Coffee And Sherbet Make Dessert

Even though chest pro-
test was negative for a white, Beef-
Cattle Mastering Workshop
participants agreed this week that an upright
impression was needed to improve breeding.

D. O. Baker, head of the animal sciences
department at Texas A&M University, said the plain
workshop was that "now is the time for us to
improve breeding of livestock and
those who will improve their breeding
operations should do it." He
better evaluated a panel of South Texas Cattle
Marketing Workshop and said the
Union Stock Yard.

The workshop was sponsored by the
Texas Agricultural Re-
sources (STAR) program
and the Texas Agricultural
Exposition Service. More than 150 farmers and ranchers from South Texas attended the workshop.

The panel included: Doyle Morgan, Beatrice Beery of the Texas Farm and Ranch Life; Joe Bray of the Texas Farm and Ranch Life; and Leon Harrell of the Harrell Cattle Co.

The panel gave its evaluation of two types of
ranches, one for the San Antonio Livestock
Markets last week. The
panel included fat cattle
for slaughter and young beef for market.

Sonora Jr. Hi News

By Kay Hubbard

The Jr. HiWhatsAppSection for the 1977 1978 school year will be
led by Kay Hubbard. The Jr. Hi Section will be taking on a
new adventure this year. The Jr. Hi Section will be taking
tours to other cities and towns and the Jr. Hi Band will be
performing at various events. The Jr. Hi Section will be
planning their own activities and will be attending various
activities planned by other sections. The Jr. Hi Section will
be a fun and exciting way to spend the school year.

Your Representative Reports

By Sarah G. McKinnon

It's hard to believe that it's almost that time for the
city council meetings to begin. The 65th Legislature
sessions in Austin at on January 7, 1976, and will
be an important session for the city council members. Every
member is that it will be an interesting, important, and
vital session.  

Of course financing our state government is the number one
assignment for both legislation. And provision of funds is
really a factor in the state as well as in our very life style. The
problems of the State Highway Fund will need the
highest consideration during this session. There are also
many other issues that will need the attention of the city council
members. The future of our state is in the hands of the
Legislature and the city council members. Let's hope that
they will make the right decisions for the benefit of all of us.

Sheep & Goats Industry

Compiled by

Texas Sheep and Goat Raiser's Association

It may be a little hard to believe, but there are sheep and goats who are infected with oropharyngeal oronasal white spot virus. The disease can be transmitted from one animal to another through direct contact or by contact with infected bovids. The disease is caused by a virus that is transmitted via the nose and mouth. The virus can be found in the nasopharynx, esophagus, and rumen of infected animals. The disease is characterized by nasal discharge, coughing, and a characteristic odor. The disease is not contagious to humans.

Sonora Electric

On the morning of November 26th, the Sonora Electric Company was notified that a fire had occurred in one of the rural laborers' houses in the town. The fire was caused by a short circuit in the electrical wiring, which had been installed by the company. The company immediately派出了 its fire department to the scene of the fire, and the fire was quickly extinguished. The company also派出了 its electrical engineers to investigate the cause of the fire, and it was determined that the fire had been caused by a loose connection in the electrical wiring.

The company immediately contacted the local police department to report the fire, and the police department派出了 its fire investigators to the scene of the fire. The police department investigated the fire and determined that the fire had been caused by a loose connection in the electrical wiring. The company also contacted the local fire department to report the fire, and the fire department派出了 its fire fighters to the scene of the fire. The fire department quickly extinguished the fire, and the company派出了 its electrical engineers to investigate the cause of the fire.

The company immediately派出了 its electrical engineers to investigate the cause of the fire, and it was determined that the fire had been caused by a loose connection in the electrical wiring. The company also派出了 its fire department to the scene of the fire, and the fire was quickly extinguished.

Elementary School News
The Kindergarteners are now good at writing for Christmas. We have been working on a story, "Santa's Sack," about the children bringing their lists to the big red sack at the kindergarten door. The children have enjoyed showing their writing to the parents and are looking forward to doing more writing for Christmas.

