Sears announces closings Catalog discontinued -Stores to be closed

Many were shocked Monday when the announcement came from Sears Roebuck and Co. for plans to close not only 113 stores but also discontinue and shut down their Sears Catalog Centers.

Clara James, owner of Sonora's Sears Catalog Store, was especially surprised when she heard the news. Since the announcement was made James said she has received many

calls of concern from local residents.

Small communities such as Sonora have always depended on the Sears Catalog as an alternative to traveling to larger towns for purchases that otherwise were not available in rural areas. Big ticket items such as washers, dryers, and refrigerators are a mainstay of the catalog operation.

Local woman attacked by fox

A Sonora woman is undergoing a series of rabies vaccinations after being attacked by a fox.

Jeanette Turner was walking in the 200 block of Hudspeth at 6:30 a.m. on Tuesday, January 19, when a grey fox attacked her. The fox was driven away only after Turner sprayed the animal with mace.

The fox did not break the skin, however, Turner had an indentation and bruise on the front of her ankle just above the foot.

Investigating Officer Bryn Humphrey and Animal Control Officer Daniel Prieto were unable to locate the animal.

Not only will this be an inconvenience to the consumer, it will be devastating to the downtown area of Sonora. The skeletal remains of a once busy downtown will only decompose more with the absence of the Sears store.

Sales tax revenue will be certain to suffer from the closing of the store and Sonora will have to beef up efforts to keep consumers from traveling to San Angelo for their purchases.

Clara James doesn't know what will happen to her store or her investment. James is hoping someone will be able to come up with an idea that will allow her to stay in business. All she can do now is wait.

Update on USDA Field Office closings

The following is an update on issues of concern to the Soil & Water Conservation Districts as published by the National Association of Conservation Districts.

As you have no doubt heard, on January 7 Agriculture Secretary Edward Madigan announced his intent to move ahead with plans to close a number of USDA field offices. NACD has responded with a comprehensive outreach effort to convey the message that the process

outlined by Madigan would have grave consequences for the conservation and natural resource management programs in which USDA agencies and their state and local partners are involved.

The Process

Each state Food and Agriculture Council (FAC) was required to report back to USDA by the end of 1992 with specific office-closing recommendations. These recommendations were supposed to meet the target closing numbers

outlined by USDA and OMB officials in November. Of the 48 FAC reports submitted to USDA (Alaska and Hawaii were not required to take part in this exercise), 21 were deemed acceptable. The remaining 27 were sent back to the states because they apparently did not meet the guidelines and/or target number issued by Madigan. The FACs were given 48 hours to review and revise their reports.

Meanwhile, Madigan released a draft outline of specific offices to be closed in each state. It appears that he ignored our repeated recommendations that USDA consider the full range of services provided by its agencies and their partners in the field. Instead, USDA and OMB officials focused almost exclusively on cropland production concerns, giving little or no weight to USDA's critical responsibilities in such areas as pasture and range management, wetlands protection, wildlife habitat enhancement, water quality, mined

land reclamation and urban resource management.

Soil Conservation Service offices in noncropland areas would be particularly hard hit by Madigan's proposal, while the Farm Belt states are mostly untouched. Currently, there are 7,407 field office sites for USDA's major farm service agencies (SCS, Agricultural Stabilization and Conservation Service, Farmers Home Administration and Federal Crop Insurance Corporation) in 3,700 locations. Under Madigan's plan, the number would be reduced to 6,165 agency sites in 2,658 locations. For SCS specifically, Madigan has recommended closing 386 of the agency's 2,908 field offices, or 13 percent.

The Problems

In addition to the fact that USDA and OMB failed to consider the full range of USDA responsibilities in the field, NACD has a number of other concerns about the process used to determine which field offices would be closed. For

instance, when USDA and OMB looked at the number of clients served by a field office, they counted only first-time contacts, ignoring the importance of the follow-up visits and ongoing assistance that comprise the bulk of SCS's services to local land users.

Another problem is that when a USDA agency provided collective assistance - for instance to a municipal government or Indian tribe - this was credited as service to a single client. As a result, the effectiveness of some field offices was grossly underestimated. Despite the fact that these ongoing services have community-wide conservation benefits, they were given the same value as a one-time consultation with an individual farmer.

One final concern is that the reorganization plan will divert USDA resources away from producers who farm less-productive cropland. Many of these individuals have limited resources

Seventh grade boys suffer losses

by Tanner Fields

On Monday, the 7th grade Colts went to Eldorado to play the Eagles. In the first half the score was low, there wasn't many baskets scored.

