Clean-Up—Raymond Summy, T. M. Glass and LeeRoy Stacy.
Bread—Roy Loudermilk.

Sim Gideon, Austin Guest Speaker At Lions Club Meeting

The Goldthwaite Lions Club held their regular meeting last Tuesday night at the High School lunchroom. Sim Gideon of Austin, General Manager of LCRA, was the guest speaker.

Final plans for the 4-H and FFA banquet were completed at this meeting and committees were appointed for the various duties connected with this annual dinner, which the Lions Club holds each year honoring the girls and boys of the county for their club activities during the year.

The banquet will be held at the American Legion Hall next Tuesday night, April 15. Mr. and Mrs. Luther Ward and Odena attended funeral services for his sister, Mrs. Cora Seuberth, in San Antonio last Thursday.

First Roll Call For Bundle Day In Goldthwaite Will Be April 16

Children will be helping children the week of April 14 through 18 as all schools of Goldthwaite are setting aside a day for the nation-wide Save the Children Federation clothing drive, called "Bundle Day."

School Superintendent Jones stated: "Participating in the collection of warm, suitable clothing for those less well-off than ourselves, our students have chosen April 16 as Bundle Day."

"Every child has a right to a pair of shoes, a warm coat, clothes suitable for him to wear to school," said Supt. Jones of the Goldthwaite schools. "Our school has set aside April 16 day as Bundle Day, a nation-wide program carried on by Save the Children Federation. I urge all parents and friends of children to help the students participate in their school's collection."

The deadline for bringing used clothing to the school is April 18, 1958.

"Through Save the Children

Federation, a non-profit, non-sectarian organization serving the needs of children, we urge parents and neighbors to bundle up their wearing apparel so that some child may bring it to school."

Clothing no longer needed can become a "new" wardrobe to children in underprivileged areas.

Especially needed are flat shoes, serviceable coats and dresses, dungarees, pants, over-shoes, rubbers, infant and adult clothing is also welcome—diapers, blankets, booties, jackets, kniteaps, boots, and underwear.

Save the Children Federation has held Bundle Day drives in American schools for the past 15 years. Schools of Goldthwaite have participated in this drive for the last two years.

Weather Report

Rainfall for the month of April so far is 24 inch which fell Tuesday night, according to an official report from Harry Allen.

Welfare Office In Mills County Has Temporary Exchange

Mrs. Dorothy P. Yarborough, Mills County Fieldworker, State Department of Public Welfare, has been granted a temporary assignment, in her duties, to neighboring counties. She will return to her duties as Fieldworker in charge of the Mills County Office around the latter part of July.

The Mills County office of the State Department of Public Welfare is being temporarily handled by Mr. Armin Pfennig, regular Fredericksburg Fieldworker. All employees of the State Department of Public Welfare are chosen from examinations through the Texas Merit System Council, and placements are non-political.

Local Pastors To Be Guest Speakers At P-TA Meeting

The Goldthwaite P-TA will meet Monday night, April 14, at 7:30 o'clock in the Elementary School lunchroom.

Rev. Walter Cartwright, pastor of the First Methodist Church, Charles J. Hill Jr., Minister of the local Church of Christ, and Presnal H. Wood, pastor of the First Baptist Church will discuss the subject: "New Ventures in Partnership With Youth Through Promise of Tomorrow for Every Use by Development of Spiritual Values."

The public is cordially invited to attend this meeting. Mrs. Claude Dickerson will keep children for anyone wishing to attend, according to announcement by Supt. J. T. Jones.

CENTER CITY REPORTER, MRS. JOE GREEN, IN LLANO

Mrs. Joe Green, regular news reporter for the Center City community this week went to Llano to help care for her daughter, Mrs. A. C. Kincheloe, who is confined to her room. Mrs. Kincheloe's condition is not critical but the report is that she will not be able to do her household duties for at least four weeks to become fully recuperated.

GARDEN CLUB TO MEET WEDNESDAY, APRIL 16

The Goldthwaite Garden Club will meet in the Fellowship Hall of the First Methodist Church, Wednesday afternoon, April 16, at 3 o'clock. Mrs. Richard Hampton will be leader for the program, "The Joy of Working Together." Every member is expected to bring flowers, containers and mechanics with which to work.

Mr. and Mrs. Hermon Anderson and son, Brad, of Granbury, spent last Friday and Saturday with his mother, Mrs. Willie Belle Kirby, Nan and Tilmon. Sunday guests of Mrs. Kirby were her daughter-in-law, Mrs. Billy Harrell Anderson, Dickie and Debbie, of Plaquemine, La.

Miss Mabel Townsen and Mrs. Nelson Nuckles of Lampasas visited last Saturday afternoon in the home of Mr. and Mrs. F. R. Hines.

N. G. Duren Calls Urgent Meeting For Blood Bank

Norman Duren, chairman for the Mills County Blood Bank, has called a meeting for all interested people throughout the county to meet in the commissioners' courtroom at 2:30 p. m., Friday afternoon, April 11.

Mr. Duren and Harold Yarborough are urging all persons who are interested in keeping the Blood Bank in Mills County to be present. They stated that if the people of the county did not attend this meeting then they would take it for granted that they did not want to remain in the Blood Bank longer. This is an important meeting and should be of great interest to everyone in the county.

The Trading Post To Re-Open April 11

The Park Committee of the Goldthwaite Garden Club met last week and made plans to re-open the Trading Post, Friday, April 11.

The interior of the building has been painted, shelves added and stocked with a good assortment of men's, women's and children's clothing, shoes and hats.

Beautification of the Mills County Park Grounds is the club's project and all proceeds derived from the Post will be used for that purpose.

This is the time of year for spring house cleaning and the Committee has asked that the ladies bring all discarded good clothing, shoes, hats and any household articles that are usable to the Post.

Miss JoAnn Jones, a student at Baylor University, Waco, was a guest of her parents and brother, Mr. and Mrs. J. T. Jones and Eddie, during the Easter holidays.

Miss Jean Ann Evans of Waco spent the past weekend here visiting friends and relatives and also attended the Jones-Solberg wedding Saturday night.

New City Officials Take Office

Y. B. JOHNSON Mayor

Newly elected officials of the City of Goldthwaite took office Monday night at the regular meeting of the city council composed of retiring members along with the newly elected members.

The city council was presided over by Mayor Wm. G. Yarborough while the election returns were certified and new members declared elected. Then Yarborough and aldermen R. L. Steen and Houston Duren retired and mayor Y. B. Johnson and aldermen I. W. Mauney, Milton Schwartz and Joe S. Langford took their seats at the council table. Mr. Langford was re-elected.

Official returns from the election last Tuesday as certified by the council are as follows:

For Mayor: Y. B. Johnson 60,

I. W. MAUNEY Alderman

R. L. Steen 1, (write-in).

For Aldermen: Joe S. Langford 61; I. W. Mauney 61; Milton Schwartz 21; Loy Long 20; T. J. Blackburn 4; R. L. Steen 5; Clyde Estep 1; W. B. Wooster 1; Malcolm Jernigan 1; and Dave Shaw 1. Langford and Mauney were the only two candidates whose names were printed on the ballot. All others were write-ins for the third councilman to be elected.

New members of the city council will serve with holdover aldermen Fred Reynolds and Sam Edington.

Joe S. Langford was elected mayor pro-tem; Glynn Collier was appointed city secretary; Everett Holland was again appointed city fire marshal and W. C. Barnett was named city treasurer and tax assessor-collector.

The council allowed bills for the past month and heard a report from W. C. Barnett on the three day Electric Short Course that he attended at A&M College during the past month.

A request from Southwestern States Telephone Company for a new 25 year franchise from the City of Goldthwaite was presented to the council and discussed. No action was taken at this meeting.

