

New Round of Politics Begins

The political pot for 1962 has begun to boil, foretelling spirited races at least on the state level.

In Castro County there has been little to mar the tranquility of the political scene. Three court house offices are to appear on the ballot, and those holding the jobs are the only ones yet to announce. They are County Judge Raymond Wilson, County Clerk Zonell Maples, and County Treasurer Faye E. Holland. Commissioners of Precincts 2 and 4 are coming up also for re-elections. They are Noble Armstrong and Johnny Stork respectively. Those are the only county offices involved in the race this year.

Statewide the political picture is still not jelled. Senator Ralph Yarborough has not stated his intentions for the governor's race nor has Don Yarborough, another liberal. John Conally, moderate pro-teacher and so has conservative Jack Cox who will run on the Republican ticket. Cox has run in the past on the Democratic ticket, but recently switched parties. All candidates must file by the first Monday in February to have their name placed on the primary ballot. No little intrigue rests with the governor's race this year. Most political pros feel that the election of Conally could shatter hopes for

a two-party state because it is generally believed he could hold both conservative and liberal factions of the Democratic party together well enough to halt a major exodus of conservatives from the Democratic to Republican party. The feeling is that if an out-and-out liberal is elected most conservatives would go to the Republican party setting the stage for a working two-party state, a definite break with tradition. An estimated 1,500 conservative Democrats have switched to the Republican party during the generally conservative term of Price Daniel. Attorney General Will Wilson will run this year as a generally conservative Democrat.

Attorney General candidates are shaping up as Travis County District Attorney Les Procter, Tom Reavley of Austin and Rep. Tom James of Dallas. Former House Speaker Waggoner Carr is expected to announce shortly.

Liberals Maury Maverick Jr. of San Antonio and Don Yarborough of Houston seem to have the inside track to the lieutenant governor's race according to a poll by Joe Belden.

The most important dates on the year's political calendar for voters is as follows:

January 31—Poll taxes must be paid before February 1st. Exemption certificates must also be paid before February 1st.

February 5—Request to have name placed on primary ballot must be filed not later than the first Monday in February.

March 19—County Executive Committee meets on third Monday in March.

April 15—May 1—Application may be made for absentee ballots.

May 5—First Primary Election

May 5—Precinct conventions held on primary election day.

May 12—County Convention meets on first Saturday after first primary to elect delegates to the State Convention.

May 13—29—Absentee voting for second primary.

June 2—Second Primary election.

September 13—State Convention

October 6—Minors and non-resident who became eligible to vote after January 1st and who wish to vote in the General Election may obtain exemption certificates from tax collector not later than 30 days before election date.

November 6—General Election Day

Stork Announces For Commissioner Of Precinct Four

The News has been authorized to announce the candidacy of John C. Stork for re-election to his post of County Commissioner of Precinct 4, subject to the action of the Democratic primaries. His announcement reads:

"In announcing my candidacy for re-election to the office of County Commissioner of Castro County Precinct No. 4, I wish to take this means to express my thanks for the past confidence you have placed in me by electing me to the office of commissioner. It has been a pleasure trying to serve you in the past. I have tried to the best of my ability to serve you and the county as a whole, as economically as possible, yet have been in favor of progressiveness when needed. If I have accomplished what you expected me to in the past, then I hope I may get your vote and support. If re-elected, I promise to do all in my power for the betterment of Castro County and Precinct No. 4.

John C. Stork"

Zonell Maples Announces for Office of Clerk

The News has been authorized to announce the candidacy for re-election of Zonell Maples to the office of County and District Clerk, subject to the action of the Democratic primaries. Her announcement reads:

"I wish to announce my candidacy for re-election to the office of County and District Clerk of Castro County.

It has been my goal during the past four years to operate this office with the highest degree of efficiency and competence possible and I sincerely hope I have proven adequate to the task. If re-elected, I will use my experience and knowledge gained in my first term to conduct the office in a manner best suited to the needs of the public.

Your vote and support will be Sincerely,
Zonell Maples

Judge Wilson Files For Re-Election

The News has been authorized to announce the candidacy of Raymond Wilson for re-election to the office of County Judge and ex-officio County School Superintendent. Subject to the action of the Democratic primaries. In making his announcement, Judge Wilson said:

"It has been a pleasure to serve the people of Castro County during the time I filled out the unexpired term of Robert Estes. I will be happy to continue my efforts for good county government and impartiality in the courtroom if the voters of Castro County see fit to return me to office. As in the past I will do my best and work diligently at being the best county judge my ability will permit. It is a position of great public service and I know of no other position I would rather fill in the community.

Your vote and support will be greatly appreciated.

Sincerely,
Raymond E. Wilson"

Scout Committee Starts New Year

The local Boy Scout Committee began its year activities with a 100 per cent attendance when they met Monday at their first regular monthly dinner meeting at the Steak house. They will meet each first Monday at 12:00 noon during 1962 to plan for a better Boy Scout program. Those present were committee Chairman Bedford Smith, Committeemen Earl Brock, Goldman Dyer and Carroll Webb, Institutional Representative Jack Miller, Scoutmaster John L. Thomas, Assistant Scoutmasters Boyd D. Prather and Farren Broadstreet.

"The Boy Scouts are grateful to the grocery merchants in Dimmitt who sold their Christmas trees, and they had one of their best years," Smith said. The Scout Committee voted \$150.00 from the Fund to help pay for material used in the red and blue have contributed to the Fund plus some other donations. A lot of volunteer labor has gone into the project not yet completed. Plans to complete the project highlighted the meeting. Donations will be accepted by E. A. Noble, City Secretary, Treasurer for the project.

"The main problem of Scouting in Dimmitt at present is the fact that so many boys are missing this fine training," Smith continued. "Scout meeting time is each Monday evening at Scout Hall at 7:00 p.m. More boys will make the program even more interesting."

The committee will meet each first Monday of the month at 12:00 noon during the year at the Steak House.

Mrs. Cecil Dennis spent last weekend with her daughter and family, Mr. and Mrs. Joe Wallis and Sheryl at Lubbock.

Desi Pesina Jr. In German Maneuvers

Army PFC Desi Pesina Jr., whose parents live at 508 S. W. Fourth st., Dimmitt, Tex., recently participated with other personnel from the 8th Infantry Division's 83d Artillery in Frigid Fires II, a five-day field training exercise in Germany.

The exercise, which involved all 8th Division Artillery units, was designed to test the ability of these units to work together on a common mission under simulated combat conditions. Frigid Fires II proved that this ability does exist and that these units are ready to supply support for the division at any time. The 8th is one of five U.S. divisions in Nato's "Pyramid of Power" in Europe.

Pesina, a medical specialist in the artillery's 5th Howitzer Battalion in Baumholder, entered the Army in August 1960 and received basic combat training at Fort Riley, Kan. He arrived overseas last February.

The 19-year-old soldier is a 1960 graduate of Dimmitt High School.

Mrs. Faye Holland Seeks Re-Election

The News has been authorized to announce the candidacy of Mrs. Faye E. Holland for re-election to her office of County Treasurer, subject to the action of the Democratic primaries. In making her announcement, she said:

"I wish to announce my request for re-election to the office of county treasurer. I sincerely thank the wonderful people of Castro County that have given me support and influence in the past. My experience in the office should be a small asset. If re-elected I will strive with untiring effort to serve in the best manner possible.

Sincerely,
Faye E. Holland

Bob McLean Buys Bank at Bovina

Bob McLean, president of the First State Bank in Dimmitt, has purchased the First National Bank of Bovina, effective the middle of last month.

Retained as president was Mr. Warren Embry, who has been with the Bovina bank since its opening six years ago.

Mr. McLean, the sole owner, purchased the bank from Mr. and Mrs. Archie Castleberry of Amarillo. Mr. McLean is also chairman of the board of the First State Bank of Shallowater.

