

The Hedley Informer

VOL. 39

HEDLEY, DONLEY COUNTY, TEXAS, FRIDAY, AUG. 19, 1949

NO. 41

Baseball News

Last Sunday Washburn took away Hedley's chance for first place in the league by defeating the locals there 6 to 4. Everett pitched all the game for Hedley allowing only 6 hits and the Hedley boys got 10 hits off the two Washburn pitchers. Hedley erred 4 times and Washburn 5, but all four of the Hedley errors came in one inning giving Washburn 4 runs, 3 of them unearned in that inning. Groom lost to Panhandle 7 to 6. Groom will play Hedley here Sunday. The first of 3 game series to determine third and fourth place standing.

In league batting Latchell is leading the team with 571. However he has only 7 official times at bat. The leading hitter of the regular players is Messer with 381, Sims second with 367, Johnson third with 347, Everett fourth with 333, other hitters, Bonnie Mooring 323, Stone 305, Truitt 303, Lerman Mooring 303, Gibson 302, Bill Mooring 292, Seago 22., Mabry 200, Alexander 157 and Neeley 66; Davis failed to get a hit in 5 times at bat.

Willie Johnson for flowers, phone 58.

A good selection of RCA-Victor records at Moffitt Hardware Co.

We will buy and sell fruits and vegetables of all kinds at our roadside stand. Bring us your watermelons and cantaloupes. 387p Wynn's Roadside Stand

See Myrtle Kirkpatrick for flowers or leave order at Wilson Drug.

That's Right!

I will move dead horses or cow free of charge. Just call me, in 32, 4 rings; fast service, usually from one to two hours.

Thanks,
W. P. (Red) Doherty

Mr. and Mrs. O. C. Plunk

Guffee-Hill

Miss Janice Marie Hill, daughter of Mr. and Mrs. C. N. Hill, Route three, Plainview, became the bride of Clarence Edwin Guffee, son of Mr. and Mrs. Clarence A. Guffee of Floydada, in a beautiful lawn ceremony read at the home of Mr. and Mrs. Z. M. Holly of Plainview, Friday, August 5, at 8 o'clock, with Rev. L. A. Doyle pastor of the First Baptist church, Floydada performing the double-ring service.

Mrs. Z. M. Holly, organist, played a prelude of nuptial selections preceding the ceremony and provided a musical background for the exchange of vows. Mrs. Holly also accompanied Laverel Holly, soloist, singing Because. The traditional wedding marches were used.

Vows were exchanged before an arch of white gladioli, woodwardia fern and large white satin bows centered with white wedding bells.

Attending her sister as matron-of-honor, Mrs. Delmer Keisling of Plainview, wore a grey gabardine suit, with pink accessories and a pink carnation corsage.

Jack Moody of Paradise served his cousin as best man. Lewis Anderson, Floydada and Pete Huntsman of Rochester, were ushers.

Given in marriage by her father the bride was attractive in a white two-piece sharkskin suit with navy blue accessories. She carried a white Bible topped with white carnations.

Mrs. Hill chose for her daughter's wedding, black crepe and carnations. Mrs. Guffee, mother of the bridegroom wore black and salmon gladioli.

A reception was held following the ceremony in the beautiful decorated rooms of the Holly home. The bride's table was laid with a white cloth and centered with flowers and lighted blue tapers. The punch bowl was placed at one end of the serving table and three-tiered wedding cake at the other. Other appointments were of silver and crystal.

For a wedding trip to Lubbock, the bride traveled in a grey gabardine dress with navy accessories. The bride graduated from Plainview high school and attended Lippert's Business college, Plainview. She is now employed by Blair's Drug company of Plainview. The bridegroom is a graduate of Floydada high school and attended Texas Tech two years. He also attended Lippert's Business college, and at present time is employed at Southwestern Public Service company, Plainview.

Out of town guests attending the wedding were Mrs. J. C. Hill and Kathleen Spalding, Hedley; Mrs. Marvin McKinney and sons, and Mr. and Mrs. D. B. Leach of Canyon; Mr. and Mrs. C. P. Cunningham and daughters of Pond Creek, Okla.; Mr and Mrs Henry Kelley of Paradise; Mr. and Mrs. R. B. Rosson and family, Mr. and Mrs. H. G. Barber and son, Don, Mr. and Mrs. J. M. Williams and Mrs. L. A. Doyle, all of Floydada.