A petition from Mr. and Mrs. Howard Campbell for certain parcel of land to be annexed to the city was approved and ordinance for same was passed by the council.

The council instructed city manager Barnett to proceed with plans for painting the swimming pool and securing and planting shrubs in front of the city hall.

SOLILOQUY

TORNADO SAFETY RULES:

TO KNOW WHAT TO DO WHEN A WARNING IS RECEIVED, OR A TORNADO IS OBSERVED, MAY MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH!!

I:—

a. There is no universal protection against tornadoes except caves or underground excavations. When time permits, go to a tornado cellar, cave, or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas or debris; and preferably equipped with pick and shovel.

2:—IF YOU ARE IN OPEN COUNTRY:

a. Move at right angles to the tornado's path. Tornadoes usually move ahead at 25 to 40 miles per hour.
b. If there is not time to escape, lie flat in the nearest depression such as a ditch or ravine.

3:—IF IN A CITY OR TOWN:

a. Seek inside shelter, preferably in a steel reinforced building. STAY AWAY FROM WINDOWS!
b. In homes: The southwest corner of the lowest floor or in the basement offers greatest safety. People living in brick or stone houses should seek other shelter, preferably in a storm cellar or the basement of a frame house. If time permits, electricity and fuel lines should be shut off. Windows on the north and east sides of the house may also be opened to help reduce damage to the building.
c. Standing against inside wall on a lower floor of an office building offers some protection.

4:—IF IN SCHOOLS:

a. In city areas: Especially if school building is of good steel reinforced construction, stay inside, away from windows, remain near an inside wall on a lower floor. AVOID AUDITORIUMS AND GYMNASIUMS!
b. In rural districts—remove children and teachers to a ravine or ditch if storm shelter is not available.

5:—IF IN FACTORIES AND INDUSTRIAL PLANTS:

On receiving a tornado warning a lookout should be posted to keep safety officials advised of the tornado's approach. Advance preparation should be made for shutting off electrical circuits and fuel lines if the tornado approaches the plant. Workers should be moved to sections of the plant offering the greatest protection.

6:—KEEP CALM! It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warning area are directly affected. You should know about tornadoes though, "just in case."

7:—KEEP TUNED to your radio station for latest tornado advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio stations for dissemination to thousands in the critical area.

BIG BUSINESS IN LITTLE TOWN

Grover C. Lee, Jr., editor and publisher of Livestock Marketing Journal, in addressing a meeting of Texas Livestock Auction Association at the Rice Hotel in Houston a few days ago made the following comment regarding Mills County Commission Company:

"May I pause here to inject one more Texas statistic: In 1955, the year to which Mr. Engelman refers, the Mills County Commission Company, a livestock auction market operating under regulations of the Packers & Stockyards Act which also govern the nation's terminal or central markets, and located in a Texas community of slightly more than 1,500 population, sold a total of 582,974 head of sheep, lambs and goats. And, on the basis of salable receipts listed on the USDA's own roster of 64 public or central markets, this Texas auction ranked 6th in the entire nation in salable receipts of that species. Furthermore, despite lower receipts in 1957 the result of forced selling and liquidations of herds and flocks in our Lone Star state due to the severity of the eight-year drought in 1956, this Texas livestock auction—last year, 1957—ranked seventh among all markets in the nation."

This Goldthwaite business institution has made tremendous strides during the past few years under the able leadership of Malcolm and Sig Jernigan. It's a pleasure to pass on this information to our readers and to call it to the attention of other Goldthwaite businessmen. It is a big business in this little town and means much to the economy of the community.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from The Eagle Files of April 9, 1948)

Miss Faye Hamilton, daughter of Mr. and Mrs. D. A. Hamilton, became the bride of Bill Licecum, son of Mr. and Mrs. C. G. Licecum, in a candlelight, double-ring ceremony March 5.

The Goldthwaite Fire Department was called Wednesday morning to the south part of town. A board fence was burning in an alley. Although there was no considerable damage the fire could have spread to a garage a few feet away.

Kathy Witly celebrated her fifth birthday with a party last week. The children played games and were served cake, drinks and candy.

In line with the clean-up and paint-up season, Archer Grocery has added a new attractive sign which is a credit to the appearance of the town.

Last Wednesday the Big Valley ladies gathered at the home of Mrs. Hugh Smith to help quilt two quilts. There were 12 ladies present for lunch which was nothing short of a Christmas dinner.

I. K. Howell of San Antonio is visiting in the home of his brother, J. C. Howell. On Sunday Mr. and Mrs. Tom Howell of Chappel were guests in the Howell home.

Mrs. Horace A. Sims Jr. returned to her home in Pampa, Texas, Saturday after visiting her grandparents, Mr. and Mrs. G. W. Smith, and her mother, Mrs. H. L. Braswell.

Mr. and Mrs. Carson Edmondson and children of San Saba County spent Saturday night with her parents, Mr. and Mrs. A. M. Hunt.

Mrs. Neva Boyd of San Angelo is visiting her daughter, Mrs. Fulmer, and family.

Mrs. A. J. Cline of Goldthwaite visited in the Lloyd Reynolds home last Sunday.

25 YEARS AGO—

(Taken from The Eagle Files of April 14, 1933)

Yesterday afternoon a heavy shower fell in Goldthwaite for

half an hour. It was followed by one of the most severe dust storms in many years. A fog of dust filled the air and hung over the hills, and the unclouded sun appeared a pale silver disk. A brisk norther followed which carried the mercury down to 34 degrees. Frost damage in town was prevented by the moisture from more rain during the night.

On Monday morning, April 10, the annual homecoming and reunion took place at the home of Mr. and Mrs. Henry Martin, when the family celebrated the ninetieth birthday of their mother, Mrs. Sophia Schweining, lovingly called "Grandma" by many friends.

The remains of Mrs. Sarah Elizabeth Hester, wife of the late Mr. W. R. Hester, and mother of Mr. J. A. Hester of this city, were brought here for burial last Sunday afternoon and interment was made in the cemetery at this place, after funeral services at the Baptist

Church, conducted by Dr. W. B. Everett of Sterling City, a former pastor of the church here, assisted by Rev. S. O. Hammond and Rev. J. S. Bowles of this place.

P. H. Hamilton has taken charge of Dick Burgess' blacksmith shop on the East side of the square.

Rev. and Mrs. G. C. Ivins of Whitewright and their friend, Mr. May, came by the first of the week to visit friends and get their car that was stolen a few weeks ago, before they moved from here, and was recovered by the sheriff's department and brought here and placed in storage.

Big Valley friends are extending congratulations to Jake Long on the occasion of his marriage to Miss Ethelyn Garrett of Star—which was solemnized last Saturday night in the home of Rev. Jo H. Frizzelle.

50 YEARS AGO—

(Taken from The Eagle Files of April 11, 1908)

The announcement of the death of Mrs. J. D. Faith, which occurred in the hospital in Temple Tuesday morning, was received with much sorrow in this city. She had only been in the hospital a few days and some of her friends did not know that she was absent from the city.

The friends of Miss Jenye Morrow were very much surprised on last Saturday when they learned that she was very quietly married to Mr. Frank Jackson of Goldthwaite, Rev. J. J. Cramer officiating.—Llano Times.

Mr. John H. Rahl received a message Monday announcing the death of his son, Frank, at Los Angeles, California, after an operation for appendicitis on Sunday.

J. H. Allen exhibited a hen egg or more properly a double hen egg last Saturday that was indeed a curiosity. The first egg was very large and inside of it was the white and the yolk and another fair sized egg with a hard shell on it.

C. A. Head and daughter, Miss Viola and Miss May Hill returned Sunday morning from the Sunday School Convention in Fort Worth.

