Making Big

Move

To those of you that have not already heard, we are moving "up town." We will be completing our move this weekend and will be serving from our new location this next Monday.

This move would not have been possible without the help of Volunteers. This is just a partial list: Buddy and Becky Brame, Frank Payne, Betty Evans and all of you that baked or bought at our bake sale. Several have contributed cash to help defray the cost of moving and they are: Kelly Plumbing, Maurice Newton, Jeannine Willeford, Mrs. R.D. Williams, Carolyn Page of Cisco, and if I have missed you please understand this move is a big job.

We had a big feast for our clients at Thanksgiving. The honor goes to Ben and Elaine Stephenson and Jeannine Willeford.

We still need cash for our move and would really appreciate any help whether it is large or small.

Be watching the papers for our "open house" before Christmas.

Our sincere thanks go to the two nice young men that made it possible to secure such a nice place to move. They are none other than Jim Hatchett, Jr. and Jud Gilliland.

See you soon at our "open house."

Railroad Commission Grants Lone Star Gas Company Rate Increase

The Railroad Commission of Texas Monday approved a \$42.9 million city gate rate increase for Lone Star Gas Company. The increase is the amount agreed to between cities represented by the Texas Municipal League and Lone Star, and is reflected in a settlement presented to the Railroad Commission in public hearing held in September. The Commission order includes 100 percent recovery of the utility's cost of purchased gas.

The revenue increase is less than half of the \$90 million originally requested by the company on June 25, 1982.

The ruling which took immediate effect raised the base city gate rate charge to \$4.02 for each thousand cubic feet of gas, an increase of 32 cents. They typical residential customer using 6000

cubic feet of gas per month will pay an additional \$1.92, a 6.6 percent increase. Commercial customers consuming 37,000 cubic feet monthly would have a bill increase of \$12.00, a 7.1 percent increase.

The city gate rate is the amount that the company's transmission division is permitted to charge the distribution divisions for gas delivered for sale to residential and commercial customers and for distribution company-used and unaccounted-for gas. The transmission division buys gas from producers and transports it to 536 cities and towns served in Texas by Lone Star Gas Co. The point at which city distribution systems purchase the gas from the transmission division for customer consumption is the city gate.

Girls Open With A Win Over Eula

The Baird Bearettes opened the 1982-83 basketball season with a bang, as they defeated Eula 50-44. The "lady bears" went in at half-time down by 4 points, but came out like gang-busters in the second half to outscore Eula 23-13, and take the game away from last years District 27A champions.

Three girls scored in double figures to lead Baird. Seniors Ester Mendez and Lisa Perryman put in 15 and 12 respectively, while Junior two-year starter, Tresa Hatchett poured in 11. Beth Ringhoffer tallied 6 points, Paula Fears added 4, and Jill Holland rounded out the point totals with 2.

Leading rebounder was Hatchett with

5. Mendez had 4 followed by 4 girls with 4 each. There were Ringhoffer, Holland, Fears, and Sophomore Donna Defosses. Four of the 5 starters fouled out as a combined total of 51 fouls were called on the night. Because of the foul situation the highlight of the night had to be the bench strength, as several girls had to come off the wood and seal the victory. Candi Creecy, Missy Higgins, Ronda Clarida, and Renee Walker did their job when called on. Senior guard Kim Austin is also due mention.

Baird next take on the Wylie Bulldogs of conference AAA. The Bulldogs are fresh from a 1 point victory over Coleman, one of the Big Country's best girls teams.

11 points. Codie Parkhill netted 10 points and Boone Gilliland and Dwayne Burns each scored 2 points.

Baird will host Anson on Monday, December 6th. Action will begin at 4:00 P.M. with the tip-off of the seventh grade girls' game.

Community Plans Activities That Will Add To Christmas Spirit

With Thanksgiving past the spirit of Christmas has already began to take hold in the community. With the merchants decorating their windows and stores, churches preparing special programs, and homes taking on a new look as well.

The Chamber of Commerce has invited "dear ol Santa" to Baird to visit the children. The exact time and place is not known at this time.

The First Baptist Church is planning a Christmas Contada December 19 at 7 p.m. Members from the First Methodist Church will also participate in

the Contada.

The senior and junior youths of the First United Methodist Church will present two Christmas skits at 6 p.m. on December 19, and plan to sing Carols for the residence at the nursing home on December 7th in conjunction with the regular Methodist service.

Before Christmas, Meals-On-Wheels plans an Open House at their new facility on Market Street. The time and date will be announced at a later date.

