VOLUME 37
NUMBER 26

MAGNIFICENT GIFT FOR HUMANITY, AND PARTICULARLY THE NEEDY AND AFFLICTED

CAPT. CHARLES SCHREINER

CAPT. CHARLES SCHREINER has been a benefactor in Kerrville and this section of country for years. Many of his benefactions have never become publicly known, and this has been the manner in which his generosity extended. However, there are instances of his philanthropic act necessarily becomes public, and such an one is his gift of the Kerrville Sanitarium to the public.

The property is reasonably valued at \$40,000.00, and it is assigned to a board of trustees, composed of A. C. Schreiner, G. F. Schreiner, L. A. George, Morris and Julius Real, who are to administer its affairs. The name of the institution is to be known as the Charles Schreiner Surgical Hospital and Endowment. In Captain Schreiner's language, it is "given to provide and produce permanently and constantly an annual income for the use and benefit of those inhabitants of Kerr County, of the white race and Mexican race who shall need surgical treatment and aid, but shall be without resources or means individually or through relatives or friends to procure or pay for same."

The trustees are to keep the institution leased and use the proceeds to be for the needy named as coming under the provisions of the gift, except 10 per cent to be set aside for an emergency fund. There must not be any debt incurred against the principal, nor the income expended by anticipation. The 10 per cent for emergency fund is "intended and shall be used to defray any extraordinary, unusual, unexpected or sporadic expenses or loss that may arise or occur in the administration of this trust, such as repairing damage to said trust estate arising from some extraordinary or unusual cause, or making necessary and proper changes in said trust property to adapt it to some business or purpose other than that for which it is now being used. Any excess at any time over \$2,000.00 in said emergency fund shall be added to and become a part of the principal trust fund."

It is further provided, that the character of the property may be changed from its use as a hospital or sanitarium, if the board of trustees unanimously agree that it is the better thing to do, and any other use made of it seen fit. However, the income is to still be for the purpose originally intended—to give surgical and medical aid to the needy and afflicted among the white and Mexican races of Kerr county.

Among other bequests for the benefit of the public, made by Captain

from then to this day, the Charles Schreiner Company has been a synonym of fidelity, stability and generosity. As the company increased in its volume a bank was formed, which today stands as one of the most solid financial institutions in Texas, though unincorporated. The name of Schreiner is considered as good for redemption of its obligations as could any form of government give it.

As Captain Schreiner has lived to see a family of five sons and two daughters successfully situated and making good in every walk of life, his cup of joy is filled to the brim, while to this is added the love and esteem of a people who know him well, and appreciate his generosity in behalf of the unfortunate of mankind, as well as the youth of this section, upon whom rests the future prosperity and happiness of the people of Kerr County.

It is, then, their wish and prayer, that many years more be allotted their benefactor, who has lived a life of such real service and realized to the fullest a worthy ambition to emblazon the name of Schreiner on the history of his country to an enduring, commendable and highly creditable degree.

REPUBLICANS NOMINATE HARDING AND COOLIDGE

Senator Warren G. Harding, the junior Senator of Ohio, was nominated for President by the Republican National Convention on the tenth ballot, having received 692 1-5 votes, and only 493 necessary to nominate.

Senator Harding is 55 years old; a printer by trade, and is publisher of The Marion (Ohio) Star; a trustee of the Trinity Baptist Church; has been married 26 years, but there are no children; his father is a physician and still alive and practicing; a sister is a school teacher; the nomination of the son occurred on the birthday of the father, the election will take place on the birthday of the son.

Senator Harding is a conservative; was the choice of the "Old Guard"

Republicans, because he is considered safe. He is an able, amiable man, who makes few enemies and many friends.

Gov. Calvin Coolidge of Massachusetts was nominated for Vice President on the first ballot by the convention. He gained Nation-wide notoriety by ordering out State troops to quell rioting in Boston, which the local police failed to stop, owing to membership in union, it was claimed. Governor Coolidge recruited another police force and brought about order.

The Republican platform is a weak political declaration of principles. It dodges the treaty, prohibition and organized labor's demands. Its position on the treaty can be construed any way the reader sees fit.

While the personnel of the Republican nominees make a strong combination, the weakness of the platform, as well as do-nothing policy of the Republican Congress, puts the party on the defensive without any clear-cut enunciation of principles or policy for the government of the Nation.

SCHOOL BOARD DECIDES TO APPOINT KINDERGARTEN TEACHER

The Kerrville School Board have decided to appoint a kindergarten teacher for the next term of school in this city. This action of the School Board is to be commended.

The superintendent of the Kerrville Schools will select a suitable kindergarten teacher to recommend to the board.

Nearly all of the faculty have been selected by the board, but until the entire number are chosen it is preferred that the list be withheld from publication.

Dickey-Allen Wedding

One of the most beautiful weddings that ever occurred in Kerrville took place Wednesday evening at 8:30 o'clock, when Miss Anna Belle Dickey and Raymond Allen were united in marriage at the First Presbyterian Church.

The church was lovely in its decorations of ivy and Shasta daisies. Suspended arches, covered with ivy and daisies formed an aisle for the bridal party.

Just before the ceremony Mrs. G. M. Doyle and Miss Hattie Garrett sang most beautifully a duet arrangement of "At Dawning" by Cadman. They were accompanied on the organ by Miss Ruth Garrett.

Strains of Mendelssohn's Wedding March, played by Miss Hattie Garrett, announced the approach of the wedding party. The groomsmen, Messrs. Hal Peterson, George Vierling and Hal Garrett, were first to enter, followed by the groom and his brother, Ed Allen, best man; Rev. Brooks I. Dickey, D. D., of San Antonio came next, followed by Mrs. John Kettle of

Real Bank Service

The relation between this bank and each patron is close. It is a relationship based on confidence and a desire on our part to render helpful, faithful and reliable service.

By reason of these confidential relations we are not at liberty to point out instances where our service has been a constant benefit to patrons. You have merely to look about and observe the many people who continually use our service. Their approval is ample proof that we can serve you as well.

ESTABLISHED 1869

(Unincorporated)

ELECTRIC LIGHT PLANT NOW HAS THREE UNITS

Manager S. Eastland of the Kerrville Electric, Heat and Power Company has recently installed a 125-horsepower crude oil burner engine of the Buckeye-Barrett make. It has been running continuously the past week and performs most satisfactorily. A muffler is being arranged for this new engine, so the noise from its operation will not be so noticeable.