W. R. Henderson of the Caradan community boarded the train here yesterday for Lott, to attend his twin brother's

wedding. Mrs. Alma Harrell returned to her home in Lampasas County the first of the week, after a visit to her parents in this city.

Wright & Simms of Oklahoma were here yesterday shipping 900 cattle to their Oklahoma ranch. They bought the

cattle here from Youngers, J. F. Bull, J. E. Joe A. Curtis, John San Saba County and Hez Cobb, who was one of the best citizens of this county a long time, has located in Goldthwaite and writes to the Eagle sent to him at the

Inside WASHINGTON

MARCH OF EVENTS

Business Sag, Unemployment | Republican Leaders Rise Seen as Election Issues | Upswing May Come

By HENRY CATHCART
Central Press Washington Writer

WASHINGTON—Both Democratic and Republican strategists have become convinced that the United States business recession and mounting unemployment will become the issue of the 1958 congressional elections.

GOP leaders are frankly worried about the impact of the economic situation. They feel that even if the business outlook proves later in the year, the upswing may come too late to have had effects on their party's popularity before November balloting.

On the other hand, confidence of Democratic politicians is increasing day-by-day. They believe the sudden upsurge in unemployment will be big news in the congressional battling. They now speak of dissatisfaction among the voters on jobs and the business slump can be converted into more seats.

In a sudden shift, the economic issue has completely overshadowed the political contest over who was responsible for America's missile and satellite race with Russia.

A vote-getting standpoint, politicians are saying a paycheck is more important than a speech. Therefore, there will be a lot of campaign oratory about wages and living costs in the coming months as the issue. Both parties feel that it is one issue that must be explained to voters. Congressional mail thus far indicates they are right in belief.

● **SATELLITE SPAT**—Political observers in Washington say that the Democratic advisory committee was caught by timing again at their recent meeting when they issued a message rapping the Eisenhower administration on the missile program before the Explorer was shot aloft.

Most politicians feel that it would have been wiser for the Democrats to have held their fire and to have softened their criticism of the Eisenhower handling of the satellite program.

It was noteworthy that only 14 of 24 of the advisory committee present to sign the harsh critique on missiles and among them was the shrewdest Democrat of them all—Harry S. Truman. As it now stands, the successful satellite launching gave the Republicans a staunch shot-in-the-arm and as an afterthought, Democratic strategists now privately acknowledge that "salesmen well have been golden."

● **VEEP TO THE VEEP?**—Speculation is arising on who will be the GOP running mate with Vice President Richard M. Nixon should he win the Republican presidential nomination. As it stands now, there are two likely prospects—one from the Midwest, the other from the East and both younger men than the Eisenhower team.

The midwesterner is Interior Secretary Fred Seaton of Iowa who has won popularity and respect in Washington. The easterner is Attorney General William P. Rogers of New York who has long been associated with the Eisenhower administration.

Personally, they are both close to Nixon and would certainly be acceptable to him as running mates should he get the big GOP prize in 1960. A dark horse is Labor Secretary James P. Mitchell of New Jersey who has won respect from both labor and management for his handling of the Cabinet post.

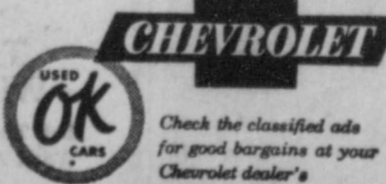

Nixon still must win the nomination before the special comes a matter of urgency, however.

MRS. ELDON C. SOLBERG

Miss Peggy Janette Jones And Eldon C. Solberg Exchange Vows

The First Baptist Church of Goldthwaite was the setting Saturday evening, April 5, 1958, at 7:30 o'clock for the wedding of Miss Peggy Janette Jones of 1138 North Edgefield, Dallas to Eldon C. Solberg, 2146 West Colorado, Dallas.

The bride is the daughter of Mr. and Mrs. J. T. Jones of Goldthwaite and Mr. Solberg is the son of Mrs. Harold Schulze of Clifton and Mr. Archie Solberg of Waco.

The double ring candlelight ceremony was read by Rev. Pres-nall H. Wood, pastor of the church, before an altar decorated with greenery, baskets of white gladioli and multi-branched candelabra. Pink pew bows marked the aisle.

Traditional wedding music was presented by Lathon Jernigan, organist, who accompanied S. L. Tate as he sang "I Love Thee Dear," "Through The Years" and "The Wedding Prayer."

The lovely bride, given in marriage by her father, wore a formal length gown of silk organza and imported Acelon lace, defined with a square neckline of scalloped lace, brief sleeves with a draped effect and matching mitts. The figurine bodice of lace and organza complemented the very bouffant skirt accented with draped organza, appliqued with Acelon lace, with the train sweeping into a chapel length train.

Her long veil of imported handmade lace beautifully designed with scalloped edges was attached to a bandeau and fell softly around her face. She carried a bouquet of white lilies and Lily of the Valley with variegated ivy intertwined, that cascaded down the front of the dress.

Her traditional something old was a compact given to her mother by her father when they

were in college; something new, her gown; something borrowed, her veil belonging to one of her attendants, Mrs. J. W. Hawkins, who purchased it in Brussels, and wore it in her wedding; something blue, a garter.

Miss Jo Ann Jones of Goldthwaite, sister of the bride, was maid of honor. Bridesmaids were Miss Annette Kerley and Mrs. James Westlake, Dallas, Miss Patricia Browning, DeKalb, Miss Patsy Hale and Mrs. J. W. Hawkins, both of Brownfield. They were gowned alike in shrimp (coral) silk organza demi-length gowns and matching hats. White shorty kid gloves complemented the gowns. They carried gladioli the same color of their gowns with variegated ivy intertwined. The flowers fell in a cascade down the front of the gowns.

Dick Luedtke of Baton Rouge, La., served as best man. Earl Huse, Dallas, Charles Edward Jones, Goldthwaite, brother of the bride, J. B. Darden Jr., Clifton, Richard Beck, Houston and Knute Knudson of Monahans were groomsmen. Ushers

were James Westlake, Dallas, David Bronstad, Waco, Loyd Homerstad, Clifton and Charles Pribilski of Galveston.

For her daughter's wedding Mrs. Jones was dressed in a Mauve lace over taffeta. She wore shoes dyed to match and a small hat of a lighter color. Her corsage was made of small green orchids. Mrs. Schulze, mother of the groom, was dressed in a Dusty Rose lace over taffeta. Her gloves, jeweled hat, bag and shoes were of a lighter shade of rose. Her corsage was also made of small green orchids.

Immediately following the ceremony a reception was given by the bride's parents in the chapel of the church. The couple were assisted in receiving by their parents and the bridal attendants.

The serving table was laid with a white taffeta cloth overlaid with tulle and decorated with a cart filled with an arrangement of spring flowers, a double ring wedding cake and silver appointments.

Betsy Smith, Marsha Wilkins and Leona Mae Carter of Goldthwaite, Barbara Burt Midland, Jean Ann Evans, Waco, Mary Genelle Jones, Fort Worth, Mary Cozort, Paris and Laura Lee Lenor of De Kalb were members of the house party.

For a wedding trip to points in Texas the bride chose a small grey check cotton dress with navy accessories and gold jewelry. She wore an orchid corsage in her chosen color (shrimp).

After April 12 the couple will at home at 709 Marsalls-Apt. C., Dallas, Texas.

The bride is a graduate of Goldthwaite High School, attended Texas Christian University and will graduate from Baylor University in May with a degree in Marketing. She was a member of CHI's, Women's Inter-Club Council, president of Alpha Omega and reigned as 1957 Homecoming Queen. She is presently employed by A. Harris and Company of Dallas as Assistant Buyer.

The bridegroom attended Southwest Texas State in San Marcos. Graduated from the University of Texas with a degree in Industrial Management in 1955, and is employed by Schnee - Morehead Chemicals, Inc., in Irving, Texas, as Purchasing Agent.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

The annual F. F. A. banquet was held last Friday night at the dining hall.

