

Hospital, Trustee And City Elections Saturday

Lynn County hospital, school and city elections are upcoming this Saturday, April 6. Three directors will be elected. Those having filed are Elvin R. Moore, Clifton Hamilton and Roy Lynn Kahllich.

There are contests for trustee in all four Lynn County towns with several people having already voted absentee.

In Tahoka district, three trustees will be elected. Those filing were Melvin Edwards, Othell Meeks, Kenneth Turner, Jacky L. Henry, Joe Brooks and Dwain Lusk.

At New Home, three trustees are to be elected and those seeking the terms are George Seely, B.L. Ernst, Wayne Poer,

and Donald Hancock.

Wilson will elect three trustees from the following names: Donald Klaus, Curtis Wilke, Monroe Talkmitt and C.W. Slone.

Five persons have filed at O'Donnell for the three places on the board there. They are B.J. McLaurin, Kenneth Pearson, Charley Beckham, Freddie James and Boyd Barnes.

Members of the City Council of the four Lynn County towns will also be named in the annual elections, also set for Saturday, April 6.

Tahoka has six candidates for three places on the city council. Those seeking election are John Ed Redwine, James F. (Sonny) Roberts, Isidro (Shorty) Fuentes, Charlie M. Holland, Edward

T. Cloe and Jesse Dorman. In addition to the regular ballot, the City Council at their last meeting decided to give the voters an opportunity to express themselves on a solution to the dog problem which constantly plagues the city.

Wilson will be electing two councilmen with George Ascher and Carl Gryder having filed for the places.

In the New Home City election, Clifton Clem, Adrian Evans and Freddie Kieth have filed for the two places.

O'Donnell will be electing a mayor and two councilmen. J.A. Hogg has filed for mayor and filing for councilmen are Eddie

Joe Moore, Tommy Modisette and David C. Bessire.

The voting places will be as follows: Tahoka-Community Center; Wilson-High School and City building; New Home-Elementary School; and O'Donnell-High School.

Be sure to vote Saturday for the candidates of your choice.

Mrs. Elmer Owens Receives Honor

Mrs. Elmer Owens was named Outstanding Clubwoman of the Year in the Caprock District of Texas Federation of Women's Clubs Friday, March 30, 1974. She has been a member of Phebe K. Warner Study Club less than 10 years and was named outstanding club woman in that category.

Mrs. Owens was selected by her club to be a candidate for this honor after successfully planning and carrying out a "Years of Wisdom" luncheon to honor the senior citizens of Tahoka. The affair was held November 13, 1973. Almost 100 pioneers attended and were treated to a meal prepared by club members and entertained by a quartet of local citizens and a reminiscent talk by Frank Hill. It is hoped that this luncheon will become an annual event.

Serving as projects and finance chairman of her local club, Mrs. Owens has been in charge of the club's projects over the last two years. Among them were the Christmas Card greeting to help support the Scholarship funds, a book shower for the Lynn County Library and the

most recent project was sponsoring a blood drive in connection with Blood Services of Lubbock in which 59 pints of blood were collected.

Mrs. Owens is the wife of Elmer Owens, a local farmer. Both are members of the First United Methodist Church and are active in church and civic affairs. The Owens have two children. Their son, Buz, is a 1973 graduate of Texas Tech with a Bachelor of Architecture degree and is employed by The Group, an architectural firm in Dallas. Buz is married to the former Miss Gayle Briant of Shallowater and she is currently enrolled at North Texas State University in Denton majoring in speech and hearing therapy. Vicky is a senior at Texas Tech where she is a secondary education major. She hopes to enter Southwestern Medical School in Dallas after graduating and become a physical therapist.

Mrs. Owens will now be a candidate for State Outstanding Clubwoman in May when the Texas Federation of Women's Clubs convention is held in San Antonio.

Lynn County Cotton Ginnings Set Record

Lynn County cotton ginnings from the 1973 crop totaled 295,226 running bales up to February 1, an all time record, according to a preliminary report made by the U.S. Bureau of the Census.

If this total holds, Lynn County ranked second in Texas and fifth in the United States.

However, since nearly half of O'Donnell's ginnings are Dawson county cotton, and more than likely Dawson will replace Lynn in second place when the final ginnings are in and ginnings are adjusted to the county in which produced.

Other than Lubbock, only three counties in the nation, all in California, ginned more cotton than Lynn.

An interesting fact is that Lynn County has ginned more

cotton than six cotton producing states, Georgia, North Carolina, South Carolina, Oklahoma, Missouri, and New Mexico. Texas ginned two and a half times

more than the next two largest producers, California and Mississippi.

Following are ginning figures to Feb. 1 for 20 area counties: 1. Lubbock, 310,324; 2. Lynn, 295,226; 3. Dawson, 275, 578; 4. Hockley, 212,217; 5. Terry, 169,603; 6. Gaines, 166,156; 7. Crosby, 164,456; 8. Hale, 157,874; 9. Lamb, 141,481; 10. Floyd, 132,002; 11. Martin, 129,334; 12. Bailey, 81,267; 13. Cochran, 71,565; 14. Yoakum, 61,902; 15. Scurry, 60,493; 16. Garza, 31,928; 17. Castro, 30,058; 18. Swisher, 29,717; 19. Parmer, 24,675; 20. Dickens, 17,715.

All-Sports Banquet This Saturday

The Tahoka High School All-Sports Banquet will be held Saturday, April 6, in the school cafeteria at 7 p.m.

The invocation will be given by Georgia Thomas. Master of Ceremonies will be Clint Walker. Jim Carlen, Texas Tech football coach, will be the featured speaker. The benediction will be given by Walt Hagood. Tickets may be purchased from the following businesses; Parker Pharmacy, Tahoka Drug, Piggly Wiggly No. 2 and Farmer's Co-op Assn. No. 1.

Babe Ruth To Sign Up Tonight

All boys interested in playing Babe Ruth baseball are asked to sign-up Thursday, April 4, (tonight), at 8 p.m. in the Tahoka Community Center.

There will be teams for boys from the ages of 13-15 and 15-18.

Lions Broom Sale Saturday

The Tahoka Lions Club will conduct an all-out drive on April 6, 1974, to sell quality blind-made products to residents and local businesses, according to an announcement made today by Project Chairman, Wendall Patterson. The articles are all manufactured by blind workers in the

Lighthouse for the Blind which are located throughout the state of Texas. The Lions Club's earnings from this sale will be used to buy Eye Glasses for Needy Children and other worthwhile Lion's projects.

The entire membership of the Lions Club has been organized to supply friends and neighbors with this quality merchandise delivered right to their homes. Every household can use some type of household cleaning aid and every item sold helps some blind person to help himself.

Sale Headquarters will be on the Tahoka Square in front of Parker Pharmacy. Please feel welcome to stop by and shop where you can look over all the available merchandise.

Sales of blind-made products held by the Tahoka Lions Club in previous years have been most successful and Lion Wendall Patterson expressed his confidence in another successful sale this year.

