Callahan County Pioneers Hold 19th Annual Reunion Friday

An estimated 3,500 persons attended the Callahan County Pioneer's Reunion held in Treadway Park, Cross Plains, last Friday. Some 2,000 people were in attendance for lunch spread at noon.

B. H. Freeland, of Baird, was elected President of the Association for the coming year. Mrs. L. L. Blackburn of Baird was elected first vice-president and Oscar Pycatt, of Clyde, second vice-president. Mrs. B. L. Boydston, of Baird was re-elected secretary-treasurer.

In the old fiddlers' contest, R. P. Luce, Big Spring, was declared winner; Ben Odum, Cross Plains, second and J. E. Sanders, Big Spring, third. Judges were Jeff Blair, Abe Crutchfield and O. L. LaBeff.

Group singing during the day was led by Mrs. Vera Edwards, Clovis, N. M., and Mrs. Dorothy Boydston Harper of Abilene. Mrs. Harper and Mrs. W. H. Wright, Abilene, sang two duets. Fred Heysler, one of the mas-

ters of ceremonies, opened the reunion. Mrs. Willie M. Floyd, Abilene, delivered the invocation. R. L. Clinton, Putnam, welcomed and Tom Dawkins, San Antonio, responded. Talks were made by Fred Cook, Putnam; Joe Steadham, Austin; Bob Norrell, Baird; and R. L. Westerman of Christoval, during the forenoon.

Spike Blakley, Baird, was awarded ribbons for being the earliest cowboy in the county, the earliest pioneer man, and earliest pioneer man with continuous residence in the county. He came in 1876.

The earliest pioneer woman, Mrs. J. A. Jackson, Baird, who came in 1877, was awarded ribbon for being the pioneer woman with the longest continuous residence in the county. She is 96 years old.

The oldest native-born man on the grounds was Bob Blakley, Aspermont, in 1878. The oldest native-born woman was Mrs. George Baum, Cross Plains, in 1878. She was also awarded a ribbon for being the oldest native-born woman with continuous residence in the county. Oldest native-born man with continuous residence was Ches W. Barr, Cross Plains, who came in 1883.

The woman coming greatest distance to attend the reunion was Mrs. Ruby Falmesberger, nee Dearman, from Portland, Ore., a distance of 2,685 miles. Man coming the longest distance was Jesse L. Lamoreux, Rockford, Ill. Couple married longest were Mr. and Mrs. R. L. Westerman, of Christoval, 68 years. Couple married longest with continuous residence in county were Mr. and Mrs. Dave Hargrove, Cross Plains, 52 years. The largest family whose members were registered were the descendants of the late Mr. and Mrs. Flix McNeill—six in all.

Brief talks were made by Judge J. R. Black, Abilene; Dallas Scarborough, Abilene; Fred Cook, Putnam; Judge Charlie Nordyke, Stephenville; Jesse L. Lamoreux, Rockford, Ill., and Will Watson of Abilene, who invited reunion visitors to the West Texas Fair at Abilene Sept. 9-14, inclusive.

Polio Survey To Be Made In County

A countywide survey to discover the current rehabilitation needs of all post-polio patients will be conducted by the Callahan County Chapter of the National Foundation for Infantile Paralysis, Fred Goble, chapter chairman, announced today.

The local survey is part of a nation-wide project by the National Foundation to compile a roster of polio cases of all ages and degree of disability, regardless of date of onset. The canvass here is to be completed by September 1.

"Modern medicine has made impressive strides in developing new rehabilitation techniques in recent years," Mr. Goble said. "Pilot surveys already undertaken show that there are thousands of polio-handicapped in the United States who have not yet had an opportunity for medical evaluation to determine if they might benefit from these new techniques.

"Some of the techniques employed today for those disabled by polio and other causes were unknown and unused as recently as 10 or even five years ago.

"The March of Dimes organization, having scored a tremendous victory in its war on polio, does not now propose to walk off and leave the wounded behind, so long as help for them is possible. We wish to find everyone who has had polio, whether paralytic or non-paralytic. We want to know what their special problems may be, so that they may be helped to regain useful lives, if humanly possible, even though it will take a considerable length of time."

Mr. Goble asked that all persons who have ever had polio—whether disabled or not—send their names and addresses directly to Fred Goble, Callahan Co. Chapter, National Foundation for Infantile Paralysis, Baird, Texas.

Marilyn Gilliland Is Farm Bureau Queen

Marilyn Gilliland, daughter of Mr. and Mrs. Jack Gilliland, was crowned queen of the Callahan County Farm Bureau, Tuesday night, in the Denton Valley gymnasium, in the organization's first queen contest.

