Grand Jury Indictments Served

30 Persons Charged In Organized Crime

A few months ago, Bailey County Deputy Sheriff Monte Phipps received information of a major drug operation in Bailey County. According to this information, and various methods of checking out such information, the deputy sheriff was convinced that the operation was underway.

Recruiting another local deputy sheriff to assist him, Deputy Phipps, along with Deputy James Williams, started long hours of surveillance. Many nights, they sat up all night long, after working a full day. In the meantime, they continued with their normal daytime operations at the Bailey County Sheriff's office, which entails a lot of paper work and operation of the law center radio.

Eventually, the two deputies decided it was time to bring other officers into the investigation. However, they were contacted by New Mexico State Police Narcotics Agent Danny Kiper, as several of the persons involved were driving back and forth from New Mexico. The officers found they were working on the case, the same case, in the two states.

Agent Kiper had initiated an investigation in New Mexico approximately a year ago when he heard of a laboratory for the production of methamphetamines being set up in the Lovington, N.M. area.

According to the information Agent Kiper had received, the laboratory had originally been set up in Houston before being moved to the New Mexico locations.

The New Mexico narcotics agent started working with the Bailey County Deputy Sheriffs in the investigation as the operation had allegedly moved into Bailey County from the former locations in New Mexico.

Two days before a raid was instituted on the location in Bailey County on December 23, 1977, the local officers contacted Texas Department of Safety Narcotics officers in Lubbock.

On notification, and being informed of the apparent large laboratory operation in Bailey County, the Texas DPS Narcotics officers, under direction of the Lubbock office, started moving into the area to assist with the surveillance and the raid to follow.

In the December 23 raid, seven persons were jailed and officers, including members of the Bailey County Sheriff's office, Texas

Department of Public Safety officers Louis Cardinal and Larry King, DPS Narcotics officers, New Mexico State Police Narcotics officers and Federal Drug Enforcement Administration officers, helped with the raid in western Bailey County.

The operation had been set up less than one-half mile inside the Texas-New Mexico state line in Bailey County. Seized in the raid were laboratory equipment, and one pound of methamphetamines, which is also known as speed. The officers said the street value of the methamphetamines is \$32,000 per pound. They also said that the laboratory in western Bailey County had been set up to manufacture approximately eight pounds of the illegal drug per month.

On January 25, a Bailey County grand jury indicted the initial seven persons that were apprehended during the raid on the laboratory and at the same time handed down an additional 23 indictments in the same case. All 30 persons indicted were

Cont. on Page 3 Col. 1

Commissioners To Consider Home Agent

A new Home Demonstration Agent may be in the picture for Bailey County in the near future following a meeting with Bailey County commissioners Monday.

Meeting with commissioners at 1:30 p.m. will be the District Home Demonstration Agent. Also during the meeting the commissioners will appoint election judges and will pass county bills.

Blood Drive Slated Here On Wednesday

A special blood drive will be conducted at the Muleshoe City Hall Wednesday, February 15, from 1-3:30 p.m., said Tommy Black, executive director of the Muleshoe Chamber of Commerce and Agriculture.

He said the special blood drive is being conducted at South Plains Blood Service supplies are seriously low. This drive is not to be confused with the Lions Club Drive, he emphasized, but is a special drive to help build up depleted supplies.

Silent Disease Found In Over Two Million

Today, Heart Sunday, volunteer workers will be knocking on your door during the day. They will be asking for contributions to help combat the major cause of deaths in America, heart and lung diseases.

Members of the Bailey County Chapter of the American Heart Association are going all-out to help combat this 'killer disease.' They ask that you give, as much as you can, regardless of the amount, in this evergrowing fight.

A "silent disease" that can lead to heart attack, stroke or other cardiac or kidney problems is taxing the lives of over two million Texans. The culprit is hypertension -- commonly known as high blood pressure.

Of even greater consequence is the fact that nearly one-half of these victims or approximately one million Texans, are unaware that they have hypertension.

Hypertension is called the "Silent Disease" because it often manifests no unique symptoms to call attention to its presence. That is why so many people are unaware that they have it. This is a tragedy because hypertension can be detected by a simple test performed by a physician and many drugs have been developed that can control most cases of hypertension.

In an effort to find the approximately one million Texans suspected of having undiagnosed hypertension and to help get them under effective treatment, the American Heart Association, Bailey County Affiliate, is conducting a vigorous program of detecting hypertension among the public through Blood Pressure Screening Programs. These programs are being conducted all over the State of Texas in an effort to help stop some of the killer disease.

In addition, the American Heart Association has announced a program of increased emphasis on educating the public about hypertension through a mass media and educational program in an attempt to create public awareness about hypertension.

Hypertension hits particularly hard at Black Americans. Both male and female Blacks show a greater mortality rate from hypertension in every age group than whites in the same category, according to a survey by the American Heart Association.

Other studies have confirmed that treating even mild elevated levels of blood pressure can be effective in treating heart attack and stroke, contrary to earlier beliefs, said an American Heart Association spokesman.

JUDGE GLEN WILLIAMS

County Judge Announces For Re-Election

Bailey County Judge Glen Williams, announced Friday that he is a candidate for re-election to his position, subject to the Democratic Primary on May 6.

He gave the following statement concerning his candidacy:

Recently I filed as a candidate for re-election to the office of County Judge of Bailey County, subject to the action of the Democratic Primaries. And in connection therewith I am happy to make the following statement:

It is a distinct honor as well as a pleasure to serve in this capacity, we are deeply grateful for the opportunity to serve, and we appreciate the splendid support and cooperation we have received through the years. If re-elected, we will continue, to the best of our ability, to render efficient, courteous, and unselfish service to all the people.

We will, as near as in humanly possible, attend at the office from day to day to serve your needs - no matter what those needs might be - and without regard to race, creed, color, age, sex, financial or social status.

We will try to maintain the personal conduct of the Judge's office on the high and honorable plain that it should enjoy. We will conduct the affairs of county government in a business-like way, and will expedite all court proceedings in an open, fair, and judicious manner.

Bailey County is in good condition financially and we will keep it that way. We will strive to hold property taxes at the lowest possible level. We will practice fiscally sound, and economical county government, yet will be progressive enough to avail ourselves to human services, economic, civic and social improvements, as community needs arise.

We will issue additional statements from time to time, as to the condition and future growth of our county, and will personally see as many of you as we can. In the meantime we thank you kindly for your past support, and trust that we may be permitted to serve you again.

HOMECOMING ROYALTY--Crowned basketball homecoming queen Friday night was Charles Briscoe, son of Mr. and Mrs. Pearl Johnson. The Mules were defeated 70-47 by Dimmitt to spoil the homecoming for Muleshoe fans.

Annual Banquet Scheduled Thursday

Tommy Black, executive director of the Muleshoe Chamber of Commerce and Agriculture has issued a last minute invitation for all persons who have not purchased their tickets for the annual banquet, time is short.

Very few tickets will be available during this week for the banquet which is scheduled for 7:30 p.m. Thursday in the Muleshoe High School cafeteria.

He said this year's theme is "Hop Our Freight in '78" and all decorations are being done by Llano Estacado, under direction of Llano Estacado president, Willie Reeder.

Tickets are \$8 each, which is the same price as the banquet last year, and tickets will be delivered if they are ordered in advance. Call 272-4248 and the C of C will deliver the tickets. Also, tickets are available from any member of the Muleshoe Chamber of Commerce board of directors.

Special guest speaker at the Thursday meeting of the Muleshoe Rotary Club was Howard Watson, with the local cancer association. He showed a film on cancer.

Lubbock County Deputy Sheriff Travis Clements is reported to be in "good" condition following surgery at Highland Hospital in Lubbock this week. He is the son of Bailey County Sheriff and Mrs. Dee Clements.

Kay Cole, daughter of Mrs. Cecil Cole of Muleshoe, was re-elected president of Women's Southwest Federal Credit Union in Dallas on January 28. She also served as the credit union president in 1977.

Attending a reception honoring Ms. Cole, were her mother, Mrs.

Cont. on Page 3 Col. 1

Incumbent Files For School Board

Incumbent Jim Shafer has been the only candidate to file for a position on the Muleshoe Independent School Board of Trustees as of Friday afternoon. Shafer's term is one of three expiring this year. An election is scheduled for Saturday, April 1 to choose three new board members. The term of Ernest Ramm and Royce Turner are also scheduled to expire at this time.

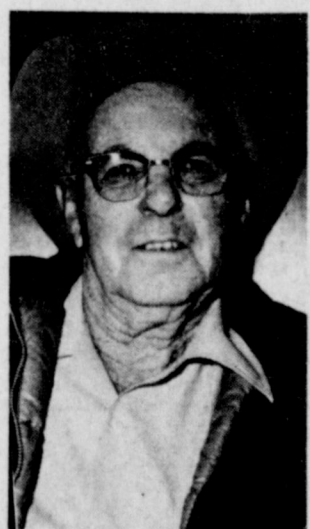

At the banquet, special guest speaker will be Lewis Timberlake, a well-known motivational speaker from Austin. This is not his first trip to Muleshoe and he has been well-received here in the past.

Gene McGuire will be installed as president of the Muleshoe Chamber of Commerce and Agriculture during the banquet and directors will also be installed.

Catering the banquet will be Stan Black of the XII Restaurant. He and his crew will be serving K.C. Strip steaks with all the trimmings. Dinner music

has been arranged. Special awards to be made during the banquet will include the C of C "Employee of the Year" and the Soil Conservation "Conservation Farmer of the Year."