Items available at the Broom Sale are as follows: Flora Dora Broom, \$2.75; House Broom,

\$2.35; Warehouse Broom, \$3.00; Whisk Broom, \$1.00; Toy Brooms, \$1.00; Poly Sweep, \$1.75; Poly Sweep Refill, \$1.25; Floor Brush 18", \$7.75; Floor Brush 24", \$9.00; Garage Brush 14", \$5.75; Garage Brush 18", \$7.00; Garage Brush 24", \$9.00; Plastic Floor Brush 18", \$6.00; Plastic Floor Brush 24", \$7.25; Bowl Brush, \$1.15; Gong Brush, \$1.25; House Mop 10 oz., \$1.60; Warehouse Mop 24 oz., \$2.85; Cotton Mop Head 24 oz., \$2.00; Toy Mop, \$1.00; Household Dust

School Observe Easter Vacation

The Tahoka Schools will dismiss Friday, April 5, at 3:05 p.m., for Easter vacation. Classes will resume Monday, April 15, at regular time.

The school calendar has been adjusted to include Monday, May 27, as a day of classes for all students with the exception of graduating seniors who will conclude classes on Wednesday, May 22. Graduation exercises will be Friday, May 24.

The professional staff will observe a work day Tuesday, May 28, rather than Saturday, May 25, as had been previously planned.

Scout Paper Drive Continues

The Boy Scout paper drive is continuing. Townspeople are asked to keep saving them until the Scouts can have a pickup day.

If you need to dispose of your papers now, please tie them in bundles and leave them at the west door of the scout hut. If that is not possible, then call 8-4452, and arrangements will be made to pick them up.

Approximately 2000 lbs. of paper has been collected so far. Scouts are hoping to collect at least 10,000 lbs. before turning them in.

Easter Seal Appeal

A further request for support of the Easter Seal Society for Crippled Children and Adults and its program of services to the handicapped was issued today by W.H. Eudy, who is Easter Seal Representative in Lynn County.

The Easter Seal Society provided treatment and services for 20,570 physically handicapped

children and adults in Texas last year, Eudy said, and this program needs to be expanded. Many people are going without services that would increase the productivity of their lives and make them happier. With the increased growth of the Easter Seal Society, more and more of these people will be reached, he added.

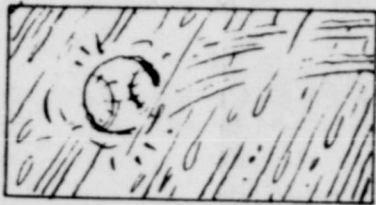

The Society is carrying out a continuing program to seek out the disabled who are doing without services and see that they receive the help they need. As Easter Seal Representative, Eudy

Lynn County News

is the person to contact for services from the Easter Seal Society.

The Easter Seal Society of Texas helps support 18 treatment facilities in Texas where crippled children and adults who are not eligible for help from any other source are treated, regardless of their ability to pay. Physical, occupational and speech therapy are offered to help the handicapped overcome their disabilities. A complete referral program to ensure equal rehabilitation services to every person in Texas is included in Easter Seal Society services.

The Easter Seal Appeal continues through Easter Sunday, April 14, and full support should be given the Easter Seal Society by every citizen, he added.

Congratulations to DeAnn Johnston and Kent Stone, Citizens of the Month for March. They were presented the awards during the period last Wednesday. DeAnn is a seventh grader and Kent is an eighth grade student.

Junior Play skits were presented to the schools Friday, and everyone had a good time watching them.

The Student Council can't seem to decide which they would prefer, a teacher talent show or an activity day. It is a difficult

decision and we would appreciate some suggestions from the student body.

One more day until Easter celebration!!

A SHORT REPORT

By REPRESENTATIVE E. L. SHORT

Very little Convention proceedings are getting public attention at this time. Most amendments to the Articles have the appearance of special interest, many of these amendments I believe should be legislative matters and are not of a Constitutional nature--For example, the pledging of funds should not be in the Constitution and also, the Legislature should not be restricted on Constitutional protected subjects and items for taxation -- Commissions and boards should not be in the Constitution, such as setting up a Utilities Commission--These and many more are of a special interest nature and in my opinion are legislative matters. I would like to see our Constitution as concise and brief as possible, with the safeguards and rights of the people as a whole protected.

mary ballot as a referendum-- this would have no effect whatsoever on granting permission for open gambling in Texas. I have opposed gambling and gaming at every opportunity, even bingo in churches which is permitted as of the last Session by an act of the Legislature-- I believe it is wrong for the religious groups to ask for this kind of legislature because it opens a door and is promoted by not only the religious groups but also out of state gambling syndicates."

ARTICLE IV--Rights and Suffrage--passed by the Convention last week--will permit felons who have served their sentence to vote.

The Convention this week is debating the Executive Article--one portion passed permits a governor two 4-year terms only.

Senator Blanchard contacted Governor Briscoe while the Governor was in Washington after it was determined that the storage and facilities for LP Gas in our area was full and that the Federal Government needed to reallocate the allotment. "It is really absurd that our people need extra fuel and it is available in enormous amounts but has been held back because of the poor administrative policies in Washington on allocations."

General Provision Committee voted 12 to 8 to put right-to work in the new Constitution--Also they voted 15 to 4 not to recommend that the provision be placed on the ballot as a separate issue.

The Convention recessed on Wednesday in memory of Representative Hawkins Menefee who was killed in a car accident returning to Houston to make an appearance in his district in Houston.

"Many concerned citizens have been contacting me about gambling and pari-mutual betting being discussed as a Constitutional provision--the Committee on this matter is not going to recommend to the Convention

that these restrictions be taken out of the Constitution--I do not foresee the Convention passing any amendment that will permit any form of gambling--I think the issue is misunderstood because the democratic and republican parties have been considering putting this issue on their pri-

Dance Festival

The Lubbock Area Square and Round Dance Federation presents the 15th annual festival April 5th and 6th at the Fair Park Coliseum in Lubbock. Ken Bower of Hemet, California and Jerry Haag from Cheyenne, Wyoming will call the square dancing. Manning and Nita Smith from College Station, Texas will direct the round dancing.

Between 1200 and 1500 from Texas, New Mexico, Oklahoma and neighboring states are expected to attend.

The festival will begin with request round dancing at 7:30 p.m. Friday. The Grand March will begin at 8 p.m. Garey Smith, a Lubbock square dance caller will serve as Master of Ceremonies. Saturday's program includes an intermediate level round dance workshop at 10 a.m., a round dance workshop at 1 p.m., square dance workshop at 3 p.m. The climax of the festival is the evening program Saturday. Request rounds begin at 7:15 p.m. and Joe Greer, a Lubbock area caller will conduct the Grand March at 8 p.m. The Yellow Rockers, a square dance exhibition group will assist with the Grand March on both Friday and Saturday nights.

The Lubbock Area Square and Round Dance Federation is composed of 25 square and round dance clubs in West Texas and Eastern New Mexico.

Square and round dancing is family fun and good wholesome exercise. Dancers of all ages participate. Each club is unique, but all are organized for the dancing enjoyment of the members. There are clubs especially for pre-teens, teens, couples, single adults, advanced dancers, families, and one club was organized to give new callers experience. The clubs usually meet twice per month and members from other clubs are always welcomed guests.

Our motto is: "Square dancing is friendship set to music."

Harvick is a 71 graduate of Tanoka High School, has received an Associates of Arts degree from Western Texas College and is presently attending Sul Ross State University where he is classified as a Junior.

The couple plan to exchange nuptial vows June 14 in Sweet Street Baptist Church in Tahoka.