Dr. James Wohlgenuth New President Of Castro County Chamber of Commerce

Dr. James E. Wohlgenuth, local optometrist, has been named new president of the Castro County Chamber of Commerce, replacing J. R. Brown.

Wohlgenuth is an old hand at local civic work, having been at it here for some seven years. He was once Jaycee president and led that organization in numbering the homes in Dimmitt and constructing the Jaycee Airport.

"I became interested in civic work while with my father-in-law in the grocery business in Seminole," Wohlgenuth says. "He really devoted his time to public service and I guess he got me started. I like it, though. I think it's necessary both for the community and for the individual to be civic minded."

He has served on the Chamber of Commerce highway and brochure committees.

"My goal is to see everyone pulling for some sort of industry for Dimmitt," Wohlgenuth says. "Only by real desire and work can we bring in large, steady payrolls, but that's what Dimmitt needs more than anything else right now."

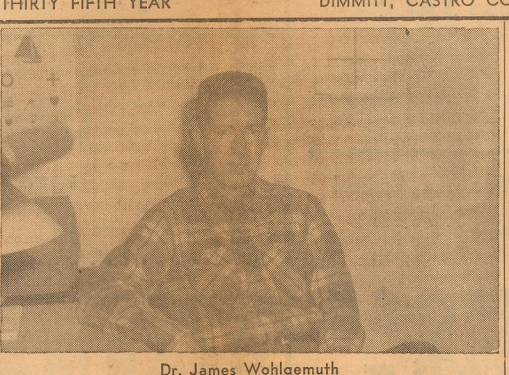

The red-headed optometrist was born in Pampa 38 years ago and went to school there until he was a sophomore, when his family moved to Ollden. His parents now live at Seminole, which is also the home town of his wife, Charlie. He spent three years in the Navy's air branch in World War II and returned to attend West Texas State College and Texas Tech. After marrying, he and Mrs. Wohlgenuth went to Tennessee where he studied at the Southern College of Optometry in Memphis. They moved to Dimmitt and set up his office in 1954 over the ASC office, which was then the First State Bank building. The family lives at 606 N.W. 8th. They have three sons, Mike, 15 Mark, 10 and Max, 4. Mrs. Wohlgenuth teaches in the 2nd grade.

Stanley Schaeffer, local accountant, was named vice-president. Outstanding vice-president is Jim Hays. Woodrow Killingsworth is newly appointed chairman of the Chamber's industrial committee.

Three Men Admit Thefts from Cars

Dimmitt City Police Monday night picked up, questioned, and obtained confessions from three local Latin American males who admitted taking clothes from unlocked, parked automobiles in front of local cafes.

Fined \$100 each and released were Isidro Ovalle, 22 and Antonio Rosales, 22. Manuel Augero, 23, was fined \$150. Some of the items were returned but still to be identified is one car blanket, one man's coat and one car mat. Owners may retrieve these items by asking for them at the police office in the City Hall. The items were stolen about 6 p.m. Monday night in front of Dickey's Cafe. The men, who were first spotted by deputy marshal Rex Cowart, had been drinking according to city marshal W. W. Jones. Jones also said that "Everyone should lock their car doors if there is anything of value in them when they are downtown at night. We've had quite a bit of this sort of thing and the best way to stop it is a little more care on the part of the car owners."

Dr. James Wohlgenuth

Championship Club Formed to Support Fat Stock Show

A Championship Club has been formed by interested individuals in the Fat Stock Show to support the show and raise money to bid on the Grand Champion Animals at the Fat Stock Show Feb. 1st, 2nd and 3rd. Membership will be made up primarily of farmers. However, anyone is eligible to join.

Mr. Bob Anthony, General Chairman for this year's Fat Stock Show, said the purpose of the club is to give everyone a chance to support the Grand Champion Calf, Pig and Lamb. Mr. Anthony said in the past the Grand Champions have not always brought as much as the last place animal and the club will bid only on the three champion animals.

Anyone who would like to join the club may see one of the following individuals in their area: Nazareth, Leo Witkowski and Raymond Annen; Hart, Milton Sharp, F. A. Smith, Joe Percy Hart; Mulkey, Calvin Petty and S. R. Hutto; Big Square, Flagg David Behrens and Joe Smith; Bethel, Glen Lust and Jack Howell and Dimmitt, Dale Maxwell.

Australian-Born Scholar to Speak At Chamber of Commerce Banquet

Dr. James H. Jauncey, minister of the First Christian Church of El Paso, will be the principal speaker at the Castro County Chamber of Commerce Banquet Monday, January 15th at 7:30 in the South Grade School Cafeteria.

A crowd of well over 200 persons is expected to attend to hear the program. Tickets are available at the Chamber of Commerce office in the City Hall.

Dr. Jauncey, who often refers to himself as a "human engineer," is an engineer and scientist by training and experience. He devotes his time to "trouble-shooting human malfunctions in personal lives and in society." An Australian, his greatest work has come to be the "interpretation of the genius of the American way of life."

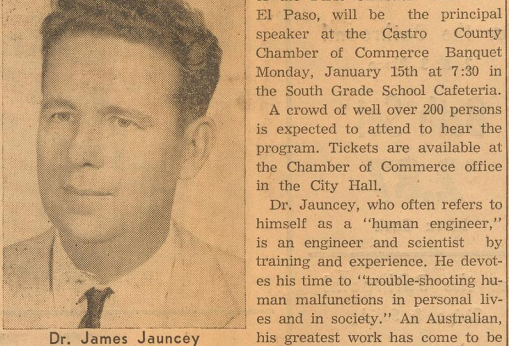

Dr. Jauncey was reared as the oldest son of 15 children in conditions of poverty and privation in the Australian Wilderness. In spite of these handicaps, he acquired an education by means of competitive scholarship and now holds ten earned academic degrees from some of the world's greatest universities, covering high levels of achievement in science, psychology, history and divinity. He holds professional rank in the British Psychological Society and a fellowship in the Royal Geographical Society. He is listed in Who's Who in American Education.

Dr. Jauncey was a technical advisor to the Australian government during World War II, after which he became head of the Department of Science and Mathematics at King's College in South Australia. After coming to the United States in 1948, he taught at graduate schools on the West Coast until he became engaged on a scientific project at White Sands Missile Range, New Mexico, which he left in 1958 to take up his present position. He became a naturalized citizen in 1954.

During the years he has continuing experience in clinical psychology. He has published over 500 manuscripts in over 30 magazines. He is the author of two books on guided missiles, one on psychology and religion applied to living, "This Faith We Live By," and one on science and religion, "Science Returns to God," published by Zondervan's Grand Rapids, Michigan.

Dr. Jauncey is a nationally known speaker in heavy demand at conventions, covering almost every area of human living. This work won him a major Freedom Foundation Award in 1960.

The topic of Dr. Jauncey's talk will be "Our American Freedom: Its Peril and Promise."

Dr. James Jauncey

Keitha Davis Picked for Tech Honors Studies

Keitha Davis of Dimmitt has been selected for special honors work in the Texas Tech School of Arts and Sciences. Dean S. M. Kennedy announced.

The honors activities are designed to enrich the studies of students who have demonstrated academic superiority.

Miss Davis was given the opportunity to participate in honors studies on the basis of high scores on freshman placement tests, high achievement in high school studies and other indications of being a superior student. She was valedictorian of her graduating class last year.

As an honor student, Miss Davis will complete all regular requirements for a degree. In addition, she will participate in special seminars, research, discussion and individual study.

Miss Davis will have the advantage of special instruction by some of Tech's top faculty members.

Miss Davis is the daughter of Mr. and Mrs. John G. Davis of 301 North west 6th St.

Cats and Bobbies Winners in First Conference Tilts

The Dimmitt Bobcats, fresh from a sweet revenge 65-53 victory over Hereford Saturday night, started their conference season off by defeating the Tulla Hornets 68-66.

