**FIRE CLAIMS ONE LIFE HERE** . . . . An explosion and fire in a home on Reno Street Wednesday night took the life of four year old Bessie Ann Carr. The little girl was burned to death when gasoline fumes were ignited by an open flame heater in the garage of their residence. The father, Paul Carr, was seriously burned in the explosion and the fire. He has been

transferred to the Brooke Burn Center in San Antonio with second and third degree burns on his chest, face, arm and leg. The fire drew so many spectators, that at times the firemen were hampered in their efforts to extinguish the blaze by the large crowd of curious people.

## Chamber Banquet Set Here Next Thursday

Thursday night, January 30, will be the date of the 25th annual Muleshoe Chamber of Commerce and Agriculture Banquet. The festivities will begin at 7:30 p.m. in the Muleshoe High School cafeteria.

This year a steak dinner will be served and a master of ceremonies has been added to the banquet. This year the master of ceremonies will be Miss Judy Mallet, a former Miss Texas. She has appeared in Muleshoe before and will also furnish the entertainment for the banquet.

Speaker for the evening will be John D. 'Jack' Johnson who

has been highly recommended. He is the ground school instructor for American Airlines, Inc., Flight Academy, Greater South-west Airport in Fort Worth, Jackson has been with American Airlines as a flight instructor for 14 years, the last seven years at the Flight Training Academy in Fort Worth. Prior to this he was an instructor in the American Airlines Technical Training Group at Tulsa,

Oklahoma for five years. He came to American Airlines from the Boeing Airplane Company where he was an instructor for over three years. In all, his instructor experience totals 23 years, having worked at his profession in the U.S. Air Force and in Civil Service prior to Boeing. He now resides in Hurst with his wife, Donna, and three children. Tickets for the banquet are

now on sale at the Chamber of Commerce office. They are also available from any Chamber board member or any member of the Board of Blackwater Valley Soil Conservation Service. Tickets are \$7.00 per person and will entitle the holder to a steak dinner along with an entertaining evening. If anyone wishes to make reservation for tickets, call the Chamber office at 272-4248.

## Black Issues Traffic Statistics For 1974

Muleshoe Police Chief Buddy Black has compiled statistics on the traffic accidents occurring investigated by the Muleshoe Police Department within the corporate city limits of Muleshoe during the year 1974.

Black reports that 122 accidents occurred on public thoroughfares and 15 accidents occurred on private property for a total of 137 accidents.

According to the statistics, more accidents happen on Friday than any other day of the week. Last year 19 accidents occurred on Monday; 13 on Tuesday; 20 on Wednesday; 20 on Thursday; 23 on Friday; 22 on Saturday; and 20 on Sunday.

July and August are the peak months for traffic accidents. According to the statistics, 10 accidents were reported in January; 11 in February; 12 in March; seven in April; 14 in May; 11 in June; 16 in July and 16 in August; eight in September; 13 in October; nine in November; and 10 in December.

Most of the accidents were caused by drivers aged 13 through 20. These drivers caused 37 accidents; ages 21-30 caused 19, 31-40 caused 24; 41-50 caused nine; 51-60 caused 14; 61-70 caused 16; 71-80 caused nine; 81 and over, two accidents; and seven accidents were attributed to drivers with unknown ages. These statistics show that there were many causes for

these accidents, but two factors contributing to the cause of accidents stand out, backing without safety, contributing to 35 accidents; and fail to yield right of way, contributing to 43 accidents. Other causes include fail to control speed, 18; improper turn, 12; improper passing, six; change lanes without safety, three; fail to control vehicle, three; unsafe speed, two; driving while intoxicated, two; and miscellaneous offenses, 13.

According to Chief Black's figures, 92 accidents occurred on dry surface during clear weather; 13 occurred on dry surface with cloudy weather; four accidents occurred while it was snowing; three when it was cloudy with a wet surface; three while it was raining; two accidents happened on ice; and 15 during unknown conditions.

The majority of the accidents occurred between 3 and 6 p.m. Black reported that only eight accidents caused any injuries and no fatal accidents were investigated by the Muleshoe Police Department during 1974. In his summary Chief Black stated that 13 percent of all accidents occurring on public thoroughfares were Main Street and 11.4 percent of total thoroughfare accidents were caused by backing without safety on Main Street (100 through 40) blocks and at the Post Office. Statistics show that 25.55 per cent of all accidents were caused by backing without

safety. Also shown was that 31.39 per cent of all accidents were caused by failure to yield right of way and 23.5 per cent of the thoroughfare accidents occurred on American Blvd.

At the intersection of US 81 with US 79 and Texas 214, commonly known as the crossroads, only nine accidents were investigated at this intersection and one half block in either direction there of.

Of the total accidents investigated, 25.55 per cent were caused by drivers aged 16 through 20.

The City of Muleshoe Police Department averaged almost three accidents per week for the entire year and the

A four year old girl was burned to death and her father severely burned Wednesday night when a gasoline tank on a pickup exploded and burned in a garage attached to their home.

Bessie Ann Carr, daughter of Mr. and Mrs. Paul Carr of Muleshoe was pronounced dead at the scene at 9:36 p.m. by Justice of the Peace Morris Nowlin.

Carr was taken to West Plains Memorial Hospital, treated and then transferred to Brooks Burn Center in San Antonio for treatment of second and third degree burns on his chest, face, arms, and left hip.

Fire chief H.E. Reeder told the Journal that Carr was in the process of retrieving the pickup keys from behind the gas tank. The explosion occurred when an open flame heater, located in the front of the garage

ignited the fumes from the gasoline. He had sent Mrs. Carr into the house to get a bucket to catch the gasoline. When she returned to the doorway, the explosion occurred, knocking her back into the house. She received only minor injuries.

The girl was found beside the pickup. Carr was under the pickup when the explosion occurred but managed to get out. Fire damage was limited to the garage, but the rest of the house sustained smoke damage.

Services for Bessie Ann Carr were held at 3:30 p.m. Friday in the Singleton-Ellis Funeral Home Chapel of the Chimes with Rev. Walter Barthol, pastor of the First Christian Church, officiating.