This new engine gives the electric plant three units—108-horsepower steam engine and 75-horsepower crude oil burning engine being the other two units.

This arrangement will permit a 24-hour service now almost regularly, which will prove quite a convenience to the public.

The electric company also operates the ice plant, which has a capacity of only six tons, while the demand is for from seven to ten.

Mr. Eastland has been working under several disadvantages in handling the electric and ice plants, but is getting them now so the service will be improved without so much worry. He has done remarkably well under the circumstances.

The Sun would like very much to see a laundry added to the electric and ice plants. That is one of the public conveniences that is certainly needed in Kerrville.

MONDAY, JULY 5, TO BE HOLIDAY IN KERRVILLE

Owing to the fact that July 4th falls on Sunday this year, and to a desire on the part of the business houses and employers of labor to permit their employees to enjoy a week-day holiday in a manner not in conflict with their religious views, all the banks, stores and other places of business which ordinarily close on legal holidays, will be closed in Kerrville Monday, July 5th.

There will be a good base ball game between the Kerrville team and a good nine from San Antonio, and a large attendance and a good time for all is expected.

All who love base ball and a good time generally, are invited to come to Kerrville Monday, July 5th. All who wish to transact business or trade, are advised to stock up Saturday, July 3d, sufficient to last till Tuesday, July 6th.

Fast Game Sunday

Owing to rain the past two Sundays there have not been any base ball games. Next Sunday, if no rain, there will be a fast game between the Alamo Furniture Company nine of San Antonio and the Athletics of Kerrville.

This promises to be an extra lively contest of base ball skill and pep.

Kerrville Sanitarium—Gift of Capt. Charles Schreiner to Needy and Afflicted of Kerr County.

To Keep American Ships on the Seas

For the first time since the Civil War we have a real merchant marine. It cost us \$3,000,000,000 to get it.

The farmer, manufacturer, laborer—every American is interested in holding our position on the seas.

As a first step in this direction it is necessary to modify those articles of existing commercial treaties which have operated to thwart the upbuilding of our merchant marine—

By giving the notice of termination for which the several treaties provide.

This action is directed in the constructive Shipping Bill now before Congress;

Which declares it to be the policy of the United States "to do whatever may be necessary to develop and encourage" a merchant marine.

This policy deserves the support of every American. Lacking this support the present effort to maintain our merchant marine may suffer the fate of many ineffective attempts of the past.

Send for a copy of "For an American Merchant Marine."

What Good Is a Dollar?

IT'S LARGELY UP TO YOU. It depends on how you spend it—on the value to you of what you get for it—on your ability to find where that value is to be had.

Of course, it's all right to shop around a bit if you like, but why not let the other fellow make it easier for you by doing a little shopping after your dollar—by showing you what you want and where you can get most of it for your money?

It's a great idea, once you get the hang of it, and here's how!

Right in The Mountain Sun you'll find various advertisements offering you merchandise. Some things you'll need today; some tomorrow; some next week or next year—but the point is that these merchants are coming to you, looking for your dollar and offering the best they have to get it.

You'll find, that by reading the advertisements in The Mountain Sun consistently this week and every week, you can increase the value—to yourself—of every dollar you have to spend. The things you see advertised are almost invariably as represented. The advertisers' statements are usually safer to trust than your own judgment. Advertised misrepresentation is business suicide.

Read the Advertisements and Increase the Value of Your Dollar

Mountain Sun, \$1.50 Per Year

DISTRICT COURT IN SESSION HERE THIS WEEK

Monday, the Kerr County District Court convened with Judge Burney presiding and District Attorney Brucks present to look after the interests of the State.

The following citizens composed the grand jury: Gus F. Schreiner, foreman; A. B. Burton, Robt. Rees, W. A. Fawcett, J. D. Witt, Geo. P. Walker, D. H. Hughs, R. Holdsworth, J. M. Thompson, Geo. Wiedenfeld, Will Ridgeway and C. R. Eddins.

The following are on the petit jury empanelled: J. M. Bruff, W. A. Albrecht, Chas. Heinen, Henry Eckstein, Henry Henke, Henry Weiss, E. C. Fisk, Jno. Peterson, Ernest Meeker, Harvey Mosty, Henry Dietert, Guy Holloman, Lee Byas, Henry Durant, Geo. Baldwin, Sid J. McElroy, Richard Holkamp, Louis Steiler, Ed. Karger and T. L. Cox.

The railroad cases were passed for settlement.

Mrs. C. C. Lockett vs. U. J. Edwards, suit for possession of property; settled and dismissed at cost of plaintiff.

The Petit jury was dismissed Wednesday.

The grand jury recessed from Wednesday evening to Saturday, awaiting the arrival of a witness.

Comfort Clippings

Comfort News, June 11: Mr. and Mrs. Geo. Main and daughter moved here from Kerrville last week and are making their home with Mr. and Mrs. Henry Schwethelm.

Mrs. John Guthrie, widow of the late John Guthrie, who was for many years editor of The Boerne Post, died in San Antonio on Monday, June 7, and was buried in the Boerne Cemetery Wednesday afternoon. Rev. Geo. Helsey conducted the funeral services.

The special election, which was held last Saturday in the Comfort School District for the purpose of voting upon a proposed 15-cent increase in the school tax, resulted in a victory for the proponents of this measure, the vote being 85 in favor of the measure and 54 against it.

Miss Elizabeth Biermann, aged 19 years, died Wednesday morning, June 2, at 9 o'clock at the home of her parents, Mr. and Mrs. Louis Biermann, near Comfort. Her death occurred after an illness of several months, and had been anticipated for several days by the faithful watchers at her bedside.

The Barnes bill, amending the tick eradication law of Texas, which has passed both Houses of the Legislature and only awaits the Governor's signature in order to become effective, will do a great deal to overcome a very widespread objection to the present law, in that it exempts from the necessity of regular dipping any dairy cattle which are kept in small enclosures and which can be shown to be free of ticks.

