## Dr. Kralicke and Family Plan Move to Muenster

DR. MARTIN M. KRALICKE

Dr. Martin M. Kralicke, who came here in 1954 when Crowell was without a doctor, announced Saturday that he has submitted his resignation as a staff member of the Foard County Hospital and will move to Muenster Nov. 1.

Dr. Kralicke will join the staff of the new 32-bed Muenster Hospital which opened in February.

In submitting his resignation to the Foard County Hospital Administrators, Mrs. Betty Gafford and Mrs. Mary Ford, Dr. Kralicke said that he will not leave Crowell until Dr. Walter Stapp, Crowell's other doctor, returns from a scheduled October vacation.

Dr. Kralicke, a native of Chicago, Ill., came to Crowell to practice in Jan., 1954, after serving 2 years as a surgeon in Korea and being discharged from military service as a captain.

He took his pre-medical training at Washington and Loyola Universities and was graduated from Loyola University Medical School in 1948. He took his internship and surgical residency at St. Mary of Nazareth Hospital in Chicago.

Dr. Kralicke has served as the county health officer in Crowell, is a member of the Crowell Lions Club, and holds membership in the local seven-county medical society, the Texas Medical Association, the American Medical Society and the American Society of Railway Surgeons.

Dr. Kralicke has sold his interest in the Medical & Surgical Clinic, the equipment and his practice to Dr. Stapp. He emphasized that his practice will be turned over to Dr. Stapp, and all medical records will remain here in the Medical & Surgical Clinic.

Dr. Kralicke expressed his appreciation to the people of Foard County for the many enjoyable years he and his family had spent in Crowell.

He and his wife, Betty, have six children: Stephen 15, Margaret 13, Mary Louise 11, Laura Ann 8, Dianne Marie 6 and Elizabeth 5. They are members of the Catholic Church.

### First One to Answer Question to Receive New Testament

"What sin causes the most sadness in Crowell and on earth?" will be the first in a series of ten Sunday night sermons in the "Ten Weeks Loyalty Campaign" beginning Sunday, Oct. 18, at 7 p. m. and continuing through Dec. 20 at the First Christian Church.

The series of sermons will be preached by the pastor, R. C. McCord.

Minister McCord announced that the person who answers first what this sin is will be the recipient of the "Instantaneous New Testament," which gives book, chapter and verse instantly.

The public may submit their answers to this question to Mr. McCord, by writing him at Box 795, Crowell, or phoning him at 684-3481.

Another question posed by the minister to the public is "If you could remove from earth one sin only, what sin would it be?" He also cited the church's motto, "All always welcome," in inviting the public to attend these services.

Flower bearers were members of the Co-Laborers Sunday School class of which Miss Mitchell was a faithful member.

She was born June 11, 1887, daughter of the late Mr. and Mrs. G. A. Mitchell. She joined the Crowell Methodist Church in 1908 and had been a dedicated worker.

### August Savings Bond Sales in Foard County Total \$11,767.00

George Self, chairman of the Foard County Savings Bonds Committee, announced that the county's August Savings Bonds sales totaled \$11,767. Sales for the first eight months of this year were \$46,736, which represents 51.9 per cent of the 1964 sales goal.

Total sales in Texas for the first eight months of the year were \$100,643,333 or 67 per cent of the state goal. Savings Bond sales have increased approximately \$900,000 compared to the same period in 1963.

"In a recent brochure the Treasury Department stressed the tax advantages of buying E bonds. While the interest is subject to federal income tax, the reporting of E bond interest may be deferred until the bonds are cashed or reach final maturity. This means that the owner of the bonds can choose to cash his bonds in years of lower income. This fact makes the E bond particularly attractive to the large investor and for those persons either planning retirement or supplementing an existing retirement program," Chairman Self stated.

### GOLF TOURNEY SUNDAY

Any Foard County resident who would like to play in the county-wide golf tournament at the Spring Lake Country Club on Sunday, October 4, should notify Nelson Oliphant or Jesse Whitfield by Saturday, Oct. 3, in order to enter.

Both members and non-members of the club are being invited to play. There will be a \$1.00 entrance fee to pay for prizes to be awarded the winner, runner-up and consolation of each flight.

A special "after church" flight will begin at 1 p. m., for those who so desire.

The club course is now open until tournament time for anyone who would like to practice.