Burial was in the Muleshoe cemetery. Pallbearers were Bill Wilkins, Andrew Coronado, Joe Ellis and Juan Vega.

She was born November 3, 1970 in Muenster, Texas. She is survived by her parents.

## USDA Announces Amendment Of Food Stamp Regulations

The U.S. Department of Agriculture (USDA) amended the regulations for its Food Stamp Program so that the purchase requirement for a participating household will generally - but not always - be set at a uniform 30 percent of the household's adjusted net monthly income.

Responding to the many comments received from interested persons, USDA's Food and Nutrition Service (FNS) made two revisions in the amendment to the regulations that it had proposed last month:

--The maximum amount that a household will be required to pay will be limited to \$1.00 less than the amount of food stamps for which the household qualifies for the month.

--In computing the amount coupon allotment, any amounts that are less than a whole dollar will be dropped from the purchase requirement.

One other exception is already provided, by law, to the uniformity of the purchase requirement. Food stamps continue to be completely free for all one- and two-person households with a net monthly income of less than \$20 a month, and for

all other households with income of less than \$30 a month.

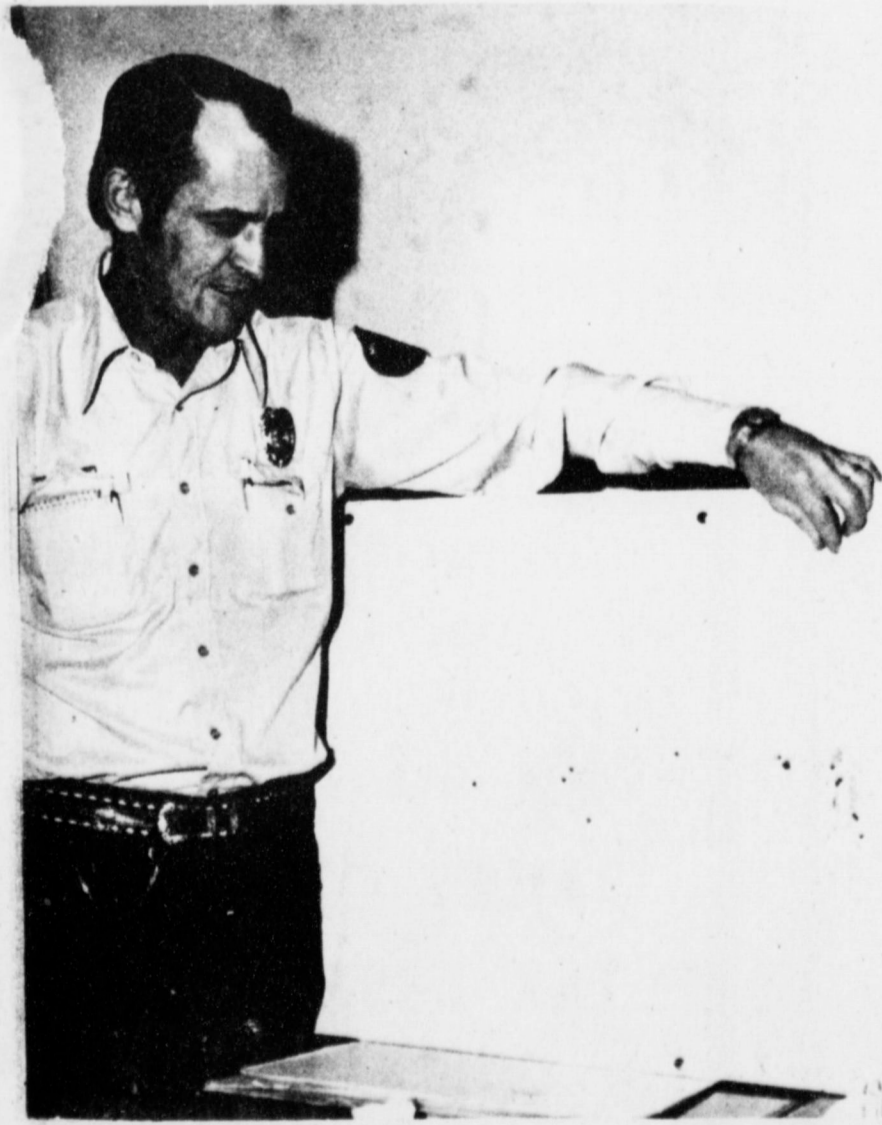

These final amendments to the Food Stamp Program regulations were scheduled to be published in the Federal Register Wednesday, January 22, and will go into effect March 1.

Details of the proposal to amend the Food Stamp Program regulations were announced December 4 and text of the proposed amendment was published in the Federal Register December 6. Comments, suggestions, or objections were invited from all interested persons for consideration in making the decision on the proposal, and a period of 21 days was allowed for them to be submitted.

Comments on the proposed amendment were received from 4,317 interested persons and organizations. All of these comments have been carefully reviewed and analyzed in the process of making the decision on the proposed change in the regulations.

Most of the comments received dealt with the effects of the proposed amendment on various individual cases of participants in the Food Stamp Program.

**TRAFFIC ACCIDENT MAP** . . . . Muleshoe Police Chief Buddy Black is shown with a map he made showing the place of all car accidents that occurred during the year of 1974. Chief Black accumulated all of the statistics on traffic accidents the Muleshoe Police Department investigated last year and placed pins on the location of each accident. According to statistics and the map, the largest number of accidents last year occurred on Main Street.

## Power Commission Lowers Priority For Irrigation Gas

L.B. Brandes of Floyd County, Texas, president of the board of directors of the Plains Irrigation Gas Users Association, stated that in an Opinion issued on December 19, 1974, being Opinion 597-A, the Federal Power Commission held that the use of natural gas for irrigation should not be included in the definition of "commercial" as it has always been clas-

sified, but now must be held to be classified as "industrial" use, reducing gas for agriculture from Priority Two down to Priority Three.

