An over weight vehicle is required to remove excess weight before being allowed to continue. Other violations found during a safety inspection earned this vehicle an "out of service sticker."

Texas Department of Public Safety vows:

Overweight and illegal vehicles pay the price

by Bill Galusha

The Texas Department of Public Safety, License and Weights Division works hard to keep unsafe and illegal commercial vehicles off the highways in Garza County. To help in their effort, Garza County Commissioners Court has re-opened the weight scale station on highway 207 and Old Mill Road. "We really appreciate the county putting this in. Its location and large parking space are ideal," said Charles Longfellow, DPS trooper.

Texas Department of Public Safety troopers, Weights and License Department, Charles Longfellow and Oren Hooper patrol the area in and around Post and Garza County.

Troopers Longfellow and Hooper randomly stop commercial vehicles on the highway and escort them to the weight station in Post. The vehicles are weighed and paper work is inspected. Safety inspections are done on some vehicles. The Safety inspections are done according to Commercial Vehicle Safety Alliance (CVSA) regulations. The C.V.S.A. has been adopted by the United States, Canada and Mexico.

The purpose of the C.V.S.A. is to set guidelines for safety inspections of commercial vehicles that are the same in all three countries. "By having our neighboring countries standards the same as ours we know when a vehicle is not complying with the laws in either

of the countries," said Longfellow.

The safety inspection guide lines follow certain criteria and standards set by trucking industry personnel as well as the DPS. Inspection safety checks include checking the lights, the brakes, horn, air lines, exhaust system, steering wheel play and making sure a load is secured properly.

If any of these inspections fail to meet the standards set forth by the C.V.S.A. the vehicle can receive an Out of Service sticker. A bright orange fluorescent sticker is placed on the vehicle and it is not allowed to be driven from the premises until the violations are corrected.

September 14, in a two and one half hour time frame four vehicles were stopped and inspected. Of the four vehicles inspected, three received an Out of Service sticker. One of the vehicles had only two brakes out of adjustment and was allowed to continue. Of the other three vehicles two had over 20% faulty and one had over 50% of their braking system faulty.

Other violations on one of the vehicles included flat spots on tires, a bolt missing on the axle holding it to the suspension, oils soaked brakes, and a faulty Tractor Protection valve, (if the trailer separated from the tractor it would have no braking system). Also two chains with a Working Load Limit

of 1,000lbs were holding a load in excess on 50,000lbs., and over weight on one axle of over 15,000.

Five of these violations warranted an out of service sticker, meaning the vehicle was not safe to operate on the highway. The truck was moved to the back lot and adjustments, repairs and safety regulations were corrected before it was allowed to continue on its way.

"Many vehicles operate on highways that are dangerous and illegal. According to federal regulations each morning before moving a commercial vehicle a pre-operational check is supposed to be performed and each evening a post operational inspection is to be performed by the driver of the vehicle," said Longfellow.

If these inspections are done on a routine basis, violations such as the brake adjustments could be corrected at the time in a matter of minutes. "Time is money for these trucks. Taking ten more minutes in the morning could save them hours of delay here at the scale," said Longfellow. Being stopped at the scale and forced to repair these infractions is just one part of the delay and the expense. Some of the violations are taken before the JP court and fines are levied. "That costs money and more time," said Hooper.

Spartan offers free bus rides

by Bill Galusha

The citizens and businesses of Post are working hard together in making Post a town they can be proud of. Ever since C. W. Post, the cereal king, founded Post City in 1907 Post has enjoyed a populous of neighborly citizens and businesses.

Spartan Transportation is one of those businesses. For the last six months they have furnished free transportation to and from Old Mill

Trade Days. Spartan had agreed to furnish the bus rides to Trade Days on a trial six month period. "If people don't use the services it will probably be discontinued," said Jim Plummer, Post Chamber of Commerce, President.

The Post City Express shuttle bus is designed to make it more convenient for Post citizens to get around Post. The shuttle runs Friday and Saturday,

10 a.m. till 6 p.m. and stops to pick up passengers at 14 locations around Post. "We appreciate Spartan providing this service. I hope the demand and use of the service picks up so we can continue it," said Plummer.

Old Mill Trade Days is held at the historic Postex Mill every Friday, Saturday and Sunday before the first Monday of each month, the next dates will be Sept. 30- October 2.

School Board approached for an on campus health facility

by Bill Galusha

Hugh Bonner, Ph.D., Associate Dean in the School of Allied Health and Associate Professor in the department of Physical Therapy and Occupational Therapy addressed the Post school board during their regular session. Bonner presented to the board a proposal of a school based health clinic.

The health clinic proposed would primarily provide services that are not available in Post at this time. Mainly rehabilitation type services that people are now going to Lubbock to receive will be available. Physical therapy for stroke victims for example would be available on site.

The proposed clinic would be on school property and be available to all citizens of Post. The reason for the clinics location on school property is the accessibility to high school students. It is the intention that the

clinic would attract high school students and encourage them to pursue a medical career and return to rural areas to practice their profession.

Bonner told the board there would be no cost to the school for the clinic. If the school did not have a building for the clinic they (Allied) would file for grant money. This proposal is only in the talking stages at this time. The board requested that Allied talk to all medical facilities now in Post to assure that it would not conflict with any facilities that are now here and report back to them.

Another topic of discussion was the new Offer Vs. Serve program. In the past students being served in the school lunch line were served five items, whether they wanted them or not, which created a lot of waste. In the Offer Vs. Serve they are offered the same five items but are only required

to take three.

The Offer Vs. Serve program has been in other Texas schools and has been successful. This cuts down in the amount of food needing to be cooked as well as the amount of food that gets thrown away. The student is still given the required amount of nutrition they received in the forced five food program. But by cutting back on waste it is saving the school district money.

A group sequence program was brought up for discussion by Dr. Bobby Bain. A group sequence program is a program where teachers in a lower grade discuss with teachers in higher grades what they expect the students to know by the time they enter the next grade. The decision was tabled. It was voted the substitute teachers be accepted and the board pay the monthly bills.

S.T.A.R.S. membership explodes

by Bill Galusha

"Students, Teachers, Adults, Reaching Solutions, (S.T.A.R.S.) held its first organized meeting last week at the Post Middle School. Dedra Adams, sponsor of the group said, "The response has been overwhelming. It keeps growing all the time." At the first meeting of S.T.A.R.S. there were 25 members. As of September 15 the membership has grown to 103.

Membership in S.T.A.R.S. is open to all 6th, 7th and 8th grade students who sign a pledge to remain alcohol and drug free while part of the group. The

pledge they sign reads as follows: I hereby pledge, as an active member of S.T.A.R.S., to fulfill the following rules to the best of my abilities. To provide help for others, when it is needed, to pass my knowledge on to younger children; and to remain drug-alcohol-tobacco free as long as I am associated with S.T.A.R.S. It is then signed and dated.

S.T.A.R.S. purpose is to educate, train and support others to live a drug free lifestyles. S.T.A.R.S. plans to work with both Post Middle School and Post Elementary School students.

Puppet shows and drug prevention activities are just part of what activities they have planned in the future.

Officers of the S.T.A.R.S. are: President, Luke Williams; 1st Vice President, Kelci Hart; 2nd Vice President, Tori Foster; 3rd Vice President, Michael Felts; Secretary, Yvonne Lopez; Treasurer, Derek Cowley; Reporter, Mandy Terry; Historian, Olga Torres.

Anyone interested in joining the S.T.A.R.S. anti drug program can contact one of the members or Dedra Adams.

Main street projects successful

The Texas Main Street Program met Thursday, September 15 in the Community Room at the First National Bank. Barbara Hardin Main Street Manager hosted the goal setting program which featured the guest speaker Anice Read, Deputy Director of the Texas Historical Commission.

Read became interested in the pilot Main Street Project of the National Trust and in April, 1979 produced a

conference entitled "Main Street Texas" that was attended by 450 participants. An announcement was made in the spring of 1980 that a competition would be held to select six states for the National Main Street pilot project.

Of the 33 states that applied, six were chosen and Texas as one of them began its program. Since 1981 the Texas Main Street projects have resulted in

over \$330.2 million of private reinvestment in the downtown's of numerous Texas cities. Over 4,350 buildings have been rehabilitated, 2,487 new businesses opened and 8,999 additional jobs have been created. Read considers Post to be one of the most successful Main Street Projects in Texas. "The smaller the

Fiestas Patrias celebrates 184 years

by Bill Galusha

September 15 marked 184 years of independence from King Fernando of Spain for Mexico. September 15, 1810 Miguel Hidalgo Costilla called the "bells", a call for everyone to come together. Viva Mexico, Viva la Virgen de Guadalupe, a declaration of war against Spain was declared by Mexico. Mexico won its independence from Spain in 1821 after 11 years of fierce fighting.

