

COATES 2-B POTENTIAL 369 BARRELS

Results of a potential test on the Clark P. Chandler, et al., of San Angelo No. 2-B Ethel Hittson Coates, well showed that during an eight-hour potential gauged 103 barrels of 43 gravity oil, for a calculated daily potential of 369 barrels.

The Ranger Conglomerate discovery well is six miles southwest of Eastland in Section 9, Block 3, H&TC Survey.

Flow was through a 20-64-inch choke with packer set on the casing and 175 pounds tubing pressure from 36 perforations at 3,121-20 feet. The casing is set at 2,375 feet, total depth. Gas-oil ratio was 1,150-1.

The strike is located 1,375 feet east of Chandler No. 1 Coates, a prospective Ranger Sand discovery.

In other area oil news: Harry M. Hoxey, Ranger, staked locations for two wildcat slates for 1,900 with cable tools.

His No. 1 Marion Graham is located eight miles southeast of Caddo, 150 feet from the south and 2,490 feet from the east lines of Section 81, Block 4, T&P Survey.

No. 1 W. M. Graham is nine miles southeast of Caddo. It spots 1,770 feet from the east and 150 feet from the north lines of Section 88, Block 4, T&P Survey.

Muirhead To Pull Curtain On '54 Pontiac

A completely new line of cars for 1954 will be introduced at Muirhead Motor Co. in Eastland Friday, Jack Muirhead, owner, said today.

"Although details cannot be disclosed at this time, it can be said that the new line will be called the Star Chief series, is on a new chassis, and is bigger, longer and more luxurious than anything ever previously built by Pontiac," Muirhead said Thursday.

It will be shown for the first time, along with a newly-styled Chieftain line of cars, at Muirhead Motors tomorrow.

It was also noted by Muirhead, that the '54 Pontiacs will again be available with the most widely used of all automatic transmissions—the Dual-Range Hydra-Matic.

It will be offered as optional equipment with both Six and Eight cylinder engines on any car in the line. Pontiac introduced Dual-Range Hydra-Matic in 1952 and it was being installed on more than 85 per cent of all Pontiacs sold until production was cut off last August by the fire at General Motors' transmission plant in Livonia, Michigan.

Muirhead told the Telegram that all 1953 models received excellent reception in the field and that Pontiac dealers faced no special clean-up problems considering the current competitive market.

"Pontiac produced and sold more cars in the 1953 model year than in any year except 1950," Muirhead said. "We showed the largest increase in sales in our price class and made the greatest penetration of our market. In addition, our dealers sold the largest number of used cars in history, even exceeding the record year of 1941."

Eastland Woman's Sister Was One Of First Aviatrices In History

By VIRGIL E. MOORE

"Soon airplanes will take their place along with other recognized vehicles in the commercial world."

Those words were spoken just 37 years ago this week on Dec. 14, 1916 by the late Miss Hattie Nixon. To Mrs. H. J. Tanner of Eastland, those words ring especially true today, the 50th anniversary of powered flight. It was her sister who spoke them, just after she had made her second flight in Dallas. Just the day before she had made her first flight, becoming the first woman ever to fly in Dallas and probably the first aviatrice in the state's history.

On Dec. 18, 1916 the following article appeared in The Dallas Journal:

"Miss Hattie Nixon of Waco, Tex., will attempt a cross-country flight tomorrow from Dallas to Rockwall as a passenger of Lester Miller in his biplane. The distance of 28 miles will be covered in about 25 minutes if no mishaps occur, it is said.

"This will be the first cross-country flight attempted by local aviators. Thursday the two will attempt a flight to Roysse City, nine miles from Rockwall.

"In view of the cold, the trips are considered very daring and will establish a local record if successful."

Today such a flight would not be news at all, then it was page one material.

Following her second flight The (Dallas) Evening Journal ran the following story:

"Why, that was delightful!" pretty 18-year-old Hattie Nixon exclaimed. "I just love it—the soaring among the clouds, the ter-

Moore... ABOUT Eastland

By VIRGIL E. MOORE

Noticed the work being done on the Coca-Cola Bottling plant? The building is getting a nice new coat of pink paint. Sure looks nice too. A good Christmas present.

Did you get stuck by the woman collecting for the good cause the other day? Don't feel bad, we did too. Yep, she got our 30 cents. Don't guess we will ever learn when you get to thinking about it. We suckers should be insured. Believe it was Mark Twain who said, "man is the only animal that blushes. Or needs to."

Ranger carries the District 7-A colors into the semi-final round of the Class A play-offs this Friday night in Ranger. The Bulldogs host Clifton at 8 p.m. Eastland joins other teams in the district in wishing for the Dogs a victory.

Sure hope you realize that there are only six more shopping days until Christmas after today. Seems only yesterday we took down last year's tree. Could that be a sign of our getting old at such a young tender age.

Cutting it short for today's edition. See you next Tuesday.

Bank To Enjoy Two Day Holiday

The Eastland National Bank will take a two day Christmas holiday, Guy Parker, vice-president, said today.

Parker said the bank would be closed Friday, Dec. 25 and Saturday, Dec. 26.

Cisco Voters To Decide On Gas Question

An election on the proposition of consolidating the two gas distribution companies operating in Cisco was ordered by the City Commission at its semi-monthly meeting Tuesday night after the body took under advisement applications from the firms for increased gas consumer rates.

The election was ordered for Tuesday, Jan. 12, 1954. The ballots will contain two propositions: (1) for or against consolidation; and, (2) for the Lone Star Gas Company to buy the Cisco Gas Corporation, or the Cisco Gas Corporation to buy the Lone Star Gas Company.

The Commission ordered the election on the consolidation question after officials of both companies pointed out that they are operating at a financial loss and that the rates would have to be increased substantially to justify their investments.

Eastland Co. Farmers Okay Crop Controls

Eastland county farmers joined other throughout the state and nation Tuesday in overwhelmingly voting for production and marketing controls on cotton and peanuts. Farmers in Eastland county favored peanut controls nine to one and cotton controls eight to one.

