TIVY HIGH SCHOOL LIBRARY TO GET CHAUTAUQUA SURPLUS

The Chautauqua Committee met on last Friday afternoon in the Commercial Club rooms. Dr. Galbreath was elected permanent chairman. The dates for the Chautauqua were announced as May 2nd to 6th, inclusive. Pampell's Hall has been secured by the committee and two performances will be given daily—afternoon and evening.

Prof. Raymond Franklin was elected publicity chairman; Mrs. Geo. Morris, chairman of hall committee, and Mrs. Ola Gammon, chairman of the ticket committee. The committees are enthusiastic over prospects of a splendid series of entertainments, as the program will include some unusual artists.

The Tivy High School Library will be the beneficiary this year, and it is the confident assurance that it will receive a nice sum, as the war tax on tickets and also the division of door receipts has been eliminated this year, and everything above the flat guarantee will go to the school.

Season tickets will be sold as follows: Adults, \$3.00 for ten entertainments; school pupils, \$1.50. Season tickets are reserved seats. Get your tickets early and secure your choice of seats.

The Hi-Y boys will assist in the ticket selling and advertising.

PRESBYTERIAN WOMEN INSTALL NEW OFFICERS; GIFTS BESTOWED

The Women's Society of the Presbyterian Church held a most enjoyable meeting Thursday of last week at the home of Mrs. W. P. Dickey. The newly elected officers for the coming year were installed, and are as follows: Mrs. R. Holdsworth, president; Mrs. Miller Harwood, first vice president; Mrs. A. C. Schreiner Jr., second vice president; Mrs. G. M. Doyle, secretary; Mrs. J. F. Leisering, treasurer.

Interesting reports of the past year's work were read, showing that progress along every line had been made, and much interest and enthusiasm was manifested in the work for the future, which will be along the same line as in the past.

After the business of the afternoon had been finished, a large basket with Bun Rabbit seated on a nest of Easter Eggs was carried into the room and Mrs. Dickey was invited to investigate the contents. Many beautiful and useful articles of all kinds had been brought as tokens of love and esteem, and were presented in this unique way to Mrs. Dickey in honor of her birthday anniversary.

In a few well chosen words she expressed her deep appreciation of the gifts and the spirit in which they were given. She spoke of what the association of the ten years of her residence here has meant to herself and Dr. Dickey and the ties of friendship that grow stronger year by year. A delicious salad with cake and coffee was served to about forty friends.

NEWLY ACQUIRED RICHES, A FAST LIFE AND DISGRACE

Tuesday morning of last week, about 3 o'clock, in Oklahoma City, Jean P. Day, a lawyer, ex-supreme court judge and rich oil man, killed Col. Paul W. Beck, a daring and prominent aviator, in the home of the former, while the latter is said to have been struggling with the wife of Day in the attempt to assault her.

Saturday, at a coroner's inquest, Judge and Mrs. Day were exonerated, and it is doubtful if any other procedure against them will result.

Judge Day had been a struggling school teacher, then a lawyer, later a supreme court judge, when he suddenly struck oil and was made rich. His wife then began a high mode of society in Washington and Oklahoma City, and being a beautiful woman she created much interest and became a leader. Among those attracted to her was Colonel Beck, who was a daring aviator during the war and since then in charge of this branch of the service at Lawton, Okla. He was a frequent visitor at the Day home, where he was treated as a member of the family.

The night of the killing, Colonel Beck had gone to the theater with Mrs. Day alone, and later they were

joined by Judge Day at the home of a friend, where dancing and amusements were kept up until midnight, when several of the party adjourned to the Day home, where they danced until about 2:30. It seems that there was home brew to enliven the crowd.

Judge Day took home some of the guests in his auto, and when he returned, he claims that he found his wife in Colonel Beck's arms and she was struggling to free herself. Judge Day says that he went upstairs, secured his old-style army pistol and going up to Colonel Beck ordered him from his home, and as the former drew back with his fist, Judge Day hit at the officer's head with the pistol, which discharged as the weapon struck and tore the top of his skull off.

That is the result of too sudden riches, too high life, too much freedom of conduct, too much booze, glamor of a uniform, fatality of too great beauty. It is not an isolated case, but a killing exposed it.

REDUCE ARMAMENT, PERSONNEL; SAVES \$181,000,000 IN EXPENSE

Washington, D. C., April 8.—The 1923 naval bill, carrying out the five-five-three ratio, was reported today to the House.

It carries a total of \$233,224,000, or \$181,000,000 less than appropriated last year.

There remains to be appropriated in a separate measure later, however, about \$60,000,000, estimated by the Navy Department as the cost of cancellation of contracts for ships not completed and ordered scrapped.

Briefly this is what the bill does: Cuts the enlisted personnel from 95,000 to 65,000, plus 2,000 apprentices.

Leaves officers' total substantially intact, except for the dropping of 389 reserve officers on active duty.

Authorizes commissions for only 200 of the 535 first class men at Annapolis, to be graduated in June.

Lays up 254 vessels of "non-descript character."

KERRVILLE COLORED PEOPLE START CIVIC IMPROVEMENT

Friday night of last week, the colored people of Kerrville held an enthusiastic meeting and listened to addresses by Dr. S. E. Thompson, Judge W. C. Baker and the colored ministers. The former talked on hygiene and general cleanliness, in which he showed himself thoroughly familiar with the negro and his characteristics. Dr. Thompson gave his hearers some excellent advice and instructions as to how to improve their general health, and in that way be of benefit to their race. Having spent much of his early life practicing his profession in a section where there was a large negro population, Dr. Thompson understands the negro and is his genuine friend.

Judge Baker spoke on law-abiding citizenship, in which he gave the negroes some pertinent advice. He also extolled the fealty of that race to the white people during the Civil War, and stated that it was a monument to them that Time would not obliterate. The audience was also remonstrated with to see to it that any disposition on the part of any of their color to exceed his prerogatives, be promptly and sufficiently squelched. Judge Baker has also spent much of his life where there were large numbers of negroes and he has considerable experience with them in his practice of law, and also as prosecuting attorney and district judge. He is a friend of the law-abiding, industrious negro, and is willing to aid them in anything beneficial to the race.

The two colored ministers present thanked Dr. Thompson and Judge Baker for their most excellent addresses, and agreed with them in their conclusions and advice to their people. These ministers showed themselves as conservative and interested in the real welfare and advancement of their race. Each pastor made pointed and effective remarks.

Since the colored people of Kerrville have set the pace in the way of civic improvement, it is to be trusted that the white population will go them one better and clean up the city in a way that it has never been cleaned before.

EVIDENCE OF DUPLICATION MILLIONS OF DOLLARS IN GOVERNMENT BONDS

Washington, D. C., April 9.—Behind closed doors a corps of Secret Service agents, expert auditors and counters today began the investigation which is expected to fix responsibility for the alleged duplication of Government bonds at the Bureau of Engraving and Printing.

For the first time in history the big Government printery and its force of more than 6,000 employes will lie idle while the investigation is on. Nearly two weeks will be consumed in the inventory and probe of the alleged irregularities and scandal which resulted in the dismissal of Director Wilmet and 30 odd bureau heads.

While frankly concerned over what the investigation may disclose, high officials are keeping a sharp lookout to suppress any unduly alarmist reports. They fear the effect of such reports may have on the Government bond market.

Despite the ban placed upon new developments and the fact that President Harding has ordered all reports made directly to him, it was learned from unofficial sources today that since the dismissal of the bureau chiefs much evidence of duplication has come to light.

Most of it is said to have occurred during the war period when three eight-hour shifts were kept constantly at work turning out the \$25,000,000,000 of war bonds issued by the Treasury.

