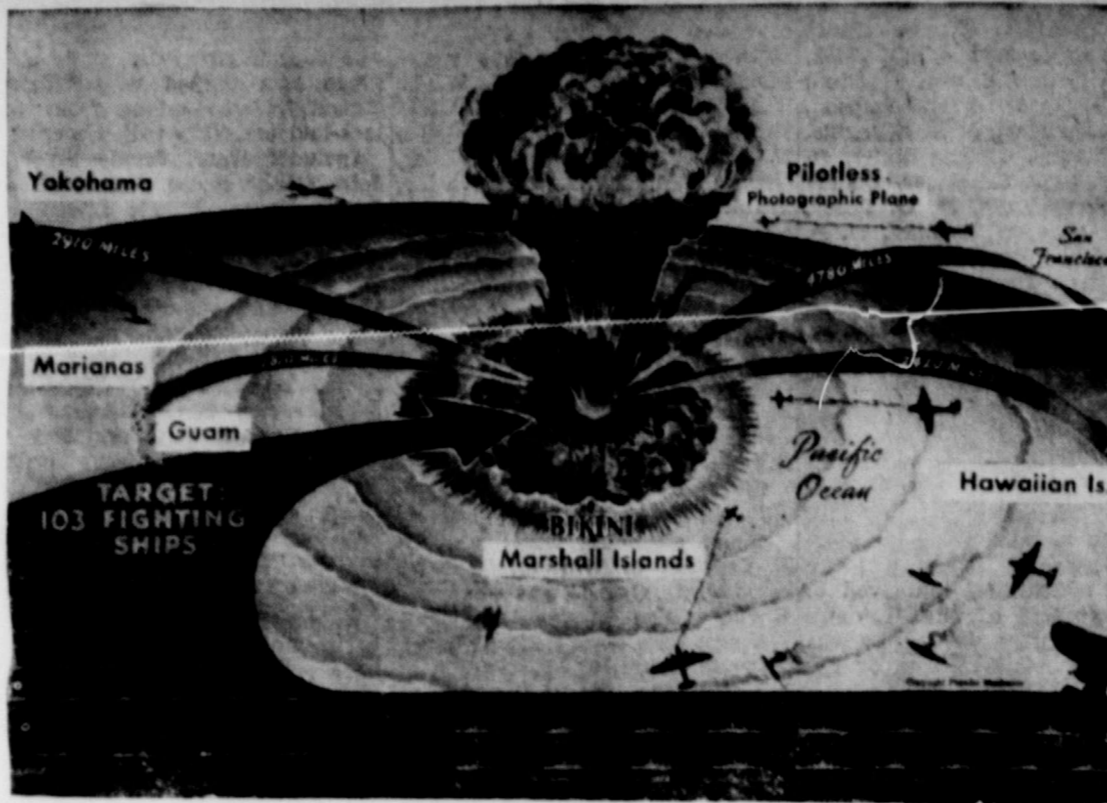

THE ROAD TO WAR

According to a recent nationwide survey 62 per cent of the American people now believe we will have another world war within 25 years. Only 24 per cent think we will have a lasting peace. By comparison, three years ago, when the last war was at its height, 47 per cent of the people felt that a lasting peace was probable, and only 43 per cent were convinced of the inevitability of another war.

The diminishing faith of the American people in man's ability to prevent wholesale murder and destruction on an incredible scale is in itself a terrible commentary on the state of the world. Its origins are obvious enough. We have watched the failure of the United Nations security council to arrive at workable agreements. We have seen the trend back to the old balance of power policies which did so much to foment World Wars I and II. We have seen the rights of small nations destroyed and the voices of dissenters violently stifled. We have seen authorities pessimistically forecast that the world may break down into two great opposed spheres of influence, led by the Soviet Union on one side and the United States on the other.

The challenge this offers to all the nations of the world is the greatest they have ever faced. For, should war come again, it could very well end only in the death of civilization as we know it. The atomic bomb is in its infancy, and the "improved" bombs of the future, compared to those of today, will be like a 1947 car beside the primitive vehicles that appeared forty-odd years ago. Other weapons, of unimaginable scope and destructive power, are in the experimental stage. It is perfectly possible that this kind of scientific progress, once unleashed for war, may mean the ruin of all mankind.

