### Board Approves New Textbooks

AUSTIN, Tex., Nov. 15 (UP)—Approximately \$3,500,000 worth of new textbooks were approved yesterday at the final meeting of the outgoing State Board of Education.

A majority of the members will be replaced Nov. 23 by a new 21 member board provided by Gilmer-Aikin legislation, favored the final contract letting which opponents said should be bypassed until the new board takes office.

One of the books approved was "American Government, 1949," a civics textbook which has been revised since its recent boycotting by the Houston school board because of a reference author Frank A. Magruder made to Communism. The new edition eliminated the questioned passage.

The text bore the 8-1 approval of the State Textbook Advisory Committee. Mrs. Virginia Whiddon, Houston member, dissented.

However, the board endorsed a motion that Magruder's volume and another civics text be sent to a sub-committee for further revision.

John Ben Sheppard, newest appointee of the outgoing board, voted "no" on four recommended civics books. He said they were "not practical enough for the job."

Three members, H. B. Cousins, Jr., of Austin, Wallace Hughston of McKinney and Sheppard, joined in opposing the award of contracts.

### Druggist Makes Talk At Rotary Club Meeting

Rules and regulations governing the operation of retail pharmacies and drug store was discussed by Rotarian I. C. Inzer, co-owner of the Eastland Drug Store, in an address to the Eastland Rotary Club Monday noon.

The speaker told in detail the laws regulating sale of narcotics. He said the law was one of the best Federal regulations and a "blessing to humanity." Restrictions on sale of other harmful drugs were also outlined.

Dr. James Whitington and Dr. Kenneth Cowan spoke briefly, emphasizing Inzer's remarks.

James Horton gave an interesting and humorous account of his recent deer hunt in which he bagged an eight point black-tail buck.

W. C. Robinson, principal of Eastland Junior High School, was presented as a new member. A number of Ranger Rotarians were guests.

### Collins Attends March of Dimes Strategy Session

J. Collins, Eastland County March of Dimes chairman, attended a strategy meeting held in Abilene.

State Chairman Ed Stewart told drive leaders represented at the meeting that \$2,000,000 must be raised in the Texas 1950 March of Dimes campaign, Jan. 16-31.

During the coming drive money must be raised by the National Foundation for Infantile Paralysis to care for "carry-over" polio cases from 1949, to care for new polio cases and to provide funds for research.

Collins, Eastland County treasurer, headed a successful campaign here last year.

### Last Rites Today For Mrs. MacMoy

Funeral services for Mrs. Mabel MacMoy, mother of H. B. MacMoy, owner of the Eastland Clover Farm Store, will be held in Ft. Worth this afternoon.

Mrs. MacMoy died at 8:30 o'clock Monday morning in Cooper Memorial Hospital at Fort Worth. She had been hospitalized for the past three weeks.

The Clover Farm Store will be closed this afternoon and will reopen Wednesday morning.

### FOREIGNERS ORDERED TO LEAVE CZECHOSLOVAKIA

By R. R. BUCKINGHAM  
United Press Staff Correspondent  
PRAGUE, Czechoslovakia, Nov. 14 (UP)—Czechoslovakia has ordered dozens of Americans, Britons and other foreigners to leave the country, diplomatic sources said today.

Those ordered expelled include many sympathetic to communism. Informants said the communist government appears to be kicking out of the country most nationals of western countries not attached to diplomatic missions or representing recognized foreign firms.

The Czech ministry of interior gives those affected three days to two weeks in which to pack and leave.

The action was believed a direct outgrowth of the recent trial in Budapest, Hungary, of former Hungarian Foreign Minister Laszlo Rajk. Czech security police were reported alarmed at the feature role foreigners played in the "plot" against Hungary exposed in the trial.

Many foreigners formerly sympathetic to communism and now under expulsion orders expressed bitterness at the Czech action.

"It looks as though they would rather have dihard reactionaires here than us," one pro-communist foreigner commented.

Most foreigners affected left quietly without reporting to their consulates. Many apparently believed the consulates would not help them anyway. Moreover, they did not like the idea of asking outside help in a country whose government they once espoused so enthusiastically.

Czechoslovakia became a haven for foreigners sympathetic to communism after the communists seized power. Until about a year

### Band Boosters Club To Elect Officers Tonight

New officers will be elected at a meeting of the Eastland Band Boosters Club tonight at 7 o'clock at the high school auditorium, Augrey Van Hoy, president, announced.

All members are urged to be present for the important meeting.

### Basketball Games Tonight

A doubleheader basketball tilt will be played tonight between Eastland and Cisco girls in the Eastland High School gymnasium, Coach Charles Harris announced.

The B team girls will play at 7:30 o'clock, followed by the A team match.

