J. A. Rouse.

Mr. J. A. Rouse died at the home of Mr. J. M. Howell on Goat Creek Thursday, Dec. 13, after a lingering illness which had become very acute for the past two weeks. His body was laid to rest Friday at the Nichols cemetery. He leaves a wife who constantly cared for him and five little children. Mr. Rouse was formerly an employee of the San Antonio Traction Co., and held the position of dispatcher and inspector in their offices. He came to Kerrville six months ago to try to regain his health. His wife asks us to say that she extends heartfelt thanks to the kind people who assisted her and tendered her sympathy during her sad trial.

As usual our stock of Christmas Candies is complete. This year we have endeavored to have made up only good, sensible, wholesome candies at prices within the reach of all.

\$36,000 Land Sale

M. M. Hagens sold his fine farm four miles below Kerrville last week to A. H. Fitzsimon of Hardin county for \$36,000.00. The place contains about 900 acres and is often referred to as the finest farm in the county. The new owner is to take possession on Jan. 1. We are glad to state that Mr. Hagens and family expect to make their home permanently in Kerrville.

Tom Moore Buys Back Former Business at Ingram

T. J. Moore and John S. Calloway are closing up a deal whereby Mr. Moore again becomes the owner of the mercantile business which he established and conducted for so many years in Ingram. In the deal Mr. Calloway becomes the owner of Mr. Moore's home in Kerrville.

Buckner Orphan's Home Shower.

This matchless institution in the past 39 years has housed, fed, clothed and taught 12,000 orphan children (estimated) having each year full 700 present from all parts of Texas and several other States. Most of them become Christians. No dependent white orphan child has been turned away from the unselfish chairity of this Home. Therefore the many friends of this great institution church members and non-church members, desire to aid in its support by free will offerings during the month of December, in honor of its great founder and the mighty work done for orphan children under his management.

January third is a great day at Buckner Orphan's Home. 1st.—Because it is Father Buckner's birthday; 2nd.—It is a home-coming day for the children who have gone out from the Home; 3rd.—It is a Christmas gift day for the children; 4th. It is Cash Shower Day. This all makes it a memorable day for the great institution. On this day the children want to be well dressed. It is a day of rejoicing with them; so it is a day they look to with great anxiety, as well as does Father Buckner. So if we want a part in this great day we may have it by making a free-will offering, during the month of December, for the benefit of the institution, to be sent in by January 3rd, 1918. Some can give ten cents and some can give \$1,000!

Send all contributions to Buckner Orphan's Home, Route 3, Dallas, Texas.

If you want your contribution to go to the credit of the Cash Shower mark your check or money order "Cash Shower"

Parent-Teacher's Club Notes.

Last Tuesday afternoon Miss Peck of the College of Industrial Arts, Denton, gave a lecture in the High School Auditorium on Household Efficiency which was well attended. That night she lectured again and gave an appreciative address for the high school girls, but the attendance was not so good on account of the inclement weather. She was here under the auspices of the Parent Teacher's Club.

Red Cross Column

This column is given free for use of the Red Cross and is edited by officers of the local Chapter.

A RED CROSS CHRISTMAS TO THOSE WHO FEEL POOR

I write as a brother. We are a large family. This world war made in Germany against which we are fighting has sent our incomes down and our expenses up. The pinch hurts, but it is not going to kill us. We still have enough and something to spare. Though we feel poor, don't let us be impoverished by selfish fear. Let us save in food, in clothes, in luxuries, but not in money. Let us use it by giving it to save the wounded, the suffering, our friends, our country. Let us keep Christmas this year by keeping up the Red Cross. Then it will not be a poor Christmas, but a rich Christmas in our hearts.

HENRY VAN DYKE.

+++

A Red Cross Christmas.

The War Council of the American Red Cross has conceived that a great National purpose will be served by having membership in the Red Cross almost as universal as citizenship.

Although pledged as a Nation to the National purpose during this great crisis, it will not be granted to a large percentage of us to play a part in the fighting branches of our country's service. All of us, however, can be identified with the Red Cross, which in these times when whole nations are organized for warfare, is big enough and strong enough to carry some of the burden for our soldiers, our sailors and our Allies.