Both were rugged encounters and the Bobcats are breathing easier now that one of their two games with Tulla is in the bag. Mike Calvert was high with 42.

The Bobbies continued their win-some ways against Muleshoe, dropping them 52-32 Saturday night behind the 28-point shooting of Doris McDermitt. The Bobbies won their first district game also, dropping the Tulla girls 66-59. Miss McDermitt scored 51 points.

The Dimmitt teams are scheduled to play Friona here Friday night and Canyon here Tuesday night as their conference season begins to really swing.

First Plans Made For Junior Fat Stock Show Here

The Castro County Fat Stock Show will be held in Dimmitt on February 1st, 2nd and 3rd. The committee who have been making plans for this year's show are: Bob Anthony, General Supt., Charles Hottel, secretary; Swine Division are Leo Witkowski, Milton Sharp, F.A. Smith and David Behrens. Lamb Division - Joe Percy Hart and John Bridges. Beef Calf Division is Glen Lust and Joe Smith.

Official weigher for the show is Allen Brockman and the clerk for the sale is Mrs. Ollene Williams. The auctioneers will be Jack Howell, Dean Sanders, and Joe Newman. Sales committee is Norland Dudley, Edd McLeroy and Lon Brockman. Judge for this year's show is Standly Anderson of Texas Tech.

Bob Anthony, General Supt. of the show, reports that 26 calves, 130 fat barrows and 40 lambs are expected at this year's show and that the show should be the best in the history of the show.

Mr. Aaron Isaacs of the Dimmitt Wheat Growers said that they will sponsor three additional showmanship trophies, one for each division, Beef, Swine and Lamb, as well as the over all Showmanship Trophy.

The entries for the show should be in at the county agent's office by January 25th.

Sudan Services Held For A. B. Glenn

Funeral services were held recently for A. B. Glenn, 69, in the First Methodist Church in Sudan. Mr. Glenn had been a Dimmitt resident for about 10 years and had farmed in Castro County. He died at the home of a daughter, Mrs. Matt Nix Jr., in Sudan after an illness of about a year. Burial was in the Sudan cemetery. Survivors include his wife; four daughters, Mrs. Paul Poling, Amarillo; Mrs. W. C. Masten, Sudan; Mrs. Don Ed Robinson, Lubbock, and Mrs. Nix; five sons, S. J. Glenn of Amarillo, W. B. Earl and Dor of Dimmitt and Clinton Glenn, Hereford, 3 brothers and six sisters, none of whom live here.

Among the pallbearers was Steve Kelt, Dimmitt, a grandson.

Father Dies

Mr. John A. Dowdy, father of Bill Dowdy of Dimmitt, died in Fort Worth Tuesday night. Funeral services were to be held in Cleburn.

Reserve Land May Be Planted

Land on which Conservation Reserve Contracts expired on December 31, 1961 may be broken out and planted to small grain or row crop, the ASC announced this week.

However, if the operator wishes to leave all or any part of this land in protective cover the land will retain the cropland classification and earn allotment history for a period of five years, if the protective cover is maintained in a manner that will prevent wind erosion. Grazing will be permitted if consistent with good management, or the operator may designate this land as diverted acres if the cover of grass or small grain will qualify as diverted acreage cover.

Forms Available For Cotton Increase

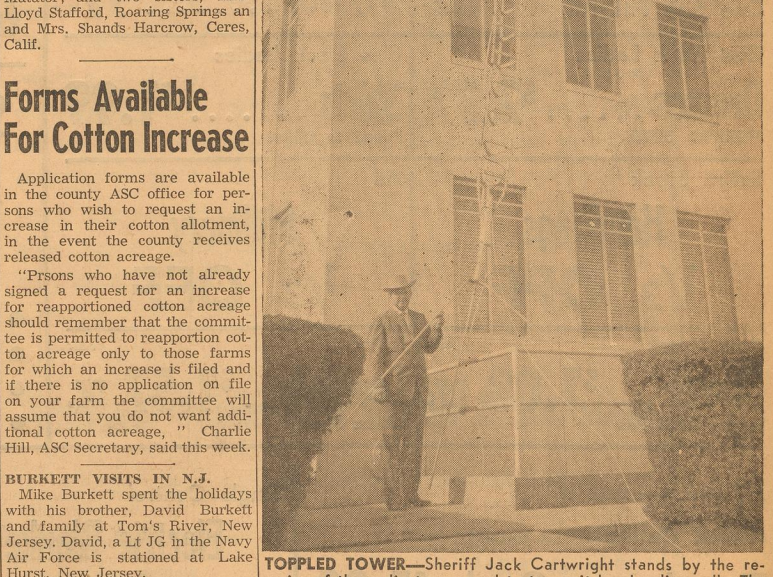

Application forms are available in the county ASC office for persons who wish to request an increase in their cotton allotment, in the event the county receives released cotton acreage.

"Persons who have not already signed a request for an increase for reapportioned cotton acreage should remember that the committee is permitted to reapportion cotton acreage only to those farms for which an increase is filed and if there is no application on file on your farm the committee will assume that you do not want additional cotton acreage," Charlie Hill, ASC Secretary, said this week.

How Can I Help Preserve and Promote American Democracy

Let's start living American thoroughly and solidly. I'm convinced that our American democracy is the best in the world, and I am ready to show it in everyday life.

We talk about the threat of communism, socialism, and fascism; we worry about being blown off the face of the earth; we build our bomb shelters and supply them with food that would last for several months. This is to make sure that we could burrow underground in case the threat becomes so great that we are afraid to live on the surface. We talk, but that is all we do.

However, it is not exactly true to say we do nothing else. We send foreign aid to such countries as Yugoslavia and various South American countries, who are either profoundly Communists or pro-Communist. We know that they would rejoice in cutting the life line of democracy, and in so doing, snuff out the free lives of many Americans, America who would rather be dead than to live under communist rule. Nevertheless, we try to help them provide food, clothing, and shelter for the masses of people who huddle together, silently whimpering from want of the necessities of life. Where are the powerful German war lords? What happened to the promises of equality, happiness, and health for every one? What has happened to the supreme German race? Supreme!!! Well, they tell us they are. Hitler once said, "Tell a lie, make it big, repeat it often, and people will believe it." He practiced that belief and millions of people fell into his hands. Part of these came willingly, believing that he was a great leader, that had been sent to lead them out of their misery. Millions of the same people died through the very same hands that were supposed to feed clothe, shelter, and make them a ruling race.

How can I as an individual American help to preserve and promote American democracy? I can live as an American. I can hold tightly to the American principles that I firmly believe in. I can educate and acquaint myself with the tactics that subversive groups will use, in order that I may guard against the ever present chance that I might be taken in by them.

The Communists are well aware of the fact that if they can turn the United States toward Communism they will have won for sure their world revolution for Communist dictatorship. They are ready to use any means, stopping at nothing and having regard for no man, to achieve this goal. They will use deceit, law-breaking, lies, and murder. They will do their best to sow the seeds of hatred and distrust among us. They will stir up the issues of race and religion and cause trouble wherever and whenever they will do their best to issues of race and religion, and cause trouble wherever and whenever they can. They will not wait for an opportunity; they will provide for themselves.

In the book, Twilight of World Capitalism, Khrushchev said, "My grandson will live in a Communist United States."

In the Houston Chronicle, July 6, 1960, Khrushchev said, "I want to see the Red Flag over all the world, and I will in my life time."

The Communists are now in control of over twelve times as many people as when Hitler marched on Poland, and started World War II.

What can we do? There are a number of things. First, we could surrender on the enemies terms, live only for the state, and have no life of our own. Second, we could start an Atomic War and take the slim chance that the human race might survive it. Third, we could ignore the Communist and allow them to win a complete war of communism over Capitalism without a shooting war. Fourth, we could achieve victory over Communism without war. I will apply the formula P K M - V. It means People Knowledge Motivation - Victory.