The 5 feet, 3 inch brown-haired, blue eyes brunette will represent the county in the district queen contest in Fredericksburg Thursday week.

Marilyn is a junior in McMurry College this term. She is a music education major. The piano is her favorite instrument. She is a member of the McMurry Indian Band and the Kappa Chi social club.

Competing against Queen Marilyn for the title were Mary Baack of Rt. 5, Abilene; Macalyn Burns and Janice Gibson, both of Denton Valley, and Artie Mae Stokes of Baird.

Music for the occasion was supplied by the Callahan County Playboys. O. B. Edmondson of Cross Plains was master of ceremonies.

Judges were Mrs. John Love and Sandra Jo Kirkland, both of Eastland, and Mrs. Joe McDuff of Potosi.

KENNETH GLEGHORN ENLISTS IN US ARMY

Thomas Kenneth Gleghorn, son of Mr. Odle Gleghorn, 610 Peyton Street, enlisted for three years in the regular Army, July 31st at Abilene.

He was flown from Abilene to Fort Carson, Colorado on the 1st of August where he will undergo 8 weeks of basic training. After completion of basic training he will receive two weeks leave and then attend an automotive maintenance course.

Pvt. Gleghorn enlisted for the course under the Army's "Reserved for You" Program, which reserves a vacancy in the School of the applicants choice before enlistment. There are over 150 different courses offered by the regular Army to High School graduates.

Pvt. Gleghorn has lived in Baird all his life, and attended schools here. He is a 1957 graduate of Baird High School.

Visiting Mr. and Mrs. V. A. Simmons over the week end were Mrs. Curtis Yocum and children, of Seagraves, Mrs. Nora Graham of Big Spring, D. P. Williams of Loop, Mrs. M. R. Simmons and Mr. and Mrs. Charlie Lawrence.

Pat Haley Rites Held Wednesday

Funeral for William Patrick (Pat) Haley, Baird railroad man, was held at 3 p. m. Wednesday in Wylie Funeral Home Chapel, with Rev. Davis Harrell, pastor of the First Baptist Church of Baird, officiating. He will be assisted by Rev. Herbert Markley, pastor of the Baird Presbyterian Church.

Burial was in Ross Cemetery. Mr. Haley, a yardmaster for the Texas & Pacific Railroad at Baird, was fatally injured when the 1955 car he was driving collided with a tractor semi-trailer driven by Verlan Ernest Overstreet of Gorman.

The accident occurred about 7:30 p. m. Monday, about 5 miles west of Cisco on Highway 80. He died in Graham Hospital in Cisco about 25 minutes later.

Overstreet and his daughter were in the cab of the truck. They were not injured.

Highway Patrolman Lester Strawn said the sedan driven by Haley was traveling west and the truck—loaded with cattle—was headed east. The two vehicles hit on the left sides nearly head-on as they topped a hill.

The patrolman said the automobile was a total loss. None of the cattle were injured in the accident.

Mr. Haley, employed by the T&P since 1914, was returning to Baird from New Orleans, La., at the time of the accident. He had taken his wife, Stella, to New Orleans to visit her daughter, Mrs. Frances Haley Laverett, and two grandchildren.

Survivors are the wife; two daughters, Mrs. Carmen Fuller of Fort Worth and Mrs. Laverett, three brothers, W. E. of Baird, Earl and Carl of Big Spring; three sisters, Mrs. R. V. Hart of Big Spring, Mrs. Jack Drake of Midland, Mrs. Bess Ray of Baird; and four grandchildren.

Pallbearers were Sam Plowman, Tootie Lambert, F. E. Stanley, Sr., Buford Misnamer, Carl Daniel and Farris Bennett.

Lion's Carnival Set Aug. 30-31

Clyde Lions Club is getting ready for their 7th Annual Carnival Friday and Saturday nights, August 30 and 31. The carnival will be held on the Lions Club grounds, near the Community Center.

Proceeds from this carnival will be used for the many projects which the Lions have planned.

A street parade will officially open the carnival, at 6 p. m. on Friday, August 30th. Attractive prizes will be given to the winners.

Parade prizes are: Floats—1st, \$7.50; 2nd, \$5.00 and 3rd, \$2.50.

Best decorated bicycle—1st, \$3.00; 2nd, \$2.00 and 3rd, \$1.00.

Best entry, children 12 years or under—1st, \$3.00; 2nd, \$2.00 and 3rd, \$1.00.

Most typical cowboy—1st, \$3.00.

Most typical cowgirl—1st, \$3.00.

The Callahan County Sheriff's Posse, Clyde Brush Riders and all other clubs are especially invited to take part in the parade.

