YOUR HOME PAPER

SIXTH YEAR, NO 14

KERRVILLE TEXAS, THURSDAY, JAN. 17, 1918

\$1.50 A YEAR

## Renschel Boys Enlist.

Robert H. Renschel, over draft age, and his two brothers, Julius and Eloise, both under draft age, went to San Antonio last week and enlisted as volunteers, Robert in the Non-flying Aviation and the other boys in the Navy. Eloise passed all his examinations and returned home to await orders, Julius was held up for a few days on his examination and Robert reports for examination this week. Thus Kerrville maintains her lead over all counties in the United States for volunteers. Some folks didn't know that we really have this standing, but it is conceded to be a fact that this county holds the record for volunteers over all counties in the Union.

## Farm Loan Association Notes.

On January 8th the annual meeting of the Kerrville National Farm Loan Association was held and officers and directors elected for the ensuing year as follows: Officers—Herman Schulze, President; Geo. E. Meeks, Vice President; A. B. Williamson, Secretary-Treasurer; Directors—H. Schulze, Geo. E. Meeks, A. J. Gibbons, L. L. Rees, J. R. Saucier. The following constitute the Loan Committee: B. Y. Denton, Guy Barney, A. Emms, and H. G. Edens, Substitute.

## Attention Woodmen Circle.

All members of Olive Grove 293 W. C. are requested to be present Monday night Jan. 21st, 1918 in-statement of officers.  
Mrs. Leah Moore, Guardian.  
Mrs. Elizabeth Most, Clerk.

## Parent-Teacher's Club Notes.

The Parent-Teachers Club of Kerrville met in regular session on the afternoon of Jan. 9th. The President presiding. The meeting was opened with an Instrumental Duet by the little Misses Annie Saenger and Lois Fawcett, after which the Rev. Mr. Schleifer led in prayer.

A pleasing feature of the program was a presentation of the fairy tale Sleeping Beauty, by the children of the first grade, who were drilled in this by Dorothy Doyle.

The Influence of the human voice was the subject of a splendid paper read by Mrs. Chas. Moore.

Mr. Prescott explained to the club the object of the Thrift Stamps, how and where to procure them and the benefits to be derived from them and asked the co-operation of the club in this work.

A most interesting paper on The conditions which confront the women of today, by Miss Bess Graham, started a lengthy discussion which showed how deeply the women feel the need of studying the present conditions to be able to cope with them as they arise.

Mrs. King's Orchestra consisting of five stringed instruments, rendered some beautiful Hawaiian music.

The meeting then adjourned to meet again the 2nd Wednesday in February.

Press Reporter.

C. P. Brown and family who came here some two months ago from Harlingen have returned to their former home.

This column is given free for use of the Red Cross and is edited by officers of the local Chapter.

### RED CROSS TO ADVISE SOLDIERS' FAMILIES ABOUT WAR INSURANCE BILL

Mr. J. L. Pampell, chairman of the Home Service Section of the Kerr County Chapter of American Red Cross, announces that his section is prepared to give full and complete information in regard to the War Insurance Bill recently enacted by Congress. The National American Red Cross has sent all necessary information to the local chapter and will read all future rulings of the Government Department as they are made.

Every family having a soldier or sailor in our country's service will be interested in this bill, as it provides funds for the dependents of a soldier, makes provision for cheap Government insurance to be paid to the beneficiary named by the soldier, and arranges for the payment of a lump sum of money to the soldier and to his dependents should he be injured or killed while in the country's service.

For example: A private who has a wife and two children would have to allow \$15.00 (half of his pay) for their support. On his doing that, the Government will give a separate allowance of \$15.00 for the wife, \$7.00 for the first child and \$7.00 for the second. The soldier's allotment added to the Government separation allowance would bring \$47.50, regularly each month to his dependents. He cannot be compelled to make allotments to his mother, father, sister or brother, but if he voluntarily makes such allotment, the Government in some cases will make a separation allowance to such dependents.

A member of the Home Service Section will be at Pampell's store every day, prepared to give information on this bill.

This is a splendid piece of work on the part of our Chapter as the provisions of this War Insurance Bill are so intricate that some families may not secure the benefits of it without this very necessary advice. The Home Service Committee is as follows: J. L. Pampell, chairman; Mrs. Sid Rees, Mrs. C. C. Butt, A. C. Schreiner, Miss Clara Herzog, Mrs. G. M. Doyle and Miss Angeline Kemper.