As an American individual, I will often read and live by the verse of Scripture found in II Chronicles 7-14, which says "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then I will hear, and come from heaven and will forgive their sins, and will heal their lands. I will follow the American "Code of Conduct for Victory" which says "I will never forget that I am an American fighting citizen, responsible for my actions and dedicated to the principles that made this country free. I will trust in God and in the United States of America."

THE SHADOW

This is Monday, 3:45 P.M. and the "Bobcat Tales" are about to go to press. My name is Sargent Friday and I'm a private eye. My job is solving mysteries and I've been working on the great case of "The Missing Gumdrops."

Last Monday I spied a suspicious looking character driving a grey Mercury, so I began following him. He drove into the drive way of a girl by the name of Sheri Walker. I followed them to the Legion Building where they got out, (this was at 7:30 P. M.). There were a lot of people here and they all went inside. I started in, but was stopped, something about not being a Senior.

I decided to wait; they'd have to come out sooner or later. After a while music started and tables were set up for game. I decided it must be another school party.

He finally left and took Sheri home, but they had to play Wahoo (a game) a while before he left. He left Miss Walker's and I followed him to the home of Mr. Mike Goodwin. I found out that he was Mike!

Mike didn't leave again that night. Tuesday, Sheri came to Mike's house for dinner and they watched television. That night, Mike and Sheri left town. I really was excited, but I found that they only went to a ball game. Mike returned home and didn't leave again Tuesday night.

Wednesday morning bright and early, Mike left and followed him to school where he stayed till 3:45 P.M. Wednesday night I think Mike stayed home, but I was so tired I fell asleep so he might have left.

Thursday went about the same as Wednesday. Mike went to school and fell asleep again. I was determined to stay awake the rest of the week so Friday while Mike was at school, I made forty pots of coffee to keep me awake Friday night.

Friday night Mike left the house and pulled in the drive of Miss Nancy Hays. They went to the ballgame. Friday night Mike didn't leave again after he got home.

I was awfully tired, I fell asleep and didn't wake up till late. Mike was gone! I felt as though I'd failed. I hurriedly searched over town and, to my relief found Mike and Nancy at the basketball games.

Sunday Mike went to Church, and took Sheri Walker to the show that night. I was really shocked to learn after all my hard work, my sleepless nights, that Mike wasn't the thief after all. My friend, Saturday, caught the thief last Tuesday. I also learned it couldn't be Mike: He doesn't even like gumdrops!

Limelight Lad

This active Junior is the outdoor type - for he enjoys fishing, hunting, swimming, and water skiing. He is also quite an athlete, for he participates in football and basketball. This mysterious character is a member of the Bobcat band, also. To further show how versatile he is, he received the Biology award last year, and he was elected vice-president of his Freshman class.

For his favorites, he chooses car-cryler; color-blue; food-steak; song-"Wonderland by Night"; movie - "Guns of Navarone"; Actor-Gregory Peck; actress - Sandra Dee. His future plans include going to engineering school. And by the way, he doesn't particularly like people who think they are better than others.

As you may have guessed by this time, our talented Limelight lad for this week is Jimmy Killingsworth.

Reporters

News reporters gather information by interviewing people, consulting police records and other public records, observing events as they happen and by doing research in the city library.

Newspaper reporters take notes while collecting facts and type the story upon returning to the office. When a story breaks close to the deadline the reporter calls in the facts to the office where a rewrite man writes the story. Sometimes a reporter is assigned a special beat. Police stations, hospitals and clinics are some special beats. Sometimes news originating in these places are covered by general assignment reporters.

News on certain subjects such as sports religion and politics is covered by specialists in each field. The reporters on small papers usually cover all aspects of these and other fields. Reporters on small town papers usually have a skill in all jobs-photography, reporter, editor and copy reader.

A person who has had experience on small town papers can usually get jobs on general circulation magazines in trade, business, labor and other jobs that require a writing skill and a way with words. Other specialized fields such as periodicals, radio and television stations, advertising agencies, public relations, and even government agencies offer good jobs to an experienced reporter.

Women also have a place in the world of news. Women compose almost one third of the combined group of people in the news field.

A majority of reporters are employed on the city dailies. The rest is employed on weeklies, press services and news paper syndicates. Most of the reporters are in the big town.

Some editors prefer degrees in journalism. Others say that a degree in liberal arts will do as well. Training can be obtained in more than 150 colleges; about a hundred of which has a separate Journalism department or school of Journalism. Most of the schools give these courses in the Junior and Senior year.

A high school student that is interested in Journalism should take English and other specialized courses in writing. Those without college training can become reporters by getting experience on small town papers.

The qualifications to become a reporter is the ability to write well and to report the news correctly and accurately, a "nose for news" persistence, initiative, resourcefulness and an accurate memory. Beginners become cub reporters on weeklies or on small daily newspapers. Chances for promotions are good.

The starting reporter gets a salary from \$45 to \$70 a week. Most pay \$50 to \$60. An experienced reporter gets from \$100 to \$140 week. A copy boy starts at less than the cub reporter. The hours are usually 8 hours a day, 5 days a week.

MENU

- MONDAY - Stew with onion, carrots, potatoes, and tomatoes. Corn bread and crackers with butter. Milk and chocolate cake.
- TUESDAY - Chili beans, turnip greens, pickled beets. Peanut butter and honey. Corn bread and butter. Cherry pie and milk.
- WEDNESDAY - Hamburgers with lettuce, onions, and pickles. Buttered blackeyed peas, potato chips, chocolate milk and apple sauce cake.
- THURSDAY - Fried chicken, potato salad, hot rolls and butter, milk and honey butter.
- FRIDAY - Fish fillet with tartar sauce, English peas with whole potato, jello salad, bread butter, milk and broiled coconut cake.

Senior Girl of the Week

Brown-haired blue-eyed Patricia Riels was dropped into the arms of her waiting parents, Mr. and Mrs. H. B. Riels, on August 7, 1944, in Plainview, Texas. Pat stands 5'6 today.

"Sayonara" is the movie Pat enjoyed most, while her favorite actor and actress are Pat Boone and Debbie Reynolds. It seems that every time Pat tries to get her chemistry Wanda Jackson's "A Little Bitty Tear Let Me Down" on the radio. So Pat chose that song as her favorite, but she especially likes to hear Jimmy Deans songs. Blue and red are Pat's favorite colors, and a Thunderbird always catches her attention. She also loves fried chicken, and it's logical that her hobby is cooking. Miss Bishop is the book that Pat likes very much and her pastime is playing the accordion. Even with all these things that she likes Pat still has a pet peeve, and that is people who think they are better than anyone else.

This year Pat is active in the Science Club, F.H.A., Pep Club and choir. Pat's plans for the future are to go to college, get a degree and teach school, and we are sure she will make it.

This and That

Some people are really early birds but first-come, first serve. Sheri Walker has already made her room reservation at Tech for next fall.

Congratulations to the Bobcats for beating Hereford Saturday night. Congratulations are also in order to the Bobbies for their recent victories. This staff is behind both teams all the way!

Carole Norris went to Borger with Garry and Moteo to a Lions Club District Meeting. Donna and Deborah are recovering from minor injuries suffered on a ski trip during the holidays.

We extend congratulations and best wishes to all the lucky girls who received engagement rings during the holiday. Maybe the congratulations are more in order for the lucky boys!

We hope that Aaron Hutto Dwight Cathy, and George Froehner will soon recover from their injuries and will be able to throw those crutches away.

Janiece, Kelson, Beth and Tony have been recent visitor's to "rabbit-hunting" paradise. If you have seen a white streak flashing through town recently, it was probably Gerald Summers in his new Chevy.

Dimmitt High School is lucky to have two such fine basketball teams representing it. Where is the student body school spirit? Whenever you go to a ballgame, do you yell with the cheerleaders? If not, you should be ashamed of yourself! Encourage the players and let them know that you are behind them.

