BRONTE, TEXAS, JUNE 14, 1957

No. 24

Clean-Up Campaign Set For Next Week

The City Council in its meeting last Friday night set the week of June 17-22 as Clean-Up Week in Bronte. It was pointed out that the city is in particular need of a thorough clean-up after the recent rains in order to help destroy mosquito, fly and other insect breeding places. After the clean-up week the city will be sprayed.

Residents are asked to pile their trash and other debris in the alleys and it will be picked up at city expense.

County Audit Completed In This Paper

Final part of the Coke County Audit for 1956 appears in this issue of The Enterprise. In last week's paper was a detailed account of receipts and expenditures of various funds of the county.

This week a recapitulation of receipts and disbursements is shown in one table. A second table shows the bonded and warranted indebtedness of the county. It shows all the outstanding bond issues of the county, rate of interest, date of issue, date of maturity, amount paid on both principal and interest last year and balance due on each issue.

Readers of The Enterprise are urged to file these tables for future reference.

AD-LIB-BEN

We want to congratulate the Junior Study Club on their project of numbering the houses here. Both the club members and Mrs. Helen Kirkland, city secretary, have spent many hours of work figuring out the system and designating numbers for each lot in town. This is one more step forward and is a definite improvement.

We hear rumors that another study club is going to erect some more street signs, too, which will make finding places even easier.

It may be confusing for some of us who are used to saying, "Go two blocks north, turn left and it is the third house on your right; the one that needs painting and has a green roof and three trees in front." Maybe that's exaggerated a little, but it will help to have the houses numbered.

Speaking of improvements, we still need a sewer system. In fact the need is growing more acute all the time — after the wonderful rains and now that really hot weather has begun. The atmosphere is just perfect for some sort of "bug" to spread like wildfire.

We read in the dailies that Queen Elizabeth and her husband are planning a trip to this country in the fall. Purpose of the jaunt apparently is to try to smooth over tensions which have existed between the United States and Great Britain since the British Lion roared into action during the recent Suez crisis.

You know, it's hard on the British to accept the fact that they are now a second rate power. England has owed her greatness to her co-

Continued on Back Page

Besides being a precaution against health hazards, the clean-up will add a great deal to the attractiveness of the town, Mayor Ernest Ivey said.

It was brought out at the meeting Friday that a number of complaints have been received by council members about streets in town being blocked. The council issued a statement asking the cooperation of everyone in seeing that nothing is left in streets which constitutes traffic hazards and blocks traffic. Mrs. Helen Kirkland, city secretary, pointed out that the city has had an ordinance against blocking streets and alleys for a number of years.

Park and Pool Regs Announced

In this issue of The Enterprise is a list of rules and regulations governing use of the new county parks and swimming pools in Robert Lee and Bronte. Rules for use of the community house in Robert Lee are also given.

The rules are made by a park board for each of the two parks, with the approval of the commissioners court. Rules which appear in this issue of The Enterprise were given final approval by the county commissioners in a meeting Monday.

They said they considered the rules necessary in order that there would be less chance of accidents occurring to those who use the pools and other park facilities. A list of charges for use of the facilities is also listed.

City Has Nearly \$9,000 On Hand

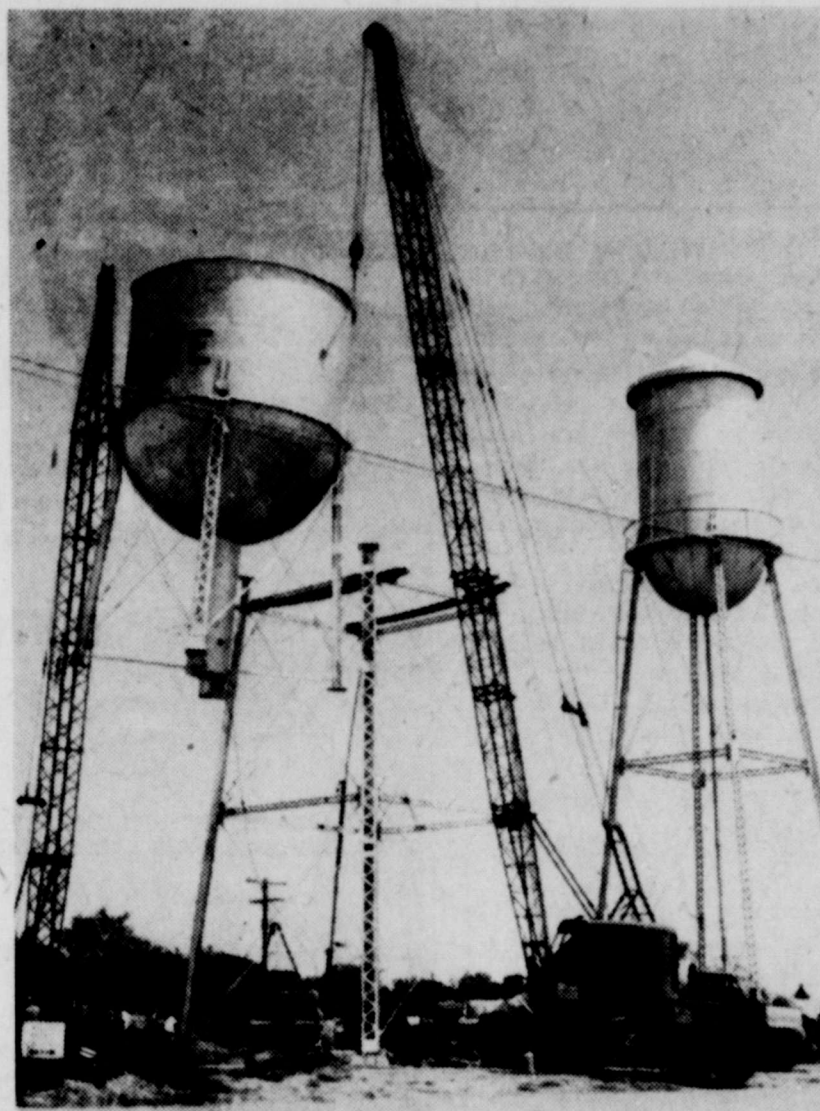

The City of Bronte has nearly \$9,000.00 on hand, as of May 5, according to a report made to the city council at a meeting last Friday night.

Figures for all eight accounts carried on the city books after payment of May 1 bills were as follows:

Waterworks	\$1,732.47
General	2,918.38
Special Waterworks	302.83
Street & Alley	625.43
Police Dept.	885.09
Fire Dept.	232.31
Sinking Fund	1,868.24
Social Security	387.09
Total	\$8,951.84

Considerable expense has to come from the waterworks fund to pay for raising the new water tower. A report will be made on total cost of the new tower as soon as it is available.

New Water Tank Is Up

UP SHE GOES—After many months of waiting Bronte residents were happy last weekend to see their new water tower being erected. Legs for the tower have been ready for some time, but city officials ran into considerable difficulty in securing equipment capable of raising the big 50,000-gallon tank. The tower was erected beside its older, but smaller sister, giving Bronte water users storage space for 85,000 gallons of water.

House Numbers Now Available At City Hall

House numbers which were ordered by the city for all houses in Bronte have arrived and may be picked up at the city hall.

The project of numbering the houses in Bronte was started and worked out by members of the Junior Study Club with the assistance of city secretary, Mrs. Buddy Kirkland.

Center of the town designated for numbering purposes is Main street for north and south numbers and U. S. Highway 277 for east and west numbers.

A representative of the Junior Club suggested that persons who have not paid their water bills pick their numbers up when they go to the city hall to make payment.

Mrs. Kirkland will select numbers for each house when they are called for.

Sorosis Study Club in Bronte erected street signs on the highway and Main street several years ago.

Nearly 1 Inch Rain Falls Here

Bronte and surrounding area received almost an inch of rain early Wednesday morning. The moisture was welcomed by ranchmen, but farmers who are trying to combine oats and get planting done were not so happy to see the downpour.

Colorful electrical displays accompanied the rain and fairly violent wind came with the cloud.

Robert Lee received .75 inch and the west part of the county got about a half inch. Up to 1½ inches were reported south of Robert Lee.

METHODIST NOTICE

Sermon topics at First Methodist Church Sunday are "Fathers" at the 11 a. m. service and "The Triune God" at the evening service. Mid-week Bible study will feature "Buddhism". A film strip on that religion will be shown.

Water Storage Capacity Now 85,000 Gallons

Bronte's new water tower went up last Saturday, giving the city a storage capacity of 85,000 gallons.