### A LETTER TO ALL FAMILIES OF ENLISTED MEN IN COUNTY

A law has been passed at Washington requiring a man in the army and navy to give part of his pay to his wife or children. To this the Government will add a family separation allowance while the man is in the service.

Other near relations have the right to receive money from the Government if they have been dependent on a man who is fighting for us.

The Kerr County Chapter of the Red Cross has opened an office of the Home Service Section, where such information for the families of enlisted men may be obtained.

This office is at Pampell's Store, where you may come and find out, free of charge, all about your rights under this new law.

The Home Service Section is glad to be of service to you in this way, just as we stand ready to help or advise you in any matter which may be troubling you because of a man from your family.

With cordial good wishes,  
Very truly yours,  
J. L. PAMPELL,  
Chairman Home Service Section.

At the Episcopal Circle last week the workers were: Mesdames Nimitz, Brandigam, Wheelass, Walther, Knox and Parsons, and the Misses Galbraith, S. Huntington, F. Huntington. The ladies worked at plain sewing and in the Surgical Dressing Department.

Mrs. King's Class worked at Red Cross Headquarters last week. Those present were: Mesdames King, Roberts, Wheelass, Saucier and Bunbury, and the Misses Davoy, Galbraith, F. Huntington and S. Huntington.

Miss Alice Starkey was in charge of the Methodist Circle last week.

## Soldiers of the Fireside.

We are all busy raising money and making garments and doing all we can for the Soldiers at the Front. Already there is a shining roll of Heroes of the Air and the Sea and the Trenches and we honor them and provide in every way we can for their safety and comfort and success. But there is another kind of soldier who have an even harder fight than these, who also need help and reinforcement: the Soldiers of the Fireside who have to give, first, their best and then fight the long battle of dread and uncertainty. That takes more courage and devotion than it does to fight a submarine or charge a trench.

We have not only the Army organization, but the Y. M. C. A. and the Red Cross and many other ways to help and encourage the Soldiers of the Trenches: is there any way that we can re-enforce and encourage the Soldier of the Fireside?

Just sentimental sympathy does not help, but rather weakens us in such a task; to tell them they have to do it and there is no use in complaining about it is cold blooded cruelty, but there is a way to really help and enable these Soldiers of the fireside to consciously and courageously do their part, just as the boys do their's at the front.

We are going to have a special service for these mothers and fathers who are the Soldiers of the Fireside, at the Presbyterian church next Sunday morning, the 20th, and you are invited to be present. You will be equally welcomed whatever church you belong to or if you belong to no church.

W. P. Dickey, Pastor.

## Rev. Riddle Moves to Olney.

As indicated in the Baptist church notes last week, Rev. J. B. Riddle preached his farewell sermon to the Baptist church here last Sunday and he and his family left Tuesday afternoon for his new pastorate at Olney, Texas.

On Sunday night Bro. Riddle, by invitation, preached at the Methodist church where the other pastors with whom he has been associated while here paid tribute to his noble work here and spoke in kindly terms of their pleasant association with him.

Bro. Riddle has served the church here for about three and a half years and has endeared himself to the people both in and out of the church by his noble life and earnest Christian service. He and his family will be greatly missed from among us, and we wish them every success in their new field of labor.

We have a few men's suits which will go at \$6 00, \$8 00, \$10 00 and \$15 00. They are great bargains.  
West Texas Supply Co.

She reports eleven members present: Mesdames W. A. Coleman, Beard, Meeker, Horn, Gibbons, Wattiers and Nichols, and the Misses Tuttle, Clark, Starkey and Smith. Mrs. W. A. Coleman was instructor for the day in the making of Surgical Supplies.

Two workers of Mrs. G. F. Schreiner's Class were on duty Thursday: Mrs. Otto Schwethelm and Miss Irene Bulwer.

Mrs. Jack Moore, chairman of the Baptist Circle, reports that the members of the circle made thirteen hospital shirts and four suits of pajamas last week. The workers on duty at the Hall were: Mesdames Moore, Rawson, Tom Peterson and Staudt.

Mrs. H. Weiss reports eight workers on duty last week: Miss Clara Herzog and Mesdames Weiss, Doyle, Walker, Williamson, A. C. Schreiner Jr. Gold and Holdsworth.

A list of the Finance Committee follows: Mrs. A. C. Schreiner, chairman; Dr. E. Galbraith, Miss Harrison, Mrs. Thompson, A. Scoble, Mrs. W. G. Carpenter, K. G. Baker.

