The fire razed remains of the Desdemona Magnolia Oil Refinery are pictured shortly after a series of explosions and fires, set off when a butane truck caught fire, had rocked the plant yesterday. Jimmy McDonald, the driver of the truck, and about 20 employees of the plant escaped without serious injury. (Photo by Lyons).

Fire, Blasts Wreck Plant In Desdemona

20 Plant Employees Escape Injury As Magnolia Refinery Rocked By Butane Explorions

Fire and blasts, started when a loading hose on a butane truck came loose, rocked the Magnolia Refinery at Desdemona, Thursday at about 12:50.

About 20 employees who were working at the plant at the time of the accident, along with Jimmy McDonald, Waco, driver of the truck, escaped serious injury.

McDonald received minor burns on the arms when the flare-up came, but was not injured seriously. He immediately scurried for cover when the flame started, losing a hat and shoe in the process.

Upon seeing the fire, other employees of the plant ran to clear themselves of the plant, and although only a short distance away when the blasts came, were not injured.

No official estimate of the damage to the plant has been made. The butane-gasoline plant was heavily damaged, but it was not believed the distribution units were harmed.

SEVERAL THOUSAND GALLONS of gasoline in storage tanks behind the plant were not ignited. Firemen from Gorman, Ranger, DeLeon and Dublin were called to aid in fighting the fire.

Workers said that apparently heavy damage was done to the compressor room, paint house, tool house and engine room. A more detailed inspection of the remains of the plant will be necessary before an estimate of the damage can be made.

McDonald said he was loading butane into his truck when the loading hose came loose and pressure from the gas caused it to bang against the cab of the truck. The resulting blows created a spark which ignited the gas.

THE GAS IGNITED IN A "BIG ball of fire" between the cab of the truck and the tanks, McDonald added. He immediately ran for safety, and escaped with only minor burns on each of his arms.

Some of the workers saw the fire and yelled the alarm. All workers of the plant dashed away from the danger area. A short time thereafter, the truck tank exploded, sending parts of the truck and tank in all directions and shooting flames several feet into the air according to several witnesses.

An undetermined number of explosions occurred as the flames spread to other portions of the plant.

Paul Creech, county supervisor of the Eastland county vocational school for agriculture, has resigned his position to accept a job with A&M College at College Station.

Creech will be District Supervisor for vocational education at Texas A&M College at College Station beginning October 1.

Three political broadcasts have been scheduled for him between the recess of Congress and Nov. 7. No. 1 will be on Sept. 27 as part of a National Democratic Women's day program. Dates for the other two have not been announced although the arrangements have been made.

The President also may make some one-shot personal appearances in such likely places at Ohio and New York.

Ewing Promises Administration To Carry Fight

Security Boss Blasts AMA's Opposition

HOUSTON, Sept. 22 (UP)—Federal Security Administrator, Oscar W. Ewing told the American Federation of Labor today that the Administration will carry on its fight for social progress despite the defense effort.

In a speech to the AFL's 69th convention, Ewing promised that the "tensions of the international crisis and the confusions of reactionary obstructionism" would not interfere with the battle.

"DOMESTIC AFFAIRS," HE said, "are the bulwark of our foreign policy." He said America can lead the world internationally "only if its own house is in order."

"We cannot afford to surrender now to apostles of reaction who have formed an unholy alliance to destroy the very principles of American humanity and national security," he said.

With bitter criticism for "stupid, dangerous people" who he said fail to understand the importance of social progress to the war effort, Ewing lashed out at the American Medical Association's campaign against federal health insurance.

HE SAID THE AMA HAS ALLOCATED \$1,100,000—raised by a "compulsory levy" on the nation's doctors—for a concentrated advertising drive the week of Oct. 8.

Tie-in advertising, he predicted will raise the campaign total to \$19,000,000. The sum will be raised by business firms, and power companies "chipping in," he said.

SAIGON, Indo-China, Sept. (UP)—Skirmishes broke out today between French troops and Vietminh Communist troops along Colonial route No. 4—the invasion route to Indo-China from the Chinese Communist border.