City officials are hopeful that the additional storage space will prevent a recurrence of the low water pressure which was experienced last summer by local residents.

The new tank was given to the city by the Santa Fe Railway Co. It was trucked from Mertzon over country roads to its present location, after the Department of Public Safety refused to issue a permit to move the tank along highways. Size of the tank made it a traffic hazard, the state men said.

The tank was erected by the Caldwell Construction Co. of Big Spring. Two huge cranes were used to lift the tank up to the top of the legs which were already constructed. No great difficulty was experienced in getting the tank up. However, it was a slow tedious process and great care was exercised, Mayor Ernest Ivey said.

Additional water storage was imperative for Bronte this summer due to the fact that the re-pressuring plant in the Bronte field, west of town, is using about 40,000 gallons of water a day in their cooling towers.

City officials have been trying for months to secure cranes to lift the tank to its perch atop the huge legs. Finding a contractor who was willing to tackle the job and who was not tied down with other work was a hard job, however. The Caldwell company agreed to do the job and began work last Friday. They had the tank up and their rigs back on the road Monday.

Oak Creek Lake To Be Lowered To Spillway Level

Oak Creek Lake will release water through a 24-inch drain pipe near the bottom of the big dam, to do down Oak Creek below the dam, within the next few days.

Sweetwater City Manager Garland Franks and Sweetwater Water Supt. Roy Duckett approved the idea which was presented to and approved by the Sweetwater city commissioners early this week.

One reason for the release of water is to lower the lake level to the spillway to permit necessary repairs to the spillway. Oak Creek is still running water and water continues to go over the spillway.

This has hampered access to the road across the spillway and it is necessary that traffic move across the road over the spillway.

Opening the valve would give Sweetwater the opportunity to test and adjust the big line through the heart of the massive earthen dam adjust the valves from all positions.

The water will not be lowered below the spillway level.

Mr. and Mrs. Merle Proctor returned Monday night from a week's visit in South Dakota. They stopped by to see the W. A. Hickman family on their way home. They reported that the Dakota country is "plenty wet."

Beginner Swimming Lessons To Start Monday

A beginners class in swimming will start Monday at the pool in the Bronte County Park. The class which will last for ten days, will be taught by Joe Don Wilkins and Richard Wayne Rees.

If enough persons are interested in the classes, two sessions will be held each day, said Aubrey Denman, park caretaker. One class will be held from 10-11 and one from 11-12 noon. Not more than 14 persons will be allowed to enroll in each class, thereby insuring that each student will receive plenty of individual instruction.

Rees and Wilkins returned this week from taking a Red Cross course in advanced swimming, swimming instruction and life saving at Ardmore, Okla. They are both qualified to teach the classes, Denman said.

Price for the course of instruction will be \$1.00 plus 15 cents per day for admission to the pool. Season tickets will not be good for admission to the classes.

After the beginners course is completed, an intermediate course is scheduled for those who pass the

first course and for more advanced swimmers who can pass a test.

Denman said that he has been approached on having a swimming session strictly for ladies one morning a week. He said he would be glad to arrange such a period if enough ladies are interested in it. He said those who would like an arrangement of this kind should contact him.

Denman said business at the pool is still booming. Up to Wednesday night 2683 pool users had been registered.

Here's Blackwell

By Mrs. Charles Ragsdale

Mrs. W. W. Youngblood has gone to Mississippi to visit relatives. She and her sister will go on to visit in Georgia and Washington, D. C.

Mr. and Mrs. Earl Cook have

had as their guests her mother and brother, Mrs. P. J. Jordan and Monroe Jordan of Portales, N. M.

Mr. and Mrs. R. V. Copeland have gone to Houston to be with their son, Tom V. Copeland, who will undergo surgery in a Houston Hospital. Mr. and Mrs. Tom V. Copeland are living in College Station where he is attending Texas A&M College.

Mrs. Ruth Hargrove and son, Jamie, of Douglas, Ariz., have been visiting relatives in Blackwell and Bronte.

Mr. and Mrs. R. H. Reaves of Austin have been visiting relatives in Blackwell and then went on to Tohoka and Bledsoe to visit other relatives.

Jimmy Hipp is ill in the Bronte Hospital.

Mrs. Delos Alsup has been visiting her son, Bruce Alsup, and family in Winslow, Ariz. She was accompanied by her three daughters, Mrs. Leonard Story and children of San Antonio, Mrs. Bryan Holly and children of Sweetwater and Mrs. Merlin Wilson and sons of Colorado City.

Mr. and Mrs. Earl Cook and son, Mr. and Mrs. Homer Cook and son and Mrs. Johnny Hall and daughters attended the Cook reunion in Brady Sunday.

Mrs. J. R. Thompson and children of Abilene are visiting her parents, Mr. and Mrs. Kelly Richards.

Mr. and Mrs. Jodie Van Zandt have as their guests his sisters, Mrs. Caps Blair of Grand Falls and Mrs. Mark Balentine of Tucson, Arizona.

Mr. and Mrs. Roy Sanderson visited relatives in Stamford Sunday.

Mr. and Mrs. Jake Davis and daughter of Fort Worth visited friends in Blackwell Monday.

CALLS FROM WASHINGTON

Mr. and Mrs. L. F. McCutchen received a recent telephone call from their son, Marlon, who is stationed in Oak Harbor, Washington with the U. S. Navy. He said that he had just returned from the Navy Softball tournament in San Diego, Calif., as a member of the winning team from his base. He said his team got into the finals in the West Coast Championship tournament, but lost the last game. He said his team would return to the same tournament in October and hoped to win it next time. He informed his family that he hoped to be home on leave in September.

IN NATIONAL HONOR SOCIETY

Marla Lou Rees, daughter of Mr. and Mrs. R. W. Rees, was chosen recently as a National Honor Society winner in the piano division. This was her second time as the award winner. This year's judging was held in the Massey Clubhouse in San Angelo May 8.

Requirements for the honor students are: the student must study from a National Guild teacher; the student must have at least two lessons a week and must memorize ten required pieces which are played before the judges.

Marla is a second year pupil of Mrs. E. R. Kreyer of San Angelo and will be a fifth grade student in the local school next fall.

Bronte Little Leaguers In Winters Circuit

Bronte's Little League has signed up for a spot in the Winters League play for this summer. Other members of the league are four Winters teams, Lawn, Drasco and Wingate, making an eight-team circuit.

Bronte's first game in league play resulted in a win for the locals last Monday night when the Longhorns went by the Winters Dodgers, 10-7. Victor Ivey pitched for the Bronte boys, and he, Raymond Hernandez and Ronnie Lee starred at bat. Outstanding in field play in this game were Royce Lee and Jim Morrow.

The Longhorns go to Wingate this Friday (today) at 5:30, when they take on the Drasco team. A complete schedule of the League play will be run in next week's Enterprise.

Present plans are to play three games each week. Two league games are on the schedule, and a third game will be played with an outside team. The outsiders game will be played in order for every boy who comes out to get to play.

I. C. Oden, Bronte's manager, said the bridge over Oak Creek between here and Winters is now complete, making it only about a 25 minute drive from here.

Sunday dinner guests of Mr. and Mrs. C. M. McCutchen were Mr. and Mrs. R. W. Fields of San Angelo. Calling later in the day were Mr. and Mrs. R. C. Lasswell, Mrs. T. G. Stinebaugh and Mr. and Mrs. H. M. Kirkland and girls Mrs. Fields is a sister of Mmes. Lasswell, Kirkland and McCutchen.

Weekend guests here in the home of Mr. and Mrs. D. K. Smith were their daughter, Mrs. James Range, and children of Wink.

Ellen and Bobby Brock and Stanley Daulong visited Mr. and Mrs. J. B. Pairish and Janson last week at their home in a camp near Midland. Bobby returned to go to work with a pipeline company in Midland.

NEWS FROM TENNYSON

By Mrs. Jack Corley

Marilyn Gaston of San Angelo spent the night with Janelle Gaston Monday.

Mrs. Jack Sharp and children of Big Spring were guests of the Marvin Corleys Saturday.

Mrs. D. J. Corley was admitted to the Bronte hospital Wednesday.

Tommy Latham is in the Bronte hospital recovering from a severe foot injury.

Mrs. Tom Green went to Sonora Friday to be with her grandson, Garry Harrell, who had a tonsilectomy that day.

Dee Arrott and Bennie Corley were among the group of boys who left Tuesday to attend a 4-H club meeting at Texas A & M College at College Station.