Invocation was given by the Rev. A. M. Bell, pastor of the Baptist Church at Mullin.

Jimmy White, president, served as master of ceremonies.

Songs were presented by Reta Gayle Pyburn, Jeanene Driskill and Gayla Holland, accompanied by Sue Rowlett at the piano. Dianna Chaney was supposed to help out with the songs but due to illness, she was unable to attend.

Linda Lou Calder, Chapter Sweetheart for this year, was presented a jacket.

A number of awards were presented to some of the boys for their outstanding work in F. F. A.

The menu consisted of steak, cream gravy, creamed potatoes, fresh vegetable salad, hot rolls, iced tea, and for dessert, apple pie topped with ice cream.

A new steam table has been purchased for the school lunchroom. The ladies in the lunchroom are surely pleased with the table, as well as the students who eat the food. Credit for the new table will have to be given to the P-TA for their efforts in raising funds to buy the table.

Mr. and Mrs. Bill Stuck and family of Fort Worth were Easter visitors with her parents, Mr. and Mrs. Ira Hutchings. Sue Ehrhridge and Gayla Holland visited in the Hutchings home Sunday afternoon. Also Mr. and Mrs. James Hutchings of Brownwood were visiting their parents.

Mullin FHA Girls Honor Mothers-Teachers With Banquet March 25

The Mullin F. H. A. Chapter observed National F. H. A. Week by honoring their mothers and teachers with a banquet at McLean's Cafe in Goldthwaite, Tuesday night, March 25th, at 8 o'clock. The theme of the banquet was "Moonlight and Roses." Since the club flower is the red rose, red and white the club colors, this was very appropriate in carrying out the theme. Crepe paper rose buds made by the girls decorated the white candles and large red roses were used on the white napkins as plate favors. Silver nut cups, decorated with net, half moons and glitter, filled with assorted after dinner mints also added to the table decorations. Beautiful palms were placed throughout the room.

A delicious fried chicken dinner was served to 79 people attending. The following program was given:

Invocation, Laura Mae Anderson.

Welcome by Nancy Reeves, vice-president; response by Mrs. Glenn Calder, chapter mother.

The following songs further carried out the theme: "Moonlight and Roses," "By the Light of the Silvery Moon," "Shine on Harvest Moon" and "Mother" were sung by the following girls: Jeanene Driskill, Rita Gayle Pyburn, Glenda Calder, Dortha Welch, June Wilkins and Ann Hohertz, accompanied at the piano by Sue Rowlett. The president's message and introduction of the FHA Beau, Eugene Duren, was given by Glenda Calder, club president.

An interesting skit, portraying the life of a girl in the 1920s, was presented by the following girls: "The Modern Girl and Her Mother," played by Betty Adams and Ann Hohertz.

"The Flapper Girl and Her Mother," played by Ann Kinsey and Jeanene Driskill.

"The Girl of 1900 and Her Mother," played by Glenda Calder and Rita Gayle Pyburn.

"The Victorian Girl and Her Mother," played by Betty Adams and Ann Hohertz.

"The Stone Age Mother and Daughter," played by Glenda Calder and Rita Gayle Pyburn.

Each girl and her mother were dressed in appropriate costumes for the particular period.

Pictures of the banquet were made by Jean Pafford Adams.

Texas Can Adopt Traffic Safety Program On "Do-It-Yourself" Basis

Chief N. K. Woerner revealed that only 54 days in the last 12 years in Texas have been free of highway deaths. "In other words," he said, "there have been only 54 single days out of the past 4,383 days when death didn't take a life in Texas traffic. This covers the period from January 1, 1946, to Dec. 31, 1957.

"If Texans everywhere would start a new campaign of 'Deathless Days,' promising themselves they would drive so carefully that neither they nor others on the highways would be killed, then day by day, the list of 'Deathless Days' could be lengthened."

We have been enjoying the spring like days and some garden and field work have been started.

I noticed an article in a farm paper from Jim Bob Steen, County Agent of Presidio County, which stated that there was the best season in the ground than in ten years.

G. K. Lynch is a patient in Anderson Hospital at Houston. He was reported to be some better. We hope for him a speedy recovery.

Mr. and Mrs. Walker Berry and Mr. and Mrs. J. C. Bramblett attended church at Mt. Olive last weekend.

Mr. and Mrs. O. A. Evans attended church at Mullin Sunday.

Mr. and Mrs. Hugh Nowell and Ralph attended the revival at the First Baptist Church in Goldthwaite during last week.

Mr. and Mrs. Charlie Batchelor of Midland spent the weekend with Mr. and Mrs. C. D. Gerald and other relatives and friends here.

Mr. and Mrs. A. L. Crawford and William G. were recent guests of Mr. and Mrs. V. T. Stevens and the Price children.

Mr. and Mrs. W. A. Elms, Mr. and Mrs. J. C. Bramblett, Mr. and Mrs. A. L. Crawford and William G. visited Mr. and Mrs. O. A. Evans and enjoyed TV.

Mrs. W. O. Oden reports their children, Mr. and Mrs. Joe Ivy and family of Denver, Colorado, were improving as well as could be expected at this time.

William Cline passed away at his home in Caradan Thursday afternoon. He was a pioneer resident of this community. His parents gave the land on which the Chappell Hill Schoolhouse and church house were built. He had been postmaster at Caradan for a number of years. We will all miss him.

none in 1950, 4 in 1951, 7 in 1952, 3 in 1953, 2 in 1954, 3 in 1955, 5 in 1956, 5 in 1957 or 54 "Deathless Days" out of the past 4,383.

The Long Hunting Club members did some fox hunting in our community and believe it or not J. H. Long, did get to go hunting. Mrs. Long went along to see that he did not get out of the car, and take too much exercise. He has been a flu and pneumonia patient.

Alford Cockrum of Emory, who came to attend the funeral of Mr. Cline, passed away in Goldthwaite Saturday afternoon with a heart attack. He was a former resident of this community. I talked with him Saturday a short time before he suffered the heart attack. He said he was going to visit Mr. Grayson at Comanche Saturday night and go home Monday, as he was 81 years old he thought he should do his traveling in the daytime.

Friends and relatives who have recently visited Mr. and Mrs. A. R. Whatley were Harold B. Stamford, May; Mr. and Mrs. Jim Brooks, Goldthwaite; Mr. and Mrs. Ernest White, Mr. and Mrs. Will Bliton and Jack Thompson, Mrs. Pink Adams, Mrs. Lois Richardson, Mrs. Edna Crain, all of Lometa, and Pearl Crawford.

We extend our sympathy to the Cline, Cockrum and Estep families in their sorrow at the death of their loved ones. May the Lord bless them in their hour of sadness.

LAMPASAS GARDEN CLUB FLOWER SHOW APRIL 16

The Lampasas Garden Club will hold a Spring Flower Show Wednesday afternoon, April 16, from 2 until 7 o'clock in the Presbyterian Church Annex. Entries are open to everyone and must be in place by 9 o'clock Wednesday morning, according to an announcement by Mrs. John W. Elliott of Lampasas.

322 Eggs Laid By One Quail In New Record

Austin (Spec.)—A new record in quail egg production has been set by Virginia, a little quail hen at the State Quail Farm at Tyler, according to the Assistant Secretary of the Game and Fish Commission.

Virginia laid 322 eggs in 12 months. She surpassed the record of 311 eggs produced by her mother Bernice, during the previous year.

This performance record placed Virginia at the top of all state personnel. She missed only 33 days of production, which means she even worked on Sunday part of the time, took no long weekends, vacation, or sick leave.

