## WOMEN'S CLUB MEETS TUESDAY EVENING WITH 17 PRESENT

Hagerman Men's club met under the auspices of the Methodist church Tuesday evening with 17 members present, the small attendance accounted for by the fact that several men were out of town on business engagements.

## TEACHES SPEECH HERE

Miss Elizabeth Sutter, speech teacher will have classes at Hagerman on Tuesdays. Miss Sutter has a Bachelor of Science degree from Northwestern University, Chicago.

## RESPECTIVE RUSSIAN LOAN

NEW YORK—Prospects of a loan by the Reconstruction Finance Corporation to spur purchases of American goods and interest Saturday.

## RAVENS BOTHER CROPS

Complaints have been made by farmers, especially in the Hagerman community that ravens are eating the feed crop. The city extension agents have advised poisoning the birds, which is done in such a manner as to injure livestock.

## WHEAT APPLICATION DEADLINE IS SET FOR SEPTEMBER 25

September 25 has been pronounced for the signing of applications under the wheat allotment act, and all wheat contracts must be in Washington by December 1, according to C. W. Watson, Director of the Extension Service.

Farmers are now signing applications for wheat contracts in wheat growing states. On September 1, more than 20,000 applications had already been tabulated at state headquarters, with thousands more coming in.

George E. Farrell, in charge of extension work in the central states, has been appointed Assistant Chief of the Wheat Section Agricultural Adjustment Administration. M. L. Wilson, in charge of the wheat section, has been requested by President Roosevelt to organize the work on the substance homestead program which is part of the federal relief plan.

## HE STUDIES PRICES

Dexter Keezer, newspaper man and economist, of Brooklandville, Md., new executive director of the consumer advisory board, at his desk at the NRA headquarters. His chief duty is the study of price rises.

## State Tax Rate To Be Six Mills

SANTA FE—New Mexico's tax rate for '33 will be 6 mills or a half higher this year than last, Byron O. Beall chief tax commissioner, announced Tuesday.

A shrinkage in tax valuations in the state amounting to \$28,000,000 was blamed by the commissioner and Gov. Arthur Seligman for the half mill hike in the levy.

The tax rolls, Beall said, will show \$283,000,000 in taxable property. There will be but little change, if any in this figure when all taxable property is on the rolls.

The increase, he said, was necessary despite a decrease of \$249,605 in legislative appropriations. The shrinkage in valuation, he pointed out, also would mean a decrease in anticipated income.

## ASK FOR CURRENCY EXPANSION NEXT

A formal request for currency expansion was directed at President Roosevelt Tuesday by cotton state spokesmen.

Drafted at a gathering of members of congress and business men from nine southern states, the petition urged the issuance of an unnamed amount of greenbacks under the inflationary powers granted the president by congress.

## 154 BALES GINNED

The Farmers Co-operative Gin Company has ginned 91 bales of cotton and the Akin Gin, 63. Cotton selling has slowed down on account of the market breaking low the last few days.

## ROSWELL SUICIDE

J. P. Binnion, age 54, Roswell resident shot and killed his wife Friday afternoon and then turned the gun on himself with a fatal shot above the temple, according to word from Roswell. Mrs. F. G. Duckett, a daughter was at the home of her parents and witnessed the tragedy. Two bullets entered the body of Mrs. Binnion just above the heart. Binnion had recently returned from San Saba, Texas, where he visited two sisters.

No motive was ascribed for the act of Binnion. About fifteen years ago he was struck in the head by lightning and had been in poor health since the incident.

## LAKE ARTHUR SCHOOL ENROLLMENT LARGE

Lake Arthur has also experienced one of the largest enrollments in the school there for several years. Supt. C. R. Bernard has announced the number of pupils enrolled will reach approximately 350. During the past four or five years the enrollment has increased each year, he stated.

Mrs. J. C. Hughes and Mildred Key attended to business matters in Roswell Tuesday afternoon.

Mr. and Mrs. Floyd Childress and small daughter, Elizabeth Ann, spent Sunday in Hagerman visiting Mrs. Childress' parents, Mr. and Mrs. J. E. Wimberly.

## C. C. C. CAMP WILL BE LOCATED NEAR MAYHILL IN NEAR FUTURE

Fifteen winter C. C. Camp sites in New Mexico have been approved by Robert Fechner, conservation camp superintendent, the regional forest office was advised at Albuquerque last week.

