Court Will Discuss Officials Compensation

The Bailey County Commissioners' Court will meet in a regular session in the Courthouse on Monday, February 14 beginning at 10 a.m. and continuing until all business is concluded.

Several items are on the agenda for the Court's consideration and one in particular will be the consideration of a final order for the compensation of County and precinct officials and employees for 1983. Also in connection with the Salary Grievance Committee, one member will be selected to replace a declining member.

A personnel policy will be up for consideration by the Commissioners in the Monday meeting.

Repairs on the jail are up for consideration and re-

VALENTINE KING AND QUEEN....The Muleshoe Young Homemakers hosted a Valentine party for residents of the Muleshoe Nursing Home on Friday, February 11. Elected as King and Queen for the Valentine Day Celebration were L.H. Lewis and Barbara Case. The queen was presented with a long-stemmed red rose and the king with a long-stemmed carnation. Lewis is 82 years young and Mrs. Case is a 90 year old former Needmore resident.

Local Youth Participate In Houston Calf Scramble

Two Muleshoe area 4-H'ers Russell Brown, 13, son of Gary Mac Brown and Todd Bessire, age 14, son of Mr. and Mrs. Travis Bessire will participate in the calf scramble at the 1983 Houston Livestock Show and Rodeo.

Both Todd and Russell will "scramble" during the March 5 evening performance in the Astrodome. Not only will the boys have the opportunity to catch a calf, they will also be a part of the outstanding entertainment package that includes the best rodeo contestants in the world and stars Charley Pride as the featured entertainment.

Always a favorite with rodeo audiences, the calf scramble begins as an athletic event in the rodeo arena. However, for the contestants who manage to catch a calf, halter it and drag it across a finish line, the scrambling is only the start of a year-long educational experience.

Each winner in the calf scramble receives a \$600 calf purchase certificate which enables the winner to purchase a purebred, registered heifer that he or she agrees to feed, fit, groom and return to the Houston Livestock Show for special show ring competition the following year.

Calf purchase certificates are donated each year by businesses and individuals who believe in translating their support of the Show and its programs into action by sponsoring a calf.

Each winner also agrees to keep accurate monetary records, submit monthly progress reports both to the Livestock Show and to the individual sponsor, photographically chronicle the progress of the calf and prepare a 500-word essay

views of the ambulance report and the County Treasurer's monthly report will be given. Applications for the County Depository will be reviewed.

A meeting with the Chief Appraiser for Bailey County Appraisal District is set with the Court for 11 a.m. on Monday morning.

Sausage Dinner Planned

St. Ann's Catholic Church of Bovina, Texas will sponsor their Annual German Sausage Dinner on Sunday, February 20, 1983 from 11:30 a.m. until 2:00 p.m.

Serving fare will include: homemade German sausage, homemade sauerkraut.

C of C Chairmen Named, Banquet Plans Finalized

Committee Chairmen for the Chamber of Commerce were announced at a recent Chamber meeting. They are: Public Relations Frank Ellis III, Agriculture Herman Morrison; Budget and Finance Bill Liles; Retail Development Lonnie Adrian; and Nominating Robert Hooten. Other committee chairmen will be named at a later date.

The upcoming Chamber of Commerce and Agriculture Banquet was discussed which has been scheduled this year for March 17, 1983. Grady Jim Robinson has accepted the speaking engagement for this banquet.

Chamber members propose to name a Man of the Year, a Woman of the Year and a Farm Family of the Year. Several other awards are scheduled by individual organizations. The ticket prices for the meal will be \$9 in advance and \$10 at the door and bids are being advertised for the serving of the meal.

In other Chamber activities, the Ford Brothers-Kodiak Circus is scheduled for April 4 here in Muleshoe. Plans for a merchant's elephant sale and possibly an elephant race downtown are being considered.

Those who are considering nominating someone for the Man or Woman of the Year and the Farm Family of the year should

Bailey County Annual Coop Meeting Scheduled

All members of the Bailey County Electric Cooperative Association are urged to attend the Annual Meeting of that organization to be held in Morton, Texas on Saturday, February 26. The event will take place in the Cochran County Activities Building in Morton.

Registration begins at 11:30 a.m. on Saturday and members must register in order to get their meal tickets. The meal will be free for Cooperative members and their families, as well as invited guests. Serving lines will begin at 12 noon.

Four More File School Board

School board elections which are set for the first Saturday in April seem to be drawing a crowd this year, early in the filing time available.

Four persons had filed for trustee positions at the end of the day on Thursday, February 10. Those persons included: Gerry Pierce, Kearney Scoggin, Jim Crawford and Eugene Shaw. Prior to these four, three others had filed, two of them incumbent: Julie Cage, R.D. "Tub" Angeley and Ronnie Holt.

The final day for filing for the Board of Trustees election for the Muleshoe Independent School District is March 2, which is also the final day for filing for city councilmen's positions.

Rates Up Over \$9 Business; \$3 Homes

A rate increase request made to the Public Utilities Commission on Friday, February 11 by General Telephone Company of the Southwest, if granted would mean a \$3.75 increase per month for proposed one-party residence lines in the Muleshoe area. The present one-party residence rates locally are \$7.45 plus \$1.20 for extended area service exchange access rates. The new proposed rates would be \$11.20 for a one-party residence line; however, there is no change in the EAS rates.

