## OPEN HOUSE AT NEW GYM AND BAND HALL IS TONIGHT

### DEADLINE IS TUESDAY; Hightower Gets Senate Committee Assignments

With only Thursday and Friday of this week and Monday and Tuesday of next week left to register to vote in 1967 elections, the total thus far this year is still running behind last year. It's ironic that last year, when a payment was required, 426 had

paid poll taxes up to this time, and this year—when it's all free for just signing up—only 405 have registered.

Since the court decision recently, which may affect the registration, all residents, regardless of being 60 or over, are urged to sign up before the deadline just in case the courts declare later that it is necessary for everyone who votes to have signed up during the registration period.

Remember, next Tuesday, January 31, is the last day to sign up.

### Hightower Gets Senate Committee Assignments

State Senator Jack Hightower has been named chairman of two Senate committees and assigned membership on several others that are important to North Texas.

Hightower represents a district which extends from Wichita County west to the New Mexico border.

Lt. Gov. Preston Smith has named Hightower chairman of the Senate Game and Fish, and Contingent Expense committees.

In addition, the North Texas Senator has been assigned to the powerful Senate Finance Committee, which helps control the state's purse strings. His other committee assignments, all of which deal with matters important to North Texas, are the Committees on Agriculture and Livestock; Counties, Cities, and Towns; Insurance; Labor and Management Relations; Legislative, Congressional and Judicial Districts; Oil and Gas, and Water Conservation.

Hightower, who formerly served in the Texas House of Representatives, was elected to the State Senate in 1963. This session, he begins a new four-year term of service.

Area residents are being urged and cordially invited this week to attend the open house for the new gymnasium and band hall tonight, Thursday, January 26, from 6:30 to 8:30 p. m.

The date for the open house was changed from Friday night by school officials because several of the participants in the acrobatic demonstrations have to be out of town on Friday night, and this necessitated the change in the date. The acrobatic demonstration will begin at 7 o'clock.

The new building is the result of about four years planning and effort.

The story begins back in 1963, following a warning by the Texas Education Agency concerning the physical plant and other deficiencies in the local system. At that time, a \$500,000 bond issue was called off before the election, and the following year a half-million dollar bond issue was defeated by the district's voters.

On May 10, 1965, the local board called for an election to be held on May 22 on a proposed \$225,000 bond issue carrying a 3 1/2% tax increase per \$100 valuation. This bond issue was okayed by the voters.

Of the \$225,000 voted, the sum of \$165,000 was allocated for construction of the new building with \$60,000 to be spent for teaching aids and physical improvement of existing buildings.

In addition to new desks and chairs throughout the school, two new rest rooms were built in the grade school, storage facilities for teachers were built, new lights installed in the high school and grade school, a new science laboratory was built and redecorating was okayed for the two school buildings, cafeteria and home economics building.

This work was completed during the summer of 1965.

The board advertised for bids for the new gym and band hall in August, 1965, and awarded the contract to R. M. Wells & Co. of Quanah for \$171,839. Piers for the new building were poured the week of December 20, 1965, and the building was completed last fall after school began.

The new building houses the gymnasium, band and choral room, practice rooms, and a classroom, in addition to dressing rooms and locker facilities. In the lobby are show cases, where trophies awarded to Crowell athletic teams during the years are displayed.

Although the gym has been used this year for all home basketball games, this is the first opportunity for the public to be escorted on tours through the building.

Everyone in this area is invited to attend.

### Last Quarter of 1966 Was One of Driest on Record

The last quarter of 1966—October, November and December—proved to be one of the four driest such quarters since records were begun some 52 years ago.

A total of 1.04 inches fell during the last quarter of 1966. This was far above the .07 inch which fell in the same period of 1950, however. During the last quarter of 1917, only .2 inch was reported; in 1921 it was also .2 and in 1927, the total for the last quarter was .8 inch. According to the records at the Crowell State Bank, a 33-year average in Foard County shows that the county normally receives about 5.15 inches of rain during October, November and December.

Merl Kincaid said that the total rainfall for 1966 was 22.41 inches—about two inches below normal.

### Women's Service League Hears Talk on Safety

At last Thursday's meeting of the Women's Service League, Patrolman Chester Fant of Quanah gave a talk on safety and showed a film entitled "Broken Glass," made and put out by the Institute of Traffic and Engineering of the University of California. It stressed using seat belts as a safety factor. He also distributed literature showing statistics that more people had been killed on the highways during the years 1900-1965 than all the wars this country has fought since 1775. Everyone was urged to abide by the safety rules.