June Art Show Scheduled

Plans for a county-wide art show were announced this week by Lynn County Art Association President Ed Redwine.

Entries will be accepted in many different medias from area artists. Divisions will be announced at a later date.

A well-known area artist will judge the show.

Tentative dates for the two-day event will be June 8th and 9th in the Community Center.

Association members have been highly encouraged by last fall's successful Arts and Crafts Fair. The 1974 Fair date has been set for November 2nd and 3rd.

The next regular meeting of the Association will be April 23 in the Community Room of the First National Bank. A membership drive is in progress and if you like art, draw, paint, or sculpt, or work with crafts, you are invited to attend this meeting.

Plains Cotton Growers, Inc., speaking on behalf of 23,000 High Plains cotton producers, is urging President Richard Nixon to repeat his 1973 veto of the "ill conceived" minimum wage legislation reported out of the Senate-House Conference Committee this week and subsequently passed, in rapid succession, by both Houses of Congress.

"All efforts in the two Houses to prevent passage of or to meaningfully amend this legislation failed by wide margins," notes Donald A. Johnson, PCG Executive Vice President, "and the President is the last chance for avoiding rapidly increasing agricultural wage rates and a serious eroding of seasonal overtime exemptions for agricultural processing industries."

Under this new legislation, workers who were covered by the minimum before 1966 will have a wage floor of \$2.00 per hour beginning May 1 this year and increase to \$2.30 by January 1, 1976.

Workers brought under coverage for the first time in 1966 and those newly covered under the present legislation will draw \$1.90 by May 1 this year, increase to \$2.00 on January 1, 1975 and escalate each year to \$2.30 by January of 1977.

The minimum for farm workers now drawing \$1.30 will increase to \$1.60 on May 1, 1974 and increase in 20-cent increments each year to \$2.30 on January 1, 1978.

In addition to the increases in wage rates, there will be an almost complete erosion, by the end of 1976, of all overtime exemptions so vital to agricultural operation.

For example overtime exemptions for cottonseed oil mills will be completely phased out in four steps, ending December 31, 1976. Compress and warehouse exemptions will be in effect 14 weeks per year during which workers can work a maximum of 48 hours per week, 10 hours per day. Ginners in 1974 will have a six

Lynn County News

week period during which they can offer employment of 72 hours per week without paying overtime, a four week period with up to 64 hours exempt, two weeks of a 54-hour exemption and a 48-hour exemption for the remainder of the year. For 1975 the corresponding figures will be six weeks and 66 hours, four weeks and 60 hours, two weeks and 50 hours, and an additional two weeks with 48 hours, two weeks with 44 hours, and no exemption at all for the balance of the year.

Another important provision of the bill will allow the employment of students at 85 percent of the establishment minimum provided they work no more than 20 hours per week. No more than 10 percent of the work force of an establishment can be made up of students at the 85-percent wage rate unless it has a previously established practice of student employment as a higher percentage of the total.

If this bill is not vetoed, Johnson concluded, "Badly needed agricultural production will be hampered by an addition to already sky-high production costs and another crucial battle will have been lost in the war against inflation. But judging from the rapidity of action by both House and the overwhelming majority vote favoring the bill, chances for a Presidential veto seem rather remote at this time."

BILL GRIFFIN SAYS

Warmer weather means the appearance of the mosquito and its threat as a disease carrier, especially as far as horse sleeping sickness is concerned. So, all horse owners should take steps now to protect their animals.

All horses, mules, asses and ponies should be vaccinated for the three types of equine encephalomyelitis (horse sleeping sickness)--Eastern, Western and Venezuelan. The Venezuelan strain (VEE) caused the deaths of thousands of horses in Texas and Mexico when it first appeared in 1971.

A combined vaccine is available for the Eastern and Western strains of the disease and annual booster shots should be given after the initial vaccination. A separate vaccine must be administered to protect animals from VEE. The vaccine provides protection for about 18 months. Colts vaccinated last year while under six months of age should be revaccinated,

points out Griffin. Vaccines are available to veterinarians and should be administered only by them. The Texas Animal Health Commission requires that all horses moving to shows or out-of-state be vaccinated for VEE.

Symptoms of the three diseases include depression, loss of appetite and drowsiness. Animals may frequently grind their teeth and stagger when moving. They may also lunge uncontrollably and assume a "sawhorse" stance.

Although there have been horse deaths from VEE in the past two years in the U.S., a number of animals were lost last year to the Eastern and Western strains of the disease in 25 states.

So, plan to vaccinate your horses as soon as possible to give them the protection they need, advises Griffin.

Cotton In West, Sorghum In East ... Turkey Income New High ... Texas Farm Worker Numbers ... Cattle Placements Nosedive.

Most major crops in Texas will see an increase in acres this year. Only oats, soybeans, and peanut acreages are expected to be under 1973 levels, the Texas Crop and Reporting Service notes.

Cotton acres in Texas will be up 500,000 acres this year from last year. Grain sorghum acres in the state will be up 1,000,000 acres this year. Wheat acreage is up 1,000,000 acres this year compared to 1973.

Some interesting figures are revealed in the location of extra cotton and grain sorghum acres. Of the 500,000 acre cotton increase in Texas this year, only 100,000 acres will be planted in the eastern part of the state. The remainder--400,000 acres--will be planted in the western half including the High Plains.

Grain sorghum acres this year will decrease in the eastern part of the state from last year. In 1973, a total of 1,000,000 acres of sorghum was planted in the western part of the state. This year, there will be 212,000 fewer acres of sorghum in that part of Texas.

For the eastern part of the state--from the High Plains east--sorghum acres are expected to total 1,000,000. This is an increase of 322,000 acres from the 678,000 plantings in the eastern section of Texas.

Wheat acres will be up 1,000,000 from 1973 throughout the state, yet the crop will be about half that of 1973 because of the drought in west Texas and the Amarillo region. All sections of Texas report increases in wheat acres compared to 1973.

Soybean acreage in Texas is down 50,000 acres from 1973; oat acreage is down 200,000 acres from 1973; peanut acreage this year will be 5,000 acres fewer than 1973.

TURKEY income in Texas for 1973 grossed a record \$100,000,000. Texas now ranks fifth in the number of turkeys raised and is in fourth place in gross income. Production in 1973 totaled 8,900,000 birds; this is 13 per cent higher than last year. The average price of turkeys was 39.7 cents per pound; the total gross and price is about double a year earlier.

PLACEMENTS in feedlots in Texas and the major feedlots are down sharply. In Texas, placements are 23 per cent below February and 49 per cent below the previous year. Nationwide, placements in seven major feeding states--Texas, Arizona, California, Colorado, Iowa, Kansas, and Missouri--are down 48 per cent from the same month and 20 per cent below a year ago.

Texas continues to be the number one cattle feeding state in the nation with 2,318,000 head of cattle and calves on feed for slaughter as of March 1. This is one per cent below a month ago, but is six per cent above a year ago.

TOTAL number of farm workers has declined from an annual average of 423,000 in 1960 to an average of 264,000 in 1973. This is a reduction of 38 per cent.

During the same period (1960 to 1973), family labor declined from 258,000 to 184,000; this is a reduction of 29 per cent.

Hired labor has dropped from 165,000 in 1960 to 80,000 in 1973, a decline of 52 per cent.

