The Spectator...

By Mary Brecheen

William R. Powell, the reading specialist conducted a workshop for Tahoka and other teachers the week prior to the beginning of school. Powell wrote a letter to Superintendent Jim Stinson which he did not necessarily write for publication; however, he surely will not be denied if I quote a portion of his communication. It goes something like this: "Normally, when I complete an assignment, he is relieved when I have been completed; however, I did not feel that I had in Tahoka last week. Your teachers were so excited, responsive, and concerned that I had more time to spend with them. It was a great group."

Everything I might add would serve only to take what Doctor Powell said, but I can say that he is perceptive, in addition to being a master in his profession.

###

The fall of the year is a special time for me. The word "exciting" is a good word, but that's not the way I feel. The mysterious that seemingly overnight, one sense that fall has arrived. Some prefer to call it Indian summer; some say Indian summer. I have been away, the smell of gin and tonics brought on fits of nostalgia that were hard to shake. I have many fond memories of the cotton-picking time in days of yore. I picked so much of it, but the season that interested folks to our place and there just simply an air of something different. Now that I'm older, the big kids have gone home and the little ones come in the house. It's just a different season somehow. It's really just a time of storing away for the winter—both physically and mentally. I feel that I'm permitted to cogitate, meditate, deliberate about the fall season without being too disrespectful to the maker of seasons.

Many inspiring things have been written about autumn, and I can't begin to match wits with the writers, but I sure can do a lot of beautiful things.

Fred Hegi Is Treasurer of Cooper Industries

Cooper Industries President Robert Cizik has named Fred Hegi as treasurer of the company. Hegi will report to Dewain K. Brumley, Vice-President, Finance and Administration.

FRED HEGI

Fred Hegi is the new capacity, Hegi is responsible for relationships with investment and commercial banks as financial analysts. He is establishing policy and managing the management of the company's assets and liabilities. Hegi is a graduate of Tahoka High School and the son of Mr. and Mrs. F. B. (Pete) Hegi. Hegi joined Cooper Industries in 1973 as a graduate. Prior to 1974, he was an Assistant to the President with primary responsibilities for acquisitions, investments, investor relations and public relations. He taught corporate finance at the University of Texas and later held the position of Senior Investment Manager for First Chicago Corporation. Hegi holds a bachelor's degree in economics and finance from Southern Methodist University, a master's degree from the Harvard Business School, and a doctorate in finance and law from the University of Texas. He is an officer of the Harvard Business School Club of Houston and a director of the Association for Corporate Growth.

MARY BRECHEEN
You can't get blood through the efforts of Phebe K. Warner Study Club which brings the mobile unit to Tahoka.

Local people get a chance to donate blood every year, through the efforts of Phebe K. Warner Study Club which brings the mobile unit to Tahoka. And this year is no exception, with one difference. The mobile unit ordinarily comes on a week day, but the powers that be have consented to come as part of the Harvest Festival Health Fair on Saturday, September 24.

Mrs. James Brookshire Is Lynn Easter Seal Person

Mrs. James Brookshire of Tahoka has accepted the position of Easter Seal Representative for Lynn County, the appointment being announced by Irving A. Baker of Dallas, president of the Easter Seal Society for Crippled Children and Adults of Texas.

Last year, the Society aided 10,768 Texans through an information, referral and follow-up program; physical, speech and hearing therapies; orthopedic equipment purchase and loan; and

Mission Sets Revival

Revival services at the Baptist Mission, South 5th and Avenue H in Tahoka, have been set for 8 o'clock each evening, beginning tonight, September 8, and going through September 11th.

Paulino Bernal, bilingual speaker, will be the speaker at the open-air services, and Ricardo Mejia will direct singing. The public is invited.

Cotton Club Will Meet September 12

The Lynn County Ladies Cotton Association will meet at 2 p.m. on Monday, September 12, at the Methodist Church.

The Sew-It-With-Cotton Contest will be discussed and a short style show will be presented by Jennings of Tahoka.

All articles advertised by the Association in this issue of *The News* will be for sale, and door prizes will be given. The public is invited to the meeting.

CB Club Nets \$2525.17 During The Labor Day MD Telethon

Lynco CB Club collected \$2,525.17 during its participation in the Jerry Lewis Muscular Dystrophy Telethon on Labor Day.

The club expresses its gratitude to all businesses and individuals who donated food, supplies, and who gave their support to the effort.

The amount collected includes \$678.79 collected in a door-to-door campaign by the following youngsters: Shirley Jolly, Kris Gass, Jimmy Dunn, Ronnie Dunn, Kurt McMillan, Bobby Jolly, Jr., Toby Gass, Wylie Stice, Cody Stice.

Also, David Raindl, Len Lawrence, Tobi Isbell, Sandy Isbell, Kimberly McMillan, Candy Stice, Debbie Jolly, Vicki Dunn, Sharlette Lind-

Chamberettes Will Meet Next Tuesday

The women's division of Tahoka Chamber of Commerce will meet at noon next Tuesday, September 12, in Tahoka Cafeteria.

It is important that all members be present to discuss Harvest Festival activities.

related aids. The 46-year-old non-profit health agency is active year-round in all 254 counties in Texas in attempting to reach all physically disabled Texans who need information and/or assistance. The Easter Seal program helps every disabled Texas child and adult have an equal opportunity at an independent and normal way of life.

Mrs. Jean Harvick can be contacted by a disabled person or the person's family for the required simple and confidential patient referral form. The forms are available at Mrs. Harvick's office in North Elementary School.

There are no fees for these services and persons needing assistance are urged to apply.