In the first quarter the Colts didn't score any to the Eagles 5 points.

In the second quarter there was only 3 points scored total. The Colts scored two of the three and the Eagles scored 1. At half the score was 6-2.

In the second half there was more scoring than in the first. In the third the Colts didn't score any to the Eagles five. The score was now 11-2.

In the fourth the Colts got two quick baskets. After that the Eagles played good defense and good offense. Because of this the Eagles won the game. The final score was 21-6.

On Thursday, January 14, the seventh grade Colts traveled to McCamey for a 3 day tournament. On Thursday the Colts were to play the Big Lake Owls.

The Colts played well the first half and stayed right with them. In the second half the owls pulled away. The final score ended up Reagan County 42 and Sonora 24.

Sonora didn't play on Friday but went back on Saturday to play the first game of the day. Sonora had to play McCamey who, on Thursday had been beaten by Ozona. From the beginning the McCamey Badgers took over. By the end of the first half they had produced a very large lead. At the end of the game the score was 40 to 12.

Sonora was now out of the tournament. On Monday the Colts played their regularly scheduled game against Grape Creek who had earlier beaten the Colts.

The Colts stayed within a couple of points through the first half.

Late in the second half the Colts tied it up. With a few seconds left in the game the Eagles scored two points and there wasn't enough time for the Colts to score. The final was 21 to 19.

Letters to the Editor

Dear Editor,

The Sutton County Child Protective Board wishes to thank all of the citizens of Sutton County who participated in the Christmas Angelo Tree Project. This year, the number of children receiving gifts was 155, which is significantly higher than last year. Thank you to all who picked up an "Angel" and helped make it a special Christmas for the children.

Thank you to Sutton County National Bank and First National Bank for all of the help in handing out the angels and collecting packages. We really appreciate your help.

A special thanks also goes to Vallree Draper of Bright Spot

Fashion's. We really appreciate her help in choosing clothes, wrapping gifts and, especially, providing such a good discount on the clothes.

Last but not least, thanks to the members of the Cauthorn Trust who provided a large donation to the Board. This helped us purchase gifts for all the Angels not picked up.

Sincerely,
Beth Wallace, Secretary
Child Protective Board

Dear Editor,

The undersigned regrets very deeply that The Wall Well will have to be closed to the public for safety's sake until repairs can be made to the willful destruction of property done by witless vandals.

Sutton County Child Protective Board announces new members

The Sutton County Child Protective Board is pleased to announce the following new members will serve on the board: Matt Favila, Jeryl Fields, Brent Gesch, John Hempel and Donna Hill. These members will serve with the present members consisting of Susan Crowder, Beth Wallace, Clay Hall, Bill Cascadden, Janet Patton, Noemi Samaniego and Ada Castilleja.

The following officers were elected to serve for the year 1993: President - Susan Crowder; Vice President - Noemi Samaniego; Treasurer - Clay Hall; and Secretary - Beth Wallace.

The Board represents the community in developing child welfare and child protective services. The members develop policies to meet the needs of the county, including payments for the foster children program, payment of medical expenses for needy children and assistance to children of Sutton County in any appropriate manner. This may include assistance in purchasing school supplies and the Angel Tree Project.

If you have any questions or concerns regarding the Board, please feel free to call on any member.

Eighth grade boys win game; place second in tournament

The eighth grade boys played Grape Creek on Monday, January 18, 1993. They were victorious, 46-25.

Leading scorers were Chad Bruns, 10; Andy Mirike, 9; J. P. Hudman, 8; and Joey Gandar, 7.

The boys played their best game this year against a team that beat us by ten the first time.

The boys played Iraan in the Big Lake Tournament, January 21 and were also victorious, 31-28.

Leading scorers were Justin House, 14; Andy Mirike, 8; and Caleb Barker, 5.

The boys had a hard fought battle with Iraan for 4 quarters and came out on top.

The boys defeated McCamey, 36 to 35.

Scorers were Justin House, 11; Andy Mirike, 10; Caleb Barker, 6; Robert Teaff, 4; John Paul Hudman, 3; and Chad Bruns, 2.

Scorers were Stefany Davenport, Cara Jackson, Stephanie Daniels and Romy Castaneda, 2; and Ashley Henson, 1.

The girls never quit and showed more poise in this game than they ever have.