Peanut farmers in the county voted 491 for controls and 53 against. Cotton farmers favored the controls by a vote of 173 for and 45 against.

Texas farmers as a whole voted more than nine to one to continue controls. A final report from the state FMA committee in Collego Station showed 90.55 per cent of the farmers in 234 counties favored limiting-cotton production to a specific number of acres in return for high support prices. The vote was 61,159 for and 6,386 against.

The state report on peanuts showed growers in 127 counties favored controls by a vote of 6,615 to 427—93.9 per cent.

Cotton and peanut growers over the nation also favored controls of the two crops by one-sided majorities.

Over the nation as a whole the voting favored controls by nearly 20 to one.

A majority of two-thirds was necessary to make controls effective for 1954. Peanut growers, already operating under controls, voted on continuing them for three years.

Only one polling place in the county failed to return the necessary two-thirds vote on cotton controls. All polling places gave peanut controls the necessary vote.

Carbo voted 19 to 10 in favor of cotton controls, but the ratio was less than two to one. Carbon peanut farmers voted 56-13 in favor of peanut controls, however.

Eastland voters favored peanut controls 71 to 3 and cotton controls 22-8. Farmers voting in Ranger cast 25 votes for and two against peanut controls and voted 14 to 3 in favor of cotton controls.

Cisco farmers voted 59 to 9 for peanut controls and 12 to 4 for cotton controls. Rising Star voting showed peanut controls were favored 99 to 15 and cotton controls 40 to 13. Farmers voting in the German polling place turned out the heaviest. They gave peanut controls a vote of 175 for and 11 for and 7 against.

Emmett Powell of the Eastland county FMA said he considered the vote good. He said it could not be termed heavy, but that it was as good, or better, than had been expected. He estimated 2,000 eligible voters were in the county.

Powell said most farmers in the county are not pleased with present cotton acreage allotments. He said, however, that they hope to get relief from Congress.

"Two thousand more acres would set us up good," he said.

HOPES FOR BRIDGE ACROSS LEON RIVER LAKE INCREASE

Hopes for a Farm to Market Road connection between F.M. Road 570 and F. M. Road 571 and a bridge across the lake which will be created by the impounding of water from the new Leon River Dam when it is completed, was given a boost this week by a letter received from State Highway Commissioner D. C. Greer by County Judge John Hart.

In the letter Greer told Judge Hart that "Careful consideration has been given by the Highway Commission to the presentation made by your group on Dec. 1, requesting a Farm to Market Road connection between F. M. No. 570 and F. M. No. 571 in the vicinity of the lake which will be created by the dam which is under construction at the present time on the Leon River in Eastland county."

"The Highway Commission directed that you be advised that during the next 30 days a study of this entire area will be made to determine just what is the best plan of ultimate road development in coordination with the construction of the water reservoir. At such time as the study has been made, the Commission will review this information, together with your presentation, and reach a decision concerning same. You will be advised of their decision."

Members of the Commission include E. H. Thornton Jr., Robert J. Potts and Marshall Formby.

A group of Eastland county officials took their plea for a road and bridge across the reservoir before the Commission Dec. 1. The dam is now nearing completion.

Unless a bridge is built across the lake the community of Staff will be cut off from both Eastland and Ranger when the lake fills.

Cost of the bridge has been estimated at \$60,000. It is a wide-ly accepted fact that the cost would increase greatly if the bridge is not built before water is impounded.

The hearing before the commission was requested by the Eastland County Commissioners Court. Representatives from Ranger, Eastland and Staff attended the hearing.

Chevrolet To Go On Display Here Friday

More power, an extension of the automatic transmission option to all cars, and design revisions to accentuate the low, flowing beauty of the three body series highspot the new 1954 Chevrolets which go on display Friday at Fullen Motor Co. in Eastland, Milton Fullen, owner, said today.

The latest models benefit as well from re-styled interiors, a wider choice of rich colors and color harmonies and chassis advances to assure quieter operation with increased performance, he said.

Power brakes, adding safety and driving control, become optional for the first time in the low-price field with the introduction. As still another "first" in Chevrolet's market, electric front seat and window lifts are also available. This convenience provides passenger car comfort through push button control.

Given special prominence in the presentation is the Bel Air Series, which Chevrolet pioneered so successfully as a luxury line a year ago. An eight-passenger station-wagon brings to five the number of Bel-Air body types. The company has also announced that convertibles will be hereafter concentrated in this series.

Another departure in the lineup of 13 passenger car models is the introduction of a utility sedan in the "One-Fifty" or lowest priced series. This body, replacing the former business coupe, offers an amazing 54 cubic feet of storage space.

10 Jurymen Selected In T. Clary Murder Trial

Cornelius Employees' Yule Party Is Held

Approximately 150 people attended the annual Christmas dinner party at which Mr. and Mrs. Victor Cornelius were host and hostess to employees of the Cornelius Theatrical Advertising business and of the White Elephant Restaurant and to their families.

The party was held Monday evening on the Roof Garden of the Connellee Hotel.

Highlight of the evening was the presentation of over \$5,000 in bonuses by Cornelius to his 56 employees.

Cornelius himself, was the recipient of a number of gifts including a wrist watch and fountain pen from the advertising phase employees. The organization presented Mrs. Cornelius with a beautiful clock.

A television lamp and a set of individual refreshment table were gifts to the couple from the restaurant employees.

Music throughout the evening was by Ray Judin and a Clio orchestra. Special entertainment was by Al Anderson and Paul Huffman of Clio.

Dinner was served buffet style. After the meal, each child selected a toy from the Christmas tree.

A colorful sign which extended the width of the room welcomed guests a "Merry Christmas." A miniature Santa Claus and his reindeers on a bright green background formed the wall decoration behind the orchestra.

Attending the party were Mr. and Mrs. Carl Garner, Mr. and Mrs. Clyde Benton and children, Mr. and Mrs. Travis Harrell, Mr. and Mrs. James Dye and sons, Mr. and Mrs. W. A. Leabe, Mrs. E. O. Everett, Mr. Harold Everett of Abilene.

