## Rotary Club Will Install Officers

The new officers of Tahoka Rotary Club will be installed at a luncheon meeting at 7:30 p.m. in Fellowship Hall of the Methodist Church.

Officers include Binnie White, president; Johnny Wells, vice president; Allen Sheppard, secretary; and Dr. Emil Frohland, treasurer.

Directors are Leighton Thompson, Ronnie Nettles, and Lisa Atwell. The new club sweetheart, and Valentine, bulletined.

The new president, Binnie White, recently attended the Rotary International convention held this year in Houston.

White, new president to be installed, has been an electric advisor at Lyntegar Electric since 1959. He is married and has 2 children, Denise and Brad and his wife's name is Edna. He is chairman of Council of Ministers and on the Administrative Board of the Methodist Church. He is director of Tahoka Chamber of Commerce and graduated from Texas Tech University in 1955.

New Rotary Club Sweetheart for the Tahoka Chapter is Lisa Atwell, daughter of Mr. and Mrs. J. D. Atwell. She is a sophomore in Tahoka High School and a Junior Varsity Cheerleader.

## O'Donnell To Celebrate July 4th

O'Donnell will again celebrate the 4th of July on Tuesday, the 4th. The annual celebration will start at 6:30 p.m. at the City Park.

There will be all kinds of fried foods to be purchased and eaten there at the park.

These food booths will be sponsored by the various organizations of men, women, and youth of the O'Donnell community.

Contests of games and swimming will be conducted.

## Methodist Youth Attend Camp

A group of elementary youths from the First United Methodist Church left Monday morning at 11:45 to attend camp for a week at Ceta Canyon.

Those attending were: Dawn Daniel, Susan Thornton, DeAnn Johnston, Curtis Stewart, Kent Stone, Wynn Brookshire, Richard Green, Cal Huffaker and Robin Bingham.

Visiting in the home of Mrs. L. M. Nordyke last weekend were her daughter and husband Mr. and Mrs. Charles Kennedy from Lubbock.

## Frank Hill Honored At Pioneer Reunion

The Lynn County annual 38th Pioneer Reunion was held last Saturday, June 24 in the Tahoka High School Cafeteria, with about 300 attending.

Frank Hill, a pioneer newspaperman, was named the outstanding pioneer, for service to the community over the years. After the announcement Hill was greeted with a standing ovation.

"Well, you about got me this time," he said as he stepped to the podium to accept the award.

"When Mae and I retired in 1967," he said, "people said, 'Well when will you be moving to Lubbock?' We didn't and we won't," he added. "Tahoka is our home."

Hill, who graduated from college, married and embarked on a 43-year career all in a span of three days, received the award certificate and a special award prepared by Gov. Preston Smith's office from master of ceremonies Ed Redwine.

The longtime Lynn County resident graduated from West Texas State College May 31, 1924, married Mae the same day and reported for work at the Lynn County News June 2, 1924. E. I. Hill Sr., promptly put his 21-year old son to work.

On April 1, 1967 — 43 years later — the 65-year-old newspaper owner-publisher-editor sold the "News." His final issue carried a full page ad of praise and thanks from 55 Tahoka area businesses and individuals and also included a farewell salute from his staff. It had rolled without his realization. It was probably the only part of the newspaper since the summer of 1924 that he did not personally help create.

The pioneer newspaperman thanked the Lynn County residents Saturday for the award and their friendship as he had done in 1967.

In 1967, he praised the pioneers of the area as well as the young people of the county. "My greatest pleasure," he said in 1967, "has been promoting young people and writing their success stories. Kids who have grown up here, have made successes in life in far corners of the earth. Equal to my love for youngsters is my profound respect and admiration for the pioneers. With them, I have relived the days in West Texas they once lived."

The "living" continued Saturday as a crowd of friends — young and older — crowded around the honoree to admire his certificate, relive those days in West Texas they had all once lived along with a recollection of many memories — as was the order of the affair.

Hill joined his father and brother E. J. Jr. immediately after his graduation and marriage, and with the exception of one year as editor of the Nolan County News in Sweetwater, has remained steadfastly at Tahoka and the News until his retirement.

He assumed full editorial duties in 1950 and 17 years later retired.

Honored by TPA The Texas Press Association presented the veteran newspaper man its "Golden 50 Award" for half a century of service to journalism upon his retirement.

As a community leader in Tahoka, Hill has served as president of the Tahoka Independent School Board, president of the Tahoka Chamber of Commerce and president of the Rotary Club. He also has served as a director of the Panhandle-Plains Historical Association and as a member of the board of the Tahoka First United Methodist Church.

Despite his many recognitions and awards, Hill said one of his most "self-satisfying achievements" was the education of 19 young men as printers in his "back-shop." The young men are all successful businessmen, several are college graduates and several are print shop foremen.

Had Big Turnout Redwine referred to these 19 businessmen Saturday, as Hill's greatest personal reward. The presentation was made at the 38th Annual Lynn County reunion and the crowd, according to registration officials, was the largest in recent years at the noon presentation luncheon.

Awards also were presented to the oldest pioneer woman and the man in attendance and the person traveling the greatest distance to attend the reunion. Mrs. P. D. Server, 86, of

Lamesa, received the plaque for the oldest woman present and Tahoka native W. R. "Wild Bill" Warren garnered the oldest man's award. He is 82.

Robert Bland, of Bedford traveled 2,260 miles to reach the reunion.

The outstanding window displays personifying the Pioneer theme was won by Borden Davis Hardware. Second place went to The Cinderella Shop. Redwine also read a letter

to the Lynn County crowd from U. S. Rep. George Mahon of Lubbock congratulating and encouraging the local pioneers.

The luncheon's principal address was delivered by Wilmer Smith, New Home farmer who has served on several national and state agricultural committees. He was named to the National Cotton Advisory Committee by former President Dwight Eisenhower and

John Kennedy and presently serves as a director of the Bank for Cooperatives as appointed by Governor Smith. He is also a former Texas Tech University regent.

Smith was introduced by Lynn County Judge V. F. Jones of Tahoka.

Smith addressed the group as "a bunch of kids looking to the future." His topic was a "Change". Asking the "kids" to look to the future he described the necessity and inevitability of change, yet he said man had a natural inability to readily accept it.

"Let us," he asked, "instead of being critical of change take a hard look at it and help the changes we see in an orderly way."

"For us to fit in the society today," he continued, "we must be able to change and know what change is good and what is bad."

Smith added that he was probably one of the few Lynn County farmers that farms the farm on which he was born.

