New Sanitary Landfill Open

Old Dump Ground To Close

New Sanitary Landfill for Lynn County has been located east of the Wilson road, approximately one-fourth mile east of the old Dump Ground. The new site was a requirement of the State and the county, with New Home and O'Donnell included in the project. The state board will help with the cost.

Bond Sales

88% Of Goal

The E and H United States Savings Bonds sales in Lynn County during the month of August totaled \$8,449, according to County Chairman F. B. Hegler. For the eight-month period ending August 31, 1973 sales goal of \$130,000.

Persons purchased \$17,913,390 of Savings Bonds during the month of August. The year-to-date sales total \$56,083,171 compared to \$33,527 for the same period last year, an increase of \$12,556,644.

National 4-H Week Is October 7-13

4-H continues to grow in popularity throughout Texas and in Lynn County as the Number 1 youth organization. And its growth is no wonder, as both youth and adult leaders have injected new life into some old programs and have also developed new programs that reflect the needs of today's rapidly changing world.

National 4-H Week -- October 7-13 provides an opportunity for youth to renew their interest in 4-H or to perhaps redirect some of their ongoing programs, and make a special effort to recruit new members, points out Extension Agent Bill Griffin.

Boys and girls between the ages of 9 and 19 are eligible to join 4-H and there are many new programs and projects for individuals, regardless of their interests and backgrounds.

One of this year's 4-H Week activities is "4-H Gets It All."

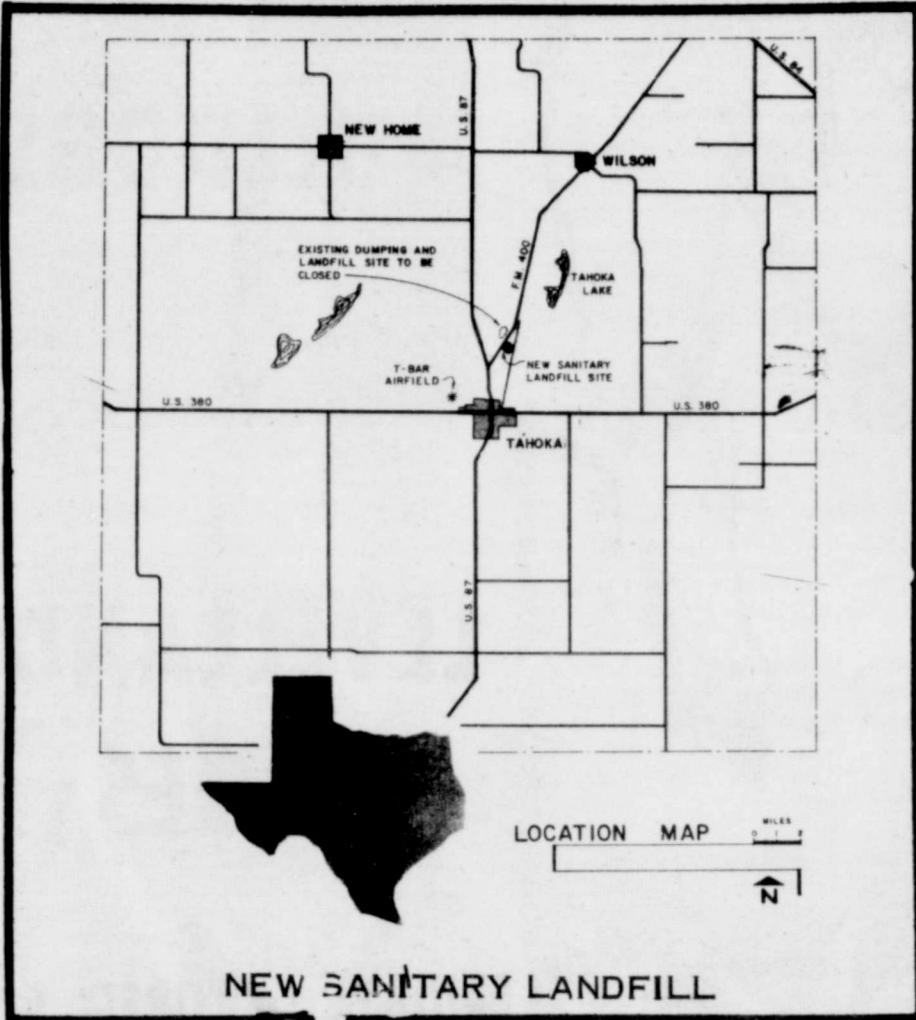

When it is appropriate, says Griffin, in that it shows 4-H as a complete program designed to meet the growth and development of the youth of this county. 4-H is dedicated to building a better tomorrow by providing leadership training. It also provides citizenship training. It also provides boys and girls to explore

of health in which all garbage, as well as other items will be buried and covered with a dirt cover. The new site will open to the public 5 days per week. It will be open Monday, Tuesday, Thursday, Friday and Saturday from 9 a.m. to 6 p.m. The site will be closed Wednesday and Sunday.

There will be absolutely no dumping in the old dump ground. The state has demanded that it be closed, levelled and covered with 24" of dirt. There will be an attendant at the new landfill when the site is open during hours.