Black explained that since the construction of the new civic center is not quite complete, it is necessary to schedule the banquet in the cafeteria where it has been held in past years. This is expected to be the final year of C of C banquet will be in the Muleshoe High School Cafeteria.

LOYD STEPHENS

Commissioner Incumbent Announces

Bailey County Commissioner of Precinct Two, Loyd Stephens, this week announced his candidacy for another term. He is serving as commissioner of Precinct Two in his fourth term.

He said of his candidacy for re-election:

"Since becoming commissioner of Precinct Two, I have tried to do my best, first for the Precinct, then for the county business, that I knew how to do. "I pledge to continue to be fully obligated to all the duties of a commissioner, which is more than grading roads.

"I greatly appreciate the cooperation of all the people of Precinct Two and ask for your support in the next term which begins January 1, 1979.

"My wife and I have reared our family of three boys and one girl in the West Camp community, where we continue to attend church.

"Thanks so much for your support and I'm looking forward to serving you again."

Personnel To Be Hired For School

Main item on the agenda for the school board when they meet in regular session Monday night will be to consider re-employment of music directors, counselors, curriculum director, speech director, head coaches, principals and director of special programs for the school.

They will also hear the current financial report of all phases of the school operation and hear the current tax enrollment and collection report.

A board member will be selected to issue diplomas at high school commencement and they will review a tentative school calendar for 1978-79.

Several items will be discussed including a legal seminar; information on the free breakfast program; enrollment, personnel, registrations, correspondence and unfinished business.

Also to be named will be an election judge and deputy for the upcoming school board election. They will designate the place of absentee voting and the polling place for election day.

Other reports will also be heard during the meeting.

Ministerial Alliance Starts Drive

The Bailey County Ministerial Alliance announced late last week a fire fund started for victims of Monday night's devastating fire at an apartment complex on West 18th Street.

Persons wishing to contribute to the new fire fund may do so at the Muleshoe State Bank said a spokesman for the Bailey County Ministerial Alliance.

'Different' Influenza Found Here

If you are one of the hundreds in the area with a tired, achy, feverish draggy feeling, don't feel like you are alone. The flu season has hit with all its fury.

And, regardless how bad you feel, your next door neighbor probably feels just about as bad as you do.

Dr. Gary Albertson, Bailey County Health Officer, said Friday afternoon, that his seige is actually no worse than the illness usually found in this area around this time of the year.

He explained that the type of flu being experienced this year is just a different type. He said it is viral type influenza, and affects the respiratory tract.

In years gone by, most of the winter time flu around this area was the type accompanied by upset stomachs and vomiting, this type is different symptoms, including complications, which at times, lead to pneumonia.

When asked what a person could do to try to ward off influenza, Dr. Albertson said the only way to try to avoid the illness was to stay away from large crowds as much as possible.

Dr. Albertson added that the population of the hospital was not actually that much increased with the new type flu which he said could not be pinpointed as the so-called Russian Flu.

Thunderstorms To Accompany Winter Storms

Uncommon, but not rare, thunderstorms were expected to move into the area late Saturday to herald the approach of another winter storm. National Weather Service said the thunderstorm would turn into snow, along with high winds by Sunday.

Although the Muleshoe area has had frequent snows during the last several weeks, wind has not been a factor. However, NWS now says we are overdue, and blizzard conditions will be accompanying the major winter storm.

All across the north and east, high winds have created high snow drifts, paralyzing cities and stopping traffic. In the west, high water heavy rain and wind combined to create major problems in California.

Cont. on Page 3 Col. 1

PINEWOOD DERBY WINNERS--Scouts entered a Pinewood Derby in Muleshoe last week and several of the winners were on hand to have their picture made. They are from left, back row Scott Calvert, third place; Bryan Morris, best paint job; and Gary Duncan, fifth place. From left, front row, are Larry King, fourth place and Winston Stice, second place. The Derby was a part of Boy Scout Week celebrated here.

Contribution To Fire Fund Is Approved

Meeting in session Friday morning, the Muleshoe Kiwanis Club voted to contribute to the Fire Fund which was established to help the victims of Tuesday night's fire at an apartment complex on West Eighteenth Street.

"The Constitution" was the film presented by Howard Watson for the meeting. It was a compromise to raise a nation, according to reporter, R.A. Bradley, who said it was an interesting and informative program.

Lee Dunbar gave the friendship coin to Coach Raymond Schroeder to bring luck in the basketball homecoming game against Dimmitt Friday night. Coach Schroeder said if the team own against powerful Dimmitt, he would just keep the coin.

New member Gary Pierce was installed during the meeting. Guests included Clinton Rogers, Jacque Baker, Curby Brandley, and Junior Mills.

Sixteen members, five guests and sweetheart Benetta Roming attended the Friday meeting.

PEACE Justice Report

Justice of the Peace K.B. Martin docketed 46 cases during the past week, with speeding leading the list of the offenses, with a total of 27 citations issued.

Three citations were issued each for over allowed gross weight and no valid motor vehicle inspection sticker. Two persons each received tickets for running stop signs and for no driver's license.

One each was cited for possession of a criminal instrument; no valid Texas driver's license; no motor carrier authority; driving on wrong side, not passing; failure to give up one-half of roadway; over registered weight; no commercial Texas driver's license; defective required equipment (windshield) and permitting unlicensed minor to drive.

When you find you cannot afford something the best thing to do is to do without it.

The American Agriculture strike movement, efforts to develop an improved all-risk federal crop insurance program and provisions of the current farm program were major topics of discussion at the Plains Cotton Growers, Inc. quarterly Board meeting January 18.

The group also heard a membership and financial report from PCG Executive Vice President Donald Johnson. At about the midway point of the organization's fiscal year, Johnson reported expenditures well within the budget and membership dues coming in at a rate considerably ahead of the same date in 1977.

Two actions resulted from the American Agriculture discussion. First adopted was a resolution spelling out the criteria the Board feels must be met by any proposal aimed at improving cotton producer income. Then the directors scheduled a special meeting January 26 to which directors from each of the 25 PCG counties are expected to invite prominent members of the American Agriculture Movement. The meeting will begin at 10:00 a.m. at the South Park Inn, Lubbock.

"PCG and American Agriculture obviously have common goals," said one director after the meeting. "and the January 26 meeting will give us an opportunity to discuss these goals and to dispel any misunderstandings that may exist."

The complete resolution adopted by the Board follows.

"WHEREAS Plains Cotton Growers, Inc. is charged in its by-laws with the responsibility to 'promote and protect the interests of High Plains cotton producers,' and WHEREAS Plains Cotton Growers, Inc. under this charge has consistently used and continues to use every means at its disposal to achieve maximum net returns on the capital, management and labor investments of High Plains cotton producers, be it hereby

RESOLVED: That PCG support and assist with the implementation of any program which will (1) achieve higher price levels for a reasonable volume of High Plains cotton and (2) will sustain both price and volume in such a manner and for a period of time necessary to protect the value of current investments in productive capacity, and, be it further

RESOLVED: That the PCG Board of Directors will meet at the earliest possible date to consider the proposal or proposals submitted to PCG by any individual or group of individuals purporting to have knowledge of a program that will meet these criteria."

Way of Life
Somehow it's easier to forgive an enemy after you get even with him.
—Times, Marshalltown.

Processed Thought
Some people never have reflections unless they're standing in front of mirrors.

Texas Department of Agriculture

TEXAS COOKS ARE THE BEST in the world, as everyone knows.

And to give them a chance to show off, cook-offs are sponsored each year by various groups to find the best recipes for Texas products like beef, chicken and lamb.

Coming up is the 1978 Texas Beef Cook-off, sponsored by the Texas Cowbelles. Entry deadline is March 1, and I encourage anyone with a favorite recipe using only beef to compete. It could be worth a trip to Oklahoma City for the National Beef Cook-off. State winners will receive \$300, \$200, and \$100 prizes.

CONSUMERS SHOULD FIND GOOD BUYS on Texas vegetables in supermarkets statewide.

With harvesting active in South Texas and in the Valley, look for steady supplies of cabbage, carrots, broccoli, cauliflower and spinach. Texas vegetables are "miles fresher" than those shipped in from out-of-state, and give the most value for the food dollar.

DEMAND FOR CHOICE TEXAS BEEF is expected to continue throughout 1978, and Texas cattle feeders are responding.

As of Jan. 1 of this year, there were 1,850,000 head of cattle in feedlots

statewide. This is an increase of 8 percent from 1977.

Police Report

Thefts plagued local residents and businesses again during the past week, with 47 being reported to officers at the Bailey County Law Enforcement Center.

Wilson Drilling reported the loss of two TRC-4 Sideband CB radios, three whip antennas. A missing Social Security check was reported by Martha Atwood.

T.E. Hall reported the loss of a tool box with various tools.

Thirteen guns were reported as stolen from White's Auto Stores.

Arrests included one person for burglary; one for violation of probation; one for drunk; one for failure to yield right of way and driving on wrong side of road, not passing; one charged with failure to pay for gasoline and one for drinking and being an illegal alien.

Tax cuts: more energy, defense spending asked.

SPS
SOUTHWESTERN PUBLIC SERVICE

OUR GENERATION IS FOR YOU!