Victory Bonds Duplicated

The new evidence tends to show that the amount of Liberty Bond duplication was even surpassed during the latter part of the war when the Victory Bonds were being printed. According to reliable information the vast amount of war issues caused the work of the bureau to fall behind the demand for Victory Bonds. As a result this issue was gotten out in comparatively small sections.

That in some instances these sections had been duplicated in their entirety, is the startling information from unofficial sources today.

The ease with which these duplications could be effected has come as a complete surprise even to trained Government investigators. According to engravers in the bureau the manner of duplication is simple. The bond numbering machines number automatically from 1 to 99 and then are hand set for the next number.

Since it is admittedly possible to duplicate a bond number once the same number could be repeated 10 or 20 times, and because of this possibility the losses, it is said, might involve hundreds of millions of dollars on bonds issued without compensating reserve.

Seven Coupons of Same Number

As a concrete evidence of duplication it is alleged that recently seven coupons bearing the same bond number were returned to the Treasury Department for redemption on the same day.

Furthermore, it is now found that during the stress of war work when the bureau was working full blast 24 hours a day and seven days a week no competent check was kept on the amount of special silk thread paper upon which bonds and Federal reserve notes were printed. Neither was there an effective check-off system maintained to insure the proper destruction of dilapidated paper money turned into the bureau, it is claimed.

The result of the first condition would be to permit unscrupulous employes of the bureau an almost unlimited supply of bond papers with which to effect duplications. The lack of proper check of money turned in for destruction might account for the alleged presence of duplicable Federal Reserve notes.

An element of mystery has been injected into the bureau scandal by the finding of 200 sheets of cancelled bank notes with a face value of \$4,000 floating in the Potomac River.

The sheets of money were found in the river just below the Bureau of Engraving, which is located on the banks of the tidal basin that empties into the Potomac.

The money was part of a cancelled consignment that came from the bureau. Secret service operatives were busy tonight trying to discover how the sheets got out of the bureau. It is believed that the money was buried near the river bank and was washed down by the recent heavy rains. Efforts are also being made to ascer-

tain whether other notes and bonds are hidden in the banks of the river.

No explanation can be given tonight for the discovery of the missing notes. The theory is advanced that they may have been buried by thieving employes until the present investigation was concluded and the opportunity of redeeming them presented itself.

Working on the theory that the find of today may indicate the presence of

SAN ANTONIO BOYS TO CAMP ON GUADALUPE NORTH OF KERRVILLE

San Antonio Light: Definite selection of the site for the San Antonio Y. M. C. A. Boys' Camp to be held May 31st to June 10th, has been announced by H. G. Spruce, city boys' work secretary, who has returned from a two-day trip of inspection of the territory in the vicinity of Kerrville. The camp will be held on the Guadalupe about eight miles north of Kerrville at the permanent camp erected by Herbert L. Crate, former boys' work secretary of Mississippi.

The camp is an annual affair held for boys 12 years of age or older. The limit this year will be 100 boys who will be under the supervision of adults who are virtually interested in welfare work among boys. Spruce will be director of the camp with A. M. Venne, physical director of the city "Y," in charge of athletic activities. Others who will assist are W. W. Jackson president of the Wesleyan Institute and former State Boys' Work secretary of Arkansas; Herbert L. Crate, Gus Pflug, Sgt. W. Sanderson, the Rev. H. G. Leonard, J. F. Howard, G. D. Pickens and others. Dr. Jackson of Kerrville will be the camp doctor and will be accessible at all times.

Mr. Crate is offering the Y. M. C. A. the use of the camp and equipment before the formal opening in the latter part of June. He has been interested in boys' work and offered the use of the camp for the actual running expenses during the ten days of the encampment.

Sleeping quarters will be army tents with wood floors and will be equipped with cots and mattresses. There will be a baseball diamond, basket ball court, volley ball court, tennis courts, running track, jumping pit, diving boards and platform, boats and canoes, both deep and shallow water for bathing, a vegetable garden, and plenty of fresh milk and eggs.

STATE PRESIDENT AMERICAN LE- GION AUXILIARY VISITS KERRVILLE

Mrs. E. Clinton Murray of Houston, State president of the American Legion Auxiliary and National vice president of the organization, was the honored guest of the Auxiliary to the Garrett-Baker Post of Kerr County, Saturday and Sunday of last week.

A committee, composed of Messdames A. C. Schreiner Jr., Kuhlmann and Jackson, met Mrs. Murray at the train and escorted her to the St. Charles Hotel, where she was received by Mesdames Palmer, Allen, Wheelers, Gammon and Doyle, and Misses Yolande Robinson and Kate Remschel.

At 1 o'clock an elaborate six-course luncheon was served at the hotel, attended by thirty members of the Auxiliary. At 3 o'clock a meeting was held at the home of Mrs. Charles Mason, president of the local organization. Mrs. Murray addressed the body and complimented them on the splendid work that has been done here among the ex-service men and their families, and inspired them to greater efforts in the future. She outlined the serious purpose for which the organization was founded and the hearty support it is receiving from the Legion Posts all over the country.

After a lovely salad course had been served, Mrs. Murray was taken to the American Legion Memorial Sanatorium, where she made a brief talk to the ex-service men. She was then shown over the buildings and expressed greatest appreciation of the institution, the management and the efforts that are being put forth in every way for the aid and comfort of the patients.

On Sunday afternoon Mrs. Murray met with the Executive Board of the Auxiliary and offered suggestions as to the work and needs at this place. At 3 o'clock she was escorted to the train and departed for Boerne to assist in putting on a membership drive.

SHAM BATTLE TURNS INTO CHARNEL OF DEATH MONDAY

Monday evening at Camp Bullis, near San Antonio, while a sham battle was in progress, the explosives in a trench about 100 feet long by 10 feet deep, in which there were forty-two infantrymen, were accidentally set on fire resulting in the death of two and nine fatally injured.

This was a part of demonstrations of infantry warfare carried on for the benefit of the reserve officers of the 8th Corps Area.

ATHLETICS WIN GAME WITH RICHTER'S BUTTER KRUSTS

The Richter Bakery team from San Antonio came to Kerrville for defeat Sunday, the final score being 7 to 3 in favor of the home boys. The visitors were not formidable opponents at any time, although the Athletics failed to hit Pitcher Lindsey consistently.

Lindsey is a stout young advocate, who believes in the "rolled hose" theory to the extent that he wears 'em that-a-way on the diamond. He is possessed of a good disposition, speed and control. Had his support not resembled a pile of doughnuts—full of holes—the tale might have been more serious to relate. But the blow-up stuff prevailed, even after Kelly, who first registered as catcher, went to the mound in the fifth.

The Athletics only scored six hits off both hurlers, while Barry was touched for an equal number. For the bakers, their game was far from the apple pie order, more like sponge-cake—not much too it.

The Athletics were not at their best, but showed improvement in one important feature of the game—that of getting down to first with celerity and dispatch. If this practice is continued it means a gain of many singles by a step before the season is over. About all Barry appeared to have was determination and a glove. He passed two men and hit two. Incidentally, he struck out nine batters.

No long hits were registered. Two two-base hits, of a scratchy order, we will allow.

Captain Holchak played third with his usual confidence and success. In the eighth he had three chances and assisted in retiring all three to Wilson.

Amberson, Kuesel and Wilson pulled one fast double in the sixth.

Charley Rawson, our once formidable first baseman, officiated as umpire from the middle of the diamond, with satisfaction to all concerned.

Walter Saenger followed the movements of the runners.

The attendance was somewhat enlarged, compared with the first game. But there is room for more.