There will be absolutely no dumping at the old dump ground and the attendant will instruct you where to dump when you take a load to the new site. Also there will be no dumping at the new dump ground without authorized attendant on duty. Those found guilty of unauthorized dumping will be prosecuted.

This entire operation is to comply with the laws of the State of Texas and puts Tahoka and Lynn County with one of the most modern Landfills in the State. Tahoka also has one of the most up to date sewer systems in the state which was built several years ago in compliance with state regulations.

NEW SANITARY LANDFILL

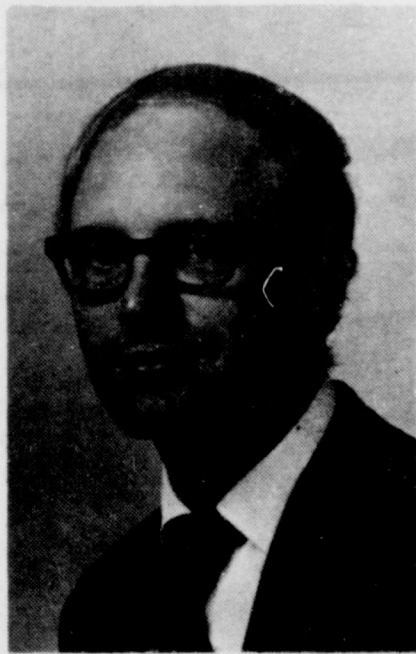

Glen Riddle At Seminary

Mr. Glenden Paul Riddle, son of Mr. and Mrs. A. D. Riddle, of Tahoka, Texas, is a first year student at the Dallas Theological Seminary in Dallas, Texas, a graduate school founded in 1924 to prepare Christian leaders for service throughout the world as pastors, teachers, missionaries, evangelists, and administrators. Drawing its students from 41 different states, 10 foreign countries, and 219 colleges and universities, the Seminary is one of the ten largest theological schools in North America and is the largest independent seminary in the world.

While at the Seminary Glenden will be involved in a rigorous four year graduate program which centers in the study of the Bible and includes strong emphasis in the fields of theology, missions, evangelism, Greek and Hebrew.

In drastic contrast to many liberal seminaries who have "hit upon hard times," Dallas Seminary, according to a recent article in TIME magazine, is among the several evangelical schools singled out as being in the vanguard of vigorous growth and expansion. Currently the Seminary is preparing more evangelical teachers for Bible institutes, Christian colleges and theological seminaries than any other graduate school in the world. Dallas alumni are serving as presidents or deans of more than 60 schools and are on the faculties of 100 Bible schools, colleges and seminaries.

Presently the Seminary receives more than twice as many qualified applicants as present facilities will allow and therefore has undertaken an aggressive expansion program of \$3,160,000 which will include a new Academic Center designed to accommodate up to 750 students.

GLENDEEN RIDDLE

The enrollment for the Fall Semester has reached a new record high as the Seminary continues to expand its facilities and multiply its outreach as it celebrates its 50th Anniversary.

Harrington Boys Place In Contest

Craig, John Mark and Chuck Harrington competed in the Punt, Pass and Kick contest in Slaton last week end and did very well.

Craig placed first in the 8 year old division; John Mark won first in the 9 year olds; and Chuck placed fifth in the 11 year olds. Craig and John Mark will compete in Lubbock next week end.

The boys are the sons of Coach and Mrs. Charles Harrington.

Fire Department Receives Check

The Tahoka Volunteer Fire Department received a check for \$75.00 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of Boyd Barnes, Rt. 2, Tahoka, Texas.

The Tahoka Volunteer Fire Department also received a check for \$75.00 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of Kenneth Cawthron, Rt. 2, Tahoka, Texas.

The money will be used for their purchase of equipment.

The Texas Farm Bureau Insurance Companies pay volunteer fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

The Insurance Company believes volunteer fire departments have contributed to reduce the amount of loss involved by fire and more important, to prevent fires. It is their hope this money will help the Tahoka Volunteer Fire Department in their program.

TGSPB Meeting Set October 9

The Texas Grain Sorghum Producers Board will have its first meeting of the new fiscal year October 9, 1973. The meeting will begin at 9:30 a. m. in the Arnett Room of the Texas Commerce Bank in Lubbock, Texas.

The four board members who were elected by producers in the September 15th directors' election will be sworn in at the meeting. Elected to six year terms were incumbents E. C. Witten of Edmonson, John Gilbreath of Hart and A. W. (Dub) Anthony, Jr., of Friona. In addition, Don Nelson of Tulla was elected to his first term, replacing Don Marble of South Plains.

New executive officers of the board will be elected, research and marketing projects for the coming year will be discussed and a budget for the fiscal year established.

Present executive officers are K. B. Parish of Springlake, Chairman; C. C. (Pap) Reed of Kress, Vice-Chairman; and Larry Witten of Olton, Secretary-Treasurer.

Immunization Clinic Friday

An immunization clinic will be held Friday, Oct. 5, from 1 to 4 p.m. in the Community Action Center, across the street south of the Court House.

Everyone is invited to come and get your shots.

