

Kate's Korner

By Katie Burleson

The young people of our school here in Baird are to be complimented for the many nice days they conduct themselves at almost any place or time.

I had an opportunity to view these students in assembly Wednesday morning during the time State Representative Burke Musgrove spoke to them in the High School Auditorium.

The main and most important thing during these, seemore, hear-more years, is that the hippie look has not affected these students to any great extent. The long hair and the mini skirt bit takes the back seat for the most part. I think these students know what is going on and if they do not know, they are busy seeking the answers so they too will be well informed on any problems that may arise.

They see, as we all do on T.V., great numbers of models that we wish to be as different from as possible. I was proud of our student body Wednesday morning and I know you would have been too, if you could have been present and observed the attention they paid to the speaker and the part they played when asked to participate in the question and answer part of the program.

The manners and politeness of these students have been taught by adults who care. Whether it was from a cool-headed parent who can get the point over in a stern voice of authority, or a visit to the woodshed, whatever the point is, it has worked. Let us as adults continue to show them we will always care as long as they are young people we can build to be strong men and women.

State Representative Burke Musgrove presents a Texas flag to Beta Club President Allan Lovell at an assembly program Wednesday morning at Baird High School. Principal Ed Cotton looks on as Lovell accepts the flag and certificate on behalf of the school. Rep. Musgrove Speaks At School, Luncheon and Lion's Club Wed.

State Representative Burke Musgrove made a very impressive speech to the Baird school students in the auditorium Wednesday morning. Musgrove kept the students' undivided attention with his talk on LSD and showing a film, entitled LSD-25.

The tiny man, with the strong voice, made it very clear in his talk to the students about the drug and other dangers related to LSD and their many dangers to the human body when taken, and the after-effects. The dangers, not only in the "Trip" you take as it is called in the unattractive world of make believe and hippie land, but the after-effects in the years to come.

Musgrove has made the drug LSD one of his main objectives since being elected State Representative from this district.

He waged an all-out effort in the last legislature and played a strong part in the passage of Anti-LSD Bill. LSD peddlers, users or involvement with the drug, draw stiff penalties under the new bill.

"Action now to prevent the mind expanding drug problems in our community and to keep the youth well informed about the problems at hand on drugs, or whatever they may be, will develop into strong minds of tomorrow."

The Baird school was also presented a Texas flag at the assembly by Musgrove. The flag had flown over the State Capitol in Austin, and was accepted in behalf of the school by Allen Lovell, Beta Club President.

The Representative was also guest speaker at the Luncheon Club at Merle's Cafe at noon Wednesday, and at the Baird Lions Club Wednesday night.

Boys attending from Den I were Paul Strickland, Dab Avery, Ruben Rocha, Terry Neal, Robert Mendez, Jay Wheat and Jerry Lee Warren.

From Den II, Stanley Stewart and from the Webelo Den, Randy Harris.

Sponsors attending were Asst. Den Chief Larry Floyd, Asst. Den Mother, Mrs. Jo Ann Stewart, Mr. and Mrs. Joe T. Wheat, Mrs. Joe Rocha and Mrs. W. D. Floyd.

Also attending: Jo Nell Wheat, Debbie Warren, Joe, Susan and Hollie Jean Stewart.

The Pack is trying to raise enough money to buy a pack flag.

They also need a Webelo leader, and hope that any man 21 years of age or older, that would like to spend one hour weekly working with these boys, would please contact any Scout leader immediately.

STATE CAPITAL

TEXAS PRESS ASSOCIATION

AUSTIN — All those candidates for governor got a hefty bit of pressure off them when both the state Democratic and Republican executive committee decided to put the question of liquor by the drink on the May 4 ballot.

With increasing concern over liquor law enforcement and the Texas Liquor Control Board, coupled with Gov. John Connally's push for liquor by the drink, gubernatorial candidates have been pressured hard for their stand on the issue.