KILL RED ANTS! You can easily rid your premises of Red Ant Beds with Durham's Extermo Ant Balls at a cost of less than 5c per dozen. Six Balls 30c and 12 Balls 50c at your druggist or at Weeks Drug Store.

SETTING FOR OPERATIONS CROSSROADS . . . Where history's important explosion occurred July 7. This authoritative drawing from Popular Mechanics was made from information supplied by task force headquarters. At Bikini Atoll in the Marshall Islands the target was an assembly of more than 100 unmanned ships totaling approximately 200,000 tons valued at more than \$500,000,000.

WEST TEXAS NOTES

A dog ordinance was passed on the first reading at a meeting of the Brownwood city council last week. The ordinance prohibits vicious dogs from running at large in the corporate limits, requires vaccination against rabies, and the payment of an annual 50 cent license fee. Dogs not vaccinated and tagged will be put in a pound. Notices of impounded dogs will be posted each Monday and those not called for by their owners will be disposed of within ten days.

Stephenville public school trustees received official notification last week of an allowance of \$8,200 in federal aid to be used in the operation of the schools during the next year. The notice came from Senator Tom Connally, who stated he had received the authority from the federal works administration. Application was made by the Stephenville board two months prior to approval at Washington.

Plans are nearing completion for Comanche's biggest rodeo since the early '20s. The dates are August 15, 16, 17. It was also

decided that only night performances would be staged because of contracts to this effect with performers and because cooler weather at night attracts larger crowds. The rodeo grounds are being put in first class condition for the 1946 show.

Mayor A. N. Snagary of Rising Star, announced last week that samples of water from the new city well had been sent to Austin and the analysis revealed it was pure and suitable for human consumption. The new well, recently drilled, is being tied into the municipal system and will considerably boost the supply.

The Winters city council last week employed J. M. Hindeman, of Abilene, as city policeman. This was announced by Mayor T. A. Smith. Hindeman comes to Winters highly recommended, for several years having been associated with the deputy United States marshal at Abilene. He began his duties today. E. A. Carroll, who had been acting in this capacity, was only on substitute duty until a regular officer could be employed.

Brady city officials have been informed that the part of Curtis Field which has been deemed necessary by federal agencies for the operation of a municipal airport is being declared surplus. The federal government will retain part of the field and some of the buildings under lease to the city. Operation of the municipal airport will start at once.

More than 800 people attended a political rally held at Bronte on the night of July 20. A platform was erected on the street in front of the Enterprise (newspaper)

Strother-Boyle Nuptials Held In Edmonton, Canada

Palms, peonies and lighted tapers decorated the altar in St. Joseph's Cathedral, Edmonton, Canada, at 9:00 a. m. Thursday, June 20, for the ceremony at which Miss Mary Margaret, eldest daughter of Mr. and Mrs. Boyle of Edmonton, became the bride of Capt. Archie O. Strother, Jr., of the U. S. army, son of Mr. and Mrs. A. O. Strother of Ballinger. The Rev. Fr. W. A. Reynolds read the wedding rites and the nuptial mass.

Given in marriage by her father, the bride wore a floor-length gown

of white net over satin, designed with a fitted bodice and bouffant skirt. Her veil of bridal illusion was held in place by a Mary Queen of Scots headdress and she carried a bouquet of red roses.

Miss Margaret Costello was the maid of honor. Lieut. John F. Crotty served as Capt. Strother's best man and the ushers included Mr. George J. Barry and Mr. Francis L. Boyle, brother of the bride.

After the wedding, a breakfast for 60 guests was held in the Corona Hotel.

Later the couple left for a wedding trip to Banff, and then on

to Ballinger, where they will reside for awhile.

Mrs. Strother attended schools in Edmonton where her father is connected with the Alberta Wheat Pool headquarters. Capt. Strother is on terminal leave after three and one half years' service in Canada. He is a graduate of Winters high school and the University of Texas. He received his commission at Officers Candidate School at Durham, N. C.