Next week's meeting will be a business session with no program planned.

### Schedule of Services Listed for First Christian Church

A schedule of services for the First Christian Church has been announced by R. C. McCord, Minister, as follows:

Sunday morning Bible school at 10 a. m.; morning worship, at 11 a. m.; evangelistic vesper hour, Sunday evening at 6; the Hour of Inspiration, Wednesday at 7 p. m.; the children's hour each Tuesday at the church parsonage at 3:30 p. m.

"All always welcome," Minister McCord added.

### Anonymous Items Cannot Be Used

The News received this week a "code to live by" with a notice to print on the front page this week.

The News cannot use unsigned material such as this. Also, the article might be copyrighted—we don't know—and if it is, this paper would not be allowed to use it.

If anyone has some type of article such as this "code to live by," if they will bring it in, identify themselves and show to us, we could possibly use it.

Otherwise, such anonymously-mailed articles cannot be considered for publication.

### WEEVIL COUNT STARTS

A second annual boll weevil overwintering survey, sponsored jointly by the Foard and Wilberger Greenbelt Cotton Improvement Association and the Texas A&M University Extension Service, got underway this week.

Plans for the survey were announced last week by Otto Streit, and Newell Hofmann. Purpose of the survey is to locate boll weevil overwintering "hot spots" and offer farmers an opportunity for effective control measures, including applications of insecticides and use of uniform planting dates.

As with last year's survey, the samples will be taken to the Glenn Cato barn at Lockett for sitting and counting.

Don Rummel of Lubbock and Emory Boring of Vernon, both Extension Service entomologists, will direct the effort. Farmers over the two-county area are being urged to cooperate in the effort, which could mean thousands of dollars to individual farmers by allowing them to gain information vital to weevil control.

The count started Wednesday at the Cato barn and will continue through Tuesday of next week.

### New Employee for WTU Moves to Crowell Sunday

Mr. and Mrs. Ralph Adams and three children of Vernon moved to Crowell Sunday to make their home.

Mr. Adams is employed as serviceman for the local office of the West Texas Utilities Company. He had been working for the Rural Electric Association in Vernon for the past three years.

He is a native of Northside and has lived in Vernon and Wilberger County all his life.

He began his new duties here Monday morning. Mr. and Mrs. Adams have three children: Melinda, 8; Kurt, 5; and Deborah, 4.

The Adams family rented the house of the late Mrs. H. A. Stinebaugh on East Horner Street. Mr. Adams and Earl Ford, who has been here in Crowell for a year, are the two servicemen for the local WTU office.

### Old Band Hall to Be Moved and Renovated for Title I Program

Supt. Henry Black has received notice from the Texas Education Agency that the application made by the Crowell Public School under the Title I program for the renovation of the old band hall has been approved.

Plans have been made to move

the building to a more convenient location, after which the building will be modernized. The school board plans to build two rest rooms, panel all the walls, install new windows, put vinyl tile on the floors, build storage space and to put insulated siding on the outside walls.

It is planned to use the building for one part of the remedial reading program, for sufficient space is not available to use all the equipment that has been purchased under the Title I program for reading.

### County Federation to Have Meeting on Monday, January 30

The Foard County Federation of Women's Clubs will meet January 30 at 2:30 p. m. at the community center, with the Columbian Club as hostess.

**MEDICARE ANSWERS**

One of the most common questions received about Medicare since it came into being on July 1, 1966, is what does it not cover. Like any private insurance, Medicare has a deductible which must be met before it can start paying. This means that the patient, even though he has Medicare, must still pay some of his bills. For instance, under the hospital part of Medicare, all of the normal hospital expenses are paid except for the deductible. That is, the patient is required to pay for the first \$40 of his hospital bills. He must also pay for the first three pints of blood he receives, unless the blood is replaced by a donor. If the patient uses a private hospital room, for his own convenience, and not at the doctor's request, he must pay the difference between the cost of the private and the cost of the semi-private room. If the patient has to have a private duty nurse, he is responsible for her salary. If the patient wants a television, radio, telephone or other personal comfort items which are not included as part of the regular hospital service, he is required to pay the cost of these items. If the patient is in the hospital for more than sixty days, he has to pay \$10 a day for the sixty-first through the ninetyth day. Starting with the ninety-first day, he must pay all the expenses incurred at the hospital.

care will pay 80 per cent of the reasonable charges. The patient, of course, will be responsible to the doctor for the remaining 20 per cent. This medical insurance will also cover the costs of drugs which the doctor or his nurse administer, and which cannot be self-administered. It will help pay for other medical supplies, diagnostic tests, and such things as wheel chairs, braces, splints, artificial limbs and eyes, oxygen tents and even ambulance services that are medically necessary.