FRENCH OFFICIALS SAID their troops ran into rebel patrols while enroute from Thakto Dongkhe, which the rebels captured and later evacuated.

No major battle has developed yet, the officials said.

THE OFFICIALS SAID that French troops have been in a position to recapture Dongkhe for some time but that they were proceeding toward it cautiously because of the operations of snipers.

AT LACKAY AND PAKHA two other key points in northern Tonkin province, Communist activities were confined to sniping.

Meantime, there was no new information on French operations in southern Tonkin province, where fresh Communist outbreaks were reported to have occurred on the heels of the Communist attacks in the north.

REDS RESISTANCE STALLS MARINES

FIGHTING ON SOUTH FRONT OF BEACHHEAD GOING GOOD; ROK FORCES MOVING FAST

By Earnest Hoberecht
United Press Staff Correspondent

TOKYO, Sept. 22 (UP)—Fierce Communist resistance stalled U. S. Marines in the western outskirts of Seoul today, but an American flanking column dashed more than 20 miles south of the city and captured Suwon and its key airstrip.

United Press War Correspondent Jack James reported from the Seoul front at 7 p.m. (6 A.M. EDT) that the 5th Marine regiment fought all morning in rice paddies and open fields in the extreme western outskirts of the city.

He said heavy enemy tank and mortar fire pinned down the Leathernecks and dashed their hopes of taking the former South Korean capital by tonight. Red shells plastered the American and South Korean positions as far back as regimental headquarters and supply dumps, he said.

On the southern flank of the week-old Inchon beachhead, the Army's 7th Division caught the Communists flatfooted with its capture of Suwon and its airport. The liberation of Suwon cut the enemy's main retreat route from his crumbling southern defenses.

THE COMMUNISTS WERE IN full retreat all around the southern front—the Allies' Pusan beachhead. The Reds were falling back rapidly behind rear guards to escape being trapped by a junction of the United Nations forces at Suwon and those thrusting out of the southern beachhead.

United Nations forces advanced up to 20 miles in pursuit of the fleeing southern Communists and narrowed the gap between the Pusan beachhead and Suwon to 100 miles.

Moser Motors, 516 West Main, is now Eastland's authorized dealer for Kaiser-Frazer, advertised as the newest cars in America.

V. T. Moser is the manager of the company, and the new Kaiser is now on display at the Moser company.

Moser is welcoming anyone interested to his plant, to inspect the plant and to see the new Kaiser-Frazer cars.

The 1951 Kaiser is completely changed from last year's models. It is called, "the triumph of Atomic Design."

Everyone is invited by the plant to see the new styles.

NEW YORK, Sept. 22 (UP)—Soviet Foreign Minister Andrei A. Vishinsky and his deputy, Jacob A. Malik, stalked out of a United Nations banquet at the Waldorf-Astoria Hotel in tight-lipped anger last night when Gov. Thomas E. Dewey accused Russia of keeping 10,000,000 to 15,000,000 slaves.

The Soviet UN delegates rose from their seats on the speaker's Dias as 1,500 UN delegates and workers applauded Dewey's charge. They left the ballroom with other members of their delegation. Dewey watched them leave unsmilingly and remarked:

"I must say I am complimented by the withdrawal of those who plot the destruction of the world."

NEW YORK, Sept. 22 (UP)—Two American jet fighters streaked across the Atlantic at 500 miles an hour today in an attempted non-stop London, New York flight with three refuelings in the air.

The first refueling was accomplished over Prestwick, Scotland, at 10:22 a. m., EDT, the Air Force announced here.

The F-84E fighters took off from Manston air base near London at 9:01 a. m. (EDT) and were scheduled to arrive at Mitchell Field, N. Y., after 5 p. m.

1. Just as we went over to the offensive in Korea, the Communists struck at another Far Eastern crisis point. They attacked border forts in Indo-China where the French have an army of 150,000 men that has been trying to put down the Reds. There is

2. The Communists took a licking in the United Nations when they attempted to evict the Chinese Nationalists and take over their seat. The vote was more than two to one in favor of America's position that the Nationalists should remain in the U. N. It showed that a solid body of world opinion is backing us against Communist aggression.