United Church Women's Council Meets at Methodist Church

The regular fifth Monday meeting of the United Council of Church Women was held Monday afternoon in the auditorium of the First Methodist Church on Tenth Street with the president, Mrs. Charles Bailey, conducting the business. The group voted to furnish milk for the colored school lunch room for three months. A nominating committee composed of Mrs. Paul Petty, Mrs. R. D. Midgley and Mrs. Estes M. Lynn, was named by the president.

Bouquets of multi-colored zinnias were used to decorate the auditorium where Mrs. Charles van de

Putte was at the organ for the prelude and the opening hymn. Mrs. Harry Lynn was program chairman and introduced numbers. Mrs. David Murray gave the devotional, "The Christian Home;" Rev. Stephen Cook, pastor of the First Presbyterian Church, was the principal speaker, talking on the subject, "Juvenile and Family Relations;" and Mrs. J. L. Davis gave the closing prayer.

About fifty church women of the city attended.

Capt. Strother and Bride Honored at Reunion

Capt. Archie O. Strother, Jr., and his bride, who are visiting in Ballinger, were special guests for a reunion of the Strother family, held at the home of Mr. and Mrs. A. O. Strother on Park Avenue Sunday with all the children in attendance. It was the first reunion in several years.

Others besides Capt. and Mrs. Archie O. Strother were: Miss Mary Strother, teacher in Harlingen High School; Mr. and Mrs. Wilson Turner, of Austin; Joe Tom Strother, of Houston; John Paul Strother, who is attending the University of Texas at Austin, and Samuel Max Strother, of Ballinger. Mrs. Carl McGlothlin of Austin was also a visitor.

Bynum-Carroll Nuptial Vows Solemnized

Miss Lois Carroll, daughter of Mr. and Mrs. Jack Carroll of Lometa, became the bride of Frank Bynum, formerly of Sterling City, Monday afternoon at 5 o'clock in the home of Rev. and Mrs. Archie Gray, on Sixth Street. Rev. Gray, pastor of the First Christian Church, read the single ring service.

The bride wore a Franklin model dress of ice blue embroidered linen with black accessories.

Following the ceremony the bridal couple left for a short wedding trip. For traveling the bride wore a gray gabardine dress-maker suit with black accessories.

Mrs. Bynum is a graduate of Ballinger High School and has been employed as bookkeeper in several local business firms for the past few years. They will make their home in Ballinger. Mr. Bynum is a commissioned stock buyer.

Misses Bankston and Pate Honored City Park

Miss Melba Bankston, who left Friday for Washington, D. C., and Miss Bene Pate of Brady, were complimented last Thursday evening in the City Park when a few close friends entertained with a no-host picnic supper served with coca colas.

Games of contract were played following the supper with Mrs. P. Williams winning high score and Mrs. Murrell Landreth winning second high.

Others were: Mmes. Charles

Harry Cherry, of Mt. Holly, North Carolina; Dr. Glen Roy Cherry, of Dallas; and Capt. and Mrs. R. W. Dailey and son, of San Angelo, were guests in the home of Mr. and Mrs. Chester Cherry the past week-end. Capt. Dailey, formerly stationed at Bruce Field, has recently returned from Egypt. He received his discharge from the air forces on July 9.

The Norton home demonstration club met in the home of Mrs. Lawrence Bryan last week with most of the members present.

Miss Ollie Chenoweth, county home demonstration agent, was in charge of the program and made a bottom for a chair of hickory splints. Plans were completed for the club delegate, Mrs. Tom Crockett, to attend the state meeting at Amarillo.

The club voted to entertain their families with an ice cream supper August 7 on the lawn of Mrs. Kirby Robinson.

**HAS YOUR ADDRESS
CHANGED RECENTLY**

Ledger subscribers are requested to notify the publisher of any change in their address promptly.
Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.
The best plan for all concerned is to send the change of address in advance.

County politics were pretty well settled in the first Democratic primary Saturday and not as much interest is expected in the second primary. State and district races will not create interest like a few county contests and with all of these settled, many Runnels countians probably will stay away from the polls in the second primary. This is a bad practice, however, as some of the most important races in the state will be at stake in the run-off. Every citizen should exercise his right to help name these important officers who will have so much to do with running the state. Make up your mind now to cast a ballot on the fourth Saturday in August.