This year marked the fourth year of the Fiestas Patrias celebration in Post. The festivities began at 10 a.m. Saturday morning with a parade down Main Street. The parade included floats and horse-back riders dressed in Sombreros and Mexican costumes.

Food booths and games, along with live music and dancing began at the Post rodeo grounds at noon.

Melanie Valdez returned for the second year in a row as the festival queen. The Night Crew and Puro Tejano bands both of Post, provided Country Western and Tex-Mex music for the dance that lasted until midnight.

Middle school recycle project goes over better than expected

by Bill Galusha

Post Middle School principal Marita Jackson along with the middle school students have initiated several new programs this year: S.T.A.R.S., Project Wisdom, and a recycle program. Most projects have been the suggestion of school personnel.

The recycle program was the brain child of Kelli Collier. "She thought of it and started it all by herself. She got a couple of friends to help make the boxes, but it was her idea," said Jackson. Collier was reading a book titled *50 Simple Ways Kids Can Save The Earth* and noticed an article on recycling. She wrote to the address in the article and waited for the reply.

After receiving the information on how to start a recycle program in school, Collier approached Mrs. Jackson with the idea. After getting the OK from Jackson, Collier recruited a few of her friends to make several custom boxes for the recyclable items to be collected. Products that are being recycled are: newspaper, clear glass, white paper, plastic, and aluminum cans.

Collier along with the aid of her mother, deposits the items in the appropriate recycle containers in Post. "The response from the students and the teachers has been excellent. You gather up more than you realize once you start collecting," said Jackson. Collier and her mother are presently

working with the city and Deanna Lee, county extension agent, in an attempt to get a dumpster placed on school grounds to be used for recycling only.

At the present time Collier is doing the whole project alone. "After football

started the kids that were helping me didn't have time anymore," Collier said. The time she spends on the recycle project doesn't seem to affect her studies any. Collier is also a member of the National Junior Honor Society.

Dispatch photo by Bill Galusha

Post Notes

Immunization clinic scheduled Sept. 26

The Texas Department of Health will be sponsoring an immunization clinic September 26 from 9 a.m. - 11:30 a.m. and 1 p.m. - 4:30 p.m. The office is located on S. Hwy. 84, Snyder Highway. More information can be obtained by calling 495-3586 or 495-3587.

Reception to honor DeLeons

A reception will be held Sunday, September 25 from 1:30-2:30 at the Post Church of Christ Fellowship Hall to honor Lino and Olga DeLeon for all they have done for the citizens of Post and to wish them well as they move to Cal Farley's Boys Ranch. Everyone is invited.

WPS offers support group

Women's Protective Services support group for victims of domestic violence is held every Tuesday from 9:30 a.m. until 10:30 for adults who have been emotionally, physically or sexually abused by a spouse, relationship partner or family member. The group meets at the WPS office located at the Post Mill. For more information call 1-800-736-6491.

Fund established to benefit Gordon

A benefit fund has been established at the First National Bank of Post for Linda Gordon. All donations will assist Gordon with incurred medical expenses.

Founders' Day Style Show set

A Founders' Day Style Show will be held October 1 from 11:00-12:00 at the Old Mill Trade Days, Rainmaker Stage. Tickets and t-shirts for the Founders' Day festivities will be available at the Old Mill Trade Days from Sept. 30-Oct. 1. For more information call 495-3988 or 495-4157.

Hours set for historical museum

The Garza County Historical Museum located at 117 N. Ave. N will be open Wednesday through Saturday from 10 a.m. through 12 p.m. and 1-5 p.m. Volunteers are needed, call Brenda at 495-2207.

Post Community Center has new hours

Newly appointed director of the Post Community Center, Corki Quilliam, has announced the new office hours of 1 to 4:30 p.m. For additional information call 495-2000 from 8 a.m.-12 p.m.; 495-3140 from 1-4:30 p.m. or 495-3463 evenings.

Service Officer available in courthouse

The Garza County Service officer will be available at the Garza County Courthouse 9 a.m. until 4 p.m. the third Saturday of each month from 9 a.m. until 4 p.m. For an appointment or information call Ann Stelzer at 327-5301 after 6 p.m.

Art Guild plans art sale & exhibit

Post Art Guild, 131 East Main, is planning an X's and Us Reunion Art Sale & Exhibit, for the Founders' Day celebration. All ex-members should call 495-4000, 495-2980 or 495-4148 for more details.

Jamaica at Holy Cross October 1

A Jamaica celebration will be held Saturday, October 1 at the Holy Cross Catholic Church from 11 a.m. to 6 p.m. Food, drinks and games will be available and a street dance will be held from 8-12 with music provided by Puro Tejano. There is no charge to enter the dance, however donations will be accepted.

Black Tie and Boots tickets available

Tickets for the Black Tie and Boots Dinner and Dance are now available. The event will be held October 14. For more information, tickets or table reservations call 495-3988 or 495-4157.

FBC seeking Senior Adult Choir members

The First Baptist Church would like to extend an invitation to anyone ages 55 and over to come and join or Senior Adult Choir. Our Choir meets on Wednesdays from 10:30-11:30 a.m. in the church Fellowship Hall. A pot-luck lunch will follow rehearsal on the first Wednesday of the month.

Xi Delta Rho establishes scholarship fund

The Xi Delta Rho chapter of Beta Sigma Phi has established a memorial fund to be used for scholarships for local graduating high school seniors. To make a donation to the scholarship fund call Karen Palmer at 495-2023 or Jaynie Dickson at 495-3422. Both can be reached during the evening hours.

Southland Homecoming September 23

Southland High School's Homecoming is scheduled for September 23 beginning at 7:30 p.m. with the football game. A dessert fundraiser will be held after the game in the cafeteria followed by a dance from 10 p.m.-12:30 a.m. Everyone is welcome!

Assistant Service Officer available Sept. 24.

The Assistant Garza County Service officer will be in the County Courthouse on Saturday, September 24 from 8 a.m. to 12 p.m. For an appointment or for more information contact Ann Stelzer at 327-5301 after 6 p.m.

Commodities distribution

The commodities distribution are held on the third Monday every month at the Service Center on the Snyder Highway. The center will be open for the distribution from 9 - 12 and from 1-3 p.m. The commodities distribution will continue at the Service Barn until further notice.

Caprock Ladies Golf Association

The Caprock Ladies Golf Association will hold their weekly meetings every Wednesday night at 6 p.m. at the Caprock Golf Course. Any woman who enjoys playing golf or would like to learn the game is encouraged to attend.

District retirement board meets at Hotel Garza

By Bill Galusha

Texas County and District Retirement System Board of Trustees, (TCDRS) held their quarterly meeting at the Hotel Garza September 15 and 16. The nine member board of trustees are appointed directly by Governor Ann Richards, and are in charge of the handling of retirement funds for all county and district employees in the state.

The TCDSR was established in 1967 and is governed by a nine member Board of Trustees. TCDSR has 100,000 general members, with 15,000 members receiving retirement funds. The trustees are entrusted with the management, distribution and investment of the members \$4 billion dollar retirement fund.

All trustees are appointed directly by the governor of the state with the advice and consent of the Senate. Attending the meeting were: Judge Giles Dalby, Chairman; Judge Maxine Darst of Terrell, County Judge Kaufmanco.; Sam Seale, Executive Director of Texas Assn. of Counties, Austin; Ray Henry, Comptroller TCDSR, Austin; Joseph Froh, Manager Member

Communications TCDSR, Austin; Alan Adams, Assistant to Investment Manager, TCDSR, Austin.

David Flores, Auditor Williamson county, Georgetown; Bill Wallis, Commissioner Smith County, Tyler; Katy Caldwell, Harris County Treasurer, Houston; Nelda Wells Spears, Travis County Tax Assessor-Collector, Austin; Patsi Hatfield, Benefits Director, TCDSR, Austin; Terry Kendall, Corporate Counsel, Austin; Bob May and Mark Fenlaw, Rudd & Wisdom, Actuaries, Austin; and Terry Horton, Executive Director, TCDSR, Austin.

