I have had serofula until it made my life a burden. I was inexpressibly miserable, sick, weak, sleepless, and unhappy; deriring that the short time which seemed to have been allotted to me on this earth would hast $n$ to an end. I tried doctors' treatment and medicine, and travel, but none of these did any sood, for the scrofula gradaally grew worse. One physician, who I traveled far to see, and to whom I paid $\$ 150$, gave up the case as hopeless after three weeks of treatment, another as prominent physician tried hard to cure it, but were equally as un'successful. I then gave up all other medicines, and took only Sivift's Specific. Four bottlos of that medi ine cured $\mathrm{m}^{2}$, and for the past four year3 I have had as exceilent health and I am as free from disease as anybrdy living. Words are inadequate to to express my gratitude and favorable opinion of Swlft's Specific (S. S. S.)

For unexpl.ined reason, the mail is delayed 24 hours at the raiiroad after its arrrival. Mr. Ozanne cannot remedy the matter, as it would bring him in conflict with the P. O. authoities. The Department should perfect its contracts with the Railroad people, so that our m.il may reach us in at least a rensonabie time.