Ballingerites are vitally interested in the proposal that state highways by-pass the business district. Many of the business men, especially those in filling stations along the present routing are in favor of the present status being maintained and favor a city ordi-

nance against all double parking which might persuade state highway officials to leave the routing as it now stands. Others whose business houses face main streets think their customers should be permitted to double park while they load merchandise. State officials have stated that unless double parking is halted and streets through which highways pass are kept open routing will be changed and the principal streets by-passed. This action would mean a visible financial loss to stations on Broadway where all through traffic now passes. These operators assert that much of their business comes from what is known as through travel. According to state highway officials the question must be settled at once.

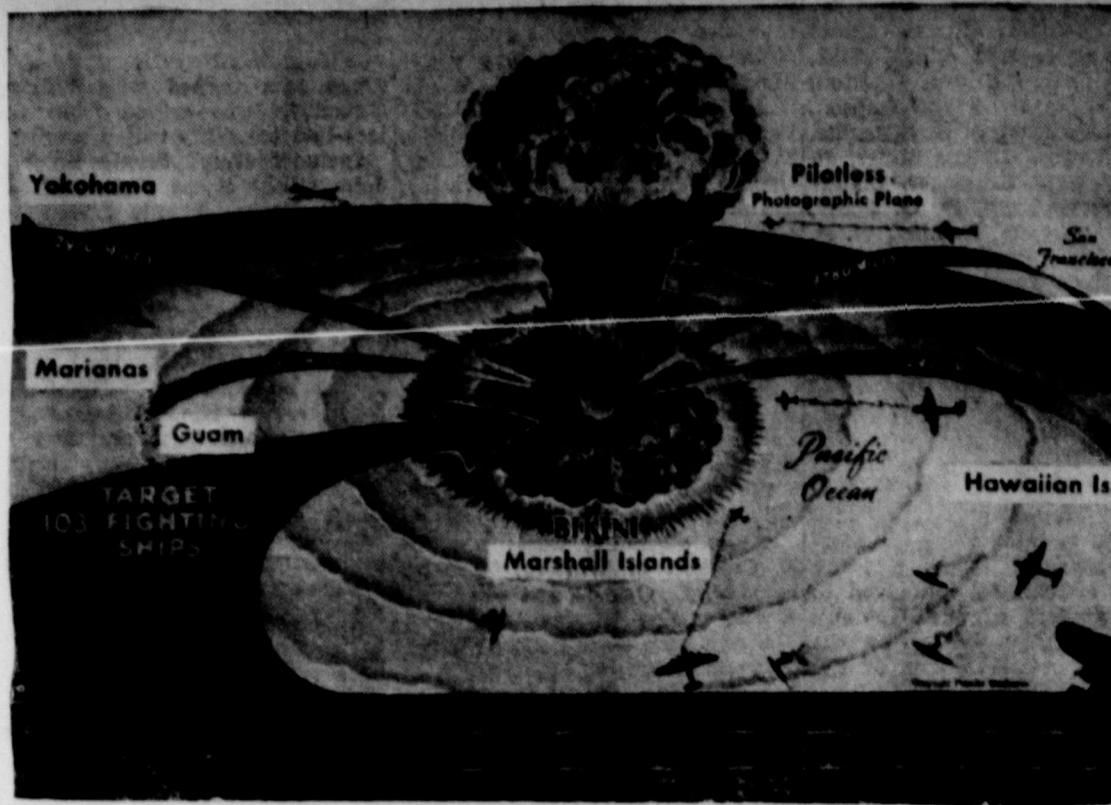

THE ROAD TO WAR

According to a recent nationwide survey 62 per cent of the American people now believe we will have another world war within 25 years. Only 24 per cent think we will have a lasting peace. By comparison, three years ago, when the last war was at its height, 47 per cent of the people felt that a lasting peace was probable, and only 43 per cent were convinced of the inevitability of another war.