Also attending were Mrs. Sylvia Seals, Mrs. Lou Froh, Mrs. Georgia Wallis, Mrs. Mark Fenlaw, Bill and Bobby Hicks, and Mrs. Bob May. Nelda and Giles Dalby hosted a chuck wagon dinner for the group at the Cross H Ranch Wednesday evening. Thursday the group toured the OS Museum and attended the evening production of "Fourposter" at the Garza Theatre.

Sherriff department speaks at Southland

by Bill Galusha

Garza County Sheriff Kenneth Ratke and Deputy Tommy Binford provided a safety program for the third grade class at Southland Elementary School Thursday, September, 8. Binford began the one hour program by speaking to the children about the various duties of the sheriff department. Southland school officials that attended the safety meeting were Superintendent Terry Smith, Principal Brett Koch and third grade teacher Mrs. Wilke.

"Can anybody tell me what the sheriff department does," Binford started the program by asking. One of the third graders raised their hand, "arrest bad people," he stated. After a smile and a slight chuckle, Binford went on to explain how the police (sheriff dept.) serves the public in many different ways and does a lot more than just arrest bad people. They also assist in helping children who are lost, abused or in trouble he explained.

To assist in explaining crime, prevention, safety, and how to avoid dangerous situations the students were given booklets written on their grade level making it easier for them to understand. These books were made possible through the sponsorship of local merchants. The local merchants were: Chaparral Steak House; Corner Deli, Grocery and Market; Larry Mills & family; Holly's Drive In; Hotel Garza Bed and Breakfast and Hackberry Co-op Gin.

Marilyn Crenshaw, a Post resident, and owner/operator of "Special Memories Personalized Books," will present the safety program to various schools in over a dozen counties of West Texas. The booklets used in presenting the program range from first grade to ninth grade levels.

At the end of the program the students are given a personalized hard back book starring themselves and McGruff the Crime Dog, along with pamphlets that allow parents to have a permanent record of their child's fingerprints and other important information such as identifying marks, medical history, and color of hair and eyes etc.

If you would like information on how to be a sponsor of next year's Give-A-Book program, contact Marilyn Crenshaw at (806)495-3766.

Representative to speak September 23

U.S. Rep. Bill Sarpalus' mobile office will be in Post on September 23 from 12:30 p.m. to 1:30 p.m. at the courthouse.

The mobile office will be traveling to each town in the district on a periodic basis. For more information, contact Guy Brown, Community Representative, at 817-767-0541.

Band Boosters to host BBQ prior to homecoming game

Post Band Boosters will have a barbecue supper Friday, September 30 prior to the Homecoming football game. The supper will be held in the school cafeteria from 5 until 7 p.m. Barbecue brisket with all the trimmings, including dessert, will be available. Take out orders are also encouraged. Plates are priced at \$5 for adults and \$3 for children, 10 and under. Tickets are

available from any Pride of Post Band member, Band Booster or at the door. Proceeds will go towards a band trip.

Tobias receives OU scholarship

1994 Post High School graduate, Mario Tobias, was one of 14 students to receive a National Hispanic Scholarship at the University of Oklahoma. Tobias, son of Francisco and Carol Tobias of Post, intends to major in aerospace engineering.

The University of Oklahoma has set an all-time high for freshman National Scholars with 192 enrolling this year. This fall, 160 National Merit Scholars, 18 students in the National Achievement Scholarship Program for Outstanding Negro Students and 14 National Hispanic Scholars are attending OU.

According to OU's Interim President J.R. Morris, OU has attracted the largest number of National Hispanic Scholars ever in the university's history.

Tax 'n Facts

by Terri S. Cash, CPA

TAX-FREE GIFTS--AND TAXABLE ONES, TOO

Most tax-savvy parents and grandparents are aware of the advantages of giving substantial gifts to family members free of gift tax: It's a superb way to move money out of an estate without triggering gift taxes. Another tax break allows additional tax-free gifts for educational and medical purposes, as long as the money is paid directly to the institution providing the services.

Consider this, too: sometimes it's wise to make additional gifts, even if they trigger a gift tax. It's a good method, for instance, to remove future appreciation on an asset from the estate, as well as the income that the asset would have earned. Also, the giver may have to pay a gift tax on a large gift—but not on the gift tax, itself. Estate taxes levy a tax on the entire amount.

Dividing an estate may eventually save on estate taxes. Because of bracketing and phase-outs of the unified credit, an estate of \$20 million pays more than twice as much as two \$10 million estates.

Give more to your heirs and less to Uncle Sam. We'll show you how at

"Around the corner from Danish Imports"

495-2872

I want to start by thanking Mary Cade for volunteering to work with Arthur at the trailer last Wednesday. They both agree with me that about 95% of our recyclers are senior citizens! I think it is interesting that many times those people who talk the loudest about recycling have never been seen bringing anything to be recycled!

One of the reasons the older generation is more active in this effort is probably because they are able to see the big picture. As we get older we realize more and more that what we do today has a direct effect on what our children and grandchildren will inherit tomorrow. We all need to remember that what we "do" speaks a whole lot louder than what we "say".

Speaking of this, I just read something about children and competition by Dr. Sarah Anderson of the Texas Agricultural Extension Service that I want to pass on. I think it is especially appropriate with school back in session. The expression "the rat race" refers to the constant striving to achieve and get ahead. As adults, competition can be a motivating force in our careers and personal lives. Gearing up for school, many children will be involved in team sports. Team sports for children provide opportunities for teamwork, building self-esteem, physical activity and winning, as well as losing.

The old saying "It's not whether you win or lose, but how you play the game" can be an important concept to reinforce as children compete. Often times, the desire to win on the part of the team, the coach and other parents puts tremendous stress on children.

Parents can help children feel good about themselves and competition by keeping these simple things in mind:

- Make sure children try out different activities to find one they feel good about. Specialization in a sport can come later.
- Make sure the sports program keeps in mind that the players are children, not adults!
- Remember, that it is your child playing, not you. Don't compare your child's accomplishments to your past achievements.
- Most importantly, be positive and reinforce your child's achievement. The right attitude can make childhood sports a fun and positive experience.

As a reformed user of wooden cutting boards, I feel an obligation to tell you that recent findings by the FDA reveal that plastic cutting boards are much better than wood. After extensive testing, they found that microorganisms are quickly and easily trapped in porous wood surfaces, not easily dislodged by rinsing, and survive for long periods under high moisture conditions, even after a dishwasher cycle. Most of the bacteria can be removed from the plastic by simple rinsing. Hopefully, this information will save some of you from potential food poisoning.

The Extension Homemakers and I had a wonderful time in Lubbock last week. There were some really good workshops, and had the opportunities to exchange ideas and programs with women from around the state, at the TAFCE annual state convention. Former Garza County Extension Agent, Ann Nobles, won our quilt "Stars Around Texas." We have all agreed that even though we wanted to win, we were glad that someone who has a connection here in Garza County was able to take it home. Congratulations Ann!

We're making plans for the Food Project, so you 4-H'ers start looking at recipes and trying them out on your family. This year we are going to hold the Garza County Food show at the Trailblazers. We hope there will be a good turnout of entries, so we can attract a large audience of food tasters! If you want to get ahead of the game, decide on a recipe and start your research about the nutrients in the ingredients and also learn the food pyramid. We have scheduled the county food show for November 1, because the District 2 show will be November 19. I'm going to keep in touch with what's happening here, so I hope I hear that we've had a record number of entries from Garza County 4-H'ers.

Founders' Day celebration begins with style show

A Founder's Day Style Show will kick off the annual Founders' Day celebration, scheduled for October 14-16. The show will take place October 1 at the Rainmaker Stage at the Old Mill Trade Days from 11:00 a.m.-12:00 p.m. Fashions will be presented by Danish Imports, La Posta and Lily Dales.

Founders' Day t-shirts and tickets for the upcoming events will be available at the Founders' Day booth September 30 through October 2 at the Old Mill Trade Days.

For more information or to purchase table reservations or tickets for the Black Tie and Boots event, call 495-3988 or 495-4157.

Gun safety course Oct 8-9

State regulations stipulate "anyone born on or after September 2, 1971 must have completed a 'Hunters Safety Course.'" If a person is caught hunting without a certificate of completion from a certified instructor of the course they are subject to fine and loss of their weapon.

The next course for the Lubbock area is scheduled for October 8-9 at the Lubbock American Legion. Anyone wishing to sign up for the course must call in advance. A five dollar fee is charged for the two day course and a certificate of completion will be issued at the time of satisfactory completing the course. The number to call for a reservation is 806-792-7839 leave your name and number.