The Texas Easter Seal Society helps support eleven treatment or rehabilitation centers which treat physically handicapped children and adults who cannot pay the costs of their disabilities and who are not eligible for help from any other source. The Society has provided care and treatment in the state since 1929 and is the oldest voluntary health agency serving physically disabled Texans. The program is supported by the traditional Spring Easter Seal Appeal and an annual Fall Membership drive.

'47 FB Champs Plan Reunion

The champion football team of 1947 in Tahoka will have a get-together during the homecoming celebration at Tahoka the weekend of September 23-24, instead of at Christmas, as has been the custom in the past.

JV-9th Team To Play Wilson On Thursday

According to Tahoka Athletic Director A. D. Shaver, a team composed of junior varsity and ninth grade boys will play at Wilson this Thursday, September 8, at 6:30 p.m.

First Baptist Church To Show Film At Sunday Night Service

"The Final Hour," a color, sound film, will be shown at First Baptist Church in Tahoka on Sunday, September 11, at 7 p.m.

The film, produced in Dallas, declares that the human race is on a collision course with its day of reckoning. Two film crews covered 24,000 miles and 12 countries, ranging from jungle tribes to man's most modern centers, to film the tragic condition of the falling world.

It graphically portrays the realities of life on our declining planet and sensitively links those facts to the Word of God. Its message will alert people of our day to the vital spiritual needs of a

KENT STONE

Kent Stone Attends AIC Annual Meet

Kent Stone, outstanding FFA member at Tahoka High School, has returned from College Station where he attended the 49th annual meeting of the American Institute of Cooperation, a national educational organization for farmer cooperatives.

The meeting was held on the campus of Texas A&M University and 2,600 people from throughout the United States attended.

In the American Workshop Institute, Stone had an intense course in economic education, how cooperatives work, and how cooperatives fit into the American competitive enterprise system. The program brings together outstanding youth with a wide variety of backgrounds and experiences, nationwide.

Stone was sponsored by the Federal Land Bank Association of Tahoka which makes and services farm and ranch loans in Lynn Garza Counties and which has 427 loans for \$8,483,000 outstanding.

JV-9th Team To Play Wilson On Thursday

According to Tahoka Athletic Director A. D. Shaver, a team composed of junior varsity and ninth grade boys will play at Wilson this Thursday, September 8, at 6:30 p.m.

Vehicle Fund Continues To Increase

Fire Chief J. T. Miller reports that donations in the amount of \$295 have been added to the Emergency Ambulance Fund of the Volunteer Fire Department.

Recent donors are as follows: Mr. and Mrs. Raymond Ashbrook, \$25; Joe Brooks, \$20; Joe D. Unfred, \$100; Jack Hoskins, \$50; J. C. Womack, \$50; and Finis Botkin, \$50.

The fund now contains \$11,252.41.

Committee Meets To Finalize Plans For Big Harvest Festival

The Harvest Festival Committee met on Tuesday night of this week to compare notes and to finalize some plans for the 2nd Annual Lynn County Harvest Festival, to be held on September 24th and sponsored by the women's division of the Chamber of Commerce.

Festival activities will begin on Thursday morning, September 22nd, when entries in the County Fair are to be brought to the old Post Office Building, between 8 a.m. and noon. Judging for that event will be Thursday night. Entry fee is 50 cents per item or \$20 per club. Rules and an entry blank appear elsewhere in this edition of *The News*.

Parade
A parade and pep rally will follow the homecoming celebration at Tahoka High School, keynote address to be given by John Shepherd, Seminole attorney and Tahoka High alumnus, at 1:15 on Friday, the 23rd. Businesses are urged to decorate windows, for judging, in the spirit of harvest theme.

Gary White and Don Wise, high school band director, are in charge of parade entries. Rainbow Girls and Order of Eastern Star will serve a meal before the homecoming game on Friday night, in the school cafeteria.

Hourly Drawings
On Saturday morning, beginning at 10 o'clock, drawings will be held hourly.

Lynn County Is Third In Cotton Yield

Farmers in Lynn County ranked number three in production of Upland cotton in 1976, Agriculture Commissioner Reagan V. Brown has announced.

With a yield of 200,600 bales, countywide production was up some 55,800 bales from 1975. Farmers harvested 260,000 acres, compared with 215,300 acres in 1975, and yields per harvested acre rose from 323 pounds in '75 to 370 pounds last year.

Texas farmers averaged 62.4 cents per pound, bringing the value of the state's Upland crop to \$990 million. This figure was up \$487 million from 1975.

Red Raider Film Shown At Rotary

Red Raider football highlights of last year were shown in a film at the Rotary Club by Leete Jackson, executive secretary of the Red Raider clubs of Texas Tech.

Dwain Lusk was in charge of the program and introduced the speaker.

Special guests presented by County Judge V. F. Jones were the new county agent, Stanley M. Young, who succeeds Bill Griffin, retired on September 1, and the new assistant agent, James Ray Fuller.

on the courthouse square, for gifts donated by county merchants. Persons will be registering for the drawings, beginning in the near future and ending at 10 a.m. on the 24th.

Queen's Contest
Jerry Rogers, from KMCC TV, will conduct the drawings and will also be master of ceremonies at the 2 p.m. Harvest Festival Queen Contest, also at the square.

Food, Refreshment Booths
Food booths, arranged for by calling Mrs. Ann Roberts at 998-5120 or 998-4938, will be located on the square throughout the day on Saturday, and men's and women's bicycle races, coordinated by Don Boydston and Carla Pebbworth, will be at 4 o'clock.

Tahoka Lions Club will have a flea market near the square all day on Saturday.

Also, a Health Fair, arranged by Mrs. Jo Carol

Long, will include the March of Dimes, Blood Services' Mobile Unit, American Cancer Society, Texas Department of Health Resources, and American Heart Association and will be held at the Methodist Church Fellowship Hall, all day Saturday.