Mr. and Mrs. M. C. Lowery and family of Stephenville spent Friday night with the Jack Corleys.

The group and Mrs. B. R. Davis of Lynwood, Calif., went to Odessa Sunday where they attended the VanZandt family reunion.

Mike Gaston of San Angelo has been visiting the past week with his grandmother, Mrs. S. W. Gaston.

Johnny Gaston, Walter and Buddy Gaston of San Angelo spent Tuesday night with Mrs. S. W. Gaston and Sam.

Mr. and Mrs. Robert Brown and family went to Crane Sunday to visit his brother, Tom Brown and family.

Mrs. James Arrott attended the nurses homecoming at Shannon Hospital in San Angelo Friday and Saturday.

By FAY C. ROE

Home Demonstration Agent

The vacation was nice but am glad to be back home and at work again. Crops are about a month behind in the Paris area. People were rushing to get what cotton they could plant before another rain fell. The ground was so full of water that most of what fell early last week was standing in low places.

The Clothing workshop for 4-H girls 12 years old and older is to be held next week in the Home making cottage in Robert Lee. The girls are urged to be there by 10 A. M. on Monday with material, pattern and sewing equipment. Mothers are invited to come also.

An apple a day may keep the doctor away, but it takes an orange a day — or its equivalent to provide the Vitamin C recommended for maintaining good nutrition. Vitamin C is not stored in the body therefore it should be supplied on a regular day to day basis. Fruit punch served between meals might be a good way to get more Vitamin C.

Looks like a cooler summer for homemakers, with even more no-iron fabrics coming up. This time it's the table cloth manufacturers who are campaigning for easier laundering fabrics. They are aiming at a finish that will eliminate ironing cottons, rayons, or linen table ware. Look for the new finishes when you shop for yourself or for the June bride.

Sunday guests in the home of Mr. and Mrs. C. R. Smith and Linda were Johnny Smith, Dale Haralson of Abilene and Bev Blackwood of Winters. Johnny returned to Abilene Monday to enroll in summer school at Hardin Simmons University.

June 14, 1957

what's what

by whatley

We are leaving tomorrow for a vacation in the mountains of Colorado and Wyoming. I feel that I need a vacation after spending 8 days working with a group of little boys and girls in Vacation Bible School. I have made it sound like they were terrible, but, seriously, they were not and I enjoyed it all. The reason that I need the rest is being on the jump trying to keep every thing going off on schedule. I just hope that I succeeded in teaching them something.

At last winter weather has left us or so it has seemed that way for several days. We have never gotten around to putting up the air-conditioners since moving but, believe me, it has been making us want them. I still think we should have stayed home and worked instead of taking a vacation. But I do think it does you good to get away for a spell as you always have a different outlook on life when you return. We plan to spend a few days in Bronte during our vacation time.

From reading the home town paper, it seems that every one is taking advantage of the new swimming pool. . . old and young alike. If they could brave the cool weather that we have been having, there probably won't be standing room in it when it does get swimming weather.

We are minus one of our family this week as we got rid of the dog. The old saying still holds true—that you shut the barn door after the horse gets out—and that is exactly what we did. After the mean little canine tore up half our clothes off the clothes line and ruined the flower beds, then we get rid of him. But thank goodness he is gone, but not forgotten when I look at some of the rags he made of things.

MARY ANN GRAY AND WILLIAM GRUBB MARRIED SATURDAY

Miss Mary Ann Gray, daughter of Mrs. Gertrude Gray of Robert Lee, became the bride of William Otis Grubb, III in a double ring ceremony performed Saturday, June 8, at 7:30 p. m. in the Kickapoo Baptist Church here. Rev. Clyde W. Coleman of Grapevine, former pastor of Kickapoo church, read the ceremony.

The bride was given in marriage by her uncle, Claude Beavers, in whose home she has lived the past fifteen years. She wore a waltz length white lace dress over taffeta, fashioned with a scoop neckline. She carried white gardenias with rose buds atop a white Bible.

Her attendants were Miss Wanda Bell Snead, maid of honor, and

I am bringing you one of the best recipes that I have secured in some time. At least my family is very fond of it and it is so simple to make. It is called:

Strawberry Cake

1 pkg. good cake mix, calling for eggs.

1 pkg. strawberry jello

3/4 cup Wesson oil

1/3 cup water

4 eggs

1/2 pkg. thawed frozen berries

Mix the jello and cake mix and add Wesson oil and water. Then add one egg at a time, beating vigorously after each. Last add the strawberries. Put into 3 cake pans and cook about 30 minutes at 325 degrees.

Strawberry Frosting

1 box confectioners sugar

1/4 lb. or 1 stick of oleo

Cream together well.

Add the remaining 1/2 pkg. of strawberries. Beat until light and fluffy and spread on the cake. You might have to add a little cream if the icing seems a little too thick to spread nicely.

Mrs. Jimmy Brunson, matron of honor. The two attendants wore orchid lace dresses over taffeta designed similarly to the bride's dress. They carried bouquets of pink rosebuds.

Flower girls were Norma Lynn Pruitt, Bronte and Janice Coleman, Grapevine, who wore pink dresses and carried baskets of rose petals picked by the bride.

Horace Crawford of Fort Davis served as best man while Van Kountz of Fort Davis and Jack Gray of Robert Lee, brother of the bride, were ushers and candle lighters.

The church was decorated with white candles, white gladioli and white daisies. Mrs. Walter Phillips furnished piano music and soloist was Mrs. Grady Baker who sang "Because" and "The Wedding Prayer."

A reception followed the ceremony and was held in the Fellowship Hall of First Methodist church. It was given by Mrs. Gray and the aunts of the bride.

One hundred guests were registered and served from the four-tiered cake that was baked by Mrs. Lizzie Kiker, an aunt of the bride. Misses Dean Beaver and Wanda Snead, and Mrs. Larry Abbott presided at the bride's table.

When the couple left for a short wedding trip the bride wore a blue linen suit with white accessories. Mr. and Mrs. Grubb are now at home in Lubbock.

The bride is a 1955 graduate of Bronte High School and has attended Texas Tech College in Lubbock for the past two years. While in high school, she was active in sports and other school activities. She is a life-long resident of Bronte.

The groom is the son of Mr. and Mrs. Otis Grubb of Fort Davis. He is a graduate of Fort Davis High School and is now a student at Texas Tech in Lubbock.

MRS. EDWARD RAY POEHLS is the former Miss Joan Pearleen Webb, daughter of Mr. and Mrs. Lester Webb of Bronte. The couple was married June 1 at Maverick Baptist Church. He is the son of Mr. and Mrs. Ed Poehls of Norton.

Mrs. Larry Abbott Honored at Shower

Mrs. Larry Abbott, nee Rita McCutchen, of San Angelo was honored Saturday afternoon with a bridal shower at the Methodist Church here. Mrs. Abbott and her mother, Mrs. L. F. McCutchen, greeted guests as they came in and they were registered by Mrs. B. J. Gentry.

The bridal table was laid with a white cutwork cloth which was centered with an arrangement of daisies and a bride. Streamers read "Rita and Larry". Colors of blue and white were used. Gladioli were used throughout the room for decoration.

Miss Yvonen McCutchen served cake and Miss Tommie Ruth Phillips of San Angelo poured the punch. Miss Linda Henry played background music on the organ. Hostesses were Mmes. Clifford

Clark, Richard Beck, G. A. Braswell, J. A. Wells, Faye Scott, O. K. Nicholas, R. W. Rees, Lin Roberts, and Fagan Parker.

Jo Ann Cook and Wayne Jones to Wed

By Mrs. Charles Ragsdale

Mr. and Mrs. Homer Cook of Blackwell are announcing the engagement and approaching marriage of their daughter, Jo Ann, to Wayne Jones, son of Mr. and Mrs. B. W. Jones of Divide.

Jo Ann is a student in Blackwell High School and a member of the pep squad, basketball team and Homemaking group.

Mr. Jones is a graduate of Divide High School and is employed with a Dallas grocery firm.

The wedding is planned for July 14.

Out-of-Town Guests Here for Wedding

Out of town guests here for the wedding of Mary Ann Gray and William Grubb Saturday night were Mr. and Mrs. Otis Grubb and children, Jackie Leadingham, Willie McCutchen III, Albert Fryar, Horace Crawford, Van Kountz, all of Fort Davis; Mr. and Mrs. J. W. Shannon and children, Dallas; Mr. and Mrs. J. W. Peeney and children, Mrs. Johnnie Lee Shannon, all of Marfa; Mr. and Mrs. Henry Bean, Midland; Bill Young, Sterling City; Mr. and Mrs. Frank Demer and family, Water Valley.