### Invitation Extended to Buy Cafeteria Meals for Underprivileged

"We have a number of underprivileged children in our school who do not have any money to pay for their lunches. A hungry child cannot learn," Supt. Henry Black of the Crowell School System said Tuesday morning.

Mr. Black continued, "We feel that there are many individuals in Foard and adjoining counties who would like to feed a child during the remainder of the school term. Thirty-five cents per day will feed a child in the primary grades and forty cents will purchase a lunch for a child in the intermediate department. The sum of \$7.00 or \$8.00 per month will provide a hot lunch for one person."

Milk is furnished with each meal and additional milk may be purchased for 1c per half pint.

It is impossible for the school to furnish meals for a large number of students, for it results in giving poor quality lunches to the students who pay for their meals. Any individual or organization wishing to share in this program is urged to contact Henry Black or Mrs. Carmon Welch.

The Crowell Wildcats were defeated by the strong class 2A Quanah Indians in a non-conference game played here last Friday night. The powerful Indians had difficulty moving against the Wildcats, but scored three times under the guidance of quarterback Terry Don Richardson.

Richardson scored two touchdowns and set up the third with his passing and running. The Wildcats stopped Quanah's scabcat John Holmes, a feat not performed by any of Quanah's other opponents this season.

Richardson sparked the Indians to their first score on a 65-yard drive following the opening kickoff. He capped the drive with a 17-yard scamper around left end for the score. The try for extra point failed.

The Wildcats came back with a strong drive, which was halted on the Quanah 40 by a fumble.

The Indians scored again in the second quarter when fullback Danny Morris blasted over right guard for three yards and the TD. The try for extra points failed. This drive covered 50 yards.

Following the half, Crowell marched 72 yards for their touchdown after taking the kickoff. Quarterback Dan Mike Bird ripped off good yardage on sweeps around both ends and topped the drive with a three-yard blast for the score. The Wildcats threatened again in the fourth period, but a fumble deep in Quanah territory killed the drive.

The Wildcats took to the air in the final minutes of the game in an effort to overcome Quanah's six point lead. Richardson killed the Wildcats' hopes when he intercepted one of the passes and returned it to Crowell's 20-yard line, setting up Quanah's final score.

Richardson carried on over from the 20 and John Kubicek kicked the extra point to leave the score 19 to 6.

Mike Payne, Tommy Carpenter and Bird were Crowell defensive stars, while stand-outs defensively for the Indians were Kubicek, John Hatcher, James Harris and Richardson.

## Houston Adkins Recognized for Community Service

Houston Adkins of the Adkins Oil and Gas Co., Crowell, has been given special recognition this year by Phillips Petroleum Co. for outstanding accomplishments in community service.

D. K. Fowler, district manager of Phillips Amarillo sales office, presented to Adkins the Phillips Petroleum Co.'s Mr. Phil Award. This is a gold-plated, "Oscar-like" statuette of a "Stylized man" in Phillips uniform. It is an award honoring achievement.

A Mr. Phil Award is made to contributors of Phillips products to unusual sales efforts, customer services, or other activities that bring credit to the individual or organization," Fowler explained. "It is truly a tribute to the man for the above and beyond the call of duty."

Nominations for the Mr. Phil Award are obtained from letters from customers calling special notice to an individual, or from recommendations of Phillips sales district managers. A special committee periodically makes the selections of those to receive the distinction of being a Mr. Phil Award recipient.

"In this case the special award is given to Adkins for his active participation in local civic clubs and organizations," Fowler said. This includes the Crowell School Board, City Council, Booster Club, Baptist Church, Lions Club, Little League baseball and the Crowell Volunteer Fire Department."

#### National Youth Month Observed

There comes a time in every youth's life when he should consider his responsibilities to his country, home, self, and God. September, designated as National Youth Month, is a perfect time to take such an inventory.

The youth of today are not all "scatter-brained" as most people seem to think; many are very intelligent. Whether a youth has great or little intelligence, he has a great responsibility to his country. He should study the principles upon which the nation is founded; he should stand up for the rights and privileges offered to him as a citizen; he should fight against the crime wave spreading across the nation.

The youth's responsibilities to his home, as well as to his country, are many. He should do his best to help keep the family financially secure. He should be willing to carry out his share of the duties—no matter how little or how big—within the family group. He should be willing to sacrifice a personal pleasure for the happiness of other members of the home.