Mrs. Finney Chosen Valentine Queen

The regular meeting of Xi Omicron Xi Chapter of Beta Sigma Phi was held Tuesday night, in the home of Mrs. Marcia Henry, with Mrs. Tom Jinks as co-hostess.

A Membership Committee report was given by Mrs. Max King. Xi Omicron Xi will host a social March 14 honoring members who will be progressing to the chapter of Alpha Zeta Pi. At that time, there will be an auction of homemade items with the proceeds going for one of the service projects.

Service Chairman, Mrs. Tom Jinks reported that a Valentine party has been planned for her class at Richland Hills.

Community Hosts Shower For Simnachers

The monthly West Camp Family night will be Saturday, Feb. 11, at 7:00 p.m., in the West Camp Community Center. The host couples for the evening are Mr. and Mrs. Boyd Landers and Mr. and Mrs. Willis James. All families attending are asked to bring a favorite dessert and drinks will be furnished. There will be table games and opportunity for everyone who attends family night, to visit.

In conjunction with family night, this month, the West Camp Community is hosting a miscellaneous shower for Mr. and Mrs. Joe Simnacher, of Lariat who just lost their home in a fire this week. The shower is for the public and anyone who wants to come are urged to attend. Anything that is brought to the shower for Mr. and Mrs. Simnacher will be appreciated.

There're too many journalists who "make" news instead of reporting it.

Mrs. Marcia Henry gave a program on "Home Decorating."

The Valentine Ball to honor the Valentine queens of Alpha Zeta Pi and Xi Omicron Xi will be a dinner-dance at the Muleshoe Country Club on February 18. The Xi Omicron Xi Valentine Queen will be unable to attend the Valentine Ball, so the highlight of the meeting was the surprise coronation of Mrs. Bob Finney as Xi Omicron Xi queen. Mrs. Max King and Mrs. Mike Miller, reigning queens, were in charge of the coronation. Mrs. King gave a special tribute to Mrs. Finney, and she was presented red roses and the Valentine queen crown pin and charm.

The hostesses served refreshments using Valentine motif to Mrs. Finney, Mrs. King, Mrs. Miller, Mrs. Gary Shipman, Mrs. Eric Smith, and Mrs. Jerry Wenmohs.

Piano Students Has Program For PTA

The Muleshoe PTA will meet Monday, February 13, at 3:45 p.m. in the Richland Hills cafeteria. Mrs. Sam Damron's piano students will present the program. The parents of all of the elementary children are urged to attend the meeting.

The executive committee will meet at 3:15 p.m. Refreshments will be served at 3:45 p.m. The business meeting will begin at 4:00.

A pound of fresh vegetables yields from two to six (one-half cup) servings when cooked, depending on the water lost, says Mary K. Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service. The Texas A&M University System.

MRS. BOB FINNEY

Alpha Zeta Pi Shows Film On Childbirth

Members of Alpha Zeta Pi chapter of Beta Sigma Phi met Tuesday evening, February 7, in the home of Mrs. Tom Little.

Mrs. Kenneth Nesbitt, LVN, presented an informative program dealing with prepared childbirth. She discussed the Lamaze Method and showed a film to the group.

A light supper of chalupas, sopapillas, cokes, coffee, and tea was served to Mrs. Stan Black, Mrs. Clifford Black, Mrs. Steve Black, Mrs. Paul Wilbanks, Mrs. Mark Gist, Mrs. Tim Foster and Mrs. Dick

Chitwood.

Others attending were Mrs. Gary Glover, Mrs. Benny Bruns, Mrs. David Bray, Mrs. Tommy Merritt, Mrs. Mac Brown, Mrs. Rick Halford, Mrs. Ed Kramer, Mrs. Terry Hill and Mrs. Gary Renner.

Also, there were Mrs. Gary Toombs, Mrs. Alec Schuster, Mrs. Tom Little, Mrs. Gordon Green, Mrs. Louis Cardinal, Mrs. Bruce Purdy and Mrs. Homer Allgood, listening in on the discussion of prepared childbirth and the film that was shown.

Mrs. Ed Ray Of Sudan Celebrates Birthday

Mrs. Ed Ray was honored on her 85 birthday with a covered dish luncheon at the Sudan Community Center, Sunday, Feb. 5. Friends and relatives that shared the occasion with her, or called during the afternoon were Edward Ray, Mr. and Mrs. Martin Maxwell, Freddie Maxwell, Mrs. Larue West, Mr. and Mrs. Dail Burnett, Mr. and Mrs. Jerry Ray and Tanya, Mr. and Mrs. Roby Lynn, Mrs. Connie Hill, and Mrs. Mabel Redd, all of Sudan.

Others attending out-of-town were Mrs. Frank Ray, Mrs. J.W. Owens and Mr. and Mrs. Joe A. Ray, all of Portales. There were also Mr. and Mrs. Alvin Ray of Spade, Mr. and Mrs. Russell Blevins, of Littlefield, and Mr. and Mrs. Guy Blevins, of Lovington, N.M.

Muleshoe Chapter Holds Memorials

Mr. and Mrs. Bob Phillips, Worthy Matron and Worthy Patron of Muleshoe Chapter of No. 792, Order of the Eastern Star, presided at the meeting of the Chapter, Tuesday evening, February 7, 1978, in Masonic Hall.

Routine business was transacted and the Chapter draped and a Memorial held for Mrs. Grace Osborn.

The Alter was draped and a Memorial held for Dr. Russell Holt, El Paso, a Past Grand Patron of the Grand Chapter of Texas, O.E.S.

The Worthy Matron called attention to Public Schools week, March 6 to 10 and urged all members to visit the Schools. Refreshments in Valentine motif were served by Barbara Lust and Phyllis Beavers.

An efficiency expert is one who believes that it's easier to get someone else to work than to do the work.

Mr. and Mrs. Mark Short, Jana Blessings, Melody and Joy Simpson all attended from Llano, and Mr. and Mrs. Leroy Kilmer, of Melrose, N.M. came for the celebration.

Those friends and relatives attending from Lubbock were Mr. and Mrs. C.C. Rendleman, Mr. and Mrs. Billy Ray and Michael, Mr. and Mrs. Sid Rendleman and Jason, Mrs. Calvette Haggard, Cory and Derick, Mrs. Wyletta Bennett, Bryan and Kristie.

Fire Department Auxiliary Asks 'Participation'

If your name is not Mrs. Alton Parker, Mrs. J.O. Parker, Mrs. H.E. Reeder or Mrs. Owen Jones, you are needed. That is, you are needed and were missed if you are the wife of a member of the Muleshoe Volunteer Fire Department.

Monday night, for the regular monthly meeting, the four wives were lonely. Why? Because, they said they were the only auxiliary members at the meeting of the Fire Department Auxiliary.

They said they did enjoy the special film which was shown on "Better Living For a Longer Life," a heart film, shown by Mrs. Owen Jones.

The four lonely members said they hoped to see a lot more members for the next meeting on March 1.

BIBLE VERSE

... Let there be no strife. I pray thee, between me and thee.

1. Who is the author of this request?
2. To whom was he speaking?
3. What was the question between them?
4. Where may this statement be found?

Answers To Bible Verse

1. Abram.
2. To his nephew, Lot.
3. A quarrel between their shepherds and herdsmen over grazing rights.
4. Genesis 13:8.

Rebbie Dawn Jones

Mr. and Mrs. Bill Jones of Corpus Christi are the proud parents of a new baby girl born at 2:55 a.m., Feb. 7, 1978. The baby weighed seven pounds and five ounces and was named Rebbie Dawn. This is the couple's first child.

Maternal grandparents are Mr. and Mrs. F.H. Gable, of Levelland. Paternal grandparents are Mr. and Mrs. Bob Jones, of Lazbuddie and Great grandparents are Mr. and Mrs. H.M. Gable, of Muleshoe and Mrs. J.C. Buchanan, of Morton.

Kathleen Lenore Green

Mr. and Mrs. Jimmy Green of Muleshoe are the proud parents of a new baby girl born at 11:35 p.m., Feb. 6, 1978, at the South Plains Hospital in Amherst. The baby weighed six pounds and eight ounces and was named Kathleen Lenore Green. She is the couple's first child.

Maternal grandparents are Mr. and Mrs. Manuel Espinosa, of Visalia, Cal. and Paternal grandparents are Mr. and Mrs. W.L. Green of Muleshoe. Great grandmother is Mrs. Mattie Green of Brownfield.

Eddie Silva

Leroy Rojas, Jr.

Mr. and Mrs. Leroy Rojas of Muleshoe are the proud parents of a new baby boy born Feb. 9, 1978, at 4:45 p.m., in the West Plains Medical Center in Muleshoe. The baby weighed six pounds and eight ounces and was named Leroy Rojas, Jr.

Most people will sell what they own for a good profit even if the income taxes take most of the gain.

Three Winners In Contest

The TOPS meeting of February 9, was held in the Bailey County Electric Co-op meeting room, with Mrs. J.O. Parker, president conducting the meeting. There were 21 attending, and weighed in. The meeting was opened with the TOPS song and pledge.

Mrs. Hefner read the minutes of the previous meeting and they were approved.

Mrs. Joe Glover received a gift. There were three people who received dress length for three weeks of consecutive weight loss. Mrs. Luis Mata, Mrs. Buria Vinson and Mrs. Claude Don Holmes were those three winners.

The train contest ended this week. The train would travel according to the weight loss of the riders. Members aboard the train that won the contest were Clara Crane, Layvane Williams, Mrs. J.O. Parker and Mrs. Luis Mata. Their gift was money contributed by the other train members in the contest that did not loose weight.

