### MAYFIELD WINS SENATORIAL NOMINATION BY OVER 59,000 MAJORITY

DAVIDSON HAS BIG LEAD FOR LIEUTENANT-GOVERNOR; TERRELL, MARRS, BLANTON AND FINLAY LEAD—BLAIR LEADS BAKER IN INCOMPLETE RETURNS.

Earle B. Mayfield won the Democratic nomination for U. S. Senator over James E. Ferguson in the run-off primary election last Saturday by over 59,000 majority, according to latest available returns compiled Monday night. The tabulated returns at that time accounted for 525,000 votes, and Mayfield's majority over Ferguson was given at 59,015. First report from over the state on the senatorial race was had here at about 9:00 o'clock Saturday night, when Mayfield was reported as having 75,000 votes to Ferguson's 50,000. Mayfield's lead grew as the returns continued coming in, until on Sunday he showed a lead of nearly 60,000. Monday's tabulations decreased his lead slightly.

T. W. Davidson's lead over Col. Billie Mayfield for Lieutenant-Governor was decisive from the start, and Monday had increased to 89,325. C. V. Terrell's lead over George C. Garrett for State Treasurer is 61,403.

Additional returns from the Saturday primary, tabulated Monday, indicate the nomination of S. M. N. Marrs for State Superintendent of Schools, Marrs having increased his lead over Ed R. Bentley to 14,781. In this report 525,000 votes had been counted, including returns from 217 counties, 64 of which were complete. Marrs' vote was 244,928 against 230,148 for Bentley.

The late count also shows that Ferguson carried Bell, his home county, by 20 votes, in complete returns. Previous reports had given Mayfield a lead of about 50 votes. Incomplete returns also gave Ferguson a lead of 206 votes in Bosque, Mayfield's home county.

Judge M. B. Blair has a lead of 2,348 over Judge J. K. Baker for Associate Justice of the Third Court of Civil Appeals at Austin in returns from twenty-eight counties, including eight complete. The totals are: Baker 34,189, Blair 36,537. Counties unreported are Comal, Crockett and Hamilton. This is the only race of importance left in doubt by returns from the primary Saturday as previously announced by the Texas Election Bureau.

For Congress, Thomas L. Blanton received 3,070 and Oscar Callaway 1,220.

James Finlay of Fife won the nomination for Representative of the 93rd District over A. R. Wilson of San Saba county by 531 votes. Finlay's majority in McCulloch was 1077; in Lampasas county, 72, making a total of 1149. Wilson had a majority of 618 in San Saba county. Lampasas county's vote is not known, but the following is the McCulloch and San Saba county vote:

McCulloch San Saba Lampasas  
Finlay . . . 1520 938 72 mjt'y  
Wilson . . . 443 1556

### LYRIC THEATRE RE-OPENS WITH "I AM THE LAW"

Probably no more striking or spectacular film could have been secured for the re-opening of the Lyric theatre on Friday night than "I Am the Law," adapted from that fascinating story of the northland written by James Oliver Curwood, and in which is depicted in graphic fashion the greatest man-hunt ever filmed.

Over the frozen wastes and snow-clad mountains of the North, across ice-bound rivers and along perilous ledges, through blinding blizzard and midnight darkness—brother tracking brother!

The one a murderer; the other the greatest man-hunter of the Northwest Royal Mounted, compelled by his creed to bring to reckoning the very man he had promised to protect.

And, in the back of each one's mind, the image of the girl they both loved.

This is but one of several elements that make "I Am the Law," the memorable picture that it is.

For this great production, the popular prices of 15c and 25c will be maintained by Mr. Levy. In fact, it is his purpose to continue these prices throughout, giving to theatre-goers the very highest class of pictures obtainable, and trusting to their appreciation and regular attendance to make the financial end of the undertaking a success.

Many great features are now being backed by Mr. Levy, and with the return of cool nights, the Lyric promises to become a most popular amusement resort.