No one can be original by trying.

Dispatch photo by Jerry Taylor

Sammy Zubia #71, Noe Gomez #30 and Stewart Childers #76 team up for a tackle in Friday's game at Floydada. The Antelopes went on to win the game over Floydada 40-0.

Antelopes roll past Whirlwinds

The Antelopes traveled to Floydada Friday night to battle the Whirlwinds of Floydada. After a sluggish start, the Lopes found the right combination when quarterback Bodie Simpson's pass was deflected by a Floydada defender, but landed in quick end, Cody Bain's hands.

Bain caught the ball at the Floydada 44-yard line and ran untouched into the end zone with 0:46 to play in the first quarter. The play covered 80 yards. Simpson's extra point try was low and the Lopes led 6-0.

Post's second score of the night was the culmination of a 65-yard drive and Brad Lawson scored the touchdown on a one yard plunge into the left side of the line. The Bold Gold went for two points on the extra point try. Simpson faded back to pass, but all his receivers were covered and he sprinted into the end zone for the two point conversion, making the score Post 14 Floydada 0.

The third score of the night came after an Antelope interception of a Whirlwind pass. Coach Osborne called a reverse pass, the Whirlwinds were fooled and wingback Hart, Casey lofted a perfect strike to tight end Javier Saldivar for the touchdown. Simpson's extra point kick split the uprights and Post led now by a score of 20-0.

The Antelopes scored again on the play of the first half. Floydada had driven the ball to the Post 7-yard line with 14 seconds left on the clock. The Floydada quarterback dropped back to pass the ball to his wide receiver. Brad Lawson stepped in front of the receiver and returned the ball 103 yards for another Antelope score. Simpson's extra point try was blocked and the Antelopes went to the dressing room with a 27 point cushion.

Post kicked to start the second half. Floydada drove the ball from their own 30 yard line to the Antelope 11 yard line. The defense stiffened and the ball went to the offense. Post scored with 1:53 to go in the third after Russ Bird ran to the 1-yard line after a 72 yard run. Bird scored the touchdown on a 1-yard plunge. The extra point try by Simpson was no good and the lead was now 33-0.

The Antelopes last score of the night was a 34-yard run by tailback Alvin Reed. Simpson PAT was good and the Lopes lead was now 40-0. Floydada stormed back after returning the kickoff to the Antelope 35-yard line. Post was flagged for interference which moved the ball to the 1-yard line. The Whirlwinds lined up for a 2 point extra point try. The home team quarterback ran the option and went

untouched into the end zone. The score was now 40-8 which was the final score.

The Antelopes travel to Ralls Friday night to play the Jackrabbits in the opening 4-AA district contest for both teams.

RUSHING: Russ Bird 4 carries for 86-yards, Brad Lawson 8 carries for 59-yards, Alvin Reed 6 carries for 49-yards, Bodie Simpson 3 carries for 38-yards, Casey Hart 2 carries for 9-yards, David Quintana 1 carry for 4-yards.

RECEIVING: Saldivar 2 receptions for 46-yards, Bain 21 receptions for 80-yards, Lawson 1 reception for 7-yards and 1 interception run back 103 yards.

PASSING: Simpson 3 for 8 for 105 yards, Hart 1 for 1 for 28-yards.

TACKLES: Leading tackler Noe Gomez 13 tackles, Casey Hart 12, Russ Bird 10, and Manuel Zubia 10. Floydada offense, 40 rushes for 224-yards, 3 for 15 passes for 34-yards for a total of 258 yards, with 3 interceptions.

ANTELOPES AT RALLS 7:30 P.M.

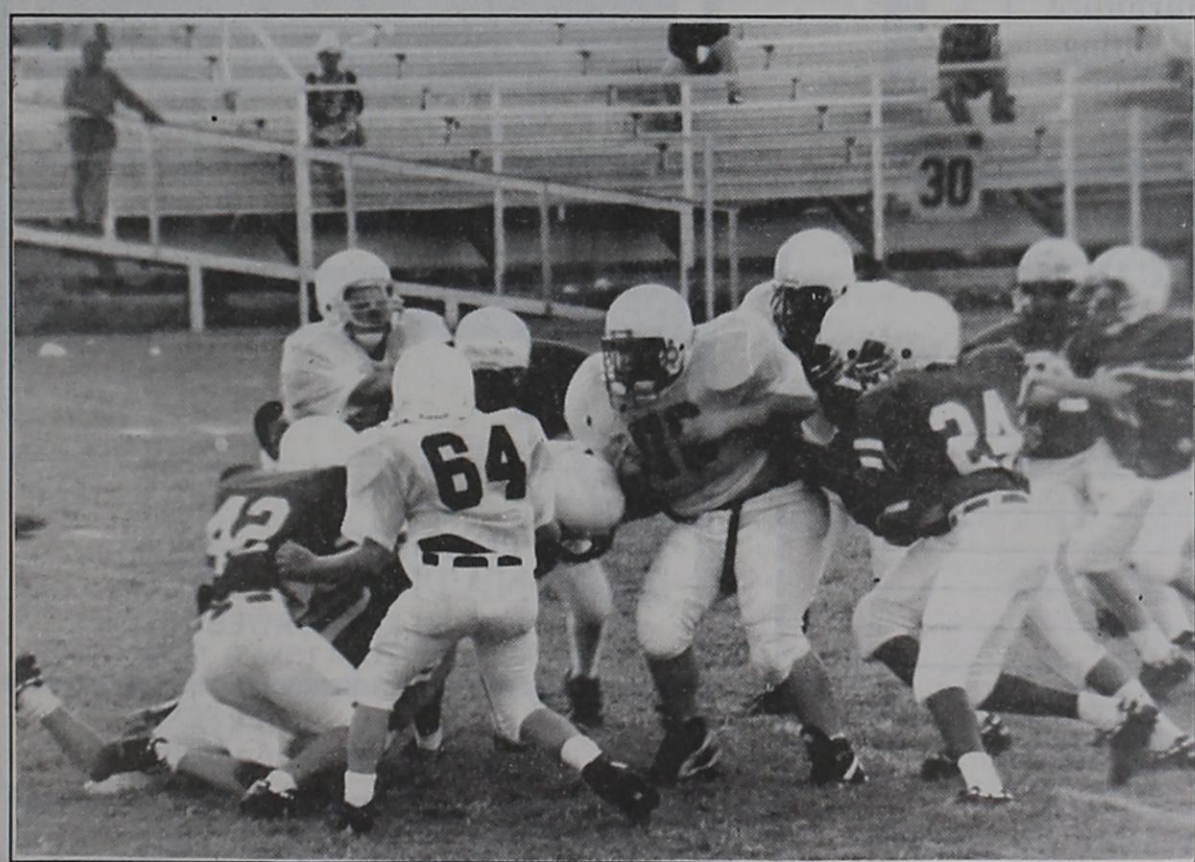

Eighth grade loses to Floydada 26-20

Post 8th grade antelopes failed to score in the first half. The score at the end of the first half was 0-8. Post was trailing 0-20 before they scored. In the third quarter Post made a three play drive with Joey Ward running 37 yards for the touchdown, but failing to make the conversion. The score was 6-20.

In the fourth quarter the Antelopes kicked an outside kick and got the ball back at the 40-yard line. After eight plays Ramon Perez ran the one yard for the touchdown. Albert Armendarez ran in the two-point conversion. The final score was 14-20.

"We played good defense in the

second half. Ramon Perez, T.J. Gaydos, Roy Soto, Chris Dawson and Isaac Perez. Playing well on defense was Armendarez, Terry Foster, Joey Ward, Daniel Fluit, Joe Don Schoonover and Brent Justice," said Coach Darrell Radle.

Dispatch photo by Jack Pittman

Joe Don Schoonover #76 and Daniel Fluit #64 struggle to overcome the six point deficit in their game with Floydada last Thursday. Floydada beat the Lopes 14-20.

Seventh grade beats Floydada 38-0

In the first quarter tailback Billy Crawford ran 4 yards for a touchdown with quarterback Rocky Gomez throwing to tailback Braden Conner for the extra points. The score at the end of the first quarter 8-0 Post.

In the second quarter Crawford ran 14 yards for the touchdown. The extra points were made by fullback, Raymond Jefferson. The score at the end of the second quarter 16-0 Post.

Braden Conner ran 9 yards across the end zone for the touchdown in the third quarter. Crawford took the ball across for the extra points. Raymond Jefferson made a 60-yard return of a fumble for a touchdown, no score on the extra point attempt. The score at the end of the third quarter was 30-0 Post.