Next Sunday (the 16th at 3:30) the Athletics will entertain the fast team

from the Federal Training Center, San Antonio. This team claims a record of fourteen wins out of fifteen games played. Fredericksburg beat them last Sunday; they admitted it themselves. It is rumored that Bill Saenger may take up the "white man's" burden against them. You will all like to see Bill in action again. A. PODGER.

MANY THRILLS IN PROGRAM PROVIDED BY MEN'S CLUB

"Stunt Nite" provided thrills and a riot of mirth for the Presbyterian Men's Club at the St. Charles Hotel Tuesday evening of this week.

Dr. S. E. Thompson led off with a burst of oratory and dramatic, if mis-mated gestures. As the applause and laughter that greeted his efforts died away, darkness enveloped the room and in a spectral hush the flaming cross of the Ku Klux Klan lighted the way for a white-robed procession that halted in front of one Gene Prescott. A guttural voice informed the victim that certain of his actions had met with the disapproval of the order. He was hurried from the room and groans from without bore testimony to the severity of his punishment. The strain of these dramatic moments was broken by one of Mrs. Morris' delightful repasts.

H. C. Robinson then held the club spellbound with a "two-story story," immediately following which an altercation arose at one of the side tables between Archie Merritt and Bobbie Anderson. They were persuaded to put on gloves and settle the argument in many fashion. At the conclusion of the third round, Bobbie knocked Archie cold amid the frenzied shouts of the fans, who had mounted chairs and tables in the excitement. It was necessary for Dr. J. D. Jackson to give medical aid to Archie following the fight. By a vote of 250 to 3, the club awarded the prize to W. G. Carpenter (who promoted the Anderson-Merritt bout) for the best stunt of the "nite." A handsome copy of the Police Gazette was presented the winner in a gracious speech by Judge W. C. Baker.

During the business meeting a resolution was passed, expressing the hope that Dr. Dickey would return to Kerrville benefited by his vacation.

E. W. Schmidt sang a solo and the Glee Club, composed of H. C. Robinson, J. D. Bowden, E. Gold, A. W. Henke, E. E. Saenger and E. W. Schmidt, favored with several fine selections.

W. A. Locht, G. A. Shumaker, Bill Melear and Glenn C. Coates were introduced to the club as guests.

IRISH MAY DAY

In order not to have a long drawn-out program at the close of school, the Notre Dame faculty decided to hold the major dramatic features soon after Easter and before entering on the final examinations. This entertainment is to serve as the principal public exhibition of the pupils.

For this year a May Play has been scheduled which gives abundant scope to display dancing, singing and dramatics. The performance will be staged on Saturday, April 29th, at 7:30 p. m., on the Notre Dame playgrounds with the auditorium annex for stage setting. Price of admission will be only 15 cents for children and 25 cents for adults. Receipts will help defray the annual school picnic.

Madelin Sinn carries the principal role in the comedy, because her daughter is kidnapped by the Gypsies in Egypt and later recaptured unknowingly in England by her nephews on the day of her arrival at the home-land. Sorrowful as is the first part of the play, the denouement grows in interest and excitement to a happy climax.

More Palmer Honors

The Palmer School of Business Penmanship has awarded a high school diploma to Miss Wilhelmina Mosel and to Miss Stella Michon. This is practically the equivalent of a teacher's certificate from the best known authority in penmanship in the United States.

Grammar school certificates were won by Stella Ruff and Debs Rogers. Miss Lois Ethridge secured her Improvement Certificate. In none of these awards did the Notre Dame faculty have any voice except insofar as they presented the papers for important examination by severe and unknown critics.

A photograph was taken recently of all the Notre Dame pupils whom the Palmer School has honored, so that the cut might be published in a national periodical as an enviable advertisement for Kerrville.

Non Catholic pupils are not required to come on Thursday and Friday of Holy Week. The Catholic students will have only Monday for their Easter vacation. Another holiday will be granted on San Jacinto Day, enabling the scholars to spend

the week-end at the San Antonio Fiesta.

Personals

On Wednesday Miss Margie Farish went to the metropolis to be bride's maid for an old friend of hers. Her mother accompanied her to the Mission City.

The Staudt children bade farewell to their brother, Felix, an over-seas veteran, who had come here to bring his wife and children back to Dallas. With Felix went his sister, Mrs. Lina Brandes, who stopped off at Boerne to visit Mrs. Rosie Vogt.

Benny Mosel, a volunteer sailor, received his honorable discharge from the navy last week.

Mrs. Edna Heimann, another old Notre Dame pupil, came here from McAllen to spend a few days with her parents, Mr. and Mrs. Elmer Ruff.

Edwards County Echoes

Leader, April 7: The effect of the splendid rains and the prospects for good State-specification roads in Edwards County is causing local affairs to look decidedly up. Another substantial stone business house is being talked of for Rocksprings. And a big rock school building. There is a strong market for wool and mohair, and mohair is already selling. The money being put out by the road builders is now circulating to stimulate business.

The rains have not interfered to any large extent with the work on the nine miles of road under construction leading south from town, and the work is going steadily forward. The men clearing the right of way, we understand, are now in the Strack-bein pasture, a mile or so from town. And the compressed air drill is working down this side of the H. C. Young ranch. It is doing wonders, they say, in drilling quick holes for blasting. J. D. Braley and his force of concrete men are working on the Brackett road about four miles from town.

Another splendid rain, a regular "chicken drowner," visited Rock-springs community before daylight Monday morning, and all the water holes that weren't entirely filled from previous rains are now running over. We had a good rainfall to report last week, and this week we can go further and report that there is a good season in the ground. And already the countryside is nearly as green as the proverbial wheat field. And we had another big rain Monday afternoon. This one seems to have covered all of Edwards County, though it was re-

ported rather light in the south part. Up to Tuesday morning the fall here at Rocksprings, since the rains set in Friday night, March 24, had amounted to 5 2-10 inches. This is a fine showing.

MEN PATIENTS AT THOMPSON SANATORIUM HAVE BIG TIME

The men patients of Thompson's Sanatorium had a dinner last Tuesday evening that was unique, entertaining and ample in eatables. There were quite a number of guests present.

The patients had some dodgers printed Tuesday morning, which are reproduced and will give some idea of what happened on that occasion:

"Formal Dinner, opening the social activities of the 'Down and Out Club,' held at Loafer's Park. Music, favors for the ladies, plenty of eats, no booze, no profanity. Come one, come all.

"Reception Committee—R. E. Goalby, P. E. Swayze and A. G. Schneider. Banquet Committee—F. E. Baldwin, Mart Ebeling and P. M. Starkey. Legal Advisor—Judge Newell L. Walker. Physician in Attendance—Dr. W. W. Brandau. April 11, 1922."

Junction to Celebrate

J. D. Motley of Junction was a pleasant caller at The Sun office Wednesday afternoon. He was on his way home with his family after a short visit with relatives at San Antonio.

Doug stated that the citizens of Junction and Kimble County are making big preparations for a grand celebration July 3rd and 4th. The occasion will be a Live Stock Show and Free Barbecue, and it is the intention of those in charge of the program to put on one of the grandest events of its kind in that section of Texas.

They especially extend a cordial invitation to the citizens of Kerrville and Kerr County to be their honored guests on these days.

A diary kept by George Washington during the last year of his life has been discovered by the curator and librarian of the Historical Society of York County, Pennsylvania, and another, during a search through unclassified documents in the library of the Department of State at Washington, D. C.

NEVER before has the amazing Knight sleeve-valve motor been available in so fine a car at so low a price. Europe uses the Knight motor in her most famous and expensive cars. Now Willys engineering, Willys quantity production, put it in the reach of all in a car equally famous, but far less costly.