Mrs. Connell Dies Tuesday

Private services for Mrs. Florine Laura Connell, 87, who died about 1 a. m. Tuesday in Mercy Hospital were held at Fort Worth.

Daughter of a pioneer ranching family, Mrs. Connell was born in Williamsburg, Ohio. She was a housewife and had lived in Post three years. Her husband Clyde preceded her in death.

Mrs. Connell had been a patient in the Colonial Nursing Home in Tahoka.

Survivors are a daughter-in-law, Mrs. Wilson Connell of Polar, Texas; two granddaughters, Mrs. Berry Connell Courtney and Mrs. Connie Connell Springer, both of Snyder; and six great-grandchildren.

Mark Flippin Receives Three Hours Credits

John Mark Flippin, son of Mr. and Mrs. Welch Flippin, Route 5, was among 199 students at Abilene Christian College who were awarded at least three hours of credit by examination for the 1973-74 school year.

Mark received three hours of credit in English prior to registration, which occurred on September 3. Mark, who was president of his class, graduated from Tahoka High School in 1973. He is a freshman mass communications major.

ACC awards advanced credit by examination in three national-level programs, the English essay examination, and the music theory placement test. A total of 931 hours of advanced credit was awarded to ACC students this year.

Education Agency Receives Grant

Congressman Omar Burleson announces a grant of \$16,078,330 under the Special Programs for Educationally Disadvantaged Children, as amended to include migratory children of migratory agricultural workers, to the Texas Education Agency.

Among those Counties and School Districts which may operate programs for Migrant Children under the State Plan are the New Home and Wilson School Districts in Lynn County; Lorenzo and Ralls School Districts

in Crosby County; and in Floyd County, Floydada and Lockney School Districts.

A comprehensive educational program for migrant children during both regular and summer terms in school year 1973-74 will be provided. The program

will provide instruction in communications skills, math, social studies, and other subjects. Supportive services will include medical and dental care, nutrition, transportation and clothing.

Steven Bednarz Receives Award

The Texas Tech University and Farmland Industries have announced the winners of this year's Farmland Industries Scholarships. Steven Bednarz son of Mr. and Mrs. Tommy Bednarz, has been named as one of this year's recipients.

The selection is made by the University Scholarship Committee. Steven is one of 30 recipients selected from 11 university campuses.

In addition to the \$400 award

Steven will receive as all-expense-paid trip to Farmland Industries Annual Meeting in Kansas City on December 5-6-7.

Steven will be honored at a campus luncheon this fall with other Farmland scholarship winners.

Wilson Cooperative Gins congratulates Steven for his achievements. The Wilson Cooperative Gins is a member of the regional cooperative, Farmland Industries, who is sponsoring the scholarship.

BILL GRIFFIN SAYS

Irrigation is likely to be a key factor in maximum wheat pasture forage production this fall and winter, according to a Lubbock-based irrigation

specialist with the Texas Agricultural Extension Service. If feed costs continue to be high, there will be an extra bonus for the lower-cost forage.

Two fall irrigations, especially in dry years, in addition to either a watering-up or preplant application will usually produce maximum forage, says Leon New.

Good early fall grazing can normally be obtained from late August-planted wheat with an irrigation in mid to late October and early November while temperatures are still up. Water use is low prior to this time, the specialist says, and deep rooting should be encouraged. By November 1, however, the water use rate is likely to be over one and a half inches every ten days.

"It is best and often more convenient to make the first application before cattle are placed on wheat pasture," says New. "This prevents trampling of valuable forage and compacting wet soil, and helps avoid rotating to dry fields."

"A second fall irrigation in December or January may be needed to continue good forage growth. Moisture stored by this application encourages early spring growth and may be especially important during dry years to maintain forage quality and even stand survival," he adds. "Vegetable growth is usually slow during late January and February because very little growth occurs during temperatures under 45 degrees."

The Extension specialist cautions that high soil moisture dur-

ing unusually warm periods can promote plant water uptake and cause freeze damage later, especially to less winter-hardy wheat varieties and oats and barley. Over-grazed plants may also be susceptible to freeze damage under similar weather and moisture conditions. Early to mid-December applications may help prevent freeze damage, depending on weather severity.

"Research has shown very little to no response to a third fall irrigation," New explains. "Adequate moisture is important though, for forage production in early spring when soil and air temperatures increase. An irrigation in March is likely to boost forage production, especially if winter snow and rainfall are light and the wheat is to be grazed out."

In contrast, says New, grain yields have been influenced very little by early spring applications. Heavy irrigation is not recommended during tilling and jointing for grain production since it produces more straw and encourages lodging.

Good response is normally obtained for grain and forage production from irrigations at booting about mid-April and heading in early May when adequate moisture is critical, he contends. Forage yield is high during this time if moisture is optimum.

Another irrigation in mid to late May at the grain filling stage may be beneficial in grain production, especially in dry years, says New. An application at this time can help extend the grazing period and keep forage quality up, but the results in both grazing and forage quality are likely to be considerably less than those from earlier irrigations.

State ASCS Official Urges Efficient Fertilizer Use

Because of anticipated supplies, the efficient use of fertilizers this fall and next spring is of vital importance to farmers, according to J. B. Ridd, Chairman of the State Agricultural Stabilization and Conservation (ASC) Committee.