3. Our casualties have been surprisingly light this week in Korea, considering that our troops are on the offensive. Normally troops that are attacking can expect to lose three times as many men as the defenders especially if the enemy is dug into well fortified positions. Our tanks, reversing an earlier trend in the war, now seem to be rulers of the ground attack.

4. The Inchon landing caught world Communist leaders off guard. They were so confused by it that for two days they attempted to keep the news away from their people. The Kremlin is on the spot. Stalin is going to have to move fast to save the Korean war or abandon it as a bad deal.

AMERICAN PRISONERS PLAY CARDS IN PRISON—In prison barracks in North Korea, Americans while away their time at cards. China Photo Service identified these prisoners as left to right: Lt. Roth; Lt. Pepper; Lt. Sirman, standing; Capt. Nugent, and Lt. Brooks. The five were among those Americans who allegedly signed statements to UN that U. S. should pull out of Korea. (Eastfoto from NEA Telephoto).

Lions Invade For Crid Tilt

Eastland's Mavericks face their last non-district foe tonight before opening their play for keeps season against Comanche in Comanche two weeks away.

The Lions run from the wing formation and it will be the first time for the Mavericks against such a formation.

The wingback attack will probably prove very troublesome for the Mavericks, since it is especially potent on end runs and the Mavericks may be without their regular starting end Eddie Haines.

The Lions, almost big enough to be called elephants, will field a team which outweighs Eastland about 15 pounds per man, and even greater in the backfield where two 170 pound bruisers will operate.

Most of the Maverick backfield men are under 150, and the quarterback, Rodney Stephen, stack up to 117 pounds as does fullback Morris Lee Riggan who saw considerable action against Balling last week.

Other district 8-A games this week will be Bowie at Ranger, one of the top class A games, the state, Graham at Custer, Comanche at Coleman, Hamilton at San Saba, Goldthwaite at Dublin and DeLeon at Cross Plains.

All games will be watched closely by Maverick fans, especially the Coleman - Comanche tilt, which should give some idea of the relative strength of the Comanche and Eastland teams.

The Eastland eleven was beaten by Coleman, 32-12 in the season opener.

Methodist Revival Continues Tonight

"And the Price He Paid," will be the subject for the message of Rev. Quay Farmer at revival services at the First Methodist Church at 7:30 p. m. today.

Earl Ward will lead the singing and special music.

The Booster choir with 63 members present, gave a special program at the services Thursday night. The boosters will have a party at 4 p. m. today.

Rev. J. Morris Bailey, pastor, said that four were baptised at the service Thursday, and a total of 10 additions have been made to the church during the revival.

A unique service is planned for Saturday morning with a starting time of 7 a. m. The Saturday morning service will close at 7:40 a. m. Theme for the service is "Fellowship of the Assured." The meeting will close tonight.

"ROCKET AH With Oldies" Osborne Motor Company

Bowling Loop For Eastland Is Planned

M. W. Standish discussed the organization of an Eastland Bowling league with a group of local citizens at a meeting in the Chamber of Commerce building last night.

Standish explained that a local bowling league will be a great thing for the community, because the citizens get to know one another better and bowling will be something new for them.

"The game as we now have it has been perfected during the last few years for ladies and gentlemen," Standish added. "There is no gambling and underhand practices connected with the game."

Standish is the manager of the Ranger Bowl. He said that the Eastland League could be held on Tuesday night, with the possibility of a ladies' league on Friday nights.

Six teams from Eastland are being sought for the league. Five players will be used in each team on the night the team bowls. More players may be on the team roster, with the extras filling in for those absent on game nights.

"The person who gets in this year will get a franchise in the league, and as long as they hold the franchise, no others can get in the league," Standish continued. "When a team gives up its franchise, the franchise goes back to the league and the league decides who it may go to."

Standish stated that anyone who desired free instruction and free bowling during the instruction period could obtain those from him at the bowling alley. He said that three free bowling and instruction lessons will be given to any man, woman or child beginner.