The diminishing faith of the American people in man's ability to prevent wholesale murder and destruction on an incredible scale is in itself a terrible commentary on the state of the world. Its origins are obvious enough. We have watched the failure of the United Nations security council to arrive at workable agreements. NORTON HOME DEMONSTRATION CLUB

The Norton home demonstration club met in the home of Mrs. Lawrence Bryan last week with most of the members present.

Miss Ollie Chenoweth, county home demonstration agent, was in charge of the program and made a bottom for a chair of hickory splints. Plans were completed for the club delegate, Mrs. Tom Crockett, to attend the state meeting at Amarillo. The club voted to entertain

their families with an ice cream supper August 7 on the lawn at Mrs. Kirby Robinson.

Harry Cherry, of Mt. Holly, North Carolina; Dr. Glen Roy Cherry, of Dallas; and Capt. and Mrs. R. W. Dailey and son, of San Angelo, were guests in the home of Mr. and Mrs. Chester Cherry the past week-end. Capt. Dailey, formerly stationed at Bruce Field, has recently returned from Egypt. He received his discharge from the air forces on July 9.

J. C. TAYLOR FAMILY HOLDS REUNION HERE

Members of the J. C. Taylor family were here the past weekend for the reunion, the first since 1939. The affair was climaxed Sunday with a dinner and an all-

day visit. Present were: Mr. and Mrs. Robert L. St. Clair, Mr. and Mrs. Walter Presson and Annette, Mr. and Mrs. Andrew McCulloch, Jr. and Marilyn, Arlington, New Jersey; Lt. and Mrs. Clements Taylor, Randolph Field, Texas; Capt.

Thanks to the People of Runnels County

—for the wonderful vote you gave me in last Saturday's Democratic Primary. I want you to know that I am deeply grateful.

My purpose, when I enter upon the duties of the office of County Clerk, will be to give the people of the county and all others having business with the office the most courteous and efficient service of which I am capable.

During my tenure in office you, the people, will always be welcome, whether on official business or a friendly visit.

Gratefully yours,

F. E. (Frankie) Berryman

Vember Taylor, McDill Field, Florida; and Miss Edna Fowler, Dallas, a guest.

All children and grandchildren were present with the exception of Mrs. Vember Taylor, Jimmie and Mona, of Florida.

Many Rats Killed Here by Poisoning; Work is Continued

R. R. Roberts, working here for the past two weeks on rodent control, has reported to the city commission on the accomplishments as shown by inspection tours.

During the poisoning period and after a close inspection additional poison was placed at 22 of these spots. In the first inspection 362 dead rats were picked up in addition to hundreds killed at the municipal dump grounds. Considerable DDT was dusted in likely places to eliminate fleas and other disease-carrying parasites before poisoned baits were placed in the stores. Five gallons of 1080 poison were used in the campaign and additional poisoning is to be done until all rats in the business district are destroyed.

Mr. Roberts believes much has been accomplished in the three campaigns already conducted. He declared only a few places continue to harbor rats in large numbers and that these naturally attract rodents and the buildings are easily entered.

Since the first drive here a number of buildings have been made rat-proof by laying concrete floors and making repairs in ceilings and walls.

City and county health officials are cooperating in the elimination of rodents and later inspections will be made to determine if additional poisoning is necessary.

4-H Roundup Slated At College Station

COLLEGE STATION, July 31.—The Texas 4-H Round-Up will be held here August 27-30. Dr. H. P. Trotter, director of the A. & M. College extension service, has announced.

Two boys and two girls, selected from each county on a basis of accomplishment in 4-H club work, will attend a three day program of instruction and entertainment. County agricultural agents and home demonstration agents from every county will also attend the round-up. J. P. Schmidt, supervisor of Farmer's Institutes and professor of rural sociology extension with the University of Ohio, will be on hand to conduct leadership training for the adults and direct panel discussions. Iris Davenport, representative from "Southern Agriculturist" magazine will instruct the club girls.

Classes for girls will include handicraft, good grooming, and making corsages. Boys will receive instruction in beef and dairy cattle, swine, poultry and sheep and goats. Outstanding boys and girls will participate in panel discussions under the direction of Professor Schmidt.

Entertainment highlight will be a magician show and party at Sbis Hall for both adult leaders and club members.