It is possible, Hugh Calkins, assistant forester said, the camps will not be located at all of the sites approved.

Work to be done in the winter camps will be similar to that in the summer camps except that more emphasis will be placed on erosion control and less on timber stand improvement.

Twenty-two camp sites for Arizona were also approved. Arizona had 21 summer camps and New Mexico 16.

Five of the sites recommended for New Mexico are those camps already occupied. They are Pueblo Park and Tularosa, near Reserve; Mimbres and Little Walnut, near Silver City; and Raton Ranch, near Lincoln.

New sites approved include one in Juan Tabo Canyon in the Sandias east of Sandia Pueblo.

Others are: High Rolls and La Luz, near Alamogordo; Glenwood and Alma, north of Silver City; Jornada, near Las Cruces; 76 Ranch, about 25 miles south of Magdalena; Polica and Peralto in the Jemez mountains; and Penasco, below Mayhill on the Penasco river.

## RETURNS TO CHINA

Robert J. Monical, son of Mr. and Mrs. M. Y. Monical, who has been on leave of absence here during the summer, left yesterday for San Francisco where he will embark for Tientsin, China.

Robert is in the employ of the Texas Company, and leaves for another four years in their work. While in the state he purchased a Dodge 8 coupe which will be shipped across.

Mrs. M. Y. Monical accompanied her son as far as El Paso where she will visit in the home of her daughter, Mrs. Roy Frey.

## GARNER MERCANTILE ROBBED SUNDAY NIGHT

Thieves pried open the lock on the front door of the Garner Mercantile Co., store Sunday night and took several dresses, some men's coats and other articles of clothing. No trace of the burglars has been found as yet.

## EAST SIDE COURT

The east side tennis court has recently been re-surfaced with caliche and is in fast playing condition. This court was built in order to help accommodate the increasing number of players in Hagerman.

## State and National Briefs of the News

### VET ALTERNATES APPOINTED

Additional alternate members of the special board of review for veterans' cases in New Mexico were named by Gen. Frank T. Hines, veterans administrator in Washington Monday.

They were: E. H. Shaffer, Albuquerque; Dr. LeRoy S. Peters, Santa Fe; Don Woodward, Raton; Henry B. Roeder, Albuquerque; Judge E. B. McClintock, El Paso; E. N. Boule, Albuquerque; H. G. Baca, Belen; T. M. Pepperday, Albuquerque and L. B. Doston, El Paso.

The board, five members and five alternates was appointed several weeks ago. After the appointments were made all those named except two were ruled to be disqualified because they were disabled veterans or were holding positions that would not permit them to serve.

### PERCHMOUTH APPEALS

District Judge Charles Clements Monday set Ed "Perchmout" Stanton's hearing for a new trial in connection with the slaying of Sheriff John C. Mosely for September 21 at Tulla, Texas. Stanton was convicted of murder for shooting the Swisher county officer the night of last January 22. He was sentenced to death.

### LAMSON FIGHTS

A fight has been begun by the attorney of David Lamson, 31 year old executive of the Stanford University Press in Southern California, who last week was convicted of first degree murder in connection with the death of his wife which occurred last spring. Lamson was sentenced to be hanged.

### EX-MAYOR HOT SPRINGS ARESTED FOR ROBBERY

Lea Smith, ex-mayor of Hot Springs, was arrested Sunday night in Lordsburg and charged with participation in the robbery of the Hot Springs National Bank in May 1932.

Smith made \$5,000 cash bond and denied and knowledge of the crime. He was arrested by Claude Hefferman, sheriff and Deputy Sheriff George Cox of Sterra county.

## THE SECOND HALF OF PLAYGROUND BALL IS NEARLY COMPLETED

The last game of the second half of the baseball schedule will be played by the Business Men and Lanes tomorrow night.

The Mill team defeated the high school in two games played last night without much effort. This makes them undisputed champions of the last half with never a loss chalked up against them.

The Little World Series will start Tuesday between the Legion team, first half champs and the Mill. The winning team will be entertained with a banquet given by the Mens club.

Tomorrow is the last opportunity to place your ballot in the box in the Bowen Barber Shop designating your choice of the ten men to make up an all-star team, and also to the man who is the most valuable player to his team. The man who wins this vote will be presented a trophy by the Mens club.

