Town Talk

NEWS • NOTES • BRIEFS

ON TELEVISION - Connie Mitchell, Strawn 4H Club member, gave a club member demonstration on money management during the Early Farm Show on T.V. Channel 5 at 6:30 a. m. Monday. Connie will be remembered as one of the attractive young ladies vying for Queen of the 1966 Ranger Jaycee Rodeo.

MOVES TO RANGER - Mrs. Christine Ware, former resident of Ranger who for the past several years has made her home in Fort Worth, is now at home, Terry Place Apartments.

MOISTURE MEASURING - 50 inches fell in Ranger Sunday night. Accompanied by wind that dropped temperatures to the upper 20s reminded residents that it is too early to store winter clothing. Farmers and ranchers are delighted with the break in the drought.

TO FLORIDA for a delightful six-weeks vacation - Mrs. W. C. Sanders and son, Steve left Feb. 24 for Fort Lauderdale, Florida. They accompanied a brother and sister-in-law of Mrs. Saunders who have a vacation spot all their own. Steve will have the experience of attending school and plans include many places to go and things to do before returning to Ranger.

THOUGHTFUL GESTURE of Mrs. A. B. Halbert, RHS Homemaker teacher, delicious cookies, right out of the oven for folk at the Times office. Under her competent supervision, young ladies should be able to win a young man's heart the traditional way, with good food.

A CLIPPING from a Maryland newspaper was handed us by Rancher Sam Kimmell of Cisco. You'll find it interesting, as follows:

Fifty-four years ago, in 1913, a young Congressman drafted an income tax bill. His name: Cordell Hull. The bill provided for a normal tax of one percent. On large incomes it rose as high as six percent. Every taxpayer had a personal exemption of \$3,000 and an additional \$1000 if married. The head of a family who had \$20,000 net annual income had to ante up \$160 to Washington.

A year later a man named Henry Ford, announced that henceforth he would pay his workers a minimum wage of \$5 per day for an 8-hour day - about three times the national average. Which of these events stirred up the greatest furor in the press?

The Henry Ford announcement wins, hands down. Even the war in Mexico moved to the inside pages. Some papers editorialized that the American free enterprise system would be destroyed. Others thought that workers would foolishly squander their money and realize no gain from it. The issue was debated wherever two gathered together. Henry Ford made the working man a buyer of goods, even luxury goods, a consumer and an investor. This country, and every other in the world felt the influence of that announcement in Detroit 53 years ago.

Time passed and Cordell Hull became Secretary of State. The basic exemption (Continued on Page 2)

The presentation will be in the Kendrick Amphitheater between Eastland and Cisco to an expected attendance of

RJC Baseball Team Plays At Levelland

The Ranger Junior College baseball team will travel to Levelland for a doubleheader with South Plains College on March 10. It is the first game of the season and will begin at 1 p. m. and 3 p. m. On March 11 the Rangers will go to Odessa for a doubleheader with Odessa College. The games will start at 1 p. m. and 3 p. m. None of the four games are conference games.

The Rangers' conference games are as follows: March 31, Hill County College played in Ranger at 2 p. m.; April 4, Navarro College played in Corsicana at 2 p. m.; April 8, Cisco Junior College in Cisco at 2 p. m.; April 11, Hill County College played in Hillsboro at 2 p. m.; April 14, Navarro College in Ranger at 2 p. m.; April 24, Cisco Junior College here at 2 p. m.

Range-Anns To Play Flying Queens Friday

The RJC Range-Anns will travel to Plainview Friday, March 10, for a roundball duel with the Flying Queens of Wayland Baptist College. Tip-off time for the all-female contest has been set for 7:30 p. m.

The Queens for several years have gained a national reputation as winners in cage play. They are one of the nation's top-ranked girls' basketball teams.

Ranger Men Are Money Winners In Snake Event

Two Ranger men, J. W. Morris and Phil Taylor were awarded \$55 in prize money during the third annual Strawn Rattlesnake Hunt held Friday, Saturday and Sunday.

The two men captured the second place award of \$35 with 139 pounds of snake. They also took \$10 prize for the smallest rattler caught and a special \$10 prize for capturing the longest snake of the contest. This was the first time a copperhead has been captured at the hunt.

ROTARY JOINT MEETING WILL BE HELD MARCH 20

A joint meeting for Rotarians in Eastland, Ranger, Cisco and Breckenridge will be held Monday, March 20, at Lone Cedar Country Club beginning at 7 p. m. Mrs. James P. Morris, instructor at Ranger Junior College who teaches American History and Literature, will present the program. Mrs. Morris holds a B. A. and M. A. degree and is well underway to a P.H.D. degree. She has attended the University of Colorado, the University of California and the University of London (England). A graduate of the Univers-

Improvements Being Made at Livestock Barns

Completion of the holding pens and other improvements are underway at the Eastland County Sheriff Possee and Livestock Raisers Association's show and arena facilities north of Eastland, according to an announcement. Members of the posse have been working each Saturday on the pens at the arena, with a view toward more extensive use of the facilities in the near future.