Farmers should begin to make every effort to conserve and make efficient use of plant nutrients. They should use soil tests to determine crop nutrient requirements, rather than just putting it on, Ridd said.

Pointing out that the cooperative Extension Service is expanding its education activities in this area, Ridd said that ASC is providing support in providing information to farmers.

In addition to soil testing, farmers are also being encouraged to plan fertilizer needs well in advance and to discuss them with accurate indication of local fertilizer needs, suppliers will be fully able to provide the customers with the plant food they need.

Farmers should correct the soil acidity level of their soil to gain optimum results from fertilizer materials, Ridd said. Soil tests results, along with guidance from the County Extension Agent or their supplier, will indicate the correct application needed to adjust the pH level. Farmers should also make maximum use of manure and crop residue, Ridd said.

Rudd noted that a primary factor responsible for tight fertilizer supplies is expanded crop production planned for 1974 in response to growing domestic and export requirements for farm commodities.

Farm Bureau News

President of the Lynn Farm Bureau, Howard R. Moore, said today that if controls are imposed on agricultural exports the result will be financial disaster for many farmers. Moore made the comment in a speech before the Lynn Farm Bureau during its meeting in the evening. He said that the U. S. House of Representatives passed a bill (H. R. 10000) on September 6 to increase the president's authority to control exports of materials and agricultural commodities. The U. S. House is holding hearings on similar bills (S. 2053 and S. 2411). Moore stated that the Lynn Farm Bureau solidly supports the expansion of agricultural

commodities and the development of mutually advantageous trade with other nations. He added that the legislation aimed at limiting exports are much like price controls in that they divert attention from the need for a direct attack on our economic problems through effective action to reduce government spending. Mr. Moore said consumers who are crying for export controls just don't understand the consequences of such action. "The intensity that we are involved in exports is not common knowledge to the consumer," he said. According to the United States Department of Agriculture, the 1973 fiscal year export sales, which were 60 per cent higher than a year earlier, required the output of 85 millions acres of U. S. cropland--or the production of one of every four acres harvested. The sharp rise in exports is contributing significantly to the expected increase in farm income from the record of \$20 billion in the calendar year 1972 to an estimated \$24 billion in 1973. Mr. Moore said advocates of the export controls should be aware of the consequences of the current Senate hearings. "Can you imagine," he said, "what the results would be to farm incomes if the U. S. were suddenly not able to continue export of three-fourths of its wheat production, two-thirds of its rice output, around half of the soybean crop and cattle hides, and nearly two-fifths of the U. S. output of tobacco, cotton, tallow and almonds." Texas farmers' and ranchers' share of the 1973 fiscal year export sales amounted to almost \$800 million.

These days at THS, the main topic of conversation is Homecoming, which will be upon us next week. The Student Council met last week, and decided that the classes would participate in the homecoming festivities by decorating designated parts of the campus and also by designing and putting together an oversized spirit poster. The Juniors will be selling homecoming corsages this year. If any of you would like to buy that "special someone" a corsage, contact any member of the Junior class. Next week, I can give you more details as to the goings-on on the day of this "big event".

where they will take on the Lobos at 8:00 p.m. I hope we beat them again 62-13, at least! The Seniors met Tuesday night and decided to postpone their bake sale until a later date, due to the "hustle and bustle" in the next few days. The girl athletes at THS and Coach Harrington are thrilled at the thought of getting new warm-ups and suits for the Varsity team. A huge thanks goes to the Tahoka Booster Club for the warm-ups, as well as their support.

Football queen nominees are: Debbie Raindl, Marilyn Thomas, Gwen Sterling, and Carla Stevens. The J.V. game last week with Idalou ended in a tie, 6-6. Because there was not a Freshman game, the members of the Freshman team suited up with J.V. Tonight, both teams will be on the road as they clash with Abernathy, beginning at 5 p.m. Tomorrow night, the Varsity team will travel to Levelland

Wilson Upset Nazareth, 38-6

The Mighty Wilson Mustangs upset the Nazareth Swifts 38-6 at Nazareth Stadium last Friday night.

The Wilson offense controlled most of the ballgame. Their first score on a running play by Quarterback Mike Bednarz. The extra point attempt failed, the score 6-0. After a fumble recovery, the Mustangs were at it again toward the scoreboard, when QB Mike Bednarz handed off to halfback, Richard Cedillo on a 29 yard carry for another Wilson TD. The score was now 12-0 after an unsuccessful PAT. The second quarter was even more exciting when Phil Kitten took the pig-skin and raced up the field for an eight yard TD. The extra point succeeded when Richard Cedillo caught a short pass from Phil Kitten, making the score at the half, 20-6. During the third quarter of the game one TD was scored by QB Mike Bednarz on a 3 yard sprint making the score 26-6. Then in the early stages of the 4th quarter, Lester Walker from his fullback position crashed from the 1 yard line for a TD. The score 32-6. Finally in the last minutes from his end position Greg Bednarz snared a pass from QB Mike Bednarz for the final TD on a 38-6 victory, over the Swifts.