The Motor

The Willys-Knight motor is the highest development of the Knight sliding sleeve-valve principle. It gets more power out of less gas than any other motor of its size and weight. It is free from valve trouble, free from carbon trouble, smooth, quiet, flexible. Scientific tests and driver experience show that it grows more powerful with use. And its life-limit has never yet been ascertained.

The Car

The Willys-Knight Car is especially designed to match the motor in long life and distinction. Graceful, refined, dignified, its sturdy steel chassis beats off jolts and jars and holds the body permanently free from rattles and squeaks. Vigilant springs translate the roll of the road into undulating ease. It is fleet, comfortable, responsible—and a sound investment.

Why the \$10.90 USCO is better than just a \$10.00 tire

ON November 10, 1921, the 30 x 3 1/2 "USCO" was marked to sell for \$10.90.

This odd and closely figured price was the lowest quotation ever made on any tire of known standards.

A genuine pioneering step by the makers of U. S. Tires.

Now comes a lot of different \$10.90 tires being rushed into the market. "Special" tires. "New" treads.

Unfamiliar to look at—with perhaps an atmosphere of having been made to meet the price.

But the "USCO" still occupies a place by itself. A good old

standby on millions of cars for years. Better than it ever was.

Still putting the emphasis on honest quality, even if it does sell for only ten dollars and ninety cents.

The \$10.90 tire with the record of a proven product.

The tire that people still buy for the dignity of its quality regardless of the low amount they pay.

CATHOLIC CHURCH NOTES

By Father Kemper

MAUNDY THURSDAY

Thursday of this week, Holy Week, is known as Maundy Thursday from a contraction of the opening word in the Bible lesson for that day: "Mandatum dedi vobis (I have given you a commandment)."

All day the corporeal presence of Our Redeemer will be reserved in a flower-bedecked repository, and an unbroken chain of worshippers will keep half-hour watches in prayer before the Tabernacle.

The impressive ritual of Holy Week will be carried out in St. Mary's Church, and our non-Catholic friends are entirely welcome.

On account of the lengthy functions on Holy Saturday, the functions will begin at 6:30 a. m. with the blessing of the baptismal font, of the paschal candle, and of the new sanctuary fire.

Good Friday Observance

Only the Mass of the Presanctified is permitted on Good Friday because on this anniversary Christ immolated Himself in the bloody sacrifice on Calvary.

Kerrville honors herself by her Christian observance of this solemnity and by her brotherly union in a religious act in which every Christian can fully participate.

The Public School Board has promised to leave all pupils attend services at 3 p. m. in their respective church.

The Telephone Company endorses the movement also. With three or four exceptions, all merchants gladly agreed to interrupt their business avocations from 3:00 to 4:05 p. m.

In fact, most mercantile establishments advocated suspension of their usual routine for three hours, or for the entire afternoon, as is the custom in many of the largest cities in the Union.

We feel proud of Kerrville in her Christian attitude towards Good Friday, and we heartily thank all merchants who so readily complied with this commendable movement.

The Way of the Cross will be made in St. Mary's Church at 3 p. m. instead of 3:45 p. m., and each station will be followed by a stanza of the Stabat Mater.

On Easter Sunday a special musical program will be prepared by the Cecilia Choir for the 10:15 a. m. High Mass. Like last Sunday, extra seats will be in readiness to accommodate the overflow congregation.

This month Catholic printers commemorated the second centennial of the invention of lithography by Father Simon Schmid, who anticipated Senefelder's discovery.

Two more class-mates of Father Kemper have been elevated to the rank of Monsignor, namely the Rt. Rev. Joseph McGlinchey, Boston director of the Propagation of Faith Society,

and the Rt. Rev. Richard Haberin, secretary to Cardinal O'Connell.

A Chicago friend of Father Kemper, the Rev. Casimir, prevented last week the bankruptcy of the Northwestern Trust and Savings Bank by reawakening the confidence of the depositors after they had withdrawn half a million dollars in less than three hours.

St. Mary's Auxiliary voted at its last meeting to hold no assembly on Good Friday, but to arrange a post-Lenten social for the night of San Jacinto Day in Washington Hall at 7:30 p. m.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Kerrville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality.

T. J. Cumber, farmer, Kerrville, says: "Doan's Kidney Pills have helped a lot and I recommend them to anyone in need of a kidney remedy. My kidneys were out of order and I suffered with backache and pains over my kidneys. I felt dull and run down and the action of my kidneys was irregular. I heard of Doan's Kidney Pills and used them. They gave me prompt relief, the backaches left and my kidneys did not trouble me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Doan's Cumber had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement.)

Episcopal Church Notes

On Good Friday, April 14th, services will be held at 10 a. m., 5 p. m. and 8 p. m.

Easter services will be held at 11 a. m. and at 8 p. m. The Easter offering will go towards the Sewanee West Texas Pledge. It is hoped the collection will reach \$100.00.

Everyone is cordially invited to attend any or all of these services.

A large box of books has been sent to the Huntsville Penitentiary in response to their plea to help replenish their library, which was burnt down recently.

A registered letter from Russia recently arrived in Newark with 500 or more stamps attached to the back of the envelope by metal fasteners. The stamps exceeded \$1,000 in value at the normal rate of exchange.

FIRST METHODIST CHURCH

J. GRADY TIMMONS

This coming Sunday will be Easter Sunday, and surely all people who have any religious faith at all will go to church on that day.

Last Sunday was a beautiful day and the services for the day were filled with a worshipful attitude. The Sunday School and the preaching service were up to high water.

Those who attended the Woman's Missionary Council for Southern Methodism and the Conference for the West Texas Missionary Society report a great meeting. To be able to present at that Council, where missionaries and mission workers were gathered from all parts of the world and from every continent on the globe, was the opportunity of a life time.

The program for next Sunday is as follows: Sunday School at 9:45 a. m.

Preaching service at 11 o'clock. Subject: "The Master's Easter Greeting."

The Junior League will meet at 3:30 p. m. Last Sunday this department had the fullest attendance that it has had for this year.

The Senior League meets at 7 p. m. To all these services we cordially invite the public.

Our hearts are sad with the fact that Mrs. H. T. Paul on last Wednesday evening passed out of this life. Her suffering had been long and painful, yet she passed out in a peaceful way.

Easter Day is a day of salvation; for Jesus it was a salvation from the grave and tomb; for Him it was a salvation from the human life to the God life, and it was a present salvation, not a future one.

Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

an acquisition to be attained in this present life; immortality is not a matter of duration, but a matter of vitality, not so much a physical transition as it is a moral awakening.

On this Easter morning we do not face the question: "Shall I live again?" but rather "Am I alive now and how much alive am I?" It is difficult to turn our minds from the thought of immortality as a cosmic problem to the thought of immortality as a way of life, but that is what we must do.

Those who attended the Woman's Missionary Council for Southern Methodism and the Conference for the West Texas Missionary Society report a great meeting. To be able to present at that Council, where missionaries and mission workers were gathered from all parts of the world and from every continent on the globe, was the opportunity of a life time.

FOUR BABES WEIGH LESS THAN 1 POUND AT BIRTH

Bakersfield, Cal., April 7.—Four babies, each weighing less than one pound, were born to Mrs. C. Tabbi, Wednesday at the Bakersfield Emergency Hospital, Dr. S. C. Long, county health officer, announced today.

Mother and babies are resting nicely, the physician said.

FIRST BAPTIST CHURCH

J. B. HOLT, Pastor

The Revival is gaining in influence and power each service. Up to Sunday night there had been 21 decisions for Christ. The work being done among the Intermediates is most gratifying and still greater results are sure. The Evangelist is preaching the Gospel in a most earnest and effective manner and all who have heard him have noted his intense interest in the lost.