M. G. Key of Eastland is captain of the Posse and Paul Hodge of Morton Valley is lieutenant. The annual Eastland County Livestock Show will be held at the site beginning Thursday, March 16, for that weekend.

Cheerleaders Sponsor Dance Thursday Night

The RJC cheerleaders are determined to attend the National Junior College Basketball Tournament in Hutchinson, Kansas, to cheer the Rangers on to the National Championship - but they need money to make the trip.

They have been working hard at various projects in order to raise the necessary funds, the latest of which is a dance to be held Thursday March 9 at 7:30 p. m. in the RJC Gym.

Playing for the event will be one of Fort Worth's finest groups, the "Seventh Street Prophets." These musicians have performed at the "East-side Club," "The Box," "The Blue Light" and recently the "Fireman's Hall" in Eastland.

Everyone is invited to attend this event and help the cheer leaders attend the national tournament.

RANGERS WIN DISTRICT V; NATIONAL TOURNEY NEXT

The Ranger Junior College basketball team put their college on the map in the sports field Saturday night by capturing the Region V tournament in Amarillo. After entering the tournament three years, the Rangers at last came out on top with a big win.

The Rangers stopped by the Ranger General Hospital to visit Mrs. M. R. Hamrick, English and journalism instructor at Ranger College. She requested to see the team before they left. Each boy talked with her briefly and promised to return with the first place trophy. Mrs. Hamrick is a great fan of the team and has not missed a home game except for illness.

As the Rangers headed for Amarillo, this was on their minds; and each time in the tournament, in the dressing room as well as on the floor when the game was tight, the players remembered their promise, and it gave them an added boost.

The trophy means the Rangers have the right to represent Region V in the National Tournament, but to the Rangers it has a special meaning. Mrs. Hamrick was very honored by the dedication and, of course, was quite pleased with the outcome of the tournament.

No team that the Rangers played in the tourney gave them a threat. Clarendon fell to the Rangers by a 64-48 score. The Rangers dropped Odessa with a score of 75-70, which was not even close until the closing minutes of the game.

The Amarillo basketball club had high hopes of winning the tourney after upsetting Dallas Baptist in their first game, but Ranger killed their dream in the finals with a score of 81-62. Ulric Cobb scored 27 of these points and was named the tournament's Most Valuable Player. Teammates Larry Robinson and James McCloud won honorable mention.

The Rangers will leave next Sunday for Hutchinson, Kansas, where the National Junior Tournament will be held. Their first game will be played Tuesday, March 14 at 3:30 p. m.

6117 Student Meals Served In Public Schools

A total of 6117 student meals were served during the 20 school days in February at lunchrooms and both lunchrooms finished with money in the bank again. Hodges School served 3,621 meals or 595 of the total. Young School served 2,496 student meals.

The school is reimbursed five cents for each meal served with milk but the milk costs seven cents to the school. Hodges lunchroom opened the month of February with \$343.51, received \$806.22 reimbursement, \$1,206.64 for children's payments and \$332.78 for extra milk mostly on a grand total receipts of \$2,489.15.

Their expenses were \$1,209.83 for food, \$399.43 for labor and \$50.99 for all other expenses or a total expenditure of \$1,660.25.

This leaves Hodges \$828.90 in the bank and \$712.92 due the lunchroom in reimbursements from the State or a total net worth of \$1,541.82.

Young School lunch room opened in February in the hole - \$106.75 but received \$306.50 in reimbursement, \$880.93 in payment from students and \$136.79 mostly from extra milk sales or a total income of \$1,217.47.

Their expenses were \$721.38 for food, \$268.42 labor and \$44.76 for other expenses or a total of \$1,034.56.

This leaves Young School with \$181.91 in the bank with \$363.28 due in reimbursement from the State or a total net worth of \$545.19.

Combined net worth of the two lunchrooms at the close of March was \$2,086.01 as compared with \$4,057.78 one year ago. Two years ago the net worth was \$4,680.33 with \$1,300 in unpaid bills or a true net worth of \$3,380.33.

Young is averaging nearly 125 students daily compared to 133 daily in January before meals went up in cost. However, absentees have been twice as heavy in February due to measles and pink eye.

Hodges serves an average of 181 student meals daily now compared to 223 daily in January. However, their absentees have jumped from about 8 daily to over 40 daily which accounts partly for the decline.

Two RJC Boys Place High At Ft. Worth Meet

Ranger Junior College participated in Fort Worth's annual Southwestern Recreation Track Meet Saturday afternoon, and placed tenth in the meet.

Joe Merrell and Dan Kelly were the only two to score points for the Rangers. Joe placed first in the 440 yard hurdles with a 56.4 clocking, and Dan ran a 14.8 in the high hurdles for third place.