In the fourth quarter Conner made a 14 yard run for the final touchdown. Crawford made the extra points for a final score of 38-0.

"On offense our line did a great job of blocking. Center Adrian Gonzales, guards Michael Saldivar and Scotty Gaydos, tackles Jarrett Bland, Randy Moore and ends Luis Leos and Jason Fields deserve a lot of credit for our 36 points," said Coach Chili Black.

"Defensively, Luke Williams, Dominic Pequeno, John Radle and Matthew McCallister had good games," Black added.

Dispatch photo by Jerry Taylor

Bodie Simpson snags a one handed reception.

JV wins over Floydada 26-6

In the second quarter, touchback Israel Perez scored from 10 yards out. No extra points on the PAT. Floydada then scored on a 56 yard pass with a failed PAT, making the score 6-6 at the end of the second quarter.

In the third quarter Israel Perez scored from 3 yards out and Perez also scored on the PAT. Making the score Post 14 Floydada 6. Quarterback Josh Grisham threw a pass to quick end Seth Pennell for 32 yards. With a failed PAT the score at the end of the third quarter was Post 20 Floydada 6.

In the fourth quarter touchback Mario Romero scored from 1 yard out but failed to make the PAT. The final score was Post 26 Floydada 6. "Our offensive and defensive lines totally dominated the line of scrimmage. That was the key. We finished the pre-season 3-0 and are looking forward to district," said Coach Mitchel Rasberry.

Statistics: Post 44 carries for 222 yards, 3 of 7 passing for 63 yards, totaling 285 yards. Floydada total yards 129.

Football Contest

Post City Bucks can be redeemed at any participating sponsor!

\$100 in Post City Bucks Prizes Offered Each Week
 First Place..... \$20
 Second Place.....\$15
 Third Place.....\$10

\$55⁰⁰ Bonus offered by the Post Dispatch
 if you guess every game including the tie breaker, Correctly!
 This bonus prize will be in the form of Post City Bucks good at any of the participating sponsors of this contest!

RULES AND REGULATIONS

1. The contest will continue through November 4, 1994. Each week is a separate contest with \$100 in prizes offered each and every week.
2. There are 12 games to pick this week. One game will be found in each participating sponsor's ad appearing on this page. Write the names of the teams you believe will win, in the Entry Form. On the game designated "tie breaker", guess the actual score of the game.
3. Anyone at least 12 years old or older may enter the contest. Only one entry per person. More than one entry will disqualify all entries for that person. Only the official entry form printed in the Post Dispatch on this page will be eligible for consideration. NO facsimile, photo copy or other reproduction of the entry form will be accepted.
4. Entry forms must be submitted to designated sponsors no later than 5 p.m. each Friday prior to the games listed for that week.
5. Entry forms must be correctly completed and signed by the person submitting the form with the correct address. Incorrect entries will be disqualified. In all instances, the decision of the judges will be final.
6. Entry forms must be signed by the person submitting the form, entries known to be signed by a person other than the one who completed the form will disqualify that entry.
7. In the case of a tie, contestants guessing nearest to the actual "tie breaker" game score will be declared the winner. In case of identical scores, prize money will be divided equally.
8. Employees of the Post Dispatch and their families are ineligible to participate in the contest. Owners and employees of participating sponsors may enter the contest.

WATCH THIS SPACE EACH WEEK
 For instructions on where to submit your completed entry form. Boxes for entry forms will be moved every week to five different participating sponsors.
THIS WEEK...submit your entry form before 5 p.m., Friday at one of the following sponsors:

- United Supermarket
- Hudman Furniture
- Ammons Printing
- El Matamoros
- Jan's

The production will be presented March 24-26, March 31-April 2, April 7-9 and April 14-16, 1995. For more information contact the Garza Theatre at 1-800-846-3706.

Check It Out from the Post Public Library

The Post Library Board met Tuesday, September 13. New officers were elected as follows: President - Cathy Courtney and Secretary, Treasurer - Preston Poole. Betty Dennis will serve as publicity chairman.

Librarian Jeanette Bell reported on several issues affecting the library; the most important being funding. The board expressed unanimous appreciation to the City Council, the Mayor and the City Manager for providing funds to maintain and improve the quality of the library. The board also suggested that library users contact their city officials to thank them.

It was decided that monthly book reviews would be solicited. If you are interested in writing one or more of these please contact Bell.

Bell reported plans to post the new books received each month. Recent arrivals include *Pretty Boy Floyd* by Larry McMurry, *Son of the Circus* by John Irving, *Death Dream* by Ben Bova and *Runaway* by Heather Graham. New titles are also available by Donald Westlake, Gail Godwin, Mario Morgan, Carolyn Hart and Gillian Roberts.

A recent addition to the permanent collection is a 32 volume set of "The Great Illustrated Classics" which was donated by a group from Lubbock who had come for trade days. The group commented that you can tell much about a town by its library.

IMPORTANT NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND FAIRNESS HEARING

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN
DISTRICT OF ALABAMA SOUTHERN DIVISION

Russell Price, et al vs. Ciba-Geigy Corporation
NO. 94-0647-CB-S

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON®

and Their Spouses, Children, Other Relatives and Legal Representatives:

GALECRON® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS
MARKETED IN THE U.S. BY CIBA-GEIGY CORPORATION. IT WAS NOT
MARKETED FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO
GALECRON® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING
AND/OR CASH PAYMENTS UNDER A PROPOSED LEGAL SETTLEMENT.

You may belong to a class of people covered by a proposed settlement of a legal action ("Settlement"), and you may be entitled to receive the benefits of the Settlement. This Notice tells you who is covered by the Settlement, and describes the litigation, the benefits of the proposed Settlement, and your legal rights. All Settlement Class members who do not timely exclude themselves from the lawsuit will be bound by the Settlement if it is approved.

PLEASE READ THIS NOTICE CAREFULLY
IT MAY AFFECT YOUR LEGAL RIGHTS

FOR MORE INFORMATION CALL 1-800-565-3126
By Order of the United States District Court for the Southern District of Alabama, a class action has been conditionally certified for settlement purposes on behalf of Settlement Class Members (as defined below) who may now or later have claims against Ciba-Geigy Corporation arising out of work-related exposure to Galecron®. On January 30, 1995, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph St., Mobile, Alabama, 36602, at 9:00 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Settlement summarized in the Notice should be approved as fair, reasonable and adequate. This hearing may be continued without further notice.

I. DEFINITION OF CLASS

Under the Settlement, Galecron® is defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product, or any metabolite of Galecron®, including the substance known as 4-COT or 5-CAT.

The Settlement Class is defined as:

- (1) All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Galecron® ("Exposed Persons")
 - a. **Plant Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment at Ciba-Geigy Corporation's St. Gabriel, Louisiana or McIntosh, Alabama sites, was exposed to Galecron®, including, without limitation, individuals who worked in manufacturing, formulating or packaging Galecron® or in the waste disposal of Galecron®, or worked in the construction, demolition or maintenance of any facilities used for the foregoing activities at such St. Gabriel, Louisiana or McIntosh, Alabama sites; or
 - b. **Formulators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained, in whole or in part, Galecron®; or
 - c. **Applicators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment, was exposed to Galecron® while involved in the application of pesticides which contained, in whole or in part, Galecron®, including, without limitation, aerial and land applicators, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; and
 - d. **Other Covered Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® at the Clean Land, Air, Water Corporation or Environmental Purification Advancement, Inc. disposal sites located near Bayou Sorrel, Louisiana; at Empak, Inc. in Deer Park, Texas; or in a testing or research laboratory, whether or not owned by Ciba-Geigy Corporation; or
- (2) The spouses, parents, children or other relatives of the Exposed Persons described above.

(Collectively "Settlement Class Members"). *Note: If you are an Exposed Person, you are a Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, parents, children or other relatives are Settlement Class Members but the claims they are settling are limited to those arising from an Exposed Person's exposure.*

Relevant Dates

Galecron® was registered for use from 1968-1989. Some Exposed Persons may have been exposed before or after those dates.

II. IMPORTANT MEDICAL NOTICE To Plant Workers, Formulators, Applicators and Other Covered Workers (as defined above):

You may have an increased risk of developing bladder cancer if you had on-the-job exposure to Galecron®. Workers exposed to Galecron® should participate in a medical monitoring program because early detection of bladder cancer can result in more effective treatment. As part of the Settlement, Ciba-Geigy has agreed to establish a medical monitoring program for the detection of bladder cancer for those individuals who do not exclude themselves from the lawsuit. Within six months, this program should be available free of charge to all Exposed Persons who do not exclude themselves from the lawsuit.