A decrease of 15 per cent in the number of Texas farms is also noted during the period 1960 to 1973.

The number of Texas farms now totals 209,000. While the number of farms was decreasing, the size of the average farm continues to rise.

In 1960 the average size farm in Texas was 619 acres. In 1974, the average size is 678 acres, an increase of 10 per cent.

Rotary Club Elects Officers

Officers for the new Rotary year beginning next July 1 were elected at last Thursday's club meeting.

Dr. David Midkiff, current vice-president, will succeed John Wells as club president; and Dayton Parker was elected the new vice-president.

Robert Abbe was re-elected club secretary, and George McCracken, serving out the unexpired term of J.P. Hewlett as treasurer, was elected to a full term in this office.

New directors elected are Billy Davis and Cap Wharton. Hold-over directors will be David Spraberry, Clifton Clark, and Johnny Wells.

Rush Wells of the Estate and Gift Tax Division of the Internal Revenue Service brought an interesting and informative talk on this subject.

He explained recent changes in the estate and gift tax laws and advised people who have estates worth more than \$60,000 to seek expert advice on planning disposal of the same at death or before.

Difficult sections of the law, he said, involve transfer of property in expectation of death within three years before death, and giving away property with expectation of continuing to re-

ceive income from the same until death.

Dr. Emil Prohl was in charge of the program and introduced the speaker.

SHERRY NELL EDWARDS
... ENGAGED

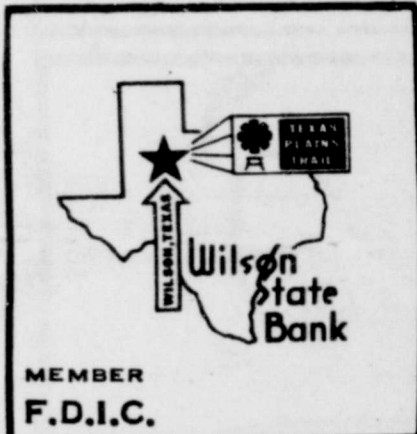

Edwards-Nesbitt Engagement

Mr. and Mrs. E.A. Edwards of Wilson announce the engagement and approaching marriage of their daughter, Sherry Nell, to

Clay Wilfred Nesbitt, son of Mr. and Mrs. W.B. Nesbitt of Slaton.

The bride-elect is a 1972 graduate of Wilson High School and is employed at Edwards Insurance Agency in Slaton. The prospective bridegroom is a 1970 graduate of Slaton High School and a December, 1973, graduate of Texas A&M University. He is now employed in the accounting department of Allstate Insurance Co. in Dallas.

The couple plan to be married May 25 in St. Joseph's Catholic Church in Slaton.

LCC Provost Speaks County Teachers

Speaking to the Lynn County Local Unit of TSTA at Tahoka, Monday night, March 18, Dr. Bruce Evans, provost of Lubbock Christian College, charged the teachers with the responsibility of establishing through their students a heritage for the future of America.

Dr. Evans urged the teachers to share Americanism by developing in their students the ability to make reasoned, principled judgments and have an awareness of self as they relate to the American heritage.

He further emphasized that Americanism applied by thinking only in terms of we, not they, will create a full appreciation of the freedom of discovery.

A St. Patrick's motif was carried out in the decorations for the dinner meeting, at which school board members and their wives were special guests.

Mrs. Peggy Atwell, president-

elect, introduced the speaker and a girls chorus from New Home, who sang popular songs. Dinner music consisted of piano selections by Gary White, a Tahoka High School student.

During the business meeting, Mrs. Jane Graham reported on the recent State TSTA Convention to which she and Mrs. Atwell were delegates.

Mrs. Joyce Davies, secretary, presented Certificates of Appreciation from the State TSTA to Lynn C. Denton, Unit president, and to Mrs. Nola Bolch, immediate past president. Mr. Denton also received the president's tie tack in recognition of his year's service.

New officers elected include Mrs. Peggy Atwell, president; Mrs. Jane Graham, president-elect; Lynn C. Denton, vice-president; Mrs. Geraldine Wood, secretary; and Mrs. Lota Schooler, treasurer.

Unfred Represents Land Bank

Mr. Joe D. Unfred of Route 4, Tahoka, Texas has just returned from Houston where he represented the Federal Land Bank Association of Tahoka at the annual Stockholders' Meeting of the Federal Land Bank of Houston. The meeting held at the Houston Oaks Hotel, was attended by members of the 66 Federal Land Bank Associations located in Texas. There were about 500 persons in attendance at this meeting.

Stockholders and guests heard President George W. Cunningham present his annual report to the stockholders in which he reported that in 1973, the 254 million dollars in loans closed was the most credit ever extended to Texas farmers and ranchers in a single year in the Bank's 57-year history. Also, those attending heard addresses by Governor Dolph Briscoe and James A. Byrd, Economist, First International Bancshares, Inc. of Dallas, Texas.

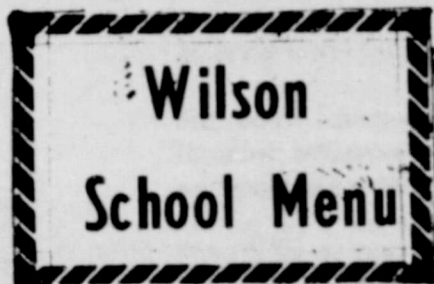

The Federal Land Bank of Houston makes long-term loans on farm and ranch property throughout Texas and is currently servicing over 35,000 loans for more than 867 million dollars.

The Federal Land Bank Association of Tahoka makes and services loans in this area. Members of the Board of Directors are Fred McGinty, Joe D. Unfred, Avery Moore, Jr., L.A. Forsythe, and J.D. McCampbell. Others attending the meeting from this area were Mrs. Joe D. Unfred, Mr. and Mrs. JayDee House and Mr. Fred McGinty.

E.J. Tanner had major surgery in Lynn County Hospital and was seriously ill for several days. He is reported to be improving very nicely.

BIG GASSER — This deep drilling rig has recently completed a 20,000 foot well west of Monahans for Skelly Oil Co. The well, the No. University 9-18, was completed for an open flow of 960 million cubic feet of gas per day from the Fusselman, and 11.5 million cubic feet per day from Ellenburger.

Skelly Finals Biggest Well

MONAHANS — The largest gas well ever operated by Skelly Oil Co. has been dually completed in the South War-Wink Field of Ward County.

As operator for itself and others, Skelly said the calculated absolute open flow potential of the No. 1 University 9-18 well is 960 million cubic feet of gas per day from the Fusselman (Silurian)

formation and 11.5 million cubic feet of gas per day from the Ellenburger (Ordovician) zone.

The well is in Section 9, Block 18, University Lands Survey, on a 3,840-acre unit 23 miles west of Monahans. Skelly holds a 20.8 per cent working interest in the unit. Other participants are Cities Service Oil Co., Gulf Oil Corp., Allied Chemical Co., Lone Star Producing Co., and

David Faskin. In addition to its interest in this unit, Skelly holds a 50 per cent interest in two adjacent sections.

The No. 1 University 9-18 is one mile north of the group's No. 1 University 10-18, which was their first dual Ellenburger and Fusselman completion in the field. Its calculated potential was 425 million cubic feet of gas per day from the Fusselman and 6.8 million cubic feet per day from the Ellenburger. Two other wells have been completed in the field, by HNG Oil Co.