Eighth grade girls victorious in one, defeated in one

The eighth grade girls played Grape Creek on Monday, January 18, 1993. They won 29-14.

Leading scorers were Makayla Galindo, Farrah Virgen and Pam Jones.

The girls made 25% of their free throw attempts.

The girls executed their plays

well. We need to improve on free throws.

The girls played Eldorado on Monday, January 25 and were narrowly defeated, 26-24.

Leading scorers for the game were Makayla Galindo and Pam Jones.

The girls played a tough game but time ran out. Their shots were better in this game.

FIELD OFFICE CLOSINGS continued from pg. 1

and are highly dependent on SCS for technical assistance.

NACD Action
The message that NACD is taking to the current and incoming administrations, Congress and the news media is this: While we fully support efforts to improve the efficiency of USDA operations, the process currently under way is a poorly planned, 11th-hour effort that could have grave consequences for the environmental protection efforts of SCS and its partners.

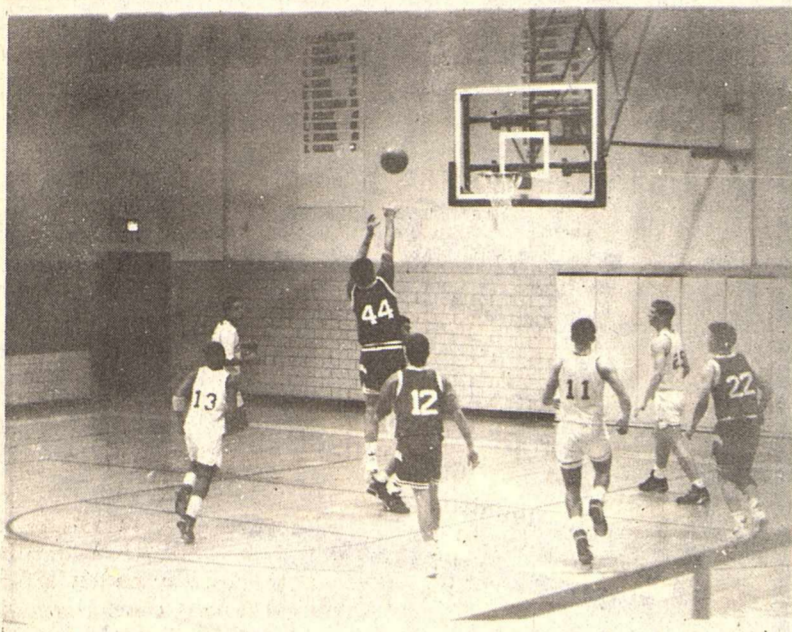

NACD has briefed the Clinton transition team on our concerns and hand-delivered a letter to Agriculture Secretary-designate Mike Espy. We have contacted key members of Congress and their staffs, many of whom have expressed willingness to work with us in calling for suspension of the current

reorganization effort. We have also solicited the support of 18 environmental organizations and more than 25 agricultural organizations and launched a media outreach effort to get our message across.

What Lies Ahead
Madigan was originally expected to issue final office closing orders on January 14, but apparently the date was moved to January 19 - one day before the new administration takes office. Congressional leaders have assured us that the current process is likely to go no further and that the issue will be thoroughly revisited by Espy and the new administration. However, NACD is unwilling to take any chances, and we will continue to register our concerns about the process.

State and district leaders are also encouraged to contact members of Congress and the media to convey the message that, while we fully support efforts to improve USDA's efficiency, the current process is extremely problematic. Solicit support from your cooperators, as well as other local agriculture and environmental groups. To build support for our case, NACD has also asked state leaders to provide us with specific examples of the impact that the office-closing process would have on local conservation work. Please contact your state association with your input.

Local low income families eligible for government checks

Lower-income working families may be eligible for government checks of up to \$2,211 from the Internal Revenue Service.

Local IRS employee Dawn Saunders said volunteers in an IRS sponsored community program known as the Volunteer Income Tax Assistance (VITA) program will provide free tax help that includes determining if a family qualifies for government refunds through the earned-income tax credit program. "If a family made less than \$22,370 in 1992, they may qualify for the earned-income credit," Saunders said.

VITA volunteers have gone through special IRS training and are qualified to assist taxpayers with basic tax questions involving filing status, dependent exemptions, tax-credits, and itemized deductions. VITA volunteers can also prepare 1040EZ, 1040A and basic form 1040 for taxpayers. "VITA volunteers do not handle complicated tax returns nor answer questions outside the scope of their expertise," Saunders said.