Commercial or business phones in Muleshoe, if the request is granted, would jump from \$19.75 for the present one-party business line to \$29.70 for the one party business line. The EAS rates for business phones in the Muleshoe area is \$3.25 per month. Adding the proposed new one party rate of \$29.70 to the EAS rate, gives a total new proposed rate of \$32.95 - an increase of \$9.95 over the present rates.

Local GTE service office manager, Bruce Chapman indicated to the Journal

Friday that unless these new revenues are allowed, other measures will have to be taken by GTE to alleviate the difference in expenses and earnings.

In a formal request, the General Telephone Company of the Southwest asked the Public Utilities Commission of Texas on Friday for \$85.5 million in new revenues, almost half of which the company says is due to changes dictated by various governmental actions.

E.L. Langley, president of GTE said that the request is being made because earnings have fallen to 9.5 percent from 12.5 percent authorized last year, which was never obtained. Interest coverage has fallen to 2.68 and poses a danger of having the company's A rating downgraded to a B rating; and, the dramatic impacts of deregulation of the industry and the restructuring of prices mandated by governmental actions.

"All of these factors require us to either raise rates or cut back our service improvement and modernization program," Langley said. "As distasteful as raising rates is, we prefer it to reducing the programs which our customers have come to expect."

"During the 12 months covered in our filing, we reduced our companywide work force the equivalent of 700 employees in an effort to reduce costs, but have reached the point we cannot reduce much more without adversely affecting service," he continued.

Deregulation mandated by the FCC is causing changes in rules and policies, methods of operations and the pricing of services, according to Langley.

Former Area Woman Named To Outstanding Young Woman

Margaret Arnold, chairman, advisory board, said "Our board of advisors and editors salutes all those honored as Outstanding Young Women of America. We take pride in bringing their accomplishments to the attention of the American public."

Hostesses for the Feb. 10 WOTS luncheon at Summit Savings were Mildred Williams and Nora Flannery. The hostesses presented the guests with Valentines.

The Valentine theme was carried out in the decorations. A candle lit heart centered the main table, while a double heart, red and white cake, baked and decorated by Lydia Wright, served as the birthday cake for the two members having February birthdays. Those celebrating birthdays were Mildred Williams and Kathy Railsback.

Red table covers under lace, along with floating hearts, completed the theme. Bud vases and cards were presented to the birthday ladies.

A Valentine popcorn cake was of special interest to the youngsters at the luncheon, after registering, a name was drawn, and the lucky winner was Joseph Quintana.

Hostesses for the Feb. 17 luncheon will be Lois Martinec and Alice Phillips.

A Valentine card and letter from Kay Madry, who is spending some time in Carlsbad, was read. It is the groups hope that she will soon be joining them again.

Members present were Lois Martinec, Lydia Wright, Deanna Rasco and Jason, Adelia Jones, Alice Phillips, Kay Moncrief, Kathy Railsback, Bettie Moore of Earth, Karen Mason, Jo Ann Flanary and Amy, Pat Mudford, Mildred Williams, Marv Smith, Faye Wellborn, Nora Flannery, Donna Noriega, Pat Cummins, Margaret Quintana and Joseph, Mary Ann Ramirez, Glenda Duncan and Edna Haynes.

Guests present were Cynthia Franklin and Dusty and Bertha Wilkener. For more information on WOTS you may call either Alice Phillips at 272-5127 or Lois Martinec at 272-3019.

As of yet she is undecided as to which college she will be attending upon graduation from Sudan High.

and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, their professions and their communities.

Accomplishments such as these are the result of dedication, service and leadership qualities which deserve to be recognized and remembered.

This is the goal of the many leading woman's organizations, college alumni associates and public officials who nominate deserving young women to participate in the program.

Serving as chairman of the Program's Advisory Board is Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

The women listed, along with approximately 23,000 fellow Outstanding Young Women of America from across the United States, will be presented in the prestigious annual awards volume.

In addition, they are now being considered for one of the 51 state awards to be presented to those women who have made the most noteworthy contributions in their individual states.

From these 51 state winners, the Ten Outstanding Young Women of America will be chosen. The ten national winners will be honored at the annual awards luncheon held in Washington, D.C.

February 8th, the Muleshoe Young Homemakers met and celebrated their annual birthday-anniversary party. A Mexican food buffet was served.

A short business meeting followed. Craft night will be Feb. 22. DeAnna Rasco will demonstrate punch needle craft.

The Young Homemakers will sponsor skating Friday, March 11.

There was a display of handmade family Valentines and Jo Ellen Cowart

sang. Secret pal gifts were exchanged.

Pam Thomason won the door prize. Hostesses for the evening were Dorine Harbin, JoEllen Cowart, Liz Patterson and Carren Pitcock.

cloth. The centerpiece was a Spring bouquet of roses, carnations, and daisies, flanked by tall white tapers. Wedding cake, punch nuts, and mints were served from crystal and silver appointments, and coffee was served from a silver coffee service.