The Journalism class has been hard at work on this year's annual. We hope to have a very original and pretty annual this spring. Now that you have read all that, read this:

Judge not thy friend till thou standeth in his place. Those friends thou hast and their adoption tried, grapple them to thy soul with hoops of steel.

DO YOU KNOW THEM BY NAME?

SPORTS

The "A" team Bobcats took on a tournament at Lubbock during the holidays, and defeated the Tom S. Lubbock "B" team 58-39. Calvert was high scorer with 22, and Ratcliff next with 10 points. But then in their next game they were defeated 42-43. Calvert was again high scorer with 22, but this time Cates was second with 13 points. Then on the Tuesday before school resumed, they played Hereford at Hereford, and were defeated 48-58. Good ole Calvert was again the high scorer with 21, Ratcliff 11, and Cathy 10 points. The "B" team played also, but they won 58-57 Friday the Bobcats played White Deer and were put down 57-58. Ratcliff was high scorer this time with 19 points and Bradley was second with 13. The "B" team played Frivona Thursday and defeated them 50-41. The Bobbies also played White Deer Friday, but they won their game 51-42. Doris McDermitt was the high scorer for the girls with 29 points, and Ina Messenger was second with 17 points. The Bobcats played Hereford again Saturday here, but this time they won 54-55. Calvert was high scorer with 20 points, Ratcliff 18 points, and Cates 12 points. The "B" team played Hereford also and won 50-45. The girls played Muleshoe Saturday, and they won 52-32. Doris was again high with 28 points, and Ina again second with 11 points. How about that, Sports Fans?

CAMPUS CHAT

"Hello everybody! My name is Millicent, and I'm a real cute little basset hound. I usually lie on the front porch of my owner's house, and watch all the people go by. My main interest, though, is teenagers. They fascinate me, and I could sit and watch them forever; they're not all like dogs. They usually go to school, but they turned out school for a 12-day Christmas holiday. It was all very exciting for me; there were many dates and parties, some of which I tried to attend; but they just won't allow dogs in movies or parties.

Thursday, December 21, was the last day of school so naturally everyone was happy. That night I followed a few "steadies" to the movie; Jim and Gayle, Jimmie and Jo Lynn, and Dwight and Suzanne.

Friday, December 22, I saw Kent and Mary, Carlane and Gary, Derald, Suzie and Jim and Gayle, Sue and Roy, Mike and Sheri.

Saturday, December 23, I was out walking and I saw Jimmie and Jo Lynn, Mike and Sheri, Jim and Gayle, Sue and Roy, Gary and Carlane, Sunday, Jimmie and Jo Lynn. Mike and Sheri, Deborah and Darless, Gary W. and a girl from Lubbock, Mack Thompson and Sharon T., and Dwight and Suzanne, were all enjoying a movie.

Monday, December 25th was Christmas, and Gerald, and Suzie, Mike and Sheri, and Janiece and Butch were seen together. Tuesday I saw Deborah with Darless again. Thursday and Friday the Bobcats played in the Caprock Tournament at Lubbock, and those who watched them were Gary H. and Anna, Gerald and Suzie and Nancy and Mike. cy and Mike.

Monday, January 1st was the scene of the Senior party and Mike and Sheri went together.

Wednesday, January 3, all of my teenage friends had to go back to school. Some of them were ready, but most of them dreaded it. However, it was a short week and the weekend came soon.

Friday night I followed Gary C. and Valaria, Mike and Nancy, Gary and Carlane, Jim A. and Sharon L., Gerald and Suzie, Lou Ann and Jr., Sandra N. and Lonnie English Jim and Connie, Gary H. and Anna, Jerry M. and Moteo, to the ballgame.

I was really busy Saturday night. I saw Mike and Nancy, Gene B. and Sharon T., Janiece and Butch, Aaron and Kitty, Jim A. and Marikay, Michael and Connie, Carlane and Gary, Gerald and Suzie, Linda Dodd and Jimmie C., Gaynell T. and David S., Lou Ann and Jr. Sunday night I saw Mike and Sheri, Carol and Don, Janiece and Butch, Gary and Carlane, Louise Carson and Ronald Y., Steve and Arlena, Cecilia and H. S. Glenda M. and Glen J., and Gene B. and Sharon T.

The Lions Meet Tonight

The Lions Clubs of this district held a conference in Borger this past weekend. They were hosts to the Exchange Students and Club Sweethearts from each town. Going from the Dimmitt Lions Club were Garry Huntingford, Moteo Terami, and Carole Norris.

After arriving in Borger, registration was held in the Hotel Borger. Following that, the guests were shown to their Motel rooms. An International Lawn Party was held for all the other exchange students and club sweethearts.

They boarded a bus to take them to supper at a restaurant. That night, a Coke-dance was held. The Dimmitt guests all reported learning the Hully-Gully and the Twist. Then, going to bed was next on the agenda, but someone was fooled, because a party was held in Room 9 (Carole Norris's and Gail Culpepper's room) About 12:30, all the kids departed from Room 9, but Carole and Gail stayed up till 2 a. m. practising the hully-gully.

The next morning, bright and early, the telephone rang. This was the signal to begin a new day. After hastily getting ready to go to church, the group went to eat breakfast; but the food was so late arriving, that we managed to get to church when they last hymn was being sung. Then the group once more boarded the bus and were taken to Borger High School, where they had some free time to talk until dinner. After a very delicious meal, the Lions had their meeting. The guest speakers was Mr. Eugene Briggs, a long-time Lion.

After the meeting, the group again boarded the bus, and were taken on an industrial tour of the Phillips' plants in Borger and Phillips.

The group then returned to the motel to gather their baggage, and the trip, but none the less happy guests departed for their own home towns.

The Five B's

Bill, basketball, Bobbies, beauty and a barrel of fun.

On December 26, 1961 a caravan of four cars, fifteen girls, and seven sponsors left a bright Dimmitt day to travel to Duncanville. Bright and early the 27 they rose, ate and "rested" all day. At 7:30 they clashed with Duncanville 49-41. This was their first leg of the tournament. The next day was much like the first. At 8:30 Lingleville fell under the hard hitting easy-going Bobbies 75-59.

That night two records were broken: one for the most points to be scored in two games, and Doris broke the second record by scoring 83 points in two games.

Friday found the girls very entergetic so they traveled to Dallas for a little shopping. They had to hurry back for they had a game with Central Summer. This time the Bobbies rumbled on to win 67-36.

Saturday at noon Bowie bowed to the fabulous Bobbies 51-42. This put the Bobbies in the finals.

After lunch a very nice lady asked them to her home to rest. By this time our girls had made a name for themselves. Several people were asking Doris for her autograph, and Ina had been in a beauty contest. Sandra and Ina represented us. Out of 24 teams with 2 girls from each Ina was in the top 5.

That night came our greatest win. The girls beat Muleshoe 51-42. The All Tourny team was picked. Ina and Judy were on it for guard and forward. Doris and LaDawn were chosen out of everyone as the Most Outstanding Guard and Forward. Now came the big time. The Dimmitt Bobbies coached by Bill Culpepper were presented the coveted first place trophy.

The Bobcat Tales staff wants to add their congratulations and wish you a wonderful season. We want to see you at state we are backing you all the way.

Test Troubles?

Red eyes, sleepy looking students with fear on their faces, grim looking teachers, students carrying books as they leave for home-anybody that knew anything about schools would have seen that it was exam time this last week. (Glad it's over!)

But just mentioned the above to catch your attention so that I could pass on to you a tip that I got the other day.

I am standing around commenting on the unfairness of it all-having to stay up all night to get notebooks and read books, etc.-when some guy steps up and says, "Look, you're working too hard, listen and I'll let you in on something. I found a way to get out of so much work. You just cheat on the teacher like listening to what he says in class and sneaking your book home sometimes and doing all the written work the minute you know about it. Believe me, it works. And the teachers don't even care, and it helps your grades, too. I even got exempt in a couple of things."