Standish said that three leagues are planned for the Ranger Bowl. Winners will receive trophies at the end of the league season, about 30 weeks.

Music Night Set At Nazarene

Tonight has been designated as music night at the revival now in progress at the Church of the Nazarene, located at the corner of W. Main at Connelley St.

Rev. and Mrs. L. V. Reazin will sing several special numbers with an interesting feature being a duet by Rev. Reazin and his little six-year-old son, Virgil.

The preaching is being done by William C. Emberton local pastor. Services are scheduled each evening at 7:30, through October 1.

Valley Takes New Steps To Lick Drought

WESLACO, Sept. 22 (UP)—A new step toward relieving a shortage of irrigation water in the lower Rio Grande valley will go into effect Saturday.

The Valley Water Conservation association, ordered a 48-hour shutdown of all Rio Grande pumps west of Mercedes beginning at 6 a. m. Saturday. Only pumps below Mercedes will be allowed to take water from the drought stricken river.

The river has not flowed at Brownsville for 10 days. Both Brownsville and San Benito have ordered a halt to watering of lawns.

A 12-hour shutdown of pumping Tuesday failed to give marked saving a rationing schedule today of 3.25 cubic feet per second per 1,000 acres.

McCall Claims Injury

GLENDALE, Calif., Sept. 22 (UP)—Charles C. McCall, former Glendale city manager, has filed a claim for compensation with the State Industrial Accident commission. He said he suffered back injuries while swinging in his swivel chair.

Truman To Hit Radio Stump

By Lyle C. Wilson
United Press Staff Correspondent
WASHINGTON, Sept. 2 (UP)—President Truman has abandoned his cross-country campaign tour but he will be in there swinging before election day in November.

Paul Creech Takes Position With A&M

Paul Creech, county supervisor of the Eastland county vocational school for agriculture, has resigned his position to accept a job with A&M College at College Station.

The Daily Cost of Fire— 30 Lives and \$2,000,000

Smoking and matches, 91,000 fires— Never throw away lighted matches or cigarettes. Have ash trays handy. Never smoke in bed or near combustibles. Another 20,800 fires are caused by children playing with matches. Keep matches in metal containers, out of the reach of small children.

Flammable liquids, 41,800 fires— Never use gasoline or any other explosive cleaning fluid to clean clothes. Non-flammable cleaners are available. A spark from a cat's back is enough to ignite vapors.

Daily, fire is killing 30 Americans and is burning and disfiguring 60 more. Daily, fire is attacking 740 homes, 204 stores, 91 factories, 13 theaters, 8 churches, 7 schools, and 3 hospitals—at a daily cost of about \$2,000,000.

source of these statistics, calls such a loss "tragic in peace time and intolerable in the nation re-arms for defense."

Ninety percent of these fires can be eliminated by application of common sense, the NFPA asserts. To prove its point, it lists the principal causes of residential fires and explains how to rout these hazards from homes.

Mr. and Mrs. Bob Sellers and Mrs. Ruth Chancellor were in Abilene Monday. Miss Jamie Ruth Chancellor returned home after completing her beauty course there.

Wesley Scallions, energetic young gas station attendant in Peoria, Illinois, tells how HADACOL keeps him on the job feeling fine. Wesley Scallions has this to report:

"I took HADACOL upon the advice of my father who has taken it regularly for some time. He could not eat, was unable to get around, lost sleep and was generally run-down. My brother who is a doctor recommended HADACOL to Dad. Since taking HADACOL Dad has been feeling like a different man; he now has a hearty appetite, sleeps well and gets around once again on his own."

relief but helps keep such painful distress from returning. That's the kind of product you've been waiting for—the kind you should buy and start taking at once. Many doctors recommend HADACOL. It is also wonderful for stomach disturbances (gas pains, indigestion, bloating, heartburn) constipation, insomnia and a general nervous run-down condition due to such deficiencies. Be fair to yourself! Why go around feeling half-alive—a burden to others when you can get this great HADACOL at any drugstore. Remember—HADACOL must help you or your money back. Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Any drugstore. © 1950, The Lellian Corporation

BOYCE HOUSE SAYS

During a little dust storm over at Mineral Wells during the war, a recruit sought shelter in the cook's tent out at Camp Wolters. After a moment, he remarked to the cook, "If you'd put the lid on that camp kettle, you wouldn't get so much dust in the soup."