The friends and neighbors are still bringing in the grub. Thanks to Josh Jennings for a watermelon and a nice sack of okra, and to Mr. and Mrs. R. E. Mann for some peas, pears, peaches, watermelons and cantaloupes. We won't know what to do when frost gets these fine gardens.

School Opening

The Hedley schools will open for the new session with general assembly in the high school auditorium Monday, Aug. 22, at 9:00 a. m.

All parents and patrons are invited to the opening assembly. After this, the pupils will be enrolled and issued books for regular classes beginning Tuesday.

School Tax

The Hedley District school valuation has been raised from year to year, however this increase has not been of any benefit to the school because the State gets fifty cents of the taxpayer's money. Anytime the valuation is increased the State saves money. Or \$1.50 tax the school retains fifty cents to operate the schools, however if the tax rate is not increased the district must have approximately one million dollar valuation more to meet the amount of money to be raised under the Gilmer-Aiken Law.

Saturday is an important day for both the Hedley School and the Hedley Community. Support both by voting for the tax.

Revival Meeting

A revival meeting will begin at the First Baptist church Sunday, Aug. 21 and run through Sept. 4. Morning services will be from 10:30 to 11:30 and evening services at 8:00. Rev. J. Henry Co. of Amherst will do the preaching, and Bro. Marvin Hillis of Dallas will lead the singing.

Everyone is invited to come out and take part in these services.

Birthday Party

Miss Barbara Sue Johnson was honored with a birthday party on her tenth birthday last Friday by her mother.

Many games were enjoyed including a treasure hunt. After the many lovely gifts were opened and admired the little guests gathered around and sang Happy Birthday.

Cake and punch were served to Danny Malone, Benny and Bobby Lesley, Glenda and Barbara Hunsard, Beth Edens, Mildred Sims, Luanne Davis, Berle and Merle Owens, Nancy Hunsucker, Nina Fitzgerald, Betty Stout, Bobb Couch, Winston Johnson, Merry Ruth Whitfield, Wauneta and Glenda Anderson, Reatha Ransom, Beverly Jones, Mary and Marvin Baker. The hostesses was assisted by Patricia Murray Jones Mooley, Jean Hudson and Jacque Johnson.

Mrs. Charlie Fawks

Mrs. C. L. Johnson and son, Charles Neal went to Snyder, Okla., Wednesday to attend the funeral of her aunt, Mrs. Charlie Fawks, who passed away at her home in Dallas Monday. Funeral services were held from the First Christian church at Snyder, with burial in the Snyder cemetery.

Mrs. Fawks was a member of a pioneer family in the Snyder area, and lived there forty years before moving to Dallas two or three years ago. She was a sister of C. R. Ivie of Snyder, father of Mrs. C. L. Johnson.

Tom Adamson has just returned from a trip on his motorcycle to Albuquerque, N. Mex. where he visited relatives and went fishing in Blue Water Lake.

Donley County Farm Bureau To Sponsor Queen Contest August 27

The seven young ladies pictured on this page are entered in the Queen contest sponsored by the local Farm Bureau, which will be judged at Lelia Lake on Friday, Aug. 26. County winners will enter the district contest, and the district winners will enter the state contest at Dallas. The state winner will go to the national Farm Bureau convention in Chicago in December.

The girls include Sara Rains of Hedley, Marjorie Brock and Elba Jean Ballew of Clarendon, Catherine Usrey of Lelia Lake, Margie Crofford of Martin, Eva June Brock of Goldston, and Naoma Mooring of Midway.

We understand that out of county people will judge the county contest.

Dr. D. H. Cox and family have returned from a vacation trip to Creede, Cole.

Misses Ellen Faye and Millie Land are vacationing in New Mexico.

Mrs. Royce Crisler and sons of Frederick, Okla. are visiting this week in the T. J. Cherry home.

Rev. Frank Story and family are enjoying a vacation trip.