As far as inter-state gas is concerned, this would effectively put an end to the use of natural gas for irrigation, and it would be highly doubtful if one farmer out of 100 could secure butane, propane or diesel in

sufficient quantity to power his irrigation well, even if he could afford to pay the price that butane, propane or diesel would cost, stated Brandes.

He also stated that if farmers are to continue to use natural gas for irrigation, every effort should be put forward by every organization of farmers of every kind and nature to prevent this change in priority.

### Nursing Home News by Myrtle Guinn

J'm Walker and Kristi of Lubbock came to see Mrs. McDaniels Friday. Walker is her son-in-law and Kristi is her granddaughter. Mr. and Mrs. Kenneth Largent of Littlefield came Friday afternoon also to see their mother. Mr. and Mrs. Ronald Lewis and family of House, New Mexico, came for a short visit with Mrs. Lewis on Saturday morning. Mr. and Mrs. John Blackman came to see his mother, Mrs. Blackman on Saturday. She isn't feeling very well these past few days. Ruby Garner visited Mrs. McDaniels. Mrs. Lewis, Mrs. Hall and Mrs. Guinn on Monday afternoon. She visited others in the nursing home later that afternoon.

H. Everett Maxwell who has been ill and in the hospital for the past several days has returned to the nursing home and is feeling much better. Mrs. Penny Malow assisted by several ladies from the First United Methodist Church hosted a social and supper that the women prepared for them.

Mrs. Jerry Smith and son, Blane of Lazbuddie came Tuesday morning and took Mrs. Guinn with them to Littlefield where she visited a friend who was in the hospital there. The wind blew so hard and was so cold, but they were not in the wind and enjoyed the visit in Littlefield.

Mrs. Wiseman was transferred from her old room in the north end of the Home into room 79. with Mrs. Norwood.

Painters are busy in the day-room painting the walls white, which is supposed to make the room fire proof. The room will be pretty and light when they finish. There has been many improvements in the last few

weeks, doors have been removed and the doorways widened and solid wood doors have replaced the old doors. Mrs. Millie Epperly's son, Odis Epperly is undergoing tests in the Amherst Hospital. He will be there several days and we hope the relaxation and rest will benefit him.

Visiting Bessie Jackson the evening of Tuesday, January 14 were his children Dorothy Wright of Ft. Stockton, Texas; Bessie Lee Hands, of Harsh, Texas; Edith Hays of Oklahoma City, Oklahoma, James and Carolyn Jackson of Littlefield, Mr. and Mrs. John Jackson of Littlefield; Lexie Miller of Odessa; and Barbara Berry of Muleshoe. Sisters visiting her were Lexie Watson of Harlingen, Texas and Maude Glover of Houston. Also visiting her were her granddaughters, Sharla Seals of Littlefield and Becky Miller of West Texas State University.

Visiting Mrs. Mamie Miller Tuesday, January 14 were Lexie Miller of Odessa and Becky Miller

of West Texas State University.

Visiting Arthur Perkins, Tuesday, January 14 were Jo'n Jackson of Littlefield; Dan Jackson of Leander, Texas; Edith Hays of Oklahoma City; and Barbara Berry of Muleshoe.

Mrs. Elaine Cummings LUN and her family will join in a family reunion the last part of January in Paris, Texas. We wish her a very good trip.

Shirley Richardson also one of our LUN's will be leaving for Dallas to participate in her Civil Service Commission Examination. We want to wish her very good luck.

We want to welcome our new patient to the Nursing Home, Tomato Center. He will reside in room 71 with Dario Deingues.

Anybody who's taken a Red Cross swim course knows how tough it can be. There's a good reason.

We believe drowning is a serious business. Last year alone, we taught 2,589,203 Americans not to drown—in the seven different swim courses we offer all across the country. (Incidentally, most of the teaching—as with almost everything American Red Cross does—is done by dedicated volunteers.)

A good many of the youngsters not only are learning to keep themselves safe. Thousands upon thousands of them are learning to become lifesavers.

And the life they save—it just might be your own.

## DEEP

AS THE SEA

Standing in the sand, looking at the sea, one cannot help thinking of the boundless, fathomless love of God toward us. Oh, how he loves us, uplifts us, protects us and encourages us. There comes to mind many of his precious promises and the heart swells with gratitude. Recalled first of all, perhaps, are verses like these:

"Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee: yea, I will help thee."

"Yea, I have loved thee with an everlasting love: therefore with loving kindness have I drawn thee." Jeremiah 31:3.

"For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved." John 3:16, 17.

Many more words of comfort await you in the Bible and in the Church as His words are proclaimed from the pulpit. We invite you to attend church this week. You will be glad you did.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# Farmers Union Predicts Higher Food Costs Possible

Texas Farmers Union president Jay Naman of Waco predicted that if President Ford's energy recommendations were passed into law that they would inevitably result in higher food costs. Naman said that the tax on imported crude which would result in a 10-15 percent increase in the price of petroleum products would add hundreds of millions of dollars to the cost of producing food

and fiber, which would have to be passed on to the consumer. "Since petroleum products comprise a major cost in the production of food and fiber both from the standpoint of energy and fertilizer, the President's recommendation to tax imported crude oil and natural gas would immediately result in higher food costs," Naman said. Naman called for a mandatory fuel allocation program

which would provide agricultural producers with adequate fuel supplies at reasonable prices. "President Ford could conserve millions of barrels of petroleum by imposing tough allocations on petroleum used by the synthetic fiber industry. The continued unlimited production of synthetic fibers is a wasteful use of energy. Farmers and ranchers need

these markets for superior natural fiber and both those producers and consumers would be served by a reduction in synthetic manufacture," Naman said. Turning to the President's State of the Union message, the farm organization leader said that he was disappointed that President Ford did not emphasize agriculture and the

serious economic problems of farmers and ranchers. He pointed out that many of the economic problems of the nation stem from the lack of incentives to farmers and ranchers to produce for export markets. "Our great agricultural capacity in the United States can be called upon to lessen our economic problems by improv-

ing our balance of payments. Apparently, the president is not informed that present federal farm program fails to encourage adequate production and to give farmers and ranchers the kind of assurances that are necessary for an expanding agriculture and stable markets," Naman said. "I hope that President Ford is planning a special farm message to Congress in addition to his report on the State of the Union. His failure to do so would indicate that he is unmindful of the fact that a falt-

ering agriculture is at the foundation of our economic life, and that while farmers are going broke consumers are paying exorbitant prices for food that is feeding the inflation," the farm leader said.

gram. Many of these comments said the change would make it more difficult to take part in the program, or not worth the time required -- while other comments favored increased contributions by participants in the program.