Mrs. Gertrude Pankratz, an aged and esteemed woman of this community, passed away Wednesday, June 2, at 1 o'clock p. m., at the home of her daughter, Mrs. Wm. Biermann. The funeral took place the following afternoon at 3 o'clock, and the body was laid to rest in the Comfort Cemetery beside that of her husband. The assemblage at the grave was a large one, and included many friends from the neighboring communities and San Antonio.

Mrs. Elizabeth Calvert, wife of George Calvert, died at her home near Boerne, Monday night, at 9 p. m. She was 60 years of age and is survived by her husband and nine children—James, Bertie, George, Lilly, Mrs. J. J. Bowman and Mrs. May Holland of Boerne, and George, Arthur, Walter and Mrs. C. Eckels of San Antonio. This estimable and widely respected woman was buried Tuesday at 1 o'clock in the family burial plot on the Calvert farm where she had lived for 42 years.

Ward's ORANGE-CRUSH and LEMON-CRUSH

—cloudiness

Have you ever noticed the cloudy appearance of Orange-Crush and Lemon-Crush while enjoying these rare-flavored drinks?

The reason for this cloudiness is also the reason for the unequalled deliciousness of Orange-Crush and Lemon-Crush—for it is caused by the uniform distribution throughout the drinks of thousands of minute particles of the actual fruit oil pressed from freshly picked oranges and lemons.

The interesting process which has made this possible was perfected five years ago by N. C. Ward, and is exclusive with Orange-Crush Company. It marks one of the greatest steps forward ever taken in the preparation of soft drinks, for it brings to you, without preservatives, the pure, delightful flavors which have made oranges and lemons the favorite fruits in every home. The cloudiness is your guarantee of genuineness, flavor and quality.

The booklet, "The Story of Ward's Orange-Crush and Lemon-Crush," gives full details regarding the making of these drinks. It shows how delicate flavors are obtained by combining the fruit oils with purest granulated sugar and citric acid—the natural acid of oranges and lemons.

Send for this free booklet today. You will better understand why Orange-Crush and Lemon-Crush enjoy the largest sale of any fruit-flavored drinks in the world.

THE COCA-COLA COMPANY
ATLANTA, GA.

CATHOLIC CHURCH NOTES
By Father Kemper

Bishop Drossaert's Visit
Right Rev. A. J. Drossaerts, D. D., of the San Antonio Diocese, will come to Kerrville this Friday evening with Very Rev. R. Pratt, C. M. F., rector

RT. REV. A. J. DROSSAERTS, D. D., Bishop of San Antonio.

of San Fernando Cathedral. His Lordship will be with us only over night, because he is en route to Harper and Fredericksburg, where he will hold confirmation services. At 7 p. m. in the Rectory, a banquet will be served to the distinguished guests, at which a dozen prominent business men will participate.

Encampment Lost
Until recently, prospects were very bright for the establishment of a summer camp here by the National Catholic Welfare Council of San Antonio. It was the purpose of this organization, in connection with its social activities at the Community House, to offer a week's vacation in the country to the working girls in groups of twenty. Indecision on the part of the young ladies and unpreparedness on the part of the Knights of Columbus and Daughters of Isabella who used to camp here, made it necessary to relinquish for the present a fine option on river property not far from town. Probably our Commercial Club can offer an inducement that will capture this prize.

Summer Boarders
On the same day that commencement exercises were concluded at the College and Academy of the Incarnate Word on Alamo Heights, San Antonio, Sisters Imelda and Clement (formerly of Notre Dame) brought half a dozen young lady boarders with them to Kerrville. Among these arrivals is Miss Marie Terese Menta of Avignon, France, whose collegiate work was interrupted in her native country by the war. She was teaching at Chamberay when the Sisters, at the request of the National Catholic Welfare Council, offered her and a companion a fully paid scholarship in this country. Miss Menta will visit her parents as soon as she can secure ocean passage, which will not be before the end of August. Miss Mary Howard of Guanajuato, Mexico, is another newcomer. Her father is president of the Amparo Copper Mines. The other boarders are Miss Roberta Farrell of Chicago, and the following San Antonians: Misses Ruth and Lorraine Schamberhorn, and Helen Freeman. To this group will soon be added Miss Rebecca Ramirez of Roma, Tex., and Misses Silver and Sonia Swearingen. Madeline Grissor and Kathleen Burns.

Bans for the marriage of Miss Wilhelmina Earle Newton to Leo Blanchard of Fredericksburg were published for the second time, at Sunday mass. The solemn wedding ceremony will take place in St. Mary's at 8 a. m., on Tuesday, June 23d. On the same day and hour, in St. Mary's of San Antonio, Miss Mary Brady, formerly of Kerrville, will be married to Lieutenant Guidera.

A prenuptial shower was given by Miss Angeline Kemper in honor of Earle on Tuesday at the Rectory. In the early part of the month, Otto Pankratz buried his aged mother at Comfort. Deceased had immigrated to America 63 years ago, landing at Indianola, the Pompeii of America, whence she journeyed inland by ox wagon.

Frances Flores received the sacrament of baptism on Monday. The patronal feast of the San Antonio Diocese was celebrated last Sunday, commemorating the great St. Anthony of Padua, missionary and thaumaturgus of the 12th century. This Sunday services will be held in St. Mary's at 7 a. m., on account of the Comfort engagement. During summer the morning Angelus will be rung at 7 o'clock instead

of 6:30, and the daily mass will be read half an hour earlier than during the school year.

Our Guadalupe faculty was summoned to the Normal School, as also some of our Notre Dame teachers. Among these, Sr. Rose Agnes, who has been with us for five years, will make her profession of vows, and Mother Crescentia, our first superioress, will celebrate her silver jubilee.

A surprise that gladdened all our students was given to Sr. Albert of the High School department on Saturday, when she welcomed her mother from Sapulpa, Okla., whom she had not seen or heard from for 28 years. The aged lady was accompanied by her daughter, Mrs. Frank Oldham, and her son, James Harper.

Rosemary Cooper of last year's Summer School graduated on Thursday from the Incarnate Word Academy. Miss Louise Strackbein will discontinue her studies at Draughon's College this week in order to pursue the Summer Normal at Austin.

Official "Flag Day," June 14th, was duly observed in St. Mary's Park.