Last Sunday was a very fine and happy day with us and we face the future hopefully.

Death of W. C. Reed

W. C. Reed, father of our Mrs. Chas. Morriss, died at the home of his son on the Morriss farm Sunday night. He was nearly 79 years old. Born near Bellville, Austin County, Texas, April 27th, 1843, he lived out most of his useful life there.

Mr. Reed was a clean, honest, truthful and moral man. He loved the Word of God and read it often. He was devoted to his family and had many friends.

Funeral services were held at the Ward Undertaking Parlor Monday, at 12:30 p. m., by Pastors J. Grady Timmons and J. B. Holt, and the body was taken for burial to the old home at Bellville. The sorrowing loved ones and friends have the sympathy of the whole community.

HOW'S BUSINESS?

Fort Worth Star-Telegram: People fall so easily into bad habits that it is probable that the average man has not noticed that he has become so accustomed to taking a pessimistic view of business conditions during the past year that he has not noted how much improvement there has been recently, and on what solid ground we find ourselves.

Make the experiment of asking the next business man you meet—or better still, ask a traveling salesman—how's business. In a majority of cases the answer will be to the effect that it is not so good. He has been giving that answer for a year, and has acquired the habit. But compel him to do a little thinking and give you an answer based upon an honest appraisal of his business or of business generally as he has found it, and see what happens. Ask him, for example, "Is business better or worse than it was this time last year?" and in the majority of cases there will be a prompt answer: "Better! Oh, much better." Then he may take thought and tell his real judgment of the situation. "And the outlook is a great deal better than this time last year," he probably will add. "In fact, we can look forward now to continued improvement. But, of course, there's a hard pull still ahead."

Try that experiment and see if it does not work out that way. Because that is the real situation. A great many men are still persisting in the habit of giving a pessimistic answer to the question: "How's business?" and they answer now without thinking. It's been fashionable so long, you see. But when the average man stops to think and uses last year as a criterion of judgment instead of the fool's paradise of 1919, as so many have been doing so long, he gives you a much more satisfactory answer and one which is in line with the truth.

We got the habit a few years ago of putting too good a face on things. And then when we got jolted considerably and went through a period of depression the other point of view became fashionable. It is time to change again, for this latter habit is now holding things back. It is making people timid and cautious, when the cause for timidity and caution has passed. It's time now to go ahead, be it ever so slowly, and that's the way we ought to talk. For our talk is more important than we think. It has a very real effect upon conditions.

That cow, hen and pig can help you supply the family with good and healthful food, as well as aid in paying other expenses. Try it.

There is not any kind of advertising that equals the newspaper. This has been so thoroughly demonstrated by the largest business concerns of the country, that it is surprising that any one would doubt it.

One of the benefits of the Arms Conference was the reduction of appropriations for the navy to the amount of \$181,000,000, and as much or more will be saved by curtailing the army expenses. That is something worth while.

Kerrville is having a better trade, and there is more local improvements going on, not counting the Legion Sanatorium, nor the road work, than in most towns this size. We are more fortunately situated than most of us are possibly aware.

The City Commission ought to stop the keeping of pigs in pens in the business and nearby residence sections to the business center. It ought not to be required that some one make complaint, but the City Administration should see that such nuisances are not permitted to start.

The Irish continue to murder, burn and assassinate each other instead of harmonizing their differences and begin to enjoy their Free State rights granted them by Great Britain. It doesn't look like they will ever be able to govern themselves. England is doing well to get rid of such a bad mess.

In the laying of conduits so that the telephone wires can be put underground, Manager Compartment is preparing for a complete rebuilding of the telephone plant, but it will be done by degrees. However, it is good to see the start made, and we can assure ourselves, that sooner or later, Kerrville will have a first-class telephone exchange.

An Omaha traveler spent a few nights in Kerrville's Auto Tourist Camp, and he told Mr. Prescott that he was delighted with the accommodations. He said that this camp would result in bringing many tourists through Kerrville. He further stated, that if any of the business men here who were in doubt about the financial benefit of the tourists secured by having a camp site, could see a list of them and the amount of their purchases, there would be no trouble in future in getting all aid that was needed for keeping up the camp.

It appears that the bandit, highway robber and thug can rob anywhere at any time without hardly ever being stopped, or caught later. The peace officers of the Nation, States, counties and cities seem to be more ornamental than useful. The thieves seem to have more brains to plan their depredations than the officers possess to capture them. A lady's purse was snatched out of her hand on the plaza in San Antonio the other afternoon about 5 o'clock, when two policemen were within ten feet of her. One of the policemen appeared fazed and rooted to the spot and made no chase and the second one did not start until the thief had got a hundred or so yards the start and dozens of men were in the chase. Of course the thief got away.

NOTICE OF SALE OF REAL ESTATE AS UNDER EXECUTION

State of Texas, County of Kerr. In the District Court of Gillespie County, Gillespie County, Texas. THEODORE KOENNECKE, vs. PRESSLEY GRAHAM ET AL

Whereas, by virtue of an Order of Sale issued out of the District Court of Gillespie County, Texas, on a judgment rendered in said Court on the 21st day of February, A. D. 1922, in favor of the said Theodore Koennecke and against the said Pressley Graham et al No. on the docket of said Court, and directed to me, as sheriff of Kerr County, Texas, I did, on the 22nd day of March, A. D. 1922, at 10 o'clock A. M., levy upon the following described tracts and parcels of land situated in the County of Kerr, State of Texas, and belonging to the said Pressley Graham et al: 160 acres of land out of Sur. No. 1843, patented to H. S. Hope, on the waters of the Guadalupe River, about 15 miles North and 83 West from Kerrville, described by metes and bounds as follows:

Beginning at a Rock Mound at the N. W. Corner of Sur. No. 635, J. Hope, fr. wh. a cedar 6" in diameter brs. S. 83 West 10 vrs. Thence N. 1205 vrs. A rock mound for corner of Sur. 1716. Pt. P. Ridgway; Thence W. 749 vrs. Rock Mound another corner of same, fr. wh. a Black Walnut 7" brs. N. 20 E. 80 vrs.; Thence S. 151 vrs. a rock Md., N. E. cor. Sur. No. 1330, H. B. & W. T. Ry. Co., 1205 vrs. to a rock Md. in E. line of said Sur. No. 1330; Thence 749 vrs. E. to place of beginning. Said lands being the same lands transferred and conveyed by the Defendant, Thomas J. Martin, to the Defendant, Pressley Graham, by Deed, dated October 3rd, 1916, recorded in Vol. page, Deed Records of Kerr County, Texas, and being the lands now occupied by the Defendant, Pressley Graham. And on the 2nd day of May, A. D. 1922, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the courthouse door of said county, I will offer and sell at public auction, for cash, all the right, title and interest of the said Pressley Graham in and to said property.

Dated at Kerrville, Texas, this 22nd day of March, A. D. 1922. J. T. MOORE, Sheriff of Kerr County, Texas. (Advertisement 15-3tc)

Miss Marjorie Goodrum and Miss Helen Fort of San Antonio, who have been visiting at Mr. and Mrs. R. C. Sauer's, returned home Thursday of last week.

News has been received of the death in New York Tuesday of Mrs. John A. Morris, who, with her husband, were the original owners and builders of Morris Ranch.

Good music and fine floor for dancing will be found Tuesday night at Lake Side Park, when the American Legion Auxiliary gives its first dance of the season. Be there and enjoy yourself. (Advertisement 17-tc).

F. H. Hull, assistant manager of the Ford plant at Houston, was in Kerrville Friday of last week, visiting Lee Mason & Son, local Ford agents. Mr. Hull was very much pleased with Kerrville and the Hill Country and thinks that he will come and spend part of the summer here.