The No. 1 University 9-18 was drilled to a total depth of 20,831 feet and plugged back to 20,691 feet in a 5-inch liner set at 20,828 feet.

The Fusselman was treated with 10,000 gallons of acid through perforations at 17,320 to 17,648 feet; shut-in tubing pressure was 6,136 pounds. The Ellenburger was acidized with 46,090 gallons through perforations at 19,658 to 20,532 feet; shut-in tubing pressure was 6,900 pounds.

Skelly and associates are drilling two other Fusselman and Ellenburger wells in the field at No. 1 University 11-18 and No. 1 University 7-18.

In addition, the group has an apparent gas-condensate discovery in the field's shallower Wolfcamp (Permian) formation at their No. 2 University 10-18. It is now shut in, awaiting potential tests. Additional drilling to develop this reservoir is planned, Skelly said.

Proposals To Build Post Office At Wilson

C.B. Bolar, manager, Oklahoma City Postal District said a new Post Office is slated for Wilson, Texas.

Mr. Bolar said under the "open bidding plan" used by the Postal Service for this type construction, prospective bidders are invited to offer a site location in or adjacent to the business area. In their bidding package bidders may offer existing space, space to be modified or facilities to be constructed.

"In other words, the bidder must offer a site and a building as his total package," Mr. Bolar said.

Bids are to be opened on April 17, 1974. The bidding official is Richard L. Heiligman, real estate specialist, Oklahoma City Postal District, Suite 17, 4545 Lincoln Blvd., Oklahoma City, Oklahoma 73105.

The Post Office is to be leased for a basic period of ten years, with options on 20 additional years.

Bidding packages may be obtained by sending \$5.00 to Richard L. Heiligman, real estate specialist, Suite 17, 4545 Lincoln Blvd., Oklahoma City, Oklahoma 73105.

Nursing Home News

New month is beginning and continues to be so dry, sand blowing constantly and extra hot days. I guess we will have some air conditioning before our air conditioning is over pretty soon if these hot days continue.

The Assembly of God Church Bro. Wesley Dabney as pastor, was here for our service on the 31st of March. He read Isaiah 55 and John, chapter verse 23, teaching us that there is a living God and if we have faith, God will heal our ailments and our soul. We all know God is real and is always ready to help us. We also had Mary Ann Stark back with her beautiful piano playing and beautiful singing. She said she was having a hookie for 15 minutes from her job at the Lynn County Hospital. She promised to come any chance she had and play for us all. Mary Ann, we just don't know how much we enjoy having you come and play for us. Boy, she can really tickle those Ivory keys. Mrs. Price and Mrs. Taylor were here Thursday in Lubbock at a meeting of Nurses and Administrators which was held at the hospital.

Our new patient is Mrs. Dora Standley who had been ill at the Lynn County Hospital. She and her husband hope she improves quickly so that she can go home soon. Dr. Wright was in the home Sunday checking some of his patients. Corine Izard's visitors over the weekend were Charles (bug) and Barbara Pennington. Charles is retiring from the Army after 24 years of service. They are moving to Sacramento, Calif. It was an enjoyable visit, but par-

ting was hard on Corine as her family members are so far from her, but she can always rely on her friends to look in on her.

Troy Wampler, our (Mr. Fix It) was here today working on the ice machine and washer. When our ice machine goes out, we sure do miss it as we love our ice, especially on these hot days.

Our visitors are so faithful to come. Oh, how we enjoy our visitors.

Mrs. Corbin spent a couple of days with her daughter, Mrs. Herman Messer. They enjoyed looking at the odds and ends from Mrs. Corbin's old home and really enjoyed getting out in the fields and just roaming around and looking at things on the home place.

Nannie Littrell has been off from work due to illness in her family. We hope everyone will be well soon.

Singing will be wonderful and we are so looking forward to our Monday evening singing with Mrs. Hammonds and her faithful friends.

T-Bar Bridge Winners

Winners in the quarterly club tournament game Tuesday of last week at T-Bar duplicate bridge were: Miss Echo Milliken and Frank Hill, first; Mrs. N.B. Hancock and Mrs. Winston Wharton, second; Mrs. Wilmer Smith and Mrs. Audie Norman, third; and Mrs. Oscar Roberts and Mrs. Clint Walker, fourth.

OMAR BURLESON

Omar Burleson Seeks Re-election

Congressman Omar Burleson has formally announced his candidacy for re-election to Congress, subject to the Democratic Primary on May 4, 1974 and the General Election in November. The 17th Congressional District, which he represents, is composed of 33 counties, covering approximately 30,000 square miles. Within this area live about 466,500 people.

Burleson says, "During my tenure of office I have followed two guiding principles: First, to know the views of my constituents and reflect their sentiments to the greatest degree possible in my actions in the Halls of Congress. Second, to inform and advise as closely as I can on those issues which affect our District, our State and our Nation."

Burleson termed his approach to Government as one of "common sense", gained through the years of public service. "I have tried to see that the people's tax money is spent as wisely and as judiciously as you would have spent it had you been in my place," he said.

"The record will show that a greater part of the time I have found myself in the minority in opposing the vast spending programs of doubtful value which have been put into effect in recent years. In every Session of the Congress the record will show my votes for expenditures below that recommended by the Executive Department and far less than actually appropriated by the Congress, except in the field of National Defense," Burleson said. He continued, "Without meaning to appear boastful, if the Congress had followed those of us who have voted consistently over the years for fiscal responsibility, our financial affairs would not be in the shape they are today."

"In areas providing for the defense of our Country, I have always supported those things to make and keep our Nation stronger than any other in the world," he said.

"I have been discerning in separating those activities which the Federal Government was not designed to do, from those which are truly its responsibility," he said.

Burleson stated that activities of State and local governments, in accordance with the Constitution, should not be infringed and encroached upon by the Federal Government.

"The Federal Government does have specific missions," he said. He gave as examples the conservation of our natural resources, the defense of the Country and its general welfare.

"At the same time," he said, "the Federal Government can not and should not try to take care of everything from Washington. The Federal Government has grown to colossal proportions and centralized power in Washington

has increased," Burleson pointed out. "To this, I am opposed and my record is clear in this respect."

Burleson is among the senior members of the U.S. House of Representatives in point of service. He was elected to the 80th Congress from the 17th District and has been re-elected to each succeeding Congress. He is a member of the Ways and Means Committee, considered to be the most powerful and prestigious in the Congress.

Burleson is a former County Attorney and County Judge of Jones County. He was appointed an FBI Agent, and served in a number of assignments over the U.S. He resigned from the FBI to join the Navy in World War II, and saw duty in both the Atlantic and the Pacific.