### 15 Trapped In Mine Rescued

MAHANAOY CITY, Pa., Nov. 15 (UP)—Rescuers brought out 15 weary coal miners early today who had spent eight hours trapped behind a rock wall 900 feet underground.

The trapped men dug continuously during their captivity to help rescue crews working from the other side clear away the tons of rock, coal and dirt which blocked their path to freedom.

"I wasn't afraid they wouldn't reach us," one of the miners said as he came to the surface. "But, I'm glad I'm out. We sure did a lot of digging for this night's work."

Physicians who examined each of the men as they came to the surface said that they suffered no ill effects. They were sent home to rest.

The men were trapped in the No. 6 slope of the Philadelphia and Reading Coal and Iron Co.'s Maple Hill Colliery when a runaway mine car jumped the track and knocked out timbers supporting the sides and roof of the tunnel.

The crashing timbers and a warning rumble alerted the men, but the sides and roof of the tunnel collapsed with a roar before they could flee.

Fortunately, however, the debris was not packed tightly enough to black off ventilation and the trapped men had sufficient air. They hopped mine car rails to call attention to their plight and then cut in on a permanent telephone line to communicate with rescue crews.

### Plans Underway For Christmas Gift Shop Party

Mrs. E. E. Freyschlag, president of the American Legion Auxiliary and her Rehabilitation committee are making plans for a "Christmas Gift Shop" party. The gifts are to go to disabled veterans in hospitals in order that he may choose gifts to send his loved ones for Christmas.

For the benefit of those veterans who are unable to go to the gift shop, a cart loaded with gifts will be taken to his bedside in order that he may pick the gifts he would like for his family. These gifts are then wrapped and mailed for them.

Boxes are being placed in various locations in town marked "Gifts for the Yanks". If you would like to have a part in this, you may place your gift in one of these boxes.

### Father Of Local Woman Succumbs

Funeral services were held Saturday for C. H. Bagwell, 73, father of Mrs. Fred Redus of Eastland, in the First Baptist Church at Loraine. Interment was in the Loraine Cemetery.

Bagwell died at the residence Friday, following a lengthy illness.

### \$120 FOR 3 TOMS PROVED INVESTMENT FOR MRS.

"I thought \$120 for three turkey toms was an awful lot of money for those birds," is the way John W. Thurman expressed his opinion about Mrs. Thurman's debut into the turkey raising field a few years ago.

But Thurman admits that Mrs. Thurman has proved her point and that the toms have paid for themselves many times. And because of her venture into the turkey field, birds from the Truman flock will grace many a Thanksgiving and Christmas dinner table this year.

Mrs. Thurman started her turkey raising program in 1942 and prior to that time had never raised a chicken nor a turkey. Today her flock numbers 800 certified turkeys with 200 Record of Performance poult and ROP toms.

She has operated her turkey raising under the National Turkey Improvement Plan. The birds are pulchrum tested and have a very low mortality rate. The average mortality is less than four and one half per cent. This, it was explained, is a very small loss in turkey production.

Mrs. Thurman is a licensed flock and blood testing agent.

### Mrs. Winchell Dies In Fall

NEW YORK, Nov. 15 (UP)—The 77-year-old mother of Communist Walter Winchell jumped from a second floor hospital room last night.

Mrs. Jennie Bakst Winchell plunged out the window. Her nurse was out to dinner. Police said. She had been at Doctor's Hospital since October when she was stricken with coronary thrombosis.

Winchell, who was at Beach, Fla., was shaken by news of his mother's death. He said he planned to return to New York today by train.

His mother sounded when he spoke to her by Sunday night from Manhattan.

"She was just old," he said.

Kathleen Carton, a nurse, said she returned from a shift found the window in Winchell's room open and empty. Looking out she saw Mrs. Winchell on the ground below.

Charges Filed On Hitchhiker

BROWNWOOD, Tex., Nov. 15 (UP)—Assault with intent to rob charges were on file here today against an 18-year-old hitchhiker, after the boy was overpowered by the motorist he intended to rob.

Dewey Wilson, Brownwood cleaning plant operator, said he picked up the youth between Goldthwaite and Gatesville yesterday. Near Zephyr, Wilson said he became suspicious of the youth, and told him to get out.

According to Wilson, the youth then poked a .22 caliber pistol in his ribs. While his car rolled into a ditch Wilson overpowered the boy and took the gun.

Officers identified the boy as Jack Donath of Conroe. He told

them he had been attending Baylor University at Waco and was en route to Abilene.

## Second Grader's Program Scheduled Wednesday At South Ward School

The second graders will present the fourth program of the South Ward School's Book Fair Wednesday at 2 P. M. in the auditorium at the school.