CECIL THOMPSON TO RECEIVE DEGREE

B. Cecil Thompson of Baird is one of 380 seniors who have applied for bachelor's degrees to be awarded in summer commencement exercises at North Texas State College August 22. Graduation ceremonies are scheduled to be held at 8 p. m. in Fouts Field.

Thompson, the son of Mr. and Mrs. B. Thompson, 344 West Fifth Street, Baird, is a candidate for the bachelor of arts degree in physics and math. He is a 1954 graduate of Baird High School.

BAND PRACTICE

Seventh and eighth grade band members were to report to the Cafeteria Thursday and Friday, Aug. 22-23, from 9 to 10 A. M.

High school members, as well as the 7th and 8th grade members, will practice the following week at the same time.

New Minister Arrives For Church of Christ

George Snure

Sunday, Aug. 17 marked the beginning of the labors of George Snure with the Baird Church of Christ. Mr. Snure comes to Baird following a four-year period with the Church of Christ in Beamsville, Ontario, Canada. While in Beamsville, he also taught in the Great Lakes Christian College, a high school operated by members of the Church of Christ in that area.

Mr. Snure is a native of Hamilton, Ontario, and graduated from Harding College, in Searcy, Arkansas, in 1951. It was there that he met and later married Janavee Rogers of Piggott, Arkansas, and to this union has been added three sons: Gary, 5, Roger 2½ and Reggie 1½.

As well as his work in Canada, Mr. Snure has also been with churches in Ohio and Missouri, and has conducted Gospel Meetings in many other states.

On Tuesday night, a welcome was extended the Snure family by the Baird congregation, and a wonderful lot of foodstuffs was presented them.

All-Colored Rodeo Opens At Baird Rodeo Arena Friday Night, Aug. 23

An all-colored rodeo, featuring the nation's top negro cowboys and a full array of comedy acts will be held at Callahan County Sheriff's Posse Arena in Baird Friday and Saturday nights, August 23 and 24.

Bobby Estes, producer of the show, has entrance confirmations from such well-known cowpokes as "Alex" Alexander of

Houston, comedy bullfighter and former headliner for Gene Autry productions; J. B. Gibson of Bay City, a big money winner in Northern shows; Willie Thomas, Richmond, reputed to be among the world's finest and fanciest saddle occupants; James Boone, Bay City, and Tony Travis, La Marque, high scorer at Madison Square Garden.

Although the card will offer such spectacular events as saddle and bareback bronc riding, steer wrestling, calf roping and Brahman bull riding, the real crowd-pleaser is expected to be a new type contest seen for the first time in this section of Texas. Billed simply as "Toro Watermelon," the event goes like this: contestants are seated at tables loaded with sliced melon when an enraged Brahman bull is loosed in their midst. The cowboy retaining his seat and dining the longest is the victor. This is an innovation picked up by Estes in Europe last year, with watermelon replacing spaghetti as the bill of fare.

Another comic attraction expected to prove popular at Baird will be the negroes attempt to ride Estes' pitching mule, "Bottle o' Pear." \$25.00 will be paid for an eight second stay atop the back of the oft-mounted but seldom-ridden hybrid.

There'll also be a bit of "rock and roll" rhythm during the show, featuring "Wide Mouth" Brown, brother of the nationally known "Gate Mouth" Brown.

Although colored shows have drawn the largest rodeo crowds ever seen in Baird, this will be the first such attraction in six years. Performances begin each night at eight o'clock. Admission is \$1.50 and 75c. A special section is being reserved for colored.

RIFLE SCHOOL TO BE HELD SATURDAY AT LEGION HUT

The American Legion Rifle School will be held at the Legion Hut Saturday afternoon at 3:30 P. M.

All boys and girls in this area are cordially invited to attend. After a short class, they will go to the rifle range for firing practice. Transportation to and from the range will be provided. Ammunition is also available, at cost, to all who want to shoot.

FOOTBALL SCHEDULE

Football schedules have been placed throughout the town at the business places. Attention is called to the fact that a game with Trent has been scheduled for the homecoming game, Oct. 19, 1957. This is due to the fact that Strawn dropped eleven-man football and withdrew from the district after the schedule had been arranged and too late to correct in the printing of the schedules.

Miss Curley Seale Hosts Garden Club

Miss Curley Seale was hostess to the Baird Garden Club members, their husbands, and guests Tuesday night, Aug. 14, with a lawn party at her home southwest of Baird.

The beautiful house is surrounded by section of ranch land, and is an oasis in the desert, with its beautiful trees, flowers, and many colorful plants and flowers. The cock's comb is featured in several varieties and in many colors.