The Mighty Wilson defense was on its toes, recovering several Nazareth fumbles. Leading the alert defense with tackles were Johnny Arnold with 10 tackles, Johnny Arellano with 10 tackles,

and Chris Coleman with 9 tackles. The Mustangs played a fine offensive and defensive ballgame.

The Mustangs will be on the road again this Friday night to meet up against the Meadow Broncos. Game time beginning at 8:00 p.m.

CHRISTMAS GREETING

By PHEBE K. CLUB

With just a little over eighty days until Christmas, Phebe K. Warner Club would like to suggest that Christmas Greetings be taken care of through the Community Christmas Greeting that will be published in the holiday issue of the Lynn County News.

With a contribution of \$5.00 or more, for the two scholarships that the Club presents each year, your name will be listed in an appropriate Christmas advertisement.

Contributions to this endeavor may be made to any Phebe K. Warner Club member. Mrs. Elmer Owens is Chairman of the Projects and Finance Committee and Mrs. Maurice Huffaker is President of the local club.

Cruce-Railey Are Engaged

The engagement and approach marriage of Eida Cruce to Railey has been announced by the bride's grandmother, Mrs. Sproles.

Eida Cruce is a 1971 graduate of Tahoka High School and is a junior pre-nursing student at Texas Tech, where she is a member of Delta Gamma Soror-

ity. The future bridegroom is a 1971 graduate of Hereford High School and is also a junior student at Texas Tech. He is employ-

ed by Great Plains Manufacturing Company in Lubbock.

The wedding date has been set for December 15 in Lubbock.

O'Donnell Stomps Forsan, 43-7

Even though the Eagles first play from scrimmage was called back - a 93 - yard scamper by David Pearson, they beat Forsan 43-7 last Friday.

After a scoreless first quarter, the Eagles exploded for 13 points, courtesy of a 17 - yard pass play from Bennie Hancock to Pearson and a seven-yard Pearson jaunt.

Pearson who gained a total of 151 yards on the ground, added his third touchdown of the game in the third quarter on a 27-yard run. The kick failed.

In the final stanza, Dewey Clark scored on a 33-yard effort while Hancock connected with Kevin Wood for a two point PAT. Hancock later hit end Mike Haney on a pass that covered 74 yards and accounted for another Eagle

tally. Pearson contributed another two points on a PAT run.

O'Donnell fullback Scotty Childress, who accumulated 126 total yards, galloped 19 yards for the final touchdown. Hancock ran for the two - point PAT on a keeper.

The victory left District 5-A O'Donnell with a 3-1 reading.

The Eagles have an open date Friday, Oct. 5. They will meet Spur there, Oct. 12.

DOLPH BRISCOE
Governor of Texas

AUSTIN, TEXAS

GREETINGS: Texas 4-H members are observing National 4-H Club Week October 7-13, 1973. The 1973 theme "4-H GETS IT ALL TOGETHER" expresses the thrust of today's 4-H program as it helps prepare young people to become better citizens in our changing world.

Four-H is a part of the educational program of the Texas Agricultural Extension Service of Texas A&M University. It is directed at the local level by County Extension Agents who work with volunteer 4-H adult leaders and other local citizens interested in the development of boys and girls.

Texas 4-H members working with educational learning-by-doing projects, apply the latest research and scientific information to their work, keeping records, arranging exhibits and giving demonstrations to pass the information to others.

The leadership and citizenship training which 4-H members receive in this program is a valuable asset to our State and to our democratic way of life.

THEREFORE, I, as Governor of Texas, do hereby designate the period of October 7-13, 1973, as

4-H CLUB WEEK

In Texas, and urge all our citizens to support and encourage the work of this organization which has as its motto, "To Make The Best Better."

In official recognition whereof, I hereby affix my signature this 30th day of Aug., 1973

Dolph Briscoe
Governor of Texas

CELEBRATE ANNIVERSARY--The couple in the middle are Mr. and Mrs. Wade Ray, long time Lynn County residents who just celebrated their 50th anniversary. On the left is Audrey Finney and the right is Mrs. Tom Mason, both were members of the wedding party 50 years ago.

W. H. Ray's Honored Sept. 22

A reception was held Sept. 22, 1973 in the home of Mr. and Mrs. Wade H. Ray of Los Lunas, New Mexico, honoring them on their golden wedding anniversary.

Hosts for the observance were their children: Mrs. D. W. (Mattie) Perry of Chandler, Arizona, Mr. W.L. Ray of Keyes, Oklahoma, and Mr. R. C. Ray of Tahoka, Texas.

Mr. Ray and the former Thelma Stevens were married Sept. 22, 1923 in Post, Texas. They lived in Lynn and Garza Counties many years before moving to New Mexico.

Granddaughters served and registered guests from New Mexico, Arizona, Oklahoma, and Texas.

JR-HIGH-LITES

BY - TEAL CORLEY

The Tahoka Jr. High Student Council met Thursday, September 27 at 8:00 in Mrs. Cox's room. The Council voted on a project clean-up which is simply a way to keep our school ground cleaner. Last minute preparations for the assembly were made and we voted on an assembly for October.