Mrs. Arthur Mosel motored to San Antonio to attend the commencement exercises of St. Louis College, where her son, Clarence, completed the Business Course. On the following day, Clarence began working in Joske's bookkeeping department.

Henry and William Voiss, twin nephews of Father Kemper, came home from St. Louis College on Wednesday.

Thomas M. Scoggins, most noted shoe-man of Texas, now recuperating here, attended the graduation exercises of Our Lady of the Lake.

We expect the girls of St. Joseph's Orphanage, San Antonio, on an outing during the month of July.

St. Mary's Social Club is providing measures to help entertain our numerous transient parishioners. At the last meeting Miss Meta Michon was elected president; Miss Elizabeth Newton, vice president; Miss Helen Mosel, secretary, and Miss Lucy Brandon, treasurer.

About 10 per cent of the present enrollment at the Y. M. C. A. Camp is Catholic, and this contingent marched to Sunday Mass in a body, namely: Carl Seidemann, Wm. Langridge, Wm. Woods, Gus Delph, Carl Smith, Paul Kuehne, Jack Crosby, Sam Reilly and Earnest Haack.

The family of Dr. Polycarp Domingues is touring the Pacific States by auto.

Mrs. Hy. Drought is motoring through Colorado. Her summer mansion, "Droughtfels," will be opened by her son, Harry, after the Fourth of July.

The wife and children of Dr. Frederick F. Nye left on Thursday of last week for Oakville, Cal., where she will remain with her father, Addison E. Burge, until the end of October.

Mr. and Mrs. Wm. Tarrillion moved back to San Antonio last week, but will be in Kerrville for Earle Newton's wedding.

Joe Boudreaux Jr. returned to Beaumont on Saturday.

T. J. Lacour came from Kenner, La., to be with his invalid wife.

Last Sunday Francis A. Sieback traveled from New Iberia, La., to join his parents in our healthy mountain resort.

Ernest Hebe of Bandera motored home on Monday with the faculty of St. Stanislaus School.

Postmaster Carpenter is taking his vacation with his family at Manchaca, near Austin, the home of his mother. His daughter, Katie Mae, is summering at Gonzales.

Misses Annie and Mary Treadaway of Victoria are guests of their aunt, Mrs. Ida Kirkpatrick. Their brother, Thomas, of the Brothers of Mary, is now stationed at the Catholic College of Belleville, Ill.

Mr. and Mrs. D. E. O'Brien and son, Francis, are at Rocksprings watching the oil developments at the Peterson well.

On Friday, we were honored by a visit from F. J. Carle, owner of the D'Hanis brick-yards.

Fredericksburg Items
Standard, June 12: On Thursday afternoon, while unloading a heavy cable for the Marlin Telephone Co., Aug. Ahrens had his foot badly mashed. The planks on which the cable was to be unloaded broke.

Carl Enderlin Sr. had the misfortune to slip while running a foot race and break a shoulder bone. The accident happened at Live Oak last Sunday, when the old gentlemen were staging a race for the amusement of the crowd.

On Monday, one of our old citizens, Wm. Walter Sr., died at his home at the age of 81 years, 7 months and 4 days. He was buried by Rev. Konzack, many friends attending. His wife, a daughter and three grandchildren survive.

The Mountain Sun, \$1.50 Per Year.

FIRST BAPTIST CHURCH
J. B. HOLT, Pastor

Sunday was an exceptionally good day in spite of the rain. Many came to Sunday School in the shower and were enthusiastic over the outlook. The pastor preached morning and evening on the text, "To Every Man His Work."

We are trying to afford each member the joy of some definite line of service. Our people are responding cheerfully to the new program of work and feel that the future holds much opportunity for them.

The record system worked much better Sunday and every one is doing his best. The adult classes are now at work on their possibilities and we will see some wonderful growth in the next few weeks.

Our efficient treasurer, Bro. J. B. McCauley, is keeping us well informed concerning our financial promises and obligations. He is very much on the job.

Next Sunday we will install all our new teachers and officers at the 11 o'clock hour. There will be over forty of them. It will be a significant occasion.

Some of our people are gone away for the summer. We will be glad when they get back. Glad we are to have many of our young people who have been away to school now back for the summer.

A full attendance of the teachers and officers of the Bible School is desired for the meeting Friday night.

Woman's Auxiliary

Missionary program for the Woman's Auxiliary of First Baptist Church, to be held Tuesday, June 22d, at 4 p. m., at the home of Mrs. J. B. Holt:

Subject, "Christian Education for Boys and Girls."

Leader, Mrs. Charlie Morris.

Song, "Jesus Shall Reign."

Scripture, "Job 28."

Prayer, "For World-Wide Christian Education."

"Growing Interest in Child Welfare and Training," Mrs. F. C. Garrett.

"If Hogs, Why Not Children?" Mrs. Dewees.

"What Will the Christian School Be and Do?" Mrs. Orion Proctor.

"The Baptist Vision of Education," Mrs. Taquard.

Reading, "School Days," Miss Ferrol Rawson.

"America's Educational Responsibility to Asia," Mrs. R. A. Cochran.

Scriptures, "Value Christ Placed on Kingdom Teaching," several women.

Duett, Mrs. Garrett and Mrs. Newman.

Every woman of the Baptist Church is invited and urged to meet with us.

G. O. P. Ignored Farmers

Washington, D. C., June 15.—Thoroughly angered by what he considers the betrayal by the Republican party of the farmers of America, Benjamin C. Marsh, secretary and director of legislation of the Farmers' National Council, today embarked upon a campaign of publicity planned to convince politicians the farmer vote is a power to be reckoned with at election time. Mr. Marsh has just returned from Chicago, where he presented the platform of the Farmers' National Council to a committee of the Republican National Convention.

"The section of the Republican platform on agriculture does not contain a single declaration to reassure the farmers of America," said Mr. Marsh. "While it expresses the belief of the Republican party that the crux of the present difficulty in the farming industry lies in prices, labor and credit, and that the situation can be improved by adequate farm representation in appointments of Government officials and commissions, it does not pledge this council."

Mr. Marsh asserted the platform mentions several specific evils in the agricultural situation without attempting to provide a remedy for them and declared no suffering patient could ever be persuaded that a diagnosis is as good as a cure. Failure of the platform to provide for amendment of the Federal Farm Loan act to facilitate acquisition of farm land, lack of a pledge to enact legislation to give farmers long time credits and failure to authorize continuation of the Federal Trade Commission were other shortcomings with which Mr. Marsh charged the framers of the Republican platform.

