Bronte To Have Lions Club

The long-talked plan of establishing a service club in Bronte appeared a step further along last Tuesday night, Oct. 21, when a delegation of four Ballinger Lions came to Bronte to meet with a representative group of Bronte men to discuss plans for the organization and establishment of a Bronte Lions Club.

Heading the visiting delegation was Judge E. C. Grundstaff of Ballinger, former governor of District 2-A, which is composed of 66 Lions clubs scattered over a wide area of West and Central Texas.

He was accompanied by S. E. Cloninger, present head of the Ballinger Lions Club and Texaco agent there, John Purifoy, insurance man, who is both past-president and past-secretary of the Ballinger Club, and Noel Smith of Ciebume, staff member of Lions International.

Each of the visitors spoke a few words about the purpose of Lions Clubs, and their organization, and Grundstaff pointed out that L. T. Youngblood, president of the First National Bank of Bronte and UCRA chairman, was the man who presented the original charter to the Ballinger Lions Club some 20 years ago.

Bronte at one time had a Lions Club, but it lapsed a few years back.

Smith noted that the club needed a president, three vice-presidents, a secretary-treasurer, lion tamer, tail twister, and four directors, and noted that dues were \$5 for membership, plus \$1 a month for regular dues.

Twenty men are needed to form a club, and there is no age limit involved, it was pointed out.

Several Bronte men gave their opinions on the proposed organization, and it was agreed to meet in the Bronte City Hall next Tuesday night, Nov. 4, at 7 p. m. to complete plans and organization for the new Lions Club.

At that time, officers and directors will be named, and a regular meeting time and place are to be decided upon by those present.

Prospective members were also invited to attend the meeting of the Ballinger Lions Club at noon today, and one or two carloads of folks are expected to attend their session.

Bronte men present for the meeting included Edward Cumbie, H. O. Whitt, Noah Pruitt, J. W. Labenske, Hiram Brock, Tuny Glenn, Chet Holcombe, J. T. Henry, W. W. Millikin, Cecil Kemp, Jeff Dean, L. T. Youngblood, Ed Nunnally, R. T. Caperton, Norman Kiker, and Ed Fletcher.

Sr. WHD Club Meets

By Mrs. Charlie Keeney

The Sr. WHD Club met last Wednesday, Oct. 29, with Mrs. O. W. Chapman serving as hostess.

Mrs. Donald Huffaker conducted the opening exercises, Mrs. J. L. Keeney spoke on the origin of Halloween, and members discussed the making of home-made Christmas gifts.

Members present were: Mmes. Frank Keeney, T. C. Price, Donald Huffaker, J. B. Glenn, Sr., V. E. Beasley, J. L. Keeney, J. D. Leonard, B. E. Modgling, F. E. Modgling, and Fred McDonald.

The next meeting will be with Mrs. J. B. Glenn on Nov. 12.

WENDEL LAMMERS HOME

Charles Wendel Lammers, S2, USN, son of Mr. and Mrs. V. C. Lammers of Bronte, has completed recruit training at the U. S. Naval Training Center, San Diego, Calif., with Company 70. During recruit training, this company won the Bag Pennant, which is awarded for best condition and cleanliness of personal belongings. This pennant was won in competition with from 20 to 24 companies, each company consisting of approximately 130 men. Lammers entered Naval service on July 24, 1947, at Houston. Before this he attended high school at Jefferson Davis, Houston. During training Lammers was picked as a Squad Leader.

This time the moisture amounted to around 1 1/2 inches, and fell more or less all during last weekend. In fact, there was rain Friday, Saturday and Sunday, in varying degrees, with creeks on a rise, and the Colorado River several feet up and quite muddy. Points north and east of Bronte were heavily rained on, in some amounts up to and over five inches of dampness!

SHOULD WE HELP EUROPE'S NEEDY?

By Bobbie Lee Miller

This question has been brought up many times in BHS this year. Here's what the kids think—

Homalie Clark—"We should apply the Golden Rule, do unto others as you would have them do unto you."

Judge Sandusky—"Yes, because we would want them to help us."

Gerald Lee—"I think we should help our Allies, but not the ones who started it because they didn't our boys in the prison camps."

Alvin Mauldin, Jr.—"Yes, if we don't help them now, then later they will cause war."

Bobbie Jean Lee—"Yes, we would be showing Christianity and furthering the cause of humanity."

Adolia Fuentez—"Yes, the children didn't have anything to do with the war and they're the ones suffering."

Nola Laurance—"Yes, everyone was not guilty."

LeDrew Arrott—"No, because they will be fighting us some day."

Junior Hipp—"No, because they wouldn't help us."

Bobby Scott—"Yes, because they need the help and as long as we can give it we should do so."

Charles Westbrook—"No," because they will turn back and fight us soon."

