HEDLEY, DONLEY COUNTY, TEXAS, OCT. 30, 1964

NO. 2

Agriculture Census

Louise Henard of Wellington has been named a crew leader for the 1964 Census of Agriculture, Percy R. Millard, director of the regional office of the U. S. Bureau of the Census at Dallas announced today. The new crew leader is one of about 1,825 persons throughout the U. S. to receive this appointment.

The new crew leader will supervise a team of census enumerators who will visit all farms and ranches in Donley County to collect official census questionnaires from farm operators. Enumeration of all farms in the county will take place in November and early December.

The census will be taken in the following way: Shortly after Nov. 5, the Bureau of the Census, an agency of the U. S. Department of Commerce, will mail census questionnaires to all rural boxholders. Those required to fill out the forms should do so and hold the questionnaires until a census enumerator comes to collect them. At that time, the enumerator will help answer any questions that may have proved troublesome.

The crew leader is a key person in conducting a Census of Agriculture. He recruits and trains the enumerators, schedules their work, reviews the accuracy of completed forms, and conducts difficult interviews.

The Census of Agriculture is taken every five years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventories, and information on farm equipment and improvements and income and some production expenditures.

The information will be published starting in 1965 for counties, States, and the nation.

First Baptist Church

Pay off the organ Sunday, Nov. 1st. The church voted in business session to try to pay off the balance of \$200 on this Sunday, in conjunction with the cotton harvest, according to the pastor, Rev. Robert Estes.

R. L. Thompson

R. L. Thompson, 83, of Samnorwood, passed away last Friday in Thomas Nursing Home at Wellington. Funeral services were held Sunday afternoon in the Samnorwood Baptist Church by Rev. J. B. North, pastor. Burial was in the Plymouth cemetery near Samnorwood under direction of Kelso Funeral Home.

Mr. Thompson was a retired farmer. He was born in Union County, Miss., and moved to Collingsworth County from Ellis County 58 years ago.

He is survived by a daughter, Mrs. Charley Clement of Amarillo; two sons, Luther Thompson of Samnorwood and Leroy L. Thompson of Oklahoma City; two sisters, Mrs. Lela Terry and Mrs. Maggie Edrington of Ennis; three brothers, Arthur and Ab of Ennis and Nathan of Groom; 8 grandchildren and 22 great-grandchildren.

He was the grandfather of Luther Owen Thompson of Hedley.

The Kenneth Taylor family visited in Dallas last week end.

Amendments

Voters will decide Nov. 3 on three proposed changes in the state constitution. Apparently there is not a great deal of argument over the state about the three amendments.

No 1 would remove the legislature's authority to transfer up to one per cent of the permanent school fund annually to the available school fund.

No 2 would require notice to the public and to the Texas Water Commission of intent to introduce legislation creating or substantially altering a conservation and reclamation district.

No 3 would authorize the legislature to enact a program, under the federal Kerr-Mills act, of financial help for Texans 65 and older who are not on the old age assistance rolls but who can't pay for medical services.

These questions will be for the voters to decide.

Grant Johnson of Matador is visiting his grandparents, Mr. and Mrs. C. L. Johnson.

Clarendon High School Homecoming

Homecoming at Clarendon High School has been set for Saturday, Nov. 7th, with registration from 10 a. m. to 3 p. m. when a business meeting will be held. Day long activities will be climaxed by a banquet and dance at 7:30 p. m.

Tickets for the banquet are \$1.50 each and should be purchased in advance from Genella Eads or Basil Smith, Clarendon, or no later than the morning of Nov. 7th. There will be free baby sitting from 10 a. m. to 9:30 p. m.

Friday evening, Nov. 6th, there will be the Clarendon-Memphis football game, crowning of the football queen, and following the game, sandwiches, Cokes, and coffee will be served at the Canteen. Y'all come.

LIONS ROAR

This week is the Lions Ladies Night and Halloween Party. Masks will be furnished at the door if needed. Mrs. Nivens will start serving at 7:30 p. m. Might be turkey, dressing and pumpkin pie.

An excellent program has been arranged. Come out for a good meal, a good program and a good time. No charge for Lions. Ladies and other guests \$1.00 per plate.

Hedley P.-T. A.

The Hedley PTA met in regular session Monday night, with Mrs. Harold White as program leader. Mrs. R. M. Saunders gave the invocation.

Miss Ruth Richerson, County School Supt., spoke on We Help a Child by Supporting Quality Education.

Sherry Shaw of Clarendon gave the talk which she plans to give in a Future Teachers contest at Amarillo soon.

The 5th and 6th grades won the room count.

Recent visitors in the M. F. Quisenberry home were Mr. and Mrs. Howard McClellan and daughter Darlene and Ricky Allison of Amarillo.

Mrs. Eva Fields of Graham visited relatives here this week.

A PRICELESS RECIPE

In a health emergency, the little slip of paper on which your physician writes his prescription is priceless. You wouldn't part with it under any circumstances.

However, once the emergency has passed, human nature being what it is, you are apt to forget how valuable the prescription really was. Maybe you even grumble a little at its out-of-pocket cost, failing to remember the doctor's professional skill, the countless hours of pharmaceutical research and many other factors that made the "recipe" possible in a health crisis.

Permit our prescription department to fill your next "recipe for health."

The girls won by a score of 43 to 27. Jamie Evans was high for Hedley with 14 points.