Street Dance
Weldon Reed and the Solid Country, from Justiceburg, will provide music for a street dance from 8:30 p.m. to 1 a.m., during which time Tahoka Rotary Club will sell German sausage. Other food and refreshment booths will be closed by 7 p.m.

The band which played during the Summer Festival, the Coolwater Trio, will play all day, beginning by 11 a.m., on Saturday at the courthouse square.

Persons wishing to participate in any event are asked to contact the one in charge or Mrs. Nadine Dunlap, general chairperson.

Experiment Station Field Day Features Research Highlights

Cotton, nematode, soil, and seed control research will be featured attractions at this year's field day of the Texas Agricultural Experiment Station at Lubbock.

The 68th annual event begins at 1 p.m. on Tuesday, September 13, at the Texas A & M University Research and Extension Center located seven and one-half miles north of Lubbock (see Field Day, page 3)

Tahoka's Herb Duncan Goes To San Antonio's Governors' Conference

Tahoka's Texas Highway Department Trooper Herb Duncan was one of sixty troopers throughout the state invited to attend the Southern Governors' Conference in San Antonio August 28-31.

The troopers, together with thirty-five Texas Rangers, provided security for the fourteen governors, the Conference being hosted by Texas Governor Dolph Briscoe.

The Governors headquartered at the famous St. Anthony Hotel, and Duncan's assignment was to provide security at that location.

The troopers were subjects of an intense training session from Thursday through Saturday, prior to the Governors' arrival on Sunday, the 28th.

Duncan has been with the Highway Department seven and one-half years, all of that time being spent in the Tahoka area. He and his wife, Barbara, and three sons, Sheldon, Neal, and Brent, will be moving to a new assignment at Wellington next week.

Jimmy Bailey Is Lauded By UTA For Athletic Leadership

Leading rusher at UTA, totaling 543 yards on 109 carries in 11 games. Besides this honor, Bailey also proved the second best receiver, grabbing 9 passes for 154 yards.

"Jimmy Bailey will be back for his third year as a starter at left half," commented Mav head coach Bud Elliott. "He can do it all. I look for Jimmy to have a super year."

The college senior won All-District 5-AA honors in both football and basketball, at Tahoka. He also won the Fighting Heart Award.

UTA's season opened in Natchitoches, Louisiana against Northwest Louisiana on September 3rd and the Mavs' home season will be kicked off October 8 when they meet the Southland Conference defending champ, McNeese State.

There is a shortage of voluntary blood donors

Generally speaking, those who are 17 through 65 years of age, who weigh at least 110 pounds, and who have waited eight weeks since their last blood donation may give blood.

Prospective donors should call Mrs. Owens at 998-4873, nationwide and this shortage exists in Tahoka.

But, come September 24, Lynn County people will have an opportunity to do their part in alleviating the shortage.

Prospective donors should call Mrs. Owens at 998-4873,

Blood Donors Urgently Needed At Health Fair On September 24th

Local people get a chance to donate blood every year, through the efforts of Phebe K. Warner Study Club which brings the mobile unit to Tahoka.

One catch: Before they will come to Tahoka on a Saturday, they must be assured that they will have at least thirty-five donors.

Mrs. Elmer Owens has been coordinating the blood drive for the study club for a number of years and at this time, she has the names of less than a dozen prospective donors.

The first year for the drive in Tahoka, fifty-two persons gave blood, the next year 29,

and it's been approximately that number since then.

Blood Services of Lubbock, a facility of United Blood Services, was established in 1952 at the request of the Lubbock-Crosby-Garza County Medical Society and today serves 38 hospitals in a 23-county area.

An individual who gives blood helps to insure that there will be a safe and adequate supply of blood available if anyone in the community should need it. The donor and his immediate family is given six months protection for service fees anywhere, except for hemophilia.

Generally speaking, those who are 17 through 65 years of age, who weigh at least 110 pounds, and who have waited eight weeks since their last blood donation may give blood.

There is a shortage of voluntary blood donors

Prospective donors should call Mrs. Owens at 998-4873,

Stanton Buffaloes Defeat Bulldogs In Season Opener On Friday Night

BY DARRYL STOTTS
Tahoka Bulldogs were defeated by the Stanton Buffaloes 26-14 at the first game of the season on Friday night, September 2nd.

Tahoka gained 62 yards on their next possession, but again did not score. They did score on their next possession when Ed Roberson threw Richard Cranford a 45-yard TD pass. Clifford Bailey scored the 3-yard PAT. At halftime, the Bulldogs led 8-6.

Stanton scored in the third quarter on their second possession as Jones drove over from a yard away. Tommy Morrow scored the PAT.

Ropesville Eagles Are Winners In Opening Bout With Wilson

On their home field Friday night, September 2, the Wilson Mustangs lost their season opener with Ropesville, 15-0.

Gary Means, offensive quarterback and defensive halfback for the Eagles, made both touchdowns, one in the first quarter and one in the third quarter. He also kicked the extra point after the TD.

THE GREAT PLAINS CONSERVATION PROGRAM, administered by the Soil Conservation Service, will have funds available for contracts, beginning October 1st. There have been 330 contracts written on approximately 200,000 acres of land in Lynn County, where some of the most productive soil in the United States is. Too many farms are washing away each year, soil which helps grow food and fiber for much of the nation. The system of parallel terraces above are on the Lit Moore farm near New Home and were installed under the Great Plains Program. More information can be obtained by calling the local SCS office.