Four club members who attended the National 4-H Club camp will give reports and district rifle teams will compete for state honors. Girls from 77 counties will model dresses in the state dress review August 30.

According to Lorene H. Stevens, 4-H club specialist with the A. &

M. College extension service, 1,200 boys and girls will take part in the Round-Up.

PRECINCT CHAIRMEN ATTEND MEETING TO CANVASS VOTES; COUNTY CONVENTION NEXT

All precinct chairmen of Runnels county were here Monday afternoon to canvass the votes of Saturday's primary election, collect for office help and to attend to other matters. The meeting was held in the district court room, with J. M. Williams county chairman, presiding, and T. Whitehead, secretary, taking the minutes.

Arrangements were also made for holding the second primary in this county on August 24.

The county Democratic convention will be held here Saturday afternoon at which time delegates to the state convention will be named and other matters of business attended to by the delegates. Precinct conventions were held last Saturday at which time delegates to the county convention were elected.

VETERANS' ADMINISTRATION TO HAVE OFFICE IN BALLINGER

Arrangements have been made for the opening of a veterans' administration office in the court house here. A representative of the San Angelo office will be here each Thursday afternoon and will be found in the office of the justice of the peace on the second floor of the court house.

Veterans or their dependents with any problem are invited to see the representative any Thursday afternoon. He will be glad to assist in any problem dealing with veterans' claims or claims of dependents of a veteran.

AIR CONDITIONING INSTALLED IN RITZ CLUB, STEAK HOUSE

H. Ford Taylor is installing a new air conditioning plant in the Ritz Club and Steak House this week. The old machine will be continued in use and the new

Brady Golfers Win Over Local Players In Matches Sunday

Brady and Ballinger golfers tangled here Sunday afternoon, Brady taking the long end of the matches 6 to 5. While Brady was represented by only eleven men, those who came were able to cope with local players on the Ballinger Country Club course.

A large number of Ballinger players were on hand ready to meet up to twenty-five Brady players had they come over that strong. After matches were begun local players waited for any late arrivals and then arranged contests among themselves, a number of ladder matches being played in the afternoon.

Arrangements were made Sunday for an all-day tournament between Ballinger, Coleman and Brady players with a barbecue dinner at noon and morning and afternoon matches of 36 holes. The games probably will be played on the Ballinger course.

In the meantime Ballinger golfers have arranged a ladder on which all players are arranged, and any player may challenge the man above for a game which must be played within three days or places will be exchanged. About thirty players are arranged on the ladder.

BETHEL-COLEMAN BASEBALL GAME SUNDAY CANCELLED

It was announced last week that the Bethel baseball team would play the Coleman team here next Sunday afternoon. J. R. Whitworth, manager of the Bethel club, stated Wednesday that the Coleman manager had cancelled this game and that efforts to match another had failed.

The Ballinger Red Sox will be in Sweetwater next Sunday and there will be no game on the local diamond.

AGE LIMIT REGULATION CHANGED FOR STATE LEAGUE PARTICIPATION

AUSTIN, July 31.—Interscholastic league participants who are eligible for participation throughout the season will remain eligible even though some may reach their 18th birthday just before the state meet in May.

This decision was announced by R. J. Kidd, acting director of the league at the University of Texas.

Following action by the state executive committee of the league, provision will be made in 1946-47 for rural school classification.

The committee also raised the award limit from \$7.50 or the equivalent in value to \$10, with a \$15 limit for students in their last year of school.

OPA ceilings ranged around \$2.33 but since all ceilings have been off the price has gone up sharply, leaving dealers in a quandary as to what will happen if the present OPA bill is passed and price ceilings reinstated.

Manuscript covers, Ballinger Ballinger Printing Co.

plant added to the building to provide additional cool air.

The new machine is a splasher type and squirrel cage blowers will replace the air in the building every two minutes. Mr. Taylor stated that the installation job would be completed this week in time for use during the week-end.

REV. MARTIN RETURNS HOME AFTER SUCCESSFUL REVIVAL

Rev. B. J. Martin returned home this week from Tahoka, where he had been engaged in a revival the past two weeks at the First Baptist Church.