Entertainment for the awards luncheon was provided by a five-member band headed by Dawson County farmer and fiddler Dale Merrick. Other members of the group included his wife Frankie, R. T. Bingham of Lamesa and Pete Janson and his son Pete Jr. of Sand Springs in Howard County.

New officers for the 1973 reunion were elected as the finale Saturday. W. W. Gurley was named the new vice-president and Mrs. Joe Brooks was re-elected secretary-treasurer.

F. E. Redwine, this year's vice president, assumed the presidency. C. W. Roberts served as '72 president.

The barbecue for the luncheon was prepared by a committee of Lynn County pioneers. They began preparing the choice beef Friday about noon. The meat was cooked overnight over mesquite grubs.

**LYNN COUNTY PIONEER**—Frank Hill, right, former editor-publisher of the Lynn County News, was honored as the outstanding pioneer of Lynn County Saturday during the county's pioneer reunion celebration in Tahoka. Hill retired from the newspaper world and sold the newspaper he had helped pilot for 43 years in 1967. He receives the award certificate from Ed Redwine, master of ceremonies.

## Patterson New Lion Boss

New 1972-73 Lions Club officers were installed Wednesday, June 28 to mark the beginning of a new year in Lionism. Lion Deputy District Governor Bill Chancy presided at the installation.

The local service organization will be headed this year by Wendall W. Patterson, who has served as secretary of the club for the last two years.

## NURSING HOME NEWS

Hello again from the Colonial Nursing Home. This hot weather is good on the crops, even if it is drying out the moisture. We can look out and see the cotton and corn jumping in the patches around our home.

Our newest member of our family is Mrs. Lilly Todd (known as Ma Todd to everyone). I am sure all her friends as well as her children will keep her from getting lonesome.

Speaking of children, we had a nice group to visit us Thursday. I don't believe there was many young people left in O'Donnell as the vacation Bible School of the First Baptist Church came and sang for us. Their teachers, Mrs. Bernice Clark, Mrs. Margie Clark, Mrs. Betty Williams, Mrs. Betty Barton, Mrs. Trua Franklin, Mrs. Vicki Clark, and Mrs. Anita Franklin had a wonderful group.

Let's see if I can get their names. There was Allen Eakins, Stanly Forbes, Ben Franklin, Bennie Edwards, Jim Underwood, Kieth Williams, Brend Ledbetter, Doris Franklin, Sheri Barton, Shane Edwards, Rosemarie Rains, Ferrell Bessire, Penny Gass, Traci Clark, Debra Sanders, Sheri Singleton, Relda Rains, Susan Bessire, Diana Curry and Tracy Jackson. Let see, did I miss anyone? I hope not. And I hope you will come to see us again.

Mrs. Woods has enjoyed a lot of company. First Mr. and Mrs. Paul Woods and their three children from Griffith, Indiana were here, and then Monday her son and wife were here to see her.

Tuesday, Dr. Thomas came out to make his rounds and see that we are all feeling okay. It is good to have doctors to come to see us, knowing how busy things are.

Mr. Oliver Green is in the Lynn County Hospital. We hope he will be back to see us soon. He went Saturday

night, which was also his birthday. His daughter, Bert brought each of us an apple turnover. We sure enjoyed them, but wish we could have enjoyed them with Mr. Green.

Mr. Roy Moreman has gone to his home in Brownfield for a week to see if he should move back home. If he does we will miss him, but we are always glad to see one of our family get to go home, and he did promise to remember us and that he might come back before long.

Astena Lawson took her mother, Mrs. Harter out for the day Sunday, and Mrs. McCord has been out visiting her family. I know they enjoyed every minute of it.

Mrs. Kaddatz spent Sunday in Lubbock needless to say, A. J. missed her and was glad to see her return.

Mrs. Clark spent Saturday in Lubbock seeing an eye doctor. She reports it is hot up there.

Mrs. Corbin's daughter, Mrs. Messer visited her and carried her out for a drive. She reports it was enjoyable.

Several of our folks have had visitors from some distance away. Mr. and Mrs. Homer Aldridge of Clifton visited Mrs. Todd.

Mrs. Mary Elmore received a surprise visit from her sister and family. Coming to see her was Edith James, Mada Swensh and Bernard Swensh of Melvin Teras and Betty and Wade Rossman of San Angelo.

Barbara Sleimer, Mrs. Clark's granddaughter brought Les, Bruce, and Tracia Boyd of Montgomery, Alabama up to see their great-grandmother.

Trua James carried Mrs. Willess to Lubbock to see her Doctor last week for a check-up.

Others signing our guest book include Mickey and Vickie Bertreux, Marla Jones, Laura Stice, Joel Inklebarger, Dennie and Gertrude Polk

Mrs. Luther Wood, Frances Powers and Mrs. Easbert, who brought a berry pie.

We don't want to forget to thank Mrs. Hammond and the ladies for coming to sing with us. We always look forward to Mondays because they come and visit for a while, and then we have singing about three o'clock.

We also had a movie Friday on the Valley of the Swans a place in Canada. I wish we could tell you when we would have movies, so you could come and watch them with us, but the schedule varies, depending on when the film arrives. If you visit us often you are bound to catch them sometime and you are invited to visit our Home and share in our pleasures.

### New H. D. Club Organized

Monday, June 12, a group of homemakers met to organize a Home Demonstration Club. Linda Huffaker, the Lynn County Home Demonstration Agent met with the group and helped in the organizing and electing of officers.

The club will meet on the 2nd Monday of each month at 8:30 p.m. in the Methodist fellowship hall. This winter the club will be meeting at 7:30 p.m. There is a baby sitter at the Church for the mothers who would like to bring their children. Each mother that brings a child will be charged a small fee for their children being cared for.

The officers for the new club are: Mrs. Mike Huffaker, Pres.; Mrs. Richard Christie, Vice-Pres.; Mrs. Mike Reid, Reporter; Mrs. Cal Womack, Secretary; Mrs. Jas. R. Atwood, Treasurer; Mrs. Dennis Thomas, Council Delegate; Mrs. Taylor Knight, Recreation Chairman; Mrs. Tommy Lawson, Hostess Chairman.

Anyone being interested in joining the club is invited to come join in on the fun as well as very educational and interesting programs planned for homemakers of all ages.

### 19 Members In 4-H Horse Show

Nineteen Lynn County 4-H Club members participated in the Lynn County 4-H Horse Show Eliminations held May 31 at the Rodeo Arena in Tahoka. The ten high point winners participated in the District II 4-H Horse Show held in Post June 28. Those competing were Renn Dorman, Danny Paris, Joel Carter, Sharon McNeely, Dru Ann Dockery, Kathy Griffling and Gary McElroy from Tahoka, Sharon McNeely, from New Home, Cynthia White and Sherry White from Wilson.