The program is recognition of Education Week and Children's Literature Week, and the students and teachers extend a cordial invitation to parents and friends to visit the school and see the books and poster display in the hall. Pictures illustrating some of the books, skits and stories make up the program, which will include all of the children of the two second grades.

There is still time to place orders for any of the books on display if they are designed for holiday gifts, Mrs. Durham said.

Children on the program are Ida Lea Alford, Cathy Cornelius, Joyce Graham, Carol Ann Henry, Ann Hoag, Linda Huckabay, Patty McClain, Corina Rangel, Sally Reeve, Jean Smith, Elizabeth Whitehead, Charlotte Vaught, Jimmy Barthelmy, Ronnie Glenn Blumkin, Martin Day, David Elder, Gay Hickman, Sam Houston, Nathan Kidd, Teddy Lamb, Billy Mack McCleskey, Denny Jack

## Presbyterian Women Meet At Church

The Women's Auxiliary of the First Presbyterian Church met Monday morning at the church.

Mrs. Carl Johnston, president, presided over the business meeting and devotional.

The group spent an hour rolling bandages for the Presbyterian Foreign Missions.

The members will meet again Nov. 28th at the Church.

## South Ward P-TA To Sponsor Pie Supper, Thursday

The South Ward P-TA will sponsor a pie supper Thursday evening in the cafeteria at the school. This will be a climax to the school's two weeks of programs in recognition of Education Week and Children's Literature Week.

Sandwiches, coffee and cold drinks will be sold, no program has been arranged and patrons may come and go as they wish.

### FACES TRIAL SOON

The trial of Rep. J. Parnell Thomas (R., N. J.) on charges of "padding" his office payroll is expected to get under way some time this month. The trial has been put off repeatedly since last January because of the legislator's claims of ill health. Trial date is now set for Nov. 14, but Thomas' attorney said he would ask for another delay of at least a week.

## Co-Ed Club Plan Holiday Dance

Miss Eileen Vaughan was hostess to members of the Co-Ed Club Nov. 9th, where plans were made for the Thanksgiving dance Nov. 26th, at the Connellee Roof Garden.

To give the more than 900 members of the association a glimpse of the award the Metal Trades group had a 6-foot-blowup made which is in the background.

## Farm Program Committeemen To Be Elected

Saturday is voting day for farmers according to an announcement made today.

An election will be held to name farmer-committeemen who will be administrators of such national farm programs as agricultural conservation, price supports, acreage allotments, marketing quotas and other programs in 1950.

It is the committeemen who see that the various programs are properly adapted to Eastland County and its farms. They will also have a voice in any new programs that developments in the coming years may require.

Persons with an interest in farms as an owner, an operator, tenant or shareholder on a farm that is participating in the program is eligible to vote Saturday.

day Voting boxes will be in the Cisco Chamber of Commerce, the Eastland PMA Office, the Ranger City Hall, Gorman Higginbotham Brothers, The Carbon Trading Company, and the Rising Star City Hall.

Polls will be open from 8:00 until 5:30. Be sure to vote and elect the 1950 committeemen of your choice.

## A Man and His First Cadillac!

Seldom will you find a man in a happier state of mind than when he slides behind the wheel of his first Cadillac—and makes for the open highway.

There's the feeling of pride that is inescapable when a man comes into possession of something which is so universally admired...

... the feeling of confidence that comes from Cadillac's great reputation for quality, soundness and long life...

... the feeling of elation that comes from the car's amazing responsiveness to throttle and brakes...

... the feeling of gratitude that comes from being able to surround himself, and all who ride with him, with every safeguard an automobile can provide.

And, there is the soft, satisfying rush of the miles—the easy, restful ride—the positive, effortless handling—the sumptuous and comfortable surroundings.

Yes, it's a great thrill for a man when he goes for his first ride at the wheel of his first Cadillac.

*But it's only the beginning!*

Day after day, year after year, he will have that same wonderful feeling as he rolls his Cadillac out into the street or highway. For the joy of Cadillac ownership is deep and abiding.

Wouldn't you like to learn what it's like to sit at the wheel of a car that can mean so much to you? If so, come in today—for a ride that's a revelation.

**Texas Allowable May Be Cut Back**

AUSTIN, Tex., Nov. 15 (UP)—Oilmen faced the prospect today of a cutback in Texas crude oil allowable for December as they gathered here in a state-wide oil proration hearing before the railroad commission.

Purchasers' nominations for December oil were down. The December figure was pegged at 2,433,958 barrels daily, compared with a November nomination of 2,494,562, representing a decrease of 60,604 barrels.

The November allowable set by the commission totaled 2,188,867 barrels a day.

The allowable production for November represented the third straight month in which an increase in allowable production had been granted by the commission, following an eight-month stretch in which production was steadily trimmed.