Burleson ended his formal announcement by saying, "Although not having opposition in this year's election, it is my hope to visit my constituency as opportunity affords. The Congress being in session at this time and expected to be long after the Primary Election, there will be little time to leave duties in Washington. I expect, however, to get back home at short intervals to do the best I can in seeing my friends and to make new ones. I believe it is incumbent upon a Congressman to know people and that they know him, to have the best representation. This is fundamental in our system."

to announce once again that Soplex-Hiplex time is here. The regional stamp show has been scheduled for Friday, Saturday and Sunday, April 5, 6, and 7 at the Municipal Garden and Arts Center in Lubbock, Texas. Over one-hundred frames of beautiful and interesting stamps from all over the world will be on display for viewing by the public. Over

twenty-five beautiful trophies will be on display at the show until they are given to the lucky winners Saturday night at the Awards

Banquet to be held at the Gridiron Restaurant in Lubbock. In addition to the stamps that will be on display, there will also be a literature competition to award prizes to those who have excelled in the field of philatelic writing. The United States Postal Service will have a Postal Substation at the show all three days. In conjunction with the Postal Service, a special Cacheted Souvenir Cover and special show cancellation will be available for outgoing mail. Ten dealers will

be present for stamp collectors wishing to purchase those hard-to-get items they've been looking for. All in all, it totals up to be a lot of fun for stamp collectors and an interesting and enjoyable experience for all who attend. There's no admission so come on out and see us at the

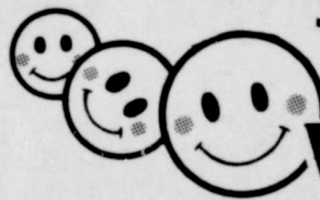

Municipal Garden and Arts Center at 42nd and University in Lubbock. Show hours are Friday 1:00 p.m. till 10:00 p.m., Saturday 10:00 a.m. till 10:00 p.m., and Sunday 10:00 a.m. till 5:00 p.m. So gather up all of your friends and come to see us at Soplex-Hiplex '74.

Carolyn Haley Says...

There is no hiding from it. There is an upward swing in everybody's cost of living. How do you cope with this inflation? Have you looked closely at how to stand financially with the economic squeeze? Maybe you've saved a little money. But not enough to get into something big like real estate that would keep you atop the inflation wave. With the market suffering sinking spells, you're afraid of stocks. You've thought about savings accounts, but don't know which kind would be better - time deposits or ordinary savings deposits. Is there a way for savings to keep up with inflation? And what about insurance? Have you taken a close look at your family situation to determine if your insurance coverage is adequate in this inflationary period? What are the basic facts you need to know before you borrow or say "Charge it"? Is credit

good or bad? If you have wondered about any of these questions and would like more information, come to a meeting on "Coping with Inflation", Tuesday, April 9 at 7:45 p.m. in the Lyntegar Room, Tahoka. Practical information about how to help you come out better during inflation time will be given. Monte Dotson, Vice-President and Cashier, of the First National Bank, Tahoka, will speak on credit, savings and investments. Local insurance agent, Clint Walker will give timely tips on insurance. Come on out - it will be worth your time. Door prizes will be given. Everyone is invited. Use hot water to soak dishes coated with greasy or sugary foods and cold water for flour, cooked cereal, eggs, or milk. When exposed to air, meat turns red. As the natural

pigment in the meat combines with oxygen in air, it produces a red color or "bloom". Since the interior of meat is protected from air, it doesn't turn red.

RECIPE OF THE WEEK
Almond Brittle Bars
 1 cup butter or regular margarine
 2 teaspoons instant coffee powder
 1 teaspoon salt
 3/4 teaspoon almond extract
 1 cup sugar
 2 cups sifted flour
 1 (6 oz.) pkg. semisweet chocolate pieces
 1/2 cup finely chopped almonds
 Beat together butter, coffee powder, salt and almond extract. Gradually beat in sugar; beat until light and fluffy. Stir in flour and chocolate pieces. Press batter into ungreased 15 1/2 x 10 1/2 x 1 inch jelly roll pan. Sprinkle almonds over top. Bake in moderate oven (375 degrees) 23 to 25 minutes, or until golden brown. Set pan on rack; cut in 2 1/2 x 1 1/2 inch bars while warm. When cool, remove from pan. Makes 40.
 NOTE: If you want to break the cookies in irregular pieces, cook baked cookie dough in pan on rack, then break it in pieces with your fingers.

Message For Husbands

I hope this message gets to husbands--the kind that don't talk to their wives much. Because my husband never talked to me about what to do in case he should die before me, I had to learn the hard way. Husbands, at least leave a letter of instruction for your wife if you haven't done it already. Money, property, or benefits may be lost because there is no record available to make a proper claim for recovery. I never knew, until my husband died, that a birth certificate is necessary to file for benefits and funds from various sources. And because my husband didn't tell me where he kept his important papers, I couldn't find the birth certificate. So make a list of all your valuable papers--will, deeds, car titles, insurance policies, stock certificates, loan papers, etc., and show where each can be found, including the key to your safety deposit box. If you haven't made a will, go to a lawyer without delay. In fact, if your estate totals more than \$100,000 ask your lawyer whether you should consider setting up a trust to reduce inheritance taxes. Then write down the name and addresses of your lawyer, your income tax man and any other financial consultants you have used, and the name or names of your insurance companies (life, car, home, etc.) and the policy numbers.

Your wife will need your come tax returns, cancelled checks and other important papers to settle legal affairs. If you have handguns and your wife has no permit, be sure to tell her what to do. In state there are special gun laws and regulations she should know about. She has only 15 days to dispose of handguns after your death. After that they can be confiscated. My lawyer had to get a court order to keep the shells from destroying the guns. I hope you'll make an inventory of what you have and its probable value. Everyone should have a record book of when and how things are bought and how they cost. If they have to be sold, it will be much easier to figure their value. Your wife should have an account of her own that she can use to pay the bills that will come up before your legal affairs are settled. And each of your children should have a savings account in case something happens to both you and your wife. Insurance and other funds take time to get. Please, husbands, instruct your wives (and children as soon as they are old enough) in things that should be taken care of after you're gone. Like my husband, you may be gone tomorrow even though you seem well today. Charlotte Osterc New York farm wife

NEW HOME NEWS

by FLORENCE DAVIES

Mr. and Mrs. Howard Madison and children of Carlsbad, New Mexico and Mr. and Mrs. Bobby Taylor and children, Lubbock, were here last weekend with the girls' parents, Mr. and Mrs. J.W. Edwards, and their sister, Mrs. Freddie Kleth and family, also Mrs. Madison's son, Jay Kent and family.

Doyle Morris of Lancaster, California, and Mr. and Mrs. Bernice Finch of Kingsville were here last week visiting in the home of Mr. and Mrs. Donnie Morris and family and attended the funeral of their nephew, James Witt in Lubbock.

Our grandson, Joe Loyd Freeman, visited with us briefly Saturday afternoon. Joe has been employed at Brannon's Funeral Home in Lamesa, is now with Sander's Funeral Home in Lubbock.

Mr. and Mrs. Robert Cole and Robbie, and Mr. and Mrs. Larrie Levick and Shelly of Brownfield spent Sunday here with Robert's family, the Leo Coles, and attended services in the New Home Baptist Church. Larry and Julie brought special music at both the morning and evening services. In the early evening service, James Cooper from Lubbock showed slides of the Philippine Crusade followed by a salad supper in the Fellowship Hall.

Mrs. C.M. Greer of Tahoka spent Friday night here with her daughter, Mrs. Claude Brown.

Mrs. Jack Rogers and Mrs. Sybil Ellis of Abernathy, Mrs. Eunice Dotson and Mrs. Hillary Smith of Lubbock visited friends and attended church at Lakeview Sunday.