Thus, out of a total of 11 students interviewed, 8 favored helping the needy, three opposed it.

WHAT GOES ON

Mrs. Bob Knierim and Wylie Clark returned Sunday night after spending the weekend in San Antonio and Austin, respectively. While in San Antonio, Mrs. Knierim visited with three of her sisters, Mrs. Tannie Luttrell, Mrs. Hattie Clark, and Mrs. Cova Bennett, also two nieces, Mrs. C. E. Wood and Mrs. Mose Sanderson.

Wylie was a guest of his twin brother, Riley, and his family, including the grandchildren. Wylie also took in the Texas-Rice game, and got a big kick out of seeing the Longhorns down the Owls. And we'll admit, we did too.

Will Thomason declared this week he was ready for business again after being closed a day or so for repairs to Dewey's Cafe, which he and Mrs. Thomason recently purchased.

Will has newly remodeled the cafe, installed a new steam table, dish washing sink, sterilizer, hot water heater, deep freezer, lots of new shelves, and a paint job or two. He has invited the school kids in to offer a new name for the cafe, with the winner to receive a free \$5 meal ticket there. He also specializes in steaks and shoestring potatoes, from 75c to \$1.25, and offers a special Sunday dinner for after-church mealtime.

According to Mayor H. O. Whitt, the Bronte water wells are in good shape. There's no water shortage, the wells are delivering more water than ever before since they've been cleaned out recently, and folks are invited to use as much water as they desire. Bronte's new water superintendent, Bob Herron, is doing a good job, and folks are well pleased with his work.

B. Potts and Rosie A. McDowell were issued a marriage license last Saturday in Robert Lee, according to County Clerk Willis Smith. On the same date, Elmer D. Atkins and Barbara Ross also received a license, and were married that night.

Marjorie Percifull, daughter of the J. A. Percifull, is now in Marysville, California, awaiting orders that may send her to Hawaii.

Uncle Sam Says

This is a good story and it's about you, pop. The chapter I am reading is entitled "Security." It tells about your Payroll Savings, the easy, automatic way you are building up a comfortable nestegg for the future of yourself and your family. Best part of all, pop, is the fact that millions of my nieces and nephews have the same important place in this story of a happy future as yourself. They, too, are buying United States Savings Bonds regularly.

JOYCE WRINKLE

JOYCE WRINKLE NAMED QUEEN

Queen Joyce of the House of Wrinkle will be Queen of tonight's festivities at the high school P-TA carnival. Her coronation will take place at 6 o'clock, and everybody is invited to view this magnificent ceremony, then follow the Queen's court to the Spanish Room to dine.

Joyce, daughter of Mr. and Mrs. George Wrinkle of Bronte, is a 7th grade honor student, and her winning of the Queen's race came as a surprise to everyone but the 7th graders.

It can now be revealed that the 7th graders had plotted long and carefully to win this race. They all agreed to keep very quiet about their plans, to say nothing about the money they were raising, and to let the other classes think they were doing nothing.

Actually, the 7th graders went to work on the affair hammer and tongs. Groups of 7th graders canvassed the town, collected money, then put it safely away, leaving only a few pennies in various bottles around town, so other contestants would believe they were not doing much for their candidate.

The 7th graders received a lot of kidding from the others, which they took with a grin, keeping their mouths closed and saying nothing.

But they had the last laugh Wednesday, when the count revealed their efforts had resulted in raising over \$45 for their candidate, Queen Joyce Wrinkle, who will receive her crown tonight at 6 p. m.

WEEKLY SERMONETTE

By Rev. C. R. Blake

I was glad when they said unto me, Let us go unto the house of the Lord. (Psalms, 121:1.)

This text should be a challenge to us. I can think of several reasons why we should be glad to go to the house of the Lord:

We have religious freedom; worship is not suppressed nor prohibited. It is a divine privilege. We have access to God's precious promises.

It is a sacred duty: We owe it to God who saved us—we owe it to ourselves to praise Him.

It will bring a blessing, one which you cannot obtain elsewhere. Come with us to God's house next Sunday, and be made glad.

HOT CHECK ARTIST CAUGHT

Sheriff Paul Good reported last Tuesday that the recent hot check artist who made Bronte had been apprehended by John Woods, highway patrolman and deputy sheriff of Reeves County, and that he was lodged in the jail at Pecos.

Going under the name of Darien or A. V. Ashlock, the 20-year-old youth worked his racket by entering a town, enrolling in school for a day or so, then coming to town after the banks were closed, making a small purchase and asking the merchants to cash large checks for him, written, of course, on an out-of-town bank.

After working Bronte, the youth also tried his racket in Robert Lee, moving then on to Colorado City and points north.

The sheriff was unable to say whether or not the youth could be returned, fearing there might be other warrants out against him for his activities. Paul related that he had five warrants himself, and left Wednesday for Pecos to return the youth to Coke County.