Littlest angel uses own money to help others

Even children see needs. Andi Allen (10 years old) wanted to help her fellowman. So, with her allowance, she bought oranges, apples, 9 rolls of toilet tissue and paper towels which were distributed to the residents of the apartments. Our thanks and admiration to Andi, the smallest presenter of gifts ever. We could all learn a lesson in giving from our little angel.

The dust of cow ponies could almost be seen at the Sonora Senior Apartments, Saturday, January 23rd, as Biscuits O'Brien entertained at their pot luck lunch. Residents and guests were amused and interest quickened as the cow poke from "I Owe Everybody Ranch" spun yarns about his adventures as camp cook plus gave us a glimpse into cowboy heaven. Biscuits, we're shore nough tink kindly fur yor mosing over!

Our appreciation to concerned/caring businesses, church and individuals for making the day extra special. Town and Country #97 donated door prize for residents. IGA Grocery and the Assembly of God Church (Daniel Timmerman, Pastor) contributed china. Danny Ellison of Danny's Auto Clinic gave a camera.

Assisting were Bill Thurman, Tasha/Cody/Melissa Emery, Joe Munoz, Candy Noriega, Jeanie Lawson, First Baptist Church, and as all endeavors several other people made contributions but wish to remain anonymous. Many thanks!

Put Saturday, February 13th, on your calendar for our next pot luck luncheon. What a treat, the Old Tyme Country Band will entertain.

The group discussed what type of food and fun would be enjoyed. Pizza, bingo and dominoes were mentioned. Anyone wanting to help with bingo and domino games, please volunteer.

We need someone to teach the quilting and knitting classes for a couple of weeks. Judy Edmondson will be unable to instruct due to illness in the family.

The evidence of loving/giving folks in the community came in the form of a sunshine package containing towels, wash cloths, kitchen towels, kitchen cloths, light bulbs, toilet tissue and a sweater. The occupants received the items mentioned and are most grateful.

Please accept the residents appreciation for the Sunshine Basket. We would like to thank the individuals by name but they ask to remain anonymous.

Our thanks go to some Sonorans giving time, talents or materials to the occupants on a daily basis. We couldn't make it without these nice folks: Santa/Elida/Irma Noriega, Ruben/Nelda Yorba, Freddie Morales, Lewis Allen (Presbyterian Church), Gini Brisbin, Doug Lutz, Shannon Liverman, Georgia Middleton, Roy Jean Johnson and Judy Edmondson.

Texas A&M named honoree, distinguished students

Texas A&M University has named its honor students for the 1992 fall semester, recognizing several thousand students for outstanding academic performance.

Jesse Michael Lynch was named to the Dean's Honor Roll which recognizes students who have maintained at least a 3.75 grade point ratio out of a possible 4.0 during the most recent grading period.

Jesse is a senior Computer Science major. He is the son of Mr. and Mrs. Al Lynch.

A second designation, "Distinguished Student," recognizes

students who earned a 3.25 to 3.74 grade point ratio.

Todd A. Keller and Tracy Gene Love were named as "Distinguished Students" during the 1992 fall semester.

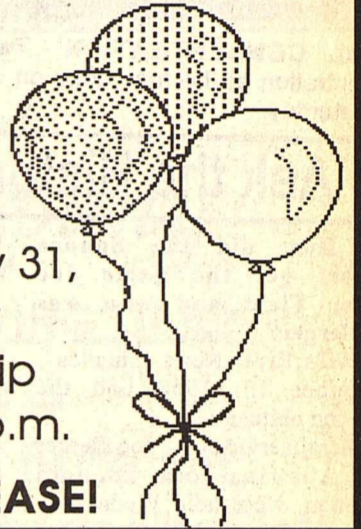

Todd, the son of Mr. and Mrs. Mike Keller, is a junior Bioengineering major.

Tracy, a junior Petroleum Engineering major, is the son of Mr. and Mrs. Tommy Love.

University Honors signifies that a student has completed 36 hours of Honors course credit within specific areas of the university's Honors Program.

Devil's River News

TOTAL CONCENTRATION - Two Cub Scouts watch with total concentration at the race goes on during the Pinewood Derby held last Saturday.

Ask the Historical Society

How did the Sonora Airport get the name Joe Berger Field and who was Joe Berger?