Mr. and Mrs. Raymond Allen of the Allen Ranch near Junction arrived Monday for a short visit with Dr. and Mrs. W. P. Dickey. Mr. Allen returned home Tuesday, Mrs. Allen remaining for a visit with Miss Margaret Thorburn at the St. Charles Hotel.

Chas. Wesch has been at home the past week. He finished in bookkeeping at the Alamo Business College, San Antonio, and made the quickest time of any other student so far. The best record heretofore of completing the bookkeeping instruction has been thirty-five days, and Charles made it in thirty-three days. This is very creditable, and is also an honor to Kerrville to have a young man who can make such a high record.

Mrs. J. L. Allen and daughter, Beth, left last Friday for Lytle, Texas.

A. W. Buswell of Rocksprings was transacting business here Tuesday.

Mrs. L. M. DeMasters left Wednesday for a visit with friends in Menard.

Just arrived at Mrs. A. Schofner's, lots of pretty Spring Frocks for Ladies and Girls. (Advertisement).

Mr. and Mrs. Geo. P. Walker of Center Point were Kerrville visitors Wednesday afternoon.

Mr. and Mrs. J. D. Gwin of Lexington, Miss., arrived Tuesday for a visit at the St. Charles Hotel.

Samuel Ford Crecelius of San Antonio spent last Sunday here with his daughter, Miss Eleanor, at Thompson's Sanatorium.

NOTICE—My office will be open for business Monday morning, April 17th. Dr. G. A. McJimsey. (Advertisement 17-tc).

Mrs. A. M. Yattaw and baby, who have been visiting Mr. and Mrs. E. W. Schmidt, left Thursday of this week for their home in Beville.

A complete stock of foot-gear for men, women and children, embracing quality and style, at Chas. Schreiner Co's. (Advertisement 16-tfc).

Miss Hildegard Kramer of San Antonio was the guest of Mrs. William Reed last Sunday. Miss Kramer was for many years a nurse at the Secor Hospital.

The present location of the Kerrville Hat Works is opposite the residence of Walter Peterson, near the Tivy High School. (Advertisement 16-2tc).

W. J. Storts of New York City was a business visitor here Thursday of last week. Mr. Storts represents a hat manufacturing concern, and has been coming to Kerrville many years.

Herbert L. Crate will occupy the pulpit at the Presbyterian Church next Sunday morning, when he will speak on "Rattlesnakes and Hospitals." The congregational singing will be led by the young ladies of the Scofield School.

The dance to be given Tuesday night at Lake Side Park will be a most enjoyable occasion, so don't fail to be there. It is the first formal dance of the season, and is given by the American Legion Auxiliary. (Advertisement 17-tc).

"Kid" Party at Scofield's

The Scofield girls had a "kid" party last Saturday night; everyone made a very nice little girl, and we didn't know Mrs. Pass was so young. Mrs. Howard, Miss McFadden and Miss Lipscomb are also fine French nurses and know the job of making "infants" behave to a nicety.

Sandwiches, cake and chocolate were served to the following: Misses Stapp, Henry, Draper, Whitworth, Kingsbury, Arnold, Wallick, Durham, Spier, Brashear, Striegler, Clapp, Wilson, Elizabeth Scofield, and Mrs. Howard, Miss Lipscomb, Mrs. Pass, Miss McFadden and Miss Scofield.

REPORTER.

Mrs. Ally Beitel entertained five tables at bridge on Friday afternoon of last week. The prize for high score, silk hose, was won by Mrs. Joseph Wickes, and Mrs. Charles Swearingen received the consolation, a collar and cuff set.

Martin J. Wilson left Friday of last week for the Johns Hopkins Sanatorium in Baltimore. He was accompanied by his brother, J. Cook Wilson, of Beaumont. They will stop for a two days' visit with another brother, J. M. Wilson, in Meridian, Miss., en route to Baltimore.

Dr. W. P. Dickey, accompanied by Mrs. Dickey, left Monday for Corpus Christi for a visit with his brother, Dr. B. I. Dickey, and to attend the meeting of the West Texas Presbytery. They will remain away for some time, as a three months' leave of absence has been granted Dr. Dickey in order that he may entirely regain his health.

Mrs. A. C. Schreiner complimented Mrs. G. D. Crabbs of Cincinnati Monday afternoon at a delightful tea, to which about fifty friends were invited to meet this talented visitor to our city. The features of entertaining for the occasion were a number of readings given by the honoree and several beautiful vocal selections by Mrs. Scott Schreiner. Refreshments were served in the dining room. Mrs. Robt. Schmerbeck poured coffee.

Mrs. W. D. Burney of Center Point and her son, Capt. Joel Burney, were in Kerrville Wednesday afternoon on a visit to Judge R. H. Burney and his daughter. Captain Burney has recently returned from Germany, where he was with the United States Army of Occupation on the Rhine. He has a three months furlough, so will visit with his relatives in this section during that time. Captain Burney made an enviable record in the late World War, and also held positions of trust and honor with the Army of Occupation. He is a Kerr County boy, so our people are proud of him.

BOY CARRIED 200 YARDS THROUGH AIR BY TWISTER IS LODGED IN HAYSTACK UNHURT

Baird, Tex., April 10.—Sucked up in the vortex of a Texas cyclone, battered and bruised by bits of flying debris while hurled through the air, and then dropped into a haystack 200 yards away, little Johnnie Lofton was alive and well today.

Hours after the "twister" had demolished the Lofton home in lower Callahan County Saturday, Johnnie, a boy of 8, was found sleeping in the deserted home of a neighbor, a mile from where his home had stood.

His father, J. R. Lofton, and mother were injured when the cyclone struck. His little baby sister was killed.

The father, with neighbors began a frantic search for his missing son

yesterday. A mile of wreck strewn territory was covered. Finally the father went into the house of Frank G. Russell to telephone for more help.

From a bed in the room a sleepy child's voice came:

"Is that you, papa?"—and a moment after the boy, in mud soiled clothes, torn and tattered by the cyclone, came from beneath the covers.

"First thing I knew, papa," said Johnnie in telling his story, "something lifted me up in the air and I flew like a bird."

"It was all black except when the lightning glared, and things kept hitting me. All of a sudden I hit something soft and it jarrred me so I thought I was dead, but a stone hit me smack in the nose and I woke up. I was in the haystack and I wandered here and to bed."