Card of Thanks

EPISCOPAL CHURCH
Rev. G. M. Macdougall, Rector

On Tuesday night the choir of this church met at the Rectory to discuss plans for the re-organization of the musical services of the church. It was agreed to form a vested choir as it was more churchly and in keeping with the best usage of the Episcopal Church, plain surplices and college caps to be worn. After an interesting discussion, refreshments were served in the sun parlor to the strains of the Victrola and selections on the Pianoforte.

Those present were Mrs. R. Galbraith, who has been choir leader for more than half a century; Mrs. John Burney, Mrs. Pampell, Mrs. J. Young, Mrs. Macdougall, Mrs. Martin, the Misses Florence Scofield, Yolande Robinson, Jane Scofield, Helen Sanchez, Roberta Macdougall and Jimmy Young; Messrs. John Burney, Dr. Galbraith, Cecil Robinson, J. B. Young, Ed. Mosel and the Rev. Doctor Macdougall.

PILING UP HAPPINESS

DOES each year find you wishing and hoping for better things in the future—and regretting lack of accomplishment in the past?

There is one sure way to fill your horn of plenty to the brim with all the good things of life. It entails no sacrifice now. It merely means the forming of a good habit.

Save! That good old formula for success is as true now as when it helped build the fortunes of our pioneer railroad builders, manufacturers and promoters.

Applying it on a small scale in your own way will bring you results in proportion.

A POLITICAL CONGRESS

"I have no reason whatever to hope that its continuance in session would result in constructive measures for relief of economic conditions to which you call attention.

"It must be evident to all that the dominating motive which has actuated this Congress is political expediency rather than lofty purpose to serve the public welfare."—President Wilson in a telegram to railroad brotherhoods.

Summed up in the telegram of the President to the railroad brotherhoods is the sentiment of the American Nation in regard to the Congress which adjourned recently.

Never in history has there been a Congress so tragically disappointing in the lack of real constructive legislation as the one mentioned.

It has been a "do nothing" session from start to finish; it has played politics without regard to the public welfare; it has failed to bring the Nation to a peace status; it introduced some 20,000 bills, a majority of which were more worthless than the paper upon which they were written. It has authorized and carried on hundreds of investigations, a majority of which have been detrimental to the public good; it has made no effort to reduce the high living cost. On the other hand, it has, by its political play, encouraged the profiteer and high prices; it has lessened the confidence of the civilized world; it has made us the laughing stock of Europe, and it has tickled the vanity of the former enemy nation.

Those holes in Water Street have not been filled, and the whole thoroughfare needs to be dragged.

It is somebody's business to see that weeds are cut and Kerrville is kept in a sanitary condition. Whose?

The weeds are still growing luxuriantly along the business and residence streets of Kerrville. This is not a creditable situation for visitors to observe, nor is it conducive to health.

The losers in the Republican Convention have begun to tell how it happened, and the "Old Guard" are held responsible for the nomination of a man who received the smallest straw vote in a Nation-wide contest of any of the Republican candidates.

BIG GATHERING OF SHEEP AND GOAT RAISERS EXPECTED

San Antonio.—It is expected that the biggest State convention of the Sheep and Goat Raisers' ever staged will be held in San Angelo this month, according to Oscar Appelt, sheep and goat ranchman of San Angelo, who is visiting in San Antonio. The convention will begin on June 22 and will last for several days.

Already there are over 2,000 registered sheep booked for exhibition during the convention and about 250 Angora goats; nothing but registered stock will be on exhibition.

"This will be our biggest convention," said Mr. Appelt, "and we are expecting more people than we can well take care of. We know that the hotels will not be able to accommodate all the visitors and arrangements have been made to entertain them in private homes."

Mr. Appelt says that the Texas Sheep and Goat Convention always holds the attention of every market in the United States, and there will be representatives there from Chicago, Kansas City, Oklahoma and from the Western markets.

Stock men south of San Angelo are jubilant over the recent action of the Interstate Commerce Commission, which provides for the extension of the Orient Railroad south from San Angelo through Christoval, El Dorado and to Sonora, making 67 miles of railroad. This action of the Interstate Commerce Commission was brought about jointly by a bonus of \$1,000,000 in money and right of way put up by the business men and stockmen of Sutton and Schleicher Counties, and by a delegation from these counties that went in person to Washington to make an appeal for the road.

"The nearest shipping point from Sonora," said Mr. Appelt, "is Menard, 99 miles away, and by the time one can drive his stock that distance the market may be all to pieces. The new road will be the biggest thing that has happened to us in a long time."

San Angelo and Barnhart are both closer to Sonora than Menard, but Mr. Appelt said that most of the stock was shipped the latter way because of the convenience of shipping from that point. The Santa Fe Railroad goes straight to Fort Worth from there without a change.

"The last few years have brought quite a change in our mode of raising sheep," said Mr. Appelt. "We used to herd them altogether, but now we have sheep-proof fences and let them run in the pastures. We have killed out the coyotes, so they do not bother us any more."

Mr. Appelt says that the country is now in the pink of condition, and the stockmen are assured of a great year.

About Road Matters

Edwards County Leader: County Judge Allison says the Commissioners' Court still fails to agree in the matter of how best to expend the county road bond funds.

The county has on deposit \$100,000 of the bond money, but for some time it has been doubtful whether we would get the money for the balance of \$300,000 of bonds. Judge Allison says he will know by next Monday or Tuesday whether we are to get this \$300,000. A certain banker in San Antonio, who is likely to know, told the Judge he thought these bonds would sell. Of course, if not we will have to wait until there is improvement in financial conditions.

If we get all of the bond money right now Judge Allison believes it would be a good idea to have an election in this precinct to decide whether a majority of the citizens favored using a little of the money that ordinarily would be used on other roads of the precinct on the Uvalde road, in order that we get the \$100,000 of Federal aid. This could not be a legal election, but a straw election would let the Commissioners know exactly what a majority wanted them to do.