In carrying out his responsibilities to his country and to his home, he must not forget that he also has responsibilities to himself. He must believe in himself; he must trust his decisions; he

must strive to make for himself a good life.

In fulfilling the responsibilities to himself, a youth also fulfills responsibilities to his God. He should be honest and sincere in speaking about God; he should find his place in God's world; he should point out to others the many advantages in leading a life according to God's teachings. If a youth would seriously consider all his responsibilities to his country, home, self and God, he would surely become a better citizen of tomorrow.—By Saunna Martin.

#### Juniors End Magazine Sales

On Tuesday, Sept. 22, the magazine sale held by the Junior Class was brought to an end. The sale had begun two weeks previously, on Sept. 8, under the watchful care of the sponsor, Mrs. Dick Todd.

Success is the only word to describe the sale. The previous record for magazine sales was \$1,410.70, held by last year's Junior class. The Junior class of 64-65 topped that record by selling \$1,410.66's worth of magazines. The team led by Steve Kralic won in the battle to raise the most money. The success of his team would not have been possible without the fierce competition put up by the opposing team captained by Dena Todd. The honor of selling the most magazines went to Sharon Mapp whose sales totalled \$144.12. She, as did all the juniors, worked very hard.

The class sincerely thanks all of the people who "gave in to the begging" and bought a magazine. Their help, which made the magazine sale a success, will make the Junior-Senior banquet the best one yet. If any subscriber doesn't receive the first issue of the magazine within twelve weeks, please contact one of the juniors or the sponsor so that proper action may be taken. The class also wishes to thank those people who made donations.

#### Pep Rally Boosts Enthusiasm

Gathering in the Crowell gymnasium last Friday, the CHS students participated in a high spirited pep rally. The Wildcat band played "Go" while the students assembled on the west side of the gym. The football boys and the

coaches then entered and sat in the center section. The enthusiasm of the cheerleaders was catching, and the entire student body was soon shouting in unison yells.

Marion Crowell, a real Wildcat backer, made a very forceful speech, concluding with the words, "Crowell fans are backing the Wildcats—win, lose, or tie." Rickey Traweck, senior halfback, expressed the feelings of the players. Two more rousing cheers were given and everyone then sang the school song, "Dear Ole Crowell High."

As the students left the rally, the band played the fight song.

Each week there will be a pep rally at school in the gym; the time will be announced at school and on posters placed down town. All Crowell fans are invited to attend and to support the team by coming to the game Friday night. The cheerleaders also want to thank the merchants who so willingly are permitting them to paint signs on their store windows as a means of advertising the forthcoming games.

#### See ACT Film

The members of the senior class were permitted to see a color film-strip with sound in regard to the American College Tests required for entrance into many colleges today.

The purpose of presenting the film was to encourage all seniors to begin early to plan about college, to learn important factors in making a college choice, and to show the part ACT plays in the college planning process.

The students who are to take the test as a prerequisite to college entrance are furnished a bulletin explaining the four areas of testing: English, mathematics, social studies, social sciences. The test will be taken by Crowell students Feb. 20 at Midwestern University in Wichita Falls.

#### CHS Admitted to ILPC

The class in journalism announces that CHS has been accepted as a member of the Interscholastic League Press Conference, an agency of the University Interscholastic League.

Membership is not necessary in order for students to enter the Interscholastic League journalism contest in the spring. However, membership does entitle the school to a special service; each week a

copy of the Wildcat will be sent to the ILPC, and in the spring the paper will be rated according to its efficiency in meeting standards for a high school paper. Another service available is a criticism of the paper based on three issues to be mailed in before the January deadline. The criticism will be made by a competent professional newsman or by a professor of journalism who, after studying the paper, will mark errors and will write the advisor a letter suggesting ways to improve the paper.

"If the rating and criticism are favorable, you'll be hearing about them in the spring; but if they are unfavorable, you'll never be the wiser," promises the staff of the Wildcat.

#### Freshmen Hay Ride

On Saturday night, Sept. 16, the freshmen had their hay ride. They would be different though; they headed for the Wichita River instead of the Pease river, as had the sophomores and juniors done previously.

The forty class members were eager to devour the delicious hot dogs (plus all the trimmings) which had been prepared by the room mothers.