Also Mr. and Mrs. Wesley Labenske and Mr. and Mrs. Dan Labenske and Debbie, Snyder; Mr. and Mrs. Dwain Pruitt and Suzanne, Abilene; Rev. C. W. Coleman and Janice, Grapevine; Miss Tyra Jo Noles and Miss Nora Thompson, Mrs. Lizzie Kiker, Mrs. Horace Carter, Robert and Reba,

all of Rotan; Mr. and Mrs. O. K. Nicholas, Mr. and Mrs. Charlie Phillips, Tommie, Mickey and Larry, Mrs. Larry Abbott, all of San Angelo.

And Mr. and Mrs. Frances Seltz, Mr. and Mrs. Barton Waldrop, Miss Gladys Waldrop, Mrs. Gertrude Gray, Jack, Patty, and Barbara, all of Robert Lee.

CLASS PICNIC

Mr. and Mrs. LeDrew Arrott and Mrs. Mary Ruth Stevens entertained Mrs. Lum Lasswell's Methodist Sunday School class with a picnic Tuesday night at the park.

Grilled hamburgers, beans, potato chips and fritoes, iced tea and cake were served to 21 persons.

Mr. and Mrs. J. A. Wells left recently to go to Tennessee where they will spend their ten-day vacation visiting relatives.

DAVIS CHILD IMPROVING

David Wayne Davis, son of Mr. and Mrs. Joe Davis, was reported improving early this week, following major surgery in a New Orleans hospital. Mr. and Mrs. Davis and David Wayne went to Louisiana June 1 and the surgery was performed the first of the week.

David Wayne would like to hear from his friends. His address is Ochsner Foundation Hospital; 4th Floor; Room 431; New Orleans, La.

Mr. Davis is on vacation from his duties with the Lone Star Co. and will return to Bronte at the end of his vacation. Mrs. Davis will remain in New Orleans until her son is able to come home.

Weekend guests in the home of Mr. and Mrs. E. J. Smith were her parents, Mr. and Mrs. J. O. Raley of Junction and her grandmother, Mrs. Alma Spieker, of San Angelo.

The Bronte Enterprise

June 14, 1957

ATTEND FUNERAL

Mr. and Mrs. A. B. Lammers returned Tuesday from Jacksonville, Texas, where they attended funeral services for his brother, H. B. Lammers, 69. Mr. Lammers, former resident of Bronte, died after a long illness. Funeral services were Monday afternoon in Jacksonville.

LOCAL NEWS

Mr. and Mrs. J. I. Adair accompanied their daughter and son-in-law, Mr. and Mrs. Charlie Phillips of San Angelo, to Houston Sunday. Mr. Phillips was scheduled to have a medical check-up at M. D. Anderson hospital there. They planned to return Wednesday.