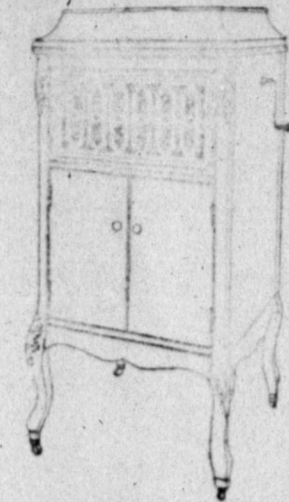

Judge Allison says the interest on the bonds will pay for all the new road machinery bought recently, in addition to meeting all of the engineering expense.

School Land Interest

The General Land Office of Texas has issued notice to the effect that all past due interest to November 1st must be paid before August, or the land is forfeited.

The same notice also applies to oil and gas permits on school land, on which 10 cents per acre is due the State; also in cases where the owner of the soil is contesting the mineral permits issued thereon and has not paid interest.

BAILEY'S VIEWS ON THE OPEN SHOP ISSUE

Dallas, June 12.—Luther Nickels, manager of the Bailey campaign for Governor, today gave out the reply of Mr. Bailey to a query from the Vernon Chamber of Commerce, as to his position on the open shop question. The letter is as follows:

"June 7, 1920.—The Chamber of Commerce, Vernon, Texas.—Gentlemen: The Hon. Luther Nickels has transmitted to me your inquiry concerning my position on the open shop question and I take pleasure in answering it.

"The open shop is the alternative of the closed shop, and whoever opposes one must favor the other. The open shop means that any one may be employed in it, without reference to his membership in any organization, industrial, religious or political, and the closed shop means that no man can be employed in it unless he belongs to a labor union. The open shop means industrial restraint. The open shop makes no discrimination between those who desire to work, while the closed shop is, in effect, a boycott against all laborers who do not belong to the union. I do not believe in the boycott, whether applied to laborers, farmers, merchants, or to men engaged in any other useful occupation, for, when analyzed it is nothing more or less than an agreement among certain men to compel a submission to their will by destroying the business or the earning power of those against whom it is directed. I believe that every American citizen has a right to provide for the support of himself and his family by working wherever he can find employment to suit him, and no organization has a right to proscribe him for no other reason than this.

"Very truly yours,
(Signed) "JOS. W. BAILEY."

BAILEY'S NAME GOES ON TICKET, VOTE 15 TO 4

Fort Worth, June 14.—The name of Joseph Weldon Bailey will be placed on the Texas Democratic ticket as a candidate for the party's nomination for Governor.

This was the decision, by a vote of fifteen to four, of the State Democratic Executive Committee. There had been a discussion of two hours.

Judge John W. Gaines of Bay City led the fight against the placing of the name of Bailey on the ticket on the grounds that he is not eligible to hold office. Judge R. E. Huff of Wichita Falls favored the placing of Bailey's name on the ticket because, he said, the committee had no authority to determine a judicial matter, and Luther Nickels told the committee "that the things you have been saying about Mr. Bailey during this discussion is beneath my notice, because I consider it so base."

The committee decided to hold the State convention in Fort Worth, after the July primaries. Judge George W. Steere invited the convention here, and said that Fort Worth would contribute \$1,000 to the expenses, and promised the members of the committee the best of courtesies to the convention, if the convention met here. The vote was unanimous in favor of Fort Worth.

M. H. Wolfe, chairman of the committee, who was presiding, said that he will be compelled to spend several weeks in Europe and he tendered his resignation. Scott Fulton of Van Alstyne, ardent Bailey supporter, moved that the committee decline to accept his resignation, but that a vice chairman be named to look after the duties of his office during his absence. John J. Simmons seconded. The motion prevailed. Fulton then nominated Edwin Hobby of Dallas as vice chairman. He was elected.

MIDSUMMER CLASS FOR SCOTTISH RITE MASONS

To meet the convenience of a large number of candidates, who, on account of business engagements, have heretofore been unable to attend our regular semi-annual reunions, it has been decided to hold a special reunion of the Scottish Rite of Freemasonry in San Antonio on July 26th, 27th and 28th.

Master Masons of Kerrville and vicinity, who desire to enter this class, are urged to send in their applications at once through some of the Kerrville Scottish Rite Masons.

P. D. MATHIS,
Secretary San Antonio Scottish Rite Bodies.

Beaumont Aids Soldiers

Austin, June 12.—A check for \$1,000 from the Beaumont Post of the American Legion was received Thursday by the Benevolent War Risk Society of Texas, which is in charge of the World War Memorial Hospital for Texas' tubercular ex-service men, now in course of construction at Kerrville.

Excellent progress is reported by Dr. C. W. Goddard, State Health Officer, and Col. Claude Birkhead of San Antonio, members of the building committee, who in company with architect and contractor recently visited Kerrville. They report the foundation complete for one building, floor laid and walls being erected for another, excavation finished and foundation being laid for a third, railroad spur completed up to the hospital site, much material on hand and a large force of men at work.

Contracts for furnishing the buildings are now under consideration by the committee.

Bandera Budget

Bandera New Era, June 10: Considerable excitement was caused by a report in Monday's Express that a "flowing oil well" had been struck here. The facts in regard to this well, as far as the writer can learn, are these: E. T. Peters and John Heinen have been drilling an artesian water well for Elvius Hicks on his place two miles west of town. They are now down 700 feet. Last week after passing through some sand they discovered oil on top of water bailed out of the well. Chas. Beasley, head driller for the Rex Co., and an old driller, was invited out to see the well. He told this writer that he examined this sand and made careful tests, which convinced him that a five-barrel well could be brought in at that depth if the exact location of the sand could be found and the well plugged and screened in at that point.

W. H. Bonnel of Camp Verde was in town yesterday to investigate our latest oil prospect. Mr. Bonnel believes we have an extensive shallow oil field here, extending over to the Verde and Turtle Creek.

Judge Sam O'Bryant reports everything ready for starting drilling on the Vanderpool well as soon as the railroad strike will permit the driller to get through with the final shipment of tools, which he hopes will be very soon.

Among the graduation announcements we have received the past week are those of Elmer C. Deering of Kerrville from the Baylor University, and Grady C. Fuller of Center Point from the Electrical Engineering Department of the State University.