Other Club members participating in the County Eliminations were Tom Guin, Mike Edwards, Leslie Peterson, Math Bartley, Sissy Guin, Mark Flippin, Todd McNeely, Georgia Thomas and Steve Miller.

### H. D. Council Met Thursday

The Lynn County Home Demonstration Council met June 22 in the Lyntegar Room for their regular meeting. Items discussed were the new guidelines and plans for Home Demonstration Club Work, presented by Linda Huffaker, County Home Demonstration Agent. Also the years work was changed to coincide with the Extension Service which runs from July 1 to July 1.

An election was held to select the delegates for the State Convention to be held in September in Houston, Texas. The delegates to attend are Mrs. E. B. Galther, Mrs. H. R. Tankersley, and Mrs. Bill Barham.

Mrs. Tankersley was also elected to serve as the new THDA Chairman for the new year.

Fourteen members were present. Refreshments were served by the County Home Demonstration Agent.

Mr. and Mrs. Dave Hubbard visited her brother and sister-in-law, Mr. and Mrs. Joe Young in Littlefield last Sunday.

### LINDA HUFFAKER SAYS ...

Have you lost your pep and energy, you "get up and Go?" Or do you have a faded appetite.

Vegetables, packed with vitamin and minerals, can help build appetites that you'll need for upcoming activities.

Vegetables are the best food source for Vitamin A. Dark green and deep orange vegetable items make best choices for this important vitamin.

The home demonstration agent added that tomatoes, green peppers and members of the cabbage family - when served raw or cooked correctly - can substitute for the Vitamin C citrus family.

Vegetables can supply iron, calcium and other minerals needed in small amounts. Because of their bulk and roughage, the products aid in digestion, and they are life savers for the weight watcher. Most are low in calories but high in flavor, bulk and texture.

Sauces, butter or gravy comprise the calorie pitfalls of vegetable dishes.

Butting vegetables isn't governed by any set rules. Vegetable items all have individual characteristics and values. Experience in personal selection is the best teacher.

Following guidelines can help the consumer in selecting top quality.

Personally select perishables, and keep use in mind when buying. If it's necessary to handle the vegetable items to learn quality or condition, don't bruise them. Injuries cause spoilage, so handle carefully.

Consider size. Large sizes aren't always of the best quality or the most economical.

Again, but with use in mind. Also check quality. She said that if waste and low quality

offset reduction in price, purchase may prove a bargain. Nutritive-wise, there is a considerable loss of Vitamin C when vegetables are wilted and limp. But other vitamins and minerals are retained. Low prices aren't a guide. If prices are low due to overabundance, it's possible that quality at these prices does constitute a bargain, but only when quality justifies.

Consider seasonal production. Especially when freshness and economy are wanted for canning and, or, freezing.

Cook vegetables quickly and to the tender-crisp stage for best flavor, brightest color and minimum loss of food value. Use a small amount of water, keep utensils covered and don't throw away cooking liquid.

Avoid pre-soaking and stir as little as possible. Serve promptly.

## 58 Estimated To Die In Traffic Accidents

The Texas Department of Public Safety estimates that 58 lives will be lost in traffic accidents during this year's 4th of July Holiday. "Operation Motorcade" will begin at 6:00 p.m. Friday, June 30, and will run until midnight, Tuesday, July 4.

Major C. W. Bell, Regional Commander of the Lubbock Region of the Department of Public Safety states, "All available personnel will be used

in an effort to keep the highway deaths at a minimal. We will be on the lookout for violations of the traffic laws;

especially we will be alert for the speeding driver and the drinking driver." Speed and DWI are the two largest contributors of traffic fatalities. Major Bell reminds all motorists that "each driver is responsible for keeping control of his vehicle in order to avoid colliding with another vehicle,

a pedestrian or any other object. No one wants to be responsible for the death of another. Let's make our streets and highways as safe as possible. We all could drive as safe as we usually drive so let's make an all-out effort and make this 4th of

a safe, happy holiday. No holiday that turns into mourning." Do your part "Drive Friendly," the way.

## \$2,324 Bonds Sold During May

May sales of Series E and H  
United States Savings Bonds a-  
mounting to \$2,324 in Lynn  
county were reported today by  
County Bond Chairman F. B.  
Hegi. Sales for the five-  
month period totalled \$30,  
329 for 23 per cent of the 1972  
goal of \$130,000.

Sales for the state of Tex-  
as during May were \$17,314,  
314 -- a 5 per cent increase  
over May 1971 when sales  
were \$16,476,145. January-  
May sales totalled \$91,572,743  
with 45 per cent of the \$202,  
3 million 1972 goal achieved.

Nationally, sales of E and  
H Savings Bonds amounting to  
\$573 Million were reported  
during May -- 24 per cent above  
1971 sales of \$462 Million.  
Total sales for the five-month  
period amounted to \$2,715 Mil-  
lion -- 18 per cent above a  
year earlier. Exchanges of  
Series E for Series H Bonds  
totalled \$142 Million were re-  
ported for the first five months  
of 1972 -- 36 per cent above  
the \$105 Million exchanged in  
1971.

## Insect Resistant Cottons Tested

The National Cotton Council  
points out that extensive re-  
search is being directed toward  
methods of controlling insects  
without insecticides.

An example is the possible de-  
velopment of strains of cotton  
that resist bollworms, tobacco  
budworms, and fleahoppers.

The Department of Agricul-  
ture's Entomology Research Cen-  
ter at Brownsville, Texas, is  
evaluating these resistant strains  
and Dr. M. J. Lukefahr is test-  
ing their yielding ability. He is  
satisfied that their fiber quality  
is acceptable.

The work is concentrated on:  
(1) eliminating nectariferous  
are a source of food for insect  
moths, (2) smooth rather than  
hairy leaves in order to elimi-  
nate places for pests to deposit  
their eggs, (3) increased gossypol  
content for leaves and terminals  
but not the seed. Gossypol is  
highly toxic to cotton insects but  
its presence in seed restricts its  
use as feed for non-ruminant  
animals.

"These three characteristics,"  
reports Dr. Lukefahr, "have  
produced a 77 per cent reduc-  
tion in bollworms and budworms  
in the first generation. With  
each succeeding generation, con-  
trol is greatly magnified. Fur-  
thermore, in our tests, benefi-  
cial insects were excluded."