Neither part of Medicare can pay for patent medicines, drugs, like pills and tonics that can be taken without the doctor's help, routine physical exams, eye examinations, and routine dental care. Everyone who is over 65 years old and is signed up for either part of Medicare should have a booklet entitled, "Health Insurance in Social Security." This booklet explains in detail what Medicare pays for and what it does not. If you did not receive one of these booklets in the mail, or if you have lost yours, please contact the Vernon Social Security office. They will be glad to give you another book. This booklet should be kept handy for ready reference. If you would like assistance in preparing your first claim for medical insurance payments, the social security employees will be glad to help.

**Fort Worth Fat Stock Show to Begin January 27**

Fort Worth—With the nation's top bucking stock . . . an entry list of over 450 contestants . . . and a rodeo purse of more than \$75,000 in prize money and entry fees for the 1967 edition of the "World's Original Indoor Rodeo" is all set to get under way January 27.

Four of the current reigning rodeo event world champions will be on hand for the ten-day rodeo, January 27 through February 5. Heading the list of contestants is 1966 all-around champion cowboy, Larry Mahan of Brooks, Ore. Mahan became the third cowboy in the history of the Rodeo Cowboys Association, and the first in over a decade, to earn more than \$40,000 in one season. The last cowboy to earn that amount was Jim Shoulders in 1956 when he won three world champion titles. Other 1966 world champions competing are Junior Garrison of Marlow, Okla., calf roping; Paul Mayo, Grinnell, Iowa, bareback bronc riding; Ronnie Rossen, Broadus, Montana, bull riding; and Marty Wood, Bowness, Alberta, Canada, saddle bronc riding. Also competing will be the RCA rookie of the year for 1966, Tony Haberer, Muleshoe, Texas.

Bucking stock for the 1967 Fort Worth Rodeo will be furnished by rodeo producers Tommy Steiner and Associates of Austin. Tickets for the 1967 Fort Worth Stock Show Rodeo are available from the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101, or call AC 817 ED 2-7361.

The United States had an average of 50.5 persons per square mile of land at the end of the 1960 census.

Price Relief Needed  
 "There still is much that needs to be done to give our people price relief . . . That major something is to curb inflation that forces prices up without giving better value. And the primary cause of inflation is the 'something-for-nothing' federal government spending in excess of tax income."—Huntsville, Ala., News.

## Predicted Food Supplies and Prices for 1967

The new year is here, and it is time to dust off the old crystal ball and peer into the food future, says Mrs. Gwen Clyatt, Texas A. & M. University consumer marketing specialist.

There will be more food in 1967 and also more people to eat it. Incomes will be higher so that even though more money will be spent on food, and food prices will be a little higher, food will take the same or a smaller percentage of the average family's take home pay. In 1966, about 18.2 per cent of the family income was spent on food; ten years ago almost 25 per cent was spent.

The fresh fruit and vegetable picture depends upon the weather. You can look for favorable prices for citrus products into mid-1967. Both orange and grapefruit crops are large. Expected increases in the packs of peaches, pears, and fruit cocktail will likely mean steady prices for these items. Small supplies of apple products may result in increased prices.

Fresh vegetable prices should be some lower than in 1966. The supply of canned vegetables is about the same as last year and some increase is expected to average retail prices. Prices for frozen products likely will again increase slightly.

Per capita consumption of all meats for 1967 is expected to be 167 pounds per person, one pound less than the estimates for 1966.

Prices on eggs are expected to decline from now through the spring. The normal seasonal decline that occurs at this time may be accentuated by a production increase already underway.

Milk production in 1967 is likely to increase slightly over that of 1966. Prices will likely increase but not nearly as sharply as in 1966.