Mr. and Mrs. W. O. Yemmer, Mrs. Opal Cross, Miss Sara Piel, Miss Maxine Harbin, Mr. Lowell Snyder, Mr. and Mrs. Eldress Gattis and son, Mr. and Mrs. D. A. Collins, Mr. Billy Keith.

Mr. and Mrs. Glen Graham, Mr. and Mrs. Ed Gallagher and children, Mr. and Mrs. Bill Day and son, Mr. and Mrs. George Ford and daughters, Mr. and Mrs. Ray Pryor and children, Mr. and Mrs. Darwin Miller.

Mr. Roy Langham, Mr. and Mrs. Bill Hultmark and children, Mr. and Mrs. W. D. Taylor, Mr. and Mrs. Jack Graham and daughters, Mr. and Mrs. J. C. Butler and children, Mr. and Mrs. Bill Kendrick, Mr. and Mrs. Jack Coggburn and son.

Bob King Gets Twin Honors At Aggieland

You might say that twin honors slipped William Douglas King, son of Mr. and Mrs. Hood King of Eastland, on the back recently.

That's probably the way he feels about it, at least. William was recently advised that he had been elected for membership in the Fraternity of Alpha Zeta and that he had been designated a member of the famed Ross Volunteer Company at Texas Agricultural and Mechanical College.

Bob, as the Texas Aggie Junior is better known in Eastland, was highly praised by Roger Landers Jr., chancellor of Alpha Zeta. The Fraternity is a national agricultural honor fraternity and the membership is based on scholastic achievement, character and evidence of the qualities of leadership.

The Ross Volunteer Company was organized in 1887 by Col. T. M. Scott, business manager of the College, for the purpose of banding together the most proficient military men in TAMU into a crack drill team. They were first called Scott Volunteers. The name was changed to Ross Volunteers in 1891 to honor Gov. Lawrence Sullivan Ross, who in that year became president of the college.

She Wants Out Of Jail

Woman Claims She's Innocent Of Fraud Charge; Way 'Doing Good'

By VIRGIL E. MOORE

"I'd even marry any man who would get me out of here," Mrs. Ruth Gray, who is charged with fraud, told a Telegram reporter Wednesday after she had demanded a hearing with "a newspaperman."

"I'm innocent and was only trying to help out a poor man and his family who needed aid," she said in a jail cell interview.

The well dressed woman demanded that she be allowed to "tell my side of the story" after a story in the Telegram Tuesday told of a woman who duped East-

landers into giving to a phony charity.

Mrs. Gray, who said her home was in Broken Arrow, Okla., and that she received her mail at a Tulsa address, said she just wanted to help out "a poor man" that was in need of help. She admitted collecting money, but she said it was all for an Eastland farmer who was recently injured in an accident.

"My brother was cut real bad one time," the middle-aged woman said, "and friends pitched in to pay his hospital bill and help him out. I just thought this was a good opportunity to do a good deed."

The woman said she heard about the fund drive at a dance held in Eastland Saturday night.

Asked how much money she collected, she first said about \$10 or \$15. Later she raised the figure to \$20 or \$25. When arrested she had almost \$91. She claimed that most of the money was hers, and

Junior College Student Wins Rodeo Honors

Ranger Junior College has hit the top bracket in this year's National Intercollegiate Rodeo Association, with one of its students, Monroe Lawrence of Albany, currently holding the lead for national championship in bull riding. Another contestant representing the College was Charles Rodriguez who placed high in bare back riding. Lawrence and Rodriguez won these honors at a rodeo recently held at Lake Charles, La.

According to Mr. R. F. Webb, sponsor of the Rodeo Club of the College, Ranger Junior College is the only junior college ever to rank among the upper ten schools of the nation in NIRA performances. Rangerites will remember "Dutch" Taylor, who took national honors in saddle bronc riding in 1951.

Mr. and Mrs. Percy Erwin and son leave Friday for a short visit with friends in Tyler. The Erwins formerly lived in Tyler.

Civic League and Garden Have Annual Christmas Tea

Mrs. Frank Sparks told a dramatic Christmas story Wednesday afternoon when members of the Civic League and Garden Club met for their annual Christmas tea at the Woman's Club.

Mrs. Horace Horton, president, presided and presented Mrs. Arthur Murrell, program chairman, who introduced Mrs. Sparks and also presented a group of singers. The Colored Women's Quartet, composed of Vivian Jones, Inez King, Amelia Govan and Mildred Hood. They were accompanied by Ozona Durrell, pianist, as they sang Negro spirituals, religious and Christmas songs.

Mrs. E. H. Culbertson was hostess chairman. Tea was served from a Christmas table laid with a red satin, sequin trimmed cloth. Silver appointments were used. Mrs. Frank Castleberry and Miss Norma Vlekers presided and poured. They were assisted by the hostess committee including Mmes. E. C. Johnson, D. L. Kinnaird, Ben Hamner, Russell Hill, Carl Johnson, Bill Collins, J. M. Cooper, E. O. Everett, J. U. Johnson, Joe Tow, E. J. Turner, H. L. King, H. C. Westfall, P. A. Wheeler, Dixie Williams, W. L. Wharton, Ed F. Willman, Oscar Wilson, Harry Wood and A. E. Everett.

A table of Christmas packages arranged by the art committee was on display and added to the attractiveness of the Yuletide decorations. Members of the art committee are Mmes. Veon Howard, Florence Jessop, Allen D. Dabney, Curtis Kimbrell, L. E. McGraw, T. E. Richardson, Jack Frost and A. H. Johnson.

A large number of the more than 200 membership attended.

Baptist Circles In Joint Meeting Carlidge Home

The Virginia Buddin Circle and the Morgan Circle held a joint meeting Dec. 14 at 3:15 in the home of Mrs. A. W. Carlidge, 419 South Dixie.

Mrs. Frank Lovett was leader and the meeting was opened with prayer by Mrs. C. M. Ratheal. Mrs. F. A. R. Morgan reviewed the final chapter in their study of "The Listeners."