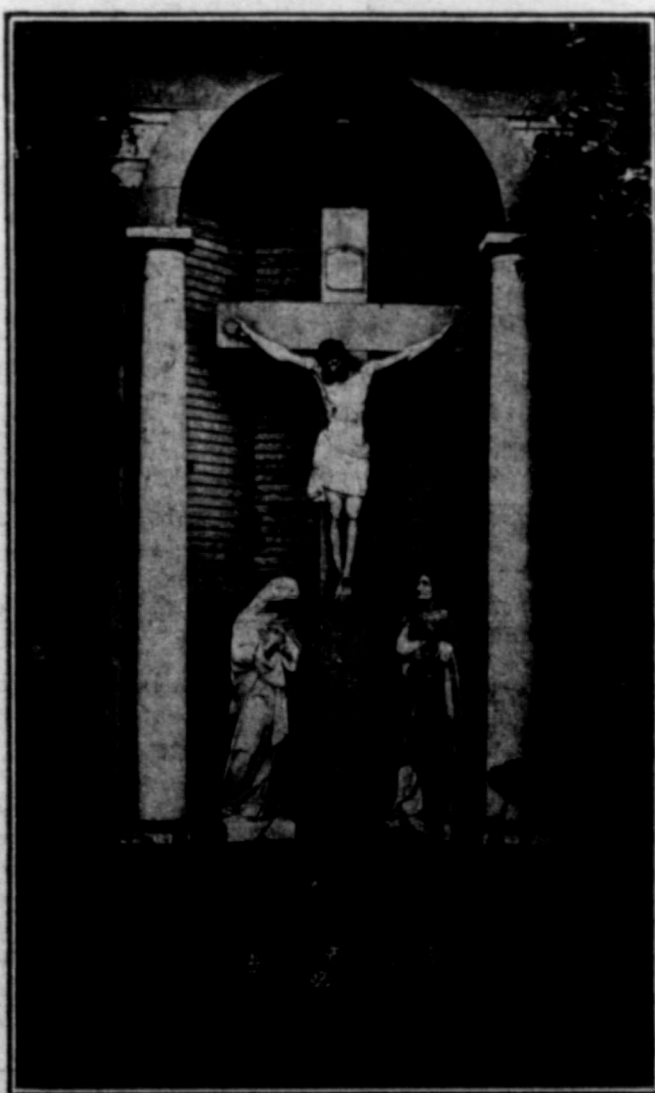

OUR FRESH MEATS

are a picture to the eye and a delight to the palate. Their very looks create an appetite which the meats themselves satisfy most delightfully. Once tried their superiority to ordinary meats is at once apparent. And the beauty of it is the extra quality doesn't mean extra expense.

Rev. R. C. Walker and wife of Hunt were in Kerrville last Friday, and also attended the services at the Baptist Church Sunday night.

A large stock of the season's best fabrics and colors is now on our shelves for your selection. Chas. Schreiner Co. (Advertisement 16-tfc).

Herman Saenger has returned from Stuttgart, Ark., where he had been on a visit to his brother, Robert Jr., who lives there. Herman reports a pleasant trip.

Mr. and Mrs. Harry Roddy left Monday for San Antonio, where they will reside. Mr. Roddy had been employed as a plasterer at the American Legion Memorial Sanatorium.

Mr. and Mrs. S. A. Allen, who have been in Kerrville for some time, left Monday for San Antonio. Mr. Allen is a plasterer and had been working at the American Legion Memorial Sanatorium.

NOTICE—A. B. Braden is associated with me in operation of the Model Tailoring Company, and is authorized to attend to any business connected with our work. A. M. BENSON. (Advertisement 16-2tc).

S. Friedman has let the contract for a modern cottage on his property near the school house. Work has already started and when completed the building will add materially to that fast growing section of the city.

The Road Commission has bought a five-ton caterpillar tractor for use on the North Fork and other roads being improved under their direction. This powerful piece of machinery will work anywhere and will prove a good investment.

E. H. Leinweber of the Divide was a pleasant caller at The Sun office Monday. He says that they had more rain than we did here, but could use still more. Mr. Leinweber does not believe that wheat and oats will do so very well in his section, nor between there and here.

FOULR—Sky High in quality, low in price. If you want the best, ask for Sky High and Perfection for light bread. Ribbed Cane Syrup, Country Bacon and Lard, Seed Potatoes, and two big shipments of New Army Goods. Burnett's Cash Store. (Advertisement 17-1tc).

One of the most peculiar hen eggs we have ever seen was brought to The Sun office Tuesday by W. R. Nichols, who lives five miles above Kerrville on Goat Creek. There was a hard-shell egg surrounded by a soft-shell egg, the combined eggs measuring 6x9 inches. Both eggs were perfect in shape and a watery substance was between the two.

We note that "Shame," the great Fox Special which was shown here at the Dixie March 18th, is booked for all this week at the Rialto, San Antonio's newest and best show house. Manager Brice's efforts to furnish his patrons with the very best productions the screen affords meet with warm appreciation by a constantly increasing patronage at the Dixie.

The Macdougall Literary Society held one of the most interesting sessions of the whole term this week. The subject was "The Value of a Revival to a Community." Ruben Clapp, in the absence of Robert Rees, took the affirmative and Marshall Leazar the negative. Quite a lively discussion followed, in which Bruce Magee, Sidney Wheelless, Francis Melear and others took part. The president of the School Board paid the society a visit and spoke helpfully to the boys. His talk was much applauded. Professor Jordan also spoke in an interesting manner. At the last meeting one-minute speeches were the order of the day and most of the members took part. Next week a resume of the lecture by Herbert Crane on "Sex Hygiene" will be the topic.

Mrs. Charles Swearingen of Louisville, Ky., who has been visiting her sister, Mrs. A. C. Schreiner Jr., left Wednesday for San Antonio for a visit with Mrs. Charles Schreiner, before returning to her home.

If you suffer from biliousness, constipation, headache, nervousness, sal-low complexion, loss of appetite, bad taste in mouth, Tanlac and Tanlac Vegetable Pills will certainly straighten you out. Rock Drug Store. (Advertisement 17-1tc).

Harry Roddy, S. A. Allen, C. E. Salter and Irvin Kirkpatrick enjoyed a fishing trip near Sherman's Mill last Saturday afternoon and night, and caught a nice lot of fish, including a 41-pound catfish, which was given to the American Legion Memorial Sanatorium so that the ex-service men might all enjoy a treat of fresh fish. While out the party were guests at the Riverside Inn.

Miss E. Fletcher, editor of the Uvalde Leader-News, was a pleasant caller at The Sun office Thursday of last week. Miss Fletcher had been spending a week at Bandera and came over here for a day. She had formerly visited the Presbyterian Encampment, but did not then come up town. She stated that Kerrville is a pretty and substantial looking business place. Miss Fletcher is an experienced and capable newspaper woman.

I desire to thank the public for its patronage for my Buick Passenger Service and freight trucks. I have added another Liberty truck, which gives me sufficient facilities to handle 20,000 pounds per day, if necessary. The big bus will be used mostly for express service, and when passenger patronage is crowded can be used for that, in addition to the double daily Buick trips. I intend to keep my equipment up to the demand and will give prompt service at reasonable rates. J. G. AYALA. (Advertisement)

"True Service Is the Constant Desire and Effort to Render Every Man His Due"—JUSTINIAN

You like to trade at a store where you are so well treated that you'll want to repeat your visits.

At our store an effort is always made to render this sort of service.

In fact, we believe that a drug store's right to exist depends upon how well it performs its function of promoting public health and safety.

We welcome your trade and this appreciation finds expression in a constant endeavor to make you feel at home and to furnish you with the best possible goods at the most reasonable prices.

So—we solicit your business on the basis of superior service.

WOMAN KILLED, SOLDIERS HURT, IN AUTO CRASH

Berne, Tex., April 9.—Mrs. Carlos Vargas, Mexican woman, 55 years of age, was instantly killed at 9:30 o'clock here last night, when a Ford truck, occupied by three soldiers from Camp Stanley, crashed into a buggy in which she and her husband were riding. The husband and two of the soldiers were taken to the hospital seriously injured.

According to reports, the soldiers had been in Boerne since 6 o'clock in the evening and were on their way to Camp Stanley at the time of the accident. The truck was traveling at a high rate of speed and turned over several times after striking the buggy.

To determine the heat of the volcano, the quantity of steam underneath, the mineral constituents and the solution of other questions, extensive drillings into the active volcano of Kilaua, in Hawaii, will be undertaken soon.

Junction Jots

Eagle, April 7: Roy Kemp was up here Wednesday. The mail failed to come from Kerrville Tuesday. When there's trouble to overcome and a hard drive to make, Roy takes his driver's place and "puts it over."