### How Your Blood Can Save a Life

Since the Red Cross Bloodmobile is coming to Crowell in about two weeks, Mrs. Darwin Bell, chairman of the bloodmobile campaign here, answers the following questions for anyone who may be considering giving blood.

1. How is blood used to save lives? Whole blood is used in surgical operations to combat shock, in cases of severe burns, for victims of injury. Blood derivatives, for a great variety of purposes—among them, as a preventive medicine for measles, infectious hepatitis and for victims of hemophilia and other conditions.

2. Is my blood donation needed? Yes—and urgently. Every year, medical science discovers new applications for blood in the fight against injury and disease. The need is constantly increasing, and the only source for blood is donations by people like yourselves.

3. Can I be sure that my blood will be used? Yes—no blood is wasted. If blood is not used for a transfusion within 21 days, it is made into plasma or blood derivatives which keep indefinitely.

4. How much blood am I asked to give? One pint. There are approximately 12 or 15 pints in the human body, depending on weight.

5. Does it take long? No, less than an hour. The actual donation takes only about 5 minutes. You can donate on bloodmobiles or at the blood center.

6. What precautions are taken for my protection? Before you are allowed to donate, doctors and trained nurses will check your temperature, pulse, hemoglobin, blood pressure, and medical history.

7. How long does it take the body to replace the pint donation? The fluid blood is replaced within a few minutes. The iron content requires several days for replacement through food.

8. How many blood groups (types) are there? There are four main groups of blood: A, B, AB and O. Each is either Rh positive or negative.

9. Do patients pay for blood? No one has paid for Red Cross blood. (Hospitals make a reasonable charge for crossmatching and administering the transfusion and share a part of the Blood Center's processing cost.) Moreover, residents of participating countries in the Red Cross Regional Blood program can receive blood without charge most anywhere in the United States and Canada. Be sure to notify your community or county blood program chairman or the Red Cross Blood Center in Wichita Falls if you become hospitalized away from home and need blood.

10. Am I eligible to give blood? Yes—if you're between 18 and 59 and pass the physical checkup.

## THIRTY YEARS AGO

News items below were taken from the Thursday, January 28, 1937, issue of The Foard County News:

Saturday, Jan. 30, will be the last day that taxpayers will have to pay their county and state taxes without penalty.

A check for \$45, first quota given Foard County by the National Red Cross to be used in its efforts of caring for the homeless and destitute people of the eight Eastern states that have been ravaged by perhaps the greatest flood in history, was mailed Monday to the St. Louis offices.

Foard County received another snow, accompanied by sleet, last Thursday night and the temperature dropped to just a few degrees above zero.

Sheriff A. W. Lilly makes the announcement this week that he will pay \$250.00 reward for information that will lead to the arrest and conviction of any person or persons stealing cattle in Foard County.

There were 3,078 bales of cotton ginned in Foard County from the 1936 crop prior to January 16, 1937, as compared with 10,399 bales during the same period last year.

Farmers in Wilbarger, Foard, Hardeman, Childress, Hall, Collingsworth and possibly Wheeler and Cottle Counties, will be the beneficiaries of a government tree planting program within the next few weeks if pending financial arrangements materialize, according to Acting State Director W. E. Webb, in charge of U. S. Forest Service operations in the shelter-belt zone in this state.

"Gone with the Wind," the most popular and most-talked-of novel of recent years, a swift and dramatic tale of the South, written by Margaret Mitchell who, in private life is Mrs. John R. Marsh, will be reviewed in Crowell on Friday afternoon, Feb. 5, at 3 o'clock in the district court room. The review will be given by Mrs. John W. Hampton of Wichita Falls for the benefit of the County Library and under the auspices of the County Federation. Mrs. Hampton has given public reviews of the book seven times.

Ray Shirley returned to Wink Sunday following a week's visit with relatives and friends here in Crowell.

Miss Bessie Trawek of Vernon is visiting Miss Mozell Lilly.

Carl Roberts made a trip to the Plains Monday for a load of feed.

A campaign against careless driving and double and center parking on the down town streets of Crowell has been instituted by the City Council.

The Quana Indians upset the dope Tuesday night and handed the Crowell Wildcats their first "Big 3" conference defeat by a score of 27 to 20.

R. B. Cates was painfully injured at his home 11 miles south-east of Crowell when a .22 calibre cartridge exploded and the bullet entered the front part of his left thigh near the hip joint. The accident happened Sunday afternoon.