Mr. and Mrs. Guy Strickland had as guests in their home Wednesday

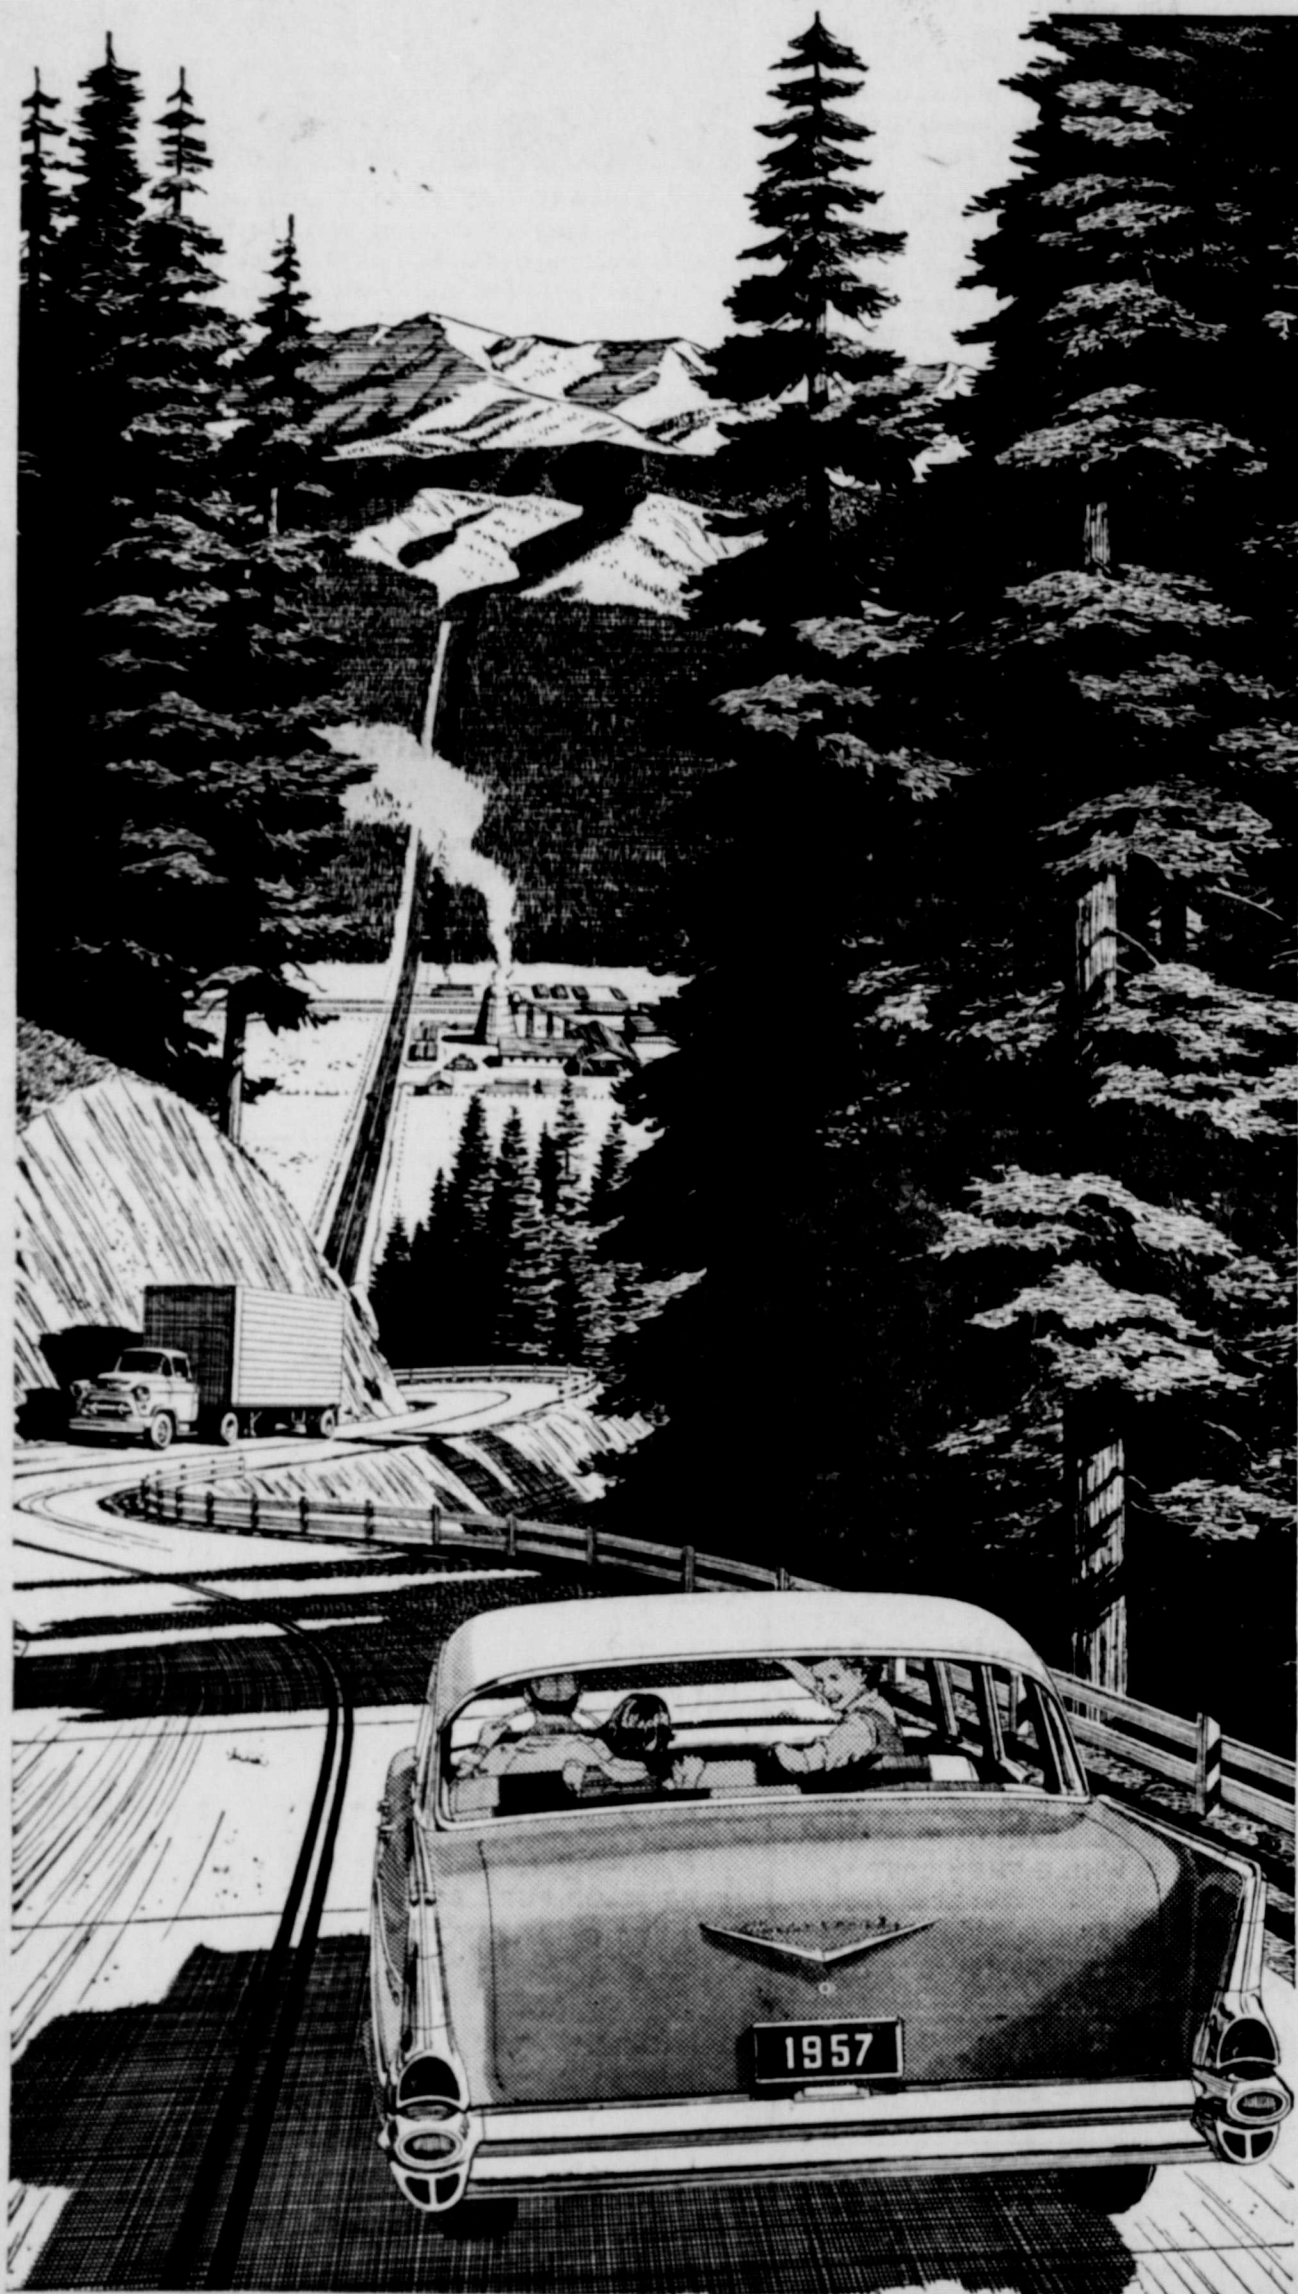

and Thursday of last week her mother, Mrs. W. T. Davis, and her sister, Gladys Atkinson, both of Bishop and Bill Mansfield of Beaumont. On Friday and Saturday the Stricklands went to Cisco to visit his father, E. N. Strickland.

Visiting in Bronte Saturday were Mrs. O. K. Nicholas and Mrs. Larry Abbott of San Angelo. Besides visiting friends and relatives, they attended a bridal shower for Mrs. Abbott Saturday afternoon and attended the wedding of Mary Ann Gray Saturday night.

A house guest of Mr. and Mrs. L. L. Wilkins is Mrs. Della Stewart of Odessa. She arrived last week and will make an indefinite visit.

Spending the weekend in Austin with Mr. and Mrs. James S. Hageman were Mrs. J. L. Hageman and Mr. and Mrs. C. E. Hageman and family.

LOCAL NEWS

Mrs. Faye Scott and Danny returned to Bronte Tuesday after a sight seeing tour through the west. They were accompanied by Mrs. Scott's sisters, Mrs. Imola Pirtle of Fort Worth and Mrs. Beatrice Stewart of Houston. They went to the Grand Canyon, visited in Las Vegas, and continued on to Northern California. While in California they visited their brother, T. A. Mitchell. They returned via El Paso where they went across the border and visited in Juarez, Mexico.

Mrs. C. C. Glenn has gone to Austin where she has enrolled for summer classes at the University of Texas. She is librarian at the Bronte school, and also teaches some courses.

MAKING IT LAW—On the right is Representative A. J. Bishop, who watches Gov. Price Daniel sign his bill making it legal to use a farm pickup for family and other uses. On the left is Sen. Charles Herring of Austin, who handled Bishop's bill in the Senate. Bishop, who lives at Winters and represents Coke, Runnels, Coleman and Concho counties in the legislature, had four other bills passed during this session. One was appointment of a committee to study and recommend legislative changes in the old age pension system; another was to invite Olympics champ Bobby Morrow to address the legislature; another prescribed procedure for granting or refusing a petition for the organization of water control and improvement districts; still another was for granting a loan to the Runnels County Water Improvement District.

New Highway Map Of Texas Just Released

AUSTIN, TEXAS — The official highway travel map of Texas, completely redrawn to include 450 towns not shown in previous years, has just been released by the Texas Highway Department, D. C. Greer, State Highway Engineer, has announced. These maps are

being distributed as rapidly as possible to fill a backlog of thousands or requests, and new requests are pouring in daily, Green said.

Inch for inch, the map — which is possibly one of the most widely known travelogues of the state — gives more travel guidance about the largest state in the Union than any comparable printed matter of such handy size. A new cartographic system employed to produce the 1957 map made possible the addition of 30 per cent more information. Multi-lane highways, farm-to-market highways and state and federal highways are indicated. Key altitudes also are noted, and roadside parks as well as state parks are indicated. The new map contains more detailed information than its predecessors.

All streams and public lakes of major size are shown, and cities with a population of fifty thousand or more are mapped as a city inset. Color photographs on the back side of the map picture Texas' recreational, industrial and landscape attractions. A running account of Texas history and the state's natural resources, climate, size, and recreational facilities and industries are included in the back-side information.

Recent guests in the home of Mr. and Mrs. A. B. Shields were Melvin and Elizabeth Shields of Roswell, New Mexico, who were en route to Puerto Rico. Other recent guests included Mr. and Mrs. Fred McCuan, a sister of Mrs. Shield's, of Kingston, Oklahoma and a daughter of the Shields' Mrs. Bill Tarrant, and Mr. Tarrant of Stamford. Last weekend Mr. and Mrs. Shields went to Dallas to visit another daughter, Mrs. Paul Morris, and family. Mrs. Morris returned home with them for a week's visit.

Guests in the James Allen home over the weekend were his parents, Mr. and Mrs. R. N. Allen of Kerrville. Also Mrs. Wayne Carmichael and Phil of San Antonio, Mrs. John Scruggs and Karen Gayle of San Bernadino, Calif., and Mr. and Mrs. David Allen and Linda of Colorado Springs, Colo. They all attended a family reunion in San Angelo on Sunday.

Boone Allison of Lariat stopped in Bronte Saturday morning to attend to business and visit his sister, Mrs. Henry Rogers and Mr. Rogers.

Mr. and Mrs. J. A. Percifull visited in San Angelo Sunday afternoon with Mr. and Mrs. Floyd Gravitt and children. It was Linda Gravitt's birthday and a party was in progress when the Percifulls arrived.