He reported a successful revival with good interest, large attendance and a number of additions to the church.

Rev. Martin stated that that section was extremely dry and was in a heat wave.

IN SOCIETY

Rev. and Mrs. David Murray Given Food Shower

Rev. and Mrs. David Murray were given a food shower following the mid-week prayer service last Wednesday evening in the Eighth Street Presbyterian Church parlors.

Rooms were decorated with arrangements of zinnias and asters where members of the Woman's Auxiliary served frosted punch to about forty church members. Mrs. Rufus Allen is chairman of the social committee.

Gift Shower Compliments Mr. and Mrs. Henry Fowler

Mr. and Mrs. Henry Fowler, who were recently married, were paid a pretty compliment by the Eighth Street Presbyterian Sunday School class members, and their teacher, Mrs. G. P. Teague, Thursday evening of last week when they were hosts at a gift shower in the Teague home on Eighth Street.

Multi-colored summer blossoms were used about rooms while pink zinnias and asters in a crystal

bowl centered the lace-laid dining table. Misses Alvina Ischar, Elizabeth and Margaret Routh assisted in serving frosted punch and individual cake squares.

Games of bingo were played and the bride was awarded the prize, which was a miscellaneous gift shower.

Others included were: Rev. and Mrs. David Murray, Messrs. and Mrs. Paul Beard, Wesley Wood; Mrs. Cassie Ischar, J. E. Fowler, Bob Fowler, B. H. Erwin, A. W. Sledge, A. H. Wiesepape, A. L. Crager, Rufus Allen, J. W. Black, Alton Stokes, E. S. Malone, Clifton Wright, Ola McMillan, Jack Ashton, Una V. Doose, Herbert Dean, E. B. Killingsworth, Aurelia Webb, C. J. Jaros, Dee Oliver, Marcus Flanagan, Horace Murphy, Pat Murphy, H. F. Demmer; Miss Lillian McMillan; Elois, Jo Ann and Lucius Wood.

Potatoes, of which there is a bumper crop this year, are the number one vegetable calory-provider to help make up for the cut in bread consumption.

WHAT DO YOU MEAN, NO MEAT . . . Meat shortage? They evidently never heard of a meat famine down Rocky Mount, N. C., way, where porkers part with giant hams like the one above, which tipped the scale at sixty pounds or three times the weight of Sally, who looks at it with disbelief or "something." Rather a large size ham to put in the oven, meat shortage or no meat shortage.

Suggestions for Summer Care of Shrubs and Flowers

By Miss Ollie Chenoweth
County Home Demonstration Agent

Flowers for fall blooms may be planted like vegetables in shaded cold frames and transplanted during cold weather. Divide packages of seed into several plantings for continuous blooming. Half shade and moist but well drained soil will make good plants for September and October transplanting. Hardy and dependable are balsam, stocks, calendula, candy tuft, clarkia, mignonetta, marigold, pansy, portulaca, snapdragon, verbena and many others. Holly hocks planted now bloom next summer.

For flowers to be sown in the open, try some of the new zinnias. Other seeds which may be planted in full sun are klondyke

cosmos, marigold, cockscomb, gail lardia, sunflower and periwinkle. Plant bluebonnets until September 15 for next spring blooms.

Prune close to the ground dusty miller, petunias and other plants which will sprout new growth. The spiderlily should be moved as soon as the leaves die.

Bulbs, tubers, etc., which may be planted this month are dahlias, gladiolus, oxalis, water hyacinth, water lily, false dragon head, giant daisies, day lily, torch lily, and many other lilies including gold bank, thundergain, speciosum and bateman.

Do no heavy pruning on trees and shrubs until mid-winter. Heavy cutting may cause new growth that cannot harden before winter. For the same reason, give no fertilizer until cold

Club Will Amend Charter to Take In 25 New Members

A called meeting of the shareholders of the Ballinger Country Club was held at the club house Friday night for the purpose of voting authorization for the amending of the charter to take in twenty-five new members. A committee report was made and twenty-five applications for stock and membership in the club submitted.