The honored guest, Mrs. Virginia Buddin, daughter of Rev. and Mrs. Morgan, is here for a year's leave from the mission field of Brazil, was presented as speaker and brought an inspiring talk on Brazil, illustrated with pictures the customs of Brazil and exhibited hand crafts, as taught in the missions there.

A Christmas tea table was arranged for the guests who were Mrs. Don Daniels, J. W. Wallace, C. C. Street, Ida Chandler, Jim Drake, Frank Lovett, Howard Upchurch, H. P. Vermillion, Claude Bell, F. A. Madrigal Singers Appear Music Study Club Have Special Guests For Annual Banquet

The annual Christmas banquet for the Eastland Music Study Club members, husbands and guests was held Tuesday 7 p.m. in the Woman's club, the Executive Board members as hostesses.

Mrs. E. H. Culbertson and Mrs. Bill Brashier registered the guests with Mrs. Jos. M. Perkins, Mrs. Fannie Bell Taylor, president and Mrs. Ina Wooten Jones, state president of the Texas Federation of Music Clubs in the receiving line.

Mrs. Taylor welcomed the group and after the invocation by Rev. C. M. Ratheal, asked them to be seated at the festive board.

The twelve Madrigal singers were seated at one long table with the proverbial lace cloth, cards and spruce as used in the ancient custom of madrigal singing. Mr. Jack Chambliss, director of the singers, sat at the head table with the honored guest, Mrs. Jones and the toastmistress, Mrs. Perkins. Mrs. Taylor, Rev. Ratheal, and Mrs. Art Johnson who was designated to make the presentation gift of music to the Douglas Colored School Choir, directed by Vivian Jones.

Additional tables decked in snow white maderia and centered with single candles atop spruce with red and white carnations was the advantageous seating arrangement for the banquet. Mrs. Taylor made introductions of guests and presented Mrs. Perkins as toastmistress, who in her speech of "Remember When", cleverly amused her listeners with some of the early activities of the club, thirty three years ago.

She presented Mr. Chambliss who admitted that his first solo in Eastland was for the Music Study Club when he undertook to ride his bicycle from Cisco to the occasion. With warmth and gracefulness he introduced the singers who are from Cisco Junior College and first year singers in this work. Among the group of numbers presented in true Madrigal fashion with the singers seated at the table was a modern five part Madrigal of special interest. Mr. Chambliss presented in solo "O Holy Night" with a touching finesse, his own tenor voice and his audience responded with request for encores.

Mrs. Perkins then introduced Mrs. Ina Wooten Jones who gave the high lights of the Federation

and what it means to the furtherance of better music and its basic meaning in our religious worship today as in the early days when Christ was proclaimed king with singing.

The club rooms were appropriately decorated with the musical scores of "Hark, the Herald Angels Sing," "Joy to the World," "Silent Night" and many other carols. Christmas theme was prevalent with red and white carnations, poinsettias and cathedral candles. Garlands of cedar draped the walls and actual instruments were in floral arrangements.

Mrs. Perkins' closing remarks were an admonition that we hold in our hearts the song of peace and happiness for our fellowman and a wish for the Christmas joy in every home.

On the register were the following names: The Singers from Cisco Junior College, Mrs. Judy Haynes Tipton, Misses Harriet Stenney, Betty Westerman, Kay Alexander, Mary Walker, Jessie Warren, Mr. Jack Chambliss, director, with Dan Wilkinson, Frank Howeth, John Slaughter, Elton Strother and Calvin Grung.

Music club members with guests were: Messrs. and Mmes. D. L. Houle, M. H. Perry, H. M. Hart, B. W. Patterson, Art H. Johnson, M. A. Treadwell, Melvin C. Rathen, Allen D. Dabney, Donald Kinnaird, T. E. Richardson, Mmes. Grady Pipkin, Jos. M. Perkins, Fannie Bell Taylor, F. L. Drago, W. E. Brashier, Benny Houle, E. H. Business Woman's Guild Celebrates With South American Christmas In E. E. Freyschlag Home, Tuesday

The Business Woman's Guild of the First Christian Church entertained in the home of Mrs. E. E. Freyschlag 7:30 p.m. Dec. 15th, with Mrs. E. E. Wittrop and Miss Marjorie Van Hoose co-hostesses.

The Christmas decor was in keeping with the year's study of South American Neighbors. The door swag was a huge Mexican sombrero festooned with lights and small Christmas trees. The dining room and living room were arranged with quartet tables, each centered with a poinsettia. The mantle had a miniature altar arrangement with greenery and candles. A Madonna surrounded with gay Christmas colors was the point of interest on the large dining table.

Business Women Have Covered Dish Supper

The Business Women's Circle met in the home of Mrs. Roy Young Dec. 14th at 7 p.m. for a holiday supper and an exchange of Christmas gifts. Four quartet tables were in festive dress for the supper.

Mrs. Tom Amis told the inspirational Christmas story. During a short business session it was decided to give a Christmas to some "shut-in."

Members present were Mmes. Ita Parrish, Mary Harcock, Marvin Hood, Fern Greene, Frances Zerial, Hanna Lindsey, Edna Mae Hatcher, Hazel Sullivan, Christene Garrard, Mildred Amis, Misses Allean Williams, Verne Allison, Florence Barber, Betty Jo Carroll and the hostess, Mrs. Young.

Miniature cactus plants were place favors. The hostesses were costumed for the occasion and greeted guests with "Felices Natividades."

A Spanish pinita filled with goodies was employed as the game of the evening, after the meal had been completed. A background of Spanish music was arranged while members wrapped and packed gifts for the teen-agers of the Juliet Fowler Home at Waco. Those attending were Mmes. H. C. Gage, Frank Hightower, Wayne Caton, Frank Stokes, Eldress Gattis, Verno Humphreys, W. E. Lewis, J. F. Collins, W. E. Tankersley, Otto Marshall, Bill Collins, Frankie E. Flowers and Wilma Bennett, with the hostesses, Miss Van Hoose, Mrs. Wittrop and Mrs. Freyschlag.