The Crowell Wildcats were eliminated by Quana in the semi-finals of the Matador tournament which was held last Friday and Saturday.

### Card of Thanks

I would like to express my sincere appreciations for the cards, flowers, visits and prayers and to the doctor and hospital staff for their kindness while I was in the hospital. Especially do I want to thank my wonderful neighbors for everything they did to help.

Mrs. Fred Bomar,  
28-1tp

## Dallas Texas McCarty and Miss Linda Morris Married in Vernon

Miss Linda Darlene Morris became the bride of Dallas Texas McCarty in a double ring ceremony read Saturday evening in the home of Mr. and Mrs. Archie Monday of 1004 Cleburne Street in Vernon.

The couple exchanged vows before a greenery background with baskets of white gladiolas on either side.

Welton Nickel, Minister of the East Side Church of Christ of Crowell, officiated. The bride is the daughter of Mr. and Mrs. Leo Morris of Route 3, Lockett. The groom is the son of Mr. and Mrs. Morris McCarty of 2511 Crescent Drive, Vernon. Grandparents of the groom are Mr. Pete Gamble and the late Mr. Gamble of Thalia.

Given in marriage by her uncle, Archie Monday, the bride wore a blue linen dress with blue accessories. She carried a bridal bouquet of white camellias cveled with tiny white roses atop a white Bible. For something old, she wore a gold pin belonging to the groom's grandmother, Mrs. Gamble.

The matron of honor was Mrs. Clarice English, cousin of the bride. She was attired in a winter white silk suit. She wore a corsage of white camellias.

Attending the groom as best man was John Wayne English.

For her daughter's wedding, Mrs. Morris selected a turquoise knit dress with black accessories. She wore a corsage of pink cat-

nations. Mrs. McCarty was attired in a pink silk dress with off-white accessories. She wore a corsage of white and pink camellias. The bride attended school at Lockett High School. The groom attended school at Thalia and Vernon. He is employed with Cooper and Woodruff Construction Co. in Amarillo.

Following the wedding, a reception was held in the Monday home.

The bride's table was laid with white lace cloth over blue, centered with candelabra arrangement of pompon mums and white candles. Other appointments were of crystal and silver, with white engraved napkins. Assisting with serving were Mes. Texas Ford, and Wayne Gamble, aunts of the groom; and Mrs. Monday, aunt of the bride.

Mrs. Gamble McCarty presided at the register table, decorated with an arrangement of white roses and the bride's bouquet.

After a short honeymoon, the couple will make their home at 3612 Amarillo Blvd., East, Amarillo.

## 4-H Club Meeting

The fifth grade girls 4-H Club met Tuesday, January 17. The president called the meeting to order and the secretary called the roll and read the minutes. Nora Durham was elected song leader. Mrs. Virginia Iseng presided and made a speech on foods and another on clothing. The dates were told for the rally day and food review.

## Local Women Invited to THDA Training Meeting

The Texas Home Demonstration Association training meeting will be held Tuesday, January 31, at the First Methodist Church in Haskell beginning at 9:30. Mrs. Virginia Iseng, Foard County H. D. Agent, announced Monday. The training meeting is held to plan THDA activities in the county and to give additional training and information to the THDA chairman, council chairman and club presidents.

The THDA chairman in Foard County is Mrs. Clarence Garrett; council chairman is Mrs. Homer Ketchersid. Presidents of the clubs are Foard City, Mrs. Fred Tra-week; Gambellville, Mrs. A. B. Calvin; Margaret, Mrs. Verda Bell; Riverside, Mrs. Grover Moore; Westside, Mrs. Jim Henry.

All Home Demonstration Club women are welcomed to attend the meeting.

## Adelphian Club

In harmony with the chosen theme of study, "Community Service," Mrs. Vera Manard gave a very fitting devotional to nineteen members of the Adelphian Club on Wednesday, January 18. She quoted great men whose lives have been memorialized by service, one of whom is Albert Schweitzer, who said, "The only ones who are really happy are those who have sought and found how to serve others."

Leader for the afternoon was Mrs. Henry Borchardt. Mrs. E. M. Solis read the "club collect" after which Mrs. Glen Halsell Jr. played as a piano solo, "Nocturne" by Chopin.

A panel composed of Robert Kineaid, Mayor; Henry Black, Supt. of Schools, and Don Malone, Community Action, gave a very interesting discussion of some of the social ills which have built up over a period of 200 years or more.

