DaNell Dixon Wins 4-H Trip

DANELL DIXON

AD-LIB-BEN

Today is a most important occasion in the lives of the 17 boys and girls who will receive their diplomas as graduates of Bronte High School. They'll have to look around for a long time before they find another day that means as much to them as does their graduation day.

We'd like to join the other Bronte folks who have bought space in this paper to express their congratulations and best wishes to the 1958 seniors. We are indeed proud of the accomplishments and members of this class, and feel that there are some outstanding individuals among its number.

May they always face the future with pride, and with open and inquiring minds.

Our overalls-clad philosopher, Uncle Huie from Hog Creek, has received signal honors from a group of young ladies. Miss Carolyn Kemp reported to her parents last weekend that the girls in McFarland Hall at Trinity University have proclaimed every Monday as "Uncle Huie from Hog Creek" day. Monday is the day when the Bronte Enterprise arrives at the San Antonio school, and, in observing the day, the girls all get together and read what Uncle Huie has to say.

Quite a few of them are anxious to come home with Carolyn soon in order to "cheer Uncle Huie up." We wouldn't be surprised if the arrival of a bevy of good looking coeds wouldn't flush Uncle Huie right out in the open!

FAIR WEATHER

Warm sunshine has been the main ingredient of the weather in this part of the state this week. After showers last weekend, farmers have been taking advantage of the fair weather for field work. Harvesting of oats in the Bronte area has already begun.

Those with oat acreage are looking forward to a harvest of from 30 to 75 bushels per acre.

TO GRADUATE AT ACC

Gerald D. Sandusky, Abilene Christian College senior from Bronte, has been named a candidate for the Bachelor of Science degree, to be conferred May 26 in ACC commencement exercises.

A graduate of Bronte High School, Sandusky is the son of Mr. and Mrs. Austin Sandusky of Bronte.

He will receive his degree in physical education with a minor in social science.

DaNell Dixon, Bronte 4-H Club member, has been chosen one of the winners of the Talent Club trip for 4-H boys and girls of Texas, given by the Producers Grain Corporation of Amarillo. A six-day educational tour beginning in Amarillo on June 15 and ending on June 21 will include visits to points of scenic and historic interest in Colorado and New Mexico.

This trip is made possible by the Producers Grain Corporation, Amarillo and the Extension Service, and is given to sixteen outstanding 4-H club members in the 56 grain producing areas served by the corporation.

Purpose of the trip is to recognize outstanding 4-H club members, to acquaint them with the cooperatives and to give training in recreation.

Winners were selected on the basis of their 4-H Club work and leadership ability.

DaNell is the daughter of Mr. and Mrs. M. J. (Jack) Dixon of Bronte. She is 16 years of age and has been a 4-H club member for seven years. She has completed projects in clothing, bedroom improvement, vegetable preparation, dairy foods, gardening, canning and beef cattle. She was Gold Star Award winner in 1957, and has won vegetable and dairy foods awards in both the county and district and many other county and district awards.

DaNell was also chosen to receive a scholarship to District 4-H camp given by Coke County Home Demonstration Council. The camp is to be held June 2, 3, and 5 in Kerr County.

As Junior Leader for the Bronte Starlight Club, she has assisted with the clothing workshops, record books and foods demonstrations. Her work has been outstanding in Junior leadership. She is secretary of the Coke County 4-H Council at the present time.

She is also outstanding in her school work and has won various honors in the Bronte High School including winning first place in the district Interscholastic League Poetry Reading contest this spring.

17 Seniors to Receive Diplomas At Commencement Tonight

Seventeen Bronte seniors will receive diplomas tonight in commencement exercises scheduled to get underway at 8 p.m. in the school auditorium, thus formally bringing to a close the 1957-58 term of school. Dr. R. M. Cavi-

ness, president of San Angelo College, will give the commencement address.

Classes will be dismissed about 10 a.m. this morning after students have received report cards and attended a short assembly program.

Baccalaureate services for the group were held last Sunday night and eighth grade commencement was held Thursday night.

Two Little League Teams Organized

Bronte has two Little League teams, the Little Yankees and the Little Giants, ready for participation in the Coke County Little League. Other teams in the League will include two Robert Lee teams, the Little Cardinals and the Little Indians, and the Norton Dodgers. A schedule of games will be published as soon as they are arranged.

Garland Black is director of the entire Little League program. Coaches for the Little Giants are Norman Porter and James Wells while the Little Yankees will be coached by Clyde Lee and Jack Bailey.

Boys who will play for the Little Giants include Rex Harris, Bill Dailey, Tommy Glenn Sims, Ray Montez, Terry Thetford, Marshall Freeman, Alvaro Martinez, Joe Flores, Kenneth Wilkins, Wayne Hester, Larry Corley, Tony Olivas, Jim Brown, Armondo Martinez, Tommy Moore, Mike Terry, Johnny Murtispaw and Roy Lee Baker.

Little Yankee boys include Jimmy Wells, Charles Oden, Kenneth Mayben, Fedencio Cantu, Jack Bailey, Lynn Phillips, Gerald Parker, Jim Morrow, Ronnie Sims, John Shaver, Bob Strickland, Ronnie and Royce Lee, Darwin Casswell, Jack White, Gary Cole, Tad Richards, James Smith and Jimmy Bailey.