The First National Bank recently had the head of the big J. L. Wright steer mounted by B. O. Newby, local taxidermist, and have the head hanging on the wall of their banking house. The steer was slaughtered several weeks ago by the local market. It weighed over 2,200 pounds and dressed 1,262, and was doubtless the largest steer ever sold to meat market customers in Kimble County. The mounting done by Mr. Newby is a very excellent piece of work, and the already attractive interior of the

First National Bank is enhanced by this attractive addition.

Monday morning, another heavy rain fell over this and surrounding counties, going as far south as San Antonio and north into Concho. Mason got about the same that fell here, and Rocksprings a little less.

The heaviest rainfall reported near here was between here and Menard, where more than three inches fell during the day, and about the same amount in the vicinity of the 700 Springs on South Llano. Bear Creek and the North Llano had big rises, and by 4 or 5 o'clock Monday afternoon the North Llano at Junction was up some 10 or 12 feet.

J. A. Peril, County Commissioner of the precinct in Kerr County in which that section of highway now under construction is located, was in Junction Friday of last week. Mr. Peril reports the work on the road progressing very satisfactorily. There are three different crews, or sub-contractors working at three places between the line and Mountain Home. Some six or eight miles of road work is now going on. About two miles, beginning at the county line, have been gravelled and most of the concrete slabs, along the section being handled by the three crews, have completed. Good gravel is being procured in two or three places at short distances from where it is used on the road.

Drilling on the Russell well, about twenty-two miles northwest of Junction, and about the same distance from Menard, will shortly be resumed and those in charge say the well will go down without further interruption or delay. This well was supped in July, 1919, and was drilled to a depth of around 1,100 feet. Wm. Shaffer, now making his headquarters in Menard, is in charge of the well, and has just completed arrangements for financing the test well, which will be drilled 3,500 feet, if necessary. Mr. Shaffer has recently secured a lease on about 30,000 acres of land adjacent to the tract on which the test well is located. A condition of the leases is that drilling must be started within six months, or 50 cents an acre must be paid for the leases. If the conditions of the leases are not complied with as to time for drilling and completing the test, land owners will not receive anything for the leases, the object being to "pool" the land in order to secure a test well. A standard rig and all necessary tools are on the ground, and the management expects to be drilling within three weeks, as they are only waiting on a supply of casing. A small showing of oil was found in this well around 700 feet in 1919 and those interested state that indications are favorable for oil in paying quantities. This well is on a line from the Ranger and Breckenridge fields through the new field in the south end of Coleman County, which might add a little interest to the speculation that oil can be found at this location.

CYCLONE AND HEAVY RAIN CAUSE DEATH AND DISASTER

A cyclone hit Rowena, Texas, about 1 o'clock last Saturday morning and killed several; preceded to Cisco, where one was killed, and also hit Ranger and Electra, killing one there. The twister next hit Lawton, Okla., and killed two, while along the route great damage was done to property. The storm was accompanied by a heavy rain and in some places hail. The rivers and creeks were already high and this last rain with the high wind, caused an overflow at many places which did much damage to property. Streams in Kansas have since overflowed and hundreds of families had to move out.

TWIN CATS OF SIAMESE TYPE BORN TO TABBY

San Antonio, Tex., April 7.—Deputy Sheriff Al Subira has unearthed the latest in Siamese twins. The set consists of kittens born to a tabby near here.

They died at the age of one day. They are something new in twins. There was one head, one heart, and the other organs are for two. There are two perfectly developed bodies with four legs each and a tail for each.

Kellogg's Corn Flakes are a taste-thrill at meals or any time

That's because Kellogg's Corn Flakes are so deliciously flavored—the Kellogg flavor that is known all over the civilized world! You, as well as the little folks, can eat great bowlfuls of Kellogg's Corn Flakes day after day—and each sunny-brown, crispy, crunchy spoonful thrills the taste as though it was the first!

Put Kellogg's in comparison with imitation corn flakes! Kellogg's Corn Flakes are never tough or leathery or hard to eat! They are all-the-time crisp, all-the-time good! Don't miss such enjoyment!

Insist upon Kellogg's in the RED and GREEN package that bears the signature of W. K. Kellogg, originator of Corn Flakes! NONE ARE GENUINE WITHOUT IT!

Don't forget, KELLOGG'S Corn Flakes are made by the folks who gave you the JUNGLELAND Moving Pictures. Coupon inside every package of KELLOGG'S Corn Flakes explains how you can obtain another copy of JUNGLELAND.

FORMAL OPENING OF LAKE SIDE PARK NEXT TUESDAY, APRIL 18

Lake Side Park, with its attractions of dancing, bathing, picnicking and refreshments, will be formally and officially open to the general public, Tuesday, April 18th. The opening dance will be under the auspices of the American Legion Auxiliary. The dance hall is one of the best and largest in this part of the country.

After the opening dance the management will have one dance a week, with good music every Saturday night, until June 1st, and after that two dances a week on Wednesday and Saturday. All dances will be properly chaperoned.

The remaining nights and evenings of the week the hall will be open for public or private dances, open air card parties, etc., at a reasonable rental. Phone manager for prices. Phone 75.

There will be no gate charges, only when extra attractions are added.

Picnic grounds and bathing beach have been remodeled and equipped with new attractions.

Bathing Prices

Bath suit, towel, room and shower, 25c; room and shower, 10c; towels, 5c; stockings, 10c; caps and water wings for sale.

All picnic parties are invited to use the picnic grounds free, where benches and tables have been provided.

Refreshments will be found at all times at popular prices at the refreshment stand.

Come and see what has been done at Lake Side and help us to make it a place of enjoyment. Our aim is to serve and satisfy all who come to Lake Side Park. (Advertisement).

EVIDENCE OF DUPLICATION OF MILLIONS OF DOLLARS IN GOVERNMENT BONDS

(Continued From First Page)

more buried treasure, Secret Service operatives will extend the scope of the bureau investigation to include an outside search for money contraband.

Government Stands Loss

Holders of Government bonds need have no fear of losing anything because of the alleged duplication. Officials of the Treasury made this plain by pointing out that the Government will have to redeem all bonds issued, since there is no method of differentiating between those which were lawfully issued and others which have been authorized duplications.

A new angle of the investigation developed today which involves the Post Office Department. Alleged irregularities in the distribution of stamps were found which will result in augmenting the forces of investigators at work on the scandal by bringing in agents of the Post Office Department. Millions of dollars worth of stamps are kept on hand at the bureau, subject to requisition by the Postmaster General. These requisitions are not checked up by the Treasury Department.

Entirely aside from the alleged criminal aspects of the bureau scandal, high officials see in it the best endorsement of the Administration's determination to take Government executive positions out of the Civil Service.

Retention of executive heads of Government bureaus under changing Administrations is responsible for obstructive tactics resulting in gross inefficiency such as has been revealed in the Bureau of Engraving, it is claimed.

REPRESENTATIVE SMITH TO TEST REDISTRICTING

Austin, Tex., April 11.—A test of the Representative Redistricting bill is to be made by Representative John T. Smith of Travis County. The Supreme Court will be called upon to decide whether the new act was invalidated by the omission of Swisher County from its provision, that county not being placed in any district.

It is Mr. Smith's intention to file his name for re-election with the county chairman under the new law, and because of the latter's status the chairman is expected to refuse to accept the application. Then Mr. Smith will apply to the Supreme Court for a writ of mandamus to compel its acceptance. In that way, it is hoped to have the test made before the court adjourns in June and, therefore, in time to have the valid law designated before the primary elections in July.

The court will say which law governs, the old or the new, and candidates will be elected accordingly. The new law creates the maximum number of Representative districts, 150, while the old law calls for but 142.

Representative Lee Satterwhite was to test out the question, but decided not to incur the expense of the litigation.
