News About Our MEN IN SERVICE

Two from Crowell Enlist in Army Under Buddy Plan

Mike Payne and George Myers of Crowell have enlisted for a three-year hitch under the buddy plan in the U. S. Army. They will take basic training together and then enter specialized training which will be in the automotive maintenance field. They are now taking basic training at Fort Bliss in El Paso.

Payne and Myers are both 1967 graduates of Crowell High School. Mike's parents are Mr. and Mrs. Roy Payne and George is the son of Mr. and Mrs. Wilson Myers.

Large Crowd Attends School Open House

The annual observance of Public Schools Week in Texas in the Crowell school system drew a great deal of enthusiasm on the part of school patrons as a large number attended the events last Thursday.

First event on last Thursday's program was the lunch and orientation period for children beginning the first grade next September, and their parents. About 25 of the 32 pre-schoolers were on hand for this event.

The pancake supper sponsored by the band parents was held in the school cafeteria and drew a large crowd, and the open house at the school plant from 7 to 9 p. m. that night brought patrons in from all over the school district. Welcoming committees at the doors of the school buildings were made up of Crowell Masons.

Of the special events that night, the largest crowd-getter was the demonstration presented by Mrs. Marilyn Johnson's girls physical education class in the gymnasium. Also a crowd attraction was a puppet show presented in the grade school by Mrs. W. F. Statter's pupils. Another special attraction was a group of movies made by Mrs. Newell Hofmann of her second graders and shown in her room during the open house.

Probably the best part of the annual Public Schools Weeks observance—in the eyes of the students—was the fact that school was dismissed Friday so that the faculty members could attend the district teachers meeting in Vernon.

MR. AND MRS. HERMAN E. GLOYNA

L. H. Wall, Jr. Elected President of Little League

The Foard County Little League officers and managers met last Friday night to organize for the coming Little League season—the 11th year for the LL program in Foard County.

New officers elected are L. H. Wall, Jr., president; Cecil Davis, vice president; F. B. Thomas, secretary-treasurer; Mike Bird, procurement agent; Jon Coffey and Steve Smith, umpires in chief; Glen Goodwin and Bud McLain, player agents.

Marion Crowell resigned as president of the organization, after serving faithfully for the entire 10 years of the LL program.

Mr. Wall has called a meeting of Little League officers, managers and others interested in the program, for next Monday night at 7:30 at Bird's Dry Goods store.

Attending last week's meeting were Louis Killingsworth, L. G. Simmons, Marcus Mills, Bill Bell, Wilson Myers, Roy M. Whitley, Dale Henry, Steve Smith, F. B. Thomas, Baylor Weatherred, Mike Bird and Bill Klepper.

Marion Crowell Resigns After 10 Years as President

Mr. and Mrs. Herman E. Gloyna of Plainview, long-time residents of Foard County, will celebrate their fiftieth wedding anniversary on March 16. A 50th wedding anniversary service honoring Mr. and Mrs. Gloyna will be held at 2 p. m. Sunday, March 16, at St. Paul Lutheran Church, 9th and Oakland Streets in Plainview. A reception will follow in the parish hall. The public is invited.

Mr. Gloyna was born in Warda, Texas, May 15, 1895, and his wife, the former Johanna Riethmayer, was born in Taylor, Texas, Dec. 27, 1900. They were married at Vernon where they were long term farmers of Foard and Wilbarger Counties before moving to Kress. They are now retired, making their home at 1807 Floydada Street in Plainview.

Mr. and Mrs. Gloyna have four sons and seven grandchildren: Earnest F. Gloyna and family reside in Austin where he is a professor at The University of Texas; Herman W. Gloyna and family reside at Kress where he is engaged in farming; Robert R. Gloyna and family live in Pasadena where he is an engineer in the petrochemical industry; and Emmett Gloyna and family reside in Carlsbad, N. M., where he is an engineer with the U. S. Bureau of Reclamation.

Candidates Are Un-Opposed in City Election

In the City election set for Saturday, April 5, no contested races developed as the deadline for filing passed last week.

Robert Kincaid is unopposed in his bid for re-election as mayor, and there are three candidates for the three vacancies on the city council. Charles Branch and Ricie Womack are seeking re-election and Leonard Tole is seeking his first term on the council.

Absentee balloting will begin on March 13 and continue through April 1.

County Gets Duster Friday Preceding Cold Front

A "fair to mizzling" dust storm blew over this area last Friday afternoon preceding a cold front which hit Friday night, and was still blowing Saturday to make it cold and miserable for the annual project show. Due to the cold, the auction was held inside.

The mercury dropped to the teens by early Sunday. The cold, coupled to the fact that the heating system at the Methodist Church Saturday night became inoperative, forced cancellation of Sunday morning services at that church. However, services were held Sunday night.

Bill Introduced to Take County Out of Regulatory Act

Among the measures introduced in the House of Representatives by Rep. W. S. Healy of Paducah is H. B. 660, which would remove Foard County from the Uniform Wildlife Regulation Act.

Foard County has been under the regulatory act for the past two years, and during that time, quail seasons lasting more than 80 days each have been set for the county.