The bride is a graduate of Midwest City High School. She graduated from Oscar Rose Junior College with an Associate of Science degree. She is employed as an Inventory Management Specialist at Tinker Air Force Base, Oklahoma.

Hanson graduated from Springlake-Earth High School, and attended West Texas State University. He

spent four years in the United States Air Force, stationed at Tinker Air Force Base. He is presently employed by the United States Treasury Department in Oklahoma, but will soon begin a new job as a police officer at the Veteran's Hospital in Oklahoma City. The couple will make their home in Del City, Oklahoma.

Ex-student Association Annual Homecoming

The Pep's Ex-Student Association held their 24th. annual Homecoming Saturday, Jan. 29th., in the Pep Parish Hall with 134 registering.

Matt Demel, president, called the meeting to order. Opening prayer was led by the Rev. Father Walter Skoczylas. Welcome was given by Missy Hughes, senior of 1983, and the response was given by Roxanna (Demel) Walbrick, class of 1978. Minutes of the previous homecoming were read by Joyce Simnacher. She also gave the treasurers report.

Master of ceremonies was David Albus. The speaker was Joerg Baston of Trier, Germany, an Exchange student of Littlefield High School. Joerg is making his home with Mr. and Mrs. Gaubert Demel of Pep. It was reported that his talk was very interesting, telling of the difference of the schools here and in Germany.

Remarks and recognitions were made by Dr. G.O. Smith, a former teacher of Pep, the only other former teacher present was Mrs. Nancy Adolphus Jungman, class of 1935, of Pep. The oldest female graduate was Elvov (Lawson) Simnacher, class of 1932, of Muleshoe. The student traveling the furthest was Glendal Wilson of San Antonio.

The superintendent of Whiteface School, Robert Smotherman and two school board members present, Daniel Schlettman and Raymond Marek, both of Pep.

The theme was "The Memories Our Hearts Hold Dear Are Ever Warm And Ever Near."

Officers were elected for

a two year term. They included Ida Simnacher, president; Nancy Demel, vice president; and secretary treasurer, Grata Albus.

The \$100 scholarships were awarded to Renee Sokora of Littlefield and Eddie Ford of Levelland. Reports were given by committee chairmen, registering Mark Albus reported 134 were registered for the banquet.

Ida Simnacher said that notices were sent to all local newspapers and radio stations. The annual homecoming is the last Saturday of January each year. Geneive (Demel) Heinrich was the only one present from the class of 1956. Gary Franklin, the class of 1966 told a little about each classmate and the class of 1976 was reported on by Chris Gerik and Dorothea (Demel) Ferguson.

Door prizes of free dance tickets were won by Alvin Walker and Mark Albus.

Missy Hughes was crowned homecoming queen by Anthony Albus and the out going queen, Francis Green, presented her with one dozen long stem roses and a red streamer. Other candidates for the coronation were Carriebeth Franklin, Gaynell Franklin, Renee Sokora and Beckie Woolsey.

The president thanked the cooks, Mrs. Evelyn Albus and Mrs. Ellen Franklin for preparing the meal. Also all who helped with the decorations, all the committee members and all the officers who worked with him in the past two years, Dr. Smith and the M.C. David Albus and everyone for coming.

Gifts were presented to Dr. G.O. Smith, David Albus, master of ceremonies and the speaker, Joerg Baston.

The Alma Mater was sang by all present accompanied on the piano by Mrs. Mary Ann Glumpler.

Father Walter Skoczylas, pastor of the St. Philips Catholic Church, gave the benediction.

Women In Technology AAUW Program

The Muleshoe Branch of the American Association of University Women met Monday, February 7, in the home of Mrs. Maurine Hooten. Debra Redwine and Holly Hooten were cohostesses.

Martha Kent, president, presided and reported that Jean Allison and Johanna Wrinkle attended a district meeting in Lubbock recently and that Muleshoe was commended for having 45 members in the Branch. Virginia Bowers, Elizabeth Watson, and Mary B.

Obenhaus were elected to serve on the Nomination Committee to select a president, program vice-president and a secretary for the new biennium of 1983-1985.

Carrie Lee Bishop moved that the Muleshoe Branch instruct the delegate to the Division Convention to vote for Johnnie Mae Haun of Kingsville for Educational Foundation Programs Vice-President.

Laura Leal, daughter of Mr. and Mrs. Jesse Leal, was chosen as the January

Girl of the Month; Rhonda Dunham, daughter of Mr. and Mrs. Jack Dunham, was chosen as the February Girl of the Month.

Jo Ellen Cowart announced that cards have been printed for acknow-

ledging donations to the AAUW Scholarship. Contributions to this scholarship may be given as memorials or honorariums to individuals or families.

The Muleshoe Branch endorsed Julia Cage as a

candidate for the Muleshoe School Board.

Jean Allison introduced the program "Mothers of Invention-Women in Technology" which was presented by four members. Tracy Ellis reviewed the life of Sarah Walker who contributed a formula for straightening hair and developing a line of cosmetics for the Negro Woman; Joy Thornton reported on the contributions made by Amanda Jones who received six patents for ways of preserving foods, especially fruits; Dorann Jones had researched the life of Ellen Richards Swallow who was outstanding in the field of home economics; and Lucy Faye Smith gave

a short biography of Lillian Gilbreath, a mother of 12 children, a lecturer, a researcher of motion study, and a writer.