### FOUR-LEGGED TURKEY IS CURIOSITY SEEN ON BRADY STREETS FIRST OF WEEK

A four-legged turkey was a curiosity exhibited on Brady streets Monday by Earl D. Williams of Mercury. The turkey was about three months old, and was normal, apparently in every respect, except that immediately behind its regular runners, were two other legs, apparently full size, but not used in navigating. The curiosity was hatched from a setting of eggs set on May 12th. The eggs were hatched out, and the little turkeys had been running about the yard some time before Mr. Williams noticed the four-legged specimen. One of the surplus legs was hung in a wire fence recently, and in its strenuous endeavors to get loose, the turkey injured the joint quite badly, causing a big knot to form, and turning the leg so that the claws now hang in reverse form.

Mr. Williams proposed to sell the curiosity to someone who could make use of it for exhibition purposes.

### BROWNWOOD PRESBYTERY TO MEET AT EAST SWEDEN NEXT TUESDAY AND WEDNESDAY

The Standard is requested to announce that the Brownwood Presbytery will meet at the East Sweden church the first Tuesday in September, being September 5th, and will continue in session over Wednesday. Two services will be held daily. At 10:00 o'clock Tuesday Rev. Davidson of Santa Anna, moderator of the Presbytery, will preach. The Presbytery will be held during the day, with preaching Tuesday and Wednesday nights at 8:00 o'clock, and also Wednesday morning at 11:00 o'clock. All are welcome to attend, and are cordially invited.

### BRADY SCHOOLS WILL BEGIN FALL TERM MONDAY, SEPTEMBER 11TH

### HIGH GRADE AND MEXICAN SCHOOLS WILL OPEN SIMULTANEOUSLY—FACULTY IS NOW COMPLETE—HIGH SCHOOL PUPILS TO ENROLL FRI. AND SAT.

Vacation days are nearly over! Beginning next Monday the teachers of Brown, Coleman, McCulloch and San Saba counties meet in their annual institute at Brownwood, to continue in session until the Friday following. On Monday, September 11th, the Brady schools will open for the Fall and Winter terms. The faculties for high school, grade school and the Mexican school are complete, and all three schools are scheduled to open simultaneously on Monday, the 11th. On next Friday and Saturday, high school pupils will be enrolled by Superintendent J. B. Smith at his office in the high school building between the hours of 9 and 11 a. m., and 3 and 5 p. m. This applies to the 8, 9, 10 and 11th grade pupils only. All grade pupils will be enrolled at the beginning of the school term.

The school board has been successful in contracting for complete faculties for all schools. Of the twenty-two teachers who will compose the faculty this year, ten taught in the local schools last year, and of these ten, a number have been teaching in Brady for several years past, all of which means a strong faculty, and one well-acquainted with the local situations and able to cope with all emergencies that may arise. With the completion of the new high school building during the coming year, there is every reason to look forward to making an even larger percent of the faculty permanent, as that is the surest way of building up a strong school.

The following is the probable assignment of teachers:

High School. J. B. Smith, superintendent. J. A. Fibbetts, principal; Mathematics. Hervey L. Hart, Science; Athletic Coach. Mrs. W. B. Anderson, History. Mrs. Mary Pence, Spanish.

A Superman. This happened at a conference of negro preachers. A visiting bishop was looking at the various examination papers, and came upon one marked 101 per cent.

"See here, Brother Jones," he asked the worthy who was conducting the test. "What does yo' base yo' answers on?" "One hundred per cent," advised the minister.

"But how does this man come to be marked 101 per cent?" "Oh, yo' see, suh," answered the negro, "he answered one question we didn't ask."—Judge.

### LEGION MEETING TO BE HELD THURSDAY NIGHT SAYS COMMANDER HOLTON

Post Commander J. A. Holton requests the attention of all members of Elijah F. Allin Post, American Legion, to the fact that the regular meeting will be held on Thursday night of this week, instead of Friday night, as announced last Friday. The meeting is to be a rousing get-together affair, and all members are summoned to be present. In addition to putting over some very important business, refreshments will be served, and a most pleasant social evening is assured all the boys.