Attending the rodeo at Wellington Tuesday were S. G. Adamson and Jo Ann and Mrs. W. A. Hubbard and David.

A fine little son was born to Mr. and Mrs. Glyndon Cherry of Amarillo Saturday, Aug. 13. He has been named Mickey Wayne.

Lions Roar

Next week's regular meeting will be held at 7:15 on account of the revival services going on at the Baptist church. It is hoped to have the preacher and sing for the services at this meeting, to give us a short program.

Dedication service of the Lions Den was postponed until the September 8th meeting. It is hoped to have the floor on the den finished and other improvements made before then. There are five Thursdays in September so we will have a ladies night which will fall on September 29th.

Lions Jap Shaw, Chas. Rains, Rollie Kelley, L. D. Messer, W. L. Davis, Ed Boliver and Clifford Johnson attended a meeting at Samnorwood Monday night for the purpose of organizing a Lions Club there.

To Give Frozen Food Demonstration Aug. 31

A frozen food demonstration will be given in the Hedley high school home economics department Wednesday afternoon, August 31, at 1:30 with Miss Gladys Wright, home economist with the Greenbelt Electric Cooperative Inc. of Wellington in charge. The following local firms will sponsor the demonstration: Hedley Lumber Co., Messers Grocery and Locker and Moffitt Hardware and Furniture, and Mrs. Edna Lee Brown's homemaking students will be hostesses.

Free prizes will be given to those attending by the sponsoring merchants. The demonstration is free to the public and all R. E. A. members as well as everyone else in this trade territory are invited.

Misses Jackie Sue and Barbara Ann Wells of Memphis visited Jo Ann Adamson over the past week end.

Mrs. Ethel Miller visited last week in Raton, N. Mex. Her little grandson, La Mont Miller, came home with her for a visit.

WEEKLY NEWS ANALYSIS
A-Bomb Output Hits Record Peak; House Approves Vet Pension Hike; Anderson Proposes New Farm Plan

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

ATOM BOMB: Record Output

Maybe the atomic bomb isn't the world's most fearful weapon. Maybe the bomb's effectiveness for destruction has been over-emphasized. Maybe it doesn't mean anything at all—but if potential enemies of the U.S. could squeeze any comfort from those "maybes," they were welcome to it.

For the United States had announced that its atom bomb production had reached an all-time high in the first six months of this year, and production is now on an assembly-line basis.

IN making that announcement, the atomic energy commission also announced that enormous tonnages of low grade uranium ores, have been located in this country, and could be used to produce A-bombs in an emergency if foreign supplies of high-grade ore were cut off.

All these disclosures were contained in the commission's sixth semi-annual report to congress.

Pointedly enough, the report made no mention of recent to-level secret conferences relative to sharing information with Britain and Canada.

It did have a lot to say, however, about the problems behind those conferences—United States' dependence on high-grade uranium ores from Canada and the Belgian Congo.

THE REPORT revealed that reserves of semi-processed ores are being built up steadily "to assure continuity of production." Research is being pressed on new extraction methods to cut the cost of processing the low-grade ores which abound in this country. And "actions have been taken to improve and make more certain the supply of ore from abroad."

This latter statement, which was not explained, presumably referred to later negotiations with Britain and Canada for a long-term agreement on exchange of atomic information and division of uranium ore.

FARM PLAN: Something New

Farm plans, or substitutes thereof, were still kicking around the halls of congress, despite recent legislative action retaining the current program of farm price subsidies.

Latest proposal in the field came from Senator Anderson (D., N.M.) but it was another formula which didn't appeal to everyone's taste. Senator Anderson is the same gentleman who was onetime U.S. secretary of agriculture.

BRIEFLY, his plan called for flexible government supports for some crops, rigid control plans for others, and authority to try out the Brannan plan for subsidy on some perishables.

Anderson heads a seven-man subcommittee casting about for an acceptable farm bill. Unless the senate and house managed to get together on some program, the delayed-action Aiken law passed by the Republican 80th congress would take effect January 1. It would permit, although not compel, the secretary of agriculture to maintain supports for major crops on a flexible scale ranging from 60 to 90 per cent of parity.