The cook replied, "See here, my man, your business is to serve your country."

The soldier said, "Yes, but not eat it."

Here's one from Camp Barkley at Abilene. A lieutenant said, "Sergeant, I understand there's a crap game going on in Barracks Number Two. Go break it up."

The sergeant didn't return for two hours and the lieutenant said, "Why did you take so long?" The sergeant said, "Well, lieutenant, I only had two-bits to get in the game with."

Southern Methodists Slated One Of Top Teams In Southwest Meet

DALLAS, Sept. 19 (UP)—Southern Methodist University's 1950 Mustangs admittedly will be one of the most potent offensive units in the Southwest Conference race but their defense may spoil even optimistic hopes for a second place club.

Headed by Killer Kyle Rote, the San Antonio workhorse who ran Notre Dame ragged last year, backfield material has both quantity and quality in the Mustang camp, and even reticent Rusty Russell will admit it.

But, when one starts talking about lines and defense, Russell sounds like the image of the man he succeeded as head coach on the hilltop—moaning' Matty Bell. And, truthfully, that about explains SMU's predicament as the Methodists prepare to open a rugged schedule against Georgia Tech Saturday night.

Gone are 21 lettermen from a club that finished fifth last season, including three-times All-American Doak Walker and all the experienced ends and guards.

SMU's greatest weakness last year was in the line and secondary defenses. Only time will tell if a big bunch of promising sophomores and juniors can improve on that deficiency in 1950.

Russell could field three backfields most any other coach would be tickled to have around, but the first quartet will probably be Rusty Russell, Jr., at quarter; Johnny Champion, the pint size bundle of dynamite, and Rote at the halves, and Pat Knight at fullback.

Or, he could switch to Benton Musselwhite at quarter, Val Joe Walker and chicken Roberts at the halves, and Henry Stollenwerk at full.

Russell, Rote and even Champion can pass and all probably well from time to time.

every indication that the Indo-Chinese Communists have been trained and armed by the Chinese Reds. The United States is committed to sending equipment to the French, but not troops.

2. Tension flared again in Berlin. The Communists began to act like they might be considering clamping another blockade on the German capital. If they do, it will be a serious drain on our air power.

3. The Big Three foreign ministers met in New York without reaching a definite decision on an all important point—whether to create a Western German army to help us fight Moscow in event of war. The big stumbling block to solution of that problem is that the French do not want a big German army on their frontier. Germany already has invaded France twice in one generation.

4. There was a tendency around the world to relax in view of our amphibious landings in Korea. The danger was that too many people might get the idea that the Communist peril had passed and that could resume business as usual. That is exactly the psychology that Moscow is trying to foster in the Democratic nations.

In these days when new tires are both scarce and high in price, why not save money by having your smooth tires retreaded?

Our modern design, materials and machinery turn out a finished product you can have full confidence in and be proud of.

Don't confuse modern retreading work with the old timey "top cap" of the war days. There is all the difference in the world.

Our modern low pressure retreads come down over the side wall of the tire and STAY ON. They give new tire appearance and long wear at about one third the cost of a new tire.

Come In and Let Us Show You.

Fried Chicken Supper Honors Owl SS Class

Mr. and Mrs. J. L. Waller hosted a fried chicken supper Wednesday evening for members of the Owl class of the First Baptist Church, all of whom are being promoted to the young people's department.

The supper was served buffet style, with guests seated at four-

some tables which were gaily decorated with miniature bouquets centering white linen laid tables. Pink and white motif was carried out in decorations and in the menu.

The house was beautifully decorated for the occasion with bouquets of gladiolas and dahlias. Present were Christina Ather, Thyle Parrack, Charlotte Van Hoy, Margie June Poe, Fern Shaffer, Billie Irene Farr, Marjorie Fox, Monette Scott, Wanda Phillips, and Pauline Latham. Others present not class members were Mr. and Mrs. W. G. Womack and Bobby, John Dee Burleson, Mr. and Mrs. Waller, hosts, and Jimmy and Bobby Waller.