Devil's River News, Thursday, November 13, 1958 had the following obituary:

Funeral services for Joe Berger 70, Austrian-born Sonora ranchman, were held Wednesday afternoon, November 12, at the First Methodist Church with the Rev. Doyle W. Morton, Pastor, officiating assisted by the Rev. J. E. Eldridge.

Born May 2, 1888 in Cross Petersdorf, Austria, Mr. Berger came to Sonora in June 1907 at the request of his uncle, the late Fred Berger. He received his first citizenship papers in 1910 and in 1912 his final citizenship papers were issued.

During his first seven years in Sonora, he worked as a carpenter, then bought a half interest in the Sonora Lumber Company. In 1914 he sold out to the West Texas Lumber Company but remained on as manager until his enlistment in the U. S. Army in 1918. He saw service in France and was discharged from the Infantry in 1919.

He was married to the former Velma Mittel of Sonora July 14, 1922, and the couple made their home on the Berger ranch until his partial retirement several years ago.

A Mason for over 30 years, Mr. Berger served the chapter here as Worshipful Master in 1917. He was also a member of the Order of the Eastern Star. He was a member of the Methodist Church and served as steward and was a trustee at the time of his death. He was a charter member of the Lions Club, a past vice-president of the local American Legion post, a former member of the executive committee of the Boy Scouts, and was a school board member for eight years.

In 1957 Mr. Berger made available to the City of Sonora land for the construction of the Sonora Municipal Airport. At the dedication of the airport, October

19, 1958, the name was designated as Joe Berger Field.

Pallbearers for church services were Bryan Hunt, Fred T. Earwood, George H. Neill, John A. Ward, Jr., Joe Hull, G. A. Wynn, Joe M. Vander Stucken, Frank Bond, and A. Ray Baker of San Angelo. Honorary pallbearers were Ed C. Mayfield, L. W. Elliott, Authur Simmons, Paul Turney, Sam Hull, B. M. Halbert, Rip Ward, W. L. Davis and G. H. Davis.

Masonic graveside services were held at Sonora Cemetery. Pallbearers were A. E. Prugel, Alvis Johnson, Joe Logan, O. L. Richardson, Sr., S. M. Loeffler, P. J. Taylor, Edgar Shurley and Clayton Puckett of Fort Stockton. Mr. Berger is survived by his wife and one son, Wilfred Berger of Sonora and two grandsons Chris and Larry Joe Berger.

St. John's to hold historical service February 7

On Sunday, February 7, St. John's Episcopal Church will hold an historical service from the Book of Common Prayer of 1789. The service celebrates our heritage and commemorates the way Episcopalians worshipped in the early days of Sutton County. The service will begin at 10:00 o'clock a. m. The preacher will be The Rev. John O'Bryan, circuit-riding priest who is spiritual mentor to the Sonora Wild Bunch. The Rev. Mr. O'Bryan has preached at Christmas at Old Fort Concho the past 3 years and at the Cowboy Communion Service at St. David's Church, San Antonio. He is Biscuits O'Bryans, grandfather and a character created by the Rector of St. John's Episcopal Church, The Rev. Monte Jones.

The members of St. John's have been invited to come in 1880's dress, although that is not a requirement. The Wild Bunch will also be there. There will be a table near the door of the church where all weapons will be checked. The community is also invited to come and be a part of this service.

The Rector emphasizes that although there is an element of fun and entertainment in this service, it is primarily a service of worship, conducted in accordance with the canons of the Episcopal Church. Communion in the Episcopal Church is open to all who have been baptized in the name of God, Father, Son and Holy Spirit.

Again, the 1789 Historical Communion Service will be held at St. John's Episcopal Church, 404 NE Poplar, on Sunday, February 7 at 10:00 o'clock a. m.

DON'T TOUCH ELECTRIC POWER LINES!

Some people believe that overhead electric power lines are insulated. They're NOT! Therefore, they can hurt you if you come into contact with them. In fact, you can be killed.

That's one of the reasons why they are placed high above the ground or even buried — so that they are out of the way.

But if for some reason you come across an electric power line that is within reach, don't reach for it. Instead, reach for your phone and notify your Electric Cooperative. We will come out and handle the situation safely.

And that's what this message is all about... safety around electricity.

Don't touch electric power lines! It can help you avoid the shock of your life.