The guests were invited into the beautifully furnished home, and on out to the barn to see the cattle. There we saw "Hazel" a 20 year-old cow and mother of her 17th calf.

Refreshments were served in the back yard to the following: Mmes. D. J. Anderson, W. A. Fetterly, Rod Kelton, Ben Ross, C. Z. Anderson, John McGowen, I. E. Warren, B. H. Freeland, Frank Cunningham, Lee Ivey, Clyde White, A. E. Young, S. W. Lilley, Leo Tyler, Maria Leache, Mr. and Mrs. L. C. Cash, Dick Young, Jack Gilliland, S. L. McElroy, H. D. Hart and son Mike.

M/SGT. SHARP ASSIGNED TO GOODFELLOW AFB

Master Sergeant Ira M. Sharp of Baird was recently assigned to the 3545th Maintenance and Supply Group at Goodfellow AFB San Angelo.

The sergeant and his wife have three children, Donna Kay 10, Betty Carol 7 and Roy Lee Sharp 2.

Mrs. Arvel Woosley and children, of Seymour, visited the Medford Walker family and friends in Baird and Clyde the first of the week.

SWEET AND SOUR

(Continued from Page One)

The Little League Baseball team, coached by Tom Barton, closed out a most successful summer season with a wiener roast - coke party at Robert Martin's home Tuesday evening. Highlight of the party came when the team presented their coach with a golf club in appreciation for the countless hours of work he gave to the youngsters this season.

It's happy days for Edith Bowlius because nephew Johnny Bowlius from Sweetwater is visiting here this week. Johnny reports that Sweetwater is a nice place to call home, especially after adding a Boxer puppy to his family circle.

Kitsy Ross, Charlene and Thelma Shelton visited in Gainesville this week — sort of a last fling before Sept. 3.

Welcome to Baird's newest enterprise — Halley Hart's office supply store, opening for business soon in the building just north of City Pharmacy. Mr. Hart plans to stock complete lines of office and school supplies as well as hobby and craft materials.

The Ted Morrisons will open the newly remodeled City Cafe this week. With two new places of business on Market Street, you'd be right in thinking that things are looking up for the home town, wouldn't you?

Mrs. Carroll McGowen and Mrs. M. L. Stubblefield entertained with a coke party on the McGowen lawn Tuesday evening. The occasion was to honor Toby Barton, Glynda Beth Gilbreath and Martha Ann Martin, brides-to-be of this season.

Two more names were added to the newly-wed list Wednesday night when Lavonne Meadows became the bride of Carrol Taylor. Best wishes to two fine youngsters.

Baird is collecting quite a membership in what we might call the Fort Worth branch of the old home town. Becky Griggs is the latest to make the move. She and Billy Beth Bell will have apartments together, and when George Lee Lambert goes down to enroll in TCU this fall, it will be almost a family reunion for the Griggs clan.

Very special thanks to Jerry Loper at City Pharmacy for packets of World Flags for each class in the Baird grade school. The kits contain replicas of flags from all countries of the world, information about the country, maps, and a flag stand. They are a valuable teaching asset and one that will be appreciated.

Mrs. Jack Chapman and two boys have been visiting Mr. and Mrs. Dolph Hodges during the illness of Mr. Hodges. Dolph is up and feeling very well. Yvonne planned to return to her home in Arkansas last Friday.

Mr. and Mrs. A. B. Byers of Lubbock came to Dudley and Oplin to visit friends in celebration of the 50th wedding anniversary. A little late, since May 8th, was really their anniversary.

Mr. Byers is 78 years young today and is getting rather feeble, but he attended Sunday School at Oplin Baptist Church today and we enjoyed hearing him lead singing again, as he did often while living at Oplin. A woman never likes to have her age told, but no one would believe me if I told them that Mrs. Byers is 70. Here's hoping she is back in Lubbock before this is published.

Mr. and Mrs. Byers visited Mr. and Mrs. Ira Crawford and Lynda Tuesday and Wednesday.

Mrs. Willie Lewis and Mr. and Mrs. Harold Snyder have been recent visitors in the Dolph Hodges home.

Mr. and Mrs. L. V. Harris visited Sunday in the home of Mrs. Kate Crawford.

Mr. and Mrs. Bobby Crawford of Arlington are the proud parents of a baby girl, born Aug. 12th.

Mr. and Mrs. Dale Crawford and our grandbabys Alton, and Debra Kay, were visiting out way Sunday. Hulon also visited home folks over the week end.

Oplin Observations

By Daphne Floyd

Our cool norther last Saturday night and Sunday reminded me to warn you to look out for frost about the 18th of November, for oldtimers say it will be 90 days until frost after the first norther in August.