If you had on-the-job exposure to Galecron®, it is recommended that you or your doctor call 1-800-565-3126 to learn how you can obtain further medical information or enroll in the medical monitoring program.

III. BRIEF SUMMARY OF LITIGATION

On February 8, 1994, a class action lawsuit was filed against defendant, Ciba-Geigy Corporation ("Ciba-Geigy"), in Alabama State Court, which lawsuit was later removed to the United States District Court for the Southern District of Alabama. The Complaint, as amended, alleges that the Settlement Class as defined above is entitled to damages for medical monitoring and other compensation as a result of Exposed Persons' exposure to Galecron®.

Ciba-Geigy has filed an Answer denying all essential allegations of the Complaint, and asserting affirmative legal defenses. The Court has decided that the case can proceed as a class action for purposes of settlement only. This does not mean that the Class Representatives would have been successful had the case gone to trial. The Court has made no such determination, and the proposed Settlement is not to be construed as an expression of any opinion by the Court as to the merits of any of the claims asserted against Ciba-Geigy.

IV. PROPOSED SETTLEMENT

A Settlement has been entered into between the Class Representatives, Class Counsel and Ciba-Geigy, which will resolve all past, present and future claims against Ciba-Geigy arising out of Exposed Persons' exposure to Galecron®. The Settlement provides for the establishment by Ciba-Geigy of two funds to provide medical benefits and compensation to Exposed Persons or their legal representatives.

(1) **The Medical Monitoring and Treatment Fund ("The MMT Fund").** If the Settlement is approved, Ciba-Geigy will make an initial deposit of \$5,000,000 into the MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money Ciba-Geigy can be required to contribute over the life of this Fund.

The MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with Galecron®; specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. The MMT Fund also will pay for all medically necessary treatment not paid for by Medicare or Medicaid if the Exposed Person has been or in the future is diagnosed with such bladder cancer.

The MMT Fund will pay for medical monitoring to Exposed Persons for a period of 20 years, and will pay for medical treatment until one full year passes with no claims for treatment being filed but in no event less than 20 years. Ciba-Geigy will have no obligation to continue the medical monitoring and treatment program if the Settlement is not approved. Only Exposed Persons, i.e., eligible Plant Workers, Formulators, Applicators and Other Covered Workers, as defined in this Notice, will be entitled to medical monitoring and treatment.

(2) **The Disease Compensation and Administration Fund ("The DCA Fund").** If the Settlement is approved, Ciba-Geigy will also make an initial deposit of \$30,000,000 into the DCA Fund. In addition to medical treatment paid for by the MMT Fund, the DCA Fund will make cash payments of up to \$410,000, as set forth in more detail below, on behalf of an Exposed Person who, after exposure to Galecron®, has developed or in the future develops the form of bladder cancer alleged to be associated with Galecron®; specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. Cash payments will vary depending upon the Exposed Person's age, smoking status and participation in the health screening program. For Exposed Persons who are non-smokers and participants in the health screening program, the cash payments will be as follows: (a) \$10,000 in the event of treatment involving an invasive procedure (this is a one-time payment regardless of the number of procedures); (b) up to \$150,000 in the event of a radical cystectomy (bladder removal) with diversion of the urinary tract, which amount will decrease with a person's age to a minimum of \$10,000 if the Exposed Person is 85 years or older; and (c) up to \$250,000 in the event an Exposed Person's death is found to be caused by bladder cancer, which amount will decrease with age to a minimum of \$17,500 if the Exposed Person is 85 years or older. An Exposed Person may collect separately for (a), (b) and (c) above, so that the maximum payment to an Exposed Person is \$410,000. The cash payments described above will be reduced by 12.5% if the Exposed Person had smoked in the five years prior to diagnosis. A separate 12.5% reduction will be made if he or she had failed to participate in the health screening program in each of the three years prior to diagnosis (or in each year that the program was available, if less than three years). The DCA Fund also will pay \$1,000 to any Exposed Person who was diagnosed with hemorrhagic cystitis within three months following exposure (this is a one-time payment regardless of the number of manifestations). In addition, the DCA Fund will pay for administrative costs, and class counsel's attorneys' fees, costs and expenses as determined by the Court. All cash payments from the DCA Fund are paid only on account of a compensable claim of an Exposed Person, i.e., an eligible Plant Worker, Formulator, Applicator or Other Covered Worker, as defined in this Notice. Cash payments to a spouse, parent, child or other relative will only be made if they are the legal representative of an Exposed Person.

The benefits of the DCA Fund will continue as long as the MMT Fund continues, or until the DCA Fund is exhausted as set forth below. Ciba-Geigy has agreed to pay up to a maximum of \$45,000,000 for the benefits afforded by that Fund. If the DCA Fund is exhausted, Ciba-Geigy may continue paying for compensable claims. If Ciba-Geigy does not continue to pay, Settlement Class Members will be able to opt-out of the DCA Fund and will regain their right to pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer, because medical monitoring and treatment will continue to be available.

(3) **Other Conditions.** The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Galecron® exposure, that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible), medical treatment; and cash payments. The cash payments will not exceed the maximum amounts payable for the covered medical conditions set forth above.

(4) **Administrator.** A nationally recognized entity or entities with substantial investment and medical claims administration experience will be appointed by the Court to administer the Settlement. The Administrator will determine whether a Settlement Class Member is eligible for benefits under the settlement. Any disputes concerning a Settlement Class Member's entitlement to benefits will be resolved by a Medical Advisory Panel or by a single arbitrator, depending upon the issue in dispute. The decision of the Medical Advisory Panel or arbitrator each have the effect of an arbitration decision and shall be binding upon all parties, including the Settlement Class Member.

(5) **Release.** Settlement Class Members who do not exclude themselves from the Class release all past, present and future claims: (i) relating to the covered medical conditions listed above; and (ii) relating to an Exposed Person's exposure to Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Galecron®. This means that claims that Galecron® exposure caused any condition other than those medical conditions listed above will be released, but will receive no compensation or treatment, unless the Court approved Epidemiology Panel finds that such other condition is caused by Galecron® exposure. The release is effective as against Ciba-Geigy and certain additional releases as defined in the Stipulation of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy.

If you believe you are a member of the Settlement Class, and have any questions regarding any of the benefits set forth above, you are urged to call 1-800-565-3126 for further information.

V. CLASS REPRESENTATIVES AND CLASS COUNSEL

The Court has designated the following Settlement Class Members, Russell W. Price, Leslie E. Hoven, Grady W. Brown, Jennie Ropp Brown, Jack Harley Woodward, Alta Woodward, Joe H. Bowman and Martha Annie Bowman, as class representatives to represent all Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Eble; J. Cecil Gardner; Joseph J. McKernan; S.C. Middlebrooks III; Charles W. Patrick, Jr.; and Patrick W. Pendley. The Class Representatives and Class Counsel believe that the proposed Settlement is fair, reasonable and adequate. Class Representatives and Class Counsel have entered into the proposed Settlement after weighing the substantial benefits against the probabilities of success or failure, and the long delays that would be likely if the case proceeded to trial.

There has been no agreement between the parties regarding attorneys' fees. At the fairness hearing, Class Counsel will request the Court to award attorneys' fees and reimbursement of costs and expenses, to be paid from the DCA Fund. Class counsel will request a percentage fee award not to exceed 20% of the benefit conferred on the class, half of which will be requested to be paid over a 4-year period while legal work continues.

VI. RIGHTS AND OPTIONS OF SETTLEMENT CLASS MEMBERS

If you are a Settlement Class Member, you have the following options:

(1) **You may do nothing and remain a Settlement Class Member.** If you choose to take no action, your interests as a member of the Settlement Class will be represented by the Class Representatives and Class Counsel, at no cost to you individually. You will be bound by any judgment or final disposition of the litigation, and may participate in the benefits available as a member of the Settlement Class. It is important, however, to fill out the REQUEST FOR INFORMATION FORM in order to learn how to receive benefits.

(2) **You may remain a Settlement Class Member and either represent yourself or hire your own attorney to represent you at your own cost.** You or your attorney must file an Entry of Appearance with the Clerk of the Court and send a copy to Class Counsel and Ciba-Geigy, at the addresses set forth below. Such Entry of Appearance must be filed by December 16, 1994.