Queen of the Week was Mrs. Bobby Newman, first runner-up was Layvane Williams and second runner-up was Mrs. Charles L. Glover. Mrs. Glover also received a gift from the gift box for being the last weeks Queen of the Week and continuing to loose this week.

Bailey County Heart Fund Drive Is Set

The kick-off for the Bailey County Heart Fund drive began in Thursday, Feb. 9, in the Muleshoe State Bank Room, at 7:00 p.m. with Mr. and Mrs. Ben Yeager and Terry Gunter assisting with it.

Tom Stacy, of the Levelland Heart Association attended the meeting and gave a speech and introduction to the workers as to the goals and purposes of the heart drive. He also instructed them as to how they were to go about distributing the packets to each home in the city and rural areas during the heart fund drive.

Laura Seals, president of the Bailey County Heart Association presided over the meeting. Roy Whitt presented a short speech to the group, boosting them with enthusiasm and morale for the upcoming event.

Packets were distributed out to all the workers. Refreshments were served with about forty in attendance.

The heart fund drive will begin Sunday afternoon within the city of Muleshoe and the rest of the month will be for contacting the rural areas. Remember, that 50 percent of deaths are due to some form of heart disease.

Any contributions anyone can donate will be appreciated by the workers representing the Bailey County Heart Association and those who might now or later need the helping hand.

Mrs. Baker Elected Queen

The February District IX ESA meeting was held at Seagraves, Sunday, Feb. 5. The highlight of the meeting was the crowning of the District IX ESA beauty queen. There were six contestants, representing Seagraves, Snyder, Sudan, Muleshoe, Tulia, and Denver City Chapters.

Second runner-up was Brenda Culley of Muleshoe; first runner-up was Susan Coleman of Tulia, and Mrs. Larry Baker of Sudan was crowned as the 1978-79 ESA District IX Beauty Queen. The contestants resumes were read by the three judges, from Lubbock, Muleshoe, and Seagraves. The contestants were then interviewed separately by the judges before the salad luncheon.

Following the luncheon each contestant was presented on stage in formal attire. They were asked to respond to a question presented by the judges. Mrs. Larry Baker was crowned by last year's beauty queen, Mrs. John Birdwell, of Muleshoe.

Mr. and Mrs. Larry Baker, have a daughter, Kelli D'Ann. Mrs. Baker has been a member of ESA for two years.

Make Your Homes Safe For Children

COLLEGE STATION--Practice electrical safety and protect children from potential hazards, says Dr. Carolyn McKinney, a family resource management specialist.

Remember, small children live on or near the floor within easy reach of electrical outlets. Their natural curiosity leads them to explore many potential hazards in the home, she continues.

Dr. McKinney is with the Texas Agricultural Extension Service, The Texas A&M University System. Put plastic safety caps in unused electrical outlets to prevent children from sticking something into the outlets--and being shocked, the specialist suggests.

Also, unplug appliances at the wall outlet rather than at the appliance so that a child cannot harm himself with the open ends of connected cords.

Remove as many potential hazards as possible from the paths of small children.

Teach them that electrical things are not toys and not to touch switches or appliances with wet hands.

And, set a good example--practice electrical safety everyday in every way, Dr. McKinney says.

Speeding is profitable only for the undertakers.

NEW SCOUT... Gant Barnhill is a new denner for Den 5, Pack 620. He is shown with Glen Flowers, assistant denner. The boys represent new denners for the month of February.

LOUISA'S LETTER

Dear Louisa,

My husband and I were both brought up in families who were good members of their churches. Attending church services was automatic as far as we were concerned. I am sure it meant a great deal to both of us as our standards as to morals, honesty and compassion for others have certainly been a great help in making us a happy family and in setting a good example for the children. We are not perfect but there is a good relationship between all of our family.

Now what is worrying me is my sister. She married a man who was brought up in a very worldly family. Her husband plays golf instead of going to church on Sunday morning and ridicules some of us for our religious ways. Their

children have been left alone at home a great deal and have been something of a problem to them.

Even if people do not agree with everything the minister says the habit of attending services together with their children on a regular basis, makes for a closer family and less problems. Don't you agree?

Sister--Col.

Answer:

I agree with you that families who attend church services together seem to have less problems than those who do not. Even though you may not agree with everything the minister says, the sum total of benefit is usually a plus.

Louisa
Address letters: Louisa, Box 532, Orangeburg, S.C. 29115

Young Homemakers Meet In Austin

The Sudan Young Homemakers met Monday night at the Homemaking Cottage. Kathrine Berry, of Odessa presented the program on Beef Cuts. Mrs. Berry is employed by Furr's Foods. Stella Freeman and Willie Rosson were special guests. Ann Carson served refreshments and made a gift for the speaker.

Joan Nix, Nell Ingle, Mary Powell and Sharon Thornton left Thursday February 9, for Austin. They are attending the Young Homemakers State Convention, February 10 and 11. The young homemakers will have a Valentine's Party, for their husbands, Feb. 14, at 7:00 p.m.

The next meeting will be held February 27, at 6:30 p.m. in the homemaking cottage. Dorothy Drake will present the program on Sugar Eggs.

Towel dry hair as much as possible before using an electric hair dryer--and save energy, suggests Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Members attending the meeting were Barbara Bond, Norma Burnett, Ann Carson, Rita Conley, Joann Ellison, Jo Ann Gaston, Nancy Harrison, Deanna Humphreys, Nell Ingle, Pat Laceywell, Geneva Newman, Joan Nix, Doyle Seymore, Jan Smith, Sharon Thornton, Kay Wiseman, Mary Powell, Celia Kukendall, Donna Black, Shirley Wood, Jana Synatschek, Judy Lynch and Patty Miller.

Buy or compare insulation by the "R" number rather than by inches or thickness, says Pat Seaman, housing and home furnishings specialist with the Texas Agricultural Extension Service, The Texas A&M University System. More resistant insulations have higher "R" numbers, she points out.

To remove stale coffee residue and oils from inside a percolator coffee pot, pour vinegar into the cooled and unplugged appliance, suggests Dr. Carolyn McKinney, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

ESA Makes Plans For March Of Dimes

On Tuesday, January 17, the Epsilon Chi Chapter of Epsilon Sigma Alpha met at Tri-County for a social meeting. Hostess for the evening was Mrs. John Birdwell.

A short business meeting was held at which time Mrs. Johnny St. Clair was appointed treasurer to finish out the term of Mrs. John Birdwell.

On Tuesday, February 7, a business meeting was held in the home of Ms. Janet Ellis. Mrs. Derrell Matthews, president, presided over the meeting. Plans for the upcoming March of Dimes were discussed. The drive will be held on the next pretty Wednesday afternoon.

Also discussed were an auction to be held in the spring and a benefit bicycle ride that will be sponsored by the local chapter as well as ESA International. The film program for the evening was snowbound in Plainview.

Hostesses were Mrs. Charles Moraw and Ms. Janet Ellis. Those members in attendance were: the hostesses, Mrs. Terry Hillin, Mrs. Derrell Matthews, Mrs. Terry Parham, Mrs. Allen Smyer, Mrs. Johnny St. Clair, Mrs. Wayne Tunnell, Mrs. Larry Gulley, Mrs. Daryl Foster, Mrs. Robert Montgomery, Mrs. Rusty Whitt and Mrs. Barry Cowart.

"Spirit Catcher" Film On Art To Be Seen

West-Coast assemblage artist Betye Saar is the subject of the third program in *The Originals: Women in Art* series to be shown for the first time on PBS at 10 p.m., Monday, Feb. 13.

The program is offered to local public television stations by the Public Broadcasting Service.

"Spirit Catcher" is a half-hour film that probes into the art, the spirit, the symbols, the revelations, and concerns of assemblage artist Betye Saar. Her intense, miniaturized images, collaged and boxed, stem from her preoccupation with the occult and mystical worlds, the rituals of the palmist and astrologer, fetishism, voodoo, and the motifs of Africa. Typical of her work is her well-known fold altar series which she has been making for many years, using recycled objects such as black dolls, eyes, feathers, teeth, shells, mirrors, scraps of leather. One of these pieces of entitled: "Spirit Catcher."

"Spirit Catcher" shows how Saar's earlier pieces were directly political, hurt and angry,

incorporating satirical, violent, derogatory images as in "Liberation of Aunt Jemina." A Black figure holding a broom in one hand and a gun in another. Another is a metronome in the form of a black skeleton entitled: "I Got Rhythm." Her most recent work, by contrast, is visionary, and full of dreams and insights.

About her plans for the future, she says: "I just flow with what comes... although... I'll still be working with found objects, for part of the past is always with us..."

"Spirit Catcher - The Art of Betye Saar" is a film made by Suzanne Bauman in Los Angeles, California in September 1977. *The Originals: Women in Art* is a seven-part, half-hour, weekly series produced by WNET/N.Y., celebrating the art and lives of American women artists. Executive Producer of *Women in Art* is Perry Miller Adato.

Charity should begin at home if it begins.