Too much wishbone and not enough backbone is a bad combination. It takes backbone to save; wishbone won't get you anywhere, but Thrift Stamps and War Savings Stamps will if systematically purchased.

What a lot of argument there used to be about a woman driving an automobile

TODAY she can "make a train" or fix a tire as well as anybody.

As soon as a luxury becomes a necessity the point of view changes.

Two or three years ago you would have listened to more varying opinions about tires than you could shake a stick at. Mileages, construction, treads and whatnot.

It's different now. Tire users are working towards a unanimous feeling.

You express it one way—the man down the street another. But sifted down it amounts to this:

That the only way to settle

your tire problem is to get a tire of known value and stick to it.

III

We recommend and sell U. S. Tires because their value is known.

There's no guess about it.

It was the U. S. quality policy which led to the perfection of the straight-side automobile tire, the pneumatic truck tire—two of the greatest additions to tire value that have ever been made.

As representatives of the oldest and largest rubber concern in the world, we are in a position to tell you something about tire values. Come in some day and talk to us.

Select your tires according to the roads they have to travel! In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or U. S. Nobby. For front wheels—The U. S. Plain. For best results—everywhere—U. S. Royal Cords.

United States Tires

Boeckmann & Weston

Kerrville, Texas

Saving the Wheat Crop

One of the important problems confronting the farmer today is the saving of the wheat crop and disposing of same in such a manner, as to realize something of its real value, says W. B. Lanham, Acting Director of the Extension Service of A. & M. College of Texas. Reports from the various agricultural agencies and farm journals of the United States indicate an enormous reduction in the wheat acreage, while financial stringency, railroad facilities, strikes and inadequate elevator and shipping room are convincing evidence of our inability to move the wheat as rapidly for export or for the mills and elevators to buy and sell wheat as heretofore.

With four or five thousand cars loaded with last year's wheat in Galveston or in transit to Galveston—which may not be unloaded until the latter part of July on account of existing conditions—and the possibility that similar conditions exist or may arise at any of the ports in the near future, or in transit facilities and elevator service, it has been considered wise to call the attention of the farmers to the situation and suggest the importance of either arranging to stack their wheat or arranging for

grainery room, so that it may be marketed as demand calls for it, and thus avoid the possibility of being forced to sacrifice the wheat on the market under such depressing conditions.

Every step should be taken at once looking to the preservation and proper stacking or storing of the wheat now coming into harvest, and the utmost care should be exercised to prevent the wheat from being thrown on the market at one time, or becoming locked up in transit, or being in congested centers where weevil, weather conditions or improper care might result in destruction, or selfish manipulators might be enabled to secure control of the volume of the output and thus force the seesaw of price to the minimum for the producer and the maximum for the consumer. A little forethought and care exercised at this time in the preservation, care and marketing of the wheat crop may mean many dollars saved to the producer in the market value of his crop.

Subscribers will confer a favor on the management by notifying the office promptly when they fail to receive the paper, or when change of address occurs.

The Kerrville Sun, \$1.50 Per Year.

BIG, BRAVE OLD JIM

BY HARRY HAMPTON WILLIAMS.

'Twas just a year ago today that me and Jim come here
To fish; seeing that old turtle there puts me in mind;
The sky was just the same that day; the water was as clear
As 'tis today; that same old stump and log right there behind;
The same green cow-itch vine was climbing up before
It there;—I reckon Jim won't come to fish no more!

A year ago! And Jim was settin' there where you are now,
And I was stretched out here; Jim p'inted to that old dead limb
Across there on that water-oak; says he, "Say, Bill, I sawow!
I reely don't believe that I could draw a bead on him
'F I had a gun!" I turned around upon the grassy floor,
And saw a squirrel settin' there;—But Jim won't talk no more!

And settin' there with hands around his knees and chin at rest
Upon 'em, he says, "I'm glad the sky is colored blue, for that,
Of all the colors, is the one I love the very best;—
The first time I saw Emmy, she . . . G-o-s-h, that water rat!"
I knowed the rest of that, how Emmy's dad, Old Lemuel Gore,
Had druv Jim off the place and told him to not come back no more!

But there was always more to Jim than lots o' folks could see!
Old Huckatuck was boom'n, bank to bank, and sioshin' some;
Tom Benson, on yon side, had typhoid as bad as bad could be!
Jim said, "I'll swim across and lend the folks a hand, by gum!"
. . . Midway a log stove on him, . . . strangled, . . . no help from
shore!

Big, brave old Jim! . . . He won't come here no more!

AFFINITIES

BY HARRY HAMPTON WILLIAMS.

Said one, "The tiresome journey never seems one-half so far,
As when you fare upon it by the light of the morning star."

And the other said, "The sunrise never seems one-half so fair,
As when you go to meet it along the hilltops there."

And so they twain together, linked always hand in hand,
Fared on and on, glad-hearted; and golden lay the land

In many a splendor 'round them of hill and rolling plain—
The gray of the granite mountains and the leagues of singing grain.

And they bullded many a bower where they tarried fruitful spells,
And many a blessed cottage was theirs in the bosky dells.

The worlds that came of their pilgrimage were radiant tales away,
Till their laughing voices faded dim beyond the edge o' the day.

The Cash-and-Carry Grocery

At Cash-and-Carry you can pay a small profit on each item. Usually where there is no profit there is reason. Cash-and-Carry does not offer specials and then make up the loss by over charging on other items. If you buy your Groceries, Fruit and Vegetables regular at Cash-and-Carry you will save from \$8 to \$40 per month and when pay day comes you will have some real money for yourself, and will have no grocery bill poked under your nose.

The Prize Winning Letter

WHY TRADE AT HOME?

Dear Editor:
We should trade at home primarily for the reason that the home merchant is our friend. It is he we look to in times of emergency. Should we not be willing to reciprocate?

At Home we get better service, promptly rendered, and see what we are getting for our money, instead of "trading slight unseen," as do those who deal by mail.

Money spent at home comes back to us. Money sent away is gone forever, so far as we are concerned.

We expect the home dealer to buy our produce and to give us a market for whatever we have to sell. Why not treat him the same way and buy from him what we have to buy?

Self-interest, if nothing else, should prompt us to make possible a local market to sell and buy in, by giving the home dealer all reasonable preference.

Why make
we made this
cigarette for you!