Responding to these comments, the amendment was revised to limit the amount that a household pays as its purchase requirement to \$1.00 less than the total monthly coupon allotment for the household. But it was decided to implement the 30 percent purchase requirement for most of the participants in the program, since requiring all participating households to pay the same percentage of their income for their food stamps provides greatest fairness to all. This principle of equity in the program is in line with provisions of the Food Stamp Act which specify that the purchase requirement shall be a reasonable amount, not to exceed 30 percent of the household's income.

Some state welfare agencies commented on the administrative complexity of the amendment, and the vulnerability that it afforded for caseworkers to make errors. The two changes in the proposed amendment -- to require a bonus of at least \$1.00, and to drop the cents in computing the purchase requirements only for the 43 states and District of Columbia, but the same amendment will be published for the rest of the United States shortly thereafter.

SHISH-KABOB . . . The Indoor-Outdoor cooking group of the Muleshoe 4-H Foods Project is shown as they cook shish kabob in the fireplace of the 16th and D Church of Christ. Pictured are Julie Barnhill, Tami Bratcher, Dayla Hight, Agness Lopez, Holly McClain, Beverly Copeland and Lori Leak.

## 4-H Food Project Has Second Meeting

The second meeting of the Muleshoe 4-H Foods Project was held on Tuesday, January 21 at the 16th and D, Church of Christ Fellowship Hall.

The Food for Fun group studied meats and vegetables by making chili-mac and a pear salad and discussed the nutrients contained in each. Boys enjoying their second efforts in the kitchen were: Lance Wenmohs, Kevin Howa-1, Jay Gleason, Mark Green, Jimmy Gleason, Tim Sala and Jerry Lionel Gleason.

The Picnic Project group studied meats, fruits and vegetables and experimented with five different varieties of sandwiches and made a grapefruit-peppermint salad.

Enjoying these treats were Lisa Bennett, Shelly Sain, Janda Gleason, Stacey Barnhill, Stacey Schroeder, Bern Lopez and Marlea Cox.

The Indoor Outdoor Cooking group took advantage of the fire place to make shish-kabob.

After clean up activities everyone settled down to listen to Mrs. Spencer Tanksley explain the county 'Favorite Food Show' to be held on March 6, 1975. Each 4-H'ers was encouraged to choose a recipe and enter the contest.

Adult leaders assisting were Mrs. Spencer Tanksley, Mrs. Jerry Wenmohs and Mrs. Jerry D. Gleason.

The third and final meeting will be held January 28 in the 16 and D, Church of Christ, Fellowship Hall.

They learned the proper way to cook cheese and quinched their thirst with an orange Julius. Emphasis was placed on nutrition of the milk group, fruits and vegetables with foods from all food groups being eaten. Those participating in these fun activities were Julie Barnhill, Tami Bratcher, Dayla Hight, Agness Lopez, Holly McClain, Beverly Copeland and Lori Leak.