Two Baptist Circles Meet This Week

Two circles of the WMU of the First Baptist Church met this week for Bible study.

The Maybelle Taylor Circle members met Wednesday morning at the church with Mrs. Mary Copeland guest, teaching the study. Mrs. Howard Upchurch was hostess. The meeting opened with the song, "Break Thou the Bread of Life," with Mrs. C. A. Amos giving the prayer.

Mrs. Lewis Barber, chairman, presided over a short business session during which the group planned a community missions project and planned to cooperate in the Week of Prayer, program.

Mrs. W. W. Carney gave the closing prayer. Present were Mmes. Carney, Amos, H. F. Hodges, Lee Campbell, John White Barber, Copeland and the hostess, Mrs. Upchurch.

Mrs. T. D. Wheat was hostess Monday afternoon to members of the Lottie Moon Circle at her home.

Mrs. L. M. Chapman gave the opening prayer, Mrs. Frank Lovett, chairman, presided and the group voted, during the short business session, to give a cash donation to Buckner's Orphans Home.

Mrs. Elzo Bean gave the Bible study. Refreshments were served to Mmes. C. C. Street, Lovett, Been, J. W. Wallace, John Matthews, Loyd Chapman, Louis Shaffer, by the hostess Mrs. Wheat.

Miss Wilson Inspects And Compliments Eastland Library

Miss Lucille Wilson, Extension Director of the Texas State Library of Austin was the guest here Thursday afternoon of a committee representing the Thursday Afternoon Club, at the Eastland Library.

The Library is sponsored and maintained in the Womans Club in Eastland by the Thursday Afternoon Club. Miss Wilson inspected the library and approved the many new improvements. She complimented the Club and Miss Cecelia Haas, librarian for the well kept appearance and complete listings contained.

She recommended the use of the library to the Home Demonstration Clubs and in checking found that the library shelves contained 75 per cent of the books on the required list of reading.

Mrs. Fred Davenport, Mrs. Ben Hamner, Mrs. Jack Frost, and Mrs. A. L. Murrell, with Miss Haas represented the Thursday Club.

District WSCS Seminar Held In Cisco

The First Methodist Church in Cisco hosted a meeting of the Cisco District Women's Society of Christian Service of the Methodist Church Wednesday, September 20th.

The purpose of the all day meeting was to hold the annual Seminar, and to introduce the four mission studies which will be given in all societies through out the district some time during the year.

Courses presented were, "Corporate Worship," "A Christian Vocation," "The Near-East" and "Toward a Christian Community". Mmes. J. M. Bailey, Vernon Deffbach, C. E. May, and T. E. Robertson discussed the courses in the order given.

Mrs. T. E. Robertson, district president, presided. The past presidents of the district joined the church women at noon for a joint luncheon. One hundred and two women registered at the meeting.

Dim Your Lights—Save A Life

Women Of Christian Church Resume Weekly Meetings

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Stitch, Chatter Club Meet In Jackson Home

Members of the Stitch and Chatter Club met Wednesday afternoon in the home of Mrs. Wayne Jackson, 205 South Connellee Street.

Mrs. Fred Johnson, president presided and read the list of absentee's and asked that members be contacted. They were Mmes. G. L. Whitley, Kenneth Garrett, O. E. Baker, J. C. Poe and Clarence Penn.

Refreshments of cake and ice cream were served to Mmes. Johnson, L. W. Dalton, Rudolph Little, Henry Van Geem, Howard Upchurch, Weldon Armstrong and Guy Robinson.

The group will meet again Oct. 4th in the home of Mrs. Weldon Armstrong.

The Car And Its Companion—
The automobile is useless and harmless without the driver. With the driver it may become most useful but never harmless. No operator of an automobile ever fully realizes his responsibility to the public until he has a wreck. Then it dawns on him that he is living in a world with other people, some very peculiar, who have plenty of personal and property rights. If you drive, drive carefully, but never without adequate insurance protection.