The trailer was furnished by Barker Gin, the pickup by Fred Vecera.

#### School Briefs

##### Annual

On Thursday morning, Sept. 24, Jimmy Ashford, photographer for the 1964-65 annual, made individual pictures of the entire high school student body. He returned on Tuesday, Sept. 29, to take different poses of each senior.

The annual sale is now underway. The cost of an annual, if purchased before Oct. 9, will be \$5.00; if purchased between Oct. 9 and 23, it will be \$5.50. Freshmen should buy from Kathy Eubanks; sophomores from Toye McCurley; juniors from Marilyn Cates; seniors from Bill Harris. The selling of the advertisements ended Sept. 29. The staff wishes to thank each person who purchased an ad.

##### Library

When the senior leaves high school and begins his college years he finds that his whole academic life has changed.

Courses have unfamiliar names; professors, often using the "lec-

ture" method of teaching, expect the student to take notes, to digest the material, and to be able to repeat it on an examination; written assignments are often long and tedious—in fact, nearly everything seems different. It is then that a student will breathe a sigh of relief when he realizes that the library, except for being larger, is not much different from the high school library which gave assistance by supplying reference books to supplement class lectures, by providing background materials for themes and report, and by furnishing good books to be read for information or for sheer enjoyment.

Crowell High School has Mrs. King to thank for arranging the library and keeping it up-to-date so that students will be better prepared for their future in college.

##### Band Report

Last Friday night, the marching Wildcat band and Wildcatettes presented a fast-moving show entitled "O. M. 2." The band was introduced on the goal line with a fanfare, then marched downfield in a one man company front. The majorettes and band formed a single line on the 40-yard line, split into 6 man, single line fronts and marched into staggered fronts on different yard lines. After marching in revolving pinwheels, the band then formed a single line on the 40-yard line, stepping off from the ends into a step 2 movement. Without stopping, the band moved into a step 2 movement from the center. The band then formed a C and marched off in this position.

##### Indians Trim Wildcats

The Quannah Indians trimmed the Crowell Wildcats in a thrilling game last Friday night at the Wildcat stadium 19-6.

Quannah's 158-lb. quarterback, Terry Don Richardson, made the first touchdown of the game in the first quarter. Quannah's attempt for extra points failed. The Indians were back on the warpath in the second quarter when full-back Danny Morris made Quannah's second touchdown. Again, their attempt for extra points was unsuccessful. Therefore, at halftime the Indians were ahead 12-0. In the third quarter, the Wildcats attacked the Indians when quarterback Dan Mike Bird made Crowell's first touchdown, but the attempt for extra points failed. Richardson made his second touchdown in the fourth quarter for Quannah's third time to scalp the Wildcats. John Kubicek kicked the extra point.

Friday night, October 2, the Wildcats fight the Holiday Eagles. This second home game is the beginning of conference play and will be an important game. Holiday should have a good team, for it has 14 lettermen returning from last year's squad; seven are starters. However, last Friday night they failed to show much strength against Throckmorton who defeated them 33-0. Incidentally, that was the same score by which Crowell defeated Holiday last year. Let's do it again!

##### Walk CHS Halls

In studying Chaucer's Canterbury Tales, emphasis has been placed on the reality of Chaucer's characters. Although these characters lived in the middle ages, they are descriptive of men and women in any age. We've tried our hand at fitting some of these descriptions to people around CHS. "He wore the latest clothes," Mike G.; "Quite short," Sandra E.; "had close cropped hair," Jackie E.; "She had a very, very tender heart," Ken F.; "This lad had fallen in love," Gary T.; "Well built and tall she was," Pat J.; "He did not give a plucked hen for that law," Monty S.; "talked you blue," Shirley Mike R.; "so pompous was he," any senior; "he knew the taverns well," three guesses; "a learned man (at least we think so), T. F. L. III; "Yet he seemed busier than he was, I'll swear," Toye M.; "enjoyed good food," Bill H.; "his greatest joy was eating all the while," Mr. Wall; "they were all dressed alike," band students; "fad was dieting," CHS girls.

##### This Is CHS

It happened this week: Mr. Terry Garrett was referred to as "Mary" Garrett in last week's Wildcat. (Please accept apologies—we don't know how that got by.)

A pep rally was held in the hall of CHS Wednesday (the roof nearly came tumbling down), and on Friday a pep rally was held in the gymnasium. This sets a new record; never before in the history of CHS has this been done.)