## Coldest Weather in Thirty Years

On last Thursday evening the greatest blizzard probably ever seen here came up and the dust was almost unbearable. The wind blew a gale and the temperature fell from 70 down to thirty in less than two hours. At eight o'clock Friday morning the thermometers over town ranged from ten above all the way down to zero. But the government observation registered 4 above zero, the coldest in thirty years.

About three inches of snow fell and stayed on the ground for three days, but after all that it will have come through with but little loss.

## Preparing to Irrigate.

Mostly Brothers, the Nurserymen, who recently bought a fine piece of land on the bank of the river of Tom Hagens, three miles below town, have made application for a water right and will lift water from the river with a big oil engine. They will soon make extensive improvements on this property.

Other farmers to put in irrigation plants for their river farms this season are A. Emms and R. F. Hall, both of whom will put in adequate plants to irrigate twenty-five more acres. Mr. Emms expects to make a specialty of alfalfa and hay on his farm.

## STUCK.

I'm stuck! They've got my number, ho; I guess its up to me to go.  
That little capsule says, "Fall in!  
We've got a man's size fight to win!"  
I felt it coming; had a hunch  
That I'd be in the first-call bunch.  
But say—if you could only see  
How big that number looked to me  
When first the figures caught my eye—  
Believe me, they were two feet high!  
Excited some? At first, well, yes;  
It kind to got my goat, I guess—  
Of course I thought of mother first—  
That's where it hits a fellow worst.  
And then I've never told you this,  
But there's a girl I'll sort o' miss.  
Well, ho, I shut my jaws awhile  
'Till I could put across a smile.  
And then, somehow, I thought of dad  
And when he was a husky lad,  
He didn't wait for drafting day—  
Just packed his kit and hiked away.  
And mother—not quite twenty then—  
She stuck 'til he came home again.  
I know they hate to see me go;  
They think a lot of me—but, ho,  
They'd never lift their heads or speak  
If I should show a yellow streak.  
The girl? If she's the kind worth while  
She'll weep a little bit—then smile  
And bid me God-speed to the fight  
Like I was some old-fashioned knight.  
Exemption? Cut the kidding, ho;  
A half a million's got to go.  
They've got my number; got it fair,  
And I'm the boy to do my share.  
Say, where's that little book of French?  
It may come handy in the trench.

**Produce! Produce!**

Now if ever is the advice of Thomas Carlyle sound: "In God's name produce!" You remember the fine motto of the French at Verdun: "They shall not pass!" And how they put their lives behind it. Can we not go out into the world in this same spirit, bringing this same spirit to bear on production? Produce! Produce! In God's name and in the nation's name, produce! This may mean some change in your methods, for the greatest production for the nation's good may not be the prices form of production from which your greatest rewards may hitherto have been won. Get into line, however, ye leaders of industry.—Wm. C. Redfield, Secretary of Commerce.

**Baptist Church Notes.**

There will be no preaching service at the Baptist church Sunday morning on account of the special service at the Presbyterian church.

Rev. J. P. King will preach Sunday night by request of the pulpit committee, at which time the church in special conference will be asked to hear a report of the first meeting of the committee held Wednesday afternoon.

**Give Us Men!**

(J. G. HOLLAND)

God give us men. A time like this demands strong minds, great hearts, true faith and ready hands;  
Men whom the lust of office does not kill;  
Men whom the spoils of office cannot buy;  
Men who possess opinions and a will;  
Men who have honor; men who will not lie;  
Men who can stand before a demagogue  
And damn his treacherous flatteries without winking;  
Tall men, sun-crowned, who live above the fog  
In public duty and in private thinking.  
For while the rabble with their thumb worn creeds,  
Their large professions and their little deeds,  
Mingle in selfish strife, lo! Freedom weeps,  
Wrong rules the land and waiting Justice sleeps.

**And So It Goes.**

My Tuesdays are meatless,  
My Wednesdays are wheatless,  
I'm getting more eatless each day;  
My house it is heatless,  
My bed it is sheetless,—  
They've gone to the Y. M. C. A.  
The barrooms are treatless,  
My coffee is sweetless,  
Each day I get poorer and wiser;  
My stockings are feetless,  
My trousers are seatless—  
Je-roosh, how I hate the Kaiser.

—L. A. Examiner.

**Johnson Creek Notes**

This part of the county was visited by a two or three inch snow which, it is hoped, will do a great deal towards breaking the drought.

Fred Ramsey started out "rabbit hunting" Sunday evening but as usual all trails ran in the direction of his best girl's house and he landed there safe and sound.