PERSONALS

Mr. and Mrs. Keith Lofton and Larry and Mrs. Lora Richards returned Sunday from a nine day vacation trip to New Mexico, Arizona, Utah, and Colorado. They toured the Grand Canyon, visited Salt Lake City and many other interesting points. They reported an enjoyable time. They had intended to remain in Colorado another day but said ice and snow were melting causing dangerous traffic conditions so they came on home a day early.

Weekend guests in the home of Mr. and Mrs. Horace Taylor were their daughter, Betty, and her friend, Pat Howell, both of Abilene. Betty is a student at Draughn's Business College. The Taylor's son, Stover, left Friday night to visit his uncle, Herman Johnson, in Sweetwater. He will be gone about a week.

Weekend guests in the home of Mr. and Mrs. B. A. Phillips were their son, Allen, and a friend of his from Denver City. Allen is working in Denver City. Also their guests were Mr. Phillip's sister-in-law, Mrs. C. A. Phillips and baby, and her sister, Linda Haynes of Duncanville, Texas. They remained in Bronte over the weekend.

Mr. and Mrs. H. O. Whitt drove to Goldthwaite for a weekend visit with Mr. Whitt's mother, Mrs. Emma Whitt.

Rev. and Mrs. Douglas Brown and daughter left Sunday night with Mr. and Mrs. J. M. Rippetoe and girls to go to Afton, Okla. where they will spend a week's vacation on the Rippetoe Ranch there. The Browns will return the latter part of the week while the Rippetoes plan to remain and do some visiting at other points before returning home.

JUST

Dreaming

FRIENDS

Sitting up here at the store the other day we got to thinking how nice it would be to go fishing, if we had the time and money. Remembering the sad state of our finances, we almost dismissed the matter from mind, and then remembered how nice you folks had been to come in and buy your groceries here when we were trying so hard to raise money to pay our bills. By golly, we thought, betcha they'd do the same thing so we could raise a little fishing money, too. The more we thought about it, the better it sounded. We're not trying to sell all the groceries in town this weekend, just want to trade a few of them off for enough money to take that little fishing trip, if the wife will let me go. So, for everybody who will help us out on this project, for just ONE more week, we'll give a—

Progressive Business and Civic-Minded People of San Angelo and Vicinity

THIS DEPARTMENT HAS BEEN WORKED UP LARGELY AS A REFLECTION OF PUBLIC OPINION. NO PERSON HAS WRITTEN OF THEMSELVES OR THEIR BUSINESS. ALL ARTICLES HAVE BEEN COMPILED BY A REPRESENTATIVE OF THE BRONTE ENTERPRISE AS HE SAW CONDITIONS. THESE PEOPLE ARE ALL LEADERS IN THEIR VARIOUS LINES OF ENDEAVOR AND THE COOPERATION OF THOSE CITIZENS IN SAN ANGELO WHO HELPED MAKE THIS DEPARTMENT POSSIBLE IS SINCERELY APPRECIATED.

Darrell O'Neal

Because this is a period of growth and expansion for San Angelo, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Darrell O'Neal of the Echo Pump Service, for he has become a well-known figure in the business and civic life of the city.

Mr. O'Neal's persistent optimism and steadfast belief in the continued future prosperity of the people of San Angelo and vicinity are characteristics which are deserving of our highest praise.

Darrell O'Neal has always shown a willingness to do his part in civic advancement and contributed his bit, in one form or another, to projects promoted for the welfare of his city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs and because he is willing to contribute to the public good.

James E. Fleming

James E. Fleming, the manager of Foremost Dairies, has won the universal respect and good will of the people of San Angelo and the surrounding country for the progressive manner in which he has kept the firm in the forefront of the business and industrial life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Fleming is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment James Fleming for the successful management of the Foremost Dairies, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

F. W. Mitchell

Recognized as an authority on all commercial and residential painting and paper hanging problems, F. W. Mitchell, well known and completely reliable contractor in this area, has turned his knowledge to the advantage of the people of San Angelo and vicinity. More than that, Mr. Mitchell is a man who always has been vitally interested in the civic betterment and progress of the city and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. San Angelo owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to accept his share of civic responsibility.

Because of these things, F. W. Mitchell has become accepted as a progressive business man who is an asset to both the business and industrial life of the city, and we trust he will continue to serve

the people of San Angelo and the surrounding area in his present capacity for many years.

Douglas A. Williams And Bruce Smithson

Every progressive and successful business man in San Angelo contributes in some manner to the growth and progress of the city. And two men who are always willing to do their part in both civic and business activities are Douglas A. Williams and Bruce Smithson of the Apex Exterminators, located at 32 West Beaugard, next to the St. Angelus Hotel, who are well known and have many friends and business associates throughout this entire district.

The prominent part that the Apex Exterminators are playing in the business and industrial life of this entire area mirrors the progressiveness and ability of such men as they. Furthermore, Mr. Williams and Mr. Smithson have at all times been steadfast in their devotion to the city, and the surrounding country and, on many occasions, have lent their support to the successful promotion of meritorious civic projects.

San Angelo and this district are fortunate to have such men as Bruce Smithson and Douglas Williams in positions of responsibility and service and this newspaper feels that it merely reflects public opinion in paying this brief tribute to two of the city's more progressive business men.

G. T. Trusler

San Angelo has attained a prominent position in the business and industrial life of this section of the state because of the foresight of those men who had the ability to envision the possibilities of the community and the trade area it serves. And a wide awake progressive man who justly should be included in this category is G. T. Trusler of the Cactus Oil Company.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And Mr. Trusler has earned the good will and respect of his fellow citizens for contributing his bit to the general welfare of the city and the people as a whole.

It is our duty to include G. T. Trusler in that group of progressive and civic minded people who have done so much for San Angelo and to express the wish that he will continue for many years to forge ahead with the success which he has enjoyed in the past.

Manse M. Millican

At the head of one of the district's more prominent wholesale grocery firms, and as a leader of recognized ability in community life, Manse M. Millican stands out today as one of the best liked men on the panorama of San Angelo activity. His friends are numbered by the hundreds and all of them are of the lasting fibre which comes of worth-while associations, both in the world of business and in the realms of neighborhood life.

The Kimbell Angelo Company, of which he is the manager, has been a strong factor in the growth and progress of San Angelo; and Mr. Millican's own efforts, in many instances, have

been the stimuli behind the accomplishments of the wholesale grocery firm.

The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who has done so much to promote the growth and progress of this entire district.

M. S. Luby

A cafeteria operator of San Angelo, who has based his success upon the belief that the public will appreciate good food, well prepared and appetizingly served, is M. S. Luby of Luby's Cafeteria, whose many friends and customers by their daily patronage of his popular eating place, attest to the soundness of his policy.

It is not only because of the successful management of his business that Mr. Luby has come to be recognized as an asset to the community; but it is also because of his policy of "looking ahead," and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of San Angelo and the people as a whole. He is another of those men who has shown his appreciation for his success by a willingness to contribute of his time and energy to the promotion of community projects.

It is men like M. S. Luby whom we are privileged to include in this review and to publicly give him due credit for his success in business and civic affairs.

J. Marvin Allen

The true value of a citizen is not gauged by his personal success. But rather by the manner in which he shares that success by his contributions to the community in which he lives.

And J. Marvin Allen of the Professional Service Bureau, is one of those men who has given much toward the development of San Angelo and vicinity. He has turned his personal success in the business field to the advantage of the people as a whole and has accomplished much toward making the city a better place in which to live.

Mr. Allen's thorough knowledge of the needs of the business and professional men of San Angelo and its metropolitan trading area, which his employment service has so adequately filled, has raised him to a position of leadership in his field of activities and gained for him recognition as one of the city's more progressive business men.

We compliment J. Marvin Allen in this San Angelo review and wish to offer him this small evidence of public esteem.

Earl and "Lovie" Lord

It is not always the kind of a business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public and the way in which it meet both business and civic obligations.

The cheerfulness of the entire personnel of Lord's Cleaners, in their contacts with the public. And the ready acceptance of all business and civic obligations by Mr. and Mrs. Earl Lord, proves con-

clusively that they are people who are well-versed in the principles of successful business management.

As most people know, this firm is a leader in the dry cleaning business. This is partly so because of their long experience but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment Earl and "Lovie" Lord for the successful management of the business and for their many contributions to those civic projects aiding in the growth and progress of San Angelo and the adjacent territory.

