## ASC Community Committee Election Ballots To Be Mailed Out Sept. 1

On September 1, ASC community election ballots will be mailed to all known eligible farm voters, according to Robert R. Jarvis, County Executive Director of the Mills County Agricultural Stabilization and Conservation Office.

Farm voters may vote for up to three of the candidates listed, or they may write in their choices on lines provided at the bottom of the ballot. To be counted, all ballots must be properly signed and mailed or returned to the County ASCS Office by September 11. Votes will be tabulated September 15, at 9:00 a. m. in the ASCS office.

In each of the three ASCS communities in the county, three community committeemen and two alternates will be elected. The candidate receiving the largest number of votes becomes the chairman; the second largest vote-getter, vice-chairman; third-high, regular member; fourth and fifth highest become first and second alternates who may serve on the committee if regular members are temporarily absent or if a permanent vacancy occurs.

ASC community committees are elected for one-year terms, beginning October 1, Mr. Jarvis said. "It's very important that farmers elect their most qualified farm-neighbors for community posts. These community committees elect the County ASC Committee and choose its officers. They also assist the County ASC Committee in local administration of Government farm programs and help keep farmers informed on how the programs affect individual farm operations."

Any farm owner, tenant, or sharecropper who is of legal voting age may vote if he has an interest in a farm and is eligible to participate in any ASCS program administered in his community. Others who may vote are: spouses of eligible voters; a minor who supervises and conducts the farming operation of an entire farm; a legal guardian who manages a farm for a child; and a person representing a legal entity such as a partnership or corporation.

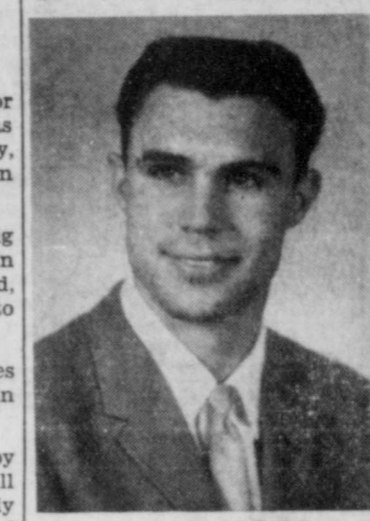

Mr. Jarvis pointed out that producers who have farm interests in more than one community may select the community in which to vote, but may vote in only one community in the county.

Voting by proxy is not allowed. Voters who certify their ballots with an "x" for a signature must do so before a witness and obtain the signature of the witness in order for the ballot to be counted.

A list of known eligible voters is open for inspection at the County ASCS Office. Any person who believes he is an eligible voter but who is not listed should get in touch with the County ASC Office as soon as possible, Mr. Jarvis said.

He also said that any voter who has not received a ballot in the mail within a few days after September 1 should call the County ASCS Office to arrange to receive a duplicate ballot if necessary.

Benny R. Schriver, Game Management Officer for Mills County, reminded hunters this week that shooting from public roads and hunting from motor vehicles on public or private lands is prohibited by law.

He stated, "If I have 60 members in the band, then I would like all parents at the band booster meetings." He urged parents to encourage students. This is essential to have a good program, he stated.

The group voted to purchase new Shaksos (hats) before Interscholastic League Marching Contest in November. It will cost approximately \$900.00 for 60 shaksos. An every member canvass will be made in September in order to raise funds for this amount.

Childress, Milton Schwartz, Arnold Roberts, Toby Bryant, James Leonhard, J. D. Harper, Hoyett Browning, Donald Padgett, R. T. Padgett, Wallace Johnson, James Dean, N. M. Coats, Jimmy Don Elliott, and David Lawrence. At the September meeting the above will receive additional information in regard to this drive.

Regular monthly meetings will be held on the second Monday night of each month at 7:30 p. m. in the band hall. The next regular meeting will be September 14, 1970, at which time the Shako will be selected.

Back when today's adults were growing up, one out of every ten babies died before its first birthday. Now, advances in medical science are saving millions of young lives each year. Yet the cost of the better medical care available today is actually less than the best care you could get when you were a child!