In the assembly on September 27, Mr. Mammarella's Speech class presented a Reader's Theater entitled "The Reluctant Dragon." Citizens of the Month for September were presented. They are Darryll Stotts and Teal Corley. The sixth grade choir, under the direction of Mrs. Adams and Mrs. Harrington sang "Marilyn Doats" and "You're a Grand Old Flag." Mr. Bryan gave a talk and Mrs. Miller's seventh grade English class closed with a skit about proper classroom behavior.

The Bulldogs are still undefeated as they skinned the Idalou Wildcats Tuesday, September 25. The seventh grade won by a score of 14-6 and the eighth grade came out victorious by a score of 34-22. They are both 2-0 for the season. Keep on truckin' Bulldogs!!

Students in Mrs. Burks' eighth grade history classes are doing group reports on the Thirteen Colonies. We are her 'busy beavers' as she puts it.

Class 6-B held a meeting Friday, September 28. The President, Larry Thomas called the

meeting to order and the minutes were read by secretary Colette Williams. They voted to have class dues of 10 cents.

Class 6-C also had a meeting on September 28 and voted to have class dues of 15 cents. Program chairman Amy McNeil introduced Doug Barham and Kelly Gass who showed their hobbies. Johnetta Hatchet sang and told a story.

Thanks to sixth grade reporters Jeanie Isbell and Brad White for their news.

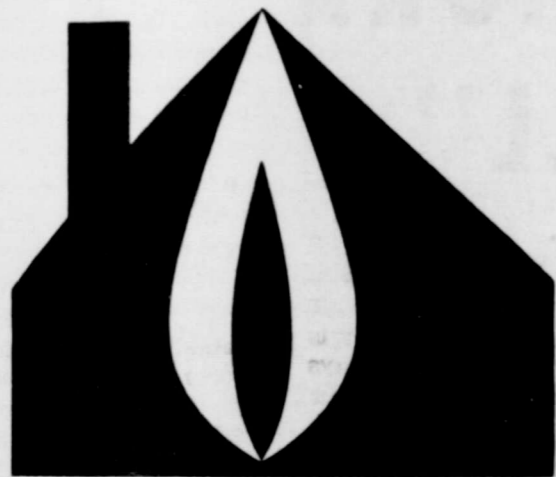

Sons of Basketball Coach Charles Harrington proved the statement 'like father, like son' true as they competed in the Punt, Pass, and Kick competitions Saturday in Slaton. Craig Harrington won first in the eight year old division while Mark won first in the nine year old division. Chuck brought in fifth in the eleven year old division. Craig and Mark will compete in Lub-

bock Saturday. It looks like these boys inherited some of their fathers' athletic ability. Congratulations and Good Luck!!

BOOSTER CLUB

The Tahoka Booster Club will hold their regular weekly meeting Monday night in the school cafeteria at 8 p.m.

Everyone is invited to attend and support the Bulldogs.

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

He is the son of Mr. and Mrs. V. P. Carter.

Everton Nevill, local building contractor, on Tuesday night was awarded the contract for erection of the new Home Economics cottage and the addition to the Vocational Agriculture building by the Tahoka School board.

When bids for the two structures were opened last week by the board, figures quoted by the bidders were deemed too high by the board and all bids were rejected.

Since that time, a deal has been worked out with Mr. Nevill which, it is believed, will effect a big savings to the district.

Construction is scheduled to begin within two weeks. Arnold Maeker of Lubbock is the architect.

Nevill was a member of the local board, but resigned on Tuesday night when it became apparent he would be given the contract on the proposal of other members of the board.

Seaman Willie Gene Garrett of the Navy is home for a 28-day visit with his mother, Mrs. T. C. Beard. He has been stationed at Guam, in the west Pacific, for more than a year.

W. P. Scott of Route 1 is now working for a lumber mill at New Pine Creek, Oregon, where his wife and two children joined him about two weeks ago, according to a daughter, Joan Scott, who is remaining here with her grandmother, Mrs. J. A. Scott.

C. E. Woodworth and Cody Bragg have bought the barber shop business of Berry Fisher, effective next Monday. Mr. Woodworth formerly owned the shop, selling it a couple of years ago to Fischer.

Mrs. Charles Verner and two daughters, Paige and Dean, went out to Ruidoso Saturday to visit her parents, Mr. and Mrs. D. W. Gagnat, and her niece, Dawn Gagnat of Lubbock.

Mrs. Gagnat is reported to be recuperating nicely from the operation she underwent a few weeks ago at Mayo, Brothers, Rochester, Minn.

There's no better spirit of neighborliness anywhere than

Mrs. Lishman recently lost her husband. Mr. Rumbo has been ill for several weeks. A rain came last week in that community which gave some hopes that a feed crop could be raised if planted.