### FARM PRICES STILL TOO LOW

WASHINGTON, D. C.—Farmers apparently are getting more money out of increased retail food costs, but the agricultural adjustment administration Friday listed his average prices still below the desired parity with industry.

Dr. Fred C. Howe, consumer's counsel for the administration, reported a 47 per cent increase in farm prices between February 15 and August 15. His analysis said prices on things the farmer buys advanced 11 per cent in the same period.

Taking the 1909-14 period as 100, Howe said the increase put the August 15 index of farm prices at 72 as against 112 for what the farmer purchases.

From a study of 41 municipalities, Howe listed variations in retail prices paid for the same foods. He said consumers "might well ask their distributors why they must pay more than consumers pay elsewhere for these essentials."

### TENNIS HERE SUNDAY

Dick and Donald Blackmar, Dr. W. D. McPherson and Tode Breneman of Roswell are expected down Sunday afternoon for tennis matches with Wilfred McCormick and Ernie Bowen and Cliff Hearn and E. A. Jeffery. The matches will begin at 2:30 and will be free.

John Duke Garner was down from the Institute Sunday visiting his parents.

Mr. and Mrs. W. E. Bowen and Mrs. Johnnie Bowen are in the mountains for a short stay. They will return the latter part of this week.

**Local Option**  
For Sale of Liquor.....114  
Against Sale of Liquor.....199  
Chaves county voted nearly two to one for repeal and six to one for 20 mill limitation on taxes. Total votes for ratification of repeal were 2,261; against ratification of repeal, 1,394, and on the 20 mill limit, for amendment, 3,274 and against the amendment, 5,445. Local option carried 2,488-1,405.

The sale of beer is legalized in Chaves county October 16th and if the 18th amendment is repealed the sale of all alcoholic liquors will be allowed under the Lane liquor law.

**State Results**  
All amendments except the 3rd appear to have won in the state on the tabulation of 600 precincts out of 779, up to a late hour yesterday evening. The missing precincts are small and will have no bearing on the final results. The repeal measure continued to maintain its three to one margin and the 20 mill levy or amendment No. 4, its two to one lead.

The latest state tabulation results are:  
18th Amendment

### VAUGHN BANK ROBBERY

The search for two men who obtained an undetermined amount of currency in five, ten and twenty dollar bills from the Citizens State Bank early Tuesday night was temporarily halted Tuesday night when officers lost track of the trail between Vaughn and Duran.

The robbery occurred shortly after nine o'clock Tuesday morning when two men entered the bank as E. A. Huntsinger, cashier and J. V. Hunt, assistant, were getting ready for the day's business.

## NEW MEXICO MOTOR PATROL INCREASES THE STATE REVENUE

SANTA FE (Special) — New Mexico's new highway patrol, composed of ten members, is making the highways unsafe for the violator of laws pertaining to motor traffic.

During the first three weeks the patrol operated, it issued warnings to nearly 2,500 motorists who were violating various of the laws, and made 99 arrests.

Much misinformation has been spread by the proponents of the 20 mill limitation concerning the patrol. They have claimed there are 20 members, whereas there are ten. They have claimed their duties are to see that motorists have tail lights.

That is one of their duties, since many accidents have occurred because some thoughtless motorist was driving without a tail light, but the real purpose of the patrol is to enforce the laws governing motor common carriers, to enforce the gasoline tax law to prevent bootlegging of gasoline and to enforce the license plate law.

During the first three weeks of operation, on which accurate figures are available, the patrol was responsible for collection of \$1,800 in license fees, \$316 in fines, \$1,200 in motor bus and truck permits and \$162 in gasoline taxes. They were directly responsible for these amounts and were indirectly responsible for considerable more, since the corporation commission which is charged with enforcing the motor truck and bus laws, gives the patrol credit for doubling their business, and the other departments report considerable increase in business.

## It's The Old Story

### SPEAK HERE ON TAX

Dan Wilmot and J. F. Hinkle of Roswell addressed the crowd at the ball park Monday night urging them to vote for the 20 mill limit, or amendment No. 4.

At least two hundred people heard the talks. Dan Wilmot is manager of the Mabie Lowrey Hardware Co., of Roswell and has studied the tax proposition in the state and county for many years. He is an excellent speaker.