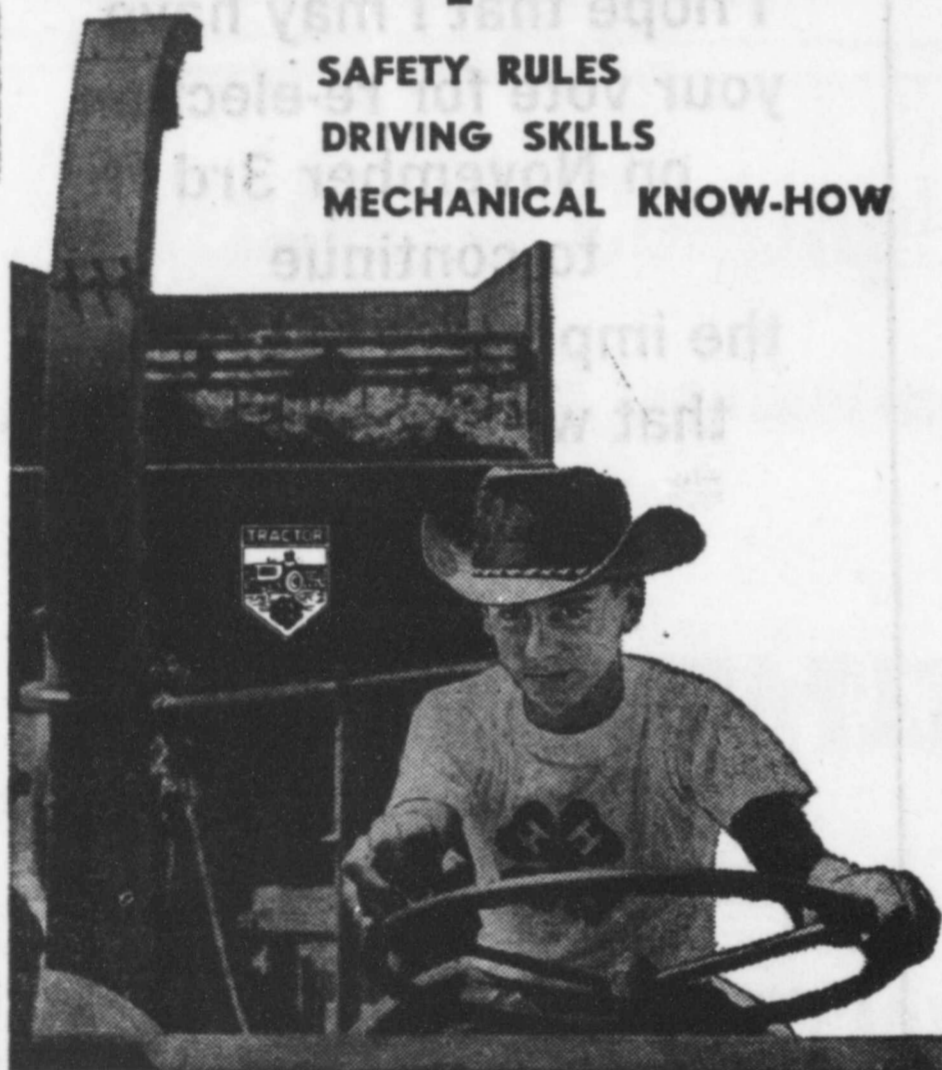

Cotton Report

With near perfect weather prevailing during the week ending Friday, Oct. 23, cotton harvesting in this section of the Panhandle continued to lag, according to the U S D A.'s cotton classing office in Memphis. Due to the lateness of the crop, and the desire of farmers wanting to wait for a killing frost before harvesting are the chief reasons for the small volume of sample receipts.

During the week we classed 2700 samples compared with 3200 last week stated K E. Voelkel in charge of the Memphis classing office. For the season we classed about 6,000 compared with 15,000 as of the same date last year. This reflects the delay in harvesting even though a large percentage of the cotton is open

This 4-H Operator Uses:

- SAFETY RULES**
- DRIVING SKILLS**
- MECHANICAL KNOW-HOW**

The 4-H Tractor program has trained well over a million youths to drive safely, handle the big machines and keep them in working order year around. The project is planned and supervised by the Cooperative Extension Service. In this state and five others, educational aids and awards are provided by the Humble Oil & Refining Company.

With today's big investments in farm equipment, it is vital that tractors are adequately maintained and put to maximum use, points out 4-H Club leaders. A breakdown could mean financial loss on crops.

There is always plenty to do in this project, even for the beginner. The program is divided into four sections. The first year participation acquaints the member with the tractor and safe rules for operation.

Second year members learn to operate the tractor and what it takes to keep it going. Care of battery, spark plugs, cooling system and tires is taught. Operating costs, including fuel and lubrication also are studied.

"Improving Your Skills" is the title of the third unit. This emphasizes highway safety, power take-off, brakes, power transmission, winter care and ownership costs.

The fourth year and advanced unit goes into detail on machinery care such as servicing and maintaining tillage tools, planters, harvesters and sprayers. By the time 4-H'ers have completed the fourth year, they usually have assumed responsibility for not only the farm tractors, but other machinery as well.

Over the years thousands of young 4-H farmers have been recognized in various ways for doing a superior job. The program sponsor this year again will provide an expense-paid trip to the National 4-H Club Congress in Chicago for the state winner. College scholarships worth \$500 each will be awarded to the top 12 members across the nation. They will be designated by the Extension Service.