The short, fuzzy fibers that  
cling to the cotton seed are called  
"linters."

**COTTON FEELS GOOD**  
No other fiber feels as good  
next to the skin as cotton does.  
Why? Cotton's high absorbency  
lets it readily transmit moisture  
away from the body. Non-ab-  
sorbent fibers like the man-  
made lack this ability to lie  
flat against the skin, making  
them less comfortable than cot-  
ton.

Texas Number One Again...Beef Cattle Still Not At Full Parity...Milk Production Remains Steady...Egg-Type Chick Hatch Down, Broiler and Turkey Hatches Increase...Hogs Sold Through Auctions Are Up...DDT Ban Analyzed.

TEXAS is number one again in cattle feeding. The Texas Crop and Livestock Reporting Service notes that 2,045,000 head of cattle were on feed in Texas as of June 1. This is 22 per cent above a year ago and 11 per cent above the 1,848,000 on feed a month ago.

Texas replaces Iowa as the number one cattle feeding state in the nation. For the six-state cattle on feed-Texas, Arizona, California, Colorado, Iowa, and Nebraska-cattle on feed total 7,925,000 head.

BEEF cattle prices, although at new highs, are still not

on an equal financing rating with the rest of the economy. Beef prices are now at 93 per cent of parity; calf prices are at 96 per cent of parity. In reality, cattle prices are only slightly higher than levels of 20 years ago, yet cattle production costs have more than doubled during that time.

Throughout the six-state cattle on feed report, numbers of cattle on feed increased. The 7,925,000 head as of June 1 is 12 per cent more than a year ago.

MILK production in Texas during May totaled 293,000,000 pounds. This is the same as in May, 1971, but one per cent below the previous month's production.

Milk production per cow kept for milk averaged 825 pounds per cow for the month of May. This is the same as a year earlier but five pounds below the previous month. Preliminary price for all wholesale milk for May was estimated at \$6.65 per hundredweight.

Nationwide, milk production is estimated during May at one per cent above a year earlier.

HATCH of egg-type chickens in Texas totaled 2,009,000, down 10 per cent from a year ago. The May hatch of broiler chicks increased five per cent from a year ago. The total of 18,163,000 was four per cent above the preceding month. The total turkey poult hatch for May at 1,436,000 increased nine per cent from a year ago.

Egg production totaled 240 million compared with 225 million a year ago. The 12.3 million layers averaged 62.8 eggs daily per 100 hens. Layers on hand were up four per cent from a year ago, two per cent below April.

Nationwide, egg production declined two per cent from a year ago. The daily egg production per 100 layers was slightly higher than for Texas at 63.7.

SALES for cattle and calves, sheep and goats were below year-ago levels while hog sales showed an increase.

Cattle and calves marketed through auctions during May numbered 567,000 head, 13 per cent below a year ago. Sheep sales at livestock auctions totaled 167,000 head, 24 per cent below a year ago.

Hogs sold during May totaled 54,000 head, four per cent above a year ago.

NO SERIOUS problems for Texas are in prospect with the banning of most uses of DDT at the end of this year, Texas Agriculture Commissioner John C. White said. The use of DDT in agriculture has declined drastically in recent years throughout the state.

COTTON season is underway with the first bale of cotton of the 1972 crop having been ginned recently at San Juan in the Lower Rio Grande Valley. Indications are the Valley crop is a good one.

MRS. WILLIAM CLINTON JR.  
... NEE MARSHA SHAVER

## Shaver-Clinton Repeat Marriage Vows June 24

Miss Marsha Shaver became the bride of James William (Bill) Clinton, Jr. on Saturday, June 24 at 7:00 o'clock in the evening. The Rev. Norman Patton, pastor, directed the ceremony at the United Methodist Church in Rochester. Tall tapers in candleholders formed the background and a single long stemmed pink rose lay across the open Bible on the communion table, marking I Corinthians 13.

Parents of the couple are Mr. and Mrs. R. A. Shaver Jr. of Rochester and Mrs. J. W. Clinton and the late Mr. Clinton of Tahoka.

Mrs. Kenneth Lane of Haskell was organist and Mrs. G. L. Ballard of Rochester was soloist.

Escorted to the altar and presented in marriage by her father the bride wore a formal length gown of candlelight silk organza. It featured Swiss rose appliques on the fitted bodice with illusion yoke effect and on the three quarter sleeves edged with triple tiers of the organza. The skirt was also triple-tiered with controlled back fullness which swept to a chapel train. Her long veil of silk illusion fell from a camelot cap of organza, like the gown. She carried a bouquet of white roses, stephanotis, gypsophila, and English ivy.

Mrs. R. A. Shaver III served as matron of honor. Bridesmaids were Peggy Thigpen of Haskell and Linda Chandler of Throckmorton. They wore long gowns of posy pink violet with white satin belts which had bows in back with streamers falling to skirt length and white embroidery enhancing the full skirts. They wore large white hats and carried bouquets of pink roses, gypsophila, and English ivy.

Best man was Craig Leslie

## Edwards-Stone Honored

of Lubbock. Groomsmen were Sam Montgomery of Denver, Colo., and George Ledbetter of Ft. Smith, Ark.

R. A. Shaver, III, brother of the bride, Brack Shaver of Ft. Worth, cousin of the bride, Willis Smith of Redondo Beach, Calif., and Bob Johnson of Dallas were ushers.

Mrs. John Muller of Austin and Mrs. Brack Shaver registered guests in the foyer of the church.

The reception was held in the home of the bride's parents. The bride's table was laid with an imported cloth of rosepink organdy with linen appliques. A three branched candelabra held rose pink candles. The bride placed her bouquet on the table. Sue Church of Abilene and Mrs. Muller, both cousins of the bride, served from silver and crystal appointments.

The groom's table in the den was covered with an embroidered linen cloth and centered with an arrangement of summer flowers in multicolors. Presiding at the coffee service was Cherry Blair of San Antonio and serving the monogrammed chocolate cake was Mrs. Terry Putman of Austin.

Richard Shaver, the bride's nephew, and Rebecca Lynn Balfanz, the bride's cousin from Corpus Christi, handed out rice bags from white baskets tied with pink and green ribbons.

When the couple left on their wedding trip to Las Vegas, Nev., the bride was wearing a rosepink dress with short jacket. Her shoes were floral and her flower a gardenia.

The bride is a graduate of Rochester High School and received her degree in Home Economics Education and Clothing and Textiles from Texas Tech, where she was a member of Kappa Alpha Theta sorority, Angel Flight and was on the Dean's list. She was 1969 South Plains Maid of Cotton. She was employed by the Ft. Worth Public Schools.