Mrs. Bennie Morris returned home March 20 after a three month visit with her daughter, Mrs. Bernice Finch and family in Kingsville, and with her sister, Mrs. Allie Mae in San Antonio.

Her daughter and son-in-law, Mr. and Mrs. Red Curtis of Plains went to Houston for his check-up at the M.D. Anderson Hospital and returned via San Antonio to bring Mrs. Morris home.

Mr. and Mrs. Otis Webb of Sylvia, Kansas visited here last week with her sister, Mrs. J.T. Swinson and family. On Thursday evening Mr. and Mrs. Swinson entertained with a dinner in

their home. Other family members present were Mr. and Mrs. W.W. McNabb of Wolfforth, Mr. and Mrs. Al Barnett and boys, Lubbock and Mr. and Mrs. Norman Stamps and Tessa.

Mr. and Mrs. Claude Howard, who moved here to be with her father, Mr. R.R. Daugherty after the death of his wife, Bessie, two and one-half years ago, have moved back to Lamesa and after they get settled in their new mobile home, Norma will again resume her duties as a nurse in the Medical Arts Hospital. Mr. Howard, who has been ill is with his daughter, Mrs. Kleth Parker in Crosbyton, will undergo

a series of tests in Methodist Hospital this week. Mr. Daugherty died Thursday in Medical Arts Hospital, where he was taken by a Tahoka ambulance after he was injured in a wreck near his home Tuesday. Mr. Daugherty's sister, Mrs. Margerite Lee of Lubbock was here several days.

Sunday, April 7th, "Buckner's Day" will be observed in the New Home Baptist Church. The entire staff and all the children from the home in Lubbock will be in the morning service, and will stay for lunch. Ladies are asked to bring a salad and dessert.

John Hord of Wolfforth visited here with us Sunday afternoon.

Jim Dulin of Slaton, Texas Highway Patrolman for the past 7 years, has resigned from the Department of Public Safety to devote full time to farming in the Slaton Community. His resignation will be effective April 15. Jim, his wife, Gloria and the three children, will continue to live in Slaton.

Relatives and friends here last week for funeral services for Eddie Martinez were: Mr. Raymond Martinez, Jr., Mundelein, Illinois; Mr. and Mrs. Joe Adams, Encinal; Mr. Joaquin C. AROUND TOWN

BY LEONA WALDRIP

CALL 998-4496

Hello! It's so good to be back after a 3 week trip to Oklahoma. Happy to report that my aunt, Mrs. Ruth Koch, is improving after having major surgery in Ada, Oklahoma on March 18. Her 76 years was against her, but after 10 days in Intensive Care Unit she was able to be moved to her room on Wednesday last week. Marvelous progress has been made since. Another niece and grand-niece will be with her for 2 weeks and I will return later to help out again. Having only been here a few hours, I haven't much to report this week, so please call me for next week's news items.

Mrs. Irene Garrison reports that she has a new granddaughter in Duncanville, Texas. The little lady, who is six weeks old, became a part of the family by adoption last week. Her parents are Mr. and Mrs. Billy Wayne Garrison of Duncanville and she has been named Windy Gale. She has a big brother, Gary, who is 3 years old.

Mr. and Mrs. Charlie Lichey visited her brother, who is ill in Denver City on Sunday. She reports him improved.

Mrs. C.E. Boles took Mrs. Faye Thayer to Lubbock on Monday for her checkup with the doctor. She got a good report.

We are so sorry to hear of so much illness and so many deaths while gone. Our sympathy to the Jones family and McDonald family in the deaths of their fathers that we have just heard of today (Tuesday).

Sorry about the shortness of this, but hope it is understandable, for I was gone.

Mrs. M. E. Morris Died Last Week

Mrs. M.E. (Mattie) Morris, 85, of Slaton, a pioneer of Lynn County, died early Wednesday of last week at the home of a daughter in Richardson.

Funeral services were held Friday at 11 a.m. in the Methodist Church at Southland with the pastor, Rev. Charles Hastings, officiating. Burial was in Slaton Cemetery.

A resident of Lynn County since 1905, she was married to M.E. Morris in Tahoka in 1914. He passed away in 1966. She had been living in Slaton for several years, moving there from the Gordon community, and was a member of Southland Methodist Church.

Daughter of the late Mr. and

Mrs. J.V. Dyer of Tahoka, she once revealed that she learned to "hand spike" type on the Lynn County News when Mr. and Mrs. H.C. Crie were the publishers.

Survivors include two sons, Jimmy of Houston and Earl of West Berlin, Germany; three daughters, Mrs. Arden Maeker of Richardson, Mrs. J.L. Gary of Lubbock, and Mrs. Walter Lyman of Dallas; five sisters, Mrs. E.G. White of Lubbock, Mrs. J.P. Manley of Post, Mrs. W.T. Shephard of Houston, and Mrs. B.H. Sanders and Mrs. W.A. Gulnn, both of San Angelo; 11 grandchildren and 13 great-grandchildren.

Nephews served as pallbearers.

Paul McDonald Funeral Held

Paul McDonald, 78, of Tahoka died Monday, April 1, in Lynn County Hospital. Services were held at 4:30 p.m. Wednesday, April 3, in Sweet Street Baptist Church with Rev. Lee R. Jones, pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

McDonald was born Nov. 20, 1895 in Seymour. He came to Lynn County in 1901. He attended school in Tahoka. He was married to Ruth Luttrell Nov. 23, 1919 at Berry Flat.

McDonald was a veteran of World War I in the U.S. Army. He was a retired farmer and a member and deacon of Sweet Street Baptist Church.

Survivors include his wife, Ruth; 2 daughters, Mrs. Joe Beckham and Mrs. C.W. Burr; 1 sister, Mrs. Carl Verhines of Roswell, N.M.; 1 brother, Henry McDonald of Seagraves; 4 grandchildren and 6 great-grandchildren.

Pallbearers were Jacky Henry, Bill Verhines, Wayland Craig, Don Thomas, Dennis Thomas, Lyndell Wood, Jackie Verhines, Jack Miller.

Honorary pallbearers were H.L. Strickland, Eldon Gatis, Charlie Beckham, Ed Birdwell, Luke Wood, Bert Stice, W.T. Kidwell, also deacons of Sweet Street Baptist Church, Harvey Lee Duckett, Grady Herrin, Lonnie Isbell, Daniel Thomas, Dub Powers.

The family requests that all memorials be sent to the Heart Fund.

"Meet Jesus" Revival Theme

The First Baptist Church will start their spring revival on Easter Sunday, April 14, with a "Meet Jesus" theme. Dr. George Worrell, who is presently with the Evangelism Division of the Baptist General Convention of Texas will be preaching each morning at 10:30 and each evening at 7:30. Sunday services will be at the regular time.

Special emphasis during the week will include an assembly program at the high school on Monday, a junior age hot dog

supper for 4th, 5th and 6th graders at 6:15 p.m., a youth supper on Wednesday at 6:00 featuring Texas Tech Quarterback, Joe Barnes, who has now signed with a pro team. Saturday night is Good Neighbor night, where members will bring guests for an evening meal at 6:00 p.m.

The First Baptist Church is having a singer from the Greenhill Baptist Church in Snyder as guest soloist Sunday, April 7, 1974.