The Baptist people were hosts for Workers Conference Monday night of this week. Missions was the theme of the program. The evening meal was served at 6:45 out in the open to about 65.

Mr. and Mrs. Leland Straley of Austin, were Sunday visitors with his parents, Mr. and Mrs. Lee Straley and Freida.

Tommie Windham had minor surgery at Overall Hospital in Coleman last Saturday. The first of the week reports found him to be doing fine and is expected home by the last of the week.

The Baptist all agreed that it seemed natural to look down the road and see Mr. A. B. Byers walking to Sunday School. They all wished him a "happy birthday" last Sunday for he was celebrating his 78th birthday. It has been so nice having Mr. and Mrs. Byers back for these few days visit.

Mr. and Mrs. J. B. Pierce had

their young grandson, Jackie Dale Pierce, of Odessa, all to themselves last week. His mother, Mrs. Jack Pierce was to come for a visit this week.

Somebody is telling tales out of school for I heard about Lowell Johnson's horse throwing him last week. Lowell must have landed hard for he is consequently suffering the effects by having headaches. All jokes aside, Lowell, glad that the accident was no more serious than it was.

West Texas C of C Approves Program

The program of the West Texas Chamber of Commerce for the coming year has been approved in its entirety, according to Baird's WTCC director Bob Norrell; Chairman of the Board of the First National Bank.

He said the program was approved in a meeting of all WTCC directors in that district which was recently held in Abilene.

The district meeting was one of the ten throughout West Texas held during the latter part of July, he said.

In the meetings, the organization's president, B. E. Godfrey of Fort Worth, presided. Fred H. Husbands, executive vice-president of the WTCC gave the report on the planned activities.

The program of work was planned by committees who met in the organizations headquarters in Abilene in early July.

The report by Husbands covered each of the phase of endeavor carried on by the regional chamber including agriculture and livestock, state and national affairs, community services, industrial development, public information, water resources and member relations.

The board is composed of business leaders representing approximately 150 cities and communities throughout the 132 county region served by the WTCC.

Gatesville Woman Wins Gas Co. Award

Mrs. Charles L. Williams, Rt. 4, Box 37A, Gatesville, has been judged winner of Lone Star Gas Company's home economics department silver anniversary cake recipe contest. She will receive a 1957 thermostatically controlled top-burner gas range of her choice.

Mrs. Williams, who operates a gift shop outside of Gatesville on the road to the State Home, entered a recipe for a white cake with a fruit-nut filling and white frosting. This was judged the winning recipe from the approximately 1,300 entered in the contest. These entries came from throughout the Lone Star System which includes 455 communities, towns and cities in Texas and Oklahoma.

The wife of a retired employee of the State Home, Mrs. Williams now cooks on a built-in gas range.

GET IN ON THIS SAVINGS SECRET

that's no secret to 40,000,000 Americans!

It'll work for you, too—even if you've never been able to save before!

The secret of saving is system. And, as more than 40 million Americans who have tried it know, the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. That amount will be put aside for you before you have a chance to spend it. Your money will go automatically into Series E Savings Bonds which will be purchased in your name and given to you.

Then your Bonds start earning

interest. And your savings grow extra fast because added to the money you're putting by is the money your Bonds earn for you. This plan will work for you even if you've never been able to save before.

And now Savings Bonds are better than ever! Every Series E Savings Bond purchased since February 1, 1957, pays 3-1/4% interest when held to maturity. It pays higher interest, too, in the earlier years, and matures in only 8 years and 11 months. Now, more than ever, it's smart to save with guaranteed-safe U. S. Savings Bonds. Buy them regularly where you bank or through the Payroll Savings Plan where you work.

FENDANT, Greeting: You are hereby commanded to appear before the Honorable District Court of Callahan County, Texas, at the Court House thereof, in Baird, Texas, at or before 10 o'clock A. M. on the First Monday next after the expiration of forty-two days from the date of the issuance of this Citation, same being the 16th day of September, A. D. 1957, then and there to answer PLAINTIFF'S Petition filed in said Court on the 30th day of July, 1957, in this cause, numbered 11,144, on the docket of said Court and styled MRS. BESSIE HUGHES, PLAINTIFF VS. J. D. KENT ET AL, if living, and all of the unknown heirs, devisees and legal representatives of J. D. KENT, if deceased, DEFENDANT.

A brief statement of the nature of this suit is as follows, to-wit: This is a suit of Trespass to Try Title, alleging that MRS. BESSIE HUGHES is the owner of and entitled to the possession of all of the West One Half of the Northeast Quarter (W/2 of the NE/4) of Section 6, Deaf & Dumb Asylum Lands, Callahan County, Texas, patented to J. D. KENT, as 78.6 acres of land, by Patent No. 217, Vol. 3, Abstract Number 735, lying and situated in Callahan County, Texas.

