

# The Lynn County News

I WHOLLY DISAPPROVE OF WHAT YOU SAY, BUT WILL DEFEND TO THE DEATH YOUR RIGHT TO SAY IT ... VOLTAIRE

VOLUME 73 15c EACH ISSUE TAHOKA, LYNN COUNTY, TEXAS 79373 THURSDAY, SEPTEMBER 30, 1976 NUMBER 40

## The Spectator...

By Mary Brecheen

person interested in the education of children shared with me a provocative set of questions...

often do you visit your child's school to about his performance, progress, emotional...

you what professionals call "a bleeding person who is extra emotional on all...

you ever encouraged your child to use the library and have you set a good example in...

you follow the proper channel with a parent-to-the teacher first, principal next...

you can't answer positively to these questions, maybe you need to turn over a new...

reminded many times of a poem written by the great Scottish poet, Robert Burns, in the 18th...

title of that poem is (would you believe?) "The Louse" and the poet was inspired to write it...

the poet tried to concentrate on the worship of his attention was drawn to a tiny louse...

## City Anticipates Filing Application For HUD Grant

City of Tahoka is in process of making application for a Community Development Block Grant...

Lockwood, for the period of the city's involvement in the program.

Additional citizen participation concerning the application, revisions, changes or amendments may be provided...

The first public hearing, held on September 27th, was attended by some seventeen persons...

## Trustees Attend TASB Convention

Members of the Tahoka Independent School District Board of Education and Superintendent Edwin Roberson...

Board Chairman Othell Meeks, Jay Dee House, Joe Brooks, Bob Haney, Marlin Hawthorne, and Mrs. Mary Brecheen...

## County Crops Receive Extensive Hail Damage

BY FRANK HILL

Pea-sized hail which accompanied rain Monday night badly damaged many cotton crops over a wide area...

The hail, although small in most areas, beat off leaves, knocked off or damaged bolls, and stopped further development of plants.

Unusually cold September weather, the thermometer reaching a low of 46 degrees Tuesday morning in Tahoka...

Most of the county received from a quarter inch of rain up to an inch or more. Tahoka received .55 inch...

Some of those reporting hail damage, to illustrate the wide area covered, included Dave Hill, Eldon Carroll, and Rebel Thomas...

There was obviously a great deal more damage, but The News had sketchy reports up until noon Tuesday.

## County's First Bale Ginned At Grassland

H. B. McCORD, JR., president of Tahoka's Chamber of Commerce, presents a \$100 check to Adrain Cook for the first bale of cotton ginned in the county in 1976.

September 24 was the day for the ginning of the first bale of cotton in the county.

Adrain Cook, farm owner and operator, brought the cotton, gathered off approximately ten acres, to Grassland's Producers Co-op Gin on Friday...

The cotton was planted on April 15 from Ranger-55 seed.

## Second Bale Ginned At O'Donnell

Woolam Gin in O'Donnell ginned its first bale of 1976 cotton on Monday, September 27th.

The cotton was grown by Jerry Barton of New Moore and the bale weighed 660 pounds, from 2720 pounds of seed cotton.

## School Patrons Ask For Special Board Hearing

### Karen Meeks In Contest On Saturday

Karen Meeks, daughter of Mr. and Mrs. Othell Meeks of Tahoka, will be a contestant in the South Plains Maid of Cotton Contest on Saturday night, October 2nd.

### O'Donnell Homecoming Is Friday

The O'Donnell school will have its annual homecoming activities on October 1st and among the various activities will be a banquet in the school cafeteria at 6 p.m.

The 1951 graduating class will be honored at the celebration. All O'Donnell High School graduates, ex-students, and friends are invited to attend all the homecoming activities...

Further details may be obtained by calling Mr. Saleh at 872-7777 in Lamesa; Harold Hohn, 428-3708 in O'Donnell; or Elaine Pearson at 428-3307, also in O'Donnell.

During an unprecedented turn-out on Tuesday night of this week, Tahoka citizens expressed their concern and interest to school board members regarding various aspects of the school.

A recent outbreak of scabies and head lice was discussed and Superintendent Edwin Roberson informed the group of the school's responsibility and plan of action in this regard.

Other areas such as classroom discipline, traffic in the vicinity of the school, and a need for better communication between the school and home were discussed.

Approximately 150 individuals attended Tuesday night's meeting in the cafeteria. Board Chairman Othell Meeks presided and asked for spokesmen from the citizens' group and from other board members.

## All Systems Are 'Go' For October 8-9 Fun Twenty-Four Lassies Vie For Queen Title

Twelve girls from Tahoka, eight from New Home, and four from Wilson are contestants in the Lynn County Harvest Festival Queen Contest to be held on October 9th at 2 p.m. in Tahoka.

Contest entrants will be judged on their appearance, personality, and poise by out-of-town judges who will have lunch with the girls on

the day of the contest. Contestants are being notified by a letter from Mrs. Nadine Dunlap regarding further details of the contest and a time set for briefing and rehearsal.

Contestants from Tahoka are Sherry McClellan, Amy McNeil, and Lilia Riojas, freshmen.

Representing the sophomores are Melinda Terry,

DeAnn Johnston, and Blynn Roberson. Junior nominees are Jona Valentine, Pat Calderon, and Bridget Fowlkes.

Carolyne Ash, Lou Ann McAuley, and Robin Short are senior nominees.

New Home seniors are Rhonda Huddleston, Judi Clem, Jolene Armontrout, and Deloris Foerster.

Juniors from New Home are Lynna Poer, Pam Barnett, and Tamera Dulin. Donette Hancock is a sophomore candidate from New Home.

Wilson's nominees are Cindy Davis, senior; Cherie Slone and Carla McCleskey, juniors; and Tammy Kahlich, sophomore.

Everything from bicycle races to dominoes to pretty girls—that will be the order of the day on October 9 in Tahoka when Lynn County will have a combined Homecoming and Harvest Festival celebration.

Actually, the fun starts on Thursday night, the 7th, with the traditional Homecoming bonfire and pep rally, to be followed by a "car bash" sponsored by the Junior Class.

And from that time until Saturday midnight, Lynn Countyans will not lack for entertainment.

Two former Tahoka men, Gordon Smith and Travis Shelton will be speaking. See Harvest Festival page 5

## Auto Agencies To Reveal '77 Models On September 30th

Four car dealers, three in Tahoka and one at Slaton, will be unveiling their 1977 models in their showrooms today. Pictures of the new models are shown elsewhere in this edition of The News.

Pontiac McCord Motor Company, Pontiac dealer in Tahoka, will be showing the Grand Prix, Firebird, Sunbird, Catalina, Bonneville, and the luxurious full-sized Bonneville Brougham.

Chevrolet The 1977 Chevrolet debuts as an all-new, full-size car for America and new models have more room inside despite the smaller exterior size.

Bray Chevrolet in Tahoka will be showing the Impala and Caprice as well as the Malibu, Monte Carlo, Nova, Camaro, and Vega.

Oldsmobile A new generation of more fuel-efficient family cars and a long list of engineering improvements highlight the

1977 lineup of Oldsmobile's six distinct car lines—Starfire, Omega, Cutlass, Toronado, Eighty-Eight, and Nine-Eight.

Wharton Motor Company in Tahoka will be showing the new Oldsmobile line of automobiles.

Ford Two new automobiles, the Thunderbird and the LTD II, head the lineup of Ford Division's 1977 cars which are on display at Smith Ford, Highway 87 Bypass in Slaton.

## October 3 - 9 National 4-H Week Has Special Significance For Sheree Jerden

SHEREE JERDEN displays one of four signs designed and purchased by members of Lynn County's 4-H Clubs. The signs will be erected at the city limits of Tahoka.

Sheree Jerden is one of 24,000 Texas young people between the ages of fifteen and nineteen who ascribe to the ideals of 4-H Clubs across the nation and the week of October 3-9 will provide a challenge for the youngsters to fulfill this year's theme, "4-H-Room To Grow."

Miss Jerden, daughter of Mr. and Mrs. Jake Dunlap of Tahoka, has been a "4-H person" in Lynn County for almost five years and will continue her activities even next year after she is no longer a high school student.

Sheree says, "I, along with millions of other 4-Hers, will recognize next week as National 4-H Club Week. We do not intend to glorify our club work, but we do want to make our purpose known. We would like for the public to realize that 4-H Club work has made a definite contribution to the strength of our nation."

During the past five years, she has participated in some ten phases of 4-H work, one of the most interesting of which has been that of her electric project. When she was fourteen, she first attended Electric Camp at Cloudcroft, New Mexico and has done so each year since that time.

She has also served in every office of the local club.

"So many people think that 4-H is showing an animal and entering either the food show or dress revue. Everyone knows about these projects, but few people know about the projects in Aerospace, Veterinary Science, Entomology, Horticulture, and Range Science," laments Sheree.

She readily admits that her food and nutrition projects are high on her list of priorities.

Lynn County has four clubs—one each in Tahoka, Wilson, O'Donnell, and New Home—and Sheree has served as chairman of the county council for two years. The council's dream of providing signs to be erected at the city limits of the county seat has been partially realized. Last fall at a pig sale, the club members operated a concession stand and proceeds went to have the "4-H Welcomes You" signs made.

Sheree and Denise Curry, also a member of the Tahoka 4-H Club, went to Washington, D.C. this past summer to the National 4-H Citizenship Short Course and Heritage Tour, just another

of the fringe benefits earned by 4-H Club youngsters.