From the TAP Kitchen

Texas Department of Agriculture-Reagan V. Brown, Commissioner

TURKEY HAM ROLL-UPS

- 5 cups chopped cabbage, cooked and drained
- 1/2 cup shredded Swiss cheese
- 8 thin slices fully cooked turkey ham (about 1 lb.)
- 1/4 cup chopped onion
- 2 tablespoons butter or margarine
- 3 tablespoons flour
- 1 1/2 cups milk
- 2 teaspoons horseradish mustard
- 1/2 cup shredded Swiss cheese
- 1 tablespoon chopped parsley
- 1 tablespoon butter or margarine, melted
- 1/4 cup bread crumbs

Combine cooked cabbage and 1/2 cup cheese; spoon about 3 tablespoonfuls onto each ham piece and roll up. Place, seam side down, in a baking dish. Sauté onions in 2 tablespoons butter or margarine; blend in flour. Add milk and mustard and gently bring to a boil, stirring constantly. Add 1/2 cup cheese and parsley. Pour over turkey ham rolls. Combine 1 tablespoon melted butter and bread crumbs and sprinkle over cheese sauce. Bake uncovered at 375°F. for 25-30 minutes. Makes 4 servings.

For additional recipes write Commissioner Reagan V. Brown, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.

Mrs. Debbie Hall, sister of Mrs. Chester Knox was admitted to Methodist Hospital, Monday night, Feb. 6.

Mrs. Willie Rosson's sister-in-law, Mrs. Stella Freeman, of Spade and Mrs. Katherine Berry, of Odessa were guests in Mrs. Rosson's home, Monday night.

Mahon To Be Honored At Water Meeting

More than 250 people are expected to attend the 11th Annual Membership Meeting of Water, Inc., in Amarillo Saturday and honor retiring Congressman George H. Mahon.

The Water, Inc., meeting is being dedicated to Mahon, who is completing his 44th and final year in Congress. Mahon, the Dean of Congress, is chairman of the House Appropriations Committee, the largest and one of the most powerful committees in Congress.

Noon dedication ceremonies

will top a morning program centered on the theme "A Growing Awareness." All activities will be in the Amarillo Quality Inn, 2915 I-40 East. Registration will begin at 8 a.m. and will cost \$6, which includes the luncheon cost. The program will begin at 8:50 a.m.

Keynote speaker will be Texas House Speaker Bill Clayton, a long-time supporter of water resource development for the

High Plains. Robert S. Kerr, Jr., president of Oklahoma Water Inc., will discuss the growing need for cooperation among states in the region to solve their water problems. Vernon Congressman Jack Hightower will participate in the dedication ceremonies.

Darrell D. Mach, regional planning officer for the Bureau of Reclamation's Southwest Region, is scheduled to discuss the

Llano Estacado Total Water Management Study currently in progress. Rounding out the program will be Harvey Davis executive director of the Texas Department of Water Resources.

If we love one another, God dwelleth in us, and his love is perfected in us. -1 John 4:12.

Mules Dump Olton; Dimmitt Romps Over Teams

Seniors Will Compete In ENMU Talent Day

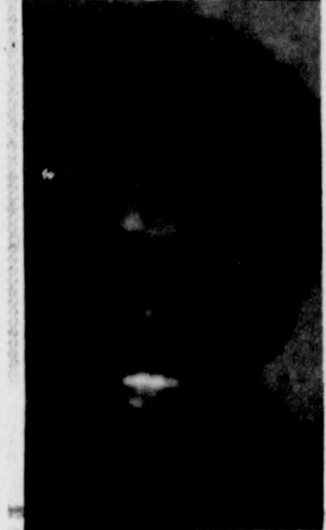

The Eastern New Mexico University fifteenth annual Talent Day will be held Saturday, March. Eighty \$200 scholarships will be awarded on that day. Students will compete in tests in the following areas: English, mathematics, military science, modern language, Religion, science, social science, speech, business, agriculture, education, home economics, industrial education, library science, physical education, psychology, engineering, art, dance, drama, and music.

All interested seniors must have completed applications and a copy of their transcript in the Admissions Office of ENMU on or before February 27 in order to compete on March 4. Applications are available through the high school counselor, Mr. Ben Gramling. Although the competition is limited to seniors, Eastern extends an invitation to juniors or seniors who do not wish to compete on this day. These people will have an opportunity to talk with faculty advisors, as well as see the campus.

The schedule of activities for Talent Day 1978 includes: 8:00-9:00 a.m. Registration--Campus Union Lobby 9:00-9:20 a.m. General Assembly--Campus Union Ballroom. Following the assembly, competitors will be escorted to their respective testing areas. 9:30-11:00 a.m. Testing 11:30-12:00 p.m. Campus Tours--beginning and ending at Campus Union 11:30-12:30 p.m. Sorority Presentation--Zia room 12:30-1:15 p.m. Lunch 1:15-2:00 p.m. Entertainment--Campus Union Ballroom ENMU Jazz Ensemble 2:00-3:00 p.m. Awards Assembly--Campus Union Ballroom.

Pre-Registration For Students March 13-15

Pre-Registration for 1978-79 is scheduled for March 13, 14, and 15. 1978-79 Seniors will register in their American History Classes on Monday, March 13. 1978-79 Juniors will register Tuesday, March 14, in their English II classes. 1978-79 Sophomores will register Wednesday, March 15, in their English I classes. At this time, plans are being made to offer all courses now being taught with the exception of Physics. Additional courses to be offered include Trigonometry, Shorthand, Typing II, Advanced Science, and Home and Family Living.

CHARLES BRISCOE

Thespian Of The Week

Charles Briscoe has been selected this week as Thespian of the Week. Charles has been very active in almost all aspects of the Mules athletic department. Charles was a member of the co-district champion football team. At the same time, he was also chosen an all-district stand-out for their powerful defensive team. This year he has been very instrumental in helping the Mule's basketball team to their fine record. Only a Junior, this is his second year on the varsity team, and much is expected from him in the upcoming year as well. Charles also manages to find time to participate in FTA and has been a member of the track team in the past. Good Luck for the rest of the year.

Calendar For The Week

Monday, February 13: Jr. class auditorium. Tuesday, February 14: Littlefield-Here-5:00-A&B boys and girls. Thursday, February 16: FTA State Convention-Dallas: leave 5:30 a.m. Friday, February 17: Fronthere-6:30-A&B girls only. West Texas State Speech Tournament. Saturday, February 18: FHA Sweetheart Banquet.

Coachs Comment

The Mules will end their regular season next week against the Littlefield Wildcats. We have seven seniors who will play their last game for the Mules. These young men are Billy Vinson, Dean Northcutt, Mark Washington, Marcus Beversdorf, Danny Wilson, Mack Norman, and Doug Precure. I am extremely proud of these young men in the way that they have played and represented our school. The success that we have had can largely be contributed to these men.

Happy Birthday

We would like to wish the following people a Happy Birthday and Happy Hunting for a Valentine! Feb 13-Beatrice Edmundson February 17-Cindy Hamblen, Ray Castorena February 18-Ricky Carlson

CROWNED BASKETBALL KING AND QUEEN--Charles Briscoe was crowned Homecoming King and Dani Dunham was Homecoming Queen at the annual basketball homecoming in Muleshoe Friday night. The Dimmitt Bobcats defeated the Mules 70-47 to take home the win from the game.

Sophomores Sold Mums At Homecoming

The Sophomore class met Monday, February 6, in the High School auditorium. The class has decided to sell Mums for the Basketball Homecoming. The meeting was held to promote the selling of the Mums and to work out the delivery. The Mums will also be sold at the Junior High School.

Homemaker Delegates In Austin

Mrs. Dorine Harbin, high school homemaking teacher, accompanied the delegates of the local young homemaker's association to Austin to attend the state convention of the Texas Association of Young Homemakers. The convention was held February 9-11 in the Sharon Crest Convention Center. Mrs. Harbin is the advisor to the 20 members of the Muleshoe Young Homemakers.

- FRIDAY Turkey and Dressing Creamed Potatoes Eng. Peas Cranberry Sauce White Bread Cobbler Milk

On Friday, February 3, the Mules and Mullettes traveled to Olton to play crucial district games. The two boys teams were triumphant, but the girls dropped a very important game.

The JV girls started things off with a loss by a score of 24-12. The boys fared a little better but had to really play for their win. They won in a close game by a single point. The final score was 33-32. Leading scorer in this JV contest was Jeep Shanks with 12.

The varsity girls had a tremendous amount of trouble with Olton. Their shots wouldn't fall and little by little the Mullettes fell behind. They ended up on the low side of the scoreboard. They put together one last effort in the fourth but this surge was ill-fated because there wasn't enough time for them to catch up with their poised opposition. This was the first loss in district for the girls.

The varsity boys dominated the Mustangs. The Mules scored first and never trailed in the game. The scoring was balanced in this contest, for the Mules anyway. Charles Briscoe led with 12 of the Mules' 64 points. Olton managed only 41 points on the scoreboard.

The tables turned as Muleshoe traveled to Dimmitt on Saturday night for a make-up game. The JV girls started with a loss by a score of 29-17. This proved to be the case with all of the Mule and Mulette teams. The JV boys fell into their worst slump of the season as they were romped 60-25. They fell behind and never got back on their feet. Frustration proved to be the key factor of the game. The Mules' shots would not fall and Dimmitt could not miss.

The varsity girls were dealt their second loss in two tries as the Bobbies glided through to take the first-half district crown. The Mullettes suffered a bad case of nerves during the game. Their shots would not fall, just like the night before at Olton. They trailed from the start and never could quite regain all of their stature that everyone has come to know and expect. They put together one last rally in the fourth quarter, but fell short and lost by nine points. Leading the futile charge for the Mullettes was Karen Stovall. She had 24 of the Mullettes points. The Bobbies took the crown by a score of 66-57.