It looks like it will be a busy and happy time for the community with all the activities in store.

School Administration Opens Old Gym For Volleyball And Basketball

There is much interest in our community in both volleyball and basketball. This is by adults as well as students. Recently there have been several times when students, who have first priority on the gym, have been unable to practice basketball on week-ends.

Because of this conflict, and to be as fair as possible to everyone, yet keep the students' needs as the primary objective, the Baird school administration has decided to let the old gym be used on Monday through Thursday nights for volleyball.

Friday through Sunday will be basketball.

This is during basketball season only.

The administration also asks that anytime the volleyball net is put up, it be taken down before you leave. Leaving the net up, with the necessary cables, creates a safety

hazard as the younger students sometimes are not aware they are in the way and can trip on them.

It is also a school policy not to open the old gym anytime there is another school function going on at the school.

The support and cooperation of everyone will be greatly appreciated by the Administration and make the use of the gym more feasible to all of us.

Putnam Folks Celebrate Thanksgiving With Friends And Relatives

By Mrs. R.B. Taylor

Thanksgiving has come and gone, and we here at Putnam surely have a lot to be thankful for. First the wonderful rain we had Wed., Thurs. and Friday. Just a good old slow soaking rain. We had nearly three inches in all. We were also thankful that the temperature moderated and we did not have icy conditions on the roads. We had two wrecks here on the railroad overpass on I-20 Wednesday evening. Fortunately, no one was seriously injured.

Most everyone had family and friends to eat Thanksgiving Turkey, and we are thankful for family and friends.

Andy Maxwell celebrated his 10th Birthday Monday. His parents honored

him with a party at their home. About 30 friends and relatives came to help him eat the beautifully decorated cake and ice cream and to help him open his gifts. Many more Happy Birthdays Andy.

Mrs. Naomi Heyser, Mrs. Bonnie Farmer and Mrs. Lorene Fuller of Baird visited Mrs. R.B. Taylor Sat. afternoon. Mrs. Heyser and Mrs. Taylor went to Scranton to the Anniversary Party honoring Mr. and Mrs. Glover Johnson on their 43rd Anniversary.

Mr. and Mrs. Joe Hill of Baird visited her sister Mrs. Edity Ivie last week.

Mrs. Maggie Cook of Baird attended the funeral service for her brother-in-law, Malcom Hayes, at Abilene last Tuesday. Mr. Hayes was the husband of the former Edity Cook who grew up at Putnam.

Mrs. Marie Maxwell and Mr. Bill Lewis of Dallas spent last week end at Putnam.

We hear that Mrs. Bess Herring who formerly lived at Putnam but has been at Stanton for some time, has gone to Lampassas to a Rest Home. Her son lives there.

Mr. and Mrs. James Burson of Tom Ball near

Houston spent the Thanksgiving week end with her mother Mrs. Maxie Solomon and Jack Ramsey.

Mr. and Mrs. Tom Lemmons of Abilene ate Thanksgiving dinner with her grandmother Mrs. Taylor. Cheryl is the daughter of Mrs. Bobbie and the late Pete Taylor of Snyder.

Visiting the Milton Donaways this week have been their son Hubert, and family Diane and Dwane of Odessa, Jay Elliot from Bergstrom Air Base at

Austin, David Donaway from San Angelo, Mrs. Lucille Shorties of Midland, Mr. and Mrs. L.C. Donaway and family of Albany, Mr. and Mrs. Warren Donaway and daughter from Brownwood and Mrs. R.C. Speegle of Putnam.

Visiting Mrs. Ollie Burnam the holiday week end have been Mr. and Mrs. Bill Brown, son and daughter Carla from Ft. Worth, James and Gayle Isenhower and family of Coleman, and Mr. and Mrs.

Sam Heidelberg and son from Breckenridge.

Mrs. R.D. Williams Hosts Garden Club

The Baird Garden Club met on November 2 in the home of Mrs. B.O. Brame, with Mrs. R.D. Williams as co-hostess. Twelve members answered roll call by giving a Thanksgiving verse. Invocation was "A Gardner's Prayer" read by the members.

Mrs. Williams presided for the business session, when the Beautification Committee reported that one new shrub had been planted at the south gate in the Baird Cemetery, and also that repairs had been made on the rock entrance.

The Plaque Committee reported that the Yard-of-the-Month Plaque had been placed at the home of Miss Laverne Rutherford 439 West 3rd St. during October, but will not be placed during the months of November-March.