Members attending were: Ethel Allison, Jean Allison, Carrie Lee Bishop, Annette

Bonds, Virginia Bowers, Venida Collins, Jo Ellen Cowart, Tracy Ellis, Holly Hooten, Maurine Hooten, Dorann Jones, Martha Kent, Ameeta Mittal, Debra Redwine, Magann

Sudan CofC Banquet Date Set

The Sudan Chamber of Commerce has set the date for the annual Chamber of Commerce Banquet for March 19 at 7:30 p.m. at the school cafeteria. Dan Kamp, former Sudan resident, will be guest speaker for the evening.

The theme for the banquet is "Community Participation In Action." This is to promote local businesses and to help residents to trade at home. The businesses are asked to make a small display as to what each one sells, or what their business represents. These will be on display to go along with the other decorations at the banquet.

Nominations for Outstanding Farm Family, Outstanding Man, Outstanding Woman, and Outstanding Citizen through the years may still be turned to Pudd Wiseman or to Chamber of Commerce president, Terry Tennyson.

These persons, along with the newest citizen as

of March 1, 1983 and the oldest living (continuously) citizen will be honored during the banquet.

If more information is needed on the displays you may contact Norma Burnett or Terry Tennyson.

Letters To The Editor

Dear Sir:

Your editorial of the February 6, 1983 Muleshoe Journal states that President Reagan and the Journal believes that the Bi-partisan Commission Compromise on Social Security should be passed quickly. I strongly disagree. I will list several things that should be changed:

1. The law now permits illegal aliens to get Social Security provided they paid payroll taxes long enough to qualify; which according to the General Accounting Office could end up being as much as \$1 billion to \$2.4 billion a year in benefits to aliens working illegally in the United States. (Just a few days ago, our President stated concerning the trucker's strike that lawbreakers should not be compensated for breaking the law. Now he says it is okay for lawbreakers to earn and draw social security.) I take the same stand as our President that lawbreakers should not be compensated with the privilege of earning Social

Security retirement income and then returning to their native country to retire and collect it. The funds paid to citizens residing in this country stays in the local and national economy creating a better business climate for us.

2. The \$2.4 billion mentioned above, is added to \$81 million per month that is now being sent to 314,000 social security recipients living in foreign countries. The proposal to tax a part of the Social Security funds would be unfair to resident citizens of the United States because this \$81 million going overseas could not be taxed since citizens of other countries do not pay income tax to the United States. Can anyone explain to me why this is fair? I resent strongly the Social Security checks that are going to Russian satellite countries, such as: Poland: 3,020 recipients getting \$950,000.00 a month, Czechoslovakia: 1,480 getting \$475,000.00 a month, Yugoslavia: 4,225 receiving \$1,270,000.00 a month.

Dear Sir:

I doubt your printing this but I'd like for you to know this as I believe it will set a record.

My husband has been paying state, county and school taxes for 64 years, having bought property in Bailey Co. in 1919.

Our roads are impassible when we have rain or snow, though we live four miles from a farm to market road 54. Several years ago our commissioner of 16 years paved a road from the Worley elevator to Stegall, some eight miles and we enjoyed this for two years, then we started having pot holes appear in, as I read they have all over the United States, and our new commissioner who only served one term, deplored the idea of repairing the road but plowed it up, leaving us as we were when we pioneered. It's doubtful that we will ever have another paved road, though they are all around us in the north of the county. We live south, in what used to be called, "South of the sand."

We don't mind tax money spent on the Colesium in Muleshoe, nor roads paved in the county, but we would like to have some of the tax money put back into our part of the county. During the illness of our little daughter, the maintainer had to blade off five miles of road for the ambulance to get to our home. Even our service men from Muleshoe and Morton complain because they have to drive over the roads leading to our home. As I said, it's a record sixty-four years and still a cow trail Taxes? For what?

Thank you,
Mrs. Cass Stegall

If these abuses had been stopped ten years ago, Social Security might not have financial problems. These should be solved now so that payroll taxes will not go up so fast, and maybe the elderly would not have to sacrifice half of their cost of living increases that they should get. It is hoped that Congress will look at this strongly and come up with a bill that is as fair to the citizens of the United States as it is to the aliens.

Very truly yours,
/s/Nolan H. Harlan

Principal Attends NAASP Convention In Dallas

Muleshoe High School principal, Mr. Wayland Ethridge attended the 67th Annual National Association of Secondary School Principals meeting in Dallas February 4 through February 8. Mr. Ethridge expressed nothing but praise for the meeting mentioning that it was one of the best meetings of educators he had ever attended. The participants were made up of secondary principals from the entire United States, including the far-away states of Alaska as well as Hawaii.