The boys also fell to Dimmitt squad. The boys shot very poorly in the first half and went in trailing by 15. Nothing went in favor of the Mules. They made 2 field goals in the first

half and tried 17 times. Free throws put them within striking distance, but the Mules couldn't put together a rally and lost the game by a score of 59-35.

Morton was the next team on the agenda as the Mules and Mullettes prepare to end the regular season. The JV girls, led by Becky Turner with 15, played in a close battle with their opposing Morton team. The Mullettes pulled out a two point win, 30-28. The JV boys, seldom beaten, were surprised by a much improved Morton team. They dropped their second game in a row. The final score was Morton 58-Muleshoe 49. The boys faced a tough Dimmitt team for their Homecoming foes.

The varsity girls got themselves back on the right track by beating Morton for the second time this season. Their district record now stands at 4-2. The Mullettes were fired up in their battle with Morton and never gave the other team a chance of taking things into their own hands. The Mullettes showed the fans, both Muleshoe and Morton, that they are near unstoppable when things are going for them. The final score was Muleshoe 71-Morton 45. Taking top scoring honors for the Mullettes was Shelly Dunham with 27 and Elizabeth Isaac with 26.

The varsity boys came out charging the Morton boys. The

SC Presents Special Ball At Homecoming

The Student Council met February 7, 1978. Curtis Carpenter reported that he had finished painting the homecoming basketball and that it is displayed in the trophy case in front of the office. Chances were sold for \$2.25 each.

The Student Council has selected the movie "The Sting" to show this year. The movie was approved and will be shown March 22.

A committee was appointed to be in charge of the annual Talent Show. A committee was also set up to order next year's beat tags.

Mulette Maneuvers

The Mullettes lost two very important games this past weekend. The Mullettes played Friday night at Olton and lost 32-46. The team shooting percentage was only 34 percent and the free-throw percentage was the lowest of the year at 28 percent.

Saturday night at Dimmitt the final score was 57-66. The Mullettes scored 26 points in the fourth quarter but were 17 points behind at the beginning of the fourth quarter. Karen Stovall had an outstanding game with 24 points. Chana Eubanks had a good game for the guards with 7 rebounds and 5 steals. The Mullettes finished the first of district play with three wins and two losses. Dimmitt won the first half with a five and 0 record.

The Mullettes started the second half Tuesday night at Morton with a 71-45 victory. Shelly Dunham had 27 points Elizabeth Isaac 26 points, Karen Stovall 13 points, JoRonda Rhodes three points and Evelyn Grace two points. Evelyn Grace played only a short time because of illness. All of the guards had a good game. The guards were Susan Crittenden, Dani Dunham, Chana Eubanks, JoRonda Rhodes, Debra Washington, and Cindy Hamblen. The Mullettes played Dimmitt at Muleshoe Friday night in a very important game.

Mules scored 12 points to Mortons 6 in the early going. Morton regained their composure and the score was tied at 28 with the first half was over. The Mules came out the third quarter and things went downhill. Morton applied pressure and this bothered the Mules greatly. Dean Northcutt had the hot hand for the Mules with 14 but the Mules dropped their second game in as many tries. The final score was Morton 62 muleshoe 50.

MHS Third In Amarillo Tournament

Four hundred fifty students represented forty schools competed in the Amarillo Tascosa Speech Tournament this past weekend.

Muleshoe's speech squad had seven individuals to make the finals. Brad Baker, Dave Poyner, Fran Berryhill, and Linda Nowlin competed in extemp finals. Dave Poyner and Fran Berryhill placed third in the separate divisions. Royce Clay competed in orig' 1 oratory finals. Lisa Redwine and Ernie Vela performed in Poetry interpretation finals. Lisa won first place.

Muleshoe's three debate teams competed in the championship rounds. Royce Clays and Martin Nowlin placed second. Debra Stevens, Scott Baker, Bret Burrows, and Mark Harmon lost in the quarter finals. Mark and Bret were the top ranked team after the preliminaries. Royce Clay won the most outstanding debater's plaque.

MRS. BETTY WAGNON

DECA Employer Of The Month

Need something special? Try "Something Special" Few businesses, if any, reflect the personality of their managers as does the gift shop on Main Street, whose partial contents consist of "what-nots" that would add distinction to any home. The manager is Mrs. Betty Wagnon, and the friendliness which she possesses is so much a part of her being that it tends to rub off on everyone with whom she comes in contact.

For the first time, she is employing a DE student to assist her in creating displays and selling merchandise. She says that she is pleased with her student's attitude, ingenuity, and ability to work well with people. This seems to be prominent in most of those employed through Distributive Education. Without people like Mrs. Wagnon to provide assistance for DE students, DECA would not be the excellent organization that the employers have made it. We are honored to recognize Mrs. Wagnon as DE employer of the month of February.

Freshmen Boys Are Saluted

The Freshman Basketball players have had an outstanding season their first year in high school. The Mules' Tale Staff would like to salute them for their accomplishments.

Felix Norman is the 16 year old son of Mr. and Mrs. Jim Norman. Felix plays wing for the Mules and is active in athletics and woodworking. Felix commented, "I think our team has come a long way this year, and we really are thankful to the people that were supporting and backing us up. I think, if we keep this system going, our team will start winning more games."

Playing post for the Mules is 15 years old Carrol Precure. His parents are Mr. and Mrs. Ray Precure. Carrol's activities are FTA, Speech, Athletics; and his is a freshman class officer. His comments are, "Last year our season record was 3 wins and 10 losses. This year so far our record is 10-7 and we expect to win our last two games to make it 12-7. We've won two second and one third place trophies this year, and we didn't even make the finals last year. In the year's to come, we plan to be even better."

Brad Poyner is the 15 year old son of Mr. and Mrs. Paul Poyner. He is playing point and wing for the Mules and his activities are FTA and Athletics. He said, "We've had a pretty good season and really improved since last year. I think if we continue to play together as a team we can win our last two games."

Playing low post for the Mules is Wesley Rasco. He is the 16 year old son of Mr. and Mrs. Odell Rasco. Weley is active in FFA and Woodworking.

Larry Beene is the 15 year old son of Mr. and Mrs. Eddie Beene. He plays wing and his activities are athletics, art, and woodworking. Larry's comments were, "We have improved very much since last year, and I believe we will get better every year."

Richard Orozco is 16 years old, and his parents are Mr. and Mrs. Robert Orozco. He plays wing for the Mules and is active in Athletics, band and woodworking. He said, "This year we had a good year in basketball. We have won three tournaments already. I think we can win district still if we try to put all

the effort we have. William Orozco is the 15 year old son of Mr. and Mrs. Joe S. Orozco. He plays low post for the Mules and his comments are, "We are a better team this year, and that we can win district this year."

Bobby Perez is the 15 year old son of Mr. and Mrs. Robert Perez. Bobby's activities include woodworking and athletics. He plays point and his comments were, "Our team has improved from last year and our coach has helped us to do it."

Playing wing for the Mules is Julius Briscoe, the 14 year old son of Pearlle Johnson. His activities include Speech and basketball.

Playing point for the Mules is Mickey Long, the 14 year old son of Mr. and Mrs. Billy D. Long. Mickey is active in athletics and his comments are, "We have improved a lot since last year and I think we can still win our last few games."

Benny Pena the 14 year old son of Mr. and Mrs. Benny Pena, is active in FFA and Athletics. He plays post and his comments are, "Our team last year got beat in every tournament we played. This year we came out

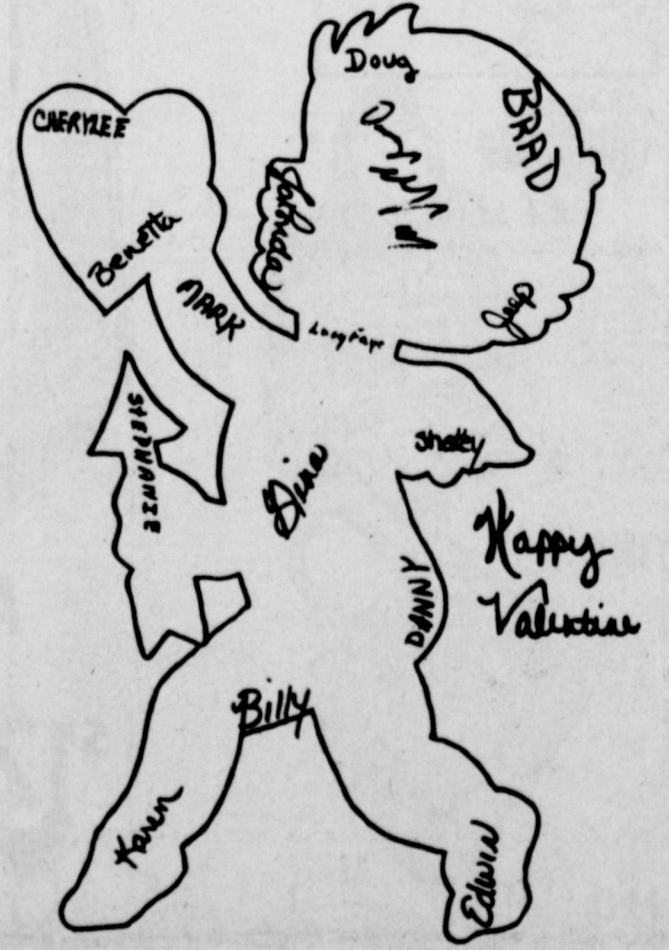

with two seconds and one Third place. I think we have improved 100 percent."