Former Residents to Observe 50th Anniversary

Mr. and Mrs. Herman E. Gloyna of Plainview, long-time residents of Foard County, will celebrate their fiftieth wedding anniversary on March 16. A 50th wedding anniversary service honoring Mr. and Mrs. Gloyna will be held at 2 p. m. Sunday, March 16, at St. Paul Lutheran Church, 9th and Oakland Streets in Plainview. A reception will follow in the parish hall. The public is invited.

Mr. Gloyna was born in Warda, Texas, May 15, 1895, and his wife, the former Johanna Riethmayer, was born in Taylor, Texas, Dec. 27, 1900. They were married at Vernon where they were long term farmers of Foard and Wilbarger Counties before moving to Kress. They are now retired, making their home at 1807 Floydada Street in Plainview.

Mr. and Mrs. Gloyna have four sons and seven grandchildren: Earnest F. Gloyna and family reside in Austin where he is a professor at The University of Texas; Herman W. Gloyna and family live in Pasadena where he is an engineer in the petrochemical industry; and Emmett Gloyna and family reside in Carlsbad, N. M., where he is an engineer with the U. S. Bureau of Reclamation.

Local Pianists Place High in Saturday Festival

Two local piano students participated Saturday in the Sonata-Sonatina Festival sponsored by the Wichita Falls Music Teachers Association in Wichita Falls.

Miss Rhonda Vecera, daughter of Mr. and Mrs. Travis Vecera, played Mozart's Viennese Sonatina and Miss Debbie Coffey, the daughter of Mr. and Mrs. Jon Coffey, played Sonatina in E Minor by Spindler.

Both girls received superior ratings on their performance.

They are pupils of Mrs. Leroy Conner of Vernon, who accompanied them to Wichita Falls.

Former Crowellite Honored by General Telephone Company

Mrs. Viola Ryder, traffic clerk for General Telephone Company of the Southwest at Seymour, recently completed 25 years service, according to W. L. Goodrum, division manager. In honor of this milestone, Mrs. Ryder was presented with a 25-year service emblem.

Beginning her career as an operator in Crowell, Mrs. Ryder later became chief operator-cashier for that exchange. She transferred to Seymour as traffic clerk in 1958 when the Crowell exchange began dial operation.

Mrs. Ryder is married to John Ryder, who recently retired from Morris-Wirz Chevrolet Co. She has one son, Dalton Biggerstaff, who is employed in Lubbock.

Five new vehicles were registered here last week, as follows: March 3, Ira Townsend, 1969 Chevrolet pickup; March 4, R. D. Welch, 1969 Dodge pickup; March 6, Ray Hysinger, 1969 Pontiac 4-door; March 6, G. A. and Ed Lowrance, 1969 Chevrolet pickup; March 7, Boyd R. McWhorter, 1969 pickup.

WINNERS NAMED IN FFA, 4-H PROJECT SHOW

Although a high, cold north wind blew all day Saturday, it did not dampen the enthusiasm of exhibitors and visitors to the annual Foard County FFA and 4-H Project Show held Saturday on the school campus.

The grand champion fat steer of the show was exhibited by David Fish, son of Mr. and Mrs. Harold Fish. David was also presented the showmanship trophy in the beef division. David's steer was a Hereford.

Terry Tamplen, son of Mr. and Mrs. T. L. Tamplen, showed the reserve champion, a black Angus.

The largest division of the show was in the fat lamb section where 72 animals were entered in eight different classes.

Trey Autry, son of Mr. and Mrs. J. C. Autry, exhibited the grand champion fat lamb. Trey was sick and his lamb was shown by his sister, Susan.

Jackie Thomas, son of Mr. and Mrs. Jack Thomas, showed the reserve champion in the division and Ricky Hammonds, son of Mr. and Mrs. Billy Hammonds, took the showmanship trophy in the fat

lamb division.

Patricia Matus' light weight Duroc captured the grand champion trophy in the market swine division. Patricia is the daughter of Mr. and Mrs. Johnny Matus of Riverside.

Larry Swan, son of Mr. and Mrs. Glen Swan, took reserve champion honors. Larry was not present at the show, and his animal was shown by Terry Farrar.

Allan Tapp, son of Mr. and Mrs. Tommy Tapp, was awarded the showmanship trophy in the swine division. Hal Williams, son of Mr. and Mrs. H. T. Williams, showed the champion breeding gilt of the show.

Serving as judge for the show was Hardeman County Agent Hood Wills. The show is sponsored annually by the Crowell Rotary Club and is coordinated by Joe Burkett and Mrs. Sue Ann Smith, extension agents, and Marvin Myers, vocational agriculture teacher.

Trustees Draw No Opposition in School Election

The two incumbents on the Crowell School board whose terms expire this year—Roy M. Whitley and Jack W. Brown—will be unopposed in bids for re-election as the deadline for filing on March 5 brought no new candidates.

The ballots have been printed and absentee voting in the school election will begin March 13 and continue through April 1 with the election set for Saturday, April 5, in the school tax collector's office in the court house.