## Progressive Home Club Meets

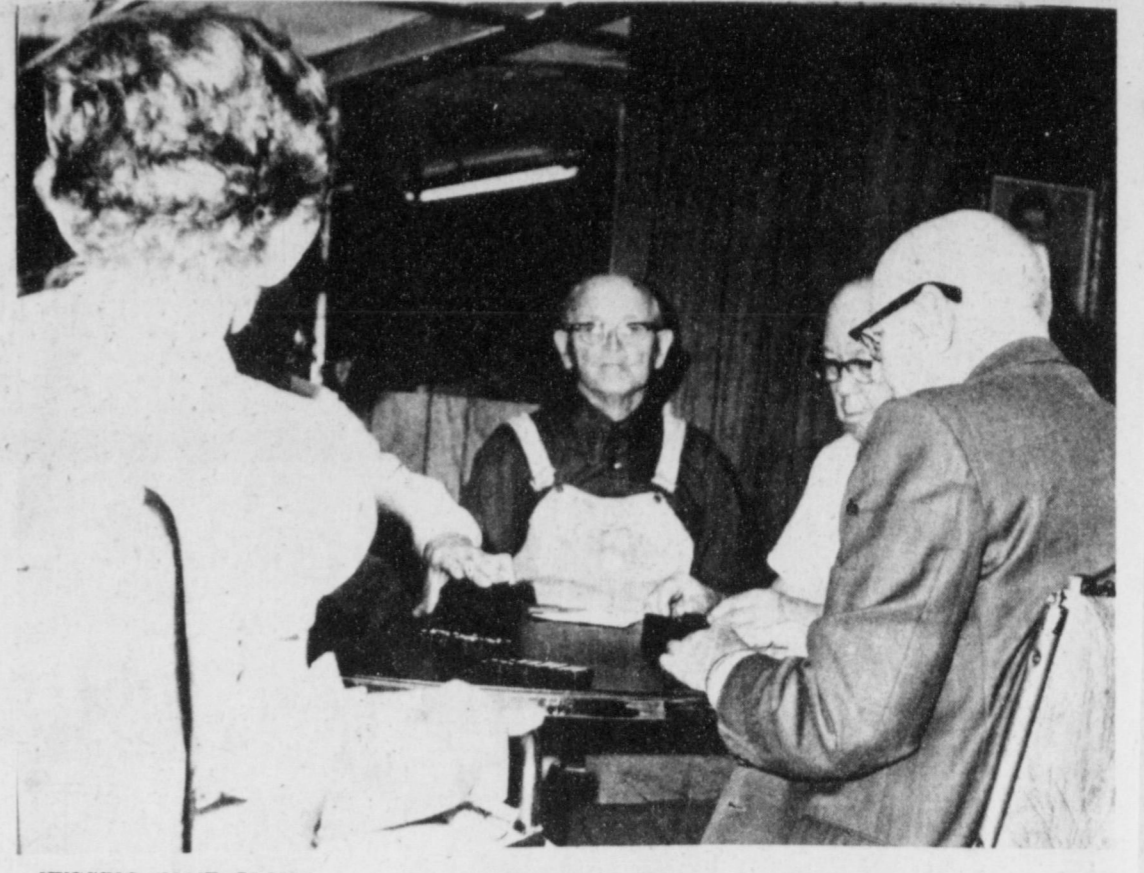

The Progressive Home Club met Wednesday, January 22 in the home of Zida Mae Black. Roll call was answered by house hold hints and poems. They then reported on the things the club is trying to do for the Boys Ranch at Pettit which needs a lot of help as it is a new project.

Vera Engleking drew the hostess gift and Venona Gibson received a Valentine present.

The club will have a 42 party and supper in the home of Mr. and Mrs. Ray Black, January 31.

Those present for the meeting were Venona Gibson, Vera Engleking, Katy Roubeneck, Zida Mae Black and Roxi Hoover.

Their next meeting will be in the home of Vera Engleking February 25.

NURSING HOME SOCIAL . . . The Nursing Home residents were given a Social Tuesday, January 21, by some groups in the First United Methodist Church.

## Taylor, Bishop Announce Engagement

Cynthia A. Taylor of Friona and Jimmy D. Bishop of Farwell are happy to announce their engagement and approaching marriage.

Wedding vows will be exchanged in the First Baptist Church at Fifth Street and Avenue E in Farwell on Sunday,

February 9, 1975 at 3:00 p.m. An open house reception will follow in the home of the groom at 205 Sixth Street in Farwell.

Cynthia is the daughter of Mrs. Hazel Guinn and the late Jim Guinn of Friona and is employed by Three-Way Chemical, Inc. of Friona. Bishop is the son of Mr. and Mrs. William C. Bishop of Texico, New Mexico and is employed by the Texas Department of Public Safety as a highway patrolman for the Parmer County area.

## Social For Nursing Home Residents

The monthly Social at the Nursing Home was held for all residents and their guests Tuesday, January 21 for 3:00 to 5:00 p.m.

Mrs. McKinstry's music pupils entertained the group. Participating in the program were Traci Webb, Tana Webb, Steve Claybrook, Gary Cox, Maribeth Dillman and Belinda Nickels. After the entertainment the pupils helped serve and visited with the residents.

A buffet supper was served by the Joyce Hill Circle, Esther Dorcas Circle, and Mary Martha Circle of the First United Methodist Women.

Each month, some group will be responsible for hosting the Social. Mrs. Henry Malone, the Activities Director, will be in charge. Any group interested in helping contact Mrs. Malone at the Nursing Home.

## Grainline Important For Fit

COLLEGE STATION---Grain refers to the direction of the yarns in a piece of fabric. And proper grain is most important for a garment to hang straight, according to one clothing specialist.

"Lengthwise grain runs parallel with the fabric's selvage, and crosswise grain runs perpendicular to the selvage," explained Marlene Odie with the Texas Agricultural Extension Service, The Texas A&M University System.

"When making a garment, follow the pattern markings for lengthwise and crosswise grain-

line as you lay the pattern on the fabric," Miss Odie advised.

In buying printed fabrics, be sure to notice whether the design is printed on grain. Sacrificing grain for a bargain will cause problems in constructing the garment, she noted.

Fabric with its design printed off the grain can be easily spotted because the design doesn't follow evenly along the selvage. The specialist advised looking for this characteristic along the selvage--not the cut edge--because fabric bolts are seldom cut on grain.

"In knits, the looped yarns form a grain. Some knits cast a shadow in one direction. Be careful to check this in natural lighting before cutting," she said.

Permanent press fabrics and knits that don't meet at the selvage after preshrinking should not be pulled to meet. They

will eventually return to their original shapes. Lay the fabric flat, then cut pattern pieces accordingly, she said.

"An exception to always following the grainline in cutting out garments is the bias cut garment. This style is always deliberately cut off the grain and adds texture, design and ease to the garment," the specialist said.

Many spouses operate in a tit-for-tat system whereby if the wife performs and behaves in a manner desired by her husband, then the husband behaves to please the wife. This system implies a revengeful motivation and is detrimental to good relations, Dorothy Taylor, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System, points out.

## Mr., Mrs. Pitts Honored At Farewell Party

The Pleasant Valley and Y-L communities hosted a farewell covered dish dinner Saturday, January 18 at the Pleasant Valley Community Center honoring the Kirk Pitts.

Mrs. Bonnie Haberer, a Pleasant Valley resident, gave the invocation and everyone feasted and visited. Tub Angeley served as Master of Ceremonies

and welcomed all the friends that attended.

Members of the Pitt's family that attended were Mr. and Mrs. Kirk Pitts; Mr. and Mrs. James Pitts and son, Alan of Pittsburg, Texas; Lyla Pitts, Aubrey Pitts, a student at WTSU, and John Hasandras, fiance of Lyla, of Phoenix, Arizona.

Many gifts were given to the Pitts as appreciation in their work through community help. Mrs. Pitts received several gifts from her social club and they both received gifts from the Y-L 4-H Club for their work in these many organizations.

Mr. and Mrs. Kirk Pitts and family moved to the Pleasant Valley Community in 1955 and have lived here for twenty years. They will be moving to Hughes Spring in East Texas.

## Cub Scout Pack 620 Receives Awards

Cub Scout Pack 620 met for their monthly Pack meeting Tuesday, January 21.

Cubmaster, John Harris opened the meeting with the pledge to the flag.

Pack 620 welcomed three new members to the pack. They are Hector Hernandez, Jessie Navar and Jay Applegate. Carolyn Dillard was welcomed as a new Den Leader.