(3) **You may remain a Settlement Class Member and object to the Settlement.** Any Settlement Class Member who does not elect exclusion from the Settlement Class and who objects to the proposed Settlement must mail such objections and any supporting papers to the Clerk of Court, at the address set forth below, on or before December 16, 1994. If the person filing the objection intends to appear personally at the January 30,

1995 Fairness Hearing described above, he or she must file with the Clerk, on or before December 16, 1994, a Notice of Intent to Appear. Any Settlement Class Member who does not file objections in the time and manner described above is forever foreclosed from raising any objection to such matters. Any Settlement Class Member whose objection is overruled will still be bound by any judgment or final disposition of the litigation. Copies of all objections and Notices of Intent to Appear that are mailed to the Clerk of Court must also be mailed to Class Counsel and to counsel for Ciba-Geigy at the following addresses:

Class Counsel Galecron Class Action P. O. Box 974 Charleston, SC 29402	Counsel for Ciba-Geigy Henry B. Alsobrook, Jr. Adams and Reese 4500 One Shell Square New Orleans, LA 70139
---	--

(4) **If you choose to remain a Settlement Class Member (under Options 1, 2 or 3 above), you may receive the benefits afforded by this Settlement within six months of the Court's Order directing this Notice.** Ciba-Geigy has agreed to make all benefits afforded by this Settlement available to Settlement Class Members on an interim basis prior to final Court approval of the Settlement. The appropriate Proof of Claim forms will be required (see Section VII below), and an appropriate release will be required for any cash payments made. During this interim claims procedure, class counsel's fees and expenses will be paid upon approval of the Court and ultimately deducted from the DCA Fund initial deposit.

(5) **You may request exclusion from the Settlement Class.** If you elect to be excluded from the Settlement Class, you will not be bound by any judgment, disposition, or settlement of the class action, but you also will not be able to participate in the Settlement. You will retain and be free to pursue any claims you may have. If you wish to exclude yourself from the Settlement Class, you must mail a request for exclusion to the following:

Clerk of Court
United States District Court
For the Southern District of Alabama
113 St. Joseph Street
Mobile, Alabama 36602

Your exclusion request must set forth your full name and current address. Your written request for exclusion must be post-marked no later than December 16, 1994.

VII. PROOF OF CLAIM PROCEDURE

In order for an Exposed Person to receive medical monitoring, he or she will be required to submit proof of certain employment-related exposure to Galecron®. In order to receive medical treatment or the disease compensation outlined above, a Settlement Class Member will also be required to have been diagnosed, subsequent to exposure, with one of the covered medical conditions listed above. A Proof of Claim to participate in medical monitoring may be submitted at any time during the duration of the program. A Proof of Claim for a covered medical condition must be submitted within one year of diagnosis (or, if the condition has already been diagnosed, within one year after approval of the Settlement).

The Proof of Claim is designed so that you may complete it yourself. Class Counsel is available to answer questions you may have about claims procedures, without charge to you. If you desire legal assistance, you are free to retain an attorney of your choice.

To obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, please call 1-800-565-3126 or fill out the REQUEST FOR INFORMATION FORM below and mail it to: Class Counsel at P.O. Box 974, Charleston, SC 29402. No benefits will be available to any member of the Settlement Class unless he or she submits the necessary Proof of Claim Form.

VIII. FOR FURTHER INFORMATION

THIS NOTICE IS ONLY A SUMMARY. The complete terms of the Settlement, and all other pleadings and relevant documents in this litigation, are on file and may be examined or copied during regular business hours at the offices of the Clerk of the Court, United States District Court, 113 St. Joseph Street, Mobile, Alabama 36602. **DO NOT CALL THE CLERK OF COURT** if you have any questions about this Notice or the Settlement. Address any questions regarding this Notice or Settlement in writing to the Class Counsel at P.O. Box 974, Charleston, SC 29402, or by calling 1-800-565-3126.

Any requests for additional information, like the Proof of Claims Forms or a complete copy of the Settlement, should be made by calling 1-800-565-3126 or by filling out the REQUEST FOR INFORMATION FORM below and mailing it to Class Counsel. It is recommended that all Settlement Class Members who do not wish to exclude themselves mail the REQUEST FOR INFORMATION FORM, as it will facilitate further communication if the Court approves the Settlement. If you do not mail the attached form, the Court may not be able to communicate with you directly and you may not learn how to receive your benefits.

Rainfall amounts over Garza County ranged from 2 1/2 to 3 1/2 inches in last weeks rain. A mini river flows down Highway 84, on the corner of 6th street and Broadway. Rains are sure to help grazing land, but came too late to help the cotton crops.

Antelope boosters encourage enthusiastic, visible support

Football season is in full swing and the Antelope booster club urges fans to show support for the athletes by wearing school colors at the games, displaying flags downtown and generally encouraging an atmosphere of enthusiasm and excitement. Each year the booster club participates in a variety of projects designed to display support for the athletic teams.

One of the long standing traditions is making signs for each varsity player to display in front of their home. Booster club members generously donated time and energy to accomplishing this project for the past several years.

The flags seen flying on Main Street were ordered several years ago by the booster club. Unfortunately the business who designed and made the flags have not kept the art work on file which makes ordering additional flags cost prohibitive unless a large number are ordered at one time.

Many businesses and individuals around town have purchased posters of the Bold Gold Antelopes which sport the team photograph and roster for the 1994 team. Only two of the posters remain for sale. If you have not received one and are interested contact Lillie Hart at the Dispatch office for more details.

Another ongoing project this year is the sale of new caps. Many people who bought the gray caps a few years ago have worn their caps out, (which is exactly what dedicated fans are supposed to do.) New black caps with gold lettering are now available for sale. Contact Joe

Harris at the SPS office, Jamie Cooper, or Lillie Hart at the Dispatch office for more details on the caps. Boosters also will have caps to sell at the games. Be sure and have your new cap for Homecoming which is September 30. These caps are great throughout the year. They keep your head warm in the winter, cool in the summer, hide your hair or loss of it, and besides they look really good.

There also has been some interest in ordering black stadium coats with Post screened on the front. These coats are like the ones the coaches have worn the last couple of years. They have a detachable hood and do a good job of keeping you warm on the sidelines while out there cheering on the Antelopes. Sizes are small, medium, large, extra large and XX large. Coats will be special order only. Fill out the order form on the sports page and mail it in as soon as possible. Delivery will take at least three weeks from the time the order is placed.

The proceeds from all fund raisers go to projects such as the sign on the Lubbock highway proclaiming

Post as "Antelope Country", the signs for the players mentioned earlier, the fence around the track field, sports banquets for the athletes, carpeting for the boys and girls dressing rooms in the high school gym, and the goal posts at Antelope stadium.

Antelope boosters meet each Monday evening at 7 p.m. in the Food Lab at the high school. A brief business meeting is followed by the game film and comments by the coaching staff.

The booster club encourages participation by fans of all the sports programs, not just football. The girls basketball season starts the first week in November and projects complimenting that program need to be in the works soon.

The purpose of the booster club is to foster an appreciation of the dedication and hard work exhibited by the student athletes and to visibly and enthusiastically show the students that the town and fans are proud of their achievements and endeavors; to display and encourage good sportsmanship; and to recognize the accomplishments of those athletes who work so hard.

Maxey family reunion held in Throckmorton

The Wagon Creek Spade Ranch at Throckmorton, home of Steve, Jackie, Cheyenne and Schelli White, was the scene of a Quannah and Sue Maxey Family Reunion.

The Labor Day weekend event included lots of visiting, tall tales of the past, a volleyball tournament, a washer pitching tournament, a softball game, horseback riding, fishing, swimming and eating.

One highlight of the weekend was the first annual "Wagon Creek Ranch Bass Tournament." The prize winners were Sam Butler for most fish caught; Mark West for catching the largest fish and Lewis Mason won the smallest fish award.

Sunday morning the group had a worship service with Noel White leading the song service and reading the scripture.

Sunday afternoon was spent on a family history trip to the Throckmorton Cemetery where Mrs. Maxey's grandmother Kelly is buried. She was a teacher at Throckmorton in the late 1800's.

Then on to Fort Belnap where Mrs. Maxey's grandfather Kelly is buried. He drowned on a cattle drive in the Brazos River September 11, 1883. The Kelly family was living at Fort Belnap at the time. A tour of the museum at Fort Belnap concluded the afternoon.