Camel CIGARETTES

CAMELS fit your cigarette desires so completely you'll agree they were made to meet your taste!

Unique flavor, fragrance and mellow-mild-body due to Camels quality and expert blend of choice Turkish and choice Domestic tobaccos are a revelation! You will prefer the Camel blend to either kind of tobacco smoked straight!

With Camels you can go the limit without tiring your taste. They leave no unpleasant cigarette after-taste; no unpleasant cigarette odor!

To get a line on why Camels win you so completely compare them puff-for-puff with any cigarette in the world at any price. You'll prefer quality to coupons or premiums!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes for 20 cents, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or for use as a gift.

very prevalent custom, to order goods by the "quarter's" "half dollar's worth," but the custom is not a good one. It is much better to order by the pound or the yard or the gallon. Then, whether you have asked the price or not, your bill shows the price per pound, yard or gallon. In addition thereto, an very easily verify the measurements or weights thus given as if you simply order "two bits' worth" or some other equally finite amount. It is very difficult with the means of weighing measuring available in the ordinary household, to ascertain whether fair measurement or weight has been given, even if you know the price.

do not understand us to mean that it is usually necessary to measure your purchases. Upon the contrary, we do not at all there is a merchant in Kerrville who would intentionally cheat a customer, but if there is, the system which will show him up. Our plea is made however, for the sake of the honest merchant who gives you absolutely honest

times of high and higher prices, you very often have that is a mighty small dollar's worth," and, tucked in the back of your mind, is a half formed suspicion measure is unfair.

We can suggest you owe it to the merchant, if he has been by Parcel measurement and remove that suspicion, and if he owe it to yourself to prove it and stop dealing sundries all over.

lost a neck—will ring the death knell of rascality, if it demands that it shall be done.

Dickey-Allen Wedding

(Continued From Page One)

Dallas, matron of honor; Miss Elsie Johnston, bridesmaid; Mrs. Harry Harrison of San Antonio, matron of honor, and Miss Lonnie Benson of Atlanta, Ga., maid of honor. Little Misses Elizabeth Sommers, Nellie Ganter Schreiner and Josephine Schreiner acted as flower girls and preceded the bride, who entered on the arm of her father, Dr. W. P. Dickey, D. D. She was met at the altar by the bridegroom and they took their places under a huge wedding bell of Shasta daisies with a lovely bower of green for a background.

The ceremony was impressively performed by Rev. Brooks I. Dickey, that united in marriage these highly esteemed and popular young people.

The bride wore a white accordin-pleated crepe meteor with an over dress of thread lace and a girdle of silver. The train was of white crepe chiffon embroidered in silver over cloth of silver; her veil was caught with a coronet of orange blossoms, and she carried a shower bouquet of bride's roses and Lillies of the Valley.

Miss Lonnie Benson wore white georgette over cloth of silver, trimmed in crystal fringe. She carried a shower bouquet of white sweet peas.

Miss Elsie Johnson wore yellow taffeta with hoop-skirt effect, and bodice of beads and silver. Her bouquet was a sheaf of Shasta daisies.

Mrs. John Kettle was gowned in gold taffeta and gold lace, bouffant style. She carried Shasta daisies.

Mrs. Harry Harrison's gown was a cream lace over gold taffeta, apron effect. Arm bouquet of Shasta daisies.

The three little flower girls wore white organdie with yellow tulle sash and hair bow. They carried baskets of rose petals.

Immediately following the ceremony a reception was tendered the bridal party and several hundred friends at the lovely home of Mr. and Mrs. A. C. Schreiner Sr., with Mrs. Schreiner and Mrs. Harry Harrison as hostesses.

The spacious living rooms were beautifully decorated with ivy and Shasta daisies, and on the porch also the color motif of yellow and white was carried out.

Receiving with Mrs. Schreiner and Mrs. Harrison were Mesdames W. P. Dickey, W. W. Allen and the members of the bridal party.

All during the evening soft music floated in from the conservatory, while Misses Ruth Garrett and Dorothy Doyle presided at the punch bowl.

The dining room was lovely in its color motif of pink, lavender and Nile green. The bride's cake in the shape of a large heart, decorated with pastel shades of pink and lavender, formed the center decoration for the table. The cake was surrounded on all sides by pink, lavender and green tulle. Mrs. Nannie Sommers presided at the cake. A delicious salad course was served.

In the receiving line, Mrs. A. C. Schreiner wore a gown of black chantilly lace over black taffeta, bouffant style. She carried an armful of pink gladiolas. Mrs. W. W. Allen wore black tulle over black crepe meteor trimmed in jet. Mrs. W. P. Dickey wore black charmuse, trimmed with jet. The wedding party wore their wedding dresses.

Presiding at the punch bowl, Miss Ruth Garrett wore gold tulle over gold cloth, and Miss Dorothy Doyle wore pink tulle over silver cloth, trimmed in iridescent beads and velvet.

Presiding at the cake, Mrs. Sommers wore white tulle over white crepe meteor, trimmed in silver lace.

After the reception the bride and groom left for their home on the Allen Ranch. The bride wore a navy blue taffeta dress, trimmed in beads, and a jade feathered hat.

The young couple will be at home in their new five-room bungalow on the Allen Ranch after July 1st. The furnishings of their new home are the gifts of Mrs. W. W. Allen and the family.

The Sun joins the large circle of friends in best wishes.

Linen Shower

The ladies of the Presbyterian Church entertained Thursday evening of last week from 4 to 6 o'clock with a linen shower, honoring Miss Anna Belle Dickey, a June bride. The party was given at the attractive apartment of Mrs. Lee Secor, which was prettily decorated with Shasta daisies and EVERYTHING.

Our Policy for Half a Century

When Thrift perches on the window sill, Extravagance walks out through the door. For it is a well known fact that Thrift and Extravagance cannot breathe the same air; it is impossible for both to exist under one roof at the same time; one must choose 'twixt the two. Which is preferable? Extravagance, that sees no further than the sundown of today—or Thrift, that offers the supreme satisfaction of seeing "rainy-day insurance" accumulate, and the future well provided for? This store has chosen Thrift. Hence its policy of "selling what is best, with price the second consideration." It is this policy of economy that has created the powerful incentives of "greater values" for the money—incentives that are saving many dollars.