Marvin Lewis plays high point for the Mules. He is the 16 year old son of Celestion Lewis. Marvin is active in art. He said, "I like basketball because it's active."

Charles Walker is the son of Mr. and Mrs. Charlie Walker. He is a 15 year old forward for the Mules. He participates in art. He said, "I like basketball a lot and if I were a little better I wouldn't mind playing pro."

Gary Cox is the 15 year old son of Mr. and Mrs. James G. Cox. He plays low post for the Mules. Gary is active in FFA and athletics. He said, "We've improved a whole lot since last year. We played more like a team. Next year we're going to be better than ever, so they better watch out."

Benton Glaze plays wing and point for the Mules. His parents are Mr. and Mrs. James Glaze. He is active in FFA. Benton said, "We have a very good team that is well organized." Congratulations to these Freshman for their good work during the basketball season. Good luck in the years to come.

Senator Price Appointed To Senate Committees

Senator Bob Price, Republican from Pampa, has been appointed to three key Senate committees, from which he also received two subcommittee assignments. Price will begin serving immediately on the Finance, Jurisprudence Subcommittee on Civil Matters, and the Natural Resources Subcommittee on Agriculture. Senator Price said he was very pleased with his assignments. "In terms of the interests, concerns, and well-being of my

constituents, and the State of Texas as a whole, the Natural Resources and Finance Committees are by far the most important Senate committees," Price said. "The Natural Resources Committee deals with energy, water resources, and agriculture, areas of great concern to all Texans. "Serving on the Agriculture Subcommittee will give me an excellent opportunity to present and work for some of my earlier proposals in that area. This

includes legislation forming agricultural trade teams, composed of interested agricultural producers, that would sell Texas agricultural products in other countries. "In addition, we need legislation to insure that agricultural producers will retain their priority ranking if energy supplies are rationed." Senator Price stressed the importance of the Finance Committee in restraining the bureaucracy. "I believe that the bureau-

cracy, the red tape it produces, and government interference as a whole can be reduced. Members of the Finance Committee will have significant roles in reaching these goals." Meanwhile, the Jurisprudence Subcommittee on Civil Matters is studying problems involving product liability. "Product safety and liability affects each Texan, and many businesses as well. Legislation in this area will come before the Legislature in 1979, so it is imperative that we study it now." Price said that his present appointments are effective until the opening of the next session of the Legislature, in January of 1979, when, according to Senate rules, the lieutenant governor makes new committee assignments.

Senator Price also announced that his offices in Austin and Pampa are now ready to handle requests and questions by mail. Those addresses are: P.O. Box 12068, Austin, 78711; and, Hughes Building Annex, Room 264-A, Pampa, Texas 79065. Requests by phone can be taken in Austin after February 8 at (512) 475-3222, and in Pampa after February 6 at (806) 665-1681.

A Good Thing
Few of us get what we deserve, for which most of us should be thankful.
-Enquirer, Cincinnati.

J.D. Bernethy Rites Held In Dimmitt

Funeral services for J.D. Bernethy, 55, father of Mrs. Robert Montgomery of Muleshoe, were conducted at 2:30 p.m. Saturday, February 4, in Dimmitt. Services were at the Fourth and Bedford Church of Christ with Burial in the Littlefield Memorial Park under the direction of Dennis Funeral Home of Dimmitt. He died Thursday, February 2 at 2:30 p.m. in Dimmitt following a lengthy illness. Other survivors include his wife, Laverne, Dimmitt; one son, Gary Lubbock; another daughter, Mrs. Lynn Buchanan, Dimmitt; his mother, Mrs. Lula Bernethy, Sudan; two brothers, Orville, Sudan and Davy, Norman, Okla.; and four grandchildren.

Accent On Health

Texas Department of Health
Fratris L. Duff, M.D., Commissioner

For the Week of Feb. 2, 1978

John Haygood is well-known to the people operating the underground tourist attractions in Texas, since he spends much of his non-working time poking around in these caverns.

But unlike the tourist, who is awed by the beautiful formations found in these caverns, Haygood spends his time taking air samples in a check for radiation as part of a program to earn a master of science degree.

In his full-time job as an inspector in the Occupational Health and Radiation Control Division of the Texas Department of Health, he is concerned with many different forms of radiation. The Department licenses radioactive devices and materials used in Texas. Among these users are physicians and dentists who utilize x-ray machines, manufacturers who use x-ray devices and other radiation equipment, and research scientists who may use nuclear materials in research projects.

But in his quest for a master's degree, Haygood has been measuring and charting the radiation levels over the past year in five of Texas' six big commercial caves which offer regularly guided tours. "I am preparing a report for each of the cave owners while working on my thesis. The cave owners have been very cooperative, and on occasions when I have needed help, they have assigned me guides and even someone to help carry the instruments," Haygood said.

Haygood stresses that tourists and tour guides and maintenance personnel have little to worry about from

radiation in the caverns he has been researching in or near Boerne, Burnet, Georgetown, San Antonio and San Marcos. Haygood said everyone who enters a cave is exposed to some radiation. "Nearly every geologic formation, such as granite or sandstone, contains traces of radium," he explained. "Radium gives off radon gas, and this gas has byproducts called radon's daughters. Radon-rich air breathed into the lungs will decay into two alpha-emitting daughters which adhere to the lung tissue."

"A radon daughter, once it gets into the body, remains there, delivering its energy inside the tissue somewhere. A person continues to be affected by the daughters for about four hours after leaving

the source of radon," he added. Haygood said radon gas usually diffuses out of the ground into the atmosphere where it doesn't bother anyone. But this gas can get trapped in any hole in the ground, or even in a basement closet that has been closed up. "But, you would have to be exposed to a fairly high level of radon gas for a long period of time before any potential health hazards would develop," Haygood said. He said there are such fairly high levels of radon gas in certain parts of

some caves, but that these aren't widespread. "If you took a few thousand people to the spot where there was a fairly high level of radon gas, and they all worked for forty hours a week for five years, then maybe a couple out of the few thousand would potentially become sick from radiation," he said.

Edward Kennedy, Senator (D-Mass): "Carter's first year in office produced a good performance. I have no hesitation in supporting him."

IRS Will Compute Tax For Taxpayers

The Internal Revenue Service will compute the income tax for single taxpayers having an adjusted gross income of \$20,000 or less and married taxpayers filing jointly with an adjusted gross income of \$40,000 or less when deductions are not itemized. Taxpayers can use either the Form 1040A or Form 1040 to request the tax computation by the IRS.

The taxpayer's income must be solely from wages, salary, tips, dividends, interest, pensions

and annuities for the IRS to compute the tax.

To take advantage of the IRS service, the taxpayer need only complete certain portions of his or her tax return, attach all W-2 forms, sign the return, and mail it by April 15 to the address listed in the tax instruction booklet.

The tax will be determined from the proper tax table and the taxpayer will either receive a refund for any overpayment or be notified of the amount of any

tax due.

Exact details of which portions of the return must be completed in order to have IRS compute the tax appear in the tax package instructions mailed earlier to each taxpayer.

Income Tax Can Be Delayed

An incorrect Social Security number will hinder the processing of a tax return and can delay any refund due, the Internal Revenue Service said.

To help avoid this problem, taxpayers should use the peel-off label included in the tax package received in the mail. This label contains the name, address, and social security number of the taxpayer. If the social security number of other information listed is incorrect, the correct information should be written in right on the label.

If a taxpayer has had a change in name since last year, a local office of the Social Security Administration should be contacted so that the taxpayer's new name will correspond to his or her social security number.

Home building up 29 per cent in 1977.

FFA Plans Big Banquet For April

Monday, February 6, Kirk Lewis was awarded the Funk's 304 award during the regular monthly meeting of the Future Farmers of America. The contest involved planting, watering, and harvesting an acre of Funk's corn. Kirk had the highest yield in the nation. The Muleshoe FFA chapter also received a \$500 check from the Funk's. Jeri Wiedebush was also there to help present the award. Wiedebush and Company is the local dealer for Funk's seed.

Plans were started for the Parent/Member banquet to be held April 1. Glenda Rasco was chosen to lead the decorations committee. It was decided to hold the number of Honorary Chapter Farmer to five this year in view of the many people who had donated time and money to the chapter. Brad Morrison was chosen to contact the FFA Chapter about the meal. They have served better meals than anyone else in the past.

Various activities were discussed for FFA Golden Anniversary week, which will be February 18-25. There will be more on this at a later date. Cokes were served in the Ag shop after the

meeting. The next regular FFA meeting will be March 6. The public is cordially invited to this and all other Future Farmers meetings.

New Course Is Offered To Students

A one-quarter course will be offered the third quarter in Home Management. The course is offered to boys or girls who are juniors or seniors students. A student may earn one quarter credit elective. Areas covered are:

- (1) Personal and Family Living
- (2) Elements of Management
- (3) Management Processes

The course will be offered the second period. Students who are interested should contact the school counselor. The quarter course is strongly recommended by the State Education Agency. The first day the class will meet is Wednesday, March 1, immediately after the break at the end of February.

DECA Trio Competed In Amarillo

Three DE students and sponsors, Jana Jones, Marvin Davenport, Martin Nowlin, and Mr. and Mrs. Mark Gist, attended the 1978 Area VI

UIL Students Practicing For Morton Meet

An invitational practice UIL meet was held in Idalou Saturday, February 4.