Well, I guess you know that I thought this was great-I'm a sucker for angles like this, especially if it makes things easier, and, after all, anything is better than studying!!!

Third Finger, Left Hand

It isn't June, we admit, but romance certainly is flowering around D. H. S. Everywhere there is the glitter of new diamonds!!

Coach Wilson has added a bit of glitter to Elaine Brown's wardrobe, we hear. Luvette Jones is an old-timer as far as engagement rings go. Marshall Young, an ex-D.H.S. student and Bobcat staff member of 60, is the lucky man. Miss Duvall seems to think that the name Mrs. Bill Barnett is a more appropriate title for herself. Pat Bayley is out of circulation now thanks to Junior DiCuffa. Ann Grifing and Jack Ragland also plan to tie the knot. An out-of-town Romeo has brightened Teresa Castanuela's Christmas with a ring fit for a Texan we hear.

By the way boys, the definition for an engagement ring is: engagement ring-a tourequeot on the left hand, third finger, to stop circulation.

Attend Market

Attending the 1962 Summer Show of the Western Wholesale Market Jan. 7 to 8 in Lubbock's Caprock Hotel, was Mr. and Mrs. John Holloway of Hart.

With 57 exhibitors on hand and more than 300 area retail merchants attending from 56 cities throughout the South Plains, Permian Basin and Eastern New Mexico areas, show officials said it was one of the most successful showings in the history of the market.

The next market, set for May 20 and 21 in the Caprock, will be the annual Fall Showing.

The Western Wholesale Market Association is sponsored by the Lubbock Chamber of Commerce and Board of City Development.

ATTENDS CONVENTION

Several members of the Dimmitt Lions Club attended a two day convention of district 2 at Borger last weekend. Hotel Borger was headquarters for the meeting.

VISIT IN LAMESA

Mr. and Mrs. Raymond Hance and Linda spent the weekend in Lamesa with the C. E. Greens and A. H. Smiths.

Mrs. Helen Richardson Hosts Area DKG Tea

Mrs. Helen Richardson was hostess to Delta Xi chapter of Delta Kappa Gamma at a tea in her home recently. Thirty-four members from Hereford, Bovina, Farwell, Hart and Dimmitt were present.

Miss Hazel Merritt, vice president, presided over the program, which featured a piano duet played by Mrs. Welker and Mrs. Earleen Reisdorph and a review by Mrs. Eloise McDougal of Hereford of Dr. Tom Dooley's three books, "Deliver Us From Evil", "The Edge of Tomorrow", and "The Night They Burned the Mountain."

In "Deliver Us From Evil" Dr. Dooley tells how the Dooley saga started. He was a Navy doctor stationed in Asian waters when Indo-China fell to the Communists. He and his men built refugee camp in Viet Nam for the escapees from Communist terror.

And further in "The Edge of Tomorrow" he borrows lines from Robert Frost to express the same motivation:

"The woods are lovely, dark and deep, But I have promises to keep And Miles to go before I sleep."

In this book Dr. Dooley tells how he returned to Laos to continue his medical work in the primitive village of Nam Tha, a few miles from the Red China border. He always wore his Navy insignia because symbolism held a special meaning in Oriental culture, and the fact that he was U.S. Navy impressed upon the people with whom he worked that what was being done for them was because of the love and generosity of the American people.

In "The Night They Burned the Mountain" he tells of more recent experiences in Laos in the remote village of Muong Sing. There he waged a battle against poverty, ignorance and malnutrition and his own battle against cancer.

"Let us stop all this blather and bleat about the beatitudes of democracy. Let us get out and show with simple spontaneity and love our ability to work at the level of the people we aim to aid.....Democracy as championed by the United States, does not translate well into Laos. Not yet.....the Laos need only time, education, and stimulation."

Dr. Dooley's work gave birth to Medico, officially Medical International Cooperation, through which his work will continue. Said Dr. Dooley: "Medico won't be big or fancy. But we'll be doctors doing what God meant us to do - treating sick people, and probably some of the most desperately sick people in the world." Dr. Dooley was careful in accepting applicants for work with Medico who had pronounced religious backgrounds. He was determined that religious proselytizing must never become a part of Medico's operations.

Of himself when he knew he was dying of cancer he said, "The jagged ugly cancer scar went no deeper than my flesh. There was no cancer in my spirit. The Lord saw to that.....Whatever time was left whether a year or a decade...I would continue to help the clots and clusters a year or a decade... I would continue to help the clots and clusters of withered and wretched in Asia to the utmost of my ability. The words of Camus rang through, 'In the midst of winter I suddenly found that there was in me an invincible summer.'"

Wedding Place Change

The wedding of Linda Hance and Gary Compton will be held in the Dennis Chapel at 7 p.m., January 13, instead of in the home of the bride's parents, Mr. and Mrs. Raymond Hance, as announced earlier. All friends and relatives of the couple are invited to attend.

Garden Club Conducts Discussions on Color At Tuesday Meeting

Color, its properties and its effects on people was the subject introduced by Mrs. Charles Vandiver at the regular meeting of the Dimmitt Garden Club Tuesday afternoon in the community room at the First State Bank. All color is beautiful, it is the wrong combination that make people nervous, Mrs. J. C. Gilbreath brought out in her discussion of the primary colors red, yellow and blue and their many hues. Black and white are the neutral and also combination of all colors, gray is black and white mixed, Mrs. Raymond Wilson said. Mrs. Joe Benson did a gray arrangement of drift wood and bones and small birds to demonstrate the use of neutral color. Using color harmony in our house, dress and gardens was given by Allie Mae Willis, Monochromatic, meaning several hues of the same shade such as pink through shades of red is easy but needs texture to overcome monotony. Color on the emotions is quite important in decorating and in your clothes Mrs. Sid Sheffy told the group. Red and yellow are cheerful, stimulating and exciting colors and must be toned down with blue or green. Yellow denotes the coming of Spring, a warm sunshine color, green is nature's favorite, its properties are blue and yellow, goes with all, blue is calm, dignified cool color and needs tones of red and yellow to warm it up. Violet is a shadowy color, can be warm or cool depending on the amount of red or blue added. It denotes the Royalty of Christ, is much used at Easter time, it is good with yellow and white.

Mesdames Raymond Wilson presided at business session, she reminded the club that this is tree planting month or Arbor Day but in Castro County it is best to wait until March, a tree to be planted at the city hall, grounds, and a flower arrangement school to be held in Lubbock in February. Mrs. George Bradford brought two flower arrangements depicting harmony in color, one in shades of golden green and one in deep red.

Mesdames Joe Benson and Margaret Boren served Western cake, colorful sandwiches and coffee to 12 members.

Victory Sunday Is Advanced at Christian Church

During the month of October, the First Christian Church began its first financial campaign since the church, Dimmitt's youngest, opened its Charter Roll in its own building west of Dimmitt at the end of Grant Street. The minimum goal of \$5,000 by Feb. 4 was passed last Sunday, nearly a month ahead of time. Since Sunday additional voluntary offerings have been received. As a result a grant from the Mary E. Bivins Foundation of Amarillo for \$10,000 will soon reach the church making it possible for the First Christian Church to clear all its property indebtedness on its two-acre site on Western Circle and 12th Street, including its first unit which will be its educational annex and its parsonage, before the church is two years of age.

Victor Sunday has been moved forward from Feb. 4 to next Sunday, January 14, at which time Minister Bedford W. Smith will preach on "This Is the Victory" at the 10:50 Morning Worship Service. Voluntary contributions will continue to be received into the Building Fund through the remaining time allotted to the campaign before the final count is totaled; but the '62 emphasis will not be on money raising, but on "reaching the unreached" of Dimmitt, who need Christ and a church home, and attendance goals will be set.