Petition states further that J. D. Kent, wrongfully and unlawfully holds possession of said property to PLAINTIFF'S damage in the sum of TWO HUNDRED FIFTY AND NO/100 (\$250.00) DOLLARS.

PLAINTIFF pleads further, in the event such is necessary, that she has held peaceable and adverse possession, openly and notoriously, under Deed fully registered, and that she has had and held peaceable, continuous and adverse possession of the land described, cultivating, using and enjoying the same and paying all taxes due thereon, for a period of more than five (5) years, after the DEFENDANT'S cause of action accrued, if any cause of action said DEFENDANT ever had, and PLAINTIFF pleading further, in the event such is necessary, represents that the PLAINTIFF has had and held continuous, peaceable and adverse possession of said land, cultivating, using and enjoying the same for a period of more than ten (10) years after the DEFENDANT'S cause of action accrued, if any cause of action of said DEFENDANT ever had, and before the commencement of this suit, and the PLAINTIFF pleading further, in the event such is necessary, would show that she has had peaceable and adverse possession of such real estate for a period of twenty five (25) years prior to filing such action, under a claim of right, in good faith, under a Deed or Deeds, or instruments purporting to convey the same, which Deed or Deeds or instruments purporting to convey the same have been recorded in the Deed Records of Callahan County, Texas, and that the said PLAINTIFF and her predecessors in title have successively with a privity of estate between them, held possession as aforesaid for more than twenty five (25) years prior to the filing of said cause of action.

Petition further prays that DEFENDANT be cited to answer and appear herein, and that on

final hearing, PLAINTIFF have Judgment for title and possession of said land with writ of restitution, and for decree removing cloud from title, as alleged, and that the PLAINTIFF have such other and further relief, legal and equitable, to which she may be entitled, under the law and the facts, as well as all costs of court.

PLAINTIFF further alleged that the address of the DEFENDANT was unknown even after diligent search had been made.

As is more fully shown by PLAINTIFF'S petition on file in this suit.

The officer executing this process shall promptly execute the same, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Baird, Callahan County, Texas, this the 30th day of July, 1957.

(SEAL)

Mrs. Corrie Driskill, District Clerk in and for Callahan County, Texas, 42nd Judicial District.

Soil Conservation District News

N. V. Gibbs has cut and shocked three acres of sorghum timon on his farm about one mile south of Rowden. He plans to thresh the seed from the bundles. Gibbs is well pleased with this new grass and plans to plant additional acres next year.

C. M. Garrett has combined seed from 11 acres of Blue Panic. Garrett planted this grass in 1955 on his farm three miles south of Cross Plains. He has already planted about one hundred and thirty-five acres to various grasses and plans to plant more next year.

Again attention is being focused on the seeding of fall and winter cover crops by farmers. Vetch and winter peas are being used in most instances, either with or without small grain. These cover crops will be seeded to protect land against wind and water erosion and as soil conditioning crops.

Vetch and winter peas seed are available from most of our local seed dealers.

ASC News Letter

THE 1958 WINTER WHEAT ACREAGE RESERVE PROGRAM

The 1958 Wheat Acreage Reserve is a voluntary program. Each farmer will decide whether to participate. Producers who do take part will sign an Acreage Reserve Agreement with their County ASC Committee designating the tract (or tracts) of land on their farm to be put under the program. Land for the Acreage Reserve must be land that would be suitable for producing wheat in 1958. Land already in the Soil Bank Conservation Reserve is not eligible to be designated for the Acreage Reserve.

A Soil Bank farm base will be established for each farm taking part in the 1958 Acreage Reserve program. This "base," similar to that already in effect for farms participating in the Conservation Reserve Program, is the average of the amount of land from which Soil Bank base crops were harvested on a farm in the two years 1956 and 1957. Soil Bank base crops include wheat, corn, cotton (peanuts, harvested for nuts or hay, or hogged off); other small grains harvested for grain, hay, or ensilage; potatoes (including sweet potatoes), sudan, millet, sorghum, rye grass and similar annual grasses if harvested for seed; all vegetables, berries, melons and cantaloupes, and specialty crops. The farm garden for home use is not counted as part of the farm Soil Bank base.

In Acreage Reserve agreements, participating farmers agree to limit their harvested crops to their farm "Soil Bank base," minus the amount of land in the Acreage Reserve and the Conservation Reserve. This acreage for harvest is called the "permitted acreage."