Clarence Webb goes to town once a week with a load of potatoes. They sure sell like hot cakes.

Everybody has the measles and whooping cough and bad colds on the creek.

Will Ramsey started breaking land 3 or 4 days ago. Will says he is going to get rich raising cane.

Charley Henderson has been building fence for Rank Nelson for the last two or three weeks.

**Notice of Hearing to Appropriate Public Waters**

THE STATE OF TEXAS,  
No. 254.

Notice is hereby given to whom concerned, that Lee Mosty and Harvey Mosty, the postoffice address of each of whom is Center Point, Texas, did on the 7th day of January, A. D., 1918, file an application in the office of the Board of Water Engineers of the State of Texas, in which they apply for a permit to divert and appropriate a sufficient amount of water for the purpose of irrigating certain lands hereinafter described, from the unappropriated waters of the State of Texas, to be diverted from the Guadalupe river, by means of a pumping plant located on Survey No. 66, on the South bank of the Guadalupe river, in Kerr County, 3 1/2 miles in a south-easterly direction from Kerrville, Texas.

You are hereby further notified that the lands proposed to be irrigated consist of 80 acres out of Survey No. 66, in name of Wm. Watt, and situated in Kerr County, Texas.

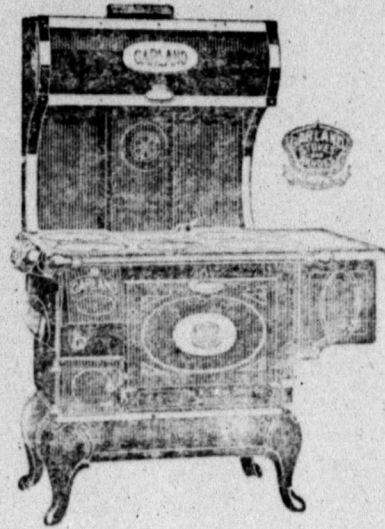

A hearing on the said application of the said Lee Mosty and Harvey Mosty will be held by the Board of Water Engineers of the State of Texas, at its office in the City of Austin, Travis County, said State, on Friday, February 1st, A. D., 1918, beginning at 10 o'clock a. m., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time and from place to place if necessary until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under, and by virtue of, an order of the Board of Water Engineers of the State of Texas, at the office of said Board, in Austin, Texas, this 7th day of January, A. D., 1918.

Semi-annual examinations were conducted last week at both of our parochial schools by Sr. Columbanus, the inspectress of the Incarnate Word Order. She was accompanied by Sr. Themasine of San Antonio. They expressed themselves well pleased with the thorough work that is being done not only at Notre Dame Institute, but also at our Lady of Guadalupe School. From Kerrville the school inspectress went to the Holy Angels Academy at Boerne in Miss Kemper's Buick.

Miss Dolores Tripp, a recent graduate at the Commercial Department in Boerne, was a guest at Notre Dame in the early part of the week. She is engaged as stenographer by a San Antonio firm at a salary of one hundred and ten dollars a month.

Mr. A. B. Fischer of Larson N. Dak has recently come to Kerrville to be benefited by our climate.

Everything that can be gotten C. C. Butt Grocery.

Attention is called to the statement of the Guadalupe Valley Bank of Center Point in this issue. The bank maintains its reputation as one of the substantial financial institutions of this section by showing an increase in deposits even in these perilous times. Its officers and directors are to be congratulated.

After the war we must maintain our foreign markets if our working people are to be employed. We shall be in no position to compete if we continue to live as we have lived hitherto. Simple, temperate living is wholesome and praiseworthy at any time. Any other basis of conduct during the war becomes a wrong against the interest of the country and the interest of democracy.

"Thrift means self control, it means foresight, it means prudence, it means sane and legitimate self confidence, it means all that makes for character"--is the way the president of the American Society of Thrift hits the nail on the head. We never have had more reason to practice thrift than now.

**Baptist Missionary Notes**

Rev. M. C. Moore who has been doing a splendid work at Harper during the past few months, was called as pastor to Reservation and Morris Ranch churches also. Though this gives him a wide field he is equal to the task and will do the work unless snow drifts continue to stop his car.

Rev. R. I. Woods of Florian, La., preached at Ingram last Sunday at 11 a. m. to a good representation of the church. He was unanimously called to be their pastor and was paid \$25 on his expenses. Also the back salary of preceding pastor was paid. It would not be surprising to hear of a pastor getting an awful pounding up there before long. The upper Guadalupe church also called Bro. Woods and gave him a good offering. He has not yet given his decision, but it is hoped that he will accept the work soon.