In a land of plenty, two-fifths of the population live on sub-standard incomes. They pointed out existing conditions in Crowell and Foard County and the substantial steps that have been taken by local people in volunteer projects in efforts to relieve such conditions.

During the business session, the following officers were elected to serve for the next two years:

President, Mrs. Elton Carroll; vice president, Mrs. H. N. Ekern; recording secretary, Mrs. Glen Halsell Jr.; corresponding secretary, Mrs. W. B. Johnson; treasurer, Mrs. Henry Borchardt; federation counselor, Mrs. Hubert C. Brown; parliamentarian, Mrs. L. A. Andrews; reporter, Mrs. Virgil Johnson; junior club sponsors, Mrs. Ray Shirley and Mrs. Clarence Garrett.

Hostesses for the occasion were Mes. Ray Iseng, Duane Naylor and Felix Taylor, who served from a beautifully-appointed tea table.

## Surprise Shower

Miss Shirley Mike Rasberry, bride-elect of Danny Lewis Fulton, was given a surprise shower by the girls on her wing of Drane Hall, Texas Tech. She was gifted with a set of six each in Libbey snacked glasses—juice, goblet, tumbler.

Joint guests and hostesses were Brean Rupstine, Nanci Samson, Pam Hart, Robin Draper, Carol Priesmeyer, Carol Childrens, Paula Holmes, Teena Gorka, Sandy Schleicher, Linda Talbot, Pam Turner, Cheryl Garner, Francine Struve, Diane Bissell, Marilyn Paulson, Fran Smith, Diane Randy.

## Junior Leaders Meet

The Foard County Junior Leaders had their second meeting of the new year on Thursday, Jan. 19, at 3:30 in the community center. The hostesses were Kay Shirley and Niki Woods. Mrs. Virginia Iseng brought an interesting program on "choosing a vocation," and handed out pamphlets on this.

The date was set for the project show. It will be on March 11 at the vocational agriculture building east of the school.

The next meeting will be on February 2 at 3:30 in the community center. Hosts will be Buddy Cocks and Marvin Machac. The program will be on "applying for a job," by Charlotte Drabek, Harriet Halbert and Bettie Ann Burkett.

## 4-H Club Meeting

The sixth grade 4-H boys met with Mr. Burkett for their regular meeting on January 18. Jackie Young called the meeting to order. Daryl Halenack gave a safety report on artificial respiration. Next meeting will be held on Feb. 11.

## Virginia Stapp Named CHS Homemaker of Tomorrow

Miss Virginia Stapp, by finishing first in a written homemaking knowledge and attitude examination for senior girls December 6 became Crowell High School's 1967 Betty Crocker Homemaker of Tomorrow.

Virginia is now eligible for possible state and national scholarship awards. Her test also earned her a specially designed silver charm.

A state homemaker of tomorrow and runner-up will be selected from the winners of all schools in the state, with the former receiving a \$1,500 college scholarship; her school will be given a set of encyclopedia. The runner-up will be awarded a \$500 educational grant.

The Betty Crocker Homemaker of Tomorrow from this state, together with those from all other states and the District of Columbia, each accompanied by her school advisor, will join in an expense paid educational tour of Colonial Williamsburg, Va., and Washington, D. C., next spring.

The national winner—the 1967 All-American Homemaker of Tomorrow—will be announced at a dinner in Williamsburg. She will be chosen from the state winners on the basis of original test score plus personal observation and interviews during the tour. Her reward will be an increase in her scholarship to \$5,000. Second, third, and fourth ranking national winners will have their original scholarship grants increased to \$4,000, \$3,000 and \$2,000, respectively.

This is the 13th year of the Betty Crocker Search for the American Homemaker of Tomorrow, initiated in 1954-55 by General Mills to emphasize the importance of homemaking as a career. More than 5,000,000 senior girls have participated in the search since its inception, and 1,256 winners will have earned scholarships totaling \$1,371,500 at the conclusion of the current program.

The 581,334 girls and 14,753 schools registering for the 1967 search established a new record for the program.

## Foard City H. D. Club

The Foard City Home Demonstration Club met January 17 with Mrs. O. N. Baker as hostess with five members and one visitor, Mrs. Jim Merriman, present. Roll call was answered with a "time saver." Mrs. Baker gave the opening exercise with a reading, "Little Boy's Essay on Anatomy."