There were 25 daughters of Bernice in the egg test run at the hatchery by Superintendent George C. Stodghill. The test began March 1, 1957 and ended Feb. 28, this year. Seven of the little hens reached the 300 mark. They produced a total of 6,295 eggs, or an average of 251.8 eggs per hen in the 12 month period.

A number of birds from this blood line have been moved into other broodstock now at the hatchery.

In addition 100 wild quail have been trapped by Biologist Clyde Holt in the Decatur area. These birds will be introduced into the hatchery program to perfect native birds produced at the hatchery for release on Texas farms and ranches.

The Assistant Secretary urged landowners to begin their program of habitat improvement early this year, to provide cover for an increased bird crop.

"We are going into a new hatching season with a fine seed crop of quail," he said. "Good shooting this fall will depend upon what is done by the landowners this spring." He

urged landowners to consult their wardens or other game department representatives for assistance in getting cover programs started.

The Bible tells us in Ecclesiastes 1:9: "The thing that hath been, it is that which shall be; and that which is done is that which shall be done; and there is no new thing under the sun."

Since there is no new thing under the sun, do you believe that the world is to undergo conditions poured out for wickedness as it was about 2024 years ago, when Sodom and Gomorrah and the cities of the plain were burned with brimstone and fire? (We are told that brimstone is a quality in bombs).

The Bible says: "Even as Sodom and Gomorrah, and

the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire." Jude, verse 7.

PRESSURE CANNER
TESTING WORKSHOP

Have you been wanting your pressure canner tested before the canning season begins?

Beginning at 9:30 a. m., Friday morning, April 25, I shall conduct a pressure canner testing workshop. We shall have a master gauge set, and after a demonstration of the procedure, each lady will actually test her own canner.

Because of limited time and space, it would be of great benefit to the program in the county if a representative or two from each community would attend the workshop and then be responsible for taking the master gauge out into her community and helping her friends and neighbors.

If one lady from each of the different clubs over the county would send a representative, the testing could then be carried on through that club.

The place shall be announced later. It would be helpful to me if I had an idea of how many were planning to attend the

SHEATH DRESS
SHOULD BE LINED

Versions of the "sheath" dress are popular again this spring. The slim lines present several problems when it comes to keeping a crisp, unwrinkled look.

The dress may lose its shape across the back if the material you choose has a tendency to stretch. Also, wrinkles may develop across the front.

To guard against this, we suggest lining the dress. Use a light-weight rayon lining or other material that isn't too heavy, and doesn't cling.

Cut the lining about one-eighth inch smaller than your regular dress pattern and bring it eight to ten inches below the hip line. Machine-baste to the front and back pieces of the dress before putting the seams together. This keeps the fabric from slipping and puckering as you stitch it in place.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

...in, Texas—It's a compar-
...dull season at the State
...now. About the only
...able "sound and fury" is
...erated by the workmen put-
...air conditioning in the
...chambers and build-
...new state structures nearby.
...last year at this time the
...was a turbulent arena.
...makers' pounding debates,
...disclosures filled, com-
...rooms jam-packed.
...the lawmakers are scat-
...But state issues are be-
...decided—elsewhere. Next
...legislators are out "talk-
...with the people to see how
...feel."

They're at the church sup-
...P-TA carnivals, civic club
...festivals, lodge nights and
...and "workings." They're
...ing out support, asking ques-
...making commitments —
...near town.

Answers they get and com-
...ments they make now will,
...large measure, determine
...the close votes go this time
...year.

Small Turnover Possible —
...net now is mostly for fac-
...faces at the legislative
...next January.

...ing a sudden rash of an-
...gements, at least two-
...of house members and
...90 per cent of senators
...old hands.

...st statewide survey by
...Texas Legislative Service
...only three senators —
...Lock, Searcy Bracewell
...Charles Ashley—bowing out
...sides. There'll be a scram-
...House members for those

...the other 12 senators up
...election only one, at last
...had an opponent. Re-
...ing 16 in the upper house
...having a "breather," since
...half of the senate runs
...two years.

...ease of Representatives
...nally has a large-scale as-
...in incumbents every elec-
...and about a 30 per cent

this year. Only about 20 repre-
...sentatives are not seeking re-
...election, including those run-
...ning for the senate. Of those
...running for the house again, or
...still undecided, only about 30
...have announced opponents.

A question mark enters into
...race decisions this year. Whether
...or not legislators will have
...annual sessions and annual sal-
...aries will not be decided until
...the constitutional amendment
...is voted on next November—
...after the primaries. For some
...the prospect of \$7,500 yearly is a
...lure. Others don't like the idea
...of having to be away from
...homes and businesses a good
...part of every year.

At Last—Spring has finally
...sprung in Texas employment,
...bringing the long-awaited sea-
...sonal pick-up in jobs.

Texas Employment Commis-
...sion's latest report, for the first
...time since Dec. 20, showed a
...significant decline in the num-
...ber of unemployment compensa-
...tion claims. Drop was from
...92,435 to 89,326.

TEC said some 14,947 claim-
...ants had exhausted their bene-
...fits during January and Feb-
...ruary. Maximum allowed is \$28
...a week for 26 weeks.

Grow With Us—Some 3,000
...new factories will locate some-
...where in the South within the
...next 10 years.

In reporting this prediction,
...Gov. Price Daniel urged the
...state's new Industrial Commis-
...sion to get in and pitch for a
...Texas-sized share of the incom-
...ing wealth and job-making in-
...dustries.

Chairman E. B. Germany of
...Dallas said the commission
...would accept the challenge. He
...said the commission would
...study industry-attracting tech-
...niques of other states and pre-
...pare a brochure on Texas' ad-
...vantages.

Chief among these, said Ger-
...many, head of Lone Star Steel,
...is a "healthy attitude" among
...Texans toward industry.

Commission members serve
...without salary and without
...state funds to pay for projects.
...Several hundred dollars in do-
...nations have been received.

If voters next November ap-
...prove an amendment removing
...the ban on state-financed ad-
...vertising, the legislature can
...appropriate money for this pur-
...pose.

"Make It Painless"—Tax talk

towers over other toeples in the
...build-up for the 1959 legisla-
...tive season.

West Texas Chamber of Com-
...merce has added a new idea to
...the stacks of proposals and
...counter-proposals being presen-
...ted to the State Tax Study Com-
...mission. It suggests making
...available for general use some
...of the unused balances tied up
...in the state's more than 100
...special funds.

AFL-CIO says stricter appli-
...cation of present property tax
...laws might solve the problem
...without enacting new levies.
..."Proper enforcement," said a
...labor spokesman, would tax, not
...only real estate, but bank de-
...posits, boats, bank shares,
...stocks, etc. AFL-CIO had pre-
...viously suggested a corporation
...income tax to meet the state
...treasury's expected need for
...more than \$100,000,000 in ad-
...ditional revenue.

Business groups, generally,
...have opposed the corporation
...tax, saying it will hamper Tex-
...as' industrial development. Some
...have proposed a general sales
...tax.

Tax Study Commission al-
...ready has issued two of a series
...of 8 to 10 research reports to
...the lawmakers for tax decisions.
...One said in his announcement
...that he opposed a general sales
...tax and a state income tax and
...that "if additional taxes have
...to be levied, let's make it as
...painless as possible."

Good Roads Ahead—State
...Highway Commission has given
...approval to final phase of a
...1959-60 state highway building
...program to cost \$319,000,000.

It calls for immediate spend-
...ing of \$9,200,000 for right-of-
...way buying under the new 50-50
...cost-sharing plan between state
...and local governments.

First phase of the advanced
...planning program was approv-
...ed in February. Second phase
...covers 1,630 miles of roadway in
...13 districts at a cost of \$140,-
...000,000. This does not include
...future work on farm to market
...roads and interstate highways.