The reason: new treatments and new medicines developed by the medical profession and the pharmaceutical industry.

A dramatic case in point is mastoiditis in children. Surgery was often able to save the child's life, but sometimes left him with a deaf ear. Nowadays, the doctor is often able to cure him with perhaps \$25 worth of potent new medicines, and thus save the expense of an operation and hospital stay.

But most important, these new drugs are saving children's lives—by the millions. Once, the four most deadly child-killers were diphtheria, whooping cough, scarlet fever, and pneumonia. Nowadays, the number of deaths from all of these causes combined is actually less than the number of children killed by accidents.

And medical progress continues. Today, the dollar you spend for prompt and proper medical care buys more than ever before—and today, well represent one of the really extraordinary bargains of your life!

## Community News From Mullin

By MRS. JOHNNIE HOLLAND

The weather has changed a lot since my last letter. We have had a nice rain, and this morning we have a nice cool breeze. I think we will all feel better now that the weather has cooled some.

School got underway once again this morning in Mullin. I heard one girl say just recently that "the sooner it started the sooner she would be out for all time." She must have been a Senior student.

Mr. Dick Kemp has moved from the Hickman Nursing

Home in Goldthwaite to the Golden Age Nursing Home near Brownwood. This home is located out of Brownwood on the Cisco Highway.

I visited yesterday in De Leon with my mother and brother. When I got there no one was home, and this puzzled me because my brother always goes down to the Nursing Home fairly early on Sunday and gets my mother. One of the neighbors came over shortly and told me that some one had just stolen my brother's car. He had

driven over to a cafe on the north side of town for a cup of coffee. While in the cafe some one took his car. He left the keys in it. We are prone to think that this sort of thing always happens to the other fellow, but it can happen to any of us.

Mr. and Mrs. Riley Phillips and family of Dallas visited here last Sunday with his parents, Mr. and Mrs. Elbert Phillips. Mrs. Fred Mosier returned to Fort Worth with them Sunday afternoon where she plans to visit with her sister, Mrs. Lou Smith. She will stay this week in Fort Worth.

Mark Postlewaite left by bus Friday night for his home in New Mexico after spending some time here visiting with his grandparents, Mr. and Mrs. Gil-

bert Chancellor.

Mrs. Phil Johnson and daughter Laurie of Denton and Vickie Musgrove of Irving spent last Wednesday night here with their aunt, Miss Artie Mosier.

Mr. and Mrs. Azelle Mosier have returned to their home in Carlsbad, New Mexico, after spending about two weeks in Mullin visiting with Mrs. Noble Mosier. Also they visited in Goldthwaite with her mother, Mrs. Patterson, and other relatives. They also did a lot of fishing while here.

Mr. and Mrs. Jay Roberts of Brownwood have another little daughter. She has been named Mitzi Lee. The maternal grandmother in Mullin is Mrs. N. L. Mosier and the great-grandfather in Mullin is Willard Mo-

sier. Great-grandparents in Goldthwaite are Mr. and Mrs. Dick Scribner.

Mrs. Glynn Calder and Darlene have gone to join Glynn for the winter months. He is living in Mertzon at the present time. They spent the summer months at their home here in Mullin.

Mr. and Mrs. Alvin Spinks and Richard and Mr. and Mrs. Albert Spinks visited the past weekend in Rosenberg with Mr. and Mrs. Jim Steakley. While there the two Mrs. Spinks and Mrs. Steakley visited at Lamarque with a niece, Mrs. Glynn King.

Uncle Frank Shelton is in the hospital at Goldthwaite after receiving a severe fall at the Heritage Nursing Home; how-

ever he was not seriously injured.

Mr. and Mrs. Billy Hobbs and family of Brownwood spent the past weekend at Galveston — just a family outing.

Monroe Spinks of May visited last Monday morning in Mullin

with his brother Garland.

## Can religion solve all the problems of the world?

## Can religion solve any of them?

There are people who say "religion" is as out of touch with the times as the dinosaur. And about as useful. After all, how has "religion" solved the problems of our cities, the agony of war, our racial strife, the seeming chasm between the young and the old? Indeed, what *should* we expect "religion" to be able to do in solving the very real problems of our time? To take just the example of our troubled cities—churches and synagogues have not a fraction of the material resources needed to heal the wounds.