Other junior colleges at the meet which will challenge the Rangers at the Conference meet were Howard County, who placed 2nd, Cisco 3rd, and Henderson County 15th. The Rangers will enter the Red Dog Relays Saturday here at Ranger Junior College.

Ulric Cobb, a member of the champion Ranger Junior basketball team, was honored as the outstanding player and was chosen for the all tournament team in the Regional V tournament in Amarillo. His over all average for the season has been 24 points per game.

69 Absentees Are Reported By Schools Monday

Measles and pink eye played a great part Monday in causing 44 to be absent from Hodges Primary, 14 from the Junior - Senior High School and 11 from Young or a total of 69 from all schools.

This was unusually high, Supt. James R. Clark reported, since the figure was over 11% of the student body.

Hodges absentees are running 23.7%. Young 7.5% and the Junior - Senior High School 4.9%.

Continued high absentee rate will result in Ranger losing state aid on one teacher next year, Mr. Clark said.

"We are on the border line now," he said. "Unless we have a high attendance rate from now on the school will have to pay out of local funds about \$4,000 more next year or cut off one teacher unit."

At this time, it is impossible to predict but the school is running less than 2% above the dividing line, Mr. Clark added.

Rites In Gorman For Joseph Baze

Final rites for Joseph Baze, 73, were held in Gorman at 2 p. m. Monday with burial in Gorman Cemetery under the direction of Higginbotham Funeral Home.

Mr. Baze was a frequent visitor in Ranger while his son, Rayneal, was a member of the faculty of Ranger Public Schools.

Rubinoff Will Appear Here Next Wednesday

Educators aware of the value of music appreciation in schooling are enthusiastic in commending Ranger's Lions for bringing Rubinoff and his famed Stradivarius to Ranger RJC Auditorium March 15.

Rubinoff will appear in two concerts; a matinee for students and faculty members, as well as the younger students of the grade and parochial schools of the community and outlying districts, and an evening concert.

Floyd S. Judd Dies In Dallas

Floyd S. Judd, resident of Weatherford, died at 1:30 a. m. Tuesday, Feb. 28, in the Veteran's Hospital in Dallas.

Funeral was held in Cotton-Bratton Funeral Home Chapel at 2 p. m. Wednesday, March 1, with burial in the family plot in Brock Cemetery.

He is survived by one brother, Clarence Judd of Ada, Okla.; three sisters, Mmes. Mary Faircloth of Desha, Jessie Miller of Port Arthur and A. H. Powell of Ranger.

Mr. and Mrs. Powell were in Weatherford for final rites.

Mother of Ranger Resident Dies In Fort Worth

Funeral service for Mrs. Ida Isabell Hammond, mother of H. S. Perry, was held at 10 a. m. Friday in Hallmark Baptist Church, Fort Worth with the Rev. Alvis Edmonson officiating. Mrs. Hammond died in Fort Worth on Wednesday.

Gause-Ware Funeral Home was in charge of arrangements.

She is survived by two sons, H. S. Perry of Ranger and E. F. Perry of Levelland; one sister, Mrs. Eula Mae Stewart of Pampa and eight grandchildren.

Mr. and Mrs. Perry were in Fort Worth to attend final rites.

Annual Bulldog Relays Held Here Saturday

The first annual Bulldog Relays will be held Saturday March 11, at RJC Track, according to Coach Charlie Smith.

Preliminaries will begin at 10 a. m. and the finals will start at 2 p. m. Participating in the event will be Dublin, De Leon, Albany, Baird, Rising Star, Gorman, Bangs, Carbon, Woodson and the host team, Ranger.

Dads, Moms And Friends Urged To Help Scouts

"Friends of Scouting" will meet Thursday night at 7 p. m. in the Lone Star Gas office.

Organizations such as this are found in every state in the union - they are composed of adults who are interested in scouting and work for projects that will benefit their scouts.

The purpose of the Ranger group is to provide a recreation area, in the form of a man-made lake, for Ranger scouts. Everyone who has a scout or cub scout in the family should attend this meeting and help plan this project.

Annual Bulldog Relays Held Here Saturday

The first annual Bulldog Relays will be held Saturday March 11, at RJC Track, according to Coach Charlie Smith.

Preliminaries will begin at 10 a. m. and the finals will start at 2 p. m. Participating in the event will be Dublin, De Leon, Albany, Baird, Rising Star, Gorman, Bangs, Carbon, Woodson and the host team, Ranger.

Coach Smith pointed out that some of the best track performers in the area will be here Saturday, including a multiple-relay team from

Bangs, the high hurdle star. Weaver from De Leon, and Gorman's 100-yard dashman, Hirst.

As an added attraction, track teams from Ranger Junior College and Cisco Junior College and Dallas Baptist will perform during the afternoon.

Coach Smith will be meet director and will be assisted by RJC Coach Jack Duvall.

There will be no admission charge for the preliminaries however, there will be a \$1 and 50 cents admission fee for the finals Saturday afternoon.