At the 6:00 P.M. Sunday Service the Minister will preach on "Mark's Glorious Son of God and His Gospel." Youth meetings at 5:00 p.m. Sundays include all school ages, meeting in two age level groups. Wednesday night meetings are at 7:30 p. m. and Sunday Bible School is at 9:45 a. m.

Mrs. Mapes Entertains New Years Dinner

Mrs. C. J. Mapes was dinner hostess on New Years Day to members of her 84 Club.

Mrs. Mapes served turkey with all the traditional trimmings in formal dining room of her home from a table laid with a blush-pink satin cloth overlaid with net. The red and white centerpiece was a clever New Years motif.

Guests for dinner and "84" were Mesdames Ethel Womack, Ruth Wilson, Cletha George, Clara Fuller, Hattie Webb, Myrtle Wright, Maggie Boren, Faye Holland, Janie Hastings, Pearl Sadler and Willie Waggoner.

Lubbock Is Host Harlem Magicians

An unequalled blend of basketball and comedy will be on display Jan. 22 when the famed Harlem Magicians invade Lubbock to meet the Ex Raider All-Stars in Municipal Coliseum.

The Magicians feature the two top cage entertainers of all time -Goose Tatum and Marques Haynes. Tatum, the team's zany pivotman, is acknowledged to be the "Clown Prince of Basketball." Haynes, a guard, is probably the greatest exhibition dribbler in the sport's history.

As former stars of the Harlem Globetrotters, these two entertained crowds the world over. The Jan. 22 game will mark their first appearance together on the South Plains, and a big turnout is expected. Opposing the Magicians will be a squad of ex-Texas Tech court stars led by Player-Coach Carl Ince.

Tickets for the 8 p.m. game are priced at \$2.50, \$2.00 and \$1.00, with all seats reserved. Area fans who

wish to obtain choice tickets now the proper amount to Pro Basketball, Box 5002, Lubbock.

THE BUDGET

Soon after January 10, 1962, the President of the United States will submit his annual Budget Message to the Congress. This will be the first official Budget Message to be submitted to the Congress by President John F. Kennedy. The Budget Message for Fiscal Year 1962 was submitted to the Congress on January 16, 1961 by President Eisenhower, having been prepared by his Bureau of the Budget and other departments of the government. Fiscal Year 1962 began on July 1, 1961 and continues through June 30, 1962. The total budget request was \$80.9 billion. The estimated income or receipts during the period were \$82.3 billion. The word "estimated" is used because it is impossible to tell just what the actual will be, since these depend upon economic growth and many other factors.

It is not unusual for Presidents to present a budget which reflects that there will be a surplus. For instance, in 1958 the President's

Dr. Milton C. Adams

Budget Message made this statement: "The President's Budget proposes that the Federal government spend \$1.8 billion less than its estimated revenue in Fiscal year 1958 the Budget receipts from taxes and other sources are estimated to \$73.6 billion in the next Fiscal Year. From this income, the 1958 Budget provides for expenditures totaling \$71.8 billion. When the smoke had all cleared away and actual figures could be found, there was a deficit in the year 1958 of \$2,819 million. This was so because the income of the government was not \$73.6 billion, as estimated, but was only \$69.1 billion.

In 1959, the Budget Message indicated that the budget receipts would be \$74.4 billion and that expenditures would be \$73.9 billion, leaving a surplus of \$500 million. However, in September of 1958 the President's office issued another Budget Message on the 1959 proposals, which was termed "The Mid-Year Review", in which it was stated: "A substantial deficit is now in prospect for Fiscal Year 1959." When the smoke had cleared and actual figures were available, the budget expenditures had amounted to \$68.3 billion as against the original estimate of \$83.9 billion. But income had amounted to \$68.7 billion as against the previous estimate of \$74.4 billion, hence, instead of a surplus of \$500 million, the result was the largest deficit in peacetime history, to-wit: \$12.4 billion.

In the year 1953, the budget report indicated an estimate of \$71 billion in income. Actual income amounted to \$64.8 billion. In 1954, the estimated income was \$68.7 billion. The actual income was \$64.6 billion. In 1955, the estimated income was \$62.7 billion. The actual income was \$60.4 billion. In 1956 it was estimated that the income of the government would be \$60 billion and that the expenditures would be \$62.4 billion, leaving a deficit of \$2.4 billion. However, the guess was wrong again, both as to

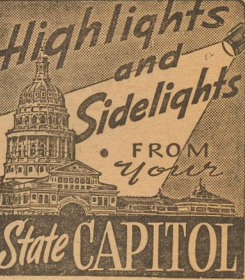

receipts and expenditures. The actual receipts were \$68.1 billion, while the expenditures were \$66.5 billion. The unexpected receipts should have resulted in a surplus of some \$6 billion, but the overall result was a surplus of \$1.6 billion. In 1957 it was estimated that the income would be \$66 billion, but when the year was over it had amounted to \$71 billion, an increase of \$5 billion. However, instead of a \$5 billion surplus, it was discovered that the expenditures had been over-estimated and the taxpayers ended up with only a \$1.5 billion surplus instead of the \$5 billion. But, as you will see in the first part of this newsletter, this surplus was completely obliterated in 1958 because of a \$2.8 billion deficit. So it goes; it seems that the Bureau of the Budget, which is part of the President's official office, is not very good at guessing.

The 1962 Budget Message, which came to the Congress on January 16, 1961, contained this statement: "Money which has been borrowed by the Treasury and not yet repaid is called the public debt. Most borrowing is from the public, but the Treasury also borrows from the larger trust funds which have authority to invest in Government securities. The principal factor which determines the amount by which the public debt increases or decreases from year to year is the budget surplus or deficit." Hence, from reading above, you will no doubt surmise that the public debt has been increased. In Fiscal Year 1953 the public debt was \$266 million. The debt had a few ups and downs, but in 1960 it reached a figure of \$284.9 billion. The estimates were that it would be reduced in 1961 and 1962, but it would appear from present information that the bad guessers are still at work.

Talk of ending the special session of the Legislature on its opening day turned out to be just talk. When the lawmakers got to town at Gov. Price Daniel's call, little support could be mustered by Sen. George Parkhouse of Dallas and Rep. Charles Ballman of Borger, for immediate adjournment.

So, the show is on—and already moving at a fast pace. Governor Daniel immediately laid out his proposals for solving some long-standing problems. Included were the following:

BANK ESCHEAT: Here a compromise with bankers was sought,

INTEREST RATES: Daniel made no specific recommendations to the lawmakers on interest rates and loan regulation, except to say that the rates proposed by the Texas Legislative Council were too high.

Here there is tremendous difference of opinion among legislators, over two issues.

First question is—"what is a small loan?"

Some think interest ceilings should be held to 10 per cent on all loans over \$500 while others

think higher rates should be allowed up to \$3,000 to include the auto loan category. Latest proposal would regulate rates up to \$1,500 or \$1,000, thus hold interest to a 10 per cent maximum on all loans over that amount. This issue will be hard fought and many legislators do not expect it to be settled when the 30-day session is over.

TURIST ADVERTISING: Daniel urged a \$300,000 appropriation for advertising Texas to tourists. Proposal is backed by numerous organizations who feel that the investment will pay big dividends to the state, especially since the state now has a sales tax.

JUVENILE PAROLE: Last year the start was made on a system of state-paid parole officers to supervise boys and girls released from the juvenile schools. But money was provided to pay only six men, including a state director.

Daniel asked for 17 more parole officers. Most legislators agreed on the need, but worried about where to get the money.

One thing is certain—this Legislature won't raise taxes again—not this year.

It is an unusual Legislature in another respect. It has two Republican members.

Kenneth Kohler of Amarillo took office first, so he is being called the "minority leader" of the House.