A reward of \$25 was offered for information leading to Ashlock's arrest, and the information broadcast around was a distinct help in leading to the youth's capture.

MENARD EDGES BRONTE, 12 7

By Bedie Franklin

The Menard Yellowjackets defeated the Bronte Longhorns by a count of 12-7 last Friday afternoon, Oct. 24, on the Bronte gridiron in a non-conference scrap.

Menard scored first on a 2-yard plunge through the line, made by Joe Tipton.

Then the Longhorns drove 60 yards for their touchdown. Billy Bob Herron did some good running and a pass play from LeDrew Arrott to J. B. Arrott netted 35 yards.

LeDrew Arrott drove over from the 2-yard marker, and Herron added the extra point from placement.

In the last half, the Yellowjackets unleashed a 75-yard drive to go ahead when Joe Tipton galloped 6 yards behind good interference, going around end for the score.

Gerald Lee, Jack and Bobby Vaughn turned in good defensive games.

The Longhorns battle Norton's Eagles today in Norton, in their first district encounter.

The teams' records so far this season are as follows: Norton beat Miles 16-6, Winters "B" by 7-0, and scored 0-0 in a game with Miles later, while losing to Paint Rock 13-0, and to Christoval 38-0.

"IT CAN'T BE DONE"

"Somebody said it couldn't be done. But he, with a chuckle, replied, That maybe it couldn't, but he would be one."

Who wouldn't say so till he tried. "So he buckled right in, with the trace of a grin."

On his face, if he worried he hid it. He started to sing as he tackled the thing.

That couldn't be done — and he did it."

Mrs. Frank Dean Bryan was dismissed last Wednesday.

WEST TEXAS UTILITIES COMPANY AWARDED NAVY CITATION—A citation signed by James Forrester, as Secretary of the Navy, is presented to Price Campbell, president West Texas Utilities Company, by Commander G. E. Talbutt, USNR, in recognition of services rendered the Naval Reserve Program during 1947. Commander Talbutt, Naval Reserve Field Administrator, in presenting the citation, pointed out that the operation of the Naval Reserve in this territory is being materially aided by the cooperation of such institutions as the West Texas Utilities Company. Mr. Campbell, in accepting the citation, reaffirmed the principle that the facilities of the West Texas Utilities Company are dedicated to the public's service.

MR. AND MRS. JAMES SAUNDERS

ALEXANDER CITY, ALA.—" . . . I was more honored and rendered a greater service as superintendent of a Methodist church Sunday school than as Governor or Senator of my State. . . . These sentiments of the late Hon. Braxton Bragg Comer of Alabama, inscribed on a bronze tablet in his church here, so influenced his son, Mr. Donald Comer, that, as shown above, he recently signed a check for \$1,685,372.22 as a voluntary contribution to his company's employee's retirement plan. Like his father, Mr. Comer, the chairman of the Board of seven great textile mills, highly regards his own service as superintendent of the same Sunday school. Leaders who are urging Christian education as a cure for industrial strife, such as those of the Methodist Crusade for Christ in their current endeavor to increase Church school attendance, see this principle demonstrated in the Comer family.

THE ETHICS OF SAVING

The wisdom of ages we have for our guide,
 Showing how men have lived and how they have died.
 From Solomon's Proverbs to the wisdom of now,
 We are taught the ethics of saving and how;
 But it makes little difference by whom they are taught,
 These lessons by many are all put to naught.
 Saving is simple, it has no complex plan;
 Just store for the future whenever you can.

PLAYING THE GAME

calls for a sense of good sportsmanship as well as cooperation and fair play, both on the field and off the field, among both players and spectators.

We are sorry to hear that a fine football team and student body have been penalized for unsportsmanlike conduct for which they were in no way responsible. Be it to their everlasting credit that they had nothing to do with the trouble that brought probation on them.

Coch J. Neely of Rice recently expressed the feeling of football coaches, student bodies, and faculty members when he lashed out at gamblers, whose inability to take losses results in gridiron trouble, such as was witnessed in a recent major college contest, was seen in a nearby baseball contest, and has appeared elsewhere in other athletic events.

When outsiders seek to intimidate or threaten football or baseball officials, the game passes from the ranks of fun-loving sport to something ugly and repressive.

Let all of us, indeed, back to the utmost our school officials, student bodies, faculty, and administrators, to the end that athletics remain under the control and supervision of the schools themselves, not the outsiders, lest there develop an open season upon all who try to officiate, to the detriment of the schools and the fine sportsmanship they seek to teach.

Rev. and Mrs. C. R. Blake have returned home after a two weeks visit in New Mexico, where they were the guests of his parents. Reuben declares he's feeling a lot better now, and invites his friends and members of the congregation to be present Sunday morning for the regular periods of worship.