The senators "try-out" proposal for the Brannan plan would be limited to "nonstorage perishables" including oranges, grapefruit, apples and vegetables.

ARMED UNITY: Up to Truman

Final action on the bill strengthening unification of the armed services was up to President Truman—but there was no doubt that he would affix his signature to the measure in speedy fashion.

By a lopsided vote of 356 to 7, the house gave final congressional approval to the measure in a bid for greater efficiency and economy in military operations.

The bill, which was sent to the President for his signature, sprung directly from the recommendations of the commission headed by former President Herbert Hoover.

THE citizens' committee for the Hoover report, headed by Dr. Robert L. Johnson, president of Temple university, immediately hailed adoption of the bill as "paving the way for savings of at least a billion dollars a year, and maybe more."

ROUGH GOING

Adversity Plagues Viking Saga Revival

The "invading" vikings had not counted on England's weather. So, what was to have been a thrilling, colorful arrival of a sleek oaken ship on the Thames, turned into a ride in a green bus, with the Vikings' horned helmets lying in their laps and their sharp spears neatly tucked away.

New Justice

U. S. Attorney General Tom Clark, smiling so broadly here, hesitated but a short while before accepting President Truman's offer of appointment to the United States supreme court bench. Sen. J. Howard McGrath (D., R.I.) was to succeed Clark as attorney general.

PENSIONS: More for Vets

Veterans of World Wars I and II and the Spanish-American war stood to benefit to the tune of an additional 112 million dollars a year if a bill passed by the national house of representatives is approved by the senate.

WITHOUT a single dissenting vote, the house passed a measure raising veterans' pensions and disability payments by that figure annually.

There was another possible hurdle for the measure, however, even if it should pass the senate, for house action on the bill was taken despite objections from the White House. Whether this means that President Truman would have the political fortitude to veto such a bill if it ever came to him is an interesting conjecture. The logical supposition is that he would not, particularly if he entertains any ideas of seeking a second term in 1952.

To indicate the potential weight of the veterans' vote as interpreted by house members, despite the fact that there was no opposition, a roll call was ordered and 354 members voted "on the record" as approving the measure.

THE VETERANS' administration estimated that the first year cost of the proposal would exceed 112.5 million dollars. It made no estimate of costs in subsequent years.

Principal provisions of the bill: Increase from \$138 to \$150 rate of pay for total disability; increase monthly payments to widows and dependents of wartime casualties; full compensation for World War I veterans with disabilities presumed to be service-connected, instead of the present 75 per cent; additional pay for dependents of veterans with service-connected 50 per cent disabilities.

At present such payments are made only if the disability is 60 per cent.

GIVE-AWAYS: No Sinecure

The business of winning radio give-away prizes is not all beer-and-skittles. A Hollywood insurance man is authority for the conclusion.

He spent his vacation as a contestant on such shows and wound up with \$150 in one week—much more than he could have made working. He attended 20 radio shows, averaging four a day, saying that he couldn't stand any more than that.

That's all he could stand, he said. "It's much more work than working," he explained. The questions are easy, but the nervous strain is terrific. It's too hard on me to do it more than one week each year. He made his killing, however, on one program. He was asked to tell a girl how her husband would feel about her having a baby.

He replied that "things are very convenient for fathers these days." For that he received prizes worth \$150. How to get picked as a contestant? Just sit on the aisle and wisecrack as the announcer goes by.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

... by bringing in
NEW SPENDING MONEY

Money for Sister's shiny new shoes, for Johnny's new suit for school, for all the things you need and want... comes from JOBS. And those jobs, of course, are possible largely because the owners of business and industry invest their money in plants and equipment.

United Gas has brought millions of dollars of new money into the Gulf South to build its producing, transmission and distribution facilities... money provided by thousands of stockholders and investors living all over the country.

This investment of new spending money is another example of the way the American Business System works to bring better living to your community.

UNITED GAS

... SERVING THE Gulf South

One of a series of ads illustrating the many ways in which United Gas contributes to the welfare of the area it serves.