Attending the reunion were: Quannah and Sue Maxey; Noel and Orabeth White, Lewis and Jane Mason; Ronnie and Diane Graves; Jack Graves; Brent, Michelle, Tye, Kenzie, and Kambry Mason; Brad Jessica, Xane and Maddison Mason, all of Post; Coby and Keitha Wright; Mark and Angela West of Lubbock; Sam and Ginger Butler of New Deal; Ron and Melinda Graves of Comanche and the Whites. Russel and Tonna Graves came by on Friday.

Holiday cards available to benefit cancer society

This holiday season you can show your friends and relatives how much you care about them while also supporting a great cause when you send American Cancer Society Holiday Greeting Cards.

There are 12 different cards to choose from and each can be imprinted with your own special message. Each box contains 25 cards.

Proceeds from the holiday

greetings will benefit cancer research and programs and services for Texas cancer patients and their families. The American Cancer Society strives to ensure that each community throughout the state has access to information and free services available to help fight cancer.

To order your greeting cards call 1-800-ACS-2345. Major credit cards will be accepted.

THE STATE OF TEXAS

To: TERRY MICHAEL STERRITZ, ROBERT A. STERRITZ JR., PATRICK STERRITZ, KRISTIE ANN STERRITZ, JOSIE MARIE STERRITZ, their heirs, their unknown heirs and the unknown heirs of their unknown heirs.

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A. M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 10th day of October 19 94, at or before ten o'clock A. M. before the Honorable 106th Judicial District Court of Garza County, Texas, at the Court House of said County in Post, Texas.

Said Plaintiff's Petition was filed in said court, on the 26th day of August.

A. D. 19 94, in this cause, numbered 94-08-05020-CV on the docket of said court, and styled,

JLA ENERGY L.P., Plaintiff vs. TERRY MICHAEL STERRITZ, ROBERT A. STERRITZ JR., PATRICK STERRITZ, KRISTIE ANN STERRITZ, JOSIE MARIE STERRITZ, their heirs, their unknown heirs and the unknown heirs of their unknown heirs, Defendants.

The names of the parties to the cause are as follows:

JLA ENERGY L.P. are Plaintiffs and TERRY MICHAEL STERRITZ, ROBERT A. STERRITZ JR., PATRICK STERRITZ, KRISTIE ANN STERRITZ, JOSIE MARIE STERRITZ, their heirs, their unknown heirs and the unknown heirs of their unknown heirs are Defendants.

A brief statement of the nature of this suit is as follows, to wit:
SUIT FOR APPOINTMENT OF RECEIVER as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Post Texas, this the 26th day of August A. D. 19 94

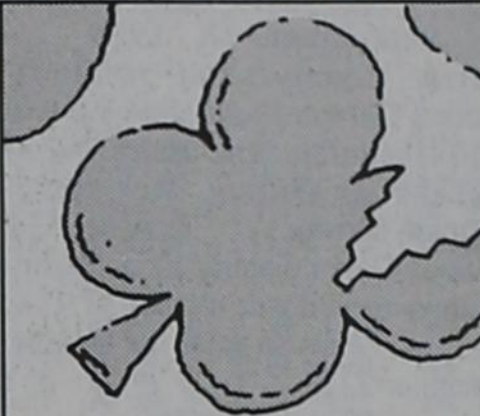

Attest: Sonny Gossett Clerk

District Court, GARZA County, Texas.

By: *Joy Bessinger* Deputy.

(SEAL)
*Insert names of ALL Plaintiffs and ALL Defendants. Do not use et al or et ux, etc., as substitute.
*Have also brief statement of nature of suit, proper description of property, if any, and interest defendants are alleged to hold in said property, if they have an interest therein. See Rule 114, Rules of Civil Procedure.

September 19, 1984
 Replacing bleachers at Antelope stadium and updating dressing facilities were the main topics of discussion at the monthly meeting of the Post ISD school board. The proposed new bleachers would allow for space under the home stands for dressing rooms. Discussion concerning dressing rooms was tabled until a later date.
 Major topics of discussion in the city council meeting during this time dealt with expanding the city limits and installation of new eight inch water lines to improve water pressure in the city.

 S/Sgt. Glendon Presson, son of Mr. and Mrs. W.F. Presson was named "Soldier of the Week". He was stationed with the 67th General Hospital in England.
 The Grassbur Victory Club met at the school house to work on kits for the Red Cross.

Hodges receives three-year approval on cancer program

The American College of Surgeons' Commission on Cancer granted a three-year approval to the cancer program at Methodist Hospital's Hodges Cancer Center. This program achievement meets established national standards to provide the highest-quality care for patients at the local level.
 The four components of an approved cancer program include: a multidisciplinary cancer committee to oversee the institution's activities; patient-oriented cancer conferences focusing on treatment strategy and rehabilitation; patient care evaluation studies for performance reviews of the institution; and a cancer registry for annual, lifetime follow-up on every patient.
 "The success of our cancer program has been built up on the hospital-wide committee and involvement in

the treatment of the cancer patient," said Dana Rains, Administrative Director of Hodges Cancer Center. "With the expertise and guidance of the Cancer Committee, Methodist Hospital's Hodges Cancer Center looks forward to continued advance in the treatment of cancer."
 Once a program has been awarded approval, it is re-surveyed every three years to ensure the continuation of quality service to its patients.

From the Pulpit

¿Esta Usted Listo? Jesus Viene!!

Para todo necesitamos hacer preparaci3n, a fin de estar listo en el momento y las circunstancias diferentes de nuestras vida.
 De lo 3nico que no tube que hacer personalmente preparaci3n fue para nacer. Dios y mi mam3 se encargaron de hacer los arreglos por m3. Si Usted se va a casar, son muchas las cosas que hay que preparar a fin de que cuando se case, todo est3 en orden. El preparar las invitaciones, los muebles, la casa, la recepci3n, el pastel, la fiesta, el ministro, la iglesia, ser3a insuficiente si cuando usted y su futuro compa1ero, a la hora de la boda no tienen la licencia de Matrimonio.
 Cuando vamos a tener a alguien que va a quedarse con nosotros, con tiempo, mi esposa comienza a prepararse a fin de que sus hu3spedes queden contentos con su estadia con nosotros.
 Si estamos esperando un nuevo miembro para la familia, hacemos las preparaciones y estamos listos para recibirlo y que no le falte nada. De acuerdo al sexo, nos preparamos; compramos las ropas apropiadas, una cuna, el cuarto, los alimentos, juguetes, etc. Son muchos los arreglos para que cuando el beb3 nazca, estemos listos.

Jes3s dijo en San Juan 14:6- YO SOY EL CAMINO, LA VERDAD, Y LA VIDA: NADIE VIENE AL PADRE, SINO POR MI.

Jose A. Payano

Esta preparaci3n nadie la puede hacer por ti sino que tu mismo, es t3 alma. Cuando Jes3s venga, si t3 estas muerto y moriste viviendo una vida de fe y fidelidad al Se1or, dejame decirte lo que dice la Biblia. Ella dice que t3 alma ser3 suelta del paraíso de Abraham y tu tumba se abrir3 y tu cuerpo mortal ser3 vestido de inmortalidad y lo corruptible en incorruptible y volar3 a estar con Jes3s por la eternidad. Ahora, si est3s viviendo una vida de pecado, en la voluntad de tu coraz3n, una vida de infidelidad, de mentira, de enga1os, de vicio y te mueres, cuando venga Jes3s, t3 tunba no se abrir3 (¿sorprendido?). Sino que tendr3s que esperar hasta la segunda resurrecci3n, porque vas a resucitar m3s tarde a la muerte eterna.
 No vale que el ministro haga un bonito funeral donde se digan cosas de ti y se eleven tus virtudes y cualidades. No va a valer que el sacerdote haga la mejor misa para t3 muerte. Esto es asunto tuyo, amigo y hermano. No importa que est3 tu nombre en el rol de membresia de una iglesia o est3s sentado en la plataforma de alguna iglesia tocando un instrumento o formando parte del coro. Esto no te garantiza seguridad al venir el Se1or. Lo que si te garantiza la victoria es vivir una vida santa y fiel para Jes3s el que ma1ana ser3 tu Salvador o tu Juez antes el Tribunal Divino. Preparate para el encuentro con t3 Dios!!
 Jose A. Payano

Where We Still Believe In Making House Calls

There's a house whose rooms I know by heart.

Where I tended the garden and read my books.

Where dreams were dreamt and memories made.

Where children grew up and I grew old.

There's a house where life was lived.

A house where I belong.