His GOP colleague from Texas City, George Korkmas, makes it the largest Republican membership in the Legislature since back in the 1870s, when there were many Republicans in office in Texas, including a governor.

CANDIDATES ARE BECOMING ACTIVE—Politics is perk'ing up! Former House Speaker Waggoner Carris at the rail and ready to run for Attorney General. Actually the Lubbock attorney, a Democrat, has been quietly campaigning for

the office for several months. Austin Attorney Walter Koch is an announced candidate for Associate Justice of the Court of Civil Appeals, Third Judicial District.

Judge William A. Morrison of Cameron has announced for reelection to the Court of Criminal Appeals, on which he has served for 11 years. District Judge Otis Dunagan of Tyler has announced against him.

RECIPROCAL PRIVILEGES—Texas Game & Fish Commission has decided to revive efforts to get reciprocal fishing privileges on the border rivers and lakes.

Neither the Texans on Lake Texoma nor the Louisianans on Lake Caddo can tell where the state line is. Sometimes they get fined by the other state's game wardens for not having a fishing license.

Time and time again negotiations have been begun, only to have the change and the new ones didn't pick up the ball.

This time, Chairman Frank Wood of Wichita Falls will go to Oklahoma to start talks there. Henry LeBlanc, president of the Sportsmen's Clubs of Texas, will try to get things rolling in his position as Southwestern director of the National Wildlife Federation.

Industry Board picks Clark—Texas has an industry-seeking agency—the Texas Industrial Commission.

It got a new director in Harry W. Clark, who has been head of industrial development for the Texas and Pacific Railway Co. He replaces Walter Dickerson.

Commission decided to center its efforts on coordinating and complementing the work of community industry seekers. Also to serve as an information center for facts help advertise Texas nationwide.

Legislature provided them \$55,000 for these purposes last year.

AIRED UP BREAD—Agriculture Commissioner John White sent word to all bakeries that the "balooned loaf" of bread is illegal under the state law.

White said this new "over-sized" loaf has appeared in several parts of the state.

It actually weighs a pound. But if filled with air it bakes into a loaf the same size as the pound and a half loaf. Weight is printed in small type, so shoppers find it hard to tell the difference.

The state's grocery policeman said if bakers don't cooperate by stopping the practice he'll stop them.

BACK TO THE BLACK—State revenues will begin to pull into balance this month, as the first full quarter of returns on the new sales tax reach Comptroller Robert S. Calvert.

Since the new law took effect, only \$22,000,000 has come in, and it just about held things even on the state deficit of \$75,000,000 or so.

Quarterly payments by stores, on sales for the last three months of 1961, are due Jan. 31. They should total about \$45,000,000, less the \$11,000,000 merchants paid in advance in November and thus get a 3 per cent discount.

But it will be summer of 1962 before the new sales tax wipes out the deficit, if all goes as predicted.

On effect of the sales tax has been to get stores located so they will pay the "store tax" which has been in effect many years.

A year ago at this time, only 81, 109 stores had paid this tax. This year, 116,393 have paid it.

It all came about when stores were required to get permits as collectors of the new sales tax. Comptroller Calvert cross-checked their names, and collected the "store tax" from them while he was at it.

V. F. W. ANNUAL COMMUNITY FARM SALE

JANUARY 27, 1962

We will sell anything. Anyone with any kind of listing please contact or call 647-3904, 647-3551 or 647-3767 as soon as possible.

SALE WILL BE AT FAIR GROUNDS

Many thanks to the members of the V.F.W. Post and Ladies Auxiliary for helping distribute candy, nuts and fruit to the underprivileged children of Dimmitt for Christmas.

Commander and all officers

Why Men Join the V. F. W.

BECAUSE they receive the expert help of V.F.W. National Rehabilitation Service Officers in their nearest VA Regional Office, if and when they should need hospital care.

BECAUSE the V.F.W. helps in protecting the existing veteran benefits which they receive now, or to which they may be entitled in the future, through the labors of the V.F.W. National Legislative Service in Washington, D.C.

BECAUSE they receive admission without cost to the V.F.W. National Home, Eaton Rapids, Mich., for their children in event of their death—with complete assurance they will enjoy every chance to become proud, healthy and educated citizens.

BECAUSE of the expert assistance of Post, State and National Rehabilitation Service, Employment and Welfare officers if they should need it.

BECAUSE it is an ideal opportunity to take an active part in their choice of V.F.W. patriotic, community service or youth welfare activities.

BECAUSE as active members of a V.F.W. Post, they have every opportunity to develop their potential talents as competent public speakers, respected civic leaders and better citizens.

BECAUSE the social activities sponsored by V.F.W. Posts give their families the chance to mingle with old friends and make new ones.

BECAUSE of the satisfaction of knowing they are supporting an organization that is fighting for maximum defense of their country.

BECAUSE of the knowledge that they are giving strength to the V.F.W. in its efforts to alert the American people against the evils of communism.

Anyone eligible and wanting to join the V.F.W. may do so by contacting one of the present members.

Moving Away List

D.H.S. is losing some outstanding students to other schools in Texas this semester.

Marilyn Driver is leaving us to go to Memphis, Texas. Marilyn, while in D. H. S. has been a top member of her class.

Our next leaving lady is Connie Goodwin. She has been a cheerleader for two years, and an outstanding one, we can add.

To Students of D.H.S., I want to thank you for a wonderful 2 1/2 years and the great feeling of belonging to a place like Dimmitt High School.

Finding a young man who was leaving was not hard, for Joe Rivas is a person who will be mis-

sed much by his friends. Joe has a personality that seems to win friends everywhere.

Dear Students and Teachers, The students of D. H. S. are the luckiest in the world for having such wonderful teachers.

Bertha and James are leaving our school too. They are going to Hereford, Texas after taking semester tests today.

Dear Everyone, Goodbye and I enjoyed going to school the past 3 1/2 years.

Letters to the Editor

We are very proud of the students for yelling so well at the boys games, but it seems that no one remembers that the girls are important too!

We have a very outstanding girls team which never fails to yell for the boys, but it seems to us that

the boys could yell for the girls as well.

When we were at Duncanville everyone just yelled for us and they really gave us support; we enjoyed it! And conference games are beginning and we need the support more than ever.

There has also been a lot of "booming" lately. We are aware of the fact that the students are not the only ones participating in this childish act.

Let's all remember to support all our teams and to be good sports ourselves as we enter into what we are hoping will be a year to remember in the field of athletics.

Dear Bonita, I am in complete agreement with you. We do have a fine girls and boys teams as well.

As for the Booming!! Lets don't give DHS a name or the title that other schools in this area have attained from booming.

Thanks for your letter and your interest.

About Your HEALTH
HENRY A. HOLLE, R. D. Commissioner of Health

It's only natural when people think of statistics to conjure up visions of charts, computing machines and stacks upon stacks of dusty records.

Indeed all of these things are present—except the dust—at the State Health Department's Records and Statistics Section. Everyone is too busy to let much dust collect. Actually, there is considerable drama involved in the day-to-day routine of the Section's programs: Current Records, Record Services, Machine Tabulation, and Statistical Services.

The Current Records program is responsible for registering all birth certificates based on adoption and legitimation, and filing amendments based on court orders of change of name.

Nearly all Texans, at one time or another, require the services of the Records Services program. These include requests for certifications and verifications from birth and death certificates which are filed in Austin, searching the files, filing delayed certificates of birth, and processing more than a half million pieces of mail annually.

Busiest season for the year is middle and late summer, when tens of thousands mothers request certificates to submit to schools as proof-of-age for entering first-graders.

MRS. BOREN ENTERTAINS
Mrs. Margaret Boren was hostess Wednesday afternoon at a bridge party. Refreshments of ice cream and cake were served to Mesdames Roy Cluck, Sid Sheffy, Ann Singer, George Bradford, Posie Cunningham, Pearl Sheffy, Clarence Bearden, N. F.