It's as simple as that. But have they failed, if they point the moral way, provide the moral resolve, and, of course, assist materially to the limit of their resources? "Religion," indeed, cannot fail—nor, for that matter, succeed—because "religion" is merely a word. What gives "religion" meaning and force is you. And everyone who cares enough for God to show God's love in the world. Every day. Everywhere. For the problems that beset our world are not proof that God has failed Man. But just the opposite.

**San Saba Peak**

By MRS. DUTCH SMITH  
(Detayed)  
Well, it's still hot and dry  
down San Saba Peak way.  
But no one sick as I know of  
in our community.  
We have some new neighbors,  
Mr. and Mrs. Bill Lewis and  
children. We welcome them and  
hope they like us.

Wednesday after prayer meet-  
ing we received our church pic-  
torials and I for one really en-  
joyed them. I just wouldn't take  
for mine. I am real sorry our  
whole church family didn't have  
their pictures made for I really  
treasure mine.

Oh, yes, after the books were  
handed out we had an old time  
ice cream supper. Some of the  
best cream you ever ate. Also  
cakes and cookies.

Wednesday Mrs. Forrest Jer-  
nigan and son Jesse visited her  
brother and family, Mr. and  
Mrs. Johnnie C. Smith and Cliff  
at Burnet.

Friday evening Mr. and Mrs.  
Fred Laughlin, Mrs. Cleda Ar-  
rowood and Mrs. Dutch Smith  
went to San Saba and from  
there on to Lampasas. We en-  
joyed the trip.

Mrs. Bill Lewis and children  
visited her mother who is in the  
hospital in San Saba. We hope  
she will soon be able to go home.

I attended a wedding of one  
of our little girls, Helen Head,  
at the First Baptist Church  
Saturday night. Then went on  
to Mrs. Ora Black's home to  
a birthday supper honoring  
C. H. Black. I don't know what  
we will do when C. H. gets over  
39. This has been an annual  
affair for several years. You just  
never did see so much food.

Mr. and Mrs. Jimmy Ball of  
Eldorado came Saturday and  
took Melody's brother Richard,  
and Jimmy's brother, Jesse, to  
Six Flags. They really had a  
good time. They got in at two  
o'clock Sunday morning.

Mrs. Billie Helen Jernigan  
and Mrs. Dutch Smith attended  
graduation and commencement  
exercises at Howard Payne Col-  
lege. Mrs. Virginia (Smith) Ges-  
lin graduated. Also the Scooter  
McCurdy and several we knew.

We noticed most all the dirt tanks were dry or very low. The creeks and Lake Merritt have plenty of water. It is dry and hot weather.

Mr. and Mrs. William G. Crawford and Letricia, and A. L. Crawford visited Mr. and Mrs. Luther Crawford and Mr. and Mrs. Johnnie Crawford at Athens last Monday. It always is nice to go down in sand and pine hills at our Grandpa and Grandma Crawford and Smith's old home.

Mr. and Mrs. Earl Cox, Jimmy Don, Deanna and Donna, enjoyed a week's vacation which took them to Denver, Colorado.

W. P. Oxford, Mr. and Mrs. Bobby Oxford, Wesley and May Ann of Austin spent a week's vacation at Buchanan Dam fishing and visiting Mr. and Mrs. W. P. Oxford Sr., and son at Burnet.

Mr. and Mrs. R. M. Morrow and Susie spent a few days in Fort Worth visiting relatives and friends. They also were

## If you've been saving to buy gas heating, here's help:

If you're like most homeowners in this area, sooner or later you'll probably buy gas central heating.

After all, it costs less to operate. It circulates fresh, warm air in every corner of your home. And a simple construction gives it a long trouble-free life.

So, why not buy gas heating now? And get a 15% discount. (We'll give you a 25% discount if you buy yours with a chiller coil that makes gas air conditioning easier to install.) In short, save a lot of money now at Lone Star Gas or any participating gas heating dealer.