HOUSEHOLD MEMOS... by Lynn Chambers

Make Pleasant Work of Canning Relishes
(See Recipes Below)

Savory Relish
RELISHES go with meals just as easily as some foods team together. What's a sandwich without crisp pickles, or peanut butter without jelly? Doesn't a meat platter look bare without spiced peaches? What's a hamburger without chili sauce or catsup?

If you answer these questions favorably, you probably are planning to stock your canning cupboard with a variety of these relishes, for they are just as much a part of your food supply as are fruits and vegetables.

There's little chance of failure if you follow recipes because spices and vinegar are a preservative and make success easy.

HERE'S A FAVORITE pickle which you'll want to make, especially if there are lots of sandwiches made at your home:

- Chunk Pickles**
(Makes 8 pints)
- 25 large (about 6 pounds) cucumbers
 - 3 1/4 cups salt
 - 3 quarts water
 - 2 tablespoons alum
 - 1 quart vinegar
 - 8 cups sugar
 - 2 2-inch sticks cinnamon
 - 2 blades mace
 - 1 tablespoon whole cloves
- Wash cucumbers; place in a stone crock or jar; cover with cold brine made by dissolving salt in water; let stand for two weeks. Remove cucumbers from brine; wash and trim off stems. Cut cross-wise, into one-inch pieces. Cover with cold water; add alum and let stand overnight. Drain and wash well. Combine remaining ingredients and bring them to a boil. Pour immediately over cucumber chunks and let stand. Repeat this process for three mornings, reheating the syrup each morning, place cucumbers in sterile jars. Pour hot syrup over them and seal at once.

- Chili Sauce**
(Makes 4 pints)
- 10 pounds red tomatoes
 - 1 quart chopped sweet red peppers
 - 1 cup finely chopped white onions
 - 1 quart sugar
 - 2 tablespoons salt
 - 5 cups vinegar
 - 1 teaspoon mustard
 - 1 teaspoon ground cloves
 - 1 teaspoon nutmeg
 - 1 teaspoon celery seed

Scald tomatoes, remove skins and cut out cores. Wash peppers, remove seeds and dividing membranes. Put all through food chopper. Add all remaining ingredients and mix thoroughly. Boil for two hours, stirring frequently to prevent burning, until thick. As soon as the sauce is of desired consistency, pour into sterile jars and seal.

LYNN SAYS:
Observe These Tips For Crisp Pickles

Salt used in making pickles should be of good quality, with not too much chemical added to it to prevent caking. Table or dairy salt, such as is used in flavoring butter, is good to use.

In making sweet pickles, do not place them in too heavy a syrup or they will shrivel. The vinegar solution should not be too strong, either, at first or the pickle will shrink.

- LYNN CHAMBERS' MENU**
- Fried Pork Sausage
 - Potato Salad
 - Sliced Tomatoes
 - Rolls
 - Butter
 - Pickles
 - Beverage
 - Grapes
 - Sugar Cookies

- Spiced Peaches**
(Makes 4 1/2 quarts)
- 10 pounds clingstone peaches
 - 3 1/4 pounds sugar (7 1/2 cups)
 - 5 cups vinegar
 - 4 teaspoons whole cloves
 - 3 sticks cinnamon
 - 4 teaspoons whole allspice
- Choose ripe but firm, medium-sized peaches. Place sugar and vinegar in a saucepan and heat to boiling. In the meantime, slip the skins off the peaches by dipping them in hot water for a minute or two, then in cold water. Stick two or three cloves in each peach. Tie remaining cloves, cinnamon and allspice loosely in a cheesecloth bag and drop this into the boiling syrup. Add 8 to 10 peaches and cook until tender. Place peaches in sterile jars and cover with lids but do not seal. When all the peaches are done, pour hot syrup into each of the jars to within 1/2 inch of the top. Seal at once.

- Plum Catsup**
(Makes 5 pints)
- 5 pounds plums, pitted and chopped
 - 1/2 pound tart green apples, peeled and quartered
 - 2 cups vinegar
 - 4 cups brown sugar
 - 3 tablespoons cinnamon
 - 1/2 tablespoon cloves
 - 1/2 teaspoon mace
 - 1/2 tablespoon salt
- Cook plums and apples in vinegar until soft enough to put through a sieve. Add remaining ingredients and simmer until as thick as desired. Pour into sterile jars and seal at once.