Now, with the question being put to the voters in a referendum, all the candidates have to say is that will abide by the wishes of the voters.

Also on the ballot are referendums will be the question of pari-mutual horse race betting and the creation of a Texas Dairy Commission with the power to regulate and fix the price of milk and other dairy products.

Although none of the voters' answers to the three questions will be binding, the issues do assure a high turnout of the more than 4,000,000 registered voters. It will take an act of the Legislature to put any of them in effect. Ballot will merely say: "This proposition is only an expression of public opinion and has no force or effect as law."

Legislature directed the first primary vote on local option pari-mutual gambling. Petitions signed by 119,000 voters called for voter opinion on creating a Texas Dairy Commission with power to regulate milk prices.

Both party leaders decided the liquor by the drink issue is hot enough to warrant a check on that, too. This referendum will be the first opportunity Texas voters have had to express their opinions statewide since the repeal of prohibition in the 1930s.

Campaign already are shaping up on the high-voltage drinking and gambling issues. Opponents of a dairy commission also are organized for battle. Anti-Crime Council of Texas has formed to combat organized crime and defeat the racing proposition. Committee for Tourism and Regulated Sale of Mixed Drinks stands ready to get back into action. Dry Spokesmen report they have organized to fight liquor by the drink. Texas Racing Association is ready with a campaign for a wagering proposal.

Meanwhile, House committee studying liquor laws has asked for an attorney general's opinion on constitutionality of a mixed drink local option bill.

PARKS IMPROVED — While finishing touches were applied to the \$1,000,000 renovation of the Davis Mountains State Scenic Park near Fort Davis, new federal grants were approved for four other state parks.

Federal funds of \$104,150 matched by a state appropriation of like amount will finance a 498-acre park 14 miles southwest of Cleburne.

Federal funds of \$28,500, also matched by legislative appropriation, is earmarked for Mission San Francisco del Los Tejas Historic Park northwest of Crockett, a 118-acre historic park in the Piney Woods.

Lake Brownwood State Recreation Park near Brownwood will get \$117,150 federal money matched by the state for its 538-acre park.

Another federal grant of \$99,900, matched by state funds, will create the 588-acre Bentzen-Rio Grande Valley State Scenic Park near Mission.

Dedication tentatively is set for March 28 of the Davis Mts. Park. Also slated for dedication by Governor Connally that same day at the Park is scenic Texas Mountain Trail, one of ten unveiled by Connally last January to lure tourists off the beaten path into Texas areas of outstanding beauty and historic interest.

COURTS SPEAK — State won its \$1,000 civil penalty suit

against a Bellville Contractor under a water permit law. The road builder was first permanently enjoined from using public waters without permit from the Texas Water Rights Commission.

State Supreme Court denied hearing of decision that Hillsboro cannot enforce a peddler's and vendors ordinance against an insurance company.

Court of Criminal Appeals upheld a six-year probated sentence for a Houston lawyer who encouraged his client to lie on the witness stand.

Same court ordered a new trial for the man who received the death penalty for the shooting death of a potato chip salesman in Chambers County.

UNION USUALS AND UNUSUALS

BY VEDA YARBROUGG

Hi neighbor! Yes, you guessed it. There is a fine mist of rain this Monday morning.

Friday and Saturday were spring like days Sunday was pretty nice too.

John and Roma McIntyre were by a while Saturday afternoon. They had been running around to Brownwood, Coleman and several other places.

I went to see the Travis Chapmans a while Saturday. They still have a cellar full of water and so does Burette Ramsey. My cellar is not near full yet but it might get full. It is nice to live in the country and have a swimming pool in your back yard, only they are not heated, and when one of those old bad clouds go to coming up and the weatherman says you better hunt a storm cellar, don't know where to go.

Johnny Isenhower spent the weekend with his parents, Weldon and Louise Isenhower. John is in college in Hillsboro.