Short Snorts—State Selective
...Service Headquarters has asked
...local draft boards to send up
...4,247 men for pre-induction
...physical exams during May. It
...will be second successive month
...of high quotas—highest since
...Korean War—to replenish pool
...of potential military manpower.

Price index of Texas farm
...products rose 2 per cent from
...February to March, reports U.
...S. Dept. of Agriculture. Crops
...rose 3 per cent, livestock 1 per
...cent.

Colored Film On Texas State Parks Now Ready For Local Use

Austin, (Spec.)—A color film of Texas State Parks is now ready for free distribution to schools and colleges, clubs and civic organizations, the Texas State Parks Board announced here today.

It is a 16 millimeter, 24-frame, color film with explanatory sound track showing the main features of the state's public parks condensed into a half-hour running time.

Applications for the film may be made to the Texas State Parks Board, Drawer E, Capitol Station, Austin, Texas. Those wishing to show the film will need to make local arrangements for use of a projector and screen.

The film is the first combined picturing of the scenic and historic state parks together with action shots of the principal recreational activities. It was produced by the Humble Oil & Refining Company as a public service and presented to the Texas State Parks Board.

In a reel cut for half-hour showing time it is impossible to include each of the state's 56 parks. Instead, selections were made to show the types of parks in all parts of Texas and to run the gamut of outdoor sports and recreational facilities they offer.

Fishing, boating and water sports, which are the principal activities in the parks situated on lakes and streams, are shown as well as the rugged scenery of the Davis Mountains and Palo Duro Canyon park areas, the grandeur of the forest parks

of East Texas and such natural wonders as Longhorn Cavern and semi-tropical Palmetto State Park.

Historic park sites like the Alamo, San Jose Mission, San Jacinto Battlefield, Goliad and Monument Hill are included in the film.

Distribution of copies of the film will be booked as quickly as possible. To facilitate the distribution alternate dates upon which the film can be shown should be given in application for its use.

FISHING LICENSE NEEDED

Austin, (Spec.)—With fishing picking up on every lake and stream in Texas, many fishermen will be grabbing equipment and heading out. A license is required for all fishing except fishing in your own home County with an ordinary pole and line, trotline, or throw line with no reeling device attached. Those under 17 years of age and those over 65 years of age are exempt from all licenses unless fishing for commercial purposes.

San Saba Peak

By MRS. DUTCH SMITH
(Delayed)

Our revival at the First Baptist Church closed Sunday night. If you did not attend you surely missed a treat.

Our children, Mr. and Mrs. C. S. Smith Jr., and family of Corsicana, Mr. and Mrs. Johnnie Smith of Burnet, my sister,

Mrs. Bud Conrad and Bud, and their son, Junior and wife of Hamilton were guests in our home last weekend. We surely enjoyed having them.

Our little red headed grandson is so precious and our granddaughter, Carolyn Ann, enjoyed riding horse back while she was here.

The children and Dutch visited my Dad and Mother and friends in Lometa Saturday. Friday we visited Mr. and Mrs. C. F. Stubblefield.

I attended funeral services for my cousin, Mrs. Sarah Owens in San Saba Saturday.

Mrs. Fred Laughlin visited Mrs. Emma Hufstutler in San Saba and found her very ill. She is in San Saba Memorial

Hospital under oxygen and very low.

Mrs. Bill Hightower called friends in town yesterday.

We were sorry to hear of friend and neighbor, Mr. Hines, being ill with the flu. We missed him at church and their pew is always so empty without them.

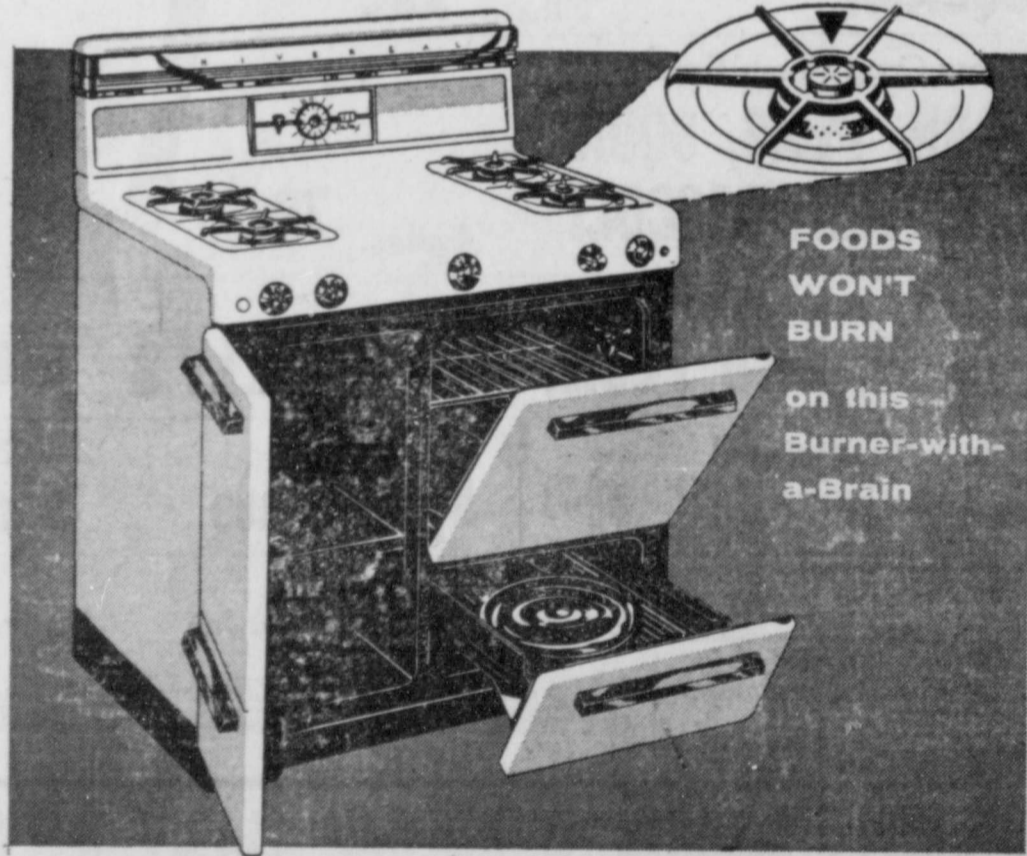

I have been planting and I am still looking for the I hope every one has a happy Easter."

TEXAS A. & M. COLLEGE EXTENSION SERVICE

BY **GEORGE G. REESE**

Insecticides—With the coming of warm weather the insects start bothering us and our crops. Extension entomologists at Texas A&M College have been busy this year getting out new publications on insects and their control.

One thing they stress again this year is that the insecticides are poison and you should use them when using any insecticide. The best way to tell how an insecticide is to read the instructions on the container. They are put there for your protection. The instructions tell you exactly how to use the insecticide and they should be followed to the letter.

Another warning is to store them out of reach of small children. It is a good idea to put all poison material on a shelf or in a locked cabinet. Most everyone knows and takes these precautions, but takes only a little poison to cause severe sickness or even death.

Livestock Trend Reverses—Decrease is halted—Adequate rainfall along with more favorable prices has halted the downward trend in livestock numbers in Texas, according to Alvin Wooten, extension economist.

All livestock and poultry on farms and ranches were valued at \$23 million at the beginning of the year, or 58 per cent above the \$23 million inventory value a year earlier, points out Wooten. This sharp increase in value is a reflection of both increased numbers and prices.

The total number of cattle and calves on Texas farms and ranches January 1, 1958, was estimated at 7.7 million head. This is the same as a year earlier but 9 per cent below the 1947-56 average of 8.5 million head.

The number of sheep on the same date was estimated at 4.7 million head—a five per cent increase over a year earlier. This is the first significant increase in inventory in a number of years. In spite of a much smaller lamb crop, the number of ewe lambs held was 30 per cent above a year earlier.