Mike Edwards is president of the Tahoka club this year and he will be instrumental in leading his members in various projects during the upcoming special week.

Sheree's past accolades in 4-H work are many, but the future also holds a great deal of promise for her. She has been invited to serve as a team leader-teacher at the Texas 4-H Center's Officer Training Program at Brownwood on November 20th. And she has hopes of going to state competition in public speaking with her presentation of "A Day for Decision," the presentation which won her a third-place honor at Lynn County's Bicentennial Queen Contest last June 26th.

After her graduation next spring, Sheree plans to attend Bauder Fashion College in Arlington and become a fashion coordinator.

Perhaps it is her modesty which prompted her to express her observation that one of the most valuable aspects of her club work is that it has taught her to be a good loser, but her peers would surmise that something has taught her to be a winner.

## Most Next On The Agenda

### Bulldogs Close In Coahoma Game

**DARRYL STOTTS**  
The Coahoma Bulldogs closed the first quarter on September 24th in a hard-fought contest, 9-0. The statistics again defied the scoreboard as Tahoka scored 40 yards more than the Bulldogs. Coahoma started the game in the first quarter when the kicker shot a field goal through the uprights. They ended it in the second quarter when the back went over for a yard TD. The extra point was good and the score 9-0. Coahoma threatened in the third part of the fourth quarter. They drove all the way to the 5-yard line and it seemed that they were about to score, but they lost the ball because of downs. Coahoma let the clock run out.

Clifford Bailey gained 63 yards and John Torres, Leslie White, and Lee Curry each led with seven tackles. Britt Brooks had six tackles and Ricky Harston had two interceptions. Statistics are as follows:  
**Tahoka** First downs 11, Yds. gained rushing 225, Yds. gained passing 76, Passes completed 4, Passes intercepted 2, Penalties, Ydg. 100, Times ball snapped 61, Total yardage 301.  
**Coahoma** First downs 14, Yds. gained rushing 225, Yds. gained passing 76, Passes completed 4, Passes intercepted 2, Penalties, Ydg. 100, Times ball snapped 61, Total yardage 301.  
**Scoring Summary**  
First Quarter  
Coahoma -- 37-yard field goal  
Second Quarter  
Coahoma -- 1-yard run (kick failed)  
The Bulldogs play the Post Antelopes tomorrow (October 1st) in Tahoka at 7:30. The Antelopes are 3-1, beating Colorado City 34-20 last week.

Neither team scored in the first half as they handed the ball back and forth. Monterey came out in the third quarter and received the kickoff and promptly drove downfield for the only touchdown of the ballgame. It was highlighted by a one-yard scamper into the end zone. The extra point was blocked by Jerry Hatchett. The Bulldogs threatened. They were deep in their own territory. Carlton Jolly went back to pass and was swamped by defenders. He managed to get the ball to Jerry Hatchett who went for a 60-yard gain, giving Tahoka the ball on the seven. Time ran out on the Bulldogs.  
Statistics are as follows:  
**Tahoka** First downs 4, Yards gained rushing 183, Yards gained passing 60, Passes completed 1-1, Penalties, yds. 9-65, Punts, avg. 4-26, Fumbles lost 0.  
**Monterey** First downs 9, Yards gained rushing 163, Yards gained passing 35, Passes completed 2-6, Penalties, yds. 10-60, Punts, avg. 2-33, Fumbles lost 1.  
Britt Dockery made six unassisted tackles on defense. On offense, Jerry Hatchett gained 99 yards. The JV team plays at Post tonight (September 30).

### O'Donnell Beats Tahoka Freshmen

**BY DARRYL STOTTS**  
The Bulldog freshman team got beat last Thursday night by the O'Donnell Eagles 25-6. The Bulldogs scored first when Oages scored seven yards for a TD. The PAT was not good. The Eagles were held scoreless in the first quarter, but not in the second when the quarterback threw a 74-yard TD pass to his end. The PAT was good. Some plays later the Eagles scored on a four-yard plunge by the halfback. PAT was not good and at halftime, the Eagles led 13-6. In the third quarter, O'Donnell again scored on a four-yard run by the halfback. The PAT was again not good. O'Donnell scored one more time when the halfback went over from one yard. PAT was not good and the Eagles led 25-6. Neither team scored in the first period.  
Game statistics are as follows:  
**Tahoka** First downs 6, Yards gained rushing 173, Yards gained passing 4, Passes completed 2, Passes intercepted 0, Penalties, yds. 11-64, Punts, avg. 5-31, Fumbles lost 1.  
**O'Donnell** First downs 6, Yards gained rushing 173, Yards gained passing 4, Passes completed 2, Passes intercepted 0, Penalties, yds. 12-95, Punts, avg. 3-30, Fumbles lost 1.

Oages had 131 yards and Ricky Chapa had seven tackles. Todd Brown had five assisted tackles. Bulldog freshmen play at Post tonight (September 30th).

### Wilson Takes Win No. 4 Over CTK Trojans

The Wilson Mustangs scored five touchdowns in just eight minutes in the second quarter to coast to a 51-2 win over the Christ the King Trojans Friday, September 24th. In total yardage, the ponies amassed 504 yards on the ground and in the air moving at will against the determined but outmanned Lubbock school. Wilson's 37-point second period, led by senior quarterback Carlton Henderson and senior halfback Wes Wilke, was more than enough for the Mustangs. Wilke carried for a 50-yard TD and one minute later added a second on a 16-yard run. Then after a Trojan fumble, Henderson passed to senior Philip Bednarz for another score and rammed over two more TDs on runs of one yard and 48 yards. Other scores in the game came on a first period 24-yard run by Henderson and another ramble by him from the 26 in the fourth quarter. Wilson dominated the statistics with 22 first downs while holding the young Trojan team to three. Wilke had 217 yards on 21 carries

while Henderson had 114 yards on 8 carries. Defensively, Mark Brieger and Victor Ortega played a strong game and Coach Charles Seagler singled out several young players for much improvement: Calvin Wilke, Pete Hernandez, Kevin McClesky, and Paul Hernandez. October 1st the Mustangs take on the Jayton Jaybirds who advanced to the quarterfinals in 1975 and have a balanced attack even with inexperienced players. They run from a Wing T, a formation not seen as much by the Mustangs this year as others. It should prove to be a real test for the Wilson lads who have allowed only one touchdown by their opponents through the first half of this season.

### O'Donnell Swamps Klondike

The O'Donnell Eagles grabbed another win last Friday night, making their record 2-2, as they beat Klondike 48-0. Arthur Garza scored for the Eagles in every quarter as he rushed for 210 yards on 18 carries. In the first period, Danny Morales made the first score with a 4-yard scamper. Garza followed in the same quarter and George Cazares kicked both extra points. Morales and Kevin Sides made two more TDs and the home team finished the second quarter with a 35-0 lead after a James pass to Alex Rentera for two points.

### Class of '66 To Celebrate Homecoming

Members of the Tahoka High graduating class of 1966 will convene at the Country Club, following a general session of all exes on October 8 at the Lyntegar party room. Local arrangements for the '66 gathering are being made by Mrs. Cynthia (Parker) Bryan and Mrs. Jeannie (Smith) Stice.

### Bridge Winners

Last week's T-Bar duplicate bridge winners were: Mrs. Donna Gardner and Mrs. Jess Gurley, first; Mrs. Meldon Leslie and Mrs. Auda Norman, second; Mrs. Jacquie Chesshir and Mrs. Ruth Steele, Brownfield, third; and Mrs. Fredna Roberts and Ken Wilson, Lubbock, fourth.

## New Home News

By Florence Davies

There will be a housewarming for Mr. and Mrs. Calvin Tucker on Sunday, October 3rd from 3 to 5 p.m. All friends are invited.

Mr. and Mrs. Jimmie Hoyle and two children of Welch spent Sunday with Mr. and Mrs. Glen Kreger and boys.

Mr. and Mrs. J. W. Edwards, Mr. and Mrs. Freddie Kieth and children, John Edwards, and Mr. and Mrs. Bobbie Taylor were in Post Sunday for the Windham Family reunion.

We welcome to our community Mr. and Mrs. Alvis Collins, coming from Lubbock.

Their home is in Petty and Mr. Collins has been named manager of the Petty Farmers Gin. He was employed for several years with Anderson Clayton Oil Mill and was manager of the gin in Bula last season.

The Collins have two children—the son, Michael, is associated with his grandfather in the Sloan Oil and Auto Parts in Slaton and daughter, Shelley, is a freshman in Baylor University.

Mrs. Edna Carpenter of Post has been in St. Mary's Hospital for tests. She was dismissed and returned home Sunday.

Mr. and Mrs. Aubrey Smith and Mr. and Mrs. Leroy Nettles returned home Wednesday from a two-week tour of the northwestern states and Canada.

Mr. and Mrs. Arvis Bockman of Chula Vista, California visited with Mr. and Mrs. Luther Wood in Tahoka. The men were childhood friends.

A housewarming for Mr. and Mrs. Glen Kreger and boys was Sunday, September 12th.

Guests were served citrus punch and homemade cookies from a table laid with a gold runner centered with an arrangement of gold and rust flowers.

The community gift was an Ethan Allen end table.

Out-of-town guests included Mr. and Mrs. Billy Roberts, Mr. and Mrs. Jimmie Hoyle and two children, Mrs. Peddy Carr and Rachel, Mrs. Marlene Pierce, all from Welch; Mrs. Ruth Steele, Brownfield; and

Mr. and Mrs. Stanley Cox, Lamesa.