O. D. Harrison, Sr., & Jr., & W. L. Harrison

In every community there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Three well known business men of San Angelo who belong in this category are O. D. Harrison Sr., and Jr., and William L. Harrison of the Harrison Roofing Company.

Their leadership in their line of business is recognized throughout this entire district. Their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

The Harrisons are men who are equally well liked and respected by their intimate friends, and their business associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate them for being good citizens, progressive business men and boosters of their home community.

Tim Kenner

In singling out some of the more progressive business men of San Angelo, we would be censured should we fail to include Tim Kenner of the Luther Transfer & Warehouse Company Inc. He is a man who has never spared himself in his participation in both the business and industrial activities of the city.

Mr. Kenner has always been conscious of his civic responsibilities and is ever ready and willing to meet in every detail those opportunities which come to his attention to further civic enterprise. He may well be proud of his achievements along these lines.

Tim Kenner deserves a great deal of credit for the honest and successful manner in which he has conducted his business affairs. He is a friendly and likeable personality, whose sincere desire to be of service has gained for him a host of friends and business acquaintances in and around San Angelo who would, if given the opportunity, join us in wishing him many more years of continued success.

Byron L. Simpson

Successful business men as a rule, show their appreciation for their success by their often repeated demonstrations of civic pride. This is a fortunate fact. Otherwise a city would be lacking in that progressive element which advocates and develops various projects of a civic nature that are indicative of a progressive community.

And Byron L. Simpson, well known and completely reliable civil engineer and licensed land surveyor in this area, is a man who has never failed to lend a hand when it comes his turn to help on some worthy project promoted for the general betterment

of the city of San Angelo and the adjacent territory.

Mr. Simpson takes a genuine pleasure in this method of showing his appreciation for his success, and in so doing recognizes his civic responsibilities to the home community.

It is such men as Byron Simpson who become acknowledged leaders in both business and community activities, and we compliment him on having attained that position in his city.

Billy W. Willig

It isn't the size or volume of a man's business which determines its value to the community in which he makes his living. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of Billy W. Willig's business to his city is a reflection of his progressiveness and a determination to render the utmost in service, a policy which has caused the Western Iron Works, and Willig's Ornamental Shop to be so well thought of and so widely patronized by the people of San Angelo and the surrounding area.

That same progressiveness and ability which has made him so successful in his own business has also fitted Mr. Willig to be of assistance on community projects and public drives. Furthermore, he does so cheerfully and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include Billy Willig in this San Angelo review and to wish him further success in his field of endeavor.

Elgin F. Young

Elgin F. Young of the Young Well Supply, has a well earned reputation for progressiveness because he has consistently forged ahead in his business, never letting up in his efforts to make the service he renders to the people more valuable. This invariable policy has made Young Well Supply outstanding in its field, a fact that is well known to the public in the San Angelo area.

But Mr. Young has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to his own city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Elgin Young the credit for his accomplishments which his friends and associates have so long accorded him.

H. H. "John" Booher

One of the more progressive business men of San Angelo and a man who deserves the respect and good will of a great many residents of the city is capable, friendly H. H. "John" Booher of the Stovall-Booher Radiator Sales & Service, whose wide knowledge and long experience in the radiator sales and service business has raised him to a position of prominence in his line.

It is because of this that the Stovall-Booher Radiator Sales & Service, has earned a reputation for reliability—second to none.

Mr. Booher is also civic-minded and has always been ready and willing to contribute his time and energy to any plan which promises to benefit this entire district. And the people of San Angelo may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic

Continued on Next Page

betterment.
We urge our readers to look to "John" Booher as a progressive business man of whom we may well be proud. His devotion to the city has been constant and his achievements well merited. We wish for him further success.

C. E. "Cy" Britton

Performing an outstanding service for the people of San Angelo and the surrounding territory, C. E. "Cy" Britton of the Bankers Life Company, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection of the people both need and can afford, have been important factors in his well-earned success.

Mr. Britton is a man of ideas and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to the people. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of his city. Yet he is unassuming and modest in his personal contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as "Cy" Britton who have caused San Angelo to become recognized as the metropolitan center for this section of Texas.

J. O. "Jack" Shadden

Logically a man who has earned the reputation of being one of San Angelo's more progressive farm implement dealers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is—modest, friendly J. O. "Jack" Shadden of the San Angelo Tractor & Implement Company, who numbers many of our readers as some of his best customers.

Mr. Shadden is the type of man who would be an asset to any community, not only because of the successful conduct of his business plays a definite part in the general civic scheme, but because the ultimate measure of his value to his city and this district lies in the fact that he is untiringly zealous and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of San Angelo for numbering among their more progressive citizens such a man as "Jack" Shadden, and we also express the wish that he will enjoy many more years of success.

Jane M. Broome

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. San Angelo has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Jane M. Broome of The Cottage.

Her business ability, coupled with a sense of obligation to her satisfied customers have been major factors in maintaining The Cottage in a position of leadership throughout the San Angelo area. She has not only in her business activities but also in her attention to civic duty assumed an active part in community affairs.

Mrs. Broome has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city and her efforts are deserving of commendation and support.

We congratulate Jane Broome

on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

J. G. Miller

J. G. Miller has proved his progressiveness by constantly adding to and increasing the service which the J. G. Miller Service Station, located at West Harris and Irving, has extended to the people. The large volume of business handled by his Chevron station proves that "service" to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Miller was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

J. G. Miller has many friends in and around the city and it is a pleasure to bring him before our readers in this review of progressive San Angelo business men.

Charles T. Trickey

It is fitting in this review of progressive San Angelo business men that we acquaint our readers with the man to be credited with having maintained the Paymaster Feed Mills, and the Western Cottonoil Company, in the enviable position which they hold in the business and industrial life of this area. That personality is Charles T. Trickey, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which the firms now enjoy throughout this entire district.

Mr. Trickey has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him and to say that this district owes much to the many benefits which Charles Trickey and the Paymaster Feed Mills, and Western Cottonoil Co., have rendered to the people of this entire area.

D.D. and Cliff Thomas & S. F. Sonberg

We take pleasure in this San Angelo review to call the attention of our readers to three of the more progressive authorities on oil production of this district. Those personalities are D. D. and Cliff Thomas, prominent oil operators, and S. F. Sonberg, well known and completely reliable petroleum engineer, they are rendering a valuable service to the old producers of the state.

The production of petroleum in this section has been one of the greatest single factors in the growth and progress of San Angelo and this district, and the Thomas's and Mr. Sonberg are men who have taken an important part in many phases of oil field activities.

They are residents of San Angelo and have a large circle of personal friends throughout this entire district. They are also men who have considered their civic responsibilities in a serious manner and are always ready and willing to help in the promotion of any project which promises to benefit their city and this district.

We congratulate Mr. Thomas and son Cliff, and S. F. Sonberg for the part they are playing in the development of the petroleum resources in this part of the state

and we wish them many more years of successful operations.

Alton O. McEver

To be a consistent and persistent booster of any community often takes courage and plenty of optimism. It is because of his unflinching faith in the future of San Angelo and the surrounding country and his unflagging efforts to promote its development, that Alton O. McEver is selected now for this brief tribute.

Mr. McEver has proved very ably that he is a restaurant operator of unusual ability, for it is largely due to his ideals of service coupled with a determination to serve only the best of food that The Ranch House holds its high position in the public's favor. And his personality and energy in directing the operations of the business are important factors in his outstanding success.

We are glad to pay tribute to Alton McEver and to point out to our readers that his is the guiding influence responsible for the splendid service and delicious foods, served in a completely delightful atmosphere to be had at The Ranch House in San Angelo.

J. M. Young

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man in his field is J. M. Young, who well deserves the reputation he has earned for being one of San Angelo's more progressive business men. His thorough knowledge of everything pertaining to the taxidermy business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Furthermore, such experience as Mr. Young has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including J. M. Young in this group of progressive and civic-minded men who are actively taking part in the evolution of the business and civic life of San Angelo.

Chigger Sutton

One of the more progressive real estate men of San Angelo and one whose success can partly be attributed to a deep insight as to the direction in which the city will develop is Chigger Sutton of the agency bearing his name. He also has a sound basic knowledge of real estate values and has turned that knowledge to the advantage of the people with whom he does business. And his aggressive methods coupled with his sound and practical ideas have made the services he has rendered to the people more valuable and materially contributed to his well earned success.

Mr. Sutton is also civic-minded and has always shown a cheerful willingness to contribute his share of time and energy to the promotion of community projects.