### MCCULLOCH COUNTY CASTS STRONG VOTE IN RUN-OFF PRIMARY SATURDAY

RACE FOR COMMISSIONER PRECINCT NO. 1 WON BY CHAS. SAMUELSON BY MARGIN OF TWO VOTES—SENATORIAL CANDIDATES NECK AND NECK.

A surprisingly large vote was cast in McCulloch county in the run-off primary last Saturday, the total vote cast being 2,033, as compared with the total July primary vote of 2,273, and a total voting strength of 2,386. The heavy vote was, no doubt, occasioned by the intense interest in the senatorial race, although the county run-off also claimed much interest. For Senator, Mayfield and Ferguson ran neck and neck, Ferguson nosing into first place by just 3 votes. The keenest race of all was that for Commissioner Precinct No. 1, Chas. Samuelson winning the nomination over H. S. Snearley by only two votes.

### BAND CONCERT COURT HOUSE LAWN FRIDAY

The Brady band will stage another of their delightful public concerts on the court house lawn on next Friday night, to which every citizen is given cordial invitation. The concert will be rendered on the west side of the court house, and arrangements have been made with the city officials to rope off one section of the adjoining street, so that traffic may not interfere with the rendering of any number on the program. The citizens from the rural districts are given a special invitation to attend. Get in your jitneys and come—you'll find the entertainment well worth the trip.

The following is the program to be rendered under direction of Bandmaster Lester Calloway:

- "The Mighty Midget" . . . . . Masten March
- "Altogether Boys" . . . . . F. C. Waggoner March
- "National Emblem" . . . . . E. E. Bagley March
- "American Federation" . . . . . W. L. Skaggs Overture
- "The Stars and Stripes Forever" . . . . . Sousa March
- "A Night In June" . . . . . K. L. King Serenade
- "Trombonium" . . . . . Withrow Characteristic March
- "Mystic Dreams" . . . . . Stickney Waltz
- "The Joy Riders" . . . . . K. L. King March

Card of Appreciation.

To the friends who supported me so steadfastly, both in the July primary and in the run-off last Saturday, I am very grateful. Your vote and your confidence is appreciated more than I can say, and my best efforts will always be directed to give the precinct and the county as a whole such service as will protect and advance their interests at all times. Sincerely, CHAS SAMUELSON.

Henry Hodges received the nomination for County Tax Assessor over P. A. Campbell by a majority of 485 votes. The races for Commissioner in Precincts 3 and 4 were both close enough to be interesting. L. A. Watkins received the nomination for Commissioner Precinct No. 3 over John R. Winstead by a majority of 14 votes, and H. H. Knight received the nomination for Commissioner Precinct No. 4 over S. H. Gainer by a majority of 35 votes.

As denoting the interest taken in the run-off primary, there were six boxes which cast a bigger vote Saturday than they did in the July primary. They were Rochelle, Cow Boy, Fife, Pear Valley, Placid and East Gansel boxes. Of these, Cow Boy, Pear Valley, Placid and East Gansel exceeded their original voting strength. The interest in the commissioner's races at these boxes undoubtedly caused the large vote.

James Finlay ran a splendid race in this county, gaining 525 votes over his July primary total of 995, while his opponent, Mr. Wilson, gained 131 votes over his July primary vote of 312.

County returns were received by phone at the Brady Water & Light office, and were witnessed by quite a large crowd of interested spectators. All the returns were had by 9:30 o'clock, with the exception of Camp San Saba, Placid and Milburn boxes. The Camps returns were only partial, and only the senatorial returns were obtainable from Placid.

The tabulated county returns are published in another column of this issue.