We want a Red Cross of fifteen million members. We want the strength and support that will grow from this army of members. We have set Christmas time to attain this goal, because we believe that the Red Cross and Christmas spring from the same spirit, and we wish to bring together these two great symbols of mercy, sacrifice and cheer. On this, our first Christmas in the war, we want the Red Cross symbol to add not a spirit of dejection but the thought of serious purpose and sacrifice which through accomplishment it represents.

We hope that from this Christmas campaign of 1917 will grow a permanent custom which will increase the significance of both Christmas and the Red Cross.

NO PAPER NEXT WEEK

According to the custom of many country newspapers and to give us a little time to straighten up the office for the beginning of the new year we shall give our readers a rest next week, unless legal advertising comes in that is absolutely necessary to be published. Our next issue will be Jan. 3, 1918.

But we will be in the office and will take care of all job work that comes.

Martin Luther Lecture.

Comfort News:

The Martin Luther celebration which was held at Karger's Opera House last Sunday afternoon, under the auspices of the Maria-Martina Verein was a very gratifying success and reflects much credit upon the enterprise of this worthy organization of progressive women of Comfort.

The principal feature of the affair was the lecture on the life and work of Martin Luther, which was delivered by Rev. B. Schleifer of Kerrville, a minister of the Lutheran Church, who has made the study of Martin Luther an important part of his work through many years. Rev. Mr. Schleifer's lecture was full of interest for his audience, and it held their very close attention throughout.

The musical features of the program also were well carried out and helped to make the occasion one of pleasure as well as of instruction.

In this connection the Maria-Martina Verein has requested THE NEWS to express the Verein's deep appreciation for the assistance which helped to make this celebration a success, expressing special thanks to Rev. Mr. Schleifer for his prominent part in it, and to Mr. Karger for having donated the use of his opera house.

SUBSCRIPTIONS ALSO A YEAR IN ADVANCE

Entered as second class matter at the postoffice at Kerrville, Texas.

Christmas Greeting

The Advance wishes all its friends and subscribers a Merry Christmas and Happy New year. It cheers our heart and gives us new courage to know that we have so many good friends who will stand by us both in victory and defeat, in adversity and prosperity. We thank every one of you with our whole heart.

This will be a sad Christmas in many respects, but let us look up and thank God that we are in as good circumstances and as bountifully blessed as we are. This is no time for us to become downcast and morose. Let us smile and thereby help some one else to smile. If there ever was a time when we need to be full grown men and women with backbone and courage, it is now.

All of Jim Ferguson's cases in Austin have been dismissed by the District Attorney. If Jim shall ever again be elected governor he will have at least one political debt to pay that will no doubt land a fat job.

Are you in on that Red Cross drive for 2,000 members for Kerr county? Lets go over the top.

President Wilson proposes to cut out half the "kick" from beer bringing down its alcoholic proportion to 3 per cent. But we doubt the effectiveness of this measure as a means of conservation of resources, for whereas it took one dollar's worth to make a fellow drunk it will then take two dollar's worth.

Christmas Services at M. E. Church

The Christmas exercises this year will be given Sunday night at 7:15 and will consist of two parts, the first being given by members of the Sunday School, consisting of songs and recitations, and part second will be given by the young people of the League, as follows:

The room darkened, song—"Silent Night."

Reading and responses by Mary Holdsworth and Minnie Mae Beckman.

Recitation and Refrain by choir. "Glory to God in the Highest."

Recitation, "The Angels Sing"—Mary Holdsworth.

Reading "The Shepherd Scene from Ben Hur."—Rosita Holdsworth.

Interspersed with songs and pantomime by shepherds.

The Manger scene, "O Little Town of Bethlehem."

Christmas offering and presentation of gifts for orphanage.

Baptist Church Notes.

We are to have our regular services at the Baptist church next Sunday, and shall have room for you if you will come. Our congregations were good last Sunday and we hope for the same the coming Sunday. This pastor spent all last week in attendance upon our State Executive Board meeting at Dallas. It was well attended and of great interest to our people. Among the many things done, was the establishment of a home for disabled preachers and their wives, at Palacios. Already we have a splendid brick building there facing the gulf and making an ideal place for worn out preachers. An unusual thing was developed at our board meeting and that we had near fifty-thousand dollars now in our treasury. This helps in our starting the biggest work for next year we have ever planned.