Sew-It-With-Cotton Contest

GENERAL RULES:
An original design or commercial pattern may be used. Garments may not be altered or changed in any way after it has been judged in the Contest (before it is viewed by the public).
Limit: Two entries per model. Each entry must be in separate envelopes.
Model gets the prize.
THE DECISION OF THE JUDGES WILL BE FINAL.
DETAILS:
Materials must be 100% cotton.
Parts of the outer garment must be 100% cotton. A small amount of interfacing of another fabric is acceptable.
Lining, interfacing may be fabric of your choice.
Cotton bonded to synthetic is NOT accepted. Cotton quilted to synthetic is considered a lining.
Portion of an ensemble MAY NOT be bought ready-made. (Ex., if a shirt, skirt, or similar item is needed, a ready-made one will not be accepted.)
Accessories: Items NOT permanently attached, such as belts, dummies, scarves, detachable collars and cuffs, etc. may be any natural or synthetic fabric, leather or plastic.

Field Day

(cont. from page 1)
Highway 87.
According to Lynn County Extension Agent Stanley Young, field tours will be conducted throughout the afternoon with special presentations planned on cotton varieties and diseases, nematode research, weed control research, soil fertility research, water-use efficiency, and grape research.

New Home Succumbs To Foes In Friday Night's Opening Try

The Motley County Mardors took the New Home Leopards to a 45-8 cleaning Friday night, to begin the season for the teams.

Monte Maloney, in the third quarter, intercepted a pass on the 40, followed by a 2-point conversion by Isaiah Roberson, for the Leopards' 8 points.

Tennis Tournament Postponed Until September 17 And 18

Tahoka's tennis tournament, originally scheduled for this weekend, has been postponed until September 17 and 18.

Booster Club Will Meet On Tuesday

The Bulldog Booster Club will meet on Tuesday night, at 7:30, this year, according to Bill Chancy, president.

O'Donnell, Meadow Tie

The game between the O'Donnell Eagles and Meadow Broncos was scoreless until the third quarter when Tony Acosta, for the Eagles, scored on a 10-yard run and the extra point failed.

Persons who are high school age and over are invited to enter the tournament. Depending on the participants, there will be a mixed scrambles division

Cooperating agencies are the Texas Agricultural Extension Service, High Plains Research Foundation, Agricultural Research Service-USDA, and the National Weather Service.
Tractor-drawn trailers will stop at various points of interest to allow specialists to discuss subjects of vital concern to High Plains agriculture. These include cotton varieties, diseases and harvesting, sorghum and soybeans, nematode studies, herbicide tests, soil fertility and water-use efficiency, grape, apple and vegetable work, and other research. Displays of farm machinery and irrigation equipment will be of interest to visiting agriculturists.
Also, specialists will be centrally located to answer questions and discuss specific problems for agricultural producers, home owners, and gardeners.
The field day annually attracts over 1,000 visitors.

EARNEST BAILEY, 1977 graduate of Tahoka High, is a member of the Western New Mexico football squad. Bailey will see action at the runningback position for the Mustangs who open the 1977 season at powerful Abilene Christian University September 17.

New Home News

By Florence Davies

Rev. and Mrs. Don Lane and sons, James and Donnie, moved last week to Lakeview where he is pastor of the Lakeview Baptist Church.

Reverend Lane and his wife were houseparents at the Buckner Orphan Home in Lubbock and he attended Texas Tech.

Mr. and Mrs. Bob Poer made a sightseeing trip to Colorado, leaving Saturday. They returned home Tuesday of last week.

Mr. and Mrs. A. M. Davis attended the Bacon Heights all-church picnic in Lubbock Sunday afternoon and had dinner with Jim Bob Wilson and family.

Mrs. Chloe Russell is back at her home in Knox Village and doing very well, after several days in Methodist Hospital.

She recently made an extended trip to the northeastern states with her brother and sister-in-law, Mr. and Mrs. J. C. Parr of

Phoenix, Arizona.

Wendell Morrow went to Everton, Missouri last Sunday and on arrival there, found his father, Bur Morrow, ill in the St. John's Hospital in Springfield.

Wendell also visited his sister, Mrs. Carolyn Thompson, and children in Ashgrove, Missouri, and Mr. and Mrs. Bill Ueckert and family in Ballinger.

Mr. and Mrs. Luther Foerster and Deloris, New Home; Mr. and Mrs. Walter Nierlich, Lubbock; and Mr. and Mrs. Marvin Menzel, Shallowater vacationed ten days in Arkansas and Oklahoma.

In Hot Springs, Arkansas, they saw part of the filming of "Nashville on the Road" and attended the passion play in Eureka Springs, then spent some time at Villa Vista where Mr. and Mrs. Nierlich have bought a home for their retirement years.

They also visited Mr. and Mrs. Cecil Menzel at the ranch at Bochtio, Oklahoma, and Mr. and Mrs. T. C. Toler at Durant before returning home Saturday.

Mr. and Mrs. Wilson Edwards of Tahoka and Mr. and Mrs. Boswell Edwards visited in Denver, Colorado last week with Mr. and Mrs. Joe Boles.

Mr. and Mrs. Bob Parker visited Mr. and Mrs. Clarence Gather in Plainview last Saturday.

The first bale of cotton was ginned at the New Home Co-op Gin Friday morning, September 2nd. The bale weighed 455 pounds and was grown by E. R. Blakney on the Lawson farm north of Slide.

We visited in Muleshoe

Lynn County News

Saturday afternoon with Glen Dale and Barbara King and with Grady and Frances King in Lazbuddie.

Also had a nice "on-the-line" visit with Sherman and Beatrice Inman and Mrs. Gary (Woosie) Hicks.

We welcome to New Home Mr. and Mrs. Donnie Scroggins, Michelle and Penny. They recently moved a ready-built house from Lubbock to the Armes farm east of town and are now at home there.