A safety message from

Southwest Texas Electric Cooperative

Caleb Taylor wins school-level Geography Bee competition

Caleb Taylor, a fifth grade student at Sonora Intermediate School, won the school-level competition of the National Geography Bee on January 15 and a chance at a \$25,000 college scholarship. The school-level Bee, at which students answered oral questions on geography, was the first round in the fifth annual National Geography Bee, which is sponsored by National Geographic WORLD, the Society's magazine for children, and Amtrak®.

The kick-off for this year's Bee was the week of January 4, with thousands of schools around the United States, the District of Columbia, and five U. S. territories participating. The school winners, including Caleb, will now take a written test; up to 100 of the top scorers in each state and territory will be eligible to compete in their state Bee April 2.

The National Geographic Society with its co-sponsors will provide an all-expenses-paid trip to Washington, D. C., for state champions and their teacher escorts to participate in the National Geography Bee national championship on May 25 and 26. The first-place national winner will receive a \$25,000 college scholarship; the second-place winner, a \$15,000 scholarship; and the third-place winner, a \$10,000 scholarship.

Alex Trebek, host of "Jeopardy!", will moderate the national finals, which will air as a prime-time special on the Public Broadcasting Service at 8 p. m. May 26.

The National Geographic Society developed the National Geography Bee in response to a growing concern about the lack of geographic knowledge among young people in the United States. A 10-country Gallup survey conducted for the Society in 1988 and 1989 found that people in the U. S. ages 18 to 24--the youngest group surveyed--knew less about geography than young people in any of the other countries in the survey.

The National Geographic Society, with nearly 10 million members, has as its mission the "increase and diffusion of geographic knowledge." In addition to the National Geography Bee, the society sponsors a number of other geography education initiatives, including the Summer Geography Institute for teachers, the National Geographic Society Education Foundation, and the Geographic Alliance Network, which is currently working in almost every state and Puerto Rico.

The secret of being a bore is to tell everything.

Movie Review

Alive
Rated R for language and graphic violence
Four Stars

Believe it or not, this is probably the most spiritual film released in years. This is not, I repeat, not a film about cannibalism. Then again, I also warn, don't bring beef jerky to the theater. This story about a South American rugby team forced to survive 10 long weeks in freezing starvation when their plane crashes over the Andes is one of the most exciting adventure films to come around in ages. Make all the jokes you want (such as: "Whenever you fly over the Andes, bring A1 Steak Sauce."), but once you see it, you cannot deny that this is a film about the power of the human spirit, and the beauty of God.

Emergency management hold shelter orientation meeting

On January 12, 1993 a Shelter Orientation Meeting was held at the Emergency Management office. Those attending the meeting were: Preston Faris, CEA-AG.; Lewis Allen, Pastor Church of the Good Shepherd; Clay Hall, Pastor First United Methodist Church; Carole Thorp, Director Sutton County Senior Center; Karina Samaniego, Service Unit Director for the Girls Scouts; Sandra Luz Gonzalez, secretary St. Ann's Catholic Church; Don Jones, Pastor Church of Christ; Carl Teaff, Fire Chief Sonora Volunteer Fire Department; Pat Campbell, Worshipful Master of the Masonic Lodge; Carlos Estrada, Pastor Primera Baptist Church; Donna Keese, EMT Sutton County EMS, and Lenora Pool, Emergency Management Coordinator.

The purpose of the meeting was to review plans, procedures, and guidelines for the temporary lodging, emergency feeding and clothing of persons forced to leave their homes due to an unforeseen hazard. There are numerous hazards that could cause an evacuation here in Sonora and Sutton County. The evacuation, requiring shelter, may involve a few families or maybe as many as 500 persons as a result of severe storms, flooding, or hazardous material spills, etc.

Treva McReynolds gave a short presentation about the procedures in a shelter. Some of the items presented were: the staffing of shelters, who makes the decision to open a shelter, record keeping, and the responsibilities of each shelter manager. After the presentation there was a question and answer session.

EMS'ing Around

by Pascal Allison

In the January 14th edition of the Devil's River News Donna Keeses' name was inadvertently omitted as one of the instructors passing her state exam in order to re-certify as an EMS instructor. Congratulations, Donna!

Congratulations to Keith and Rosie Butler on the addition to their family. They are the proud parents of Amelia Grace who was born at 4:38 p. m. on December 20, 1992. Amelia arrived weighing 8 pounds 3 ounces, and was 20" long! Keith, an EMT-Paramedic with the Sutton County EMS is the administrator for the Medi-Center in San Angelo. Rosie is an EMT with the Sutton County EMS. Keith and Rosie live in San Angelo, but spend some of their weekends on call with the Sutton County EMS here in Sonora. Congratulations, Keith and Rosie!