Clinton is a graduate of Tahoka High School and has both his BA and MBA degrees from Texas Tech where he was a member of Delta Tau Delta fraternity. He is employed in Los Angeles, Calif. in the management division of the Firestone company.

They will be at home at 225 Montana, No. 202, Santa Monica, Calif.

The groom's mother hosted the rehearsal dinner at the Cliff House in Stamford where 27 guests attended.

Out of town guests included Mr. and Mrs. Marvin Munn of Tahoka, Mr. and Mrs. Bobby Field of Bronco, Mr. and Mrs. Meldon Leslie of Tahoka, Mr. and Mrs. Rivie Garrett and family of Shallowater, Mrs. Jimmy Wyatt of Tahoka and the groom's mother.

Other guests registered from Haskell, Knox City, Stamford, Dallas, Ft. Smith, Ark., Denver, Colo., Okla. and Calif.

## Girl Scouts Attend County Day Camp

The Girl Scouts of Lynn County are participating in Day Camp being held on the school grounds at Wilson. The day begins for the girls and adult leaders at 9:30 and the camp closes at 2 p.m. There are 107 girls and adult leaders attending.

The theme for the camp this year is Outdoor Discoveries, and each unit is working on learning outdoor skills and en-

joying outdoor activities. The units take turns each day with the opening and closing ceremonies and other all camp responsibilities. Many of the Junior and Cadette Girl Scouts are working on badges.

George Shumake, 89, of Seagraves, an old time Lynn County cowboy, was here for the reunion. His wife, the former Carrie Miles, passed away a few years ago.

Organic matter is the storehouse of plant nutrients in the soil. It is often referred to as the "fat of the land." It results from the decomposition of plant and animal materials by soil organisms. On the average it contains about 56 percent carbon and 5 percent nitrogen.

usually lowers the organic matter in the soil. The level may become so low that maximum cannot be obtained. Soil tests will show the organic level in the soil. Peas and forage sorghums can be planted late and provide organic matter.

Organic matter improves soil structure and its ability to take in water and hold it in storage for later use by plants. It also improves soil aeration, loosens dense, compact soils and granulates loose, open sandy soils to give them a friable crumb-structure.

PRODUCE FORAGE SORGHUMS FOR HAY OR SILAGE. With good conditions in most areas, to plant forage, livestock producers should make plans for winter feed or drought conditions next spring. Plant enough forage sorghums to insure feed for foundation herd. In many cases a livestock producer has to sacrifice part of his herd due to shortage of hay or silage. Make plans to plant forages to care for your livestock.

Too, organic matter exerts a strong influence on the exchange capacity of the soil, and also acts as a buffer to prevent rapid changes or fluctuations in soil acidity or alkalinity, explains the agent. During the decomposition process, a continuous supply of carbon dioxide, nitrogen in various forms, phosphorus and other nutrients so essential to plant growth are liberated. Organic matter serves as a storage facility for mineral nutrients such as calcium, magnesium, nitrogen and many other making them less likely to be lost in drainage in water seepage. It also makes the soil more favorable for vigorous, rapidly developing root systems on young plants. Continuous cultivation without giving attention to regular additions of residues grad-

Do you really save when you shop out of town?

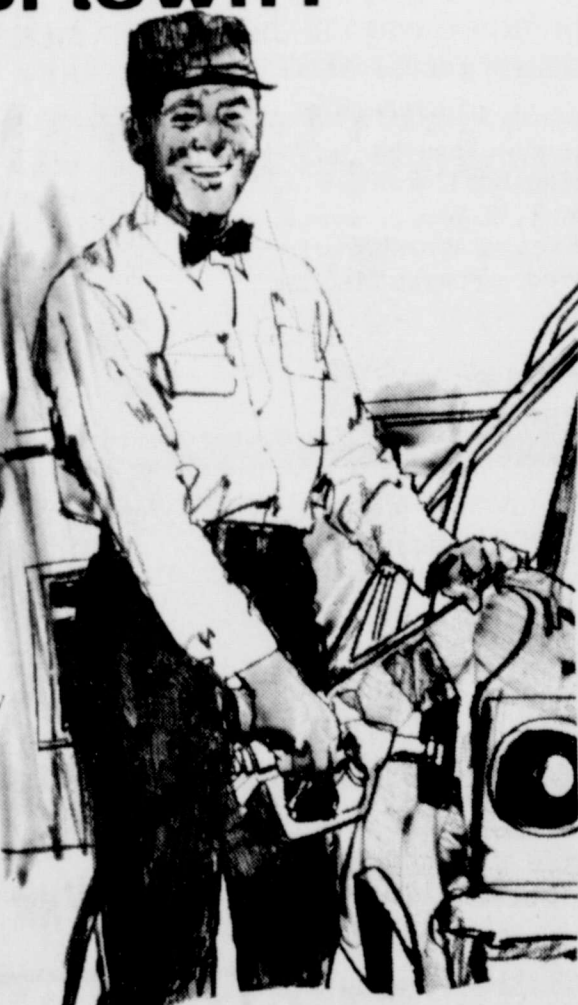

so-called "big city discounts" really cover the cost of getting there?

At time you consider an out-of-town shopping trip take a minute to estimate the cost of gasoline, oil, depreciation and parking.

Consider out-of-town service, misfit exchanges, unfit returns and warranty repairs.

And don't forget that money spent out of town keeps traveling while money spent at home returns in community improvements. Add it all up.

When you face the facts don't be afraid to change your mind and shop at home.

## LIONS CLUB MEETING

Wilson Lions Club held their installation of officers for the coming year at their regular meeting June 15. District Governor (elect) Hoyce McMurry installed the new officers and directors. The officers and directors for the coming year are: Tommy Bednarz - Pres.; Curtis Wilke - first vice pres.; Weldon Meador - second vice pres.; Jerry Don Ross - third vice pres.; Dean Daniels - sec-treas.; Billy Weaver - Lion Tamer; Darold Balkwin - Tall Twister; David Wied - Asst. Tall Twister; Earl Cummings - Lion Saver; Directors: C. W. Sloan, Alvin Kitten, Caleb Vaca, B. L. Hatchell, Sam Gatzki and Clarence Church.

The Wilson Lions, after losing in the district contest to Tahoka, played host to the Tahoka Lions and their wives by feeding them a fine steak supper. They also hosted about 15 Lions and wives from Lubbock South Plains Club, but the Lubbock Lions had to eat "crow" for supper after placing behind Wilson in the district. Joyce Kahlich, Rene Kahlich and Nancy Ross provided some entertainment during the meeting.