Mrs. Louie Holt of Seminole spend the weekend here with her daughter, Mrs. Carl Armes and family.

A bridal shower honoring Miss Sheila McNeely, bride-elect of Joseph David Williams, was in the fellowship hall of the New Home Baptist Church on Tuesday, September 7th.

Crystal and brass appointments were used to serve coffee and wedding cakes from a table laid with a yellow cloth with a white lace overlay. A floral arrangement of yellow and white daisies decorated the table.

Hostess gifts were club aluminum cookware and electric appliances.

Miss McNeely and Williams were married Friday evening, September 10th, and are at home here. He is employed with Texas Instruments in Lubbock.

Miss Shelley Collins spent the weekend here with her parents, Mr. and Mrs. Alvis Collins, returning to Baylor University Sunday by plane.

Mr. and Mrs. Luther Wood were in Brownfield Sunday, September 12th, for a birthday dinner in the home of Mrs. J. W. Nelson.

Other family members attending were Mrs. M. M. Shearer of Lamesa and Mr. and Mrs. Willard Taplen of Welch.

The Liberty Belles Home Demonstration Club met Monday evening, September 20th, in fellowship hall of New Home Baptist Church with seventeen present.

A slide presentation on the swine flu campaign for Texas was given by Mrs. Bebe Boren, R.N., Public Health Nurse for Texas Department of Health Resources. The film emphasized the danger of the swine flu and stressed the need for volunteers from each community to make this immunization a success.

A volunteer workshop for Lynn County was held September 29th in the Lyntegar Building in Tahoka.

Plans were made for the club to have a homemade bread booth at the Lynn County Harvest Festival on October 9th on the courthouse square, each member to donate two loaves of bread.

Judy Gandy of Tahoka discussed and distributed pamphlets from Armstrong Company on Indoor World. Given as a gift was a door chime made from silverware, made by David Gandy. Theresa Armes won the prize.

The club's next meeting will be on Monday night, October 4th, at 7:30 in G. G. Fillingim's home when the program will be on window shades, shutters, and woven blinds.

A country music concert will be in the high school gymnasium Tuesday, October 5th, from 8 to 10 p.m., sponsored by the New Home FFA chapter.

Radio and TV star Joe Paul Nichols and his 5 Pennies, and Dale Lay, star of GM records, will be there in person.

Mr. and Mrs. Leroy Nettles spent the weekend in Sweetwater with Von and Kenneth McClung.

Mrs. Quincy Menchew went to Tulia Wednesday to be with her son, Jessie Menchew and family. Mrs. Menchew had surgery Wednesday.

Truett Breland of Bryson died Sunday afternoon in a Mineral Wells hospital. A sister and brother-in-law, Mr. and Mrs. Fred Roper of New Home, were with the family.

The Parent-Teachers Club at New Home will meet on Thursday, October 7, at 2:45 p.m. in the school cafeteria.

Mrs. Wendell Morrow entered St. Mary's Hospital in Lubbock Monday for surgery Tuesday morning.

### Fem Softball Players Meet Monday

Women softball players will meet Monday, October 4, at 8 p.m. in the Sentry Savings Community Room to discuss plans for the booth at the Harvest Festival where the group plans to sell homemade candy.

All members are asked to attend and may turn in their shirts at the meeting or at the Festival booth.

### Student Praises Driver

The following essay by David Weaver, freshman at Wilson High School, focuses attention on the school bus, an object of our thoughts, but not always our complete attention.

Since this is School Bus Safety Week, most people will talk about things a bus driver usually does in negligence to a law, that endangers the safety of the passengers. It would be appropriate, then, to put a change of pace in this "traditional" discussion by relating my witness to an incident. A bus driver not only obeyed the law on his part, but tried to insure the obedience of the law on the part of other motorists.

This bus driver was stopping to pick up a passenger on the left side of the road. Before he reached his stopping point, the driver flashed on the blinking lights to show he was going to pick up a passenger. It is a state law to stop for all school buses whether loading or unloading, but many people do not obey this law. The bus driver, seeing me in the distance, wanted to secure all safety for the child who would have to cross the road to board the bus. To do this, as he was slowing down to stop, the driver pulled into the center of the road so that I could pass on neither the right nor left, and if I couldn't pass the bus, the child wouldn't be in danger of getting run over. As soon as the child was aboard, the driver politely pulled into his lane and let me pass.

I thought the entire incident was a compliment to the safety consciousness of the driver. I appreciate this and other incidents that offer an extra precaution in addition to the laws providing for safety of students. This special action took little effort on the part of the driver and yet provided extra protection for the student.

Incidents like this and the observance of current safety laws will help prevent many accidents. The safety of the students riding a school bus is, after all, the objective Texas citizens should seek.

BONNEVILLE BROUGHAM 4-DR. SEDAN

THE 1977 BONNEVILLE BROUGHAM 4-door sedan will be shown at McCord Motor Company on Thursday. This particular style is Pontiac's most luxurious full-sized car.

### Lynco CB Club Hears Guest Speakers

The Lynco CB Club, in their regular monthly meeting on September 21st, were informed of Harvest Festival activities by Sherry Tilley, a member of the Festival committee. She displayed a map showing where each event will occur.

Featured speakers at the meeting were James Henry, Danita Logan, Ronny Logan, and Jay Ulary from Metro Tower in Lubbock. They are members of the Citizens' Radio Crime Control Association which is a group of Lubbock citizens who are concerned about the safety of the community and who are striving to assist those around them. The CRCCA provides extra "eyes and ears" to local law enforcement officials and provides aid to all CB users. The organization operates a CB base station on Channel 10 twenty-four hours a day and funding is from membership dues and public donations.

In other business, the local CB club named Betty Jolly reporter. Vice president Jimmy McCullough presided at the meeting in the absence of president Elmer Lindsey, who was hospitalized following back surgery.

### Pioneer Club Open House Is October 9th

Lynn County's Pioneer Club is having Open House on October 9, the day of the Harvest Festival, from 10 a.m. until 5 p.m., according to Teddie B. Kelley, president.

Persons are invited to come by for visiting and refreshments, as well as dominoes and '42.

The club headquarters is located one block south of the postoffice in Tahoka or one block west of Rim Rock Grocery, on the north side of the street.

Mrs. Kelley asks that interested individuals watch the paper each week for further announcements.

### Ladies Golf Association Meets

The T-Bar Ladies Golf Association, in its regular monthly business meeting and luncheon on September 21st, voted to finance getting the gas lights in working order, their thinking being that that might alleviate vandalism at the club.

In other action, the group decided to purchase new bridge tables to replace the damaged ones.

The ladies association has contributed toward various improvements at the club, amounting to a considerable amount of money over the years.

President Mary Louder presided at the business meeting and reported that all bills had been paid and that the next meeting will be in October.

The South Plains Ladies Golf Association will meet at Hillcrest the first week in October, the date and place of the tournament.

Lena Williams was a guest at the club luncheon on Tuesday.

### Pythians Stage Bake Sale For Festival Aid

The Pythian Sisters in Tahoka had a bake sale on September 15th, proceeds of which were donated to the Harvest Festival Committee to help defray expenses in the upcoming events for Lynn County's first harvest extravaganza.

More than one hundred dollars was contributed by the group.

### Guidelines For Drawings

For the drawings prizes donated by merchants on October 1st, the following guidelines have been set forth by the Festival Committee.

--For all drawings that for the CB radio person must be present claim his prize. The prize must be claimed within minutes or the ticket will be redeposited in the hopper.

--Drawings will be every hour, on the hour, and fire whistle will be blown signal time for such.

--Registration for prizes ends at the close of business day on October 1st and merchants are asked to deliver stubs to the Fair Place no later than 9 a.m. on Saturday morning.

--There is no limit to number of times a person may register nor restriction on who can register. However, a person can win only one prize.

### Pioneer Club Will Meet October 1st

The regular meeting covered-dish luncheon Lynn County's Pioneer Club will be this Friday, October 1st, at which time plans for the open house during October 9th Harvest Festival will be discussed.

Club members invite public to inspect their quarters and enjoy a day of visiting and games from 10 a.m. to 5 p.m. on the according to Mrs. Ted Kelley, club president.

### Harvest Festival

(from page 1)  
... on Friday at the upcoming program at the school, and Shelton on Saturday morning during the festival activities.

#### Pioneer Club Slates Open House

One of the newer organizations in the county, the Pioneer Club, will entertain guests and members from 10 a.m. to 5 p.m. Saturday, the 9th, with an open house in their newly decorated quarters.

#### Drawings Will Be Hourly

Approximately 100 merchants in the county have made donations for the hourly drawings, some cash and some merchandise.

#### Window Displays To Be Judged October 6

The best "spirit" window and the most original harvest theme window will be named by out-of-town judges on Wednesday, October 6th.

#### Food and Exhibit Booths

Some ten organizations are "selling their wares" at booths located on the square and at three have asked for space for display tables.

the proceeds for their own use.

#### Bicycle Relay Races

Five women's teams have entered that part of the bicycle relay races to begin at four o'clock on Saturday afternoon and to date, four men's teams are committed.

#### Barbecue To Be Served

Advance tickets only are being sold for barbecue and all the trimmings, to be served by The Pit from 11:30 a.m. to 1 p.m. on Saturday, on the courthouse square.

#### Drawings Will Be Hourly

Approximately 100 merchants in the county have made donations for the hourly drawings, some cash and some merchandise.

#### Window Displays To Be Judged October 6

The best "spirit" window and the most original harvest theme window will be named by out-of-town judges on Wednesday, October 6th.