The Methodist District Conference will meet Thursday, Nov. 6. This is the half-way point of the church year, so a large crowd is expected for that occasion.

Don't forget Achievement Day on Nov. 8 when Coke County ladies will display articles they have made during the year. It'll be held in the building of the Bronte Tractor Co., a week from tomorrow.

8TH GRADERS ENTERTAINED

The 8th Grade class had a party last Friday night in the home of R. C. Lasswell.

Those present for the occasion were: Bobby Lasswell, Bobby Duncan, William Franklin, Kitty Sue Gaddy, Hattie Jane Snead, Peggy Proctor, Ted Simpson, D. L. Terry, Jo Phillips, Oidua Beavers, Mr. and Mrs. Duncan, Mr. and Mrs. Royce Fancher, Mr. and Mrs. Lasswell, Mrs. Brunson, Mary Jackson, Mary Jane Powell, and Wanda Bell Snead.

GRADE SCHOOL NEWS

Halloween is in the air for the 7th graders. Everyone came in with prickly pears and various sorts of stickers last Tuesday, for we're helping decorate the Spanish room.

Mrs. Glenn, we really liked that jitterbug solo you did at the pep meeting. With such pep by everyone, nobody could beat our team.

A hint to the wise — give grade school a chance to yell at pep meetings — we can sing too, so why not ask us!

We nominate the 7th grade as the "somethingest" grade in school — some jump on us, but you can't beat us for unity and cooperation.

Glad to see Janell back in school, but Camille, what hit you? If you keep turning your desk over on yourself, you may get hurt.

Loretta Young is still absent from the sixth grade, and Donald Mauldin is now enjoying his new glasses.

Harold Joe Denton is absent, along with Clyde Sherrod.

Welcome to Ruth Wright, a new 5th grader.

Bill Maxwell and Nelan Bahlman were absent Monday, sorry boys.

Jimmy Coppedge of the 4th grade has been absent all week.

6th grade—take cover, here comes Mrs. Holcombe with that shot gun again.

GOOD SPORTSMANSHIP

By Supt. Jeff Dean

Bronte school officials, as well as officials of other schools of our country, are trying to teach good, clean sportsmanship to the boys and girls in our schools.

We believe in it, and when we fail to teach it we are missing the main idea for having high school sports. It has never been our policy to let the students participating in these sports make any remarks about officials in our presence which would cast any reflection on the officiating.

In our opinion it is better to be a good sport than a good athlete.

This is our position concerning the officials of our games. We always secure the best officials that we can get and pay for. We always get the officials of each game approved by the coach of the opposing team.

When we secure them we agree to turn the game over to them and let them call it as it should be. We feel responsible for their welfare and we want them to be treated as the gentlemen they are.

It is a reflection on our school and on our town for any person on the sideline to make insulting remarks to any of the officials before, during, or after the game.

We believe the officials are honest and are certainly gentlemen. If we didn't think so we would not use them.

It is not impossible for any official to make a mistake, and any bad decision on the part of the referee is unintentional. Only too often, some of the fans are prone to criticize the official unfairly.

We appreciate the conduct of our fans from Bronte. They have always shown due respect to the officials and the visiting teams.

Let's continue to do this and maintain the good sportsmanship reputation we now have.

P-TA CARNIVAL

Don't forget the P-TA carnival tonight, and be sure to visit the Spanish lunch room. There'll be a plate lunch which includes chicken and dressing, potatoes and peas, salad, rolls, and coffee, for 60c; and a Spanish plate with enchiladas, beans, tamales, slaw, crackers, and coffee, for 65c. And for short orders, there'll be tamales, chili, enchiladas, pies and coffee.

JUNIOR-SENIOR PARTY

Senior roommothers entertained the Junior-Senior classes with a costume party held in the gym last Friday night, Oct. 24.

Attending the party were Patsy Luckett, Kathryn Wrinkle, Prestine Davis, Homalie Clark, Martha Boatright, Wanda Tidwell, Loretha Wrinkle, Howard Smith, Billy Joe Luckett, Roma Richards, Bessie Mae Clark, Joe Butner, Gerald Lee, Charles Westbrook, Bill Brown, Royce Dean Clark, Bobby Butner, Bobby Vaughn, J. C. Boatright, Mrs. Homer Clark, Mrs. Bill Wrinkle, and Mrs. Buck Coleman.

HONOR ROLL

Brawn is not the only thing that can be given to our football team, for two of our senior stars reveal brains of worthy note—Judge Sandusky and Billy Bob Herron had two 100's on their report cards.

Seniors: Homalie Clark and Herron; 8th grade: Jo Nell Phillips, Hattie Jane Snead, Kitty Sue Gaddy, and Warren Tomlinson.

The P-TA Carnival tonight should be quite an affair, so everybody is cordially invited to come and take part on the program. Funds realized from the show will be used to the advantage of school boys and girls.