SCHOOL TAX COLLECTION SHOWS SOME IMPROVEMENT

School tax collections for Ranger continues to show improvement with \$127,815.42 collected through February for the public schools of Ranger and the college, compared to \$118,057.41 collected the same time last year. This is 97.77% now compared to 91.42% a year ago.

The public schools have received to date \$64,588.11 for local operations and \$17,130.54 for bonds or a total of \$81,718.65 this tax year.

The college has collected \$24,541.15 for local and \$21,555.62 for bonds or a total of \$46,096.77 this year.

At the end of February, \$9,444.8 had been collected for delinquent taxes and \$1,046.69 for penalty and interest. One year ago only \$3,222.50 had been collected for delinquent taxes and \$462.46 for penalty and interest.

The public school tax rate is \$1.50 total tax on each \$100 valuation and the college tax is 50 cents per \$100. Property is supposed to be assessed at 30% of actual value, having been raised in 1960 from 25%. Assessment values have a wide variation and in most cases do not approach 30% of true value.

WEEKEND VISITORS

Richard Herweck, student at NTSU, was a weekend guest of his parents, Mr. and Mrs. M. W. Herweck. Accompanied by Mr. and Mrs. C. A. Strong of Stephenville, the group went to Athens on Sunday to meet Millard Herweck, who is stationed at Fort Polk, La., and scheduled to leave this week for Fort Benning, Ga. All were guests in the home of Mr. and Mrs. J. H. Berry.

Funeral services for Mrs. Mary Francis (Fannie) Harmon, who died Feb. 27, in Stephenville, were held Tuesday at the First Baptist Church at Stephenville. She had lived in this community and was a sister-in-law of Mrs. Jesse Bradford.

A meeting for learning a better grading of goats was held Wednesday, March 1, at the Joe Jackson ranch with Jim Gray of the A&M Extension Service from San Angelo as the specialist for the day. Following this meeting lunch was served to those attending. Visitors were Billy Rippey and Scott McCloud of Ranger and a number of ranchers from surrounding communities.

Frank Barseley had as a visitor Sunday morning, Jim Bratton of Abilene. Mr. and Mrs. Bratton also visited her sister, Mr. and Mrs. Clark McNabb in Ranger. Mr. Barseley also had his daughter, Mr. and Mrs. Gil Leonard, David and Judy of Abilene, home for the weekend.

Visiting in the Herrington home for the weekend were their son, Mr. and Mrs. Bill Herrington and Billy Lynn Walter from Snyder. Bill brought a special solo at the morning services of New Hope Baptist Church where they attended services.

Visiting at New Hope also were Mr. and Mrs. J.H. Gornell, Leiland and Cindy of Fort Worth, who were visiting her parents, the Raney's. Mr.

Ranger Schools Receive \$35,762 For Title I

Ranger Public School was notified Tuesday that they would receive \$35,762 on the Title I program instead of the \$36,463 promised last summer. This is a cut of \$701 Supt. James Clark said.

This final amount is 83.36 per cent of the amount received last year, Clark said. Last year \$42,897 was received.

"We budgeted for 85 per cent originally and then was notified to expect an additional 10 per cent cut," Clark reports. This wipes out most of the 10 per cent cut or all but 1.64 per cent of it.

This final figure makes no change though in the original budget for personnel or supplies except that supplies will be cut \$701.

Ranger will receive \$161.82 per child for 220 children of low income families, or \$35,762.

Then the school will receive an additional \$161.82 for one child in a foster home as reported by the Texas Department of Public Welfare, making a total grant this year of \$35,762.

The kindergarten program is not included in the budget either for last September or now Clark said.

Title I is a program designed to help children who are behind in their school work and is based on low income families although all children may benefit in some respects.

In Hodges School an office aide is employed, Mrs. Rod Carter, who works full time. Miss Johnnie Young is on the program working half time in remedial reading and half time in music. Mrs. Reda Hatten works a half day at Hodges in her library program.

At Young School Mrs. Hatten works in the afternoon in the school library. Mrs. Joe Weeks works all day as office aide and Mrs. Janice Burns works full time as a combination music and remedial reading teacher.

At the high school Mrs. Dorothy Johnson works full time as office aide and Mrs. Sandra Holiday works full time in remedial reading in the junior high school.

Of the \$35,762, about \$28,250 is spent on salaries and the balance on equipment or supplies.

The financial end of the program is administered at the courthouse under the direction of County Supt. O. L. Stamey who coordinates the program in all the county schools. Ranger School is in the cooperative program.

Success—that was the Gor-nan 4-H Club Achievement Day. The event was Saturday, March 4, 1967 at the Fireman's Hall. Fifty-eight guests registered at the event. Leaders said they felt here were many who did not register. The local town people viewed exhibits of baked goods, hand-made articles and clothing, pigs and calves. The senior 4-H Club members set-up achievement displays—telling the story of their years in 4-H Club work. The event was closed with a

cake walk, selling the prize winning baked goods. The adult leaders, junior leaders, and members all contributed to the successful day.