Penny Swango, formerly of Arizona, has enrolled in CHS. It's nice to have you.

Mrs. Todd and Mrs. Manard assisted Mr. Black in taking up

tickets at the walk-in gate at the ball game last Friday night (Comment from the women, "It was fun")

Many college students came home for the first time since going away to school. (It was nice to see Dennis Garrett, John Carl Borchardt, LaRue Gidney, James Corder, Larry Henry, Philip Welch, Ruth Sanders, Gamble McCarty, Arcina Garrett, Kenny Bill Ownbey, Nancy Archer, Carolyn and Dale Henry.)

CHS has been visited by an ex-student, Sue Bursey Wyss, and her husband. They are here on vacation before going to Ecuador, S. A., to serve in the Peace Corps. Darrel Dick, James Welch, Allen Taylor and Ray Quintero were running up and down the stadium Friday night serving as ushers.

Mr. Black has been heard calling Sharon Mapp by the name of "Miss Mop." (Sharon is so used to the title now that it seldom causes her to lift an eyebrow.)

The first injuries in chemistry laboratory were sustained when David Denton broke a glass tube in his hand; this sent him to the doctor for treatment. (Let this be a warning to Mr. Welch who was lucky to have received only minor burns when he grasped a "red hot glass tube" from one of his students.)

Mrs. King has made things look up a bit at CHS. (That new Impala looks good parked at our campus.)

The guest speaker for the week was Evangelist John Stevens of the Assembly of God Church. He was introduced by Rev. John Hoeker, local pastor. Mrs. Hocker was also a guest.

"I always hit the 'surprise' table first," said Mr. Wall Monday. (Well, his eyes were bigger than his stomach for he left on his plate: three red beans, a crumb of cheese, two grains of rice, one-half of his sixth corn bread muffin, and one-fourth of his toothpick.) Such waste!

Former Crowell students on the strong ball club at Dublin High School are Jackie James and Duane

and Randy Simmons. Mrs. Welch and Mrs. Simmons were in Childress Tuesday of last week to attend a demonstration sponsored by West Texas University. Did anyone notice how the Quannah football boys were dressed when they stepped off the bus? The Wildcat field house Friday night? Well, each boy had on a white shirt, black tie, football jacket, dark trousers, white socks and black shoes. They really looked sharp.

#### Jokes

Mrs. Manard: Freddie, who is the English Channel?

Freddie: I don't know, Mrs. Manard. Our TV set won't pick it up.

Gayle: What model is your car, Scherry? It isn't a model. It's a horrible example.

**Considered Violation of Federal Seed Act**

Foard County wheat growers were reminded this week that use of that variety name "Rust Resistant Triumph" in labeling wheat seed shipped or sold in interstate commerce is considered a violation of the Federal Seed Act. County Agent Joe Burkett said the U. S. Department of Agriculture has found the variety to be non-resistant to leaf rust.

The act, explained Burkett, is administered by USDA's Agricultural Marketing Service with cooperation from the states and specifies that variety names of agricultural seeds shall not be false or misleading.

The Oklahoma Agricultural Experiment Station requested the changing of the name of the variety to "Triumph 64" and it has been approved by AMS as being in compliance with Federal Seed Act requirements.

**Two Minutes With the Bible**

Church on Fire

The Chicago newspapers carried an account the other day of a large church, burned to the ground, at a loss of about half a million dollars. Our sympathy goes out to the pastor and congregation who, at best, will have to carry on for a time under makeshift arrangements.

But the account reminded me of the story of another church on fire. The crowds had gathered to see the fire engines pour water on the burning building, when one man spotted a friend in the crowd. "Hi, Bob!" he shouted. "This is the first time I've seen you at church!" "Well," responded the other, "This is the first time I've seen a church on fire."

We write this as a special appeal to true, born-again Christians. Isn't it true that if believers were more "on fire" for Christ, more completely sold out to Him,

those who are now disinterested would be more apt to become interested and come to know Him as their Savior? We so soon lose interest or become discouraged, and quit. This is why the Apostle Paul, that tireless ambassador for Christ wrote:

"Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord" (1 Cor. 15:58).

This, we repeat, is his exhortation only to believers, for God will not accept our money or our good works, until we have first accepted from Him "the gift of God," which is "eternal life, through Jesus Christ our Lord" (Rom. 6:23).