Students represented Muleshoe High School in Typewriting and Number Sense. The students reported that they profited from the practice meet and felt like this participation would be beneficial to them in UIL competition, which is scheduled for April 8 in Morton.

Students competing in Typewriting were Tena Landers and Keva Roming. Competing in Number Sense were Mark Northcutt, Jesse Lackey, and Tommy Wheeler. Sponsors for the trip were Mrs. Johanna Wrinkle, Typewriting, and Mr. and Mrs. Landers, Number Sense.

Leadership Conference held in Amarillo, February 3 and 4. Jana Jones competed in three sections of General Merchandising. Those were Display, Merchandising, and Selling. Marving Davenport competed in Food Marketing. He was judged in Communications, Selling, and Merchandising. Martin Nowlin contended in Mathematics, Selling, and Advertising under Apparel and Accessories. Marvin Davenport placed second, which qualifies him to go to state as an alternate. State will be held in San Antonio, March 8-11.

Grain Sorghum Asks For New Farm Solution

Washington - Representatives of the national Grain Sorghum Producers Association told the House Committee on Agriculture today that the new farm legislation is not adequate, especially in the way it is being administered. The organization, which represents the nation's thousands of grain sorghum farmers, stated that Congress must mandate a more workable program if farmers are to survive.

Larry Abeldt, vice-president of GSPA and president of the Kansas Grain Sorghum Producers Association, insisted that Congress enforce a program which will control production, create demand and allow prices to rise.

Abeldt outlined three points which would accomplish the stated goals: (1) raise government support levels—keeping in mind that parity is a reasonable price for farmers to seek and expect; (2) require each producer in the U.S. to restrict his plantings proportionately so plantings proportionately so that the total U.S. production will not exceed the amount that the market will readily consume; and (3) expand foreign sales of U.S. agricultural products through trade negotiations, expanded market development programs, and liberalized credit programs to potential customers.

Abeldt emphasized that only a nationwide cutback in plantings will be effective in reducing stocks and surpluses thereby allowing prices to naturally increase. He countered the argument that if farm prices reach parity levels that "we will price ourselves out of the market" by saying "if we do not receive profitable prices, we farmers will be priced right out of business."

Beware of the man who says, "I will take up only a few minutes of your time."

The Federal deficit isn't even the result of bold, constructive new programs. We do not see imaginative action by the federal government in health care, housing and the upgrading of skilled workers. The continued growth in federal spending to over \$500 billion comes from the same agencies with the same old programs.

No major program of spending has been dropped and few have been slimmed down. The only cut in Washington is the proposed tax cut. The U.S. is still the fastest growing industrial nation in the world. Yet the dollar is at the lowest point in history against other currencies. Our unemployment rate is high but deficit spending does not provide jobs for unskilled workers and workers living in depressed areas.

SHINED AND READY

"And your feet shod with the preparation of the gospel of peace." Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

THE CHURCH IS GOD'S APPOINTED AGENCY IN THIS WORLD FOR SPREADING THE KNOWLEDGE OF HIS LOVE FOR MAN AND HIS DESIRE FOR MAN TO RESPOND TO THAT LOVE BY LOVING HIS NEIGHBOR. WITHOUT THIS FOUNDATION IN THE LOVE OF GOD, NO GOVERNMENT OR SOCIETY OR WAY OF LIFE WILL LONG PERSIST AND THE FREEDOMS WHICH WE HOLD SO DEAR WILL INEVITABLY PERISH. THEREFORE, EVEN FROM A SELFISH POINT OF VIEW, ONE SHOULD SUPPORT THE CHURCH FOR THE SAKE OF THE WELFARE OF HIMSELF AND HIS FAMILY. BEYOND THAT, HOWEVER, EVERY PERSON SHOULD UPHOLD AND PARTICIPATE IN THE CHURCH BECAUSE IT TELLS THE TRUTH ABOUT MAN'S LIFE, DEATH AND DESTINY; THE TRUTH WHICH ALONE WILL SET HIM FREE TO LIVE AS A CHILD OF GOD.

WEATHER MASTER
"THE KING OF THE CROWD"

Plant Weather Master EPX888 the consistent corn for this area. EPX 888 is medium tall, strong straight stalks, erect dark green leaves. With plenty of water and fertilizer this corn has made over 11,000 lbs. dry weight per acre. It's always at the top.

EPX 777 is a sister hybrid to EPX 888. Bred to take high population and peak fertility. Yield is almost as good as 888 and is about one week earlier in maturity. Plant Weather Master and have your corn in the elevator while other varieties are still dying down.

Bula News
 By Mrs. J. Blackman

Rev. Harvey Whittenburg, of Oklahoma Lane preached Sunday morning at the Bula Methodist Church. He was accompanied by Mrs. Whittenburg.

Mrs. John Latham returned home Saturday from spending Wednesday through Saturday, in Fort Worth. She and her mother, Mrs. Lillie Flowers accompanied her daughter and husband, Mr. and Mrs. Warner DeSautell of Slaton to see the Fat Stock Show. Her Grandson Chris Sautell showed Duroc pigs, and won a third and seventh place in the show. Mrs. Latham and her mother also visited with her mother's sister and husband, Mr. and Mrs. Bob Wade, of Fort Worth.

Mrs. Glen Salyer and children, Shelly, Greg and Jarrod of Friona, visited Saturday with her parents, Mr. and Mrs. L.H. Medlin.

Mr. and Mrs. P.R. Pierce drove to Lubbock, Sunday after church services and spent the afternoon with their daughter, Miss Alma Lou Pierce.

Mr. and Mrs. J.R. Teaff recently attended the funeral of

The Speaker Reports

by Bill Clayton

AUSTIN--Two emergencies occurred during the winter of 1976-77 requiring national and state actions. The severe cold front which swept the eastern half of the nation during February of 1977 caused massive shortages of natural gas and inhibited the delivery of fuel oil and coal to some users because of the frozen condition of major transportation arteries.

The lack of winter snows in the mountains of the Northwest to produce runoff water for hydro-powered generation caused emergency conditions in the northwestern part of the United States.

The experience in the Northwest and the subsequent need for planning to avert similar problems in the future is region-specific. This problem needs to be addressed from the national perspective, but is not something with which Texas would be directly concerned.

The natural gas shortages on the other hand affected some areas of Texas as well as the East and Midwest regions of the United States, and could, of course, be experienced in any region of the United States in future years.

Even if we should escape extremely harsh weather this year, there is reason to suspect that there will still be some cold days where we need more natural gas than can be supplied.

Because natural gas cur-

tailments may become a serious problem for Texan during a severe winter, a special committee has been appointed by the Texas Energy Advisory Council to coordinate State energy emergency efforts. The Emergency Energy Preparedness Committee is headed by Railroad Commission Chairman Mack Wallace.

This emergency committee has completed an energy emergency planning guide that has been reviewed by various state agencies. The document will be presented to Governor Briscoe for use should a crisis develop.

During last winter, our state did a good job in meeting emergency energy needs across the nation. However, it is my hope that the Texas Energy Emergency Plan will provide the method of meeting our energy demands in a crisis situation and as quickly as possible.

SPC To Give Aptitude Exam For Vocational Nursing

The South Plains College and counseling staff will administer a vocational nursing aptitude examination Feb. 20.

The exam is one of several requirements of SPC's one-year vocational nursing program, and is administered regularly on the first and third Monday of each month.

Exam time is 1 p.m. in the SPC Administration Building. Test fee is \$1.

Other requirements include a high school diploma or an equivalent, a complete physical examination, personal interview with vocational nursing staff, moral integrity, references and a definite interest in nursing. Applicants must be at least age 18.

Program graduates are eligible to take the state board license test which can qualify them to practice as licensed vocational nurses (LVNs).

Instructors are Helen Brown, R.N. and program coordinator, and Barbara Bennett, R.N.

The progress of a community is in proportion to the unselfishness of its leaders.

"If we make an error on your taxes, we pay the penalty. And the interest."

Henry W. Block
H&R Block doesn't make many mistakes. Our people are trained not to. But if we should make an error that costs you additional tax, you pay only the tax. Block pays any penalty and interest. We stand behind our work. That's Reason No. 14 why H&R Block should do your taxes.

Growers Sold Cotton At \$1 A Bale Higher

High Plains growers sold cotton for around \$1.00 per bale higher than one week ago, according to Paul R. Dickson, in charge of Lubbock's Cotton Classing Office. Mixed lots of mostly grades 31, 41, 32 and 42; staples 30 - 33, mikes 3.5-4.9 brought around 46.70 cents per pound, Dickson said.

High Plains Classing Offices graded 14,000 samples the week ended February 3. The season's total stands at 2,921,000, according to USDA's Agricultural Marketing Service. This compares with only 1,722,000 classed by the same date a year ago. Predominant High Plains grades this week were grade 41 at 20 percent, grade 32 was 21 percent and grade 42 accounted for 32 percent.

Staple lengths were mostly staple 31 at 24 percent, staple 32 was 37 percent and staple 33 accounted for 19 percent. Micronaire continued mostly in the desirable 3.5 - 4.9 range at 78 percent of the total. Eight percent was higher and 14 percent was lower.

Al Ullman, Congressman (D-Ore):

"I am still going to do my best to hold the (tax) reduction to \$15 billion to \$20 billion net, but we are going to have to give and take in all areas."