HANDY HOME HINTS

To smooth rough edges of wood on clothes hangers, cover the frayed section with Scotch tape.

To prevent tears in linoleum, apply strips of adhesive or cloth masking tape along the underside at the corners.

Dipping pork cuts quickly in hot lard will seal them and prevent drying during storage in the freezer.

The spoon on which adhesive tape was wound makes an excellent spool for narrow ribbon.

To make dusting easier, use old cotton socks, worn like mittens.

Martha Circle Meets Monday

The home of Mrs. Homer Williams was opened to members of the Martha Circle of the First Christian Church for their regular business meeting and Christmas party on Monday 14th 3 p.m.

Mrs. Lon Horn opened the meeting and conducted a short business session. Mrs. Curtis Young gave the Christmas story as the devotional for the afternoon. Jeannie Hanna, daughter of Mr. and Mrs. Bernard Hanna, gave a Christmas reading.

A social hour followed with refreshments of nut cake and coffee. Members gathered around the

Christmas tree for exchange of Christmas gifts. Those present were Mmes. Bernard Hanna and daughter, Jeanie, Curtiss Young and son, Gary, C. A. Peterson, Lon Horn, Winnie Wynn, Carl Garrett, Joe Tow, Cyrus Miller, E. E. Woods, and guests, Mrs. Evan Hood of Odessa, Mrs. A. L. Cooper, Eastland.

Mrs. Ina Wooten Jones of Abilene was house guest Tuesday evening in the Jos. M. Perkins home. Mrs. Jones is president of the Texas Federation of Music Clubs.

Methodists Plan Religious Watch Service For New Year's Eve

A New Year's Eve watch service has been planned for the members of the First Methodist Church. The evening's entertainment will begin with a sing song led by Wendell Siebert with Mrs. Tom Haley at the piano.

A talent show under the direction of Mrs. Harold Durham, assisted by Mrs. V. T. Seaberry Jr., Alice Joyce Cushman, Neal Van Geem, and Richard Jones will be given.

Refreshments of pie and coffee will be served and will be followed by a round table discussion of happenings and affairs of the preceding year.

Highlight of the evening's entertainment will be the color slides

of pictures taken by Miss Dorothy Perkins in her recent tour of Europe. A number of pictures Miss Perkins will show are of the famous Madonna.

The climax of the evening will be the Communion service beginning at 11 p.m. All are urged to attend this religious celebration of the New Year the spokesman said.

Dr. R. Raines To Address TCU Group

Dr. Richard C. Raines, resident bishop of the Indiana area of the Methodist church, will deliver the Wells Lectures during annual Minister's Week on the campus of Texas Christian University Jan. 11-14.

The announcement was made this week by President M. E. Sadler.

Also to be given during the event, which draws hundreds of churchmen to the campus year after year, will be the Oreon E. Scott Lectures and the McFadin Lectures. The Wells Lectures were established by the East Dallas Christian Church honoring Dr. L. N. D. Wells, former minister.

Bishop Raines, an outstanding Methodist leader, was born in Independence, Iowa, in 1898. He took his A. B. degree from Cornell College in Iowa in 1920 and the S. T. B. from the Boston University School of Theology in 1924.

In 1924-25 he studied at Oxford University in England and took his D. D. from the University of Maine in 1930. He also holds the S. T. D. from Boston and the L. L. D. from Illinois Wesleyan, both being conferred in 1950.

He was ordained in 1926 and served as assistant pastor in Newton, Mass. He was later pastor of churches in Scituate, Mass.; Providence, R. I.; Minneapolis, Minn. In 1948, he was elected a bishop and assigned to Indiana where he has served since.

Methodist Choir Have Party In Pipkin Home

The First Methodist choir met at the church Dec. 16th 7:30 p.m. for their regular rehearsal and was invited to go to the Grady Pipkin home afterward for a social hour. Families with members, Rev. and Mrs. J. C. Oglesby attended.

Guests entered the Pipkin home with exclamations of pleasure at the picture of Christmas hospitality. Mr. Grady Pipkin opened the door to a vision of a lighted Christmas tree, the mantle decked with snow beneath a painting of Colorado snow-covered mountains.

The dining table held numbers of candles in individual holders, the tall tapers making a background for the arrangement of cakes, fruit cake, white cake and chocolate cake, various candies and a huge punch bowl of apple cider. Christmas plants of Poinsettias and shining Christmas balls were interspersed for highlighting.

Mrs. Pipkin presented the choirs gift to the director, Mr. Bledsoe. About thirty guests were present.

Mr. Nat Harris, consulting engineer of Austin, is in Eastland on business this week.

Young Carolers Cheer Shut-Ins

The Intermediate Girls Auxiliary of the First Baptist Church were entertained with a "date party" in the home of Mr. and Mrs. Hubert Westfall Dec. 15. The Young People gathered at 6:30 and with three cars went caroling to the shut-ins and friends. They returned to the Westfall home where a long decorated table of tempting foods and holiday goodies awaited them.

The carolers were Sara Simms, Kenney Turner, Mike Tuggle, Mattie Jo Bentley, Hampton Stamey, Shirley Thurman, Sue Turner, Donald Ward, Sandy Anderson, Harvey Lewis, Ann Pittman, Henry Simms, Donna Scott, Carolyn Noble, Betty Jo West, Carl Freeze, Fern Otis, Yvonne Greene and the chaperons, Mr. and Mrs. Westfall and Mrs. Fern Greene.

Home-Made Bread and Coffee — A Team to Remember

DO you sometimes find yourself yearning for a slice of home-tastiness warm new bread, glistening with butter, washed down with a cup of fresh hot coffee? If so, here's the perfect recipe for you — Casserole Poppy Seed Bread, a fine-textured easy-to-bake loaf with a tasty crust.

If you've never made bread before, you'll find this an easy recipe to learn on. There have been so many improvements in the technique of bread-making that it is not the long-drawn-out process it once was. Casserole Poppy Seed Bread needs only one rising period and a minimum of mixing. More important, it requires no special equipment, such as bread pans. It's baked in an ordinary two-quart casserole, or even in an oven-proof skillet if you don't have a casserole. One hour after putting it in the oven you have a close-textured, spicy round loaf, an old-fashioned home-baked shape with that old-fashioned home-baked flavor.