Accept that gift; trust the Christ who died for your sins and He'll give you plenty to do—the most rewarding service any man can possibly render.

**Texas Gets Larger Share of Federal School Lunch Funds**

Texas schools will get a larger share than last year of national school lunch funds allotted to the states by the U. S. Department of Agriculture.

The increase amounts to \$214,264, which runs the total state allotment for the current school year to \$6,645,429, according to John J. Slaughter, Southwest area, food distribution division, Agricultural Marketing Service, Dallas. This USDA office works with the school lunch division, Texas Education Agency, in handling the school lunch program.

The increase in the Texas allotment reflects the \$9 million increase in national funds which total nearly \$130 million for the current school year, explains Mr. Slaughter. Only schools serving Type A lunches under the national school

**Whooping Crane Spotted in Oklahoma**

One of the rare whooping cranes was positively identified one morning last week resting on the Salt Plains National Wildlife Refuge near Cherokee, Okla. Refuge manager Lyle Semmerman was able to make positive identification of the bird.

Although Salt Plains National Wildlife Refuge is on the direct migration path to the big birds' preferred wintering grounds, the Aransas National Wildlife Refuge near Austwell, Texas, on the Gulf Coast, the sighting was unusual in that the bird is far ahead of the normal migration timetable. A total of 32 whooping cranes left the refuge in Texas last spring headed for their breeding grounds in northern Canada.

Until the birds return to Aransas this winter, it will not be possible to make an accurate estimate of the success of this year's reproduction.

Under complete and intensive protection by state, federal, and Canadian wildlife authorities, the whooping crane is staging an uphill battle for survival from the all-time low of 17 birds in the 1930's.

**College Costs Continue Upward**

Continued increases in college costs are shown in a new nationwide survey by the U. S. Office of Education, reports Mrs. Wanda Meyer, Extension Service home management specialist.

Median tuition charges — the halfway mark between those that are higher and those that are lower — increased \$206 in private universities and colleges and \$49 in state and other publicly supported schools, the survey shows.

program will share in this \$6,645,429 cash allotment to Texas.

The median tuition in private institutions rose from \$534 for the 1958-59 school year to \$740 for 1962-63. The median at publicly supported institutions increased from \$134 to \$183, in comparison.

During the four-year period, tuition and student fees were upped by 98 per cent of the private institutions, while in state-supported colleges and universities, 81 per cent raised tuition and fees for state residents, and 91 per cent increased charges to out-of-state students.

The latest survey does not reflect additional increases in tuition and fees effective in many institutions of higher learning with the beginning of the new academic year in September. These changes range from small amounts to "considerable" amounts.

The Office of Education did not report on charges for room rent and meals, Mrs. Meyer said. These costs reflect less change than tuition and vary less among private and public universities.

An earlier survey a year ago showed these annual averages: public universities and colleges, \$189 for room and \$350 for board; private schools, \$231 for room and \$415 for board.

**Farmer's World, 1964 Agriculture Yearbook**

Farmer's World is the title of the 1964 Yearbook of Agriculture released by the U. S. Department of Agriculture. The new edition joins a long list of other yearly volumes which have been widely used and treasured by agriculturists and others because of the wealth of information contained and also for their value as reference books.

The 1964 edition surveys in depth the United States' stake in world agricultural trade and aid. During fiscal 1964 American agricultural exports exceeded \$6 billion, the largest export operation ever carried out by one nation in a single year. The new record speeded up by four years the export timetable previously set up in earlier USDA projections.

Farmer's World contains 608 pages and covers a broad range of world food sources and their potentialities; the production of many crops in world trade; world marketing of farm goods; types of trading here and overseas; international organizations and trade

agreements, including the Common Market; assistance programs; and outstanding needs and problems as to research, uses of farm goods, income and the development of nations, nutrition, and economics.

## West Side H. D. Club

The meeting of the West Side H. D. Club was called to order by the vice president, Mrs. Homer Ketchersid, Sept. 22 in the home of Mrs. Walter Thomson. Opening exercise was a reading on THDA and the roll call was answered by a special sewing problem.