The Soil Bank base for a farm will be established by the county ASC committee. However, it is the responsibility of farmers who expect to take part in the 1958 Acreage Reserve program to furnish their county ASC office their acreage records of all Soil Bank base crops for 1956 and 1957. These acreage records must be in the hands of the county ASC committee in time for the committee to establish the farm Soil Bank base before

an agreement can be signed. If a "base" already has been established for a farm because of participation in the Conservation Reserve, that "base" will be used for Acreage Reserve purposes.

The wheat acreage which can be put into the reserve is limited to the farm wheat allotment. While a farmer may put as many wheat allotment acres under the program as he wishes, the law now places a \$3,000 limitation on Acreage Reserve payments.

Wheat farmers won't lose production history. Land put in the wheat Acreage Reserve will be counted as land devoted to the production of wheat in the determination of future form, county, or State wheat acreage allotments.

Farmers who sign agreements before October 4, 1957, may cancel or replace their agreements up to that date. After the winter wheat Acreage Reserve sign-up is completed, agreements cannot be canceled by the wheat producers.

Failure to comply with wheat and all other acreage allotments assigned to a farm will make the operator ineligible for payment. Farmers who are not in compliance with certain provisions of the agreement will be subject to a civil penalty equal to one-half the payment which would have been made for the compliance, in addition to loss of the payment. These provisions are: (1) harvesting a crop from the designated reserve; (2) harvesting more acres of wheat from the farm wheat allotment less the wheat Acreage Reserve; (3) harvesting more acres of soil bank base crops than the permitted acres; and (4) grazing the designated Acreage Reserve.

Erosion and noxious weeds must be controlled on the Acreage Reserve. Cover crops must be planted on the designated acreage, but they may not be harvested. The reserve is eligible for cost-sharing practices under the Agriculture Conservation Program. County ASC offices have information on approved cover crops, cost-sharing payments, and other details.

Farmers who participated in any 1957 Acreage Reserve program, and who designated all or part of the identical acreage for the 1958 wheat Acreage Reserve, will receive for such acreage payments which are 10 percent larger than the regular per-acre payments for their farms in 1958.

A&M Researchers Study Hatcheries

A state fish hatchery study now is being made by a staff of the Texas A & M College for the Texas Game and Fish Commission, according to the Director of Inland Fisheries.

The study will cover the parasites of fishes at the hatcheries. Already work is under way at the San Marcos hatchery, initiated by Drs. Alvin H. Peters and Richard J. Baldauf, with the aid of student assistants Gary Wood and James Lyon.

Research now is concentrated on the mortality of brood and yearling stock of largemouth black bass.

This is a contractual program on the part of the Game and Fish Commission. It makes available to the department the expert technicians covering all phases of investigation under the direction of able men in the various departments.

NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1957.

HOUSE JOINT RESOLUTION NO. 37 proposing an amendment to Subsection (a) of Section 62, Article XVI of the Constitution of Texas, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. The Legislature may also include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such other reasonable inclusions, exclusions, or classifications of officers and employees of judicial districts of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 14 of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection except as permitted by Section 43 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the election and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State.

"All funds provided from the compensation of such person or by the State of Texas for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, or in bonds issued by any agency of the United States Government, the payment of which is guaranteed by the United States; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State, under the same limitations and restrictions imposed by the Constitution for investment of those funds and subject to such regulations as the Legislature may provide. However, a sufficient amount of said Fund shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand shall be determined by the agency which may be provided by law to administer said Fund.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of its anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Tuesday after the first Monday in November, 1957, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

"AGAINST the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election, and the Amendment shall be published and the election held as required by the Constitution and laws of the State.

**Reward Offered
For Apprehension**

Austin -- A \$2,000 reward for
apprehension of an unknown
killer and a benefit fund for the
victim's widow and children were
established last week following
the mysterious slaying of a Fer-
guson-Steere truck driver.

J. D. Cantrell, 27, of Carlsbad,
N. M., and two young women
were shot to death on US High-
way 180, 36 miles west of Hobbs,
just before dawn July 23.

Cantrell, on his regular run for
Ferguson-Steere between El Paso
and Seagraves, was slain when

he stopped his gasoline rig to
render assistance to the two wo-
men whose car had a flat tire.
Investigating officers said Can-
trell was shot twice in the head,
twice in the chest and once in
the left hip.

James F. Robertson, vice-pres.
in charge of Ferguson-Steere's
Artesia terminal, who made a
personal investigation of the
scene, said there were signs of
a terrific struggle behind the
car.

Informed of the tragedy, Bruce
Steere, president of the petrol-
eum products hauling firm, im-
mediately authorized a \$500 re-

ward to help catch the slayer.
This fund was subsequently
raised to approximately \$2000 by
a Carlsbad newspaper, the Hobbs
newspaper and radio station and
other interested organizations.