Advancement badges were presented to four boys. Kevin Harris and Thomas Sliger were awarded the Bear Badge, Kevin also earned one gold and one silver arrow point. Shannon Dillard was awarded the rank of wolf with one gold and one silver arrow point. Robert Donaldson earned one gold and one silver arrow point.

Four boys tied in a contest of recruiting new boys. They are Jimmy Holmes, Ray Vinson, Ricky Rasco, Chris Hernandez. Each were presented with a recruit patch and a good deed coin. Pack 620 met the goals set for new members and received a banner from council proclaiming it an honor unit.

Pack 620 won the National President unit award for 1974. Boys that received these badges were Micheal Barrett, Chuck Bartholf, David Castorena, Robert Donaldson, Randy Gatewood, Kevin Harris, Chris Hernandez, Jimmy Holmes, James Kelly, Miscal Pecina, Eddie Perez, Ricky Rasco, Lupe Rejino, Jr., Thomas Sliger, Ray Vinson, Steve Young, Mat Mackesy and Shannon Dillard.

Everyones attention was then turned to the Rocket Race. Each boy and his dad built a rocket by whittling and painting balsa wood. Each one participating received a ribbon and a Space Derby Plaque. Trophy winners of the race third place, Steven Eubanks second place, Ricky Rasco; and first place, Kevin Harris. Medals were presented to fourth place, Lupe Rejino, Jr. Best in the show

was Jay Applegate. Best in Aerodynamics was Shannon Dillard and most original was Steve Young. Best detailed was Ricky Rasco. Hard luck was Chris Hernandez. The trophies were donated by Cobb's, St. Clair's and Rasco's. Judges for the race were Jim Burgess and Roland McComick. Operating the starting gate was Rev. Walter Bartholf.

The next pack event planned is Cub Scout Sunday, February 9. All the boys and parents are going to attend church as a group at the Trinity Baptist Church.

Tuesday, February 18 will be the Annual Banquet. The boys will race their pinewood cars at this affair.

### TOPS Has Regular Meeting

TOPS Chapter Number 34 met Thursday, January 23 at 6:00 p.m. in the meeting room of Bailey County Electric with 24 members weighing in.

Business was discussed about having Mrs. J.O. Parker to redo all the scrapbooks and combining them into one. It was discussed that Mrs. Owen Jones would give an informative speech over parliamentary procedure in the near future. They were reminded that all birthday gifts be in by the last of this month.

Those ill and not able to attend the meeting were Mrs. Tom Berry, Mrs. H.M. Hefner, Mrs. Edd Harp and Mrs. Dee Clements. They had one renewal.

Carlean Stroud was named weekly queen. First runner-up was Mrs. Joe Baker and second runner-up was Mrs. Luther Hall.

### Market Report

COLLEGE STATION-- A record crop of oranges is coming to market, Mrs. Gwendolyn Clyatt reported this week.

The consumer marketing information specialist with the Texas Agricultural Extension Service, also predicted attractive prices on oranges.

"Grapefruit also is plentiful, and quality is excellent," The Texas A&M University System specialist added.

"Apples, bananas, and avocados are other good fruit choices, price-wise."

Mrs. Clyatt said economical vegetable choices are broccoli, cabbage, carrots, potatoes, dry yellow onions, turnips, rutabagas and hard shell squash.

At meat counters, retail beef prices haven't changed much in the past week, the specialist noted.

"In general, look for best beef values on chuck roasts and steaks, round steaks, ground beef and liver."

Pork values include Boston butt roasts, shoulder roasts, smoked hams and picnics.

Fryer chickens are good values, and supplies are adequate for the demand, Mrs. Clyatt concluded.

CONSUMER WATCH-WORDS: Save 20 per cent on canned fruits and vegetables by doing some comparative shopping.

Choose wisely among brands, buy food according to intended use, and read and understand labels.

Ground all electric appliances except the ones with exposed heating elements--like toasters, advises Mrs. Lillian Chenoweth, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

### Fourth Graders Produce Film

Fourth grade students in Mary De Shazo have produced a colorful filmstrip for the Governor's Office of Traffic Safety in Austin.

The film, called 'The Safest show on Earth' was produced by the children with materials made available to the public school system by the Governor's Office of Traffic Safety to help teach pedestrian, bicycle and passenger safety.

The student producers cre-

ated illustrations which were reproduced on film and returned to the school with a pre-recorded sound track. Each classroom participating in the program produces its own show. The filmstrip and recording become the property of the school for future use.

Officials at the Governor's Office of Traffic Safety will select artwork used in the program for use in television public service announcements to be released in Spring, 1975.

If any club would like to borrow the filmstrips and tapes to show, contact a fourth grade teacher.

### 4-H Rifle Club Elects Officers

### Mulette Maneuvers

Tuesday, January 21, the Mulette A and B teams played out the previously number one-rated team in AA competition. Coach Bob Graves complimented the varsity guards for one of their best defensive games. These guards are Lavern Carpenter, Ellen Shafer, Diane Dale, Joie Carpenter and Belinda Throckmorton. The forwards were praised on their 50% shooting. The forwards were Sarah Patterson with 24 points, Sheryl Stovall 12, and Jan Harlin 14 points. With the great effort put out by these girls, the Mulette record was raised to an 18-4 mark with the final score being 50-44.

The J.V. Girls brought in an important victory over the Slaton J.V. team to whom they had previously lost for first place in the Amherst Tournament. The guards played an out-

standing game of defense, holding the opponents to 27 points. Rebounding was greatly improved from earlier games. The guards were Teresa Hamilton, Sherry Washington and Nancy Ramm. The forwards had a good game with well balanced scoring. The forwards were Joe Roming with 1 point, Laura Beene with 11 points, Tammy Bruns with 12 points and Jana Bruns with 17 points, making the final score 41-27.

With this win the J.V. record now stands at 8-6.

A final concert was held Saturday night at 7 p.m. in the Coronado High School Auditorium. Colonel Arnold Gabriel from the United States Air Force Band directed the All-Region Band.