It is because of the activities of such progressive business men that year after year, San Angelo continues to show such a healthy growth and expansion, both as a residential and industrial city. We are glad to pay tribute to Chigger Sutton for the part he is playing in the onward progress of the city.

Manny Goldberg

One of the better informed real estate and insurance executives of the city is Manny Goldberg, of the agency bearing his name.

He has been operating a complete service for his large clientele over a period of time and during that time he has made a great

The Bronte Enterprise

many friends both for himself and for the companies his agency represents.

Mr. Goldberg has also contributed considerable of his time and energy to the growth and progress of San Angelo and this district, and has been content to take his reward in the quiet knowledge of a work well done and the respect and admiration of his many friends. The value of such a man to his city and the surrounding territory cannot be overestimated when considering the many personal sacrifices he has made in order to contribute to the general welfare of the community as a whole.

We congratulate Manny Goldberg on his splendid reputation and wish for him a continued successful career as a leader in the real estate and insurance field in the San Angelo area.

F. H. Barlow and Joe S. LaGrone

There are a number of business and professional men in San Angelo who have gained recognition for their progressiveness, and two well known insurance men who belong in this category are F. H. Barlow, representing Mutual of Omaha in Coke County for the past twenty years, and Joe S. LaGrone, the office manager. Their fair dealings with many of our readers have earned for them a host of friends and policy holders throughout this entire area.

They are well established in the forefront of the business and civic life of their city. And the ethical manner in which they have conducted their business affairs is but one of the reasons for their outstanding success.

In addition to their insurance activities, Mr. Barlow and Mr. LaGrone have also accepted their share of the responsibility in aiding civic projects. As the result of the combined efforts of men like them, San Angelo is firmly established in the minds of the people as the logical business center for this section of the state.

We congratulate F. H. Barlow and Joe LaGrone for their success in business and civic affairs, and trust that they will continue for many years to enjoy that success which they have so justly earned.

Douglas Baldwin and Joe Whitaker

In bestowing credit upon some of those progressive business men of San Angelo, who in one way or another, have contributed their bit to improve both business and civic conditions, we wish to say a few words about Douglas Baldwin and Joe Whitaker of the B & W Gulf Service Station.

Mr. Baldwin and Mr. Whitaker have set a standard for themselves and the operation of their business that, under present existing conditions, has been very difficult to maintain. However, that they have done so is proven by the large volume of business which their Gulf station continues to handle, much of which is due to their unceasing attention to detail and their ability to cope with new and unexpected problems.

Joe Whitaker and Douglas Baldwin are also civic-minded, and have, when asked, cheerfully cooperated on those civic activities to which they have been able to lend assistance. They more than deserve the respect and good will which they have earned, and we and their friends are confident that they will continue to maintain their usual integrity and high standards.

Billy Childers, who had been visiting in the Allen Sherrod home returned to his home in Seminole Wednesday of last week. Gene Sherrod accompanied him and remained until Wednesday of this week.

2-4-D Spraying Gives Sandusky Good Results

Austin Sandusky is happy with the results of his first use of 2-4-D weed killer. Sandusky said that he sprayed 40 acres of grass mixture, seeded under the Conservation Reserve of the Soil Bank program. "The grass is up to a good stand and some of the grasses on the tighter soils are growing off nicely. The sandier soils are so cold and wet that grasses have not begun to grow," he said. He believes that 2-4-D, properly used is an important part of establishing grass.

L. E. Smith and Son, Coke County Conservation District Cooperator, have pushed about 100 acres of mesquite with good results. The bulldozing was done on their ranch in the south part of Coke County. They resseeded with Blue Panicum, Buffalo Grass, Sideoats grama, and a small plot was seeded to Sorghum Alnum.

They tried several methods of seeding, finally deciding on a home rigged seeder. The seeder consisted of two large buckets with a hole about the size of a pencil in the bottom. A bucket was extended over each track of the dozer and the vibration from moving acted as the agitator.

The grass seed dropped on the tracks and were pressed in the ground. No seed was put in the holes. Mr. Smith said that he had observed that plants grow better on the side of the hole rather than right in the bottom.

The small plot of Sorghum Alnum sprouted vigorously and some was as high as five feet. The Blue Panicum, seeded at the same time, was from one inch to one foot and the native grasses, sideoats grama and buffalo, were from one to three inches in height. The Blue Panicum seedlings, in some places, followed a perfect outline of the dozer's track.

Smith said he plans to defer this pasture during the growing season this year, stating that he believed deferred grazing is a must with brush control and range reseeding.

Smith and Son plan to practice more brush control next winter.

AT HARDIN-SIMMONS

Mrs. R. C. Lasswell of Bronte is among the more than 425 students enrolled in the first session of summer school at Hardin-Simmons University at Abilene. She is a senior student.

First six week term of summer school got underway June 5 with registration. Classes, which are one and a half hours in length began June 6. Courses of instruction are being offered in 23 major university departments.

For the past few years, Mrs. Lasswell has been a teacher in the local schools.

Mrs. Dovie Kirkland of Lubbock, Mrs. Bob Malone and two sons, Kenneth and Bobby of Clovis, New Mexico were mid-week visitors in the Buddy Kirkland home.

lonial system, which has dwindled down to practically nothing. It even makes us feel a little nostalgic when we think of the Empire of today and compare it with Rudyard Kipling's Great Britain.

The sad state of the British Empire is one of the primary laws of the universe. It happens to countries, states, towns and individuals. When their economy and way of life become obsolete, they simply wither unless other interests are picked up along the way.

We made a little trip downstate last weekend. The country is beautiful, streams are running and cattle in the pastures are taking on a nice sleek finish.

A dirt farmer visiting the city for the first time was fascinated by the black-top streets. Digging his heel into the pavement, he remarked to his son, "Can't really blame these folks for building a town here. The ground is too danged hard to plow anyway."

One fellow told us this week he'd bet our paper sales had increased since the dial phones were put in. Can't tell when a neighbor is talking on the party line, you know, so they have to get the news some way.

Methodist Bible School Ends With Picnic

Methodist Vacation Bible School closed last Friday with a picnic in the park. Workers considered it a success with an average attendance of 62. All groups met each morning from 8:30 until 11:30 except the intermediate group that met each night. The Intermediates closed their study of Malaya Friday night with a study of clothing worn in Malaya. On Thursday night, Miss Gazelle Traeger, former missionary to Malaya, spoke to the group.

VBS officials expressed thanks to everyone who helped to make the school a success.

Guests in the home of Mr. and Mrs. A. J. Deans last weekend were Dr. and Mrs. Gilbert Madison and children. Madison recently graduated from the University of Texas Medical School in Galveston and they were enroute to Oceanside, Calif., where he will intern in the U. S. Navy. The Madisons also visited in the home of Dr. and Mrs. John R. Harris. He was a preceptee here under Dr. Harris from September through December of last year.

Mr. and Mrs. Ben Oglesby, Margie and Bennie, attended a reunion at Arrowhead Lodge on Lake Whitney last weekend.

June 20 Set For Vote On Wheat Quotas

The level of price support for the 1958 crop of wheat is one of the issues to be decided by farmers voting in the June 20 referendum on marketing quotas, C. E. Arrott, chairman of the county Agricultural Stabilization and Conservation Committee, reminds the growers.

The other issue is whether marketing quotas, with penalties on "excess" wheat, shall be in effect for next year's crop. Quotas have been in effect for the last four consecutive wheat crops.

Arrott explains that price support for the 1958 crop of wheat has been set at a national average of at least \$1.78 per bushel in the commercial wheat states. This rate will apply if at least two-thirds of the growers voting in the June 20 referendum approve use of the quotas. This support reflects 75

per cent of parity, as indicated by the wheat supply relationships specified in the governing legislation.

If marketing quotas are not approved by the necessary two-thirds of the growers voting, however, the price-support level for 1958 crop wheat would be 50 per cent of parity, also as directed by law.

Local News

Saturday dinner guests in the home of Mr. and Mrs. Claude Beavers were Mr. and Mrs. Otis Grubb and family of Fort Davis, Mrs. Johnnie Lee Shannon and grandson of Marfa and Rev. C. W. Coleman and Janice of Grapevine.

Mr. and Mrs. Eddie Alexander and son and Mr. and Mrs. Monroe Alexander spent the weekend in Ozona in the Richard Webster home. They also did some fishing on the Pecos River while there.

Mrs. Beulah Tubbs and Mrs. C. C. Smith spent Sunday in Coleman visiting with relatives.