Mrs. Nell Barker, finance chairman, gave a report stating that the club had \$79.35 at the beginning of the year. During the business meeting, Mrs. Barker was elected nominee for district THDA delegate. Mrs. Glenn Jones announced Foard County Federation of Women's Clubs will meet January 30 with the Columbian Club as hostess, with a program on "What Is Federation?"

Mrs. Jones gave the program on "kitchen floor coverings and their care." She stated, "Floors receive the hardest wear of any surface in the house due to the dirt and grit that are constantly ground into the finish. Then in the kitchen the floor receives more spills and stains normally than any other floor covering. With these things in mind we want a floor covering that wears well, one that looks nice, one that will not show foot prints and spots easily, and one that will not dent easily from high heels (a 110-pound woman on small metal heels is equivalent to 3,000 pounds pressure on a floor)."

The next club meeting will be February 7 with Mrs. Pearl Cox as hostess with a program on "Drug Dangers" by Mrs. Bonnie Johnson.

## Cafeteria Menu Announced for Week

School cafeteria menu for the week of January 30 through February 3 follows:

Monday, Jan. 30: hamburgers, lettuce, tomatoes, onion and pickle slices, French fries, apple cobbler, half pint whole milk.

Tuesday: light rolls, butter, fried chicken, macaroni and cheese, green beans, plain cake with lemon icing, whole milk.

Wednesday: corn meal muffins, pinto beans, barbecued weiners, macaroni and tomatoes, peach cobbler, whole milk.

Thursday: hot dogs, onions and pickles, potato chips, Jello salad, donuts, whole milk.

Friday: light rolls, fish, buttered English peas, cabbage slaw, vanilla cup cakes, whole milk.

The modern cigar-making machine produces 620 stogies in an hour.

The 1960 census disclosed that the average dwelling in the nation contained 4.5 rooms.

## H. D. Council Meeting

The Foard County Home Demonstration Council met Monday, January 23, with an all-day meeting for the first meeting of the year at the community center. Eleven members and one visitor were present with four H. D. Clubs represented.

Mrs. Homer Ketchersid, council chairman, presided. Mrs. Elton Carroll acted as secretary in the absence of Mrs. Bob Thomas.

Mrs. Ketchersid announced the standing committee chairmen, as follows: yearbook, Mrs. Elton Carroll; 4-H, Mrs. Virgil Johnson; recreation, Mrs. Fred Tra-week; finance, Mrs. Grover Moore and Mrs. Verda Bell; reporter, Mrs. James Sandlin.

The committee chairmen presented the following recommendations which council approved. The 4-H recommendations will be presented at the next council meeting.

**Yearbook Committee**  
1. At each club meeting ask for suggestions for the yearbook for programs and roll call.

2. Each club be responsible for their own program and roll calls for the member meeting.

3. Yearbook committee meet in August.

4. Make a dummy yearbook and present to council first meeting in September for suggestions and acceptance.

**E. E. E. Committee**  
1. County "de home and yard tour to be on Thursday, April 20, on December 11.

2. Serve commissioners court on December 11.

3. Have H. D. rally day on November 9, place to be decided later.

4. Sponsor Christmas lighting contest for town and country residents who register with the committee. Have judging on the night that Santa comes to town. Get merchants or clubs to donate the prizes.

**Recreation Committee**  
1. Each club member encourage personal recreation such as music, good books, arts, and share such experiences and knowledge with others.

2. Each club member stress family recreation as a unit.

3. Each club have a planned recreation at every meeting, share recreation with 4-H and other youths, and participate in clubs and other community activities.

4. Stress that each member make and use homemade games.

**Finance Committee**  
Yearbooks \$62.50; THDA dues \$33.50; 4-H club work, \$29.00; THDA state del. \$100.00; miscellaneous \$10.00; total, \$226.00.

Each home demonstration club member pay \$3.00 to the council. Hold a bake sale on November 18.

Mrs. Clarence Garrett reminded the women of the THDA training meeting which will be held in Haskell January 31.

On March 2, 1969, the Kansas Legislature made it unlawful for any person, company, or corporation to sell or give away any cigarette or cigaret papers. The law remained in force until its repeal in 1927.

## Riverside H. D. Club

Only seven members of the Riverside Home Demonstration Club were present to enjoy the beautiful and delicious covered dish dinner at the home of Mrs. Billy Cleveland January 17. Several other members came for the afternoon.