Phebe K Warner Club Wins Awards

Special awards were presented Friday night during the Caprock District of the Texas Federation of Women's Clubs convention banquet in KoKo Ian Convention Center.

Several Tahoka women, members of Phebe K. Warner Club, were recognized during the presentation.

Mrs. Maurice Huffaker, President of Phebe K. Warner Club, was named second place winner of President's Written Report. Mrs. Robert E. Abbe was second place winner in the Poet Laureate Contest in the Light or Humorous Verse Division. Mrs. Elmer Owens was named Outstanding Senior Clubwoman with membership under ten years. (See story found elsewhere).

During the Saturday luncheon a Fashions for Fun style show was held with clubwomen modeling garments they had made. Mrs. Jim Wells won first place in the junior division, wearing a navy

Immunization Clinic Friday

An immunization clinic will be held from 1 to 4 p.m. Friday, April 5, in the Tahoka Community Action Center, south of the Courthouse.

Also the Center needs clothing, especially children's clothes. If you have any clothing, take them to the Tahoka Community Action Center.

print dress she had designed and made. She will model it at the state convention in San Antonio in May in competition with winners from other districts.

Other awards presented to Phebe K. Warner Club during the convention included first place in Genealogy Division, second place in Technical Vocational Education and Special Education Needs, and second place in General Clubwoman Subscriptions.

Dr. Tells Of English Medicine

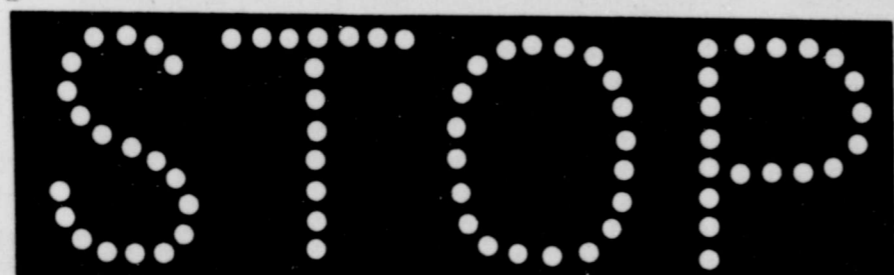

Dr. Richard F. Wright, in a talk at Tahoka Rotary Club last Thursday, told of medical care in Great Britain and the circumstances leading to socialized medicine in that country.

He said it evolved from idealistic motives by a "tired" country following World War II in an effort to give better medical care for the indigent. But, even with its many deficiencies, the people of that country probably have the best medical care in the world.

He could speak from authority, having engaged in private practice in both West and Central London before coming to Tahoka last year to become associated with Lynn County Hospital.

Dr. Emil Prohl was in charge of the program and introduced the speaker.

SANCAP. BECAUSE YOU HAVE ENOUGH SOIL PROBLEMS ALREADY.

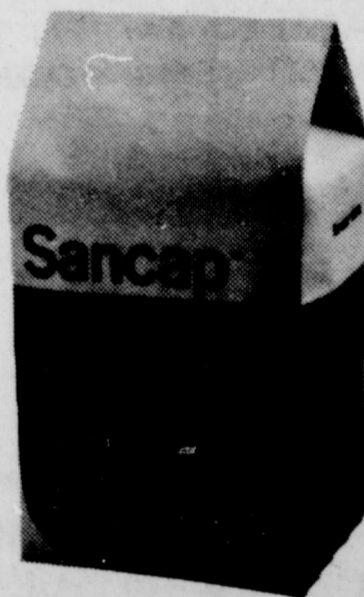

If the soil in West Texas was the same as the soil everywhere else maybe the herbicides they use would be good enough for you. But you've got different soil. Sandy soil. And different problems. You need an herbicide specifically made for sand, loamy sands and fine sandy loam soils. You need Sancap*.

If you used it when we introduced it last season, you know what it can do.
**STOP CARELESSWEED

Holy Week Services Set

Holy Week Services will be held at St. John Lutheran Church in Wilson. The Holy Week Services and Sermon themes are as follows:

- April 7 at 10:30 a.m.--Palm Sunday 'Christ's Entry into Jerusalem' Mark 11:1-11
- April 11 at 8:00 p.m.--Maundy Thursday 'Passover and the Lord's Supper' Mark 14:10-25
- April 12 at 8:30 p.m.--Good Friday Service of Darkness 'Crucifixion and Death of Jesus' Mark 15:15-37
- April 14 at 10:30 a.m.--Easter

Arabian physicians recommended balm for hypochondria. No one who followed their advice ever died of hypochondria.

Sunday 'The Glorious Resurrection of Jesus' Mark 16:1-8 (There will not be an Easter Sunrise Service, as was listed in the March 7 paper under Special Services at Wilson).

The public is invited to join us in our Holy Week Services, according to Pastor Louis Balderach, Pastor of St. John Lutheran Church in Wilson.

PCA To Hear Gov. Briscoe

Officers and directors of Lubbock Production Credit Association will hear Texas Governor Dolph Briscoe keynote the Federal Intermediate Credit Bank of Houston's annual meeting April 5 in San Antonio.

PCA President Alton Strickland of Lubbock said area participants include board members Cleve Littlepage, Tahoka; chairman; Dewey E. Wells, Jr., Ralls, vice chairman; A.B. Roberts, Littlefield; Keith Young, Seagraves; and T.A. Elmore, Tokio. Littlepage serves as Lubbock PCA's official delegate. Strickland and David S. Sooter, vice president, will accompany the group.

Briscoe highlights a Friday morning session which also features the Houston bank's annual report by its president, W.H. Calkins. More than 500 participants are expected for the three-day session which is designed to bring together 32 Production Credit Associations and 7 agricultural credit corporations.

Strickland said the Federal Intermediate Credit Bank of Houston, source of funds for these agricultural lending institutions, last year loaned more than \$1.6 billion to Texas farmers and ranchers through its credit sources.

It Looks Like Near-Record Onion Crop

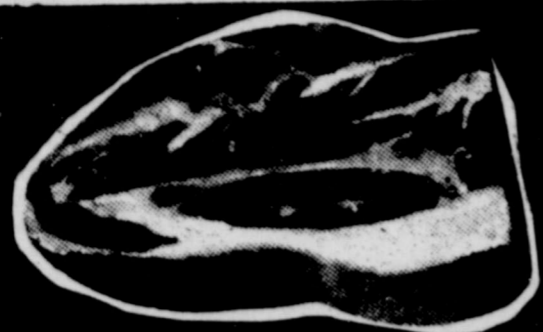

AUSTIN--Texas onion producers have nothing to cry about. They're producing 18 percent more onions this year than last, and their crop is expected to be the largest since 1967 and the third largest on record.

Agriculture Commissioner John C. White said spring onions are starting to come to market. He said acres for harvest in Texas is set at 21,000, an eight percent increase over a year ago. Yield per acre is estimated to be up also, nine percent above 1973.

A check on onion-producing areas around the state revealed that peak volume in the Lower Rio Grande Valley should occur in April. Crop quality appears excellent.

In the Coastal Bend area, harvest is expected to get underway in mid-April. At Laredo, the crop will be harvested beginning the first week in April.

Crop harvest should begin in the San Antonio-Winter Garden area in late April or early May.