Mr. Ethridge stated that the convention was made up of four full days of general sessions as well as group sessions. The group sessions were continuous in nature in that they were repeated several times during the convention so that everyone could attend each session. Topics covered almost everything dealing with education. Some of the major topics were working with the Problems and Issues of Teens; a program called Stampede-A Multi-Media Presentation Promoting Positive Values for Students; Special Education Business Enterprise a Program That Truly Mainstreams Special Education. Other topics included The Humanities; Team Teaching Interdisciplinary Advanced Placement Subjects; Practical Programs to Help Students Understand the Dollars and Cents of Consumer Economics. Topics with special interest to Mr. Ethridge were Bringing Microcomputers to Your School; Experiencing an Ideal Learning Plan with a Microcomputer Network. Topics dealing with the principal himself included How to Develop a Positive Principal Superintendent School Board Relationship; Developing Community Interest and Financial Support for Public Schools; The Principal as Instructional Leader in a Small High School.

Some of the more prominent speakers at the convention included Walter Schirra, former astronaut and NASA consultant on

Seniors Doing Research

Mrs. Wrinkle's senior English IV students began their research papers on Monday, February 7. The students selected a topic which they were interested in and began listing their resources on bibliography cards. There are 7 resources required: 1 from ENMU and 6 from the MHS library. The seniors may use only 1 encyclopedia among his or her 7 resources. Their rough topic outline was due February 11, along with their bibliography cards.

Next week the senior students will take notes on their subject in the library. The students will travel to Portales to the ENMU library on Feb. 23rd to get a resource there. The students' notecards are to be turned in to Mrs. Wrinkle on February 24.

Starting March 1, the students will write on their rough draft until March 16, when it is due. During this time they will also revise an outline with sub-topics. After Mrs. Wrinkle has returned the students' rough draft copy, they will copy their research paper and have it in by March 23rd. The length of the paper must be at least 8 pages and no more than 12 pages if it is typed, and at least 14 pages and no more than 21 if it is written. The annual staff wishes all the senior English students good luck on their papers!

Teachers Attend G/T Conference

Four teachers who are currently teaching in the Muleshoe ISD's Gifted Talented program attended the "Get Together for Gifted Talented Education" conference that was held in Austin on January 27th - 29th. Beth Skipworth and Barbara Finney from DeShazo, Alice Liles from Junior High, and Pat Black from High School spent three days getting new ideas for Muleshoe's program while listening to such noted speakers as Dr. Dorothy Sisk from the University of Southern Florida who spoke on "Leadership Skills for the Gifted," and Dr. Leif Fearn of San Diego State University who spoke on "Basic Skills for the Gifted." In addition to these keynote speakers, the Texas Education Agency, who sponsored the conference, also brought in educators from across Texas who currently have successful Gifted Talented program. These people brought outlines of their programs and excellent suggestions for curriculum in gifted education. There were approximately thirty (30) small group sessions offered and the Muleshoe teachers were able to hear presentations on Conroe's "Keys and Master Works" program, on Ector County's "Zenith" program, on Georgetown's "Eagle" program, on Kingsville's "Challenge" program, on Leander's "Quest" program, and on Hamlin's "Project KNACK." They also attended other sessions on applying for state funds and accreditation of G/T programs, using logic problems in the G/T class, the essay examination, using the "Developing Cognitive Abilities Test" (DCAT) for evaluating gifted programs, and computers in G/T programs.

Alice Liles and Pat Black also went to a session on "Texas Future Problem Solving" competition and talked with Judy L. Stewart who is the state director of the contest. Both the Junior High and High School G/T classes are currently involved in researching Practice Problem III on "Robotics." An invitation to the state problem solving bowl in Austin is based entirely on the results of Practice Problem III and Ms. Stewart was able to answer several questions concerning this and the state bowl. She also urged FPS coaches to work on a project for the Texas Present Problem Solving Contest which is being pioneered in Texas this year. Winners of this competition will also receive an invitation to the state bowl to present their project.

All four Muleshoe teachers agreed that the conference was excellent and they came away with many new ideas to improve the Gifted Talented program here.

Too much talk loses most arguments.

speaker was Steve Bell, Anchorman, ABC News from Washington D.C. addressing the topic An Insider's View of Washington.

Mr. Ethridge stated that the above speakers and topics were only a few of the hundreds of smaller group sessions addressing specific problems and situations concerning education that were of particular interest to principals. He stated that the convention was very informative and very much enjoyed.

Superintendent Fuller Speaks To Faculty

The educators of Muleshoe ISD got the opportunity to meet the new superintendent, Mr. John Fuller, and his wife Gayle in an informal get together in the high school cafeteria on Tuesday, February 1st. School was dismissed at 2:15 in order to allow everyone the opportunity to visit with the Fullers and two of their children Jason, age 11, who is in the fifth grade and Kris, age 7, who is a first grader. The couple also has three daughters who stayed at home this trip, Heather, who is 3 years old and twins Callie and Cassie, age 22 months.

The Fullers will be moving from Wells, Texas where he was superintendent for the past five years and she taught fifth grade. They both have their Masters degrees from Stephen F. Austin in Nacadoches. Mr. Fuller has also coached basketball although his first love is mathematics. While a graduate assistant at Stephen F. Austin, he taught trigonometry and Algebra. He is currently working on his Ph.D at Texas A&M University.

Mr. Fuller stated that he and Gayle are planning to buy a house here and that they are also "looking forward to being here a long time." In addressing the educators of Muleshoe ISD, he also stated that "The key to education is good teachers." He went on to say that he is a strong believer in staff development.