The officers and directors at a recent meeting decided to sponsor a "Yard of the Month" project for the remaining summer months. Also the sponsor a Youth Activity Night at the Little League Ball Park on each Tuesday night during the month of July except the first Tuesday which falls on the 4th of July. For more information on the Youth Activity Night call David Wied (chairman) or Woody Follis or Kleth Wied.

## TALKMETTS HONORED

The 25th Wedding Anniversary of Mr. and Mrs. Monroe Talkmitt was celebrated Saturday with a barbecue and reception in their home.

Mrs. Talkmitt was the former Lorraine Dube. The couple were married June 1, 1947 in St. Pual Lutheran Church in Wilson by Rev. W. A. Kiek. Mr. Talkmitt farms north of Wilson where they make their home. They have four children, Janice 20, Darrow 19, Twilla 16 and Quinlin 10. They are also guardian to Rosario Luciano and Robert Ortiz.

Approximately 200 guests attended the reception. Out-of-town guest at the occasion were: Mr. and Mrs. Wilbert Wiese and family of Thornedale, Mr. and Mrs. Dale Maxwell and family of Plainview, Courtney Siewirt of Lubbock Mr. and Mrs. Harvey Howell and family of Slaton, Mr. and Mrs. T. ## Zeoli Family Visits Owens

Mr. and Mrs. Sam Zeoli and their son, Marty were visitors in the home of Mr. and Mrs. Elmer Owens this past week. They are from East Detroit, Mich.

Sam and Elmer served in the Army. The Zeolis were pleased to be here at the time of the All American Game in Lubbock. They are big football fans.

They enjoyed seeing their first rodeo here Thursday night. This was their first time to see this part of the country. They commented many times on the friendliness of the people of Tahoka.

Sam delighted the Owens and many friends by making Italian Spaghetti for them on Sunday evening. He was born in Italy near Naples, and got his U. S. Citizenship in Temple, Texas while stationed at Ft. Hood.

They left Monday morning for Shreveport, La. and then back home to Mich.

# TURN ABOUT

Folks used to wonder what Grandpa Brown and I had in common. He must have been close to eighty when I was just a kid. But I remember him as one of the best friends I ever had.

He was a wonderful old man, with a simple, native wisdom. We used to go fishing together, and he would talk to me about God and Faith and Love. I remember he said people shouldn't wait until they're in trouble before going to Church. "When you're happy," he told me, "take time out to offer a prayer of thanks."

The Church had acted as a balance for him during good times, and a bulwark during bad times.

Down through the centuries the Church has made great Christians out of unassuming people. They in turn have transmitted the blessings of the Church to oncoming generations. I hope I can bring Grandpa Brown's faith and wisdom to others, as I was impressed by him.

### THE FAMILY LAWYER

#### Neighbors at Odds

Grouchy Mrs. Baxter, an apartment dweller, had two reasons for cooking cabbage so often. First, she liked cabbage. Second, she liked to waft the cooking odors out of her open kitchen door, into the apartment of the new neighbors across the hall.

When the neighbors finally haled her into court, Mrs. Baxter insisted she had a right to cook whatever and however she pleased.

But the court ruled that she was guilty of committing a nuisance, by maliciously inflicting discomfort on others.

Psychologists tell us that hostility grows as living space shrinks. One of the law's touchier tasks is to mediate between neighbors at odds. And, as the above case indicates, evil intent may make the big difference in court.

This is shown even more clearly by the law's changing attitudes toward spite fences. Such fences, erected deliberately to block off the daylight from a neighbor's house, used to be tolerated as a lawful exercise of property rights.

But now they are forbidden almost everywhere. As one court commented, in condemning a spite fence 11 feet high:

"The right to enjoy the sunshine is a natural one, and no man can shut out the light of heaven for no better reason than to gratify his malice toward his neighbor."

Nonetheless, when we choose to live in an urban environment, we are also choosing the reasonable degree of vexation that goes with it.

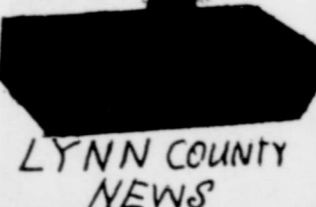

In another case, a family had a ventilating fan that blew cooking smells out of their kitchen, in the general direction of the house next door.

But this time, when the neighbors went to court to complain, the judge took due note of the fact that the houses were 27 feet apart. At this distance, he said, the degree of annoyance was too slight to awaken the law's disapproval.

The judge said he would not interfere "without some evidence that (the cooking odors) were revolting to a point beyond the effect of ordinary neighborhood exhalations."

## Past Days In Lynn County

Copied from June 7 1912

The Democratic County Committee, of Lynn County, composed of H. M. Larkin, county Chairman; Geo. W. Small Jr., Chairman Precinct No. 1; W. H. Mays, Chairman Precinct No. 2; L. G. DePriest, Chairman Precinct No. 3; C. E. Donaldson, Chairman Precinct No. 4; and W. A. Walker, Chairman Precinct No. 5, held a meeting at the Fair Store Monday at which all were present with the exception of C. E. Donaldson.

The committee found after they had gathered that the appointment of election judges was the only business to come before them. The judges were appointed and due notice will be published next week. After a very harmonious meeting as there was no more business to be attended to the meeting adjourned to convene June 17 at which meeting the committee will arrange the names of the candidates in the order in which they will be placed on the ticket and make out the ballot.

Candidates and prospective candidates should remember that the Saturday before the 17th, or June 5, is the last day in which they can get their name on the ticket.

S. W. Samford, of Gall, has accepted the position as manager of the T-Bar ranch in the place of Tom Preston who has resigned. Mr. Preston has held the position of manager for 3 years ever since W. T. Petty retired from that position. Mr. Preston has worked on the ranch for 13 years and is well known among the cowboys of West Texas. Mr. Preston would not talk of his plans for the future, beyond saying that he would remain in Lynn County.

Wednesday evening the North and West sides met in mortal combat for the Tahoka pennant. It is reported that some hard hitting was done but fortunately no one was seriously injured.

This was the third game of the series, the first game being won by the North side by a score of 14-13, the second by the West, report in full elsewhere, and consequently caused a good deal of interest among the local fans.

After the first inning the North side turned the bases into a cinder path and run in one score after another until the first half of the sixth when the score showed 20 to 12 in favor of the North side and the West side acknowledged themselves outclassed and the pennant was declared won by the North side.