### J. L. KINGS IN WRECK

Mrs. J. L. King was cut about the face and painfully injured about ten o'clock last night when the King automobile collided with that of the Rodeo promoter, Texas Slim, near the Ernest Langenegger place on the highway.

Both cars were considerably damaged, but no one else was hurt.

### IDAHO FOR REPEAL

BOISE, Idaho—With one of the leading prohibitionists already conceding defeat, Idaho took her place Tuesday night in the columns of states demanding repeal of the eighteenth amendment.

Votes from 586 of the 819 precincts gave 50,643 for repeal to 37,743 against repeal. Forty-three counties of the 44 in the state had reported by 9:30 p. m., and of these 32 gave majorities for repeal, compared with 11 against.

### COUPLE 72-17 MARRY

James McNear, age 72, and Felipe Pantoya, age 17, were married at Roswell Saturday morning. The groom is from Roswell and the bride from Lake Arthur.

Mr. and Mrs. Curtis Baker of Artesia visited the J. L. Bowen home Friday afternoon.

CONTRACTS ARE LET FOR SIX HIGHWAY PROJECTS SATURDAY

Contracts totaling \$923,633 were awarded Saturday by the state highway commission at Santa Fe—one of them, for project 157—subject to the approval of the bureau of public roads.

This is the second letting under the national recovery highway program, for which New Mexico has been allotted nearly six million dollars. At the first, the contracts amounted to approximately a half million dollars.

The awards follow: 63-A and E—11.78 miles from Clovis north, construction; Heafey-Moore Co., \$145,686.62.

113-B—7.52 miles between Grants and Horace, construction; Everly and Allison, \$189,815.22.

155-C and E—18.46 miles between Colmor and Wagon Mound, crushed base course surfacing; Skousen Bros., \$80,382.05.

157-A—8.87 miles between Clayton and Texline, construction; Avery and Allison, \$63,768.79.

157-E—3.45 miles, from Clayton west, construction; Everly and Allison, \$40,568.92.

165-A—10.88 miles between Alamogordo and Tularosa, oil processing; Lee Moor Contracting Co., \$64,695.65.

167-D—9.79 miles from San Antonio south, grading and drainage structures; Dudley Stone Products Co., \$85,703.23.

QUOTA RAISED ON PIGS BY CORN-HOG SECTION

In order to allow further purchases of pigs where farmers are forced to sell on account of extreme shortage of feed, or where processing facilities have limited sales, the corn and hog section of the agricultural adjustment administration has raised the original quota of four million pigs purchasable under the emergency marketing plan, according to C. B. Smith, assistant director of extension, Washington, D. C.

In order to make these increased purchases, authorized processors must obtain from the corn-hog section at Washington, the additional quota permitted each one. This must be done before they will be allowed to purchase more than the first quota assigned to them. The same price schedule prevails, also the same condition, that permits to original owner to ship pigs must accompany each shipment. September 29 is the final date for accepting pigs under the emergency plan.

Additional quotas have already been furnished processors at the following points: South St. Paul, Sioux City, Sioux Falls, Mitchell, Watertown, Huron, Fargo, Oklahoma City, East St. Louis, Chicago, Omaha, Kansas City, Wichita, Muncie, Terre Haute, Buffalo, Cleveland, Houston, Baltimore, Ft. Worth, Augusta, Georgia, Newark, Chattanooga, Arkansas City, Kansas, Lewiston, Idaho.

HEALTH COLUMN

Conducted by Dr. J. R. Earp, Director, New Mexico Bureau of Public Health.

SECRET SICKNESS

When the liquor traffic was made illegal and driven into hiding it became a far greater menace. So it is with disease. Under the cloak of secrecy, infection spreads from person to person and its ravages invade the stricken individual unchecked by medical care. In countries where it is still almost a crime to have tuberculosis the attack rate remains high and the death rate is appalling. In this country we have learned to treat the consumptive with sympathy and hope and the disease is being rapidly brought under control.

But the venereal disease, syphilis and gonorrhea, still flourish in the dark. If they could be fought in the open they would be beaten more rapidly than tuberculosis for our methods both of prevention and cure are more successful in these diseases.

The New Mexico Social Hygiene Association exists to promote a social environment in which secret disease cannot find a place. Wholesome family life built on a foundation of sound ideals and accurate knowledge is the best insurance against the very prevalent and dangerous diseases of sex. For particulars of the New Mexico Social Hygiene Association address the secretary, Mr. Donald MacKay, Department of Education, the Capitol, Santa Fe.