"How to cut and shrink our new stretch fabrics" were some of the ideas by Mrs. Ray Iseng, H. D. Agent, in her program on New Ideas in Sewing. Mrs. Shrode, Mrs. Gentry and Mrs. Cooper were named to the nominating committee. Mrs. Homer Ketchersid, delegate to the THDA state meeting, gave a very interesting report on that meeting.

Refreshments were served to 8 members and Mrs. Iseng. The next meeting will be Oct. 13 in the home of Mrs. Roy Cooper with a program on family finances.

## Junior Columbian Club

The Sub-Junior Columbian Club met in the home of Merida Taylor Sept. 23. Mary Ann Ramsey, president, was in charge of the meeting, which included a short business session.

Gayle Smith, who was in charge of the program, introduced the guest speaker, Mrs. Moody Bursley. Mrs. Bursley gave a talk on personal responsibilities. She told several stories in which teenagers had to decide for themselves what their personal responsibilities were to themselves and to others.

Delicious refreshments were served by the hostess, Merida Taylor and Lana Stewart.

## Home Builders Circle

Mrs. Glendon Russell was hostess for the Homebuilders Circle meeting last Tuesday evening in the Men's Bible Class room.

The session opened with the group singing, "When I See the Blood," led by Mrs. Clyde Eddy with Mrs. Howard Ferguson play-

ing the accompaniment. Opening prayer was offered by Mrs. DuWayne Elliott.

During the business conducted by Mrs. Boss Johnson, president, plans were made to present a Christmas pageant. A contribution was also given to the children's department for a water fountain.

Mrs. Thomas Tamplen presented the program with a Bible quiz. Mrs. Fred Collins concluded the program with a devotion, "The Key to Spiritual Discovery," emphasizing the power of the Holy Spirit in the believer's life. She based her text on several passages from the book Acts.

Mrs. Baylor Weathered dismissed the meeting with prayer after which refreshments were served by the hostess to 12 members and one visitor, Mrs. Jim P. Norman.

## Six October Plentiful. Foods Exemplify Fall Abundance

Fall, the time of harvest, is living up to higher expectations again this year. For October offers another harvest of abundance, with apples, rice, beef, cheese, turkeys and Bartlett pears in especially big supply. Apples and rice are featured on the U. S. Department of Agriculture's October list of plentiful foods, reports the Texas Agricultural Extension Service.

You can look for high quality at attractive prices when you select apples this October. They'll be ideal for Halloween "trick-or-treat" and parties. This year's forecast promises the largest crop since 1957 and a 20 per cent gain over the 1958-62 average. Oct. 15-24 is National Apple Week.

The predicted rice harvest, most of which will be completed in October, tops the average by 33 per cent.

Beef, particularly lower grades, will continue plentiful, as it has been for more than a year, according to USDA's Agricultural Marketing Service. So plan on lots of hamburgers and meat loaves for October menus.

A larger turkey crop than last year's promises a big supply of these poultry favorites this month. And cheese and Bartlett pears, both in greater supply than last year, will offer lots of easy-to-prepare taste enjoyment.

## Small Grain Seed Need Protection from Diseases

Chemical seed protectants can prevent many disease problems on small grain caused by fungal and bacterial organisms on the seed coat.

With the fall planting season here, Joe Burkett, county agent, advises growers who save their own seed or buy untreated seed to apply such protectants before planting to insure a vigorous and healthy stand.

Seed-borne fungi and bacteria destroy the seed in the soil or attack seedlings as they struggle through the soil. Such diseases are referred to as seedling blights and often result in a significant loss of stand.

Mercury-type seed treatments such as Cerasan and Panogen have been highly effective as protectants for small grain seed. Some fungi are also borne with-

**Expanded Postal Service Planned for Christmas Rush**

Longer post office window hours, expanded delivery services and large-scale extension of the ZIP-coded parcel post speedup are planned for Christmas, Postmaster General John A. Gronouski has advised the local postmaster, Ted Deeder.

Mr. Gronouski outlined to the Crowell postal head, three major new steps he has taken "for the best Christmas mail service the postal service has ever had."

1. Expanded post office window hours Dec. 5 to 26 as deemed necessary by the local postmaster.

2. A six-day week Dec. 7-31 for parcel post deliveries, instead of a five-day week.

3. Completion by Nov. 1 of Phase III of ZIP code parcel handling at about 130 more "sectional center" post offices (strategically-located mail massing points.) providing faster delivery up to 24 hours or more for parcels with ZIP code.