If there are any menfolk within reach, they'll gravitate magically to the kitchen once that unmistakable new bread smell starts wafting their way. That's why new bread rarely has a chance to grow stale. As soon as it's out of the oven you're apt to find yourself inveigled into brewing a pot of fresh coffee, bringing out the butter and pre-paring and pitching in along with everybody else.

As a matter of fact, we can't think of a better excuse for a coffee-break than the immediate sampling of your very first home-baked loaf.

Casserole Poppy Seed Bread
1 cup milk
2 tablespoons sugar
1/2 tablespoon salt
1 cup warm, not hot, water (lukewarm for compressed yeast)
2 packages or cakes yeast, active-dry or compressed
4 1/2 cups sifted enriched flour
1 egg yolk
1 tablespoon poppy seed

Scald milk. Stir in sugar, salt and shortening. Cool to lukewarm. Measure water into bowl (warm, not hot water for active dry yeast, lukewarm for compressed yeast). Sprinkle or crumble in yeast; stir until dissolved. Add lukewarm milk mixture. Add flour; stir until well blended, about 2 minutes. Cover; let rise in a warm place, free from draft, until tripled in bulk, about 40 minutes. Stir down. Beat vigorously, about 1/2 minute. Turn into greased 2-quart casserole. Brush top with egg yolk diluted with a little water; sprinkle with poppy seed. Bake in moderate oven, 375° F., about 1 hour.

JUST A REMINDER

In arranging your laundry equipment, the Gas Appliance Manufacturers Association suggests that the sanitary tile sorting counters, washer, gas clothes dryer and ironing equipment be set up to permit an efficient and time-saving flow of work. One clay tile sorting surface should be at the beginning of laundry operations, and another at the end, where freshly ironed and folded articles are stacked before storage.

Drive Safe; Don't Ruin Christmas

"That white Christmas we dream about could be a nightmare for the careless walker or driver."

That warning was given to motorists today by Col. E. B. Tilley of Houston, president of the Texas Safety Association, and Services Advisor for the Gulf Oil Corporation. He urged all citizens of Texas to cooperate with the Texas Safety Association, the National Safety Council, and the Texas Department of Public Safety in their efforts to reduce holiday traffic accidents.

"Bad weather is one of the greatest driving and walking hazards at this time of year," he said. "And snow, seldom seen in Texas, is not the only villain in this respect. Fog, rain, and ice also are a snare for the unwary."

"Whether you're walking or driving, bad weather—in any form—is a signal to slow down," Col. Tilley asserted.

"Snow or rain make it difficult for motorists to see pedestrians and muddy, icy or wet pavements make it harder for the driver to stop the car after he has spotted a walker or some other obstruction in his path," he said.

He pointed out that walkers, too are handicapped by bad weather conditions. They can't see cars as quickly through a screen of snow, rain or fog. And they are not too sure-footed on slippery pavements. At Christmas time, too, many pedestrians obscure their vision by carrying high stacks of packages.

Col. Tilley advised both walkers and drivers that slower speed and increased alertness are the best defense against winter's dangerous weather.

SHE HAD—

trifling wind and the opportunity to get such a wonderful birds-eye view of Dallas.

"Afraid?" she repeated wonderingly. "Why should I be afraid? The exhilaration one feels is beyond description. Fear doesn't come in at all. It just seems as if you are the conqueror of the air. Close your eyes and you can feel the powerful wings on either side of you, carrying you on and on."

"When the machine dips and dives you feel as if you are in a giant's grasp. No, there's nothing to compare with aviation as a sport and soon airplanes will take their place along with other recognized vehicles in the commercial world."

Truer words were never spoken. And today, the aviation industry and the world pay their honor to the pioneers of aviation, like Miss Nixon, who paved the way for man's ability to conquer the airways.

Chevrolet Bel Airs Re-Styled for 1954 Market

Designed for that lower, longer look so prized in modern automotive styling, the new Chevrolet meets other high standards besides eye appeal. The 1954 models have more power, better performance and chassis improvements that will substantially increase the pleasure and convenience of motoring. For 1954, a total of 43 body models are available in three series of cars. The Powerglide automatic transmission, linked to a 125-horsepower engine, is now optional on all cars. Above is pictured the Bel Air four-door sedan.

that she had raised only a little of it in the fund drive.

"When I was arrested I was on my way to the sheriff's office to turn over the money to him," the woman said.

Asked if she was giving away mistletoe when she received donations, she said yes. She denied that she had ever asked for funds for five children in order to buy shoes for them. Scores of witnesses over Eastland have said a woman fitting her description who carried mistletoe had taken money from them after telling them a story of that nature.

The woman said she thought she had been in "every store on the square."

Later she asked the reporter "not to print what I said about I'd marry any man to get out of here." She said, "I don't want to marry nobody."

The woman claimed she was a nurse and a cook. She continually said she was innocent and said, "All I want to do is spend Christmas with my mother and daddy."

Asked why she used another name when she registered at a local hotel, she told a story about "an Abilene man" who she said she was afraid of.

Several times the woman cried during the interview. When told her story was "pretty thin," she answered, "Yes, but it's true, my grandfather was a minister and he always taught us kids it's better to give than to receive."

Semi-Final Game Is Set For Eight P.M.

Two teams with that "we will have to show" attitude will collide in Ranger's Bulldog Stadium Friday night at 8 P.M. in the Class A state semi-finals. The teams: The Ranger Bulldogs and the Clifton Cubs, sport almost identical records and both are highly regarded in schoolboy football circles.

Only a one point setback mars Ranger's season record and Clifton is undefeated and untied. The Bulldogs have won 12 games as has Clifton, but the Dogs dropped their second start of the season to Class AA Mineral Wells, 13-14, although leading in statistics.

Two explosive offensive ball clubs—both with outstanding records on defense as well—will match talents in a game to decide the Upper Bracket state finalist.