Mr. Tony Clines, director of the Mighty M Band and Mr. Don Pierce, assistant director accompanied the students to Lubbock.

All Region Band

played important district games.

### Council Has Meeting

The Muleshoe High Student Council met Tuesday, January 21, 1975, in Room 14. Robert Shafer, Vice-President, conducted the meeting and the prayer was led by Perri Poyner, Reporter.

Discussion was held over the final details about the Ping-Pong Tournament. It was definitely decided to award trophies to the champions and give ribbons to first, second, and third place winners.

Friday, January 24, Student Council sponsored "Find the Basketball Day". Cards, with basketballs printed on them, were placed in envelopes which contained coupons. These were hidden in various places around and in the High School. Students finding the cards were then able to cash them in at the Dairy Queen for a free ice-cream sundae.

### Panhandle Standouts

The students of Muleshoe High School are very fortunate to have representation that we have received this year from sports, speech and the Mighty "M" Band.

This year the Amarillo paper has given the Muleshoe basketball teams outstanding recognition. Every week they feature different players from around the area. This week Senior Gary White and Senior Jimmie Wisian were featured as Panhandle Standouts.

We would like to extend a hearty congratulations to these two seniors.

### Are You Crazy?

Man motorist (after barely avoiding a collision):  
"Why, in the name of common sense, didn't you signal?"  
Woman motorist (who had just turned into her home driveway):  
"Why, I always turn here, stupid!"

### Homecoming Held Here Friday Night

Friday, January 24, the 1975 Basketball Homecoming festivities climaxed with the coronation of Miss Jonice Killough as the Homecoming Queen, and Gary White as the Homecoming King. Jonice is the daughter of Mr. and Mrs. M.G. Killough, and Gary is the son of Mr. and Mrs. Carl White.

Other candidates were Miss Ellen Shafer escorted by Dusty Davis and Miss Belinda Throckmorton escorted by Jeff Skipworth. The crowning took place during the halftime of the boy's game against the Canyon Eagles Friday night.

The Student Council worked hard during the week to create new ideas for boosting spirit for the games to be held Friday night. They sponsored a contest between classes by seeing who could get the most people out to the games. Posters were taped to the counter in the entrance to the gym with the

headings "Seniors", "Juniors", "Sophomores", and "Freshmen." Each student signed his name to his class roster. A coke party will be given to the winning class by the Student Council.

The other spirit boosting efforts by the Student Council included a "Find the Basketball" with sundae awarded to those who found the basketballs and a "Beat Canyon" salutation with winners receiving steaks, and a "Guess the Score" contest with steaks also awarded to the winners.

The traditional Pep Rally was held Friday afternoon at 2:45. The Mighty M Band and the varsity cheerleaders marched down the halls of MHS boosting spirit to the students. All varsity basketball players were introduced and the J.V. and ninth grade players were asked to stand and were recognized. Two MHS basketball players--Lavern Carpenter, a senior guard for the Mullettes and Dusty Davis, senior player for the Mules, spoke about the games against the Canyon Eagles and Eaglettes. Basketball Homecoming candidates were recognized and congratulated. Yells were led by the cheerleaders. A lot of spirit and enthusiasm prevailed during the Homecoming festivities.

Tactical nuclear cutback in Europe is urged.

### To Be Given

GED test for High School certificates will be given on February 7 and 8. Mr. Ben Gramling will be giving the tests to any adults wanting to take them.

If you would like to take the GED tests, you need to contact Mr. Gramling at Muleshoe High School not later than February 5, 1975.

**Card of Thanks**

We would like to take this opportunity to express our thanks to the many friends and relatives for their help due to our house fire. We realize the extreme cold weather and wind hampered the fire units and know they did all that was possible. The Maple, Morton, and Muleshoe fire units were all on the scene, but freezing weather kept the pumps from working, but they did all they could.

We also thank all our friends and relatives for the clothes, household goods, cash donations, and moral support given us. We apologize for interrupting the super bowl at half-time.

Ma, God bless all of you and that we may repay each of you someday.

Thanks  
Billy, Gwinn, Gloria, Dora, Jan and Micha Simpson. 15-4s-1tp

**Public Notice**

Notice to Contractors  
Sealed bids addressed to the City of Muleshoe, Texas, will be received at the City Hall until 8:30 AM, February 18, 1975, and then publicly opened and read for furnishing all plant, labor, material and equipment, and performing all work required for seal coating approximately 67,000 square yards of city streets.

Bids shall be submitted in sealed envelopes upon the blank form of the proposal attached hereto and marked in the upper left hand corner.

All proposals shall be accompanied by a cashier's check or certified check upon a national or state bank in the amount of five (5%) percent of the total maximum bid price payable with out recourse to the City of a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100% of the contract price from an approved surety company holding a permit to act as surety or other surety or sureties acceptable to the Owner.

The right is reserved to reject any and all bids and to waive any informality in bids received.

Plans, specifications and bidding documents may be secured from the office of the City Manager or at the office of Bill R. McMorries & Associates, Inc., 6300 Canyon Dr., Amarillo, Texas 79109, on deposit of Twenty-five (\$25.00) Dollars per set which sum so deposited will be refunded, provided:

(1) All documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than 48 hours prior to the time for receiving bids; or (2) The Contractor submits a bid and all documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than five days after the time that bids are received. City of Muleshoe, Texas By: Alex H. Williams, Mayor

Question: If an FDIC-insured bank fails, when and how will I get my deposit back?  
Answer: If an FDIC-insured bank is closed and liquidated, FDIC will start to pay insured depositors up to the statutory limit within 10 days after the closing.

Question: How good is FDIC insurance?  
Answer: Since it's creation in 1933, The FDIC has never failed to honor it's deposit insurance commitment. To date, in all failed banks insured by FDIC, over 99% of all deposits, insured and uninsured combined, have been paid or made available to their owners.