Mr. and Mrs. O. L. Davis and Cletus from Willow, Oklahoma were visiting their son, Doug Davis, and family over the weekend and attended services in the New Home Baptist Church Sunday.

Larry Crutchlow was in the Osteopathic Hospital Monday for a tonsillectomy.

Since Monday was a legal holiday, we went to Monahans to see Mrs. Minnie Young of Seagraves who is a patient in the Monahans Hospital. She remains in very serious condition.

We drove on to Wink and had a nice visit with Sue and Newton Snodgrass and Chris and a short visit with Susan Haley and Dawson.

Funeral services for Jerry D. Murray, 36, were Saturday, September 3rd, in Sunset Memorial Gardens in Fredricksburg, Virginia, with Rev. Kelly Lane, pastor of the Salem Baptist Church, officiating.

Jerry died Wednesday in Bethesda Naval Hospital in Maryland following a long illness.

He was a graduate of Idalou High School and was employed by the Spotsylvania County Water Filtration Plant.

Survivors include his wife, Doris; three step-sons, Tony, Mack, and Douglas Jessup; a step-daughter, Mrs. Donna Myers; his mother, Mrs. Lucille Murray, Lubbock; his father, W. E. Murray, Nara Visa, New Mexico; a sister, Mrs. Georgia Vangeault, Winnboro; a brother, W. R. Murray, Lubbock; and one grandchild.

Jerry lived in the New Home area with his family when he was a child.

In a meeting August 29, officers were elected for the 1977-78 pep squad.

Elizabeth Caballero, a senior, will be the Leopard mascot; Pam Barnett was elected president; and Mitzi Blake, secretary-treasurer.

Mr. and Mrs. Facundo Hiracheta and Debbie visited a week in Three Rivers and Rosenberg, leaving August 12th.

The film, "For Pete's Sake," one of the most powerful of the Billy Graham films, was shown Sunday evening in the New Home Baptist Church.

Mr. and Mrs. John Edwards attended the Windham family reunion in Post Sunday.

Mr. and Mrs. Connolly Unfred vacationed a few days last week at their mountain cabin in Cloudcroft.

Mrs. Cindy Barnhill and children, Kenneth and Kimberly, of Detroit, Michigan, left Sunday after visiting here a week with her aunt and uncle, Mr. and Mrs. Barney Mayfield.

Kimberly was here a month.

Mr. and Mrs. Jack Clements and Mr. and Mrs. Mike Buck of Pampa spent a week at San Antonio, rafted down the Guadalupe River at Kerrville, went to Lukenbach, and toured the LBJ Ranch, returning home Sunday.

John Dudley Edwards, student in West Texas State in Canyon, acted as security guard at the Willie Nelson Concert Sunday.

There were 120 security guards, 25 Department of Public Safety officers, 40 local and county police, 15 members of the sheriff's posse, and untold numbers of door guards to keep the crowd of more than 20,000 in line.

Mrs. Ruby Overman was

in Lubbock Saturday, September 5, to attend the wedding of her son, Jerry, to Lynn Carroll.

The ceremony was performed by Rev. Leo Cole, pastor of the New Home Baptist Church, at 10 a.m. in the home of Lynn's parents, Mr. and Mrs. John R. Morgan, 3720 53rd Street. Jerry is employed at Coca Cola Bottling Works in Lubbock.

Mr. and Mrs. J. W. Edwards spent the weekend in Carlsbad, New Mexico with their daughter, Mrs. Howard Madison, and family.

Mrs. Glenda Sparkman of Houston flew in to spend the last weekend in August with her parents, Mr. and Mrs. Donnie Morris.

Mr. and Mrs. D. B. Morris and his sister, Mrs. Jewel Carter, of Lubbock drove to San Antonio Friday to visit their aunt, Mrs. Annie Mae Dunlap, in the Methodist Hospital in San Antonio.

They returned home Sunday.

After the regular monthly city council meeting Tuesday morning, September 6, Mayor J. W. Edwards was surprised with a birthday reception.

Birthday cake and coffee were served to a host of friends.

Don McBrayer went to Carlsbad, New Mexico Saturday to help set up a pigeon show.

He also visited friends, Wayne Taylor and Don Schrunck.

Area Airports Will Be Discussed

A Texas Airport System Plan regional planning meeting will be held at 10 a.m. Friday, September 9, in Crosbyton at the Crosby County Pioneer Memorial Building.

Development needs of airports in Crosby, Dickens, Floyd, Garza, King, Lynn, and Motley Counties will be discussed. The meeting will be conducted by the Texas Aeronautics Commission.

All area citizens with an interest in air transportation and airport development are invited to attend. Participating in the meeting will be city and county elected officials, airport board members, airport managers, representatives of the South Plains Association of Governments, and other citizens.

SP Health Systems Board Will Meet

The board of directors of South Plains Health Systems, Inc. will have its annual meeting on Saturday, September 10, from 9 a.m. to 4 p.m. in Lubbock Memorial Civic Center, Rooms 108 and 109.

The agenda consists of a business meeting followed by a workshop on health plan development.

Dr. David Midkiff is a director of SPHS.

Prescribed Reading

By Dayton Parke
PARKER PHARMACY

Talking with your pharmacist may improve your health. Statistics show that 70% of hypertensives, (people with high-blood pressure) are aware of their condition but almost half of these are on inadequate or no therapy at all. The importance for all members of the health-care team, including pharmacists, in educating the public is stressed. Future educational aids may include slides shown to patients while their prescriptions are being filled and handouts describing procedures to be followed. Most important, as shown by a follow-up survey conducted by Xavier University College of Pharmacy, was a 10.2% increase in adequate control of hypertension... improvement stemming from patients talking with their pharmacists.