**HOWARD PAYNE COLLEGE BEGINS SEPTEMBER 11th.**

Howard Payne College is just completing the most successful summer term in its history. Dr. J. B. Holt of Kerrville delivered the commencement address on August 11th to a College Class of 12 graduates and an Academy class of 30.

Howard Payne College has grown steadily since it became a standard college in 1915. Its college enrollment annually is about four hundred and its sub-college enrollment about four hundred. Quite a large number of the teachers through Central Texas received their diplomas and teachers' certificates through this institution. The college is classed first class by the State Department of Education and by the Texas Association of Colleges. Freshman receive two year high school and four year elementary certificates. Sophomores receive four year high school and six year elementary certificates. Those holding the elementary certificates receive permanent elementary certificates and Seniors receive permanent certificates. Graduates of the college complete their master's degrees in one year.

The Fall term will begin on September 11th. Four year College and Academy courses will be offered. The academy will begin its work for the first time in the building recently purchased from the city high school, with a separate organization and discipline. A strong faculty will offer courses in the various branches of Fine Arts. The business college is equipped with the latest mechanical and electrical contrivances for teaching.

**LOCAL BRIEFS.**

J. M. Young, who has been at Denton for special courses during the summer months, has returned here, and is arranging for the re-opening of the Fife school. Mr. Young was the popular superintendent of that school last year, and will again serve in the same capacity during the coming school year.

Mrs. Minnie Montgomery and two sons have gone to Brownwood this week, Mrs. Montgomery having accepted a position as teacher in the Blanket schools for the coming school year. She will attend the institute in Brownwood next week. Mrs. Montgomery has taught in the Brady and McCulloch county schools for a number of years, and is very popular with pupils and patrons alike. The Blanket citizens are to be congratulated upon having secured her services.

T. B. Cobb, popular Doole gin and citizen, was in Brady Monday greeting his friends. Mr Cobb stated that he had ginned ten bales last week, and looked for about the same sort of a crop as last year, when he ginned around 500 bales. Most everyone in the Doole section began picking this week. A good rain, besides benefiting range and providing stock water, would be of inestimable benefit to the cotton, according to Mr. Cobb. The young cotton has many small bolls, some of which will open prematurely if the hot weather continues, and many of which will not mature unless rain is had. The young cotton is looking fine, the cool nights reviving it, and rain within the next week or so would bring it out wonderfully.

What the finest and most enjoyable family reunion imaginable was enjoyed by himself and Mrs. Elliot and family and a number of friends the past week on the Llano river. The party broke up last Thursday after enjoying fishing, fish fry, potato salads, fruit salads, pickled beets, beans and other vegetables and fruits of every description, pies, cakes and eats such as a king never dreamed of as existing. Included in the party was the notorious Bill Cross, who, with his rabbit dog, blazed the trail all the way from Ranger to the Llano, whose quips and antics kept the whole party in continuous uproar, and whose shouts are still re-echoing along the river banks, and setting the trees all a-quiver. Included in the party were Mr. and Mrs. C. J. Greer, and Mr. and Mrs. Bill Cross of Ranger; Mr. and Mrs. Tom Elliot of Brady; Mr. Taylor of Dallas; Mrs. W. C. Baker and family of Eastland; and Mrs. E. A. Hoffman, Mrs. L. Kock and family and Mr. and Mrs. Bifeldt and family of Mason.

**PERSONAL MENTION**

Mr. and Mrs. P. B. Melton returned Saturday morning from a two weeks visit at Cabot, Ark.

Mrs. Frank Glasscock of Tulsa, Okla., is a guest of her brother, Dr. J. S. Anderson, and sisters, Mrs. C. H. Vincent and Misses Amy and Mary Anderson.

Miss Margaret McGhee, who has been a guest of her sister, Mrs. B. L. Malone, the past week, has returned to Brownwood, and from there will go to Eureka Springs, Ark., where she will again teach the coming year.