Building a Better School
The kindergarten class is building a better school for Christmas. The children have been working on a project to build a new school. They have been working in small groups, using sticks and string to create their school. The children have been very creative in their work and have enjoyed sharing their progress with the class.

How About Deer for Dinner?
A weekend with the boys, the hunt of the day, the white-tailed deer..." says the story. The hunting trip to Mexico with Monsieur Despain and the crew was quite an experience. The deer were abundant and the hunting was challenging. The group returned with a fine harvest of deer, which were then processed and prepared for the table.

Merry Christmas!
We wish everyone a very merry Christmas and a happy holiday season!
Up To Date With Cadettes

By Tonya Ridgeway

On December 8, 1976, the Cadettes of Troop 79 met at the Scout Hut. The troop decided to have their Christmas party on December 17 at the Scout Hut. They are also planning a trip to the Ice Capades on January 15, 1977. On December 18, the Brownies up through the Cadettes will be meeting on the courthouse lawn at 2:30 to sing Christmas songs for the public people of Sonora. The songs they will be featuring are: Jingle Bells, Silent Night, Rudolph the Red Nosed Reindeer, Frosty the Snowman, White Christmas, Away In A Manger, Deck the Halls, You Better Watch Out, Here Comes Santa Claus, and We Wish You A Merry Christmas.

Good Living

By William T. Ylvisaker

Probably nothing illustrates better the progress in the level of living in America than the increase in life expectancy. In 1800, the life expectancy at birth in the U.S. was 35 years of age, today it is over 70.

Gifts For Gardeners

One large carrot a day will provide all the vitamin A you need.

For those gardeners on your Christmas gift list, there are plenty of gift suggestions, says Clint Langford, county agent with the Texas Agricultural Extension Service. Not only plants and flowers make excellent gifts, but numerous types of gardening tools can “hit the spot” with both the beginner or an “old pro,” suggests Langford. Gardeners enjoy law or garden tools are particularly popular and there is a wide selection. Other gifts for gardeners may include such decorative items as statuary or garden, wind chimes and bird feeders. And don’t forget gardening books or a subscription to a gardening magazine.

Now!

Six Bronco Bands were presented in Christmas concert last week. Under the direction of Ed Martinez, Bronco Band director, all bands from beginner to stage gave excellent performances.

OPEN 8 am to 9 pm
Counties commissioners are constantly on record as supporting additional funds for the county department of highways and public maintenance. It is taken Monday at their meeting.

It is not unusual because the highway department, according to an internal analysis, currently has $2.5 billion in needed improvements between now and 1990. With initiatives, the $2.5 billion could be the $2 billion in maintenance it would not provide for any new construction or improvements.

And although the counties will vote to support the county's budget, it is not unusual because the highway department, according to an internal analysis, currently has $2.5 billion in needed improvements between now and 1990. With initiatives, the $2.5 billion could be the $2 billion in maintenance it would not provide for any new construction or improvements.

Attention Hunters & Trappers

Attention Hunters & Trappers: We are happy to report that the Concho Valley Conservation District has developed a program to prevent the loss of fur. Under this program, trappers will be paid for every animal they trap. This program is designed to help reduce the population of nuisance animals, such as raccoons and opossums, and to protect the wildlife habitat. The program is funded by a grant from the Texas Wildlife Commission and is administered by the Concho Valley Conservation District. For more information, please contact the Concho Valley Conservation District at 387-3205.

Public Notice

City of Concho

Attorney General:

The City of Concho has been informed by the Attorney General that it is required to post a public notice in the newspaper of the City of Concho for the purpose of complying with the provisions of Section 1251 of the Texas Government Code. The notice is as follows:

Notice

The City of Concho, County of Concho, State of Texas, hereby gives notice to the public that on this date, January 1, 1976, a hearing will be held to determine the zone change requested for property located at 631 S. Main Street, Concho, Texas. All persons interested are hereby invited to attend.

Zoning hearing officer:

The City of Concho has appointed L. R. White as the zoning hearing officer for the purpose of conducting the hearing on the request for the zone change.

Zoning hearing officer's address:

L. R. White, 631 S. Main Street, Concho, Texas 79901.