The association desires your aid at the present time so that it may have a part in the projected health survey of New Mexico. It would be a tragedy if the most important of the hidden diseases in this state should remain in hiding while the survey is being made.

You may find old Jim almost any day lounging around the "Days of '49," wild west mining camp at a Century of Progress—the Chicago World's Fair. There are many bewhiskered old veterans at the '49 camp, but Jim's growth is the most luxuriant of all. He wears a broad brimmed felt hat in the best tradition of the west, and a red flannel shirt. Modifications to the proration agreement for the Hobbs pool are to be considered at a meeting of the general and executive committees of the operators to be held at La Fonda September 27, State Geologist E. H. Wells said this week in Santa Fe.

One of the subjects to be discussed, he said, is whether it would be advisable to change the percentage of potential production and the acreage on which the output of each of the wells is now based. The present ratio is 75 per cent of the potential and 25 per cent according to acreage.

The question of the acid test treatment of wells also is expected to come up.

PLANES-LINERS TO CUT TIME OVERSEA

Dublin.—The plan to bring New York within three and one-half days of Europe by a combined air-line-steamship service was brought a step nearer completion with the filing of the prospectus of the Irish Trans-Atlantic Corporation, Ltd.

The idea back of the scheme is to build a mammoth dock and air field at Galway, Ireland. Passengers landing there from oceangoing liners could transfer to air liners making connections with the principal capitals in Europe.

In the prospectus Sir John Purser Griffith, whose firm is acting as consulting engineers, states a profitable business concern should be built up if the harbor scheme is wisely developed.

"The capital outlay necessary for all harbor works, jetties, shed and buildings for the first stages of the development would be \$10,000," he says in the prospectus. "The estimated outgoings are 7 per cent on \$10,000,000 or \$700,000 a year or \$13,400 a week.

"If the service between Halifax or New York and Galway was carried on by the same vessels as run between Southampton and New York, with two sailings per week; and if the Southampton statutory rate of \$330 a ton was charged on 50 per cent of the gross registered tonnage the weekly receipts would amount to \$13,850.

"The above figures show that the port dues from two Atlantic liners per week would be sufficient to cover all the estimated outgoings.

"The reduced distance of the sea voyage from Halifax to Galway will enable one liner to make a complete outward and homeward journey in two weeks, instead of three weeks as at present between New York and Southampton. This would reduce the number of liners in commission."

Turkey to Admit Women to Diplomatic Corps

Istanbul.—Turkey intends to admit women to the diplomatic service very soon.

From long before the war one of the most backward nations in the world so far as the treatment of women was concerned, Turkey is becoming, under Mustapha Kemal, its soldier ruler, a land of real emancipation.

Girls who were born in the harem are now training for posts in the mercantile marine.

Next are to come the "attachettes" posted to the leading embassies and legations of the world.

Washington, London and Stockholm are among the capitals to which woman diplomats would be sent.

Paris and Rome, owing to the lack of political significance of women in those countries, would be excluded.

Examinations for these diplomatic posts will at first be confined to girls who have male friends serving Turkey abroad.

A bill to admit women to the service will be put before the Turkish national assembly, and it is expected to be passed with little opposition.

Army's Only Woman Going to Philippines

Washington.—The only woman listed officially as a regular member of the United States army, Warrent Officer Olive L. Hoskins, is sailing to do another "bitch" in the Philippines.

It will be like going home for her, for it was there that she joined the army more than 25 years ago.

Miss Hoskins was so anxious to go to France during the war that she sent a note to Washington saying that an officer who went over as Pershing's chief clerk wanted her assistance. But it did no good.

Human experiments on sleeping sickness have been started in St. Louis.

Dr. W. T. Harrison, one of the St. Louis staff Sunday reported Surgeon General Hugh S. Cumming of the public health service that three of the scientists working in St. Louis had volunteered to make an attempt to settle the question of whether encephalitis is being spread by mosquitoes.

Mosquitoes which had bitten encephalitis patients were allowed to bite the three doctors who volunteered. It will require from ten to fourteen days to see whether or not the disease was transferred.