As this was the first meeting of the new year, all of the organizational needs were taken care of during the business meeting. Club demonstrators and committee chairmen were appointed and the programs for the next six months were filled in.

Next meeting will be on Feb. 4 with Mrs. L. H. Hammonds.

## Card of Thanks

We have long known how wonderful the people of Foard County are, but the recent long illness and death of our loved one brought fresh appreciation of the kind qualities to be found here. Your thoughtfulness of her through the months with cards, flowers, visits; your remembrance of us in our time of loss with food, flowers, your presence, will never be forgotten. The many expressions of love will live on through the years in our memories. Words are too inadequate to express how much the tender, loving care of the entire hospital staff meant to Maude E. We pray God's richest blessing on the nurses and Dr. Stapp as they continue to render service to others.

The family of Mrs. Maude E. Rasberry. pd.

## 4-H Club Meeting

The seventh grade girls 4-H Club met with Mrs. Iseng Jan. 19. She gave the program on good grooming. Pamphlets were passed out and a quiz given on "how to keep clothes neat." Mrs. Iseng also passed out cooking applications to be handed in the next day. The meeting was adjourned until February 16.

## Card of Thanks

The family of E. H. Shrode wishes to say thanks to all the hospital staff and Dr. Stapp. Also we especially say thanks to our friends for the gifts, cards and flowers during Ernest's illness. May God bless all of you as our prayer.

Mr. and Mrs. E. H. Shrode and children. 28-1tc

## Card of Thanks

I am back from the hospital in Dallas and wish to take this opportunity in saying thanks to each and every one for their thoughtfulness and kindness in cards, letters, calls and visits and the others that gave me strength and courage. May each of you receive a blessing.

W. M. Rake, 28-1tp

## Card of Thanks

I would like to express my appreciation to everyone who has provided for the flowers, cards, words of comfort at the passing of Mr. Gordon. May God bless each one of you.

## Overlooking a Chance

"With the government taking care of everybody why is it necessary to have so many fund drives for charities. Surely the government isn't overlooking a chance to give something away?"—A. N. M., Independent-Review.

## COZY WINTER MEALS BEGIN WITH FRIGIDAIRE

In winter time, it's a must to have warm meals... and what easier way to prepare them than with a Frigidaire Flameless Electric Range! See the many Frigidaire ranges on display at WTU. We can show you models with ovens which clean themselves and have meal-minding controls to keep food at ideal serving temperature for hours. Economical too...in fact, WTU residential customers can cook electrically for less than 3¢ a meal.

FREE WIRING: to WTU residential customers who purchase their range from WTU or local appliance dealer.

### Higher Labor Costs Mean Higher Prices

"Higher labor costs mean higher prices or a cut in the profit margin, or both. Higher taxes add to the costs of producing goods. If profits suffer and employment slackens because higher prices reduce consumer demand, an increase in taxes will not produce as much revenue as expected."—Portland, Ore., Oregonian.

### Tax Man Sam Sez

Employers are required to issue the W-2 Forms for their employees by January 31. The Internal Revenue Service has two tips for employees: 1) If you have changed jobs and/or moved, make sure that your old employer knows where to mail your form W-2; 2) Be sure to get all your forms W-2 before you prepare your tax return.

**Considerable Responsibility**

Speaking on the state of the economy, Robert G. Dunlop, president of Sun Oil Company, says: ". . . Government must bear a considerable responsibility for what has been happening. For a very high level of Government spending and a policy of deficit financing, with a consequent increase in the supply of money, have contributed importantly to the situation in which we now find ourselves. This, in brief, is the problem for which our country is now seeking an effective solution. The present danger is that if the wrong remedies are applied we will not only fail to solve the inflation problem but we will be likely to intensify it for the future."

**Considerable Responsibility**

Speaking on the state of the economy, Robert G. Dunlop, president of Sun Oil Company, says: ". . . Government must bear a considerable responsibility for what has been happening. For a very high level of Government spending and a policy of deficit financing, with a consequent increase in the supply of money, have contributed importantly to the situation in which we now find ourselves. This, in brief, is the problem for which our country is now seeking an effective solution. The present danger is that if the wrong remedies are applied we will not only fail to solve the inflation problem but we will be likely to intensify it for the future."