MISS KATHY WARREN and LEE PORTER

Kathy Warren, Lee Porter Plan Oklahoma Wedding On 22nd

Mr. and Mrs. C. B. Warren, Jr. of Oklahoma City announced the engagement and approaching marriage of their daughter, Kathy Ann, to Edwin Lee Porter, Jr., son of Reverend and Mrs. Edwin Lee Porter, of the Grassland community.

The couple will be married on September 22nd in Oklahoma City. Miss Warren will be a spring graduate of Southern Oklahoma College, with a degree in child development. Her fiancé is a 1977 graduate of Southwest College, with a degree in mass media.

Who's Who in D.E.C.A.

BY ROBIN JENNINGS

CLOYE ROSEBERRY

A first-year member of the Distributive Education program at Tahoka High, Cloye Roseberry is a junior and he is the chapter parliamentarian.

Cloye is employed by his parents, Mr. and Mrs. Jack Roseberry, at Sentry Shoes and his jobs include selling and stocking.

His favorite hobbies are drawing and "making the drag." He enjoys going to shows and eating at the Red Lobster.

DECA is grateful to Mrs. Roseberry for hiring two D.E. students.

Tole Painters To Organize

The Lubbock Chapter of the National Society of Tole and Decorative Painters is now organizing and all interested students, teachers, shops, and suppliers are welcome.

The name is West Texas Cotton Pickin' Painters and the group will meet monthly, except May and December, on the second Sunday, from 2 to 4 p.m. Currently, meetings are held at Melonie Park South Homeowners Party House, 3500 74th Street.

On Sunday, September 11, from 1 to 5 p.m., Jane Hodgkins, a local chapter teacher, will be doing a free workshop on cornhuskers. Each person attending must be a chapter member and furnish his own supplies.

Local dues are \$5.00 per year and national dues are \$10. To become a local member, one also must become a national member. Membership includes four issues of *The Decorative Painter*.

National Tole Week is in October and local members' work will be displayed. More information may be obtained by calling Kathy Railsback at 793-2087 in Lubbock.

Driving Safety Tips

Hints For Motorcyclists
NIGHT RIDING

If you're one of America's 15 million motorcyclists the chances are that sometimes you're a night rider. Here from the experts at Motorcycle Safety Foundation are some tips to make your night riding safer.

• Learn to use the lights from other vehicles. Don't override your headlight which may not cover the road as well as those of an automobile.

• Take extra care to make sure others see you. Your riding gear is important. Wear light, bright clothing. Reflective tape on your helmet and clothing may help catch another driver's eye.

• Don't wear a scratched face shield or goggles. At night it would be particularly dangerous because of the poor vision caused by the reflective glare from oncoming lights. If you use tinted eye protection during the day remember to carry a clear face shield or goggles for night riding.

• If the high beam of your headlight goes out, use the low beam, but get the lighting system fixed at the first opportunity. If your low beam goes out, switch to high beam, and turn or twist the headlight lower so it does not annoy other drivers.

Remember, when riding at night, to take extra care.

Program officials have announced that the first spraying of insecticide in the fourteenth year of the High Plains Boll Weevil Control Program is scheduled to begin September 6.

Weather permitting, aerial applicators within a few days will have put ultra low volume malathion on about 80,000 acres of weevil-infested cotton along the eastern edge of the High Plains. The program, initiated by Lubbock-based Plains Cotton Growers, Inc., has operated each year since 1964 to prevent the spread of boll weevils across the huge cotton acreage west of the Caprock. Its cost is borne jointly by High Plains cotton producers, the U.S. and Texas Departments of Agriculture. USDA matches funds contributed by producers and the TDA.

The acreage to receive treatment in the first application this year is only about two-thirds the 125,000 acres covered in early September of 1976.

There are two reasons for this said PCG Field Service Director Ed Dean. "First, thanks to the excellent kill achieved by the program last year and a cold 1976-77 winter, there have been fewer weevils coming out of hibernation this year. Second, because of the unusually serious threat of bollworm infestations this year, only fields with very large numbers of weevils will be treated on the first application," Dean explained.

"The 90 'weevil checkers' that mapped out acreage for the initial treatment counted bollworms right along with weevils," he continued, "and we won't be spraying in fields where the killing of beneficial insects would bring on more crop damage from bollworms than is expected from weevils."

Ultimately officials expect to spray an aggregate of 750,000 acres this year. "Base acreage" of between 200,000 and 250,000 will be sprayed from one to five times as necessary until frost or harvesting destroys the weevil's food supply.

Base acreage in last year's program totaled over 350,000, and the aggregate acreage sprayed came to 1,161,000.

The program control zone is divided into three units, each to be treated under a separate contract with an aerial applicator. Contracts were let recently to the three lowest of 24 bidders. Successful bidders for the 1977 operations, all Texas firms, were Nimmo Spraying Service of Plainview, Stribling Spraying Service of Dawn, and Perryton Aviation of Perryton.

Officials figure the average cost of insecticide application in 1977 will be about \$2.38 per gallon. The average per-gallon cost under 1976 contracts was \$2.70.

Sherry Ethere... Says

Milk: An After-School Delight

School time means after-school snack time and it's sometimes a challenge to get the right foods that will be accepted by youngsters, and at the same time nourishing.

Milk and dairy products are one of the "Basic Four" food groups that are essential for keeping strong and healthy. They provide energy to help grow sound muscles and teeth and protein to help build and repair body tissues and fight infection. They are also a good source of riboflavin, a B vitamin which helps keep skin healthy and clear.

Milk and dairy products add new dimensions in menu planning. These recipes have been tested in home kitchens:

Maple Float (6 servings, 1 cup each): Mix 1/2 cup maple syrup, 1 tablespoon molasses and 5 cups Stir well. Cut 1 pint vanilla ice cream into 6 pieces and place 1 piece in glass. Pour maple sauce over ice cream and serve immediately. Calories per serving: About 275. For low-calories, use skim milk instead of whole milk. About 150 calories per serving.