Also appearing on the ballot will be the name of Otis Gafford, unopposed candidate for county school trustee.

Miss Marilyn Cates Named to Dean's List at Hardin-Simmons

Miss Marilyn Cates, sophomore from Crowell, was one of twenty-eight students named to the Hardin-Simmons University Dean's List, for the fall, 1968, term.

To be eligible for the honor, a student must carry a minimum course load of 12 semester hours, and attain a grade average of A in all courses.

Way Patrol Safety Officer Fant of Quannah said in all Monday afternoon that if County residents continue to get their safety inspection stickers, long lines will develop at inspection stations before the deadline on March 15.

It is said that of the 1,610 registered vehicles in Foard County, 610 have been safety inspected of March 1, which is 41 per cent.

Weekly Schedule

Monday: intramural games 5:30.
 Tuesday: intramural games at 5:30. FHA 3:30.

Senior Class

Last Tuesday report cards for the first six weeks of the second semester were passed out. If there is less traffic on the streets, the

reason may be because Mom and Dad didn't like some grades! Many seniors spent most of the day Saturday at the project show. Seniors entering sheep were Bettie Ann Burkett, Richard Statser and Jimmy Hammonds. Last Saturday two seniors, Debra Raspberry and Renee Cooper, were members of two quartets, a saxophone and clarinet, which went to Wichita Falls for a contest and a II rating. English IV students were shocked Wednesday to learn they would not have an assignment over the long week end. Mrs. Manard told the class to rest and be prepared to start full speed Monday.

Junior Class

The juniors held a moderately slow week last week. Thursday we had a class meeting to select our team colors, coach and name for the intramural volleyball games. The games took place Monday and Tuesday. The boys were coached by Jo Ann Williams and the girls were coached by Mike Matus. The team's name was Tyler's Tribe and we dressed in Indian warrior outfits.

Sophomore News

The holiday Friday was enjoyed by all! Wish we could have more. Thursday sophomores had a class meeting. The name Satan's Chosen Few was selected for the intramural volleyball games Monday and Tuesday. Colors were red, white and blue. Rita Coffey and Shayne Garrett were chosen the

boys' coaches and George Eavenson and Kenneth Sellers for the girls. Junior Urquiza, Kenneth Sellers, David Myers, George Eavenson and Jim Tom Smith placed in the track meet at Knox City. We're proud of you, boys! Good luck next week at Holliday!

Freshmen News

In a class meeting Thursday the freshmen selected The Fearless Fish as their name for the intramural volleyball games. Bob Burkett and Rhonda Howard were the boys' coaches and for the girls Lee Whitley and Rheta Howard. Saturday, several freshmen went to Wichita Falls with band director Jerry Floyd to participate in the UIL solo and ensemble contest. Freshmen participating were Betty Linda Whitfield, Nancy Looney and Sharla Haynie, with Betty Linda and David Stapp playing solos. The group brought home 3 excellent and 1 superior rating. The superior rating qualifies CHS for a representative to the state contest in Austin in June. The freshmen are proud of their members of the track team, Harry Swan and Jackie Daniel. Harry runs the mile and Jackie runs in the mile relay.

Senior Spotlight

The mystery senior spotlight of this week is a 5'2 1/2" blue eyed, blonde. She attended school in Thalia 4 years before coming to the Crowell schools. Her high school activities are many. She has been in the Drama Club three

years and is a Thespian. For the past two years, she has been a member of chorus and Spanish club. This year, she is vice president of the Spanish Club. This mystery senior was in FHA for 3 years and served as second vice president and in FTA for two years, serving as reporter. Band played an important role in three of this senior's high school years. She participated in the marching band 3 years, the concert band 3 years, and stage band 2 years. She was also a majorette 1 year. This 17-year-old senior has been in the Library Club 3 years and is now president. This year, she has served on the Student Council, the annual staff, and in the pep club. She was named doll of the junior class last year and most courteous her sophomore and senior years. Recently she received the 1969 Betty Crocker award for CHS. She has been an active member of the Sub-Junior Adolphian Club for 4 years and has served as vice president and parliamentarian. Some of her favorites are food, lemon sherbet; color, blue; song Rocky Racoon; actor, Warren Beatty; actress, Julie Christie; hobby, riding horses; subject, bookkeeping. An egotist is her chief dislike. She attends the Methodist Church and plans to go to school either at the University of Texas or North Texas State University. No matter what she does, she wants to be happy. The spotlight is the daughter of Mrs. Juanita Gafford. Of course, the senior spotlight this week has been Mary Bob Lynelle Long.

H. Olds and H. E. Ferguson, both of Crowell, and who were instrumental in the slaying of the steer.

Chemicals, Machinery in Cotton Industry

The use of both chemicals and machinery by Texas cotton growers continue to increase. Fred C. Elliott, extension cotton specialist, said nearly three-fourths of last year's harvested cotton acreage was treated with chemicals, including pre- and post-emergence chemicals and lateral and spot oiling. Pre-emergence chemicals are used on more than 1.8 million acres, a new record. More than 47,600 rotary hoe equipped tractors were also used.