Miss Kathy Kincaid, Morton Valley 4-Her and the District 8 4-H Co-vice chairman met with other members of the executive committee of the District Council, Saturday, March 4. During the meeting which was held in Hamilton, the committee made plans for the 1967 events in which the District

Council participates.

Every year the Houston Livestock Show and Rodeo puts on calf scrambles for 4-H & FFA boys at each of the 14 rodeo performances. There are twelve calves and twenty-four boys in each scramble and every boy who catches a calf is awarded a \$150 certificate which may be used toward the purchase of a beef heifer. These certificates are sponsored by agencies, organizations, and individuals in the Houston area.

This year Eastland County 4-H Club Boy, Bobby Lee, was one of the boys to catch a calf in the Houston event. In order to receive the certificate Bobby must agree to take the heifer he purchases to the Houston Show to exhibit it in 1968. During the period between now and February, 1968, he must send in a monthly report of expenses and also pictures of his heifer so his sponsor can see how the heifer is progressing.

Bobby is the son of Mr. and Mrs. J. G. Lee of Cisco and is a member of the Cisco 4-H Club. He has been a 4-H club member for 4 years and is one of the outstanding young 4-Hers in the county. Bobby has shown numerous livestock at major and local livestock shows this year and in past years. He also has given numerous demonstrations and has given valuable assistance to other 4-H club members and adult leaders. He has served as president of his club and is now the president of the Eastland County 4-H Council.

For his aggressive spirit and sure-fire determination we name Bobby Lee, Eastland county's outstanding 4-H'er of the week.

WAR BURELSON
Congressman
17th District

WASHINGTON, D.C. — The flap and flap over the public disclosure of the subsidization of a number of organizations by the Central Intelligence Agency has been thick and fast these past two weeks.

The director of the CIA was scheduled in advance of this recent publicity to make a periodic report to my Committee. His appearance had nothing to do with the revelation that the CIA, acting through a number of foundations, was contributing funds to certain student, labor, and church groups and other organizations with international activities. The Director was to brief the Committee on political conditions around the world as related to our own self interest. Inevitably, however, Committee members' first questions were about the immediate news of the Central Intelligence Agency's operations.

My concern as expressed to the Director was not a criticism of the CIA's purposes and intent but rather whether we had received our money's worth.

In this situation, "Money's worth" cannot be measured in yards, inches, pounds or gallons. It must be measured by the intangible accomplishments of the CIA in combating the ideological advances of communism.

The "Cold War" is as real today as it ever was. In fact by reason of the great scientific advances; by reason of

great strides in transportation and communication, our world gets smaller and smaller. As a result, people are closer and closer together. To relax our guard and not be knowledgeable of the communist conspiracy at home and abroad is to fail in our duty as a Nation to meet the threat.

We live in a world in which ugly mobism is only "democratic protest" in the opinion of some. We see today public officials barely saved from physical violence when facing the beatnik and peacenik; a world in which every agency of Government entrusted with this Country's physical security is physically attacked and smeared; in which night is day and truth is falsehood and patriotism has become a sour note.

On March 12, 1964, this column referred to the great influence of students in foreign countries. The university student in Latin America for instance has always carried prestige different from

that in this country. Presently, however, "campus demonstrations" whose leaders openly wear the symbol of communism are coddled and publicized here at home. Now that there is publicity about the attempt of the CIA to have the true spirit of America reported by patriotic students meeting with other students in foreign countries, a few of our "great thinkers" worry about the "integrity of American education".

1700 students at Stanford University listened in civilized fashion to the Vice President of the United States speak on the Viet Nam situation. A mob of 300 outside his car called him a war criminal and shouted that well known slogan "Burn Baby Burn." The decent conduct of the 1700 was not news.

There is comfort in steps taken, as small as they may be, to prevent total capture of the international student movement by the communists.

Anniversary Dinner Tickets Placed on Sale

Tickets for the 45th Anniversary Banquet of the Eastland, Cisco and Ranger Lions Clubs are now on sale in the three towns, and a deadline of March 14 has been set for the purchase of the tickets, it has been announced.

The event will be held at the Eastland Elementary School Cafatorium, beginning at 7 p. m.

Representatives of the three clubs are scheduled to meet Thursday evening at the Village Hotel Coffee Shop in Eastland to map last minute plans for the event.

International President Edward Lindsey of Lawrenceburg, Tenn., will be the featured speaker. Other dignitaries expected to attend are Dave Evans of Texas, first

vice president; and, District Governor Bill Longley of Stamford.

Tickets are \$2.25 each and may be secured from any Lion member. Eubanks of Breckenridge will cater the steak dinner.

Glyn Gilliam of Ranger is in charge of invitations to district officers and Joe Weaver of Cisco is handling invitations to area Lions. Tom B. Stark of Cisco is in charge of ticket sales and C. W. Hoffmann, Jr., of Eastland is making arrangements for the decorations and printing of the program.