We were unable to secure a detailed report of the game.

Mrs. H. F. Baldridge, Ima and Lela Kuykendall attended church at Plainview Sunday. Edna Darrow visited with Eula and Hattie Yates Sunday. John Henderson, J. B. Reece and Mr. Porter lectured at Alex Vaughn Sunday afternoon.

Mrs. Mollie Cathey, Beag and lunch went to Gall last week; Blanch stayed.

Leala and Willie Kuykendall spent Saturday night and Sunday with Ima and Thomas Baldridge.

Mr. Wyley and Miss Bessie Madadison, of Tahoka, spent Sunday with Miss Mable Madison.

Don and Mrs. H. S. Hatchett were business visitors in Tahoka Saturday.

Had a dance at Mr. Frosts Friday, report was that everybody had a good time.

Copied from July 12, 1912 The Lynn County Farmer's Institute came alive again and held a very interesting meeting Monday afternoon July 8th.

The meeting was called to order by President H. S. Hatchett at 1:30 p.m., with only a few members present. However it was a step in the right direction to even attempt to have an Institute meeting.

Our former secretary, O. T. Bryant, having moved away, H. C. Crie was elected to fill the vacancy.

After considerable discussion, the Institute took up the matter of electing delegates to the Farmers Congress, that meets at College Station, Texas, July 30 and 31 and August 1. C. G. Alford and H. S. Hatchett were elected delegates and G. W. Hickerson and M. M. Anthony were elected alternates.

If more of the farmers had known that there was a nice trip to be had free of cost, it is very likely that the attendance would have been considerable larger at the institute meeting than it was Monday.

M. M. Anthony made a very interesting and instructive talk on the aims, benefits and workings of the Farmers Congress.

The first Saturday in each month was selected as the regular meeting date. The meeting will be called to order at 1:30 p.m. and the Lynn County Farmer who fails to attend these institute meetings will not be looking after the best interest of either himself or his family.

If experience meeting are any good in a religious revival, they are even more important to our farmers. And it is just as important for Lynn County to have a farming revival as it is for a church to have a spiritual revival, for as the success of a church depends upon its spiritual condition, just so Lynn County depends upon its farming condition. But if you never attend a revival how can you ever hope to be revived?

The Tahoka baseball squad left on the Wednesday evening train for Lamesa where they are to play a three game series with the Lamesa team during the picnic at that place Thursday and Friday.

Following is the lineup: Claude Wells 3b, Ruby Wells cf, Clarence Keever 1b, Jim Keever rf, Aynes Robinson 2b, Price Nettles p, Homer Preston c, S.M. Clayton and Slim subs. Clarence Keever captain, reports his team in good spirits for the game.

Survivors include his wife; two sons, Robert Verkamp of Nazareth and Marvin Verkamp of Idalou; two daughters, Lucille Verkamp of Lubbock and Mrs. Bruno Schwertner of Stratford; three brothers, Leo Verkamp of Lawrence, Neb., Ramon Verkamp of Slaton and Sylvester Verkamp of Wilson; five sisters, Mrs. Augusta Blume, Mrs. Alfons Bednarz and Herman Schneider, all of Slaton, Mrs. Pete Respondek of Idalou, and Mrs. Joe Kolidziejczyk of Wilson; and 11 grandchildren.

Good luck for the boosters. Later: The first game was called at 3:00 Thursday evening and resulted in a victory for Tahoka by a score of 9 to 1.

oOo Luke Riley, of lower Draw, was in town Tuesday, and he tells us he has 140 acres of the finest feed crop he has had for years. Mr. Riley began moving his cotton gin to O'Donnell Tuesday of last week. He has purchased lots down by the railroad and will move his family close to the gin. Everything will be in readiness for the fall picking. His gin turned out 398 bales of cotton last year.

### Swine Meeting At Lyntegar June 29

A Swine Production Meeting will be held on June 29, 1972, at 1:30 p.m. in the Lyntegar Room, Tahoka, Texas. Dr. Gilbert Hollis, Area Swine Specialist with the Texas Agricultural Extension Service will present the program.

Subjects include: Cross-breeding; Feeding the sow through gestation; Feeding pigs up to 40 lbs.; Disease and parasite control; Purchase of feeder pigs; Feeder pig sales.

### Rites Held For Edwin Verkamp

Edwin H. Verkamp, 67, of Idalou died about 10:30 a.m. Saturday in Methodist Hospital after an illness of two months.

Rosary was recited at St. Joseph's Catholic Church at 8 p.m. Sunday, and funeral mass was at 10 a.m. Monday in St. Joseph's Catholic Church in Slaton. The Rev. Father Tim Schwertner of Post officiated at the mass. Burial was Englewood Cemetery.

A native of Ferdinand, Ind., Verkamp moved to Slaton with his parents in 1921. He was married to Ella Steffens in 1932 in Slaton where they lived until 1954 when they moved to Idalou. Verkamp was a retired farmer.

Survivors include his wife; two sons, Robert Verkamp of Nazareth and Marvin Verkamp of Idalou; two daughters, Lucille Verkamp of Lubbock and Mrs. Bruno Schwertner of Stratford; three brothers, Leo Verkamp of Lawrence, Neb., Ramon Verkamp of Slaton and Sylvester Verkamp of Wilson; five sisters, Mrs. Augusta Blume, Mrs. Alfons Bednarz and Herman Schneider, all of Slaton, Mrs. Pete Respondek of Idalou, and Mrs. Joe Kolidziejczyk of Wilson; and 11 grandchildren.

Nephews served as pallbearers.

### Mat Lockaby's Services Held

Funeral services for Thomas Mathew Lockaby, 82, a former Tahoka resident who died Thursday at his home in Clinton, Okla., were held Sunday, June 25, at 2 p.m. at the Church of the First Born in Hobart, Okla., with Elder Jude Poulson and Elder Harvey Randall officiating.

Graveside services were held at 2 p.m. Monday in the Tahoka Cemetery under direction of White Funeral Home. Lockaby was born Dec. 25, 1890 in Seagoville and came to Lynn County in 1924. He moved to Clinton, Okla., in 1969. He was a retired farmer, a veteran of World War I and a member of the Church of the First Born.

He married Mrs. Gracie A. Williams in 1963 in Hobbs, N.M.

Survivors include his wife; a son, Daniel Lockaby of Tahoka; two sisters, Mrs. Georgia Shawn of Duncan, Okla., and Mrs. Alma Brack of Edinburg; two brothers, Robert Lockaby of Duncan and Charlie Lockaby of Roswell, N.M.; and two grandchildren.