It will be a battle of champions. Ranger placed six men on the District 7-A first team and Clifton landed five on the District 11-A first eleven. Bulldogs who sport all-district honors are Ends Tommy Hinds and Chico Mendoza, Tackle Eddie Jones, Guard Bobby Justice and Backs Scott Forney and Charles Masseege.

All-district players on the Clifton team are John Beaver, guard; Jerry Cash, end; Tex Outlaw, back;

Harry Cash, back and Bobby Conrad, quarterback.

Ranger will have a slight weight advantage over their opponents in the line but the two teams are well matched in the backfield. The Bulldog line averages 183 pounds to the man while the Cubs line will average 170. Rangers two big ends spell the difference as far as weight is concerned. Both Mendoza and Hinds weigh in at 185 pounds, while Clifton's ends, Jerry Belcher and Jerry Cash, weigh 150 and 138 pounds, respectively. The Cub line is firm enough in between. There are three 170 pounders, one 192 pounder and a 200 pounder in between the two ends.

In the backfield the two teams match out almost identically in the weight department. The Dogs average 151 pounds a man and the Cubs 150 pounds a man.

Both teams run mainly from the T, with variations.

Ranger's record shows wins over Colorado City 28-27, Wylie 33-13, Eastland 27-0, Bangs 49-14, Rising Star 47-7, Santa Ana 34-0, Dublin 53-14, McLeon 48-7, Albany 41-14, McCamey 14-7 and Sundown 47-6.

Clifton has defeated Mansfield 59-6, Meridian 46-0, Mansfield 45-0, Valley Mills 32-0, Granberry 14-0, Alvarado 27-0, Itasca 13-6, Burleson 81-0, Glen Rose 54-0, Richardson 7-0, Paducah 28-27 and Whitewright 13-6.

The records show that in 13 games Ranger has averaged 38 points a game and has allowed their opponents an average of 11. Clifton has an average of 30 points a game in 12 starts and has allowed only 2.7 points a game to their opponents.

Both teams have outstanding backs. Charles Masseege has gained the most recognition of the four fine Ranger backs, while Bobby Conrad is the darling of the Clifton fans.

Masses runs from a halfback slot and Conrad from his quarterback man-under position. Both boys get lots of help from their big line and running mates.

Ranger is coached by O. C. (Stubby) Warder and Boone Yarbrough and the Cubs mentors are I. B. Kuehl and Rorer Oliver.

Ranger's starting backfield will probably be composed of Quarterback Scott Forney, 163; Righthalf Charles Masseege, 145; Lefthalf Billy Browning, 145; and Fullback Jim Littlefield, 150.

In the Clifton backfield likely starters are Quarterback Bobby Conrad, 175; Lefthalf Bob Lane, 145; Righthalf Harry Cash, 159; and Fullback Tex Outlaw, 130.

Ranger's starting line will have 185 pound Tommy Hinds at left end; Jimmy Wheeler, 190, left tackle; Gary Patterson, 195, left guard; John Rush, 163, center; Bobby Justice, 170, right guard; Eddie Jones, 210, right tackle; and Chico Mendoza, 185, right end.

The Cubs' starting line will have Jerry Pfeiffer, 150, at left end; Fred Ludwig, 200, left tackle; James Humphries, 170, left guard; Morris Outlaw, 170, center; John Leaver, 170, right guard; John Jones, 192, right tackle; and Jerry Cash, 138, right end.

Other Bulldogs who will probably see action include Johnny Gray, tackle, 200; Tommy Young, 120; Archie Robinson, tackle, 180; guard, 170; John Haganman, center, 160; Paul Hinds, back, 116; Cruz Vaster, 160; Tommy Sutton, guard, 165; Jerry Cantrell, end, 165; guard, 115.

YOU WILL RECEIVE \$500 ADDITIONAL

if you can name the 11 winners and actual yardage gained by rushing and passing by leading team listed in the above bracket.

FOLLOW THESE RULES CAREFULLY

The object of THE SPORTING NEWS FOOTBALL BOWL CONTEST is to select winners of the 11 games listed above.

After making your predictions by circling names of winning teams, list the name of the team you think will gain most yardage by rushing and passing, plus the number of yards you think it will gain by these means. This prediction will have no bearing on the contest unless in the case of a tie or more contestants are listed in the selection of winning teams.

Contestants must make all 11 selections and designate a choice of team to gain the most net yardage (rushing and passing) with the prediction of the most net yardage gained by rushing and passing.

Print your name, street address, city, zone and state on your entry. Entry must be submitted on a postal card (not an envelope) to THE SPORTING NEWS CONTEST EDITOR, P. O. Box 11, St. Louis 3, Mo. Copy the form above on a postal card. A part of THE SPORTING NEWS or this newspaper will be required. Your entry must be in the office of THE SPORTING NEWS by noon of December 21, 1953.

In event of postponement of any game or a change in the schedule necessitating its being played on a day other than scheduled it shall not be being played as listed, then such game is automatically excluded from the contest.

A first prize of \$200 will be awarded to the individual whose entry names all selections correctly. If more than one contestant names all winners correctly, the first prize winner will be selected by checking the accuracy of the team named to gain the most yardage, and by computing how many yards the contestant came to the correct yardage mark. In case of a tie the contest prize will be awarded. In the event no entry contains all selections correct, the nearest number of correct selections will receive first prize, second prize of \$100, third prize of \$75, fourth prize of \$50, fifth prize of \$25, and ten prizes of \$5 each will be awarded to contestants whose selections follow next in order.

Winners of this contest will be announced in the issue of THE SPORTING NEWS dated January 11, 1954 and in this newspaper during the same week. Decisions of the judges will be final in all cases.

Each contestant is limited to ONE set of selections in fairness to others. Each entry must be submitted on a postal card, not in an envelope.

Any person or persons may enter this contest, excluding employees of THE SPORTING NEWS and their families.

HERE'S HOW TO FIND OUT WHICH BRAND OF COFFEE IS THE MOST ECONOMICAL FOR YOU TO USE . . .