Strawberry Milkshake (6 servings, 1 1/2 cups each): Mix 1 ten-ounce package of strawberries until soft and still very cold; crush. Add 1 quart milk and 1 cup nonfat dry milk to strawberries and blend

thoroughly. Add 1 quart slightly softened strawberry ice cream and beat or shake just enough to blend ingredients. Pour into tall glasses and serve immediately. Calories per serving: About 370.

Home Tour Scheduled In Lubbock

Zeta Tau Alpha Alumnae will host a tour of homes from 2 to 5 p.m. on Sunday, September 11, in Lubbock, to benefit the Lubbock State School, local scholarships, and the National Association of Retarded Citizens.

Tickets are \$2.00 (tax deductible) and may be purchased from September 5-10 at Hemphill Wells Box Office, in the Mall, or by calling 792-8977, 799-6748, or 797-3989. Tickets will be available at each of the homes on the day of the tour. Homes (all in Lubbock) to be toured are: Dr. and Mrs. Valton Cox, 4605 9th; Mrs. Glenn Keyton, 4504 21st; Mr. and Mrs. Joe McKay, 3515 44th; and Mrs. Chan Rix Victory, 4623 27th.

State Ranks No. 1 in U.S. In Sorghum

AUSTIN—Texas farmers helped make the state No. 1 in the nation in sorghum production last year, with a total of 292,900,000 bushels being harvested, Agriculture Commissioner Reagan V. Brown has announced.

Brown noted, however, that of the 7,300,000 acres planted in sorghum in Texas, only 5,800,000 were harvested. Harvesting of an excellent crop was underway in southern Texas when heavy rains caused much of the grain to turn black or sprout in the head before harvesting was complete, Brown stated. In addition, he said, an early freeze on the High Plains damaged numerous late crops.

An average yield of 50.5 bushels per acre was reported, Brown said.

While only 420,000 individuals work directly on Texas farms and ranches, roughly 25 per cent or four out of every ten persons in the state owe their jobs either directly or indirectly to agriculture and agribusiness, according to Agriculture Commissioner Reagan V. Brown.

BALI IN D & DD TO FIT AND FLATTER THE FULLER FIGURE COMFORTABLY.

Bali has created a whole wardrobe of bras for the fuller figure. Bras that are uniquely styled to mold and shape comfortably... with wider straps for greater comfort and support. Bras that really fit and flatter the fuller figure.

PRODUCE: This will be judged on their size and color. Pumpkin, squash, tomatoes, turnips, etc. This includes tallest cotton stalk and stalk with the most bolls.

MRS. JEWEL RAY PIERCE
 ...the former Brenda Sue Roberts

August 27th Vows In Tahoka Unite Miss Roberts, Mr. Pierce

Miss Brenda Sue Roberts and Jewel Ray Pierce were united in marriage August 27th at 4 o'clock in the afternoon at the First Baptist Church in Tahoka with Reverend Jimmy A. Turner officiating at the double-ring ceremony.
 The bride is the daughter of W. Elbert Roberts of Lubbock and Mrs. Reba Cook Bragg of Stamford. Mr. and Mrs. J. C. Pierce of Lubbock are the groom's parents.
 The wedding altar was centered with an arched candelabra covered with emerald fern. The coir rails on each side held white votive candles and were

covered with plumosis fern.

Wedding music was provided by Mrs. Clay Bennett of Tahoka, organist, and Janice Witt of Borger, soloist, who sang *Sunrise, Sunset and The Wedding Song*.

The bride, given in marriage by her father, wore a Renaissance gown of candlelight crystalline and Irish Cluney lace. The moulded bodice featured a Princess Anne neckline and long Cardinal sleeves which were framed in the Cluney lace. A stream of lace created a center front panel and edged the entire hem and train. The bouffant veiling fell in sheer layers

which were edged in matching Cluney lace from a Camelot lace and pearl cap.

Her bouquet was a cascading arrangement of rainbow daisy pom-poms and pink roses with streamers of love knots. The maid of honor, Janice Witt, was attired in a formal-length chiffon gown of azure blue. Bridesmaids Renee Brownfield, Mrs. Billy Teichelman, and Cindy Wimberley, all from Stamford, wore identical dresses in petal pink, fresh green, and lemon yellow. They wore silk flowers in their hair and carried nosegays of rainbow daisies.

Sheila Pierce, the groom's sister, was flower girl. She wore a long pink organza dress and carried a white wicker basket filled with rainbow daisy pom-poms. The candles were lighted by Kimberley Wedeking of Stamford who wore a blue organza dress featuring a ruffled flounce around the bottom.

Randall Lindsey of Lubbock was best man, and groomsmen were Joe Evans and Noel Bills of Lubbock and Dusty Pierce of Abernathy, the groom's cousin.

Robby Wedeking and Tim Bunkley of Stamford ushered the guests.

The garden reception, planned for the home of Mr. and Mrs. E. A. Cook, grandparents of the bride, had to be moved to the church fellowship hall because of inclement weather.

Mrs. Murle Rice, the bride's cousin, presided at the registry table. Leigh Davenport of Stamford and Holly Kamp of Bryan served at the bride's table which was covered in white eyelet and centered with a silver epergne filled with rainbow daisies and plumosis fern. Miss Trenia Craze of Lubbock and Cindy Wimberley assisted with hospitalities at the groom's table which featured the traditional chocolate groom's cake and brass appointments.
 The bride is a 1975 graduate of Stamford High School and is a junior accounting major at Texas Tech. The groom is a 1975 graduate of Roosevelt High School and is employed with Manchester Tank Company in Lubbock.
 The couple will reside at Route 1, Lubbock following a wedding trip to Ruidoso.