The Mule's Tale Staff would like to welcome Mr. and Mrs. Fuller and their family to Muleshoe and wish them the best of luck!

FFA Places At El Paso Show

Ricky Rasco, son of Mr. and Mrs. Odell Rasco, won the showmanship honors in the lamb division at the El Paso stock show held last week. In the Medium Weight OPB class of the swine division, Robin Moore took 3rd place and Ray Vinson took 7th place. Robin also placed 7th in the Heavy Weight OPB class. Other FFA members attended the show but were unable to place. Congratulations to Ricky, Robin, and Ray!

FHA Week Successful

February 6 through 12 was FHA/HERO week. Throughout the week each high school faculty member had a secret FHA'er who snuck little surprises to her particular faculty member. The grand finale was on Friday, February 11, when the faculty members discovered who was his or her secret FHA'er.

On Saturday, February 12, the FHA members ended their spectacular week with their annual Sweetheart Banquet. It was held at the high school cafeteria and it started at 7:00 p.m. Each of the girls were encouraged to invite their sweetheart to the banquet. Awards to outstanding members were presented along with Encounter recognition. Special guests invited to the banquet were Mr. and Mrs. Harvey Bass, Honary State FHA Members.

Few men ever finish their work by thinking about it.

Mock Trial Team Members Chosen

A male nurse has been fired from Curie Memorial Hospital for Women after an unpleasant incident, while he was on duty, which resulted in the death of a patient. Was the male nurse negligent; or did members of the staff just claim that he was negligent? Did the hospital have the right to discharge the nurse? Simple case? Perhaps not, if one follows the unfolding of the events which took place that night at the Curie Memorial Hospital.

Interested? High school teams from more than one hundred and thirty school districts across the state are, and will be competing to prove whether or not the male nurse was a victim of sex discrimination during the Fourth Annual Texas High School Mock Trial Competition. Many of the students, will compete in Dallas on March 18 and 19 for the statewide finals. Regional competitions are being hosted by the Education Service Centers. The statewide finals, sponsored by the Dallas Bar Association and funded by private foundations, will be judged by area attorneys and judges. Winning teams will be presented with scholarship awards.

Under contest rules, any Texas school district may enter a four to six-member team. Student team members assume the roles of attorneys and witnesses. To help them prepare for the event, students have been provided with witness statements and rules of evidence. Teams have worked intensively with their teacher/lawyer coaches since the beginning of the school year in preparation for the contest.

The mock trial provides the students first-hand knowledge of some of the procedures of the legal system as well as an opportunity to sharpen skills in group-speaking, communications, and legal reasoning.

Civics classes, under the sponsorship of their teacher, Jean Allison, have been holding elimination competitions in each of the four civics classes at Muleshoe High School in preparation for this statewide contest. All students were encouraged to try out for any of the different parts, plaintiff attorneys, defense attorneys, the two witnesses for the plaintiff, and the two witnesses for the defense. Many students responded and tried out for these parts. Other students acted as judges, bailiffs, court reporters and jury members as the contestants acted out this case. Jury members used the evaluation forms which will be used at the regional and statewide competitions in judging the most outstanding participants. The jury in each class scored each contestant and the top scorers were then given an opportunity to explain why being a member of the mock trial

team was important to them and what they would do to best represent Muleshoe High School. Class members then voted for the participants they believed would do the most outstanding job. In several classes the race was so close and the contestants so outstanding, several runoffs were necessary. The following students were chosen as well as the parts they will play: Period 2, Jay Pearson who will be acting as a defense attorney, Danny Seales, alternate, Period 3, Lynda Bell and David Pruitt who will act as witnesses both for the plaintiff and the defense, Period 4,

Scott Ellard, defense attorney and Freddy Vela, plaintiff's attorney. Period 6, Robert Nowlin, plaintiff's attorney, Perry Flowers and Shelli Walker will serve as student managers.

Those students will be spending many long hours in preparing for the regional competition which will be held in Lubbock on February 24. Schools of all size compete together in this contest, and the Muleshoe Mock Trial Team will be meeting teams from Lubbock, Plainview, and Floydada at the regional competition.

This is the second year for Mrs. Allison's government classes to be competing in the statewide Mock Trial Competition. Last year's team won the regional competition and made it into the quarter finals at the statewide competition. This year's students plan to do everything in their power to top this performance. Although only six Mock Trial Team Members are chosen, every member of the different civics classes will help to groom "their" team and will be working diligently to prepare the team in every way. Local attorney, Linda Guelker, as well as other attorneys, will be coaching the team on correct court procedure.

Mules Lose Heartbreaker

The varsity Mules traveled to Abernathy to play the Antelopes on their home court and lost a heartbreaker to the Lopes by a score of 52-54. The Mules played probably their best game of the season. They came out red hot in the first half connecting on 50% of their shots from the field. The Mules came out the second half with a four point lead. They shot well again the second half, hitting 47% of their shots from the field. The Mules shot fantastic from the free throw line hitting 6 out of 7, for 86%. They shot 49% from the field for the game, had 23 team rebounds, and turned over the ball 14 times. Leading the scoring for the Mules was John Isaac with 14 points. Both Michael Isaac and Darin Shaw had 10 points each. Other scorers were Jeff Hamilton with 8, and Mark Moton with 8. Hector Flores chipped in 2 for the Mules. The loss drops the Mule's overall record to 10-14 for the season and 0-3 in the second half of district.

