# 1974 Chevrolet A better-than-ever way.

When the wheel belongs to you, the road goes anywhere you say. And it's so much better with a '74 Chevrolet.

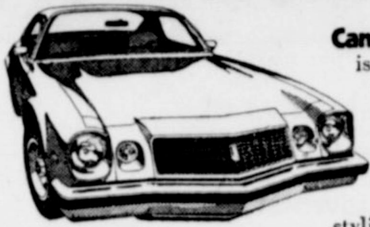

**Caprice Classic.** Introducing an elegant motor car, just asking to be enjoyed. Outside: an imposing new grille, and on the Coupe, a distinctive new roof line. Inside: peace, quiet and convenience. With standard power steering to do most of the turning, standard power front disc brakes to do most of the stopping, and a standard Turbo Hydra-matic transmission to do the shifting. If you want the luxury and comfort of a car that leaves little else for you to do but enjoy the ride, you don't have to look beyond the '74 Caprice Classic. However, the freedom of the open road begins with the freedom of choice:

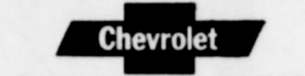

**Vega GT.** This year's version of last year's Motor Trend Economy Car of the Year. (And Car and Driver Readers' Choice as Best Economy Sedan for the last three years.) With a reshaped nose, bigger bumpers, nicer carpeting, new stripes and new colors. Plus more good things to make it better. See what it's like to drive a winner.

**Malibu Classic.** A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut-pile nylon carpeting. That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all Chevelle. With Chevelle handling and at a Chevelle price. Now that you've looked, come and see the new Malibu Classic—and all the 1974 Chevelles. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.

**Camaro.** The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering. And comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut-pile carpeting up.

Building a better way to see the U.S.A.

## Plans Being Finalized For Putnam Halloween Coronation & Carnival

Plans are already being made at the school for the Halloween Coronation and Carnival to be held on October 26. This event is one of the most important money-raising events held at the school. The money made goes to the Community Club which in turn decides on projects benefitting the school. Please make plans to attend on this evening. The Community Club will sell pie and coffee. Each room will have an activity, which will follow the Coronation, at which the 1973 King and Queen of the school will be announced. We published some of the representatives last week. Other representatives are: Senior Class, Cindy Feely and Buford Green; Junior High, Beth Lindsey and Bob Feely; 6th Grade, Sheri Whitehead and Jody Hurley; 1st and 2nd Grade Tammy McCulloch and Roger Cunningham. All representatives are eligible for King and Queen. They are elected by your vote, which is determined by the amount of money each class has by the end of the voting period. The classes will have bake sales at school, beginning with the Junior and Senior classes who had their bake sale last Friday. Other projects are planned, such as bake sales at town, and car washes, provided water becomes available. So, help the representative of your choice and come to the Coronation and see who the winners are.

Ladies of the community met last week at the school and hemmed the curtains on the stage. The curtains were made last year, but were never hemmed. This project has now been

completed. Jr. Class officers elected last week are President, Bob Feely; Vice-President, Huel Twilley; Secretary, Beth Lindsey.

The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows:

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

### NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

### Delphian Club Begins Year's Work

BAIRD — The first meeting of the year for the Delphian Club was in the home of Mrs. C. H. Sladous for the President's Luncheon. Other members of the Advisory Board were co-hostesses - Mrs. Blain Odom, Mrs. A. E. Dyer Sr., and Mrs. M. C. McGowen.

The welcome address was given by Mrs. Blain Odom, who also gave a poem in memory of Mrs. E. C. Fulton, who was an active and beloved member of the Delphian Club - until she moved to Tucson, Arizona. Since then she has been an Honorary Member.

Mrs. Tom Windham Jr. gave the President's message, "Our Country - Awareness and Action For Its Needs."

Mrs. Sladous presented the yearbooks and gave an outline of the program for the year.

A business meeting followed. One of the things the Club decided to do is make bibs for the Nursing Home.

After the Club adjourned, a call was placed to Mrs. M. L. Stubblefield, who was a very faithful member while living in Baird. This is the first year since moving to Dallas that she was unable to attend the first meeting. She was missed by all and each member talked to her. She seems to be doing very well.

The next meeting will be on October 9th in the home of Mrs. S. L. McElroy, with Mrs. Bob Norrell at co-hostess.