Introducing

Mr. and Mrs. John Davis of Richardson are the parents of a daughter, Morgan Elizabeth, who was born August 27th in a Dallas hospital.

The young lady weighed six pounds and nine ounces. Grandparents are Mr. and Mrs. T. E. Leverett of Tahoka and Mr. and Mrs. H. H. Davis of Dallas.

Great-grandmothers are Mrs. A. E. Leverett and Mrs. W. P. Anderson, both of Tahoka.

The new baby's mother is the former Melanie Leverett, a 1969 graduate of Tahoka High School.

A son, Zackary Thomas, was born to Mr. and Mrs. Rayford Gage on August 16 at Killeen.

Bridge Winners

Winners at T-Bar Duplicate Bridge last week were Mrs. Roy LeMond and Mrs. Winston Wharton, first; Mrs. Margie Maddox and James McAllister, Lamesa, second; and Mrs. Bill Corbin and Mrs. Meldon Leslie, third.

An important message to our customers.

The House of Representatives has just voted to raise the price of your electricity! And the Senate is looking at the same Legislation. These bills are going to cost you plenty — nearly \$50,000,000 a year for the next ten years. That's almost half a billion dollars!

Who cares? Of course you care. And we care. That's the reason we want you to know what's happening in Washington.

Not only did the House vote to raise your electric bill, there's a strong chance you'll get less reliable service, too. The Government is trying to take over regulation of your electric company. That's right! A Washington bureaucrat will decide who gets electric power and how much instead of your state and local officials.

That means your electric company will lose control over how we operate our own power transmission lines and facilities. We might not be able to give you — our customers — first priority. The Federal Government could use some of the money you pay for your electric service to make your electric company build a transmission line for a government-subsidized utility. You pay twice that way — in your electric bill and in your taxes. And you don't even get to use the line.

Let's not beat around the bush. The cost of doing business is going up. It costs you more for your electric service than it used to. But now when you pay your electric bill, you pay only what it costs to serve you, plus a controlled profit, so that we can keep updating our generation facilities and our technology to keep serving you better.

Well, if some Congressmen have their way, some people will pay less than their fair share of the electricity cost. Who will decide who gets the special rates? You can bet it won't be you... or us... or our state and local government who know our needs best.

It will be some government official in Washington!

There's a whole lot more bad news in this legislation that has passed the House and is now being considered in the Senate. It's all part of Senate Bill 1469, Part E... and... Now for more bad news... Senate Bill 1472!

That's a dandy. It's the one that taxes you because some of your electricity is generated with natural gas. The gas users' tax is a case of the Government telling us to build coal-fired power plants faster than you can afford them.

It's as though the folks in Washington just woke up one day and decided there was an energy crisis and decided to try to right all the wrongs over night. The facts are that your electric company has been doing something about our diminishing natural gas reserves for more than six years. We haven't planned or constructed a gas-fired generation facility since 1971. And since that same time we've been planning to use coal as our primary generation fuel. We've just completed and put into operation Hamming Station — a coal-fired generation plant near Amarillo.

But we need the opportunity to phase out the gas-fired facilities at a savings economical to you, our customers. New power plants cost money... cost you money, because you are our only source of money. We have a program that makes it possible for us to stop using natural gas to make electricity by 1995 at the latest.

It's a program you can afford. It's a program that will help alleviate rising rates. Sure, you'll pay more for electricity in the future. You'll be paying more for everything, but under our plan you'll pay a lot less than you'll have to pay if Senate Bill 1472 passes. 6423,000,000 less between 1983 and 1990.

Why? Because Senate Bill 1472 says that even though we are building coal-fired power plants as fast as you can afford them, you're still going to be penalized by almost a half billion dollars. Just because some staff member in Congress thinks you should build them faster. And remember it's your money that builds these new plants.

The Good News in all this is that your Congressman voted against raising your electric bill, voted against going your poor service... but he was outvoted. Now what you can do is write your United States Senator (His name and address are printed below for your convenience) and tell him to vote against Part E in Senate Bill 1469 and against the gas users' tax in Senate Bill 1472. Why? BECAUSE YOU CAN'T AFFORD THESE BILLS. And that's a damn good reason! Let the people in Washington know that YOU CARE what they're doing with YOUR MONEY!

Thank you

Stanley Young Says...

Boll Weevil Control Program Underway

The first insecticide treatment in the 1977 Diapause Boll Weevil Control Program is to start Tuesday, September 6.

Mapping has been completed in a 15-county control zone area along the Caprock and survey teams have already finished their first field inspections. The gener-

al survey is carried out by a 44 two-man survey teams. These teams provide weekly information on the 400,000 acres within the control zone which serves as a basis for selecting fields which need treatment.

Bollworm counts are being made right along with weevil counts. Special attention will be given to fields treated during the early part of the program so to avoid creating any bollworm problems for program participants. Only those fields having large numbers of weevils or square damage will be treated with the first application. The second application is planned for September 19. This and later treatments will be more intensive. The purpose of these applications is to reduce the numbers of diapausing boll weevils.

Overall, boll weevil infestations have been light up to this time. However, some fields have developed heavy weevil infestations. It is important that treatment be initiated on these fields with the first application to prevent damage and to limit the spread of weevils into other fields.

Mrs. Graham Visits Parents

Mrs. Paul Graham and her four-month-old daughter, Sarah Louise, from near Houston, visited recently in the home of Mr. and Mrs. Wes Owen and family.

Mrs. Graham is the former Jane Owen.

We hear science is close to curing insomnia. There goes our last chance for a little privacy.