Pallbearers were Charlie Boswell, Preston Hall, Marion Hall, Harvey Craig, Pete Dorman and Robby Dorman.

LOCAL

Mrs. Sammie Norwood returned home Monday after spending several days at Abilene. She visited a niece and family, Mrs. C. E. Mayfield, a sister, Mrs. Bessie White, and a sister-in-law, Mrs. Nina Moore and family. While there they attended the Moore's family reunion at the park in Abilene. There were about 30 persons attending.

## STATE CAPITAL Highlights AND Sidelights

by Bill Boykin  
TEXAS PRESS ASSOCIATION

Legislators are moving along methodically toward completing work on a \$3.8 billion 1973 state budget and trying to stay within revenue available.

Presiding officers set a "before July 4" adjournment target date, but whether they could make it or not remained to be seen.

Gov. Preston Smith stuck by his pledge -- to submit no additional business to the special session until the appropriations act is agreed on.

A representative's effort -- via resolution -- to persuade Smith to "open the call" was rejected, when the House failed to suspend rules (on a 62-55 vote) and permit consideration. Proponents of the resolution argued the session is costing taxpayers \$34,000 a day, but nothing could be accomplished while committees continued to process the appropriations act.

Progress was possible toward better legislative rules as both houses marked time before the budget landed on members' desks.

### Hickerson Family Reunion Held

The Hickerson family met June 10 and 11 at Cottonwood Lodge on Lake LBJ, for their annual reunion. Those attending were Mrs. Thelma Ellis, Plains, Mr. and Mrs. J. R. Rushing, Mike, Jay and Terry. Mrs. Florene Ellis, Monahans, Scott Ellis, Odessa, Mr. and Mrs. Cleo Johnson, Tom and Sue, Lytle. Mr. and Mrs. Jim Purcell, Odessa, Mr. and Mrs. Harold Gary, Mylinda and Todd, Flatonia. Mr. and Mrs. G. W. Hickerson, Tyler, Mr. and Mrs. Reggis Barham and Derek, Houston. Cecil Hickerson, Seminole, Mr. and Mrs. Rae Hickerson, Dallas, Connie and Jill Hayes Dallas. Visitors were Anetta Penn, Odessa and Mary McDonald, Lytle.

Mexican officials insist on "adequate quarantine corals." Such facilities are under construction at Del Rio and Eagle Pass. White said Texas has not had time and money to build the corals elsewhere. He said the export halt would have a "serious impact" on a multi-million-dollar program.

### Unfred Attends Cotton Meeting

The board of directors of Cotton Incorporated, the research, sales and marketing company of America's cotton growers, seated 13 new members and elected a like number of alternates at their recent annual meeting here.

The 46-member board represents over 300,000 growers in 19 cotton-producing states. The directors determine policies and programs carried out with growers' dollar-per-bale contributions.

The new directors and alternates, chosen earlier by producer organizations in their states, will be assigned to one of three research committees covering Cotton Incorporated programs in agricultural research, marketing and product research, and processing, handling and services.

Re-elected to a new three-year term from Texas was Dan Pustejovsky of Hillsboro. J. G. Dobbs was elected alternate.

Also attending the annual meeting was director L. C. Unfred of Tahoka.

### T. W. Smiths Services Held

Services for T. W. Smith, 56, of Waco, were held at 4 p.m. Thursday in Mart.

Smith died suddenly on his way to Mart, where he was Postmaster.

He was a past master of Mart Masonic Lodge No. 636; was a past commander of Hillman-Fowler Post of American Legion; was a Veteran of World War II, a member of Mart Lions Club and was a Baptist.

Smith was the son of the late Mr. and Mrs. Tyne W. Smith. He was reared on a farm 2 miles west of Draw. Survivors include his wife, Opal; one daughter, Nancy of Waco; three sisters, Mrs. H. O. Gardner of Mart, Mrs. Alice Simmons of Waco, and Mrs. M. L. McElroy of Dallas.

## July 4 Operation Motorcide Slated

"Independence Day!" What does this mean to you? One hundred and ninety six years ago this young nation rose up to declare its independence. To declare that all men are created equal, that all men are endowed with certain inalienable rights. Among these rights are life, liberty and the pursuit of happiness. These rights are still held in high esteem today. But, how much value do we really place on life?

The death toll on our nation's highways exceeds one thousand each week. Yet does the average motorist stop to think that death could be waiting for him today, or maybe tomorrow? No, I'm sure that to the average motorist, accidents always involve the "other" driver. Not me! Still, death claims a life every

two and one-half hours in Texas! The acceptance of traffic fatalities has brought about the "everyday occurrence" attitude that exists today. Life means more than that. Life is a God-given gift and it should not be carelessly thrown away.

Each 4th of July, the Texas Department of Public Safety conducts "Operation Motorcide." This is an extensive coverage of the Texas traffic problem during the holiday period. The public is kept aware of the traffic deaths and is continually made aware of the main causes of traffic accidents. This year's "Operation Motorcide" will begin at 6:00 p.m. on Friday, June 30; and will run until midnight Tuesday, July 4.

Major C. W. Bell, Regional Commander of the Lubbock Region of the Department of Public Safety states, "All available personnel will be used in an effort to keep the highway deaths at a minimal. We will be on the lookout for violations of the traffic laws;

especially we will be alert for the speeding driver and drinking driver." Speeding, DWI are the two largest contributors of traffic fatalities. Major Bell reminds all motorists that "each driver is responsible for keeping control of his vehicle in order to avoid colliding with another vehicle, a pedestrian or a fixed object. No one is responsible for the death of another. Let's make streets and highways as safe as possible. We all drive twice as safe as we usually drive, so let's make all-out effort and make 4th of July a safe, happy day. Not a holiday that leads into a mourning.

### Claude Thomas Visits Alabama

Mr. and Mrs. Claude Thomas, of Tahoka visited the world's largest space exhibit during a recent trip to Huntsville, Alabama.

The Alabama Space and Rocket Center is designed to let the visitor be the astronaut. The Center contains many educational exhibits permit involvement in astronomy and space travel.

The Thomas viewed ships used by astronauts, a full-size moon rocket, up and walked on a simulated moon crater. They strapped space food, fired a rocket engine, operated a lunar landing computer, and viewed futuristic space station up.

The Alabama Space and Rocket Center features the world's largest collection of rockets, missiles and space vehicles. The Center is located five miles west of Huntsville, Alabama on Highway 20 and is open every day of the week.