- Ripe Grape Jam**
(Makes 12 6-ounce glasses)
- 5 1/2 cups prepared fruit
 - 7 cups sugar
 - 1 box powdered fruit pectin
- To prepare fruit, slip skins from three pounds fully ripe grapes. Add one cup water to the pulp, bring to a boil, and simmer, covered, for five minutes. Remove seeds with sieve. Grind skins and add to pulp. Measure sugar into dry dish and set aside until needed. Place measured fruit into a five or six-quart saucepan, filling the last fraction of a cup with water, if necessary. Place over hottest fire and add fruit pectin; mix well and continue stirring until mixture comes to a hard boil. Continue stirring, bring to a full rolling boil, and boil hard one minute. Remove from fire, skim and pour into sterile glasses. Paraffin hot jam at once.

In making catsups, use a low heat and stir frequently to prevent the mixture from burning. Food choppers may be used for catsups, sauces and relishes for cutting vegetables and fruits easily.

Cider vinegar is most frequently used for pickling since many people like its mellow flavor. Light vinegar may be used for pickling light colored fruits and vegetables.

Over-mature vegetables will frequently give you tough and tasteless pickles.

Fruits which are overly-ripe should not be used for pickling as they will not hold their shape well enough to make nice pickles.

All relishes should be stored in a cool, dark place, away from drafts.

JUST

The laundress's rival tried desperately to find someone who could dispute the washwoman's assertion that she had blue blood in her veins.

"Could be," said one of those asked, "all the women on her side of the family have used washing-blue for eight generations."

Two very distinguished looking Southern gentlemen met on the street one morning after having attended a party the night before. The major greeted his ranking officer with all the respect and solemnity that the occasion demanded.

"Colonel," he said, "how do you feel, suh?"

The colonel's reply was just a bit on the brusque side.

"Major," he declared a little thickly, "I feel like hell, suh, as any Southern gentleman should, suh, at this hour of the morning."

A social climber, trying to impress a prominent member of a club she had just joined, traced her ancestry all the way back to Julius Caesar.

The prominent member admitted that went back quite a distance but pointed out that the pedigree of her own family filled six pages of parchment and in the middle was a notation, "About this time the world was created."

When Your Back Hurts
And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won country wide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

20-YEAR LAXATIVE HABIT BROKEN!

"Considering I was constipated for over 20 years and laxatives gave me no relief—it was amazing to find eating KELLOGG'S ALL-BRAN daily helped me so much!"

Mrs. H. Rutledge, 120 Corry Ave., Aero Vista, Warrington, Florida. Just one of many unsolicited letters praising ALL-BRAN. If troubled by constipation due to lack of bulk in the diet, try this: eat an ounce of crisp ALL-BRAN every day, drink plenty of water. If not satisfied after 10 days, return empty box to Kellogg's, Battle Creek, Mich. **DOUBLE YOUR MONEY BACK!**

Here's WHY Firestone CHAMPIONS

GO THROUGH WHERE OTHERS HANG UP!

LET'S talk facts... Here is a tire that has extra bar height, extra bar length, and a curved bar design that outcleans, outpulls, and outlasts any other tire. NO OTHER TIRE has ALL these advantages.

Those massive tread bars take a bigger bite, a better hold—and THAT'S NOT ALL. Because they're curved for self-cleaning, they keep right on pulling while other tires only clog and spin.

And here's another big feature. Every inch of tread-bar length does its share of the pulling because the low-pressure body design puts ALL of the tread in FULL ground contact for a FULL TRACTION BITE. Because it's patented, this tire gives you many advantages which no other tire has. Let your Firestone Dealer or Firestone Store demonstrate these facts to your satisfaction.

3 RULES FOR MAXIMUM TRACTION

1. USE FIRESTONE CHAMPIONS
2. USE FIRESTONE HYDRO-FLATION
3. USE ONLY 12 LBS. PRESSURE

Listen to the Voice of Firestone every Monday evening over NBC