Wedding Anniversary
Children of Mr. and Mrs. Stice were hosts at a celebration honoring their mother and father on Sunday afternoon, in the Fellowship Hall of Sweet Street Baptist Church. The serving table was covered with white net, and crystal appointments and red roses. The color scheme of (ruby) and white was further carried out in the long red dress worn by the girls who served, Farland (Vesta Ann) Oliver, Anole, and Mrs. Walter Lee of Midlothrain, Texas, and Kenneth Stice of Muleshoe presided at the register. Lyla Knight assisted with the gifts. Many pretty and gifts were on display. Gift their three children's family as a large eight day clock. Stice and Laura West were in marriage Sept. 30, 1933 Crosbyton, Texas by Rev. a Methodist minister. years later they moved to County and have lived in or Tahoka most of their marriage. They have two sons and daughter, also six grandchildren. They are active members of Sweet Street Baptist Church and Bert is a farmer. is employed in the school room. Other relatives present for the occasion were his Mrs. Vesta Redwine and R.M. Stice and wife, all Tahoka; three of her cousins, Mrs. Margriate Lynch of Mrs. Swanhill Hendrix of and Mrs. Carney Pyle and a sister-in-law

Mrs. Melvern West of Muleshoe. Several nieces and nephews from Brownfield and Lubbock were also present.

Visiting here from Big Spring this week is the sister of Mrs. Charlie Lichey, Mrs. Gladys Holden. We enjoyed having her in our Sunday School class.

Playing 88 at the home of Mrs. Wiley Curry on Friday was 10 members and a visitor. Mrs. Leona Holden's birthday happened to fall on that day and she was presented a gift by the Club. The hostess served pound cake, tea and coffee.

Mrs. Ann Pennington was taken to St. Mary's Hospital Monday for eye surgery. She returned

home Sat. and is doing well.

Mr. and Mrs. Dink Lyons and their daughter Mrs. Odessa Smith of New Home visited relatives in Roby on Sunday.

Mrs. Irene Garrison spent all last week with her sister in Lamesa, where they canned quite a few beans and peas. She returned home Sunday.

My sister Leta Brown of Lubbock was an overnight visitor Friday night. She brought home grown tomatoes that were greatly appreciated.

Mr. Warren Embree is in Dallas again for more eye surgery. We hope for him a quick recovery. He expects to be out of the bank about three weeks.

The pastor and wife, Rev. and Mrs. Lee James of Sweet Street Baptist Church were surprised with an old-fashioned "pounding" on Sunday night after the regular services. Many "eatables" were presented along with a rather substantial money gift. The Jones' came here about three months ago from Snyder. This is his second time to be pastor. They have two daughters.

Beatrice Loyd who recently had surgery in Lynn County Hospital has been moved to the home of her sister Mrs. Vera Allen. Residents at Golden Manor are looking forward to her being back "home" with them in the near future.

Returning home on Monday the E.B. Gaithers have been visiting with their children in San Antonio since Thursday. They were "at the lake" until Saturday night

then went in to the city for a Housewarming given for Mr. and Mrs. Marshall Akin who recently moved into a new home. Marshall is the oldest grandchild of the Gaithers. He and his wife are both teachers in the San Antonio schools.

J. B. Tarlton Sr. Services Held

Joseph Benjamin Tarlton Sr., 88, of Lamesa, died about 10 p.m. Friday in Medical Arts Hospital. Services were held at 4 p.m. Saturday in the First Baptist Church.

Officiating was the Rev. Bill Hardage, pastor with burial in Lamesa Memorial Park.

Tarlton was a retired barber who opened the first barber shop in O'Donnell. He was a member of the First Baptist Church.

Survivors include his wife, Alice; a son, J. B. Jr. of Lamesa; a grandchild and two great-grandchildren.

James Hime Appointed Aide To Rep. Short

State Representative E. L. Short of Tahoka announced today that he has appointed James Hime of Austin as his Administrative Aide.

Short said, "This young man comes to my office highly recommended and qualified as a senior economics pre-law student at the University of Texas. He will be assisting me on research and briefing matters well in advance of our upcoming committee work and Constitutional

problems as they might affect our district and the people of Texas as a whole. Also, I will be depending on Jim to contact many people on various aspects of the Constitution in my district in anticipation of the important votes on the Constitution next year."

"I am looking forward to working with Representative Short on the very important Agriculture Subcommittee of which he is

chairman and on the Constitutional Convention next year," Hime remarked. "I know Representative Short prefers to handle the problems of his constituency personally, but it is my hope that the people of District 77 will feel free to call on me also any time that I can be of service to them in their contacts with state government."

Hime is a 1971 graduate of H. M. King High School in Kingsville, Texas.

T-Bar Bridge Winners

Winners in the quarterly Club tournament at duplicate bridge last week were: Mrs. N.B. Hancock and Frank Hill, first; Mrs. Gene McKee and Mrs. Roy Lemond, second; Mrs. Coye Collier and Mrs. Jess Gurley, third.

years ago, the phrase "generation gap" was bounced around by adults and young people. Youths were accused of not wanting to communicate with their elders, while their elders were accused of not wanting to understand their youngsters.

The "generation gap" is a myth and both adults and young people should take some of the credit for closing the gap. Young people and adults are working together to solve mutual problems.

Carolyn Haley Says...

years ago, the phrase "generation gap" was bounced at adults and young people. Youth were accused of not communicating with their elders, while their elders accused of not wanting to understand their youngsters. The "generation gap" was not only between adults and young people, but also between the young people and adults are working together to solve mutual problems. Cooperation is well demonstrated through 4-H, which is the theme, and in many ways, 4-H had "gotten better" by involving more young people and adults than ever before. 4-H is a youth

development program of the Cooperative Extension Service focusing on the needs, interests and concerns of young people. Its aim is to help youth acquire a positive self-concept, rational social behavior, knowledge and problem-solving capabilities. Boys and girls between 9 and 19 from all racial, social and ethnic backgrounds may participate.