NHS Meets Wednesday

The National Honor Society met Wednesday, February 2, for a short business meeting. The meeting was held at Leal's at 6:00 p.m. Scholarship applications, basketball concession stands, and the initiation dinner were discussed.

It isn't to be expected that everyone will think you are perfect, just be satisfied if you are able to fool one or two human beings.

Wet Fields Keeping Harvest On Hold

Fields wet with snow and rain kept High Plains farmers from final harvesting operations except in the southern counties. Sandy soils in these southern counties allowed some harvesting between storms, explained Mack Bennett, Area Director for USDA's Marketing Services Office at Lubbock.

Gins in other High Plains counties have cleared most of the harvest backlog and await resumption of the very slow final harvesting stages, Bennett said.

Growers used this time to analyze the newly announced PIK program and to sell some cotton. Mixed

lots of mostly grades 42 and better, staples 30 - 32, mike 35 - 49 brought growers 75 to 200 points over Commodity Credit loan rates in light trading. A few 1981-crop equities sold at around \$5 per bale.

Several merchants offered contracts to purchase PIK cotton at 43.00 to 45.00 cents per pound, basis grade 42, staple 32, mike 35 - 49 with 1982 or 1983 Commodity Credit loan premiums and discounts. A few hundred bales were reported contracted at 45 cents, basis grade 4232, 35 to 49, with 1983 loan discounts.

The slow harvest was re-

flected in the number of samples classed at Lubbock during the week ended February 3. About 10,000

GSA Announces

Sale Of Real Property

The General Services Administration (GSA) in Fort Worth announced that sealed bids are being solicited for sale of Lot 47, in the Buffalo River Subdivision, Jasper, Newton County, Jasper is located on scenic Highway 7, in northwest Arkansas, near Buffalo River, noted for its excellent fishing.

The 0.38 acre property was purchased by the U.S. Department of Agriculture in 1972, with intent to build a ranger dwelling. No action was taken, however, and the lot has remained vacant.

The Invitation, Bid, and Acceptance Form GSA-R-1046, gives instructions for submitting bids, and can be obtained from GSA Business Service Center, Room 6A04, 819 Taylor Street, Fort Worth, Texas 76102, telephone 817/334-3281.

Bids will be received until 12:30 p.m., local time at place of bid opening, March 10, 1983.

samples were classed and brought the season's total to 650,000 and compares with 2,214,000 classed by the same date last season.

Predominant grades were grade 52 at 37 percent, grade 42 was 25 percent and grade 53 amounted to 15 percent. About 48 percent was reduced one grade because of bark and eight percent for grass.

Sick Pay Is Taxable Income

Taxpayers who become sick or injured on the job and receive sick pay benefits from their employer must include the payments as income on their federal tax return, the Internal Revenue Service says.

The payments are taxable whether they were made directly by the employer or from a welfare fund, a state sickness or disability fund or an insurance company, provided the plan was paid for by the employer.

Benefits received under an accident or health insurance policy for which the employee paid the premiums are not considered taxable by the IRS.

More information on sick pay benefits is contained in the free IRS Publication 525, "Taxable and Nontaxable Income," which can be ordered on the handy order form in the tax package.

Predominant staples were staple 30 at 18 percent, staple 31 was 37 percent and staple 32 accounted for 19 percent. The week's staple average was 31.4 thirty-seconds of an inch.

Mike 35 - 49 was 79 percent, 33 - 34 accounted for eight percent, 30 - 32 was seven percent, 27 - 29 amounted to four percent and 26 or below was two percent. The week's micronaire average was 38.

Growers may sign up for the PIK program at county ASCS offices until March 11, the deadline for signing.

Deficiency payments for 1982 upland cotton will be 13.92 cents per pound.

Laney Lancy Accepts Speakers Gavel

State Rep. Pete Laney accepted the gavel as chairman of the House Committee on State Affairs for the 68th Legislature from Speaker Gib Lewis in recent ceremonies.

Rep. Laney, who is serving his sixth term in the House, was also appointed to the House Committee on House Administration.

The Committee on State Affairs will have jurisdiction over all matters pertaining to questions of state

policy, the administration of state government, the organization, powers, regulation, and management of state departments and agencies. Additionally, the committee has jurisdiction over the defense of the state and nation, veterans of military services, and the operation of state government and its agencies and departments.

"The operation of state government is complex to say the least. The continuing need to see that it is run efficiently and at the lowest possible cost in terms of taxpayer dollars,

is the direct responsibility of the House Committee on State Affairs," Lewis said in announcing Rep. Laney's appointment.

"Rep. Laney has a long record of proven leadership both as a House member and committee chairman. When translated to oversight of legislation affecting state government, Rep. Laney's appointment is one of the key choices of this session," Lewis concluded.

There is no need to hurry to get where you do not care to be.