U. S. Bond Goal Set At \$370,000 For This County

The 1967 United States Saving bond goal for Eastland County is \$370,000, according to an announcement made by

Mrs. Gay Parker, chairman of the Eastland County Savings Bonds Committee. January sales in the county totaled \$17,267 which represents five percent of the 1967 sales goal.

The Texas 1967 savings bond goal is \$181.3 million. E and H sales during the month of January totaled \$15,196 which is an increase of 18 percent over January 1966.

"The County Savings Bonds Committee was happy to learn about the new 'Freedom Shares' announced by President Johnson of Feb. 21. They will go on sale May 1, 1967. Freedom Shares along with E and H Savings Bonds play an important role this year in supporting our forces in Viet Nam and in helping stabilize the national economy," Chairman Parker stated.

EXPERIENCES WITH INDIANS DESCRIBED BY PIONEER HERE

(Editor's Note: Dr. E. R. Townsend died March 15, 1933 in Eastland. He was the father of the late Dr. E. R. Townsend who passed away Feb. 29, 1964, in Eastland.)

Among the early pioneers venturing into this country to blaze the path for settlers who were to follow Dr. Edwin Daniel Townsend, veteran physician of Eastland who came to this section more than a half century ago.

Dr. Townsend was born at Eddyville, Logan County, Kentucky, Sept. 6, 1861. He left there in the fall of 1870, with his parents, J. T. and Mary Josephine Townsend and who in company with a number of other families, made up an immigrant wagon train for Texas. The party crossed the Mississippi River at Memphis, Tenn., crossing on ferry boats. From here their route lay through Arkansas over the Corduroy road, hitting the Texas line at Mills Creek, where the Red River was crossed on boats.

Once in Texas the elder Townsend struck for Kaufman where he had a cousin, Will Townsend. After visiting here for a short time, Mr. Townsend and his family started out again looking for a suitable place to settle.