#### Food and Exhibit Booths

Some ten organizations are "selling their wares" at booths located on the square and at three have asked for space for display tables.

lap, and Mary Brecheen.

All committee members and any other volunteers are asked to help with the cleaning of the buildings to house the Art Show and the County Fair on this Saturday, October 2nd; those buildings are the old Anthony building and the old postoffice.

### Study Club Hears Report On Locks

A program on "Hands Up" was presented to members and guests of Phebe K. Warner Study Club on Tuesday, September 28th, by Sergeant Vernon Redwine, Crime Prevention Division of the Brownfield Police Department.

#### Study Club Members Will Participate In The Harvest Festival

Study club members will participate in the Harvest Festival with an entry in the parade, entries in the County Fair, food booth, and participation in the bicycle races.

#### Mrs. Mike Huffaker was hostess and Mrs. Midkiff co-hostess for the meeting.

The next meeting will be October 12th in the home of Mrs. Harold Warren.

### Garden Club Begins New Club Year

The Tahoka Garden Club began its 1976-77 year on Tuesday, September 21st, with a salad luncheon in the home of Mrs. Oscar Roberts with Mrs. Robert Abbe and Mrs. N. M. Wyatt as co-hostesses.

Mrs. Leslie Paris presided at the business meeting following the luncheon. Mrs. Wyatt distributed the new yearbooks and the club voted to have its annual flower show on October 8th and 9th in conjunction with Tahoka's Harvest Festival.

Arrangements of the month were presented by Mrs. G. H. Hines, Mrs. Pete Dorman, and Mrs. E. M. Walker. Mrs. Hines' arrangement was awarded first place.

The next regular meeting of the club will be at the home of Mrs. W. C. Huffaker, 1900 North Third, at 2:30 p.m. on October 19.

### Beverly Harvick Commended By National Merit Scholarship

Tahoka High School principal Jim Marcus has announced that Beverly Harvick, daughter of Mr. and Mrs. Dub Harvick and a senior at THS, has been named a Commended Student in the Merit Program by the National Merit Scholarship Corporation.

Miss Harvick is among 35,000 Commended Students nationwide who are being recognized for their outstanding performance on the 1975 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Commended students represent less than two percent of the nation's secondary school senior class. Although they scored below the level required for the 15,000 semifinalists who will continue in the Merit Scholarship competition, their test performance indicates exceptional academic promise.

### Poka-Lambro Gets Loan For Upgrade

Congressman Omar Burleson announces the approval of a \$2,580,000 Rural Electrification Loan to the Poka-Lambro Rural Telephone Cooperative, Inc. at Tahoka, serving Lynn, Borden, Garza, Dawson, Gaines, Hockley, Martin, Terry, and Yoakum Counties.

The purpose of the loan is to finance facilities to connect 71 additional subscribers; to construct 20 miles of new line; to upgrade service in the Aten, Hatch, Loop, New Home, and Union exchanges to all one-party lines; and to finance various system improvements.

### Mrs. Lankford Teaches Survey Course

Mrs. Grady Lankford is teaching a New Testament survey course at the fellowship hall of First Baptist Church each Sunday at 5:30 p.m. and Tuesday morning at 9:30.

Edward C. Smith, president of the National Merit Scholarship Corporation, has said, "The high standing of Commended Students in the Merit Program shows their great promise and their attainment in this nationwide competition deserves public recognition. Commended students should be encouraged to continue their education; our nation as well as the students will benefit from their further educational and personal development."

To increase their opportunities for college, NMSC makes it possible for regionally accredited U.S. colleges to obtain, on a cost basis, the home addresses of Commended students.

Miss Harvick attended Baylor University last summer in their Advanced Studies Program and will continue her education there after her graduation next spring.

## AROUND TOWN

BY LEONA WALDRIP  
Call 998-4496

According to Mrs. Joe Anderson, her husband fell several days ago in the nursing home at Brownfield and is now in Lubbock's Methodist Hospital doing as well as can be expected.

Seventh and eighth-grade teacher, Mrs. Lennie Cox, has been ill at her home since last Friday.

He is eighty-five years old and has been in the Brownfield home for several months. Mrs. J. T. Miller is a daughter and has been with him much of the time.

Several persons from Tahoka attended the opening of the new medical center at John Knox Village in Lubbock Sunday afternoon.

Mr. and Mrs. W. E. Shawn visited Saturday and Sunday with the Wayne Shawn family in Colorado City.

Mrs. Charlie Lichey was hostess Monday afternoon of this week when the Wilson Sewing Club met in her home. Members present were Mesdames V. F. Dettman, Pat Campbell, Charlie Campbell, W. F. Raymond, J. F. Covey, R. T. Moore, W. C. Maeker, H. R. Williamson, and Miss Eva.

Attending also were Cordia Swann, Mrs. W. C. Huffaker, Gladys Cobb, and Nancy Tuttle, all of Tahoka. The hostess, a former resident of Wilson, served chips, dips, cake, and soft drinks.

Friday is the time for the regular noon luncheon meeting of the Lynn County Pioneer Club. Final plans will be made for the club's participation in the Harvest Festival.

All persons sixty years old or older are always welcome at the meetings. Ladies are urged to bring a covered dish and those who do not bring food are expected to "feed the kitty." There are no club dues.

Mrs. Hugh Jack Norwood and children of Fort Worth are visiting her parents, Mr. and Mrs. J. T. Miller, this week.

The boys have some entries at the fair.

## OLDSMOBILE 1977 MORE THAN JUST BETTER CARS THEY'RE BETTER OLDSMOBILES

In our search for a new measure of excellence, we've strived to make every Olds a better Olds for 1977. Our new Ninety-Eights and Delta 88s are more space-efficient, more weight-efficient and fuel-efficient than last year. (EPA test results below are estimates; your mileage depends on how you drive, your car's condition and its equipment. California EPA estimates are lower.)

CAN WE BUILD ONE FOR YOU?

**98 Regency. A remarkable new kind of luxury.**  
Only a completely new car could do everything a luxury car must do in 1977. So here's the room, comfort and splendid luxury you expect in a Regency... plus the unexpected luxury of good gas mileage: an estimated 21 mpg in the EPA highway test, 16 mpg in the city test, with the standard Rocket 350 V8! You've got to experience its driving ease to believe it!

**Delta 88 Royale. New idea in family cars.**  
Now you don't have to sacrifice the room, the comfort, and the great ride you want—to get the kind of good gas mileage you need! There's new headroom and legroom in the rear, new suspension systems for the smooth, big-car ride you like. Yet Delta 88 mileage is dramatically improved: 23 mpg, highway; 17 mpg, city test, with available Rocket 260 V8.

**Which kind of Cutlass is the right Cutlass for you?**

**Salon:** The "grand touring" Cutlass. With 260 V8, 5-speed transmission, 2.73 axle, EPA estimates are: 26 mpg, highway; 17 mpg, city. Hatch roof available.

**4-4-2:** The legend lives on! Bold, sporty looks. FE2 rallye suspension. EPA estimates with available 260 V8, 5-speed transmission, 2.73 axle: 27 mpg, highway test; 17 mpg, city.

**Cutlass S:** Classy Cutlass look, ride, and comfort in the lowest-priced Cutlass of all! Plus an EPA highway rating of 26 mpg; 16 mpg, city, with standard 231 V6 engine and manual transmission.

**Supreme Brougham:** Big-car luxury interior, practical size in coupe or new sedan! EPA estimates: 25 mpg, highway; 18 mpg, city, with 231 V6, available automatic, 2.73 axle.

**Toronado XSR. New concept in personal luxury cars.**  
Twin sliding roof panels, wraparound rear window, a new classic look. New Rocket 403 V8 with computerized MISAR electronic spark timing. EPA estimates: 19 mpg, highway; 13 mpg, city.

**Starfire GT. The joy of driving is alive and well!**  
See what's in Starfire with the available GT package: buckets, floor-shifter, tach and gauges, GT stripes, rallye wheels—and more! EPA estimates with available 231 V6, 5-speed transmission, 2.56 axle: 34 mpg, highway; 19 mpg, city. Sensational!

**Omega Brougham. Economical answer to expensive European sedans.**  
Our impressive "import fighter." Roomy, luxurious-feeling, inside; compact, maneuverable on the road. The affordable alternative! EPA estimates: 27 mpg, highway; 16 mpg, city, with standard 231 V6 engine and manual transmission.

## you and the LAW

PRESENTED BY THE STATE BAR OF TEXAS

**Q: A tenant in my rent lease, but she moved after five months when she decided she could no longer afford the rent. I spent more than twice the amount of her security deposit on repairs. Am I obligated to return her deposit or provide her with an itemized accounting of my costs?**

**A: State law requires you to return your tenant's security deposit, after subtracting for unpaid rent, repairs or other deductions allowed under the lease, within 30 days. However, if your tenant owed rent when she moved, an itemized accounting of deductions is not required. The tenant also remains liable for the rent due for the remainder of the lease, but this liability is reduced by the amount of any rent collected if the property is leased again.**

**Q: I've been trying to get some family property straightened out since my father died in 1968 and left the land to me and eight other heirs. Someone has been grazing cattle and keeping a mobile home on it for nine years without paying rent. Is it possible to have the cattle and mobile home moved off the property until all of the heirs agree on what to do with the property?**

**A: You may find it necessary to file an application in court for administration of the estate in order to establish your authority to remove the unauthorized users of the land. Although such applications normally must be filed within four years after death there is an exception to this time limit in cases involving the recovery of property of the deceased person.**

**Q: My son was recently injured in an auto accident. We asked him not to sign any legal papers, but he signed a settlement to pay for the injuries he suffered in the accident. My husband and I believe the settlement is too low. My son is 20 years old--can I void the settlement?**

**A: Any person over the age of 18 is free to enter into a contract. Unless a court determines a person to be incompetent, that person's contracts could not be rescinded by a parent. As his parent, you have no right to contract for your son or to reject his agreements after he is 18.**

**Q: If I file for divorce, and then return to my husband but we still can't get along, do I have to start the divorce proceedings again?**

**A: No, the original petition in a divorce case is not automatically dismissed if the couple attempts reconciliation.**

Despite an extensive and costly control effort, cotton as much as five miles west of the Caprock is suffering boll weevil damage on the High Plains in 1976. In addition, a few weevils are being found as far west as Andrews County.