ATTENTION FOR TEXTILES

WASHINGTON, D. C.—Focusing attention on the textile industry, George N. Peek, agricultural adjustment administrator, Friday launched a new move to safeguard the farm recovery program from being jeopardized by unreasonable prices to the consumer.

"Our whole farm program is based on financing by the processing tax, placed in effect first for wheat and then for cotton farmers," said Mr. Peek. "I think the country should acknowledge the national service of those operators of cotton and flour mills who without complaint have shouldered burdens in order to help restore the buying power of farmers, thru the adjustment program, and of

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, making when it comes to making the bile flow freely.

What don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at drug stores. ©1931 C. M. Co.

Oil Output Drops

TULSA, Oklahoma—A big drop in Texas production cut the country's daily average crude oil output by a total of 232,215 barrels last week, says the Oil and Gas Journal.

The Texas figure was 986,467 barrels of 260,787 barrels less than during the week ending September 9. In East Texas alone the drop was 166,558 barrels, to 470,000 barrels.

Rocky Mountain production was 1,580 barrels higher to 82,240.

Total United States production was 2,482,386 barrels, as compared to 2,715,601 the previous week.

MAY RECOGNIZE RUSSIA

The United States it was reliably indicated last night will recognize the Soviet union before congress convenes in January.

Although such de jure recognition is an administrative act, President Roosevelt was represented by a consultant on foreign affairs, it was learned that he wished to dispose of this much controverted matter at a time when he was assured of action without any outcry from the possible anti-Soviet bloc in congress.

### SCOUT NEWS

The greatest expansion campaign ever undertaken in the Eastern New Mexico Area Council of the Boy Scouts of America is now in full swing. It is being conducted in connection with the ten year program of national council.

The campaign in the eastern New Mexico council began September 1 and will continue until December 31.

P. V. Thorson, area executive, has set the following goals to be attained by the end of the year:

Approximately 1,200 boys in the area reach the age of 12 years, (the earliest age that a boy may become a Scout) and last year 161 twelve year old boys joined Scouting. The goal for 1933 is that 200 twelve year old boys become Scouts.

At the end of 1932 there were 28 boys who had been in Scouting four years. The goal for 1933 is 50 four year Scouts.

### CARLSBAD MAN HURT

While driving a herd of horses on the highway north of Carlsbad, Leo Farrington was struck by a motor car Monday afternoon and seriously injured.

It was stated that Farrington was driving the horses to pasture when the accident occurred.

Farrington was driving his horses slowly up the highway when a passing motor car, driven by P. F. Kramer of Venita, Oklahoma frightened his horse, which suddenly jumped into the path of the car. Farrington's leg struck the handle of the car door and was almost severed from his body. His head also struck the car violently and he was knocked unconscious.

### STATE OPPOSES ROAD TO TEXAS LINE

New Mexico is protesting to the federal roads bureau against the expenditure of \$200,000 to build the road from Carlsbad Caverns junction southwest to the Texas line, said Governor Sehman Monday.

The bureau has been insisting on this project.

The state takes the position, said the governor, that the expenditure of such a large amount would deprive other parts of the state, especially the northern counties, of badly needed highway construction. The road from the junction to the Texas line is 21 miles long.

Mr. and Mrs. T. F. Nelson and daughter have returned from San Marcus, Texas where they have been visiting and looking after business for the past two weeks.

The ladies of the Methodist church served dinner Tuesday in the lobby of the Dexter hotel and cleared a nice little sum. They served an excellent plate lunch.

Friday night September 22nd the school faculty is having a tacky party in the auditorium of the Dexter school.

Monday morning the assembly program was splendid. Miss Harper, always a pleasing artist, gave some excellent violin numbers. Dr. Gerritt Verkuyle gave a splendid talk which was very enjoyable.

Mrs. R. C. Reid returned Monday afternoon from Portales, where she spent a very enjoyable week as the house guest of Mrs. Meyer. While in Portales, Mrs. Reid was given a number of society compliments.

Saturday evening Mrs. John G. Anderson entertained with a delightful six o'clock dinner honoring the nurses of District No. 5, comprising Chaves, Eddy and Lea counties. Before the dinner service, Dr. and Mrs. Hubbard showed the visiting nurses over the beautiful church gardens. Mrs. Kinny of Santa Fe, director of public health nursing for the state was the principal speaker at the program following the dinner service. There were eighteen visiting nurses who enjoyed this delightful compliment.