There was an estimated 908,000 hogs on Texas farms on January 1, 1958, says Wooten. This was four per cent below last year and 36 per cent below the 1947-56 average. The higher prices for beef at retail should give some strength to hog prices in the fall of 1958 and keep them from falling to an abnormally low level, he adds.

Goat numbers have been increasing steadily. This year's inventory showed an estimated 2.8 million head—a two per cent increase over 1957.

On a nationwide basis, cattle numbers showed a decrease of one per cent, sheep increased three per cent, and hogs were about the same, though the number of sows and gilts on farms were up about 5 per cent.

Summer Temporary Pastures provide the most dependable source of summer grazing that is available and too they usually supply better quality grazing than is available from permanent pastures. But these are not

JUDY QUILTS SHOW—Singer Judy Garland wipes a tear from her eye in the dressing room of a Brooklyn, N. Y., night club after walking off stage saying "I have a terrible case of laryngitis, and besides I've just been fired." Judy had been engaged at a reported salary of \$25,000 a week. Lately, the singer has been beset by financial and marital difficulties. (International)

the only advantages of summer temporary pastures. They permit resting permanent pastures and provide grazing all through the summer. They also provide reserve feed. Any excess grazing may be put up as hay or silage, something very few livestock raisers have enough of.

Sudangrass makes one of the better summer pastures. The pasture can be planted from the time danger of frost is past until moisture is too low in the summer. The grazing season may be extended by planting as soon as danger of frost is past and then making additional plantings at three or four week intervals.

Proper fertilization will pay big dividends with good growing conditions. A soil test is the best way to determine the soil requirements. The dollar for a soil test is the best fertilizer dollar that can be spent.

Rotation grazing and mowing should be practiced in order to get the most out of the pasture. Rotation grazing permits resting the plants between grazings, giving higher yield and permits use of the plants while they are in their most palatable and nutritious stage.

These temporary pastures also permit the farmer or rancher to use them when young lambs are in needle grass pastures, they can be a great help to prevent needle grass from harming the lambs.

But... Is It Fair?

The businessman who doesn't advertise reminds us a bit of the batter who gets a walk. He arrives at first base safely enough, but from then on he is dependent on the hitting of others. Often he "dies on base," but if he is helped along and finally scores, the cheers are not for him but for the hitters. In the summary his accomplishment rates as "no time at bat" and "no hit." Somebody else even gets credit for a "run batted in." A team can get by with a player or two who "usually walks," if it has enough hitters. It's the same way with a town, and its advertisers.

It is instead, "How Can

To this most solemn question
there is but one answer that
will satisfy the demands of the
God of Holiness, and that is,
the blood of the Lamb of God's
own providing. "When I see the
blood, I will pass over you," said
God to His people in Egypt. The
Israelites were no different
from the Egyptians for both
were sinners, but why the differ-
ence in God's sight? It was
the blood on the door that made
the difference and nothing else;
"For all have sinned and come

thing alone guided the angel of

importance as this one: Am I
shleided by the blood of Jesus?
Have I fled for refuge to the
blood that was shed on Calvary?
Though deeply sensible of your
guilt, can you say in truth, This
is my only hiding place: I do
depend upon the blood? If so,
then rest assured that you are
perfectly safe. You have God's
word for it—"When I see The
Blood, I will pass over you."—
"We have redemption Through
His Blood, the forgiveness of
sins, according to the riches of
His grace." — "But now, in
Christ Jesus, ye who sometimes
were far off, are made nigh by
the Blood of Christ." — "Whom
God hath set forth to be a propi-
tiation Through Faith In His
Blood."

"How shall we escape if we
neglect so great salvation?"
Every sin must be punished,
either in the person of the sin-
ner, or the sinner's substitute.
"Christ hath once suffered for
sins, the just for the unjust,
that He might bring us to God."
"For He hath made Him to be
sin for us, Who knew no sin,
that we might be made the
righteousness of God in Him."
To neglect this Divine Substi-
tute, and the shelter which He
has provided, is to expose the
soul to the unrelenting judg-
ment of God. No sin however
small can escape judgment,
either on the cross of Christ, or
in the lake of fire.

Oh, the priceless value of that
blood which "Cleanseth us from
ALL sin!"—which makes us
clean enough for heaven!
"Blest Lamb of God! Thy
precious blood
Shall never lose its power
Till every ransomed saint of
God
Be saved to sin no more."

Questions And Answers About Social Security

Question: I am 52 years old
and not disabled to the point
where I can't work; however, I
do have several minor ailments
that will flare up at any time
and become quite severe. Should
I do anything now about filing
an application for disability
benefits?

Answer: No. You are still able
to be gainfully employed and
therefore you could not meet
the definition of disability in
the social security law. If you do
become so severely disabled that
you have been unable to work
for 3 or 4 months, and you feel
the disability will continue,
you should inquire at your so-
cial security office.

Question: I am working out
an insurance plan for myself
and family. If I become dis-
abled, how will my disability
benefit be figured?

Answer: Your disability bene-
fit will be computed in exactly
the same manner as if you had
attained retirement age and ap-
plied for a retirement benefit.
Disability benefits are based on
average monthly earnings, over
a specified period, to which the
regular social security benefit
formula is applied. As an ex-
ample, average monthly earn-
ings of \$250 would yield a dis-
ability benefit of \$88.50.

EXPLAINING AWAY SOME EGG LAW FEARS

Anything new is eyed with
suspicion, and often we tend to
place blame for our disappoint-
ments on something foreign to
us either because we don't un-
derstand it or because of con-
venience.

So it is with the new Texas
Egg Law. Some misunderstand-
ings and fears have come up
on occasion which, although
without real basis, are genuine
fears and therefore need to be
explained.

Reports have reached the
Texas Department of Agricul-
ture that certain retailers and
buyers have refused to handle
eggs from small producers with
limited flocks, falsely blaming
the Texas Egg Law as their rea-
son for not doing business with
the farmer who wants to sell
only two or three dozen eggs
at a time.

There is no such trade-re-
stricting provision anywhere in
the law, nothing whatsoever
that interferes with or prohibits
this long-standing business re-
lationship between producers
and buyers. A retailer, dealer,
or other egg handler can pur-
chase any amount of eggs from
a producer at any time. A small
producer can market his eggs
in the same manner as he has
always done—either graded or
ungraded. If he claims a grade
he must comply with the simple
provisions of the law.

In other words, eggs do not
have to be graded at any level
of trade. Ungraded eggs may be
sold in the channels of trade
but they must be represented
as ungraded eggs.

However, it is better for all
concerned if producers and
handlers do participate in the
egg grading program so that
high quality eggs will not be
sold without the quality being
represented by the advertised
grade which attests to the value

and quality of the eggs.
When a grading system is
used, cartons or containers have
to be labeled according to ac-
tual size and grade of eggs.
Anyone having a question on
the egg law and its effect is
urged to contact the Texas De-
partment of Agriculture in Aus-
tin. All inquiries will be fully
and promptly answered.

G. H. S. Juniors To Present Play, "Room For The Groom," April 11-12

The Goldthwaite Junior Class is presenting "Room for the Groom," by J. P. Henderson, Friday and Saturday evenings, April 11 and 12. The play will be in the High School auditorium at 8:00 p. m., with reserved seats.

One might say that this story started with the ladder—and ended with the whole family's using it in a funny, fateful plot to help pretty Leslie Allen and her hapless fiancé elope! And if Aunt Lottie, a well-meaning and daring old soul, had been able to resist her lifelong impulse to climb down a ladder in the moonlight, the elopement might have succeeded. Of course, if Tom Allen—the girl's father and one of those dyed-in-the-wool "Do It Yourselfers"—hadn't built the rickety, odd-looking ladder in the first place and put it under Leslie's bedroom window, matters might have taken an entirely different turn, too. And it's even highly likely that if Old Mr. Witherspoon hadn't decided to fire the groom-to-be when the long-scheduled wedding was just eleven days away . . . well, the story might have had a different ending.