That's the word from officials of the High Plains Boll Weevil Control Program which has protected cotton above the Caprock since 1964.

"It has been impossible, within the bounds of our resources, to keep all weevils out of all cotton above the Cap," stated Ed Dean, Field Service Director for Plains Cotton Growers, Inc. PCG initiated the control program in 1964 on behalf of its members in 25 High Plains counties and has maintained the continuing responsibility for its operation.

A mild 1975-76 winter permitted a survival rate among weevils from 15 to 20 times as great as normal, leading to a huge buildup of weevil populations east of the program "control zone."

"The migration of these weevils into the area we are treating below the Caprock was so magnified this year that a spill-over to the area immediately above the Caprock was inevitable," Dean says.

"What we are trying to do now is to prevent any additional spread of weevils and at the same time kill as many as possible before they go into winter hibernation, and then we will start praying for a severe winter to reduce the magnitude and cost of our job next year."

Officials note that there are now more acres of weevil-infested cotton threatening the High Plains than at any time since the beginning of the control program.

"This doesn't mean the program has been a failure or will fail in its objectives this year," Dean cautions, "but it is an indication of how quickly the weevil would spread in future years should the program for any reason break down."

This year's records show that the first aerial application of insecticide, which began September 6, covered 230,000 acres of infested cotton. The second application, which began September 21 and was nearing completion September 24, will cover an estimated 270,000 acres.

These figures compare with 25,000 and 62,000 acres sprayed in the first two applications of 1975, according to Dean. Officials expect that by the end of the season an aggregate of over 1.2 million acres will have been sprayed.

"By this time," Dean laments, "we will have spent virtually all of the funds available to us from producers and from government, and there is even a possibility we will be borrowing money."

Cost of the program is borne jointly by High Plains cotton producers and the U.S. and Texas Departments of Agriculture. USDA matches, dollar for dollar, the contributions of producers and the TDA. Producer contributions, collected on a voluntary basis as a part of compress receiving charges, have ranged from 50 cents per bale in 1964 down to 25 cents in 1975 and back to 50 cents per bale again in 1976.

## Proclamation By The County Judge Of Lynn County

TO ALL TO WHOM THESE PRESENTS SHALL COME: I, V. F. Jones, County Judge of Lynn County, do hereby declare the week of October 3-9, 1976 as FIRE PREVENTION WEEK in Lynn County, for the following reasons:

WHEREAS, according to the National Fire Protection Association, 1,000,000 buildings will burn in the U.S. this year; 300,000 people will be seriously hurt and 12,000 people will die. Dollar loss is estimated at over \$3.1 billion. NFPA says "AVERAGE DAILY property loss from fire in the U.S. is ...1,812 homes...415 apartment buildings...97 school and college buildings...15 churches...238 stores and offices...73 restaurants...145 industrial plants...and buildings on 84 farms."

WHEREAS, the Lynn County Farm Bureau, in conjunction with all fire departments in the county have worked together to emphasize fire prevention and protection in the rural areas as well as in our cities and towns:

WHEREAS, the 1976 Fire Prevention Week campaign utilizes the statement "LEARN NOT TO BURN". Knowing how not to burn can literally mean the difference between life and death, between a fire-safe home and a pile of debris and ashes where you used to live.

WHEREAS, all citizens of this county should learn to avoid starting a fire, whether through accident, carelessness or just plain ignorance and learning how to keep their city or rural environment fire-safe by not giving fire a place to start. Be especially careful in the safe handling and use of matches and smoking materials, use of liquefied petroleum gas, gasoline, and other petroleum products, electrical heating, cooking equipment and other fire causes such as lightning and spontaneous ignition.

WHEREAS, "LEARN NOT TO BURN" includes a combination of some of the following safety education practices: (1) Have a smoke detector of combination smoke/heat/gas detection system; (2) develop, learn and practice a home escape plan; (3) make sure every member of the family is trained on how to turn in a fire alarm, and how to use portable fire extinguishers; and (4) rehearse how to "Stop, Drop and Roll" as a means of smothering or extinguishing the fire if your skin, hair or clothing catches on fire.

THEREFORE, I urge all citizens of Lynn County to join hands in recognizing this special period by working together fifty-two weeks a year to more fully realize the benefits of FIRE PREVENTION WEEK.

/s/ V. F. Jones, Lynn County Judge

Caprice Classic Coupe

HIGH STYLED 1977 CHEVROLET CAPRICE debuts as an all-new, full-size car closely tuned to changing consumer life styles and matched with the nation's goals of conserving fuel and natural resources. The completely redesigned Caprice will be offered in coupe, sedan, and station wagon models.

## FOOD MARKETING ALERT

USDA Agricultural Marketing Service As of mid-September, the supply situation in October is expected to look like this...

**RED MEATS**  
**Beef**... plentiful. Production to average 3-5% above a year earlier and 10% above Oct. 1973-75 average. Gains in fed beef output will continue to offset declines in non-fed beef.

**Pork**... adequate. October production expected to increase seasonally from Sept. and be up 15-17% from unusually low levels of a year ago. This output would be about the same as 1973-75 average.

**POULTRY & EGGS**  
**Broiler-fryers**... plentiful. Record Oct. marketings to be about 10% more than Oct. 1975 and 13% above Oct. 1973-75 average.

**Turkey**... plentiful. New crop marketings in Oct. expected to be 10% more than a year ago and 7% above Oct. 1973-75 average. Oct. 1 cold storage holdings expected to be 7% more than year earlier and 2% over 3-year average. Total October turkey supply should be up about 8% from 1975.

**Eggs**... adequate. Oct. output is expected to be slightly above both last year's and 3-year average.

**MILK & DAIRY PRODUCTS**  
**Milk and dairy products**... adequate. Although milk production in Oct. will approach its seasonal low, it should be well above Oct. 1975 and 3-year average. July butter production up 4% from July '75, the first monthly increase over the previous year in 15 months and about the same as its previous 3-year average. Preliminary estimates of butter production in Aug. indicate strong gains over last year. **American cheese** production in July was up 25% from '75 and 21% from 1973-75.

**Commercial stocks of butter** at end of July were up. **Terminology used** PLENTIFUL—More than enough for requirements. ADEQUATE—Enough to meet needs. LIGHT—Less than adequate; not enough for normal needs.

 2. Victorian Era  
 3. Love of Country

**Division III**  
 1. Star-Spangled Banner  
 2. Old World Elegance  
 3. One Nation Under God

**Men's Division**  
 1. Journey Into Space  
 2. Building A Future  
 3. Salute to Independence  
 4. Torch of Freedom

**School Division**  
 1. School Days ('76)  
 2. Our Favorite Story  
 3. Tribute to Our 50 States  
 4. My Vacation

For added information, interested parties may call Mrs. Paris at 998-4264 or Mrs. Clifford Tankersley, 998-4254.

Accessories will be permitted in all classes with the exception of the flag which must not be used in any arrangement.

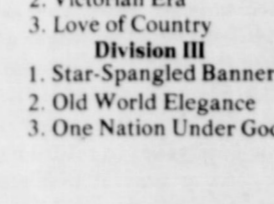

The public is invited to participate in all phases of the flower show.

## Have Fun!

By Lee Bryan

The current psychiatrist story is of the distraught wife who reported that the distraught husband thinks he's a cow. "All day long," she said, "he stands in the back yard, eating grass." The psychiatrist explained that this probably was a temporary eccentricity.

Two strangers stood on a Bucharest street corner advising an automobile parked at the curb. "My, that's handsome," said the first. "The Russians certainly know how to make an automobile!"

"That's not Russian," the second man answered, "don't you recognize an American car when you see one?" "Of course I do; I knew it was an American car, but I had no idea who you were!"

The young bride hadn't done too well in her first encounter with the cookbook and gas stove. "Telephoning her mother, she sobbed, 'The cookbook says 'Bring to a boil on a brisk fire stirring for 2 minutes, then beat it for 10 minutes,' and when I came back it was burned to a cinder."

The police chief in a small western Texas town confiscated some counterfeit bills and wired the FBI in Washington to ask what to do with them.

He was told to send the bills there at once. Several weeks passed and the bills didn't arrive. The chief sent an inquiry about the money. The FBI chief studied the wire from the FBI and then sent a wire in return: "Bills should be there. Sent them by Money Order four weeks ago."

A sweet little old lady came up to a cop on a busy corner the other day, tapped him with her umbrella, and said: "Are you a policeman?" The poor guy had probably been answering silly questions all day so he can be forgiven for saying sarcastically: "No, lady, I'm a plain-clothesman."

"Oh really," said the old lady with interest, "then why are you in uniform?" "Because," he barked, "IT'S MY DAY OFF!"