After a short discussion it was voted to amend the charter and thereby increase the membership from 75 members to 100 members. Paul Petty was employed to look after the legal details and as soon as the new charter is secured

weather, but a well rotted hay or straw mulch is always in order. It will hold moisture new. Later it will decay and enrich the soil. Look for some around old straw or hay stacks, feed cutters, or stock lots.

Collect shrub and tree seeds for later planting. Bury apricot, cherry, plum or peach seeds in damp places now. The hard seed coats will soften and be ready for planting next spring. By this time next year the seedlings should have grown into a plant one to two feet tall.

During dry weather avoid daily sprinkling of the top soil. This causes roots to grow near the surface. Watering seldom but deeply develops better root systems because they are deeper in the soil.

Cut ants which injure plants are easily destroyed. Find the beds and scrape off the top accumulation until the main den is located. Use two or more table spoons of hydrogen sulfide (high-life) according to the size of the den. This is most effective when all the ants are inside during early morning. Repeat in two weeks if new ants hatch out.

Other ants, including the stinging red ant, are killed the same way.

When dry weather prevails, the red spider is most active in killing arbor vitae and cedar from the inside out. Use cotton dusting sulphur or spray with nicotine sulphate. Cedar bag worms should be collected and burned to prevent their hatching out next year.

NOTICE!

Mrs. Lela Hill

wishes to announce the reopening of her COMMERCIAL CLASSES. Office will be located upstairs of TALBOTT BLDG.

from the Secretary of State, stock certificates will be issued to the new members.

Directors and committees of the country club plan extensive improvements of the club house and other property during the next few weeks. Club house will include a new roof, repainting and papering and a general improvement will include a new roof, repainting and papering and general redecorating of the interior. New furniture will be added to make any type of entertainment possible for special parties staged by club members.

Other improvements are to be made on the lake, bathing house and pier, fishing piers and on the grounds.

In addition to the sale of twenty-five new shares of stock, a number of other sales were made whereby transfers from one person to another were made.

Officers are anxious to increase activities at the club and they plan to make available the facilities for such a program.

E. B. CLAMPITT OPENS NEW CITY ADDITION

E. B. Clampitt announced this week the opening of a new addition and the sale of lots in Ballinger. The Reed addition, located in the 1500 and 1600 blocks on Broadway, has been surveyed and 24 lots are being offered for building purposes at \$200 and up.

This section of Ballinger has all utilities with the exception of sewerage. The size of the lots in the addition average 59 by 137 feet.

After six months service in the regular army, a private is automatically promoted to private first class with a monthly pay check of \$80.

OPENING FRIDAY, AUGUST 2ND

A NEW STORE

It is with pleasure that we announce our formal opening on Friday, August 2. After two months' work in remodeling the interior of our building and buying merchandise in the largest wholesale centers of the country, we are ready to open our general dry goods store to the people of this trade area.

The Ballinger Dry Goods Co., owned and operated by Ross Black and Earl Baker, brings together two men who have had years of experience in selling dry goods and shoes to the citizens of this territory. We have adopted the slogan, "Quality First," formerly used by the

old Ballinger Dry Goods Co., and intend to live up to it by selling only nationally known and advertised brands of merchandise at prices that are full values today.

We invite shoppers of this area to visit our new store. You will find a genuine West Texas welcome awaiting you and whether you are ready to buy anything or not, we want you to see the store and inspect the merchandise we have on display. We believe we have been fortunate in the wholesale centers and in this era of shortages are able to present a fairly com-

plete stock for our opening.

Many of you have been our customers in the past and we want to continue to serve you from our own store. We believe in the future of Ballinger, Runnels county and this entire section and want to serve the people we have known as personal friends for so many years. We will put forth every possible effort to serve you well, to maintain a stock of items you want and need, and feature "Quality First" at prices you know are in line with present day merchandise.

**We will have Many Attractive Specials
for Opening Day, Friday August 2**

Canterbury TEA
 Buy a package of Canterbury Tea. Compare its flavor with your favorite brand. We think you'll like Canterbury just as well. If not, return the unused portion to the store where you bought it and you will be given a like-size package of any other tea you may select from the grocer's stock.

Canterbury TEA
 1/2-Lb. Pkg. **22¢**