No two people have exactly the same idea about the strength, or richness, of coffee. What may be a "strong" cup of coffee to one person may be a "weak" cup to another. But everyone can tell the comparative richness of brands of coffee simply by testing them to determine the degree of strength which each brand gives when prepared with an identical amount of ground coffee.

MAKE THIS EASY TEST

- Step 1: Prepare a pot of coffee using Maryland Club and the Special Coffee Measure enclosed in this kit. For each cup, fill the measure only to the top of the yellow bowl but use the same amount of water you ordinarily use.
- Step 2: Prepare a pot of any other brand of coffee. Use the same amount of coffee (up to the top of the yellow bowl only) and the same amount of water you used in testing Maryland Club.
- Step 3: Compare the two cups of coffee, side by side. Note the richer color and aroma of Maryland Club . . . taste its richer, more full-bodied flavor. Now you know, as a result of your own tests, why Maryland Club is more economical to use . . . why you can use less of it than of ordinary brands to make a truly delicious cup of coffee.

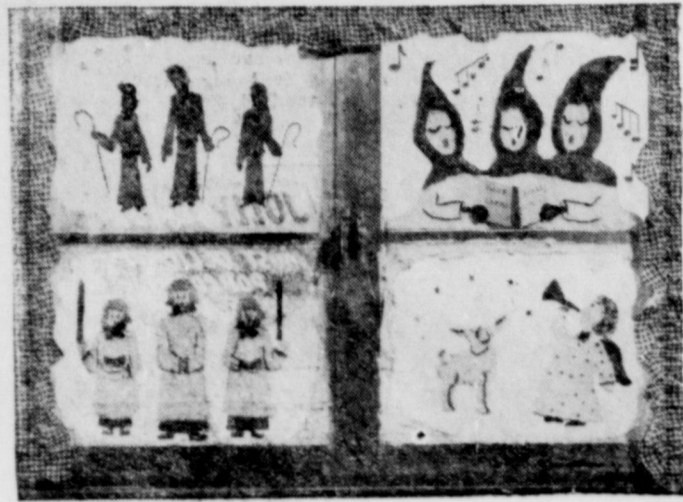

One lb. MARYLAND CLUB with Economy Test Kit

93¢

Use Maryland Club with the special measure and get up to 15 more cups per pound . . . A saving of 26¢ to 37¢ per pound

CHRISTMAS WINDOWS

Anybody can have a stereobought Christmas—one that comes in packages, all shining bright and pristine-new. But what fun, what delightful whimsy in the homemade variety! We endorse homemade wreaths, tied together with kitchen string. We love homemade angels, their halos slightly cockeyed. And we bow before the imagination that can create a Yuletide window decoration from such prosaic materials as laundry products... from such foolishly simple things like pipe-cleaners and shirt buttons, cardboard and wads of cotton.

genuity of the whole family contributes here! Use cotton dipped in black ink, for the wise men's beards. Paint the faces with water colors. Yarn makes the bushy-looking eyebrows or flaxen hair for the choir boys. Pipe cleaners can serve to frost a border of batter around the edge of the window pane.

Now there's a festive holiday window decoration!

That God, good, is the only power governing and protecting man and the universe is pointed out in the Lesson-Sermon to be read in Christian Science churches this Sunday. "Is the Universe, Including Man, Evolved by Atomic Force?" This is the question which comprises the subject of the Lesson. The Golden Text is from Hebrews: "Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands" (1:10).

The omnipotence of God is emphasized in various selections to be read from the Bible such as this one from Psalms (24:1): "The earth is the Lord's and the fulness thereof; the world, and they that dwell therein." The following statement by Mary Baker Eddy, the Discoverer and Founder of Christian Science, will be included in the correlative passages to be read from the Christian Science textbook: "A material world implies a mortal mind and man a creator. The scientific divine creation declares immortal Mind and the universe created by God. Infinite Mind creates and governs all, from the mental molecule to infinity" (Science and Health with Key to the Scriptures, p. 507).

NEWS FROM CHEANEY

Ann Love home.
Other callers were Mr. and Mrs. Alton Ferrin and daughter, Ann, of Midland, and Mrs. Ferrin's nie-ces, Edna Sadzewicz of Mass., who is making her home with them for an indefinite time.
David Revel of Gorman, spent Saturday night with his grandpar-ents, Mr. and Mrs. Jack Revel, and attended church at Cheaney.
Gay Nell Blackwell visited with Charlene Blackwell Sunday.
Mrs. Alton Underwood visited Tuesday at Desdemona with her sister, Mrs. Tony Ash.
Roy Gene Ainsworth spent the week-end in Ranger with his uncle, Tom Fox and family. His par-ents, the Monroe Ainsworths, went for him Sunday afternoon and visited her mother, Mrs. Garland Dav-is and Mr. Davis for awhile.
Mr. and Mrs. Ben Freeman are the proud owners of a beautiful new Plymouth automobile, pur-chased this past week. Now, this is my chance to mention that we, too, have a new Ford pick-up. Had been trying to herald the fact—modest-ly, of course.
Mr. and Mrs. Joe Butler made neighborly calls, Sunday afternoon in the John Tucker home and the

WANTED: Lots of letters to a sailor lad, who could not be home on Christmas. Let's send him a lot of letters. Address: Wesley Elliott, USS J. D. Jackson, D. E-219, 5th Fleet P. O., New York, N. Y.
All the various illnesses in the community are improved at this reporting, except for the usual seasonal "code in the head."
Mr. and Mrs. J. D. Rogers and sons, Douglas, Dwight, and David and Billy Joe Rogers and mother, visited in the home of their sister, Mr. and Mrs. Oliver Galloway, Sunday.

The Ben Freemans made an evening call on the John Loves late in the week. Mr. and Mrs. Hat-ley/Dean were dinner guests of the J. D. Rogers family Sunday, while the Freemans had as their guest, Lloyd Ash following church ser-vice. Saw the Dick Weekes car pass on their way from Comanche to the Freemans home, incidentally.