CHARACTERS:

Evelyn Allen, the mother, Shirley Morgan; Tom Allen, the father who is always making something out of his "Do-It-Yourself" kit, Gary Leverett; Leslie Allen, the oldest daughter very much in love, Addie Jo Conrad; Hal Allen, who wants to go to Harvard, Aubrey Hillman; Angela Allen, who'd like to be grown up, Odena Ward; Aunt Lottie, Mr. Allen's aunt who is susceptible to drafts, Barbara Burns; Kathleen Allen, a niece who comes to live with

the Allens, Benna Von Reid; Bruce Hampden, Leslie's fiancé, Del Barnett; Patsy Conover, Angela's best friend, Maxine Loudamy; Hazlett P. Johnson, the man from City Hall, Richard Jones; "Dutch" McCaffrey, a business friend of Hal's, Max Shepherd.

THE ORCHESTRA:

Joe, Danny Galloway; Ray, Chuck Todd; and Louie, Earl Covington.

'59 Wheat Quotas Proclaimed, June 20 Is Set For Date

Farmers in Mills County will vote June 20 on whether they want to use marketing quotas for their 1959 wheat crop. E. L. Burkett, Chairman, County Agricultural Stabilization and Conservation Committee, said today.

Quotas for the next wheat crop were proclaimed by the Secretary of Agriculture on March 21, as required by legislation whenever the available supply of wheat is more than 20 per cent above normal supply. The supply this year—estimated at more than 2 billion bushels—is actually 57 per cent above normal.

Mr. Burkett pointed out, however, that the quotas will not become effective unless they are approved by at least two-thirds of the producers voting in the referendum. If quotas are approved for the 1959 wheat crop, it will mark the sixth consecutive year they have been used for wheat. Wheat quotas and wheat allotments apply only in the 38 so-called "commercial" wheat States, of which Texas is one.

To be eligible to vote in the June 20 referendum, the Chairman explained, a grower must have more than 15 acres of wheat for harvest as grain in 1959. Any wheat grower who signs an application under the feed wheat provision permitting him to produce up to 30 acres of wheat as feed on his farm will not be eligible to vote in the referendum. Wheat growers will be informed of the wheat allotment for their farms in advance of the referendum date.

As usual, Chairman Burkett says, the ASC Committee will set up polling places throughout the County for the convenience of farmers in voting. Locations will be announced later by the

Priddy Sophomores To Present Play Friday Nite, Apr. 11

By WYNELL ROST

The sophomore class of Priddy High School will present a play entitled "The Night Owl," Friday night, April 11, at 8:00 o'clock at the Priddy Gym. This three-act play is based on a mystery but with Kin and Wimple shooting sarcastic remarks and getting into very peculiar situations you'll roll in hilarious laughter.

The cast portrays Wynell Rost as Patsy; Jerry Schlee as Kin Grant; Louis Ivy as William Wimple; Carolyn Spinn as Daisy Linden; Pearl Hohertz as Ann Wimple; N. L. Schrank as James Gray; Dorothy Kunkel as June Allen; Bob Oxford as Jack Benton; Barbara Stegemoller as Mrs. Karley and Clarence Grelle as George Karley.

We are very certain that you will thoroughly enjoy the play and we invite you to come and bring your family and friends.

FRANK OLTROGGE INJURED IN CAR WRECK SATURDAY

Mr. and Mrs. Frank Oltrogge and children of Austin were in a car wreck near Florence Saturday, while en route to Goldthwaite to visit his mother, Mrs. Emma Oltrogge. Mr. Oltrogge was thrown from the car and suffered head injuries, bruises and shock. Mrs. Oltrogge received a broken rib, cuts and bruises and shock. The children were not seriously injured.

Mr. and Mrs. Oltrogge were carried to the hospital at Florence where they remained until Monday morning and were then carried to Brackenridge Hospital in Austin by ambulance. At last report they were improving.

County ASC Office.

If quotas are approved in the referendum, farmers who comply with their wheat acreage allotment will be eligible for the full available price support on their entire production. Wheat growers who exceed their farm acreage allotments will not be eligible for price support and they will also be subject to marketing quota penalties on their excess wheat if they have more than 15 acres of wheat for harvest as grain.

If quotas are not approved, there will be no restrictions on wheat marketings. Allotments will remain in effect, but farmers who comply with their farm wheat allotments will be eligible for price support at only 50 per cent of parity.

The Literary Events of the Annual Interscholastic League meet are to be held Saturday of this week. General assembly will be held in the auditorium of Goldthwaite High School to kick the meet off. Story Telling for the children of the lower grades will be the first numbers to be rendered. This will be followed by Declamations, Poetry Reading, Debates and other speaking events.

Volleyball will be held later in the year in the local gymnasium and the date for that event is scheduled for April 26.

All schools of District 33-B which includes Cross Plains, Goldthwaite, Llano, Mason, Rising Star and Santa Anna will be competing in the events. The public is invited. Dr. Abernathy of San Marcos will be the judge for the day, according to Supt. Jones.

Mills Co. HD Council To Observe Home Demonstration Week

The Mills County Home Demonstration Council met in Miss Burrus' office Wednesday, April 2, with two clubs represented. Mrs. Harvey Hale led in prayer and Mrs. Lloyd Reynolds, president, presided at the business meeting. After the minutes were read and approved, Mrs. Hale gave a report on the T. H. D. A. meeting at Cisco. Mrs. Reynolds gave a report from the Goldthwaite club and Mrs. Owens reported for the Center City club.

The Council will meet with Center City club on April 30, for a covered dish luncheon and book review. The secretary was instructed to invite the Commissioners' Court and their wives to this meeting which will begin at 10:00 a. m.

A motion was made to have an exhibition on display at Center City and later at Goldthwaite in observance of Home Demonstration Week. A discussion on time for testing pressure cookers was not definitely decided upon at this time. A motion was made and seconded that the meeting adjourn and the Council meet the first Wednesday of each month.

Jim E. Williams, 80, Of Hamilton Buried In Hurst Ranch Cemetery

Jim E. Williams, 80, died at his home in Hamilton Monday afternoon, March 31, at 3 o'clock after a lengthy illness. Funeral services were held in the Bob Riley Funeral Chapel Tuesday afternoon, April 1, at 2 o'clock, with Rev. Bill Schibler and Rev. R. H. Franklin of Fort Worth officiating. Burial was in Hurst Ranch Cemetery at Star.

Mr. Williams was born in Georgia, November 1, 1887 and came to Texas with his parents in 1894 and settled near Star. In September 1899 he was married to Miss Martha Gummelt at Star and moved to Shive in 1903. Four daughters were born to this union. He was preceded in death by his wife in 1939. In 1940 he was married to Mrs. Minnie Denson and they moved to Hamilton in 1950. He was the last member of a family of 11 children.

Survivors are his wife, Mrs. J. E. Williams, Hamilton; four daughters, Miss Lillie Williams, Hamilton, Mrs. Mamie Ferguson, Levelland, Mrs. Dora Clements, San Saba, and Mrs. Leota Redden of Snyder; four grandchildren, six great-grandchildren and a number of nieces and nephews.

Pallbearers were Albert Williams, Marvin Williams, Cecil Ferguson, Joe James, Allen Little and Fred Pendleton.

Mr. and Mrs. Orville Hale and daughter, Patsy, of Brownfield spent the weekend with his parents, Mr. and Mrs. J. H. Hale, and other relatives here.