Part of the work done by the Missionary during the past three months is as follows: Sermons and addresses, 61; visits, 126; miles traveled, 2,476.

**Woman's Auxiliary Notes.**

The Baptist Ladies Auxiliary of Medina River Association met with the Kerrville Auxiliary in an all day meeting at the church Wednesday, Jan. 9. The attendance was good, five Auxiliaries being represented. Five were present from Center Point which was the largest visiting delegation. Sandwiches, cake and coffee were served for lunch, after which an interesting program was rendered. The music was fine. One of the most interesting and desirable talks that we have ever heard, our Mission Work in China, was given by Mrs. W. B. Burton. The Y. W. A. girls read several good papers and gave an interesting report of their work. Our Mexican Auxiliary was well represented. The President gave a splendid report of their work after which they sang: "What Friend we Have in Jesus" in Spanish, Mrs. Newman playing the accompaniment on the piano.

The meeting was led by our local president, Mrs. Jack Moore. Briefly we give the program that was carried out:

Subject--Prayer and Praise  
 Song--Prayer by President.  
 Reading by Mrs. Moore  
 B. W. M. W. Plan of Work and Self Denial--Mrs. Newman by request of president.  
 Object of Week of Prayer and Self Denial--Mrs. Cohron by request.  
 Song--Doxology.  
 Prayer,  
 Song, I Surrender All--Mrs. McCoy and Mrs. Newman.  
 Offering for Girl's School in China.  
 Reading--Mrs. Clyde Phelps  
 Reading--Mrs. Burton.  
 Y. W. A. Reading--Miss Ruth Inequard

What are we going to do about the Mexicans? Mrs. Cohron  
 Song by Y. W. A.'s. "O, Zion Haste"  
 Report of Mexican work and song by Mexican Society.  
 Special prayer

The importance of meeting our expense fund--Mrs. I. B. Peterson  
 Song, Have Thine own way, Lord.

**Notice of Hearing to Appropriate Public Waters**

THE STATE OF TEXAS,  
 No. 251.

Notice is hereby given to whom concerned, that A. Emms, whose postoffice address is Kerrville, Texas, did on the 20th day of Dec., A. D., 1917, file an application in the office of the Board of Water Engineers of the State of Texas, in which he applies for a permit to divert and appropriate a sufficient amount of water for the purpose of irrigating certain lands hereinafter described, from the unappropriated waters of the State of Texas, to be diverted from the Guadalupe river, by means of a pumping plant, located on Survey No. 67, in name of C. D. Chauchard, on the bank of the Guadalupe river, three miles in a southeasterly direction from the town of Kerrville, in Kerr County, Texas.

You are hereby further notified that the lands proposed to be irrigated consist of 25 acres out of Survey No. 67, in name of C. D. Chauchard, and situated in Kerr County, Texas.

A hearing on the said application of the said A. Emms will be held by the Board of Water Engineers of the State of Texas, at its office, in the City of Austin, County of Travis, said State, on Friday, the 1st day of February, A. D. 1918, beginning at ten o'clock A. M., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under, and by virtue of, an order of the Board of Water Engineers of the State of Texas, at its office of said Board, in Austin, Texas, this 31st day of December, A. D. 1917.  
 W. T. Potter,  
 Rollin J. Wind,  
 C. S. Clark,  
 Board Secretary.

**Notice to Registrants.**

In order that there may be no misunderstanding, or dissatisfaction with the action of your local board, we request that any registrant who feels that he should be placed in some class other than that which we have assigned, come before this board and make his appeal in proper form to the district board. Such action on the part of registrants will secure the purpose of relieving us of responsibility for the classification and at the same time relieve the minds of registrants of any thought that we are disposed to discourage appeal from our classification.

In this connection we would also state that if any registrant, the father or mother of any registrant, or any citizen of the county feels that some registrant has been given a deferred classification to which he is not justly entitled, the board will not only gladly have such person compare the board and give evidence to that effect, but considers that it is the duty of every loyal patriotic citizen of the county to volunteer such evidence.

It is the purpose of this board to make a just classification of registrants, and the assistance of the loyal citizens of the county is solicited in the making of such just classification.

Very respectfully,  
J. M. HAMILTON,  
J. E. GRINSTEAD,  
E. E. PALMER.

By A. C. SKWORTZ, Chief Clerk.