Johnny May Ramsey spent the weekend with some cousins in Fort Worth. She also saw her brother, Willie Geter and wife.

I visited a while last Wednesday afternoon in Abilene with Mrs. Jessie Burnam. Terry is a cousin of mine. Was good to see her. She is doing so good and can see real good since her eye operation.

Visiting Mrs. Grady Pruet and Ricky Sunday were Mrs. Mary Wagley of Moran, and Dannie Taylor of Eastland. Dannie is a niece of Mrs. Pruet and sister of Ricky Sherman.

Bro. Larry Jordan and Burette Ramsey had Sunday dinner with me. Sorry Larry's wife was sick and unable to come. She always miss Becky so much. She has the flu bug, or something on that order.

We were glad to have Miss Foyler at church Sunday. Her parents have bought the Sam Hedrick place, about 3 or 4 miles East of Putnam. They go to school at Putnam. Always good to have new people in our community. We have some new people moved into Putnam but don't know their names. They have several children in school. We welcome all these into our midst and invite all of you to come to church. Putnam Baptist Church will be very happy to have you.

to have you.

Thursday afternoon I went to Scranton to see the Ray girls, who are now Mrs. Stella Clements, Mrs. Mary Anderson, Mrs. Truman Blalock and Mrs. Lena Boland. Did not get to see Lena, she was away visiting. The other girls were at Stella's house and we had a good time talking over old times. Stella has a nice new home and it is so pretty. She just recently moved back to Scranton. Mary is with her for a while as Stella has not been feeling so well, but is doing fine now.

Kana Burnam is still with Ollie Burnam. She will go home about Wednesday.

Bro. Larry Jordan, Burette Ramsey and visited Sunday in Baird with Mrs. Mary Ramsey. Glad to say Mrs. Mary is doing real good, it seems.

Visiting with John and Roma McIntyre Sunday afternoon were Mrs. Jim McIntyre of Clyde, Mr. and Mrs. Randall McNeese and son Jim of Abilene, Louise and Weldon Isenhower. Lula Isenhower is gradually improving.

Mr. Leonard Alvey visited Saturday night with Burette Ramsey.

We were sorry to hear of Mr. Ben Waters of Moran passing away Sunday morning.

Guess I better get busy so be good and I hope to see you next week.

Oplin Observations

DAPHNE FLOYD

Weatherwise, I predict that our spring rains have started for the Oplin community received a good rain early Tuesday morning. Sorry I can not give you an accurate amount for I discovered Tuesday morning that our recent hail had played havoc with our rain gauge.

Mrs. A. L. McGinnis was hostess for a Stanley party at the Community Center last Saturday afternoon. There were about a dozen ladies present. The Stanley agent, Mrs. Troy Willis of Abilene conducted a recreation period and then gave an interesting discussion on many of the Stanley products. The guests placed orders amounting to approximately \$65.00. The hostess served a nice refreshment plate of assorted cookies, filled crackers and punch.

Patsy Murrel of Novice spent the weekend with her aunt, Mrs. Tom Windham Jr.

The Baptist pastor's wife, Mrs. Doug Halverson, is teaching a study course on the book of Luke at the Baptist Church this week. The course will run four consecutive nights and consists of two hours each night, with a short break each night for refreshments and fellowship.

Freida Straley, treasurer of

the Oplin Cemetery Fund, reports that since the 1st of January, the sum of \$35.00 has been turned in.

Mrs. B. H. Russell Jr. Hostess For WSCS

Circle No. 1 of the WSCS of First Methodist Church met in the home of Mrs. Ben Russell at 3 p.m. Monday, with nine members present.

The meeting opened with a prayer by Chairman Mrs. C. C. Billingsley, and a business session was conducted.

Mrs. Ace Hickman was program leader on the topic concerning missions, "Where The Churches Are In Trouble." Mrs. Russell read selected scriptures to begin the program, and Mrs. Hickman gave very interesting material in development of the program theme.