**Farm-facts**  
 A Weekly Report of Agri-Business News  
 Compiled From Sources Of The  
 TEXAS DEPARTMENT OF AGRICULTURE  
 John C. White, Commissioner

**A Super Bargain... Numbers Of Cattle On Feed Declines... Milk Production Up And Down.**  
 Whether you buy your beef in a supermarket or from the corner grocery, the fact remains: beef is a super bargain. And it's likely to continue that way through the rest of this year.

The unfortunate part of this story is the producer. He is the one who continues to take a beating. Cattle prices to producers are now a fourth below what they were a year ago.

Cattlemen continue to liquidate their herds in an attempt to get supply and demand back in some sort of balance so the cattle producer can have hopes of improving his economic situation next year.

And as that situation continues, more beef comes to market lowering the cattlemen's price and in turn providing consumers with bargains in beef.

Beef prices to consumers are down from levels of a year ago, but have not yet reflected all the declines that producers have taken.

But beef continues to be probably your best food buy today. And now is the time to enjoy it.

**CATTLE ON FEED** in Texas as of Sept. 1 totaled 1,470,000 head, according to the Texas Crop and Livestock Reporting Service.

This is 10 per cent above a year ago, but is one per cent below last month. During August, Texas cattle feeders placed 337,000 head into their lots. Placements are 25 per cent above a year ago and 29 per cent above the previous month.

In the seven major feeding states -- Texas, California, Arizona, Colorado, Iowa, Kansas, and Nebraska -- cattle on feed as of Sept. 1 totaled 6,432,000 head. This is eight per cent above last year's record low number. It is also six per cent below the same date in 1974.

The number on feed on Sept. 1 was above last year in five of the seven states.

**MILK PRODUCTION** in Texas is up and down. August milk production totaled 278,000,000 pounds; this is five per cent above production of a year ago in August, but is two per cent below last month.

Production per cow averaged 870 pounds during August, which is 70 pounds above a year ago and is 15 pounds below the previous month.

Nationwide, milk production during August was 5.7 per cent above a year ago.

## THURSDAY, SEPTEMBER 30 Dads' Night Out Sponsored By Tahoka High FHA Chapter

Laughter and screams of excitement filled the Tahoka school cafeteria on Tuesday, September 21st, when the FHA girls treated their dads to a night out.

The program consisted by an invocation by Deanya Wood, a welcome by Flora Antu, the theme by Teal Corley, and a short poem by Wanda Elrod.

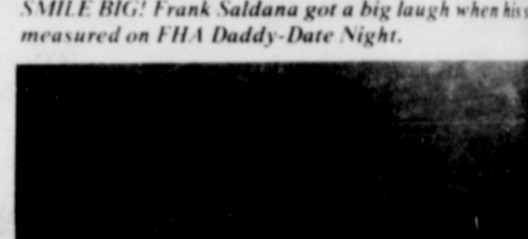

Following this, the dads were divided into three teams and the group played

games. The teams, yellow, and orange, headed by Debbie Pinkella Wilson, and Calderon. The reds won the place, oranges second, yellows third place.

Theme for the evening was "I found my dad, the sunshine of my life, the FHA theme is 'We're right road now.'" The benediction was by Pat Calderon.

"WE ARE HERE SO YOU CAN START" seems to be the idea that Teal Corley, Deanya Wood, and Debbie Pinkella are trying to get across at Daddy-Date Night.

SMILE BIG! Frank Saldana got a big laugh when his smile was measured on FHA Daddy-Date Night.

"FINGER-LICKIN' GOOD" is what Olan Pinkston is saying during FHA Daddy-Date Night.

# Obituaries

## Jack Webb

Services for Jack Royce Webb, 46, of O'Donnell, died at the First Baptist Church there on September 28th. He was a member of the O'Donnell church. Burial was in Resthaven Cemetery, officiated by Raymond Gary, pastor of Wells Baptist Church.

Lamesa; a sister, Mrs. Bobbie Simco of Lamesa; a brother, Reginal O. Webb of Seagraves; and two grandchildren.

Pallbearers were Hubert Stidham, Truitt Jones, Alton Snider, Jackie Hoskins, A. G. Crutcher, Cecil Kizer, Maron Snider, Lupe Tovar, Herman Ledbetter, and Bennie W. Edwards.

## Buford Jones

Buford Jones, formerly of the Gordon community, died on September 22nd in a Ruidoso, New Mexico hospital and funeral services were held in Slaton's First Baptist Church on Saturday, the 25th.

John Carritte, pastor of the Slaton church and Glenn Harlan, minister, from Plains, officiated and burial was in Resthaven Cemetery at Southland.

Mr. Jones was a member of the Lynn County ASCS Committee for a number of years and had lived at Ruidoso since 1970.

Jones, age 77, was married to the late Edna Jones on July 26, 1919 in Southland. Mrs. Jones died September 5th of this year.

Survivors include a son, J. B. of Ruidoso; a daughter, Mrs. Olga Mae Grosz of Milwaukee, Wisconsin; a brother, Bob Jones of Plains; three sisters, Mrs. Haywood Basinger of Slaton; Mrs. John Leake of Southland, and Mrs. Gladys Thurmon, address unavailable; and eight grandchildren.

## Truett Breland

Funeral services for Truett Breland, 67, of Bryson were September 28th in Bryson Baptist Church with Dennis Brotherton, pastor, officiating. Burial was in Cottonwood Cemetery there.

Mr. Breland died on September 26th in a Mineral Wells Hospital. He was born in Seymour and was a member of the Baptist Church.

Survivors include his wife; a son; one brother; six sisters, one of whom is Mrs. Fred Roper of New Home; eight grandchildren and a great-grandchild.

## Herbert Royce

Funeral services for Herbert Royce, 77, of O'Donnell and formerly of Gaines County, were September 28th in the Church of Christ at O'Donnell.

O. H. Tabor of Lamesa officiated and burial was in Seagraves Cemetery under the direction of White Funeral Home of Tahoka.

Mr. Royce died Sunday, September 26th, in a Lamesa hospital after an extended illness.

He had been an O'Donnell resident seven years, moving to Lynn County in 1914 from Blum. He was married to Willie Wilson January 2, 1921 in O'Donnell and was a member of the Church of Christ.

Survivors include his wife; a son, Cecil Bryan of Ely, Nevada; a sister, Mrs. Jewel Seely of O'Donnell; three grandchildren, Joe Bryan Royce and David Herbert Royce, both of O'Donnell, and Tommy Mac Royce of Lubbock; a great-grandson, Mark Bryan Royce of O'Donnell; and one niece, Mrs. Cathy McDaniel of Seagraves.

Pallbearers were J. D. Schamburg, Jack Patterson, E. R. Moore, W. H. Cook, J. C. Swinney, C. M. Pierce, Jim Anderson, and Jim Schooler.

## Orian Clary

Services for Orian Clary, a longtime Garza County resident, were September 27th in the First Baptist

Church at Post. Joe Vernon, minister, of Lovington, New Mexico, officiated, assisted by Gene Prevo, pastor of Post's Trinity Baptist Church. Burial was in Terrace Cemetery at Post.

Mr. Clary, age 77, died September 25th in a Lubbock hospital.

A native of Llano County, he moved to Garza County in 1914 and was married to Lucy Brown at Post on April 16, 1927.

He was a retired carpenter and a member of the Primitive Baptist Church at Post.

Survivors include his wife; a daughter, Mrs. Faye Horton of Post; a son, Leon of Post; five brothers, Nolan of Post, Ira of Wilson, Billy of Oklahoma City, and Ivan and Dale, both of Lubbock; a sister, Mrs. Bernice McCasland of Blythe, California; five grandchildren and three great-grandchildren.

## C. W. Conway

Services for C. W. "Chick" Conway, 53, of Littlefield and formerly of Tahoka, were September 27th in the First Baptist Church at Littlefield.

A. J. Kennemer, pastor of the First Baptist Church, and Wesley Daniels, pastor of the First United Methodist Church there, officiated. Burial was in Littlefield Memorial Park.

Conway died September 26th in a Littlefield hospital.

He moved to Littlefield sixteen years ago from Tahoka. He was married to Margie Shepherd on February 23, 1944 in Lubbock. He was a member of the Lions Club and the Tahoka Masonic Lodge and was a World War II veteran and a member of Littlefield's First Baptist Church.

Survivors include his wife; two sons, Gary and David, both of Lubbock; his mother, Mrs. Rosa Conway of Seminole; two sisters, Mrs. Mary Davis of Seminole and Mrs. Dorothy Harvick of Andrews; and two grandchildren.

## Sherry Etheredge Says

### Protect Your Family By Following These Poison Prevention Tips

Did you know that this year more than a half-million children will be victims of accidental poisoning? You can help protect your family and your home by following these precautionary steps:

**\*Most importantly,** keep household products and medicines out of your children's reach, preferably in a locked cabinet. Whenever possible, replace dangerous chemicals with products such as Drain Power, the drain opener that works with pressure instead of hazardous lyes and acids.

**\*In addition,** look for safety packaging when buying household substances and medicines, keep all medicines and cleaning products in their original containers (rather than in cups or soft-drink bottles) and keep food separate from household products.

**\*Finally,** clean out your cabinets and closets periodically and throw out old medicines and household chemicals.

Poison prevention starts with you. For a free Poison Prevention Checklist to post in your home, send a self-addressed, stamped envelope to Drain Power, Dept. AE, P.O. Box 641 FDR Station, New York, NY 10011.