Mr. and Mrs. W. J. Dawson and little daughter, are here from Houston for a visit with the lady's parents, Mr. and Mrs. J. M. Page. Mr. Dawson quit the railway service some time ago and is now employed with the Texas Company.

Ivan Keith and family, who have been located in Dallas the past several months, where he has been employed with the Metzger dairy, returned last Thursday and will again make their home here. Ivan says there is no healthier or better place to live than Brady.

Harry Wulff has returned from a ten-day stay in Corpus Christi. Harry took a special course last year in cotton classing at A. & M. college, and took advantage of his stay in Corpus to round out his knowledge of the business under instruction of a government expert.

Mr. and Mrs. E. B. Anderson and daughter, Miss Emily, were visitors here last week from Goldthwaite, being guests of his brother, Dr. J. S. Anderson, and sisters, the Misses Anderson and Mrs. C. H. Vincent. The party was accompanied by Miss Mildred Street of Goldthwaite, and also Miss Carmen Anderson, who had been visiting in Goldthwaite.

Mrs. A. W. Keller and son, Francis, and Mrs. Karl Steffins and son, Karl Keller, returned Sunday from a most enjoyable trip and outing. Below Mason they were met by Mrs. Keller's brother, Chas. Kettner, his wife and two daughters, who accompanied them to San Antonio, Medina Dam, New Braunfels and the many other points visited while on the trip.

Mr. and Mrs. M. E. Abernathy and two sons leave this week for Brownwood, where they will attend the teachers institute, and following which the family will be located in Brownwood for the school year. Both Mr. and Mrs. Abernathy have positions in the Brownwood schools. They are accounted among McCulloch county's most popular educators, and will add great strength to the faculty of which they will be members.

**INDIAN STORIES; EARLY-DAY REMINISCENCES.**

Chapter VI.

Wonder, Ore., Aug. 25.

Editor Brady Standard: In the autumn 1871 after seeing the Indian chief's scalp, shield and moccasins at San Saba, my father and I wended our way eastward and homeward to Bell county, wondering if, per chance, peradventure we had not planned our contemplated exodus

to the frontier country a few miles too previous. Everybody we met that day seemed to have Indian on the brain, and a big Indian raid tale to tell us. We camped that night at Mr. Carpenter's ranch on a creek near the line of Coryell county. I believe the name of the creek was Cole creek; at any rate, it should have been, as there was a nice vein of coal in the rock bluff above the house. There were a couple of wagons and three or four men camped at the spring near the creek, so my father and I drove out on a little ridge about fifty yards from where the others were camped.

We retired early, as we had not slept very much the night before, having been on guard duty. We made our bed in the covered wagon and tied the horses to the rear wheels. We had not been in bed long when the horses snorted and pulled on their ropes as tho' they were trying to

break loose. The moon was shining brightly and we peered out between the top of the wagon box and the wagon sheet and in the direction the horses ears were pointed, about thirty or forty steps from the wagon we could see just as plain as could be an Indian lying flat on the ground with his head and shoulders towards the wagon. We watched him for a minute or two and saw him move as tho' he was gradually working his way towards the horses. Neither did the horses seem to enjoy his appearance.

My father told me to keep the gun on him and if he got up on his feet and started towards the wagon, for me to pull the trigger. And in the meantime, my father would crawl out on the opposite side of the wagon and slip down to the other camp and tell them about it. Well the next ten minutes were about the longest ten minutes a boy ever experienced!

But at last, after getting everything in readiness for the attack and after notifying Mr. Carpenter and those at the house, across the road from the camp, my father and two of the men returned—each with gun in hand. Although the Indian had moved several times, he did not appear to come perceptibly nearer to the wagon. One of the men took his stand as sentinel at one end of the wagon and the other at the other end—the side of the wagon being towards the Indian. Pretty soon we heard the Indian make a noise like the squeak of a shout; and upon closer investigation we discovered that the Indian's shoulders were two hogs lying side by side, and the Indian's head was the snout in the middle.