Question: Can I get more than \$40,000 insurance at the same bank?  
Answer: Yes, if you hold accounts in different legal ownership capacities. For example, if you are married, you can have an account in your name insured up to \$40,000; your spouse can have an account in his or her name insured up to \$40,000 and you and your spouse can have a joint account insured up to \$40,000. If you hold several accounts in the same ownership capacity, however, the maximum insurance to which you are entitled is \$40,000-- even if the total amount in all of the accounts is more. The new law has not changed the rules -- only the dollar amount in insurance has been changed.

### Bula News Mrs. John Blackman

Several friends of Mrs. Aita Salyer, attended her funeral Tuesday afternoon, held in the George Price funeral home in Levelland, with burial in the Littlefield Cemetery. Mrs. Salyer lived in the Bula Community most of her life, she moved to Levelland three years ago. She and her late husband, G.D. Salyer were married at Bula and reared their three children here. Children surviving are Linda Todd of Fort Stockton, Betty Bowers of Levelland and Glen of Felt, Oklahoma, and five grandchildren.

FHA girls met at the second period, Friday morning January 10 in the homemaking room, with all the FHA girls and their sponsor, Mrs. Alice Kester present. Following the opening ritual, several items of business were taken care of. Among them were four girls were chosen to sing in the FHA Area I choir, when the meeting will be held in February. The girls are Susan Layton, Sharron White, Kelly Sinclair, and Ida Davila. Also, the FHA will soon be sponsoring a Sunday spaghetti dinner, as a money project to help sponsor the girls going to the state convention. Susan Layton and Lisa Risinger served refreshments to the group, after the meeting.

The 7th grade, with their sponsors, Lester Bounds and Mrs. Quinton Nichols, enjoyed a fun day Saturday January 11. The group drove to Lubbock and went to the park where they ate their sack lunches and played games as the weather had turned off extremely cold. After lunch they went bowling, skating, then ate supper at a cafe and then to a movie. Leaving the school at 9:00 a.m. and getting home at 12:00 p.m. They all had a big day.

### Services Held Saturday For Maude Bostick

Maude Bostick, 92, died Thursday, January 23, at 11:45 p.m. in West Plains Memorial Hospital.

She had been a Bailey County resident since 1973, moving from Corpus Christi. A member of the Church of Christ, she was born March 11, 1882, in Graham, Texas.

Funeral services were held at 11 a.m. Saturday at Singleton Ellis Chapel of the Chimes with Royce Clay, minister of the Muleshoe Church of Christ, officiating. Graveside services were held at 4:30 p.m. in Roscoe Cemetery, Roscoe, Texas. Survivors include four daughters, Mrs. Claude Hendricks of Muleshoe, Mrs. Ruth San of Portales, Mrs. Beulah Southard of Artesia, N.M., and Mrs. Christine Edwards of Corpus Christi two sons, Charles E. Bostick of Arkansas Pass, Texas and Clay H. Bostick of Corpus Christi one brother, Arthur Middough of Seadrift, Texas; 16 grandchildren; 28 great-grandchildren; and four great-grandchildren.

Mrs. Cecil Jones, Mrs. John Hubbard and Mrs. John Blackman attended a salad luncheon given Monday evening in the LCC cafeteria, honoring the wives of senior students at Sunset School of Preaching. They were the guests of Mrs. Jim Hitt, Jim is among the senior students and has been minister for the Bula Church of Christ for several months.

Several of our boys and girls entered stock in the Bailey County Steer Show Saturday at Muleshoe. Those entering and receiving ribbons were Keith and Sheeri Claunch, Susan and Robert Layton, Jarrol and Keith Layton and Meloy Roberts.

Mr. and Mrs. Gene Bryan drove to Amarillo early Monday morning to be with a niece, Kay Neel, who had surgery on a knee at St. Anthony Hospital. They returned home Tuesday evening.

Mrs. C.R. Brown, mother of Mrs. Buddy Modlin of Amarillo.

fell January 2 and broke a hip. She is still confined to St. Anthony Hospital, but is doing real well. She is taking therapy, and this is the reason for her having to stay in the hospital so long. Her daughter, Mrs. Ruby Tidwell of California, is also with her. Mrs. Brown will be remembered here by her old friends as she and her late husband lived in the Bula community for years and reared their children. She is 94 years old.

Mrs. W. C. Risinger, Mrs. Rossie Morrison and G. O. Smith were in Lubbock Saturday attending the Text Book hearing at Smylie Wilson Junior High School.

Bula girls won over Whitharrel Tuesday evening in their district game. This is Bula girls seventh undefeated game. We hope they will go all the way.

Mr. and Mrs. John McCormack and children Danny,

Heather and Cornell drove to Clovis Friday afternoon and spent the weekend with his parents, Mr. and Mrs. Cleo McCormack.

Pat Carter of Lovington, came up Sunday and spent most of the day with her mother, Mrs. Nettie Blackman at the Muleshoe Nursing Home.

Ann Sinclair and Margaret Teaff will be in Lubbock, Monday attending a Migrant Work Shop.

Mr. and Mrs. G. O. Smith were in Lubbock Monday evening attending the TSTA unification meeting held at Smylie Wilson Junior High building. They heard Callie Smith of Austin speak to the group, on TSTA and its problems.

Marjorie Simmons and Joyce Beasley were in Lubbock, Tuesday attending the Postmasters meeting.

### Services Held Saturday For Frank Mooney

Marion Franklin (Frank) Mooney, 66, a former Muleshoe resident, died Thursday, January 23, in Morton Hospital at Dallas.

A Dallas resident for 10 years, he was born May 19, 1903 in Clarksville, Texas. He was a security guard and a

member of the North Oak Baptist Church in Dallas.

Funeral services were held at 1:30 p.m. Saturday in the Dudley Hughes Jefferson Chapel. Graveside services were held today (Sunday) in the Muleshoe Cemetery.

Survivors include his wife,

Lola Belle Mooney of Dallas; two sons, Marvin Mooney of Enless and Lon Mooney of Odessa; two daughters, Mrs. Seleta Tucker of Longview and Miss Yolanda Mooney of Dallas; two sisters, Mrs. Mary

Lowe and Mrs. Iva Porter both of Oregon; and 10 grandchildren.