Board Of Trustees Will Meet Monday

The Board of Trustees of the Muleshoe Independent School District will meet in a regular session on February 14, Monday beginning at 7 p.m. in the school administration office located at 514 West Avenue G.

Dale Jones, Chief Appraiser of the Bailey County Appraisal District will give a tax report to the board and a tax collection report and approval of changes to the tax roll will be considered.

The Board will consider approval of Update 19, Phase 1 to Board Policy manual and will also consider nominations to Board of Directors, Education Service Center, Region XVII.

Designation of the County Clerk to hold absentee voting for the School Board elections will also be considered; and election judge and assistant judge will be appointed, as well as the time and place of elections and pay for the judges and clerks set.

Employment of personnel for the Muleshoe Schools will be up for consideration, along with the 1982-83 school calendar for makeup days lost due to inclement weather. The Board will also consider the approval

of the 1983-84 school calendar and discuss substitute teacher pay for 1983-84.

A report on the renovation project will be given and the Superintendent will report on school activities and correspondence. A financial report will be given including the review of bank balances and expenditures in each function of the school budget and school funds.

Two-Points Give 'Lopes Win Over Varsity Mules

On February 8, Tuesday, the Muleshoe Mules lost out to Abernathy varsity cagers by a slim margin of two points, with a final score of 52 for the Mules and 54 for Abernathy. This gives the Mules a district record in the second half of district play of 0-3, with only a couple of games left.

The Mules shot 47 times for field goals, completing 23 of them for 49 percent on the game. Free throws attempted amounted to seven, with six of them being good, giving the Mules 86 percent on free throws.

John Isaac was high pointer for the Mules

against Abernathy with a total of 14 points. John attempted thirteen field goals, making seven and completed no free throws out of one try. He led in total rebounds, having three offensive and five defensive. He had three turnovers, but no fouls.

Michael Isaac and Darin Shaw tied with ten points each to their credit for second high point man. Isaac shot for ten field goal attempts, making five, but had no free throw attempts. Shaw made three out of seven on field goals and hit four out of four on free throws. Isaac had one offensive rebound and four defensive, while Shaw had two and three respectively.

Mark Moton and Jeff Hamilton both scored eight points for the Mules. Moton hit three out of seven in field goals and two out of two in free throws. Hamilton hit four out of nine field goals and had no free throw attempts. Moton had one offensive rebound and Hamilton had four defensive.

Hector Flores also saw some action and made two points for the Mules hitting one out of one on field goals. Flores had two turnovers and no fouls nor rebounds. Other Mules seeing action included Trent Hysinger.

In the first half of play, the Mules had a 50 percent figure on scoring fourteen out of 28 and 47 percent in the second half with nine out of nineteen.

State Comptroller Bob Bullock said today he has \$1.5 million worth of state checks he can't give the people they're made out to because these people owe money to the state.

"The law says I can't issue a state check to anyone indebted to the state and I intend to collect every penny due before I turn loose of this money," Bullock said.

About 71 percent of the 5,000 checks Bullock is holding can't be sent to the payees because they are

"One of the most noticeable changes to customers is the continued shifting of prices so that each service becomes cost-based. These changes modify the previous goal of universal service. They also move toward ending the subsidization of local rates by other services which have been deregulated and must become more competitively priced," he explained.

He emphasized that modernization has a substantial effect on the price of service.

"You can't hide depreciation, the method used by businesses to recover invested capital. Our method is somewhat different from other businesses since it is mandated by the FCC in concert with the state utility commissions," Langley said.

"We said we would improve service and we have," Langley stated.

"During 1982 we have seen positive evidence of the service improvement program we implemented. We are meeting all of the commission service standards in Texas. This is not to say we do not still have several areas that give us concern but we have identified our problem areas and have corrective programs in action. That is one reason it is so important that we continue our service improvement program."

"There are 101 retired state employees who have a total of \$40,448 coming to them if they'll pay up," Bullock continued.

"There's also \$516,019 due 866 retired teachers

and \$31,089 due 67 state employees."

He said \$5.3 million owed Texas has been collected since 1978 when the law became effective.

18. LEGAL NOTICES

PUBLIC NOTICE Notice is hereby given that the Commissioners' Court of Bailey County will enter into a contract with any banking corporation, association or individual banker in Bailey County for the depositing of the public funds of Bailey County in such bank, on February 14, 1983.

Any banking corporation, association or individual banker in Bailey County desiring to be designated as county depository shall make and deliver to the County Judge an application applying for such funds and said application shall:

1. State the amount of paid up capital stock and permanent surplus of said bank; and, 2. there shall be furnished with said application a statement showing the financial condition of said bank at the date of application; and

3. be delivered to the County Judge on or before February 14, 1983 at 10:00 a.m.; and,

4. be accompanied by a CERTIFIED CHECK for \$10,169.72, as required by Art. 2545, V.T.S.A.

Said application should set out all terms and conditions for the handling of such funds, including, but not limited to, the rate of interest, if any, to be paid on demand deposits, and the rate of interest, if any, to be paid on time deposits.

This notice shall be published once a week in some newspaper published in Bailey County and posted at the courthouse door of Bailey County.