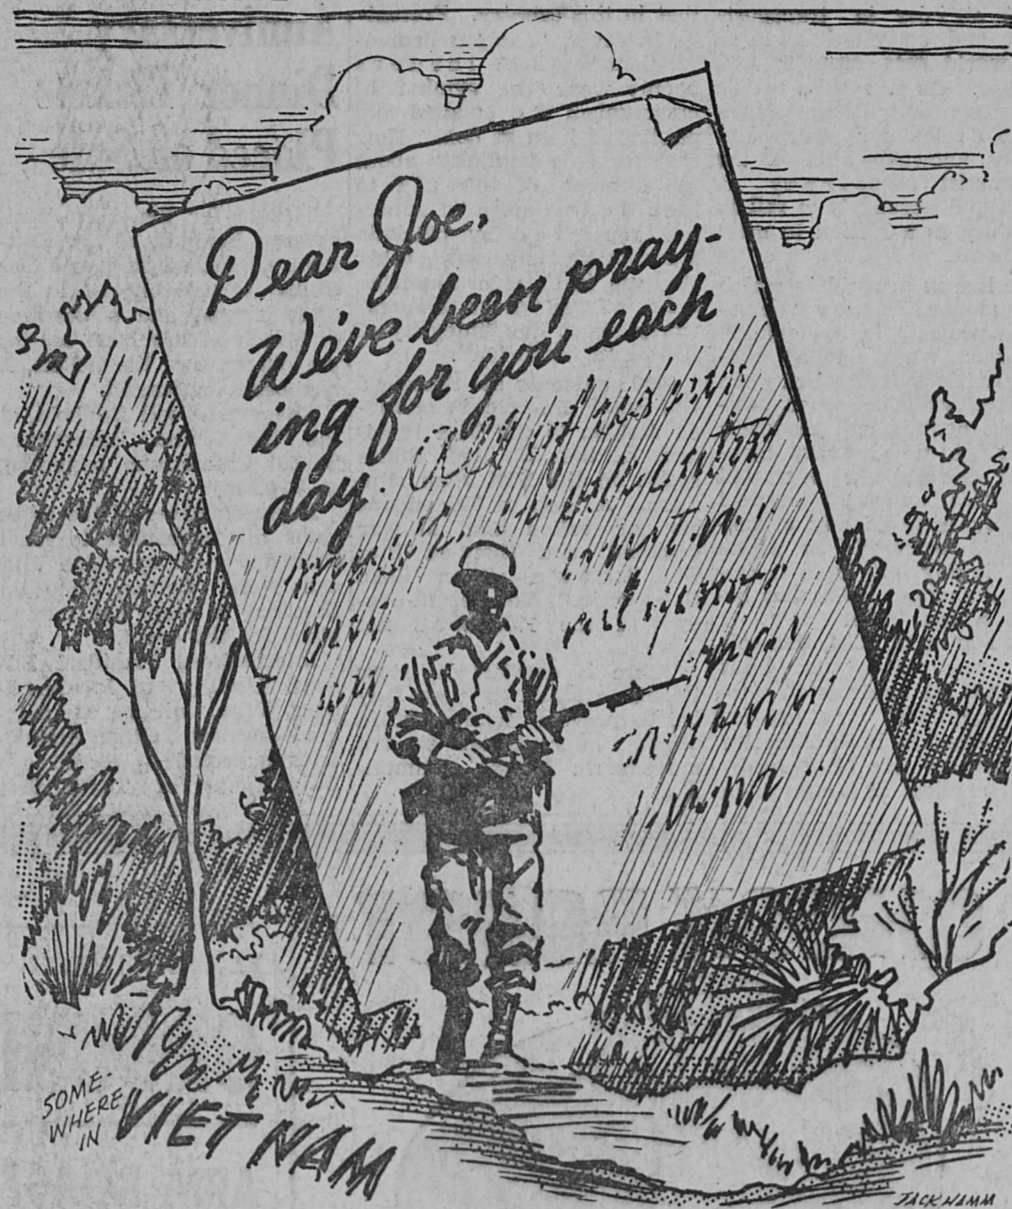

They passed through Dallas, then a small town with one railroad and another under construction, land around Dallas, Dr. Townsend says, could have been purchased then for \$5 per acre. From Dallas the family went to Waco then the railroad terminal in the state.

While at Waco Dr. Townsend's father met a Mr. McNeely from Comanche who was there to buy lumber with which to finish a log cabin home. McNeely gave such a glowing description of the country around Comanche that the older Townsend was persuaded to accompany him to Comanche where the family spent the winter.

At intervals during the winter at Comanche Dr. Townsend's father took trips into the western portion of the country looking for a location for a ranch. This ranch was finally located at what is known as Lem Switch, a few miles northwest of Eastland. In June, 1871 the elder Townsend moved his family to the new ranch.

From Bill McGough's ranch they blazed the road to their new ranch. On their way to their new location the Townsends passed through what is now the city of Eastland. They built a camp in

A LINE THAT MEANS A LOT TO HIM

which the family lived until their log cabin was finished. That fall, lumber with which the cabin was floored was hauled from Comanche. The Townsend home was the first in the county to be built of hewn logs and the first to have other than a dirt floor.

Dr. Townsend said that so far as he knows C. B. Jenkins of Cisco and himself are the oldest settlers in the county. There were only three other families in the county when they settled here, Dr. Townsend said. These were Bill McGough, Peterson Davison and the Justus families.

At the time the Townsend family came to Eastland County, there was plenty of wild game such as bear, deer, turkey, wild hogs, buffalo, antelope, lions, etc. in the county. Buffalo by the thousands were to be found 15 or 20 miles west at that time, Dr. Townsend said. "I killed several bear near our ranch and captured two cubs which

we made pets of, Dr. Townsend said.

In the fall of 1872, C. B. Jenkins, Jim Woodham and myself were out looking for beef between our ranch and where Cisco is now. A northerly wind blew up and we stopped to build a fire. I was holding all three horses as we did not dare turn one of them loose, and as Jim Woodham stopped over to pick up some wood for the fire he heard Indians who were on raid through the country. Soon after hearing the noise from the feet of their horses, Woodham saw the Indians and gave a signal for us to get on our horses. The Indians saw us and gave chase but we beat them home.

They passed on through the county and killed some people at the head of Paluxie creek in Erath County, Dr. Townsend said. "Several days later the Indians came back through this section. They camped & killed a beef where Eastland is located. They broke camp about 4:00 o'clock in the morning, came by our ranch and stole most of our horses among which were some fine ones we had bought from Kentucky. A number of settlers pursued the Indians. They reached our ranch about 10:00 o'clock in the morning, and we joined them in the chase. After following the trail two days, we were forced to abandon the pursuit because of the buffalo having obliterated the trail.

The county seat was then located at Merriman. In August, 1875, an election was held to determine if the county seat should be re-located. One hundred and twenty-seven votes were polled, 67 of them were from Eastland and the rest were divided between Merriman and McGough Springs.

Dr. Townsend has in his possession an old chair in which his mother sat during the wagon trip from Kentucky to Texas.

Dr. Townsend was married in Eastland to Miss Ann Ray Scott of Dallas. He has two children, Dr. E. R. Townsend of Eastland, and Mrs. John Kimberg of Ranger.

Mr. and Mrs. Mike Davis of Weatherford were weekend guests of her grandmother, Mrs. R. L. Hamrick, her great-grandmother, Mrs. Belle Langston and Mr. and Mrs. David B. Allsup.

A. H. Powell was a business visitor in Weatherford on Tuesday.

Local Schools Library Fund Gets \$1,582.66

The Texas Education Agency this week notified the Ranger Public Schools that they would receive an additional \$110.35 under the Title 2 Library Program. Previously the school had been allotted \$1472.31 to be spent for library or audio-visual materials. This totals \$1,582.66 in aid.

Ranger will receive this amount if they continue to providing they continue to spend the same amount per pupil as was spent two years ago.