### LOCAL NEWS

Elgin Harper is in Room 626 of Lubbock's Methodist Hospital, following open-heart surgery on September 14th.

## October 3-9 Is Fire Safety Week

County Judge V. F. Jones has proclaimed the week of October 3-9, 1976 as FIRE PREVENTION WEEK in Lynn County.

The Lynn County Farm Bureau, in conjunction with all fire departments in the county, are working together to emphasize fire prevention and protection throughout the county.

Fire Prevention Week is always the Sunday-through-Saturday period in which falls October 9, date of The Great Chicago Fire of 1871. The Chicago disaster killed 250 persons and destroyed 17,430 buildings at a cost of \$168 million.

In his proclamation, Judge Jones quoted the National Fire Protection Association fire losses as: annually, 12,000 people die; another 300,000 seriously hurt; 1,000,000 buildings burn; and total dollar losses due to fire each year exceeds the \$3.1 billion mark.

NFPA, national sponsor of Fire Prevention Week, has a catchy new theme on their posters and brochures -- "Learn Not To Burn". The theme of new materials is showing people what to do and what not to do. One of the new illustrated posters concerns children and matches -- with the slogan "Keep Out of the Strike Zone". There's a "strike zone" in every home, from the floor to about chest-high -- a zone which should never contain matches or lighters. The Strike Zone is where children spend most of their time -- looking for things to do -- and where they are apt to find things with which to start a fire.

Leland White, President of the Lynn County Farm Bureau said that Farm Bureau has several programs designed to help curtail fire lessons. The county Farm Bureau, in cooperation with the Texas Farm Bureau, sponsors the attendance of local volunteer firemen to the annual Texas Firemen's Training School each summer in College Station. More than 1,400 firemen have attended under Farm Bureau sponsorship during the past twelve years.

Attending from Lynn County this summer was Jimmy McMillan. The state and local Farm Bureaus also pay \$75 to fire departments for fighting rural fires on Farm Bureau insured property.

In addition to these programs, county Farm Bureaus sponsor a graphic 45-minute fire prevention demonstration. Some 1,700 fire safety programs have been presented in 200 different counties, before schools, civic clubs, and other groups by the Texas Farm Bureau Safety Department staff during the past fifteen years.

Schools, civic clubs, and other organizations planning fire or safety education programs for the year may schedule these programs by contacting the Lynn County Farm Bureau at Tahoka, 998-4320.

## Political Platforms Can Be Obtained

Persons wishing a copy of the Republican and/or Democratic platform can get such at the Lynn County Farm Bureau office.

## NOTICE from Lynn County Health Officer

At the moment, there is a scabies and lice infestation which may affect all children and all adults in Lynn County. Children of school age are being treated at their respective schools.

Non-school attendants, small children and adults, if they suspect they have itchy scabies of the skin or head lice, should attend the Texas State Department of Health Resources (Community Clinic) at Tahoka, in the old Tahoka Clinic building on South First Street, on weekdays between 9 a.m. and 4 p.m. where inspection and diagnosis can be gained and medication dispensed, at no charge for those unable to afford it.

## AVISO del Oficial de Salud del Condado Lynn

En el momento, ay infesto de scabies y piojos que puede afectar a meinos y adultos en el Condado Lynn. Las escuelas estan curando ninios de sus (respectables) escuelas.

**Thursday:** Hamburger, lettuce/onions, French fries, pickles, purple plum cobbler.

**Friday:** Fish with tarter sauce, seasoned blackeyed peas, scalloped potatoes, cornbread, peanut butter cake.

### MANAGING YOUR MONEY

Before investing in any stock or bond, it's wise to look over the company's annual report. It's free. Simply write to the public relations director or the investor relations manager.

you can find the names and addresses of these people in "O'Dwyer's Directory of Corporate Communications." Not all libraries have it so call before you go. The publisher, Jack O'Dwyer, is a former newspaper columnist whose office now is at 271 Madison Ave., New York, N.Y. 10016.

### Faith Circle Studies Southeast Asia

Faith Circle met Monday, September 27th, at 4 p.m. at the First United Methodist Church.

The meeting was opened with a prayer by Mrs. Letha Porterfield after which president Mrs. Walter Mathis appointed committees to serve for the Silver Tea which is to be October 25th.

The program for Monday's meeting was a study of the places in Southeast Asia. The whole area has been described as a chaos of races and languages. All the countries of the area want independence and yet they are not yet able to rule themselves successfully.

The study continues on October 11 with the emphasis being on the religions of the area.

### Fire Drills Are Offered For Children

A home burns every 45 seconds and up to 2,000 children burn to death annually. Following are two more drills offered in this series designed to teach children how to survive a fire. In the fifth part of this series, a final "rookie" examination will be offered to determine whether your children qualify as "firemen."

A drill called "Get Out Fast" trains youngsters in the importance of a quick escape. A child's first impulse in fires should always be to "get out", even though the blaze may be small, for it can become an inferno in minutes. Fire most often strikes at night while children are asleep, so the most important drill you can give them is this: Have them lie on their beds and then sound the alarm. Time them to see how long it takes to reach the meeting place outside the house. At first, let them escape the simplest way. Then make them go through obstacles, such as "smoke" and the "hot" door. Block off stairways with a string so they know to use an alternate route. Be sure they practice going out a window. If they use a rope ladder, have them throw it out the window and actually climb down. If they are to wait on a roof until someone comes with a ladder, make them wait while you get the ladder. They must behave exactly as they would in a real fire.

The next drill is called "Call the Fire Engines." Teach your child exactly how to call the fire department; his quick action could save his life or your house. However, impress on him that if he discovers fire, he should act in this order: First, alert everyone so they can begin their escape. Then call the fire department if he can still do so safely. Lives have been lost because someone paused to call the firemen when he should have fled.

Have the children memorize the number of the fire department. Also, write out the number and place it permanently near the phone. Very small youngsters who can't dial long numbers at least can learn to dial "0" for the operator in an emergency.

When practicing, place a strip of tape over the receiver buttons so you can dial without letting the call go through. Have youngsters go to the phone, dial, and give this information: "Our house is on fire at (address). The name is (head of household)." Then don't let them hang up immediately, but wait to be sure they were understood.

### Pythian News

September 21st was the regular meeting time for the Pythians, with Most Excellent Chief Florine McCracken presiding.

Several Sisters came early and completed the quilting of the Bicentennial quilt.

Three Sisters were presented 25-year pins--Tiny Lee McNeely, Bertha Williams, and Dixie Payne, whose illness prevented her attendance. Trudy Schuknecht presented the pins with Elnora Curry pinning.

The bake sale proved a success with over one hundred dollars given to help finance the Harvest Festival.

October 5th, next meeting, at 6:00, a salad supper will be served honoring Grand Chief Irma Daniel who makes her official visit; Past Chiefs will also be honored. Members are urged to attend and bring a salad.

Nineteen ladies were present at the September 21st meeting and hostesses were Bertha Williams and Vera Witt.

### Cotton Group Meeting Changed

The District Women's Cotton Promotion Association will not meet on Monday, October 4, as previously announced.

The District meeting will be October 27 and additional information will be forthcoming.

# Texas Taxes

By BOB BULLOCK, State Comptroller

AUSTIN—Once in a while someone takes a pot-shot at the Comptroller's Office for padlocking the doors of a business for a relatively small sales tax delinquency.

Just recently, for instance, we seized two Dallas taverns which had combined sales tax delinquency of over \$1,000. One of the clubs owed sales taxes of \$613 and the other owed \$450.

A thousand dollars may not sound like much of a delinquency, but it represents gross sales of \$20,000. That is a lot of sales for a couple of small businesses to pocket the sales tax on.

And regardless of the amount of money involved, the delinquency represents money a businessman collected from his customers and stashed in his pocket instead of sending to the state treasury where it belonged.

The delinquency situation is changing over the state also, thanks to a lot of hard work and some statewide publicity through the news media about the problem.

Back in early 1975 when we began our crackdown on sales tax delinquents we caught some really big delinquents napping. We have seized more than 350 delinquents since we began that crackdown.

Fifty-seven of those delinquents each owed more than \$10,000 in sales taxes; 21 delinquents owed more than \$25,000; nine more owed \$50,000 each; and three owed more than \$100,000.

We sought publicity on those seizures because we wanted the word to get out that we no longer intended to tolerate sales tax delinquencies.

We got the publicity we wanted and then some and it has paid dividends in terms of voluntary compliance.

Now because our people in the field are keeping on top of delinquents we rarely have to shut down a business for large delinquencies.

That's the way we want it to be. We don't do anyone a favor by allowing delinquencies to mount—not the merchant and certainly not the customer who paid sales tax to the merchant.

The smaller the amount the delinquent owes, the better chance he has of paying it. When that happens, everybody wins. The merchant stays in business and the customer's money gets to the state treasury, where it's supposed to be.

L. C. UNFRED, a cotton producer from Tahoka, was among those testifying in favor of proposed amendments to the Cotton Research and Promotion Order at a hearing in Atlanta on September 23. Hearing is one of a series being conducted by the U. S. Department of Agriculture to determine grower sentiment on increased assessments for research and promotion.

8:00 p.m. - midnight - Street dance

The Lynn County Unit of the American Heart Association will staff a Public Information Booth from 1:00 - 5:00 p.m. Saturday.