Steere said, "this boy was mur-
dered while performing an act of
gallantry. We respect his mem-
ory and want to lend every as-
sistance to the end that the kil-
ler is apprehended."

Ed West, vice president in
charge of the firm's Albuquer-
que headquarters said Cantrell
was employed by Ferguson-Steere
in March. "He was typical of the
high calibre of men that we try
to attract. Our drivers are not
directly instructed to help
stranded vehicles," West said,
"but are told to use their own
judgement in such cases." How-
ever, he pointed out that his of-
fice frequently receives letters of
gratitude from persons whom
his company's drivers have as-
sisted in similar circumstances.

"At our regular safety meet-
ings we stress courtesy as a ma-
jor contribution to overall safety
on the highways," West said,
"It's ironical that another of our
drivers was recently presented a
'Knight of the Road' award for
performing the same act of cour-
tesy that cost Cantrell his life."

Cantrell, like most of the com-
pany's 180 drivers, averaged
about 5,000 miles per month.
His accident-free record was in-

dicative of the high safety re-
cord held by Ferguson-Steere.
In the current year the firm has
received four major awards for
their efforts to promote highway
safety, bringing its accident
frequency rate for the year end-
ing July 1 to .182 per 100,000
miles.

Two benefit funds for Can-
trell's widow and children --
Thelma Ann, 4, and Geoffrey
Duane, born last December --
have been established. An edu-
cational trust fund for the child-

NEWS ITEMS FROM PUTNAM

Union Usuals and Unusuals

By Veda Yarbrough

Hi, neighbor! My, how we are enjoying this cool weather the past three days, but the weatherman said this morning that the cool weather for Texas was about over. So guess we will have to sweater again. No rain, am sorry to say.

Mr. and Mrs. Clint Childers, of Lubbock, visited over the week end with Mrs. Childers' sister, Mrs. Annie Yarbrough and husband. They attended the Old

Settlers Reunion at Cross Plains Friday. Dick and Annie went to the reunion, too.

Buster McNece, of Abilene, spent week before last with John and Roma McIntyre.

Gerald Carter, of Vernon, spent the week end with John and Roma and Jim and I. We really did enjoy having him. Caught a few fish while he was here.

Visiting with the Mark Burnams were the Jack Everetts and Glen Burnams of Abilene. Kim and Keren Burnam of Abilene spent the last week with grandpa and grandma. Dian Everett is spending this week with them.

Not too much farming going on right now. Leonard Alvie is having some terraces built in his field, just west of Mark Burnams.

Mrs. J. C. Dyer had major surgery again last week. J. C. said yesterday she was doing very well. We hope she soon gets well.

Roma and I went to Scranton last Wednesday afternoon to get some real nice peaches out of the Pat Allen orchard.

Little Boy Jim went to the Old Settlers Reunion Friday. I spent the day with Mrs. Ped Yarbrough, who is still in the hospital. She is just about the same.

Mr. and Mrs. Arno Roggenstein visited last Sunday and Monday in Snyder. Mr. Roggenstein came home Monday. She stayed for a longer visit and came home Thursday.

Mrs. Dell Jones and Mrs. Dove Gunn are spending a week in Spur. Mrs. Annie Park is in Lubbock. Mr. and Mrs. Aubrey Pounds came for them last Saturday.

Got to get busy, so be good and I'll be seein' you next week. No ringtail cats this week.

MARVIN WEED IN HAWAIIAN TRAINING EXERCISE

Marvin C. Weed, Jr., radarman seaman apprentice, USN, son of Mr. and Mrs. Chester Weed of Baird, Texas, aboard the tank landing ship USS Comstock, is now participating in Operation "Tradewinds", an amphibious training exercise in the Hawaiian area during August 6-16. The exercise started with

practice approaches on the Island of Maui, followed by a firing exercise at Kahoolawe Island and an actual amphibious landing on the Island of Kauai. The vertical envelopment idea of attacking shore areas by lifting troops from an helicopter carrier was fully tested.

Twentieth Century-Fox made maximum use of the 26 ships, 7500 Navy and 8500 Marine Corps personnel for long range photographic shots of ships, amphibious scenes, and mass personnel moves for background in the forthcoming film version of "South Pacific".

Questions & Answers

Q—I am a Korea veteran and I have just come out of service. I enrolled in a one-year course in radio-TV repair under the Korean GI Bill. After I finish the course, would I be allowed to take another one? I built up three years of GI enlistment.

A—The law allows you one change of course, so long as you make it within three years from the date of your discharge. So once you finish your radio-TV course, you would be permitted to take another, provided it is made within that three years from discharge deadline.