The meeting was adjourned by repeating the Circle Motto.

Refreshments were served to Mmes. Mollie Brightwell, C. C. Billingsley, M. A. Cline, P. E. Dungan, Ace Hickman, Brice Jones, Ben Russell, M. L. Stubbiefield and Cecil West.

EULA EPISODES

By Mrs. R. G. Edwards

I went away to Big D for a few days and what happens . . . The most exciting weather story of the season develops, and from the tales that have been told about how this community was paralyzed. It must have really been a dilly. A minimum of 17 vehicles were stalled, ditched, and stranded within less than 2 miles from Eula, to say nothing of the many on the fringes. Snowdrifts up to three and four feet deep were all over the community. Temperatures did not get severely low and it was a fast moving front that did not tarry long made the difficulties short lived. Mrs. Jay Welch was the only one giving an account of it that had anything good to say about it. She said it was one of the most beautiful snows she had even seen. Although her husband was involved trying to care for the usual things around the farm, he was also helping Paul Corly, Rt. 2, Abilene, get the mail delivered. They had a time. Clark Tabor our faithful mailman did not make the route on Tuesday and it was afternoon the next day before he made it by this place. The roads in these parts have been almost impassable all winter and they are not getting any better, fast. Some people really grumble and blame the road commissioner, etc., but stop and think, how many years has it been since we have had this much fine snow, sleet, snow and wet stuff. Along with it we have had one freeze after another, there is more traffic than there ever has been, because they are more cars, so as I see it we are just victims of circumstances. It might be a case of endurance just now, but think what possibilities we have for the future, if nothing else, we can all go fishing.

Mr. and Mrs. Dick Favor left Friday afternoon for a weekend in the home of his sister, Mr. and Mrs. Edd Haddox of Slaton and also to attend a 65th wed-

ding anniversary of Mr. and Mrs. Bode Adams of Lubbock. The Adams were well known in this community in the early days of this century. He and the late P. C. Steen were in business together. They owned and operated the only hardware in Eula at that time. Mr. Adams was Postmaster at Eula from 1907-1913 when the postoffice was closed for good. Mr. Adams then went to work as a salesman for Wooten Wholesale Grocery, where he continued even after moving to Lubbock in 1923. Mr. and Mrs. Haddox assisted Mr. and Mrs. William Whitlington of 532 Glenhaven Drive with the anniversary celebration. There were guests from Abilene, Eula, Clyde and Baird.

Mrs. W. P. Stephenson has been off work now for about 10 days with a back injury. She is a nurse at Hendrick Hospital.

The community was saddened by the passing of Erston Harrison Saturday, March 9. We know that it must have been a trying time for the family and friends who were trying to minister to their needs. The funeral was scheduled for Tuesday and the family was marooned. No one could get to them and they could not get out to even go to the funeral home. The twinphones were out. The county road equipment came and opened the road so the grave could be opened. The funeral was on Wednesday instead of Tuesday as planned. Mrs. Lela Reid of Lawn is spending a few days with Mrs. Harrison.

The Sunshine Circle met Monday in the home of Miss Gerlie Harris for another salad dinner and to quilt another quilt. Those present were Mmes. Alvin Barnes, Porter Loving, Lester Farmer, Ross Farmer, Pidge Miller, Edith Harrison, her mother, Mrs. Reid of Lawn, Mallie Johnson, Sallie Cheshire, Frank Carpenter, and the hostess. Next meeting will be with Mrs. Ross Farmer, April 10.

DON'T MISS THIS OPPORTUNITY

To get a living color portrait you will treasure always. Several poses are taken and low cost additional portraits are available for those who wish them.

This is our way of saying 'Come in to see us.' If you are one of our many regular customers, this is a 'Thank You' for your patronage. Incidentally we believe these color portraits to be something really special. These are beautifully posed portraits - not snapshots, or dress the children colorfully.