On January 13th Pat Campbell and Ben Pool, both Emergency Medical Technicians (EMTs), took an ambulance to Meridian Oil Co., where Ben put on a safety course and demonstrated CPR. They showed the ambulance and it's capabilities to the approximately 15 attendees. The Safety Clinic was well received.

Early in January Pat Campbell, EMT, took the Tiger Cubs on a tour of the EMS building and ambulance. He explained how the

Emergency Medical Service (EMS) works. He also demonstrated how the head and spinal immobilizers work, showed the uses of back boards, etc. In touring the ambulance the Tigers were really "wide eyed" and obviously impressed by all they saw. Pat instructed them on some basic safety rules.

On January 15th thru the 17th Pat Campbell and Treva McReynolds attended an EMS instructors course in Big Springs.

At present they are both licensed skills instructors, however the course they attended in Big Springs will qualify them to take the state written exam in their efforts to be qualified to give lectures in Emergency Medical Technician (EMT) courses. Congratulations Treva and Pat!

Did you know... The difference between biological death and clinical death? Clinical death occurs, for example, immediately when a person goes into cardiac arrest (heart attack). There are no respirations and no pulse. Biological death can occur anywhere from 3 to 10 minutes after clinical death occurs, unless CPR is initiated. However, in some cases it may be longer. Especially in the case of a "cold water" drowning, which lowers the core temperature of the body, thereby slowing down a persons metabolism.

Welcome Back Bob Young!

This year, 1993, will be the 12th consecutive year Bob Young has attended the Fling Ding. Bob, a resident of Las Vegas, Nevada, is a captain pilot for Continental Airlines.

He has traveled approximately 70,000 roundtrip miles during his 12 years of attending the Fling Ding.

Last year Capt. Young flew in from Paris, France. This year he will be flying in from Australia.

He is the guest of Mrs. Fannye Pace and her son George Pace.

Haltom graduates from ASU

Rodney O'grady Haltom received a Bachelor of Science, with a major in Medical Technology during Fall commencement at Angelo State University.

He was among 205 students who received degrees at the university.

LEGAL NOTICE

Selection of County Depository
NOTICE is hereby given that the Commissioner's Court of SUTTON County, Texas, will, at its regular February Term, 1993, select a County Depository of and for the public fund of SUTTON County, Texas, for the years 1993 and 1994. Also included in the public funds are funds of the County Permanent and Available School Funds and trust funds in the hands of the County and District Clerk. The applications will conform to the provisions of the County Depository Law, Articles 2544 to 2558A inclusive, Revised Civil Statutes of the State of Texas; the rules and regulations of the Board of Governors of the Federal Deposit Insurance Corporation; and the requirements of the SUTTON County Commissioner's Court.

Any banking corporation, association or individual banker of SUTTON County, Texas, desiring to be designated and/or selected as such Depository shall make and deliver to the County Judge of SUTTON County, Texas, an application applying for such funds stating the amount of paid up capital stock and permanent surplus of said bank, together with a statement showing the financial condition of said bank at the date of said application, which shall be delivered to the County Judge of SUTTON County, Texas, on or before 10:00 o'clock A. M. on the first day of the regular February Term, 1993, of the Commissioner's Court of SUTTON County, Texas, the same being on or before 10:00 o'clock A. M. February 8, 1993.

Said application shall also be accompanied by a certified check for not less than one-half (1/2) of one per cent (1%) of SUTTON County's revenue for the year 1993, as a guarantee of the good faith on the part of said bank, corporation, or individual banker, that if said bank, association or individual banker is accepted and/or selected as County Depository it will enter into the bond and/or bonds provided therefore by law.

Said application, so filed with the County Judge of SUTTON County, Texas and prepared as required by the laws of the State of Texas, will be considered by the Commissioner's Court of SUTTON County, Texas, at 10:00 o'clock A. M., February 8, 1993, and a County Depository selected in accordance with the above referred to laws and all other laws of the State of Texas covering such matters.

Application forms are available in the office of County Judge and shall be used by all interested parties. The Commissioners Court reserves the right to reject any and all applications received.

Bid submitted shall be sealed and marked on the outside "Application for Depository of Sutton County Funds." (1/28)