4-H is a real life experience. It's learning how to do jobs, how to make decisions similar to those that are important in adult life.

4-H is a family affair. There is a place for others in the family group if they want to participate.

Latest available figures show some 5.5 million young people are reached by 4-H. Where do

they live? 4-H today brings together both rural and urban boys and girls.

4-H is strong, and growing in all areas of the fifty states, Puerto Rico, and the District of Columbia. 4-H is reaching out to bring more people together to make the best better in new ways.

Working together, growing together, learning together -- that's what 4-H is all about in 1973. Further information on 4-H may be obtained from the county Extension office.

Through 4-H, young people and adults can "Get It All Together" for the benefit of all Americans.

I have had several inquiries on freezing cookies. Hopefully the information below will help you.

Cookies of bar, dropped, rolled and refrigerator types may be frozen unbaked or baked, and the quality during storage for six months to 1 year is similar to fresh cookies. Recipes high in fat and low in moisture are best for freezing. Cookie dough and baked cookies are packed in moisture-vapor-proof containers of suitable size and shape. Thaw baked cookies in original containers at room temperature. Unbaked doughs are easier to package and take less storage space than baked cookies. Thaw frozen drop or bar cookie dough at room temperature until soft enough to drop by spoonfuls on baking sheet or pour into baking pan. Most refrigerator cookies may be sliced without thawing; some may need partial thawing in a refrigerator. Bake same as fresh cookies.

RECIPE OF THE WEEK: REFRIGERATOR CRISPS

- Oven 375 degrees
- 1 cup shortening
 - 1/2 cup granulated sugar
 - 1/2 cup brown sugar
 - 1 egg
 - 2 tablespoons milk
 - 2 1/4 cups sifted all-purpose flour
 - 1/2 teaspoon soda
 - 1/2 teaspoon salt

- 1 teaspoon ground cinnamon
- 1/4 teaspoon ground nutmeg
- 1/4 teaspoon ground cloves
- 1/2 cup finely chopped walnuts

Cream together shortening and sugars; add egg and milk; beat well. Sift together dry ingredients; stir into creamed mixture. Add nuts. Shape in rolls 2 1/2 inches in diameter. Wrap in waxed paper; chill well.

Slice about 1/4 inch thick. Place 1 inch apart on lightly greased cookie sheet. Bake in moderate oven (375) for 5 to 7 minutes or till delicately browned. Remove at once to rack. Makes 6 dozen.

Fred Higbee Dies Suddenly

Services for Fred Edward Higbee, 78, of Ingram were held at 10:30 a.m. Thursday in the First United Methodist Church here with the Rev. Aubrey White of Sudan and the Rev. Frank Oglesby, pastor, officiating.

The body was transferred to Kerrville Funeral Home after services and Masonic graveside services were held at 3 p.m. Friday in the Garden of Memories Cemetery in Kerrville under the direction of Kerrville Funeral Home. White Funeral Home handled local arrangements.

Higbee was born March 23, 1895 in Montgomery City, Mo. He was married to Adline Bellah March 17, 1929 in Slaton. He attended school in Slaton and Hardin Simmons University.

He was a Shriner. Higbee was a veteran of World War I and had lived near Kerrville about 30 years. He was a 50 year member of the Slaton Masonic Lodge.

Higbee was a retired music store owner and rancher. Survivors include his wife and several nieces and nephews. Nephews served as pallbearers.

Mrs. Smith Hosts Phebe K's

Phebe K. Warner Study Club met Tuesday, September 25, in the home of Mrs. Truett Smith with Mrs. Jim Wells serving as co-hostess. Mrs. Binie White, vice-president, presided in the absence of Mrs. Maurice Huffaker.

The program, a talk and slide presentation presented by Becky Burks, was arranged by Mrs. Wendall Patterson. Miss Burks was an exchange student to Brazil this summer sponsored by the local Lions Club. She told of her experiences while there and had several interesting souvenirs to display.

Mrs. Harold Green discussed the Caprock District board meeting to be held in Tahoka on October 13.

Two prospective members Mrs. Eddy Holloway and Mrs. Bill Burns, were presented. The next meeting will be held October 9 in the home of Mrs. Oscar Rutledge.

Woodrow Furr Died Monday

Services for Woodrow Furr, a former Post resident who died Monday in a San Antonio hospital, were held at 3 p.m. Thursday in Grassland Methodist Church.

Officiating was the Rev. Joseph Yates, and burial was in Terrace Cemetery in Post.

He is survived by his wife Sara V. of San Antonio; a daughter, Mrs. James Aten of Post; two sons, Novis Furr and Harvey Hutchinson, both of San Antonio; four sisters, Mrs. Maggie Johnston of San Antonio, Mrs. Bertie Hartford of Globe, Ariz., Mrs. Maudie Shelton of Lubbock and Mrs. Minnie Shepherd of Olney.