### Boll Weevil Spraying Underway

In an all-out effort to arrest movement of the cotton boll weevil, officials of the USDA Plant Protection and Quarantine Service and the producer-owned Plains Cotton Growers of Lubbock have completed first and second insecticidal spraying of 275,000 acres of cotton. Acreage treated extends from Briscoe County on to the north to Borden and Dawson Counties on the south, along the Caprock's

eastern edge. Ray Moritz, district supervisor with PPO, and Ed Dean, director of field services for Plains Cotton Growers, who are coordinating the Diapause Boll Weevil Control Program, say the first boll weevil spraying operations of the fall were carried out from Sept. 6 to 16. Second insecticidal applications of the 275,000 base acreage area was to have ended Friday, September 24, following a record treatment of over 100,000 acres the day before. The two treatments represent an aggregate total acreage sprayed of over a half million

acres. A third insecticidal application is slated to begin in early October. Moritz, who is coordinating field operations, says twenty spray planes are being used to cover the huge territory and he expects up to five control zone treatments will be conducted unless an early freeze occurs. "All fields are being block sprayed from Matador southward to Jayton, plus acreages below the Caprock in Garza and Crosby counties," Moritz says. "Fields are being sprayed on a selected basis in all

### Lynn County News

other areas within the control zone unless boll weevil infestations warrant block spraying."

He says boll weevils are more widespread on top of the Caprock this year than in the last several years due to in-migration of weevils from the east and successful overwintering below the Caprock as a result of an abnormally mild winter.

"We believe we have the necessary expertise and resources to adequately cope with this widespread infestation," says Moritz.

He emphasizes that the heavier-than-usual boll weevil populations found along the eastern and southeastern portions of the Caprock were foreseen back in May when boll weevil trap catches showed an increase in weevil populations over previous years for that time of the year. At that time, PCG and PPO officials recommended that producers consider early season spraying for weevil control in July.

The Diapause Boll Weevil Control Program was begun in 1964 along a 15-county area stretching from the upper South Plains southward and southwestward to the New Mexico line, along the Caprock. Its purpose is to use pest management concepts, including spraying and field scouting, to prevent the boll weevil from migrating westward from its overwintering areas below the Caprock.

### Wilson School Board Meets September 21

At the regular meeting of the Wilson Independent School District Board of Education on September 21st, a bid submitted by Lydick Roofing Company of Lubbock to re-roof the Home Economics Building was accepted.

The policy on classification of students by quarters was amended and the 1975-76 tax roll was approved.

Routine accounts payable for September were approved and the minutes of the August meeting were heard and approved.

### Lubbock JC-Ettes Stage Art Sale

The Lubbock Jaycee-Ettes invite all community artists and craft persons to enter the Fifth Annual Lubbock Jaycee-Ette Starving Artist Sale on November 5, 6, and 7 at the former Woolworth Building in the Monterey Shopping Center at 50th and Elgin.

Last year, over \$48,000 in art works and crafts were sold. Over 40,000 people attended and over 350 artists were entered. Bank American and Master Charge cards are accepted to further enhance the salability of the art work, according to Debbie Ramsey, newspaper publicity chairperson. All works are attractively displayed for public inspection and a 20 percent commission is charged on all works sold. Proceeds are given to local charities and service organizations.

Any type of art work or craft, from painting, pottery, needlework, jewelry, to macrame and weaving, is accepted and entries must be received no later than November 1st. Interested persons may contact Janice Gott, 4802 43rd Street, Lubbock 79414, 795-0552 or June Weathersby, 9106 Akron, Lubbock 79423, 745-2521, for entry blanks and further information.

### Rotary Hears Program On Wild Turkey

"Wild Turkey" was the subject of an entertaining and informational film and talk presented at the Rotary Club last Thursday by J. D. Peer, information field officer for this 14-county South Plains area of Texas Parks and Wildlife Department.

Mr. Peer declared Texas has more than half of the wild turkeys in the United States. There are three breeds of the bird and the picture showed them in their natural habitat as well as many interesting facts about them and colorful Texas scenery.

Binie White was in charge of the program.

### State, County Tax Bills To Be In The Mail

Approximately 4,900 tax statements will be mailed out the last of September, according to George D. McCracken, County Tax Assessor and Collector.

A three percent discount will be allowed on 1976 taxes paid in October, two percent in November, and one percent in December.

Total value of the tax roll for 1976 is \$18,685,464. County taxes will be \$177,128.02; state taxes, \$19,226.80; High Plains Water District, \$2,949.09; and Hospital District taxes, \$139,177.18.

Total collections for 1975 were over previous years' collections, according to McCracken.

### Junior High-Lites

BY AMY PORTERFIELD

Both the seventh and eighth-grade football teams suffered defeat in their first game on September 14 against the Idalou Wildcats.

In the seventh-grade game, Tahoka kicked off. All the boys played well, but Jay Fowlkes and Danny Thompson made outstanding plays in the first half. At halftime the score was 6-0 in favor of Idalou. In the second half, Thompson caught a pass intended for Idalou, but on the next play it was lost and Idalou recovered. The Wildcats scored again in the third quarter on a pass play and the two extra points were good. Curt Terry made a super pass to Thompson in the next play. Thompson went in for a touchdown in the last quarter of play and the final score was Tahoka 6, Idalou 14.

Tahoka also kicked off to start the eighth-grade game. Ronald Lusk caught a ball intended for Idalou, but Tino Chapa made a good run in the first quarter; Tracy White and Randall Stotts made outstanding plays in the first half. With 19 seconds left in the first half, Idalou scored a touchdown, making the halftime score 6-0 in favor of the Wildcats. In the third quarter, Charles Bryson made a spectacular run for a touchdown. In the fourth quarter, Idalou got two more touchdowns and made two extra points. Final score was Tahoka 6, Idalou 20.

The Junior High Pep Squad met September 16 and a demerit system was decided on. A total of five demerits will cause a person to be dismissed from the pep squad for the remainder of the year.

The uniforms are to be ready by September 30.

The Junior High Student Council also met September 16 to finalize plans for the "King Legs" contest. Voting is underway and the winner will be crowned and robed at the Junior High Pep Rally on September 21st.

On September 23rd the Junior High football teams played Brownfield there.

The Pep Squad had a hard time getting there and arrived at the start of the second quarter of the seventh-grade game. They arrived just in time to see Danny Thompson run 10 yards for a touchdown. Johnny Alvarado made a good 15-yard run for a first down, leaving 5 yards to go for a touchdown. But Brownfield got the ball on the next play and at halftime, the score was 6-0 in Tahoka's favor.

In the third quarter, Brownfield kicked off; James Wells caught the ball and made a first down. During this quarter, James Wells and Johnny Alvarado made some outstanding tackles. In the final quarter, Mark Hudlin made a spectacular run and later made a touchdown. The final score was Tahoka 12, Brownfield 0. Tahoka had 182 yards rushing to Brownfield's 101 yards. Tahoka made 7 first downs and Brownfield made

5. Tahoka made 2 passes, 1 good and 1 incomplete. Curt Terry made 48 of the yards rushing.

In the eighth-grade game, Brownfield kicked off. During this quarter, Tino Chapa made a good 40-yard run. Tracy White made a touchdown and made a successful run for two extra points. Randall Stotts threw a 20-yard touchdown pass to White. In the second quarter, Charles Bryson intercepted a pass and returned it 20 yards for a touchdown. The halftime score was 20-0 in Tahoka's favor.

In the third quarter, Tahoka kicked off and Roy Burks made a good 35-yard run for a touchdown. Bryson carried the ball for 2 extra points. In the final quarter, Kurt McMillan intercepted a pass and made a good 35-yard run. The final score was Tahoka 28, Brownfield 0. The Bulldogs had 255 yards rushing and Brownfield had 168. Tahoka had seven 1st downs and Brownfield, 5. Outstanding passes were Randall Stotts with 75 yards, Tracy White had 89 yards rushing, Bryson had 77, and Chapa had 48. Both teams played great games.

The Mr. King Legs contest had to be called off because someone stole the jars with the vote money in them. It is a shame one or two people had to spoil the good fun for the whole junior high.

The student council met on September 22nd and chose three movies that will be shown this year.

The seventh and eighth-grade teams play home games tonight, September 30, against Post at 5 p.m.

THURSDAY, SEPTEMBER 14

### Grant Okay For SPCA's \$44,565

Congressman Orin Leson announces the award of a \$44,565 Community Services Administration grant to South Plains Community Action Agency, Inc., with headquarters at Levelland, serving Lynn, Bailey, Comanche, Lamb, Hockley, Terry and Yoakum Counties.

The grant will be effective October 1, 1976 and will run for five months.

The funds will be used for administration of staff, facilities and maintenance; collection of information; planning, development; and evaluation of CAA activities. Neighborhood centers will provide outreach, counseling, placement, and assistance for low-income participants; deliver man services delivery; comprehensive power services and employment program; family planning; non-medical assistance; infants, and child programs; alcoholism; and summer youth program.

### Health Clinics Immunizations Are Friday

Friday, October 15, 9 a.m. to 4 p.m., regular day and time routine immunizations at the Texas State Department of Health Resources, Tahoka.

Offices are located at old Tahoka Clinic Building on South First Street.

### Card Of Thanks

Our grief and sadness cannot be lessened over the loss of one we hold so dear, but it has been made bearable by the many, many friends who came to share our sorrow and so unselfishly tended our emotional, spiritual and physical needs. Our frequent prayer is that may God bless each and everyone of you. A special thanks for the indispensable spiritual support of Elder Glen Williams at the time when understanding was at its lowest.

The family of Ira B. Hill 40-1tp

I wish to thank all those who were so kind to me during my recent illness. I appreciate everything that was done for me.

Lennie Cox