The money has been divided with \$656 going for primary and elementary books, \$716.31 for secondary library books, \$30 for delivery charges and \$70 for processing charges such as book cards that are pre-printed.

Ranger will receive this additional \$110.35 probably because some other school did not want it or spend it, Supt. James R. Clark said.

Schools that do not believe in Federal Aid often turn down such grants he said, so it is given to schools that will take it.

TOWN TALK

(Continued from page 1) on the income tax was trimmed 80 percent. The basic tax was increased more than 20 times. The value of the dollar depreciated some 55 percent. At present union plumbers in New York accepted a new contract calling for \$8.59 an hour.

In Washington, however, the talk is of a 5 percent surtax on personal and corporate income in 1967. Businessmen continue to put increasing amounts of money into the pay envelope. But we continue to send men to Washington who take it away even faster.

Mrs. R. B. Wymer is a patient in John Sealey Hospital in Galveston. Ranger friends may address her Mrs. R. B. Wymer, John Sealey Hospital, Room 561, Section 5A, Galveston, Texas 77550.

LVN MEETING

The Licensed Vocational Nurses Association, Division No. 64, will hold its regular meeting Monday, March 13th, at 7 p. m. in the Conference Room at the Eastland Memorial Hospital. All members are urged to attend.

RANGER GARDEN CLUB

Members of Ranger Garden Club are reminded to attend the meeting at the Club House, beginning at 10 a. m. Friday, March 10. Bring a dish for the pot luck lunch and also all material prepared for the District Convention.

You feel good about it when you buy Savings Bonds

NOW PAYING 4.15% WHEN HELD TO MATURITY

Savings Bonds are a great way to build a solid financial foundation for your child (or grandchild). It stands to reason. Every Bond you buy keeps growing right along with the child and becomes available for future, expensive needs.

Important needs like education, marriage or a business of his own.

Bonds not only grow—they work hard at insuring the family's future by insuring the future of the country. A big job that doesn't come easy.

Buy Bonds at your bank or on the Payroll Savings Plan where you work. And see if you don't feel good about it.

Your Uncle Sam will.

NOW—Savings Bonds Pay 4.15%!

Interest on new E and H Bonds you purchase has been raised to 4.15% when held to maturity. E Bonds mature faster—now in just 7 years. Your old Bonds will earn more, too. Savings Bonds are better to buy, and hold, than ever.

Easter Seal Appeal Letters Delivered

Easter Seal Appeal letters are being delivered this week in Eastland County, according to H. T. Wilson who is the Easter Seal Representative for the Easter Seal Society for Crippled Children and Adults of Texas.

As Representative, Mr. Wilson serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as treasurer of the Easter Seal Appeal in Eastland County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal.

The Society also provides for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

Mr. Wilson pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1966, the Texas Easter Seal Society provided treatment and services to 11,045 children and 4,998 adults who were in need of rehabilitation services. These services are available to anyone disabled person who can benefit from help provided by the Easter Seal Society, Mr. Wilson added.

The Easter Seal campaign will run through Easter Sunday, March 26.

Mr. Wilson urged increased support for the Easter Seal Society and its program of services to crippled children and adults.

WHAT IN THE WORLD IS THE RADIAL TIRE?

to buy a set of five radials of the size that corresponds to the conventional tire size specified for your particular make and model car. Recommended pressure (usually two pounds more than specified for conventional tires) should be strictly maintained even though the tires seem too soft.

What does all this mean to you? It means a safer tire at less cost per mile. The radial tire will outperform the conventional tire in just about every area: faster stops, more accurate cornering, and more responsive steering. Radials cost from 25 to 40 percent more than conventional tires, but tread life is longer by 60 to 70 percent or more than that of conventional tires.

Without doubt radial tires are the tires of tomorrow. You'll be seeing radials as standard equipment on most new cars.

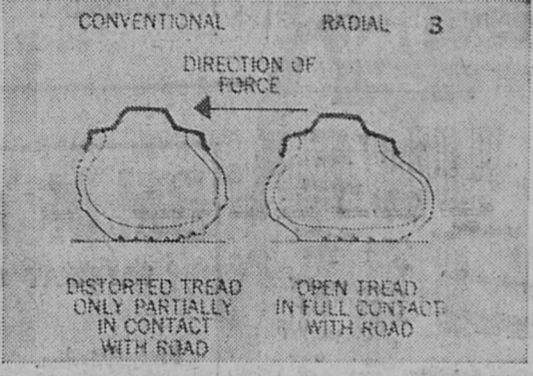

(No. 2 in a series)

Performance studies show that steering, road-holding, and cornering are noticeably improved with radial tires. —from an article in the March issue of "Better Homes and Gardens."

skid resistance is maintained throughout the curve, provided speed is not excessive. As further evidence of their superior traction capability, radial tires are as effective in snow as snow tires in most instances.

All cars handle better, steer more responsively, and corner better with radials.

The ideal way to go about the switchover to radials is