Robert L. Moore is valedictorian of the 1958 graduating class, with an average of 94.86. He was closely followed by Gene Sherrod, who had an average of 94.80. This made only .06 of a point difference in the grades of the two boys. High girl in the class this year is Oleta Brice, with an average of 91. Moore is the son of Mr. and Mrs. Foy L. Moore, while Sherrod's parents are Mr. and Mrs. Allen Sherrod. Miss Brice is the daughter of Mr. and Mrs. J. T. Brice.

Other members of the class are Aubrey Don Denman, Joyce Faulk, Robert Feil, Jackie Grimes, Tommy Latham, Pat Lee, Jeanette McDaniel, Jerry McShan, Jerry Mac Parker, Doyle Rogers, James Arnold Tidwell, Aletha Walker, Wanda Webb and Carolyn White.

A large amount of space in this week's Enterprise is devoted to the 1958 seniors, with congratulatory messages and special feature material about the class being printed.

Rippetoe To Move Bronte Pharmacy

J. M. Rippetoe announced this week that he is moving his drug store from Bronte to Bangs. He said the store will close on Saturday, June 14, and packing and other preparation for moving will start the following Monday.

Rippetoe has operated the Bronte Pharmacy for the past 20 years, having moved here March 25, 1938. The store until a few years ago was located some 25 feet east of its present location. That building was purchased by First National Bank in order that additional space could be had when the bank was remodeled.

The drug store was moved to its present building in June, 1953. The structure is owned by Wojtek Brothers of Robert Lee. When the move was made to the newly remodeled building Rippetoe added all new fixtures and installed them.

Rippetoe said he regretted very much having to leave Bronte, but he felt that the opportunity at Bangs was too good to turn down. Mr. and Mrs. Rippetoe have two daughters, Nona and Melodee.

Rippetoe said Thursday that he will close the store at 3 p. m. this Saturday in order to make a business trip in connection with the move, but that he will be open for business as usual next Monday morning.

CHARTER PRESENTED

Garnett Gracey, comptroller of McMurry College, was in Bronte Wednesday night to present the charter to the Methodist Men's Club. Royce Lee, president, presided at the meeting.

Refreshments were served at the conclusion. The charter was recently received by the local organization which was organized several months ago. All Methodist men over 18 years of age and any other men in the community are invited to take part in the monthly meetings of the group.

A. E. Bell, Sr., is a patient in the Veterans Hospital at Big Spring. Mr. Bell is undergoing examinations at the present time. He went to Big Spring last week.

MEMORIAL HOLIDAY

Since Friday of next week, May 30, is Memorial Day and a holiday for Bronte business houses, we will try to get The Enterprise out one day early. It will be put into the mails Thursday rather than Friday morning. The cooperation of our advertisers, correspondents, and news sources will be appreciated as always.

Last Rites Held Here Wednesday For Miss Richards

Last rites for Miss Bertie Richards, 70, were conducted at the graveside in Fort Chadbourne cemetery at 3:00 p. m. Wednesday, May 21. E. B. McCown officiated.

Services were under direction of Cliff Funeral Home and nephews served as pallbearers.

Miss Richards died at 12:30 p. m. Tuesday in the Bronte Hospital. She had been ill for four months. Her death was attributed to cancer of the liver.

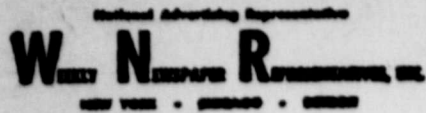

She was born Aug. 25, 1887 in the Fort Chadbourne community, the daughter of Mr. and Mrs. Med (Nancy Allen) Richards. She lived at Fort Chadbourne until 1943 when she moved into Bronte. She had been a member of the Church of Christ since 1910.

She is survived by two sisters, Mrs. T. S. Armstrong of Abilene and Mrs. Oscar Moore of Portales, N. M. and two brothers, R. S. Richards of Bronte and Silas Richards of Rising Star.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR: ... Great landmarks has been falling fast recently in this nation. Smith Brothers cough drops went from a nickel to a dime. That was the last stronghold of the American nickel. The year gold was discovered in California these brothers put their beards together and set the price of their new cough remedy at a nickel.

Buffalo roamed the prairies, the Civil War come and went, railroads was built, Dan McGrew was shot, more and bigger wars come and went, telephones, televisions, jets, electric razors, but the Smith Brothers held fast. Then the directors had a meeting in upstate New York and decided it couldn't go on forever. It was a sad day.

About the same time, in downstate New York, Sophie Tucker, known everywhere as "the last of the red hot mamas," announced her retirement. Another old landmark had fell.

Then in Washington, President Ike stated again he was holding steady fer that five-cent postage stamp on mail out of town. Congressman Barratt of Illinois suggested that the first series of these new stamps ought to carry a picture of two pirates. I would suggest that the second series have a picture of Jessie

James with his horse and gun. But while things seemed to be falling apart everywhere, there was one ray of hope. Up in West Sand Lake, N. Y., the West Sand Lake Association for Protection Against Horse Thieves held its 109th annual meeting. Now, there's a group of fellers that's got the proper determination. If we had more like 'em Smith Bros. cough drops would still be a nickel and Sophie Tucker would be announcing her plans fer 1970.

Well, I set down when Congress convened and wrote my Congressman a letter. I told him, in a nutshell, that I wanted more farm relief and less taxes. I finally got a letter back from him yesterday. It was a masterpiece in butness, iffness, and howeverness. He promised a little tax reduction but mixed the promise in with a little butness, and the iffness and howeverness outweighed the taxness. Them fellers can write more and say less than anybody this side of eternity or the other side of infinity.

But I think the soil bank program is safe for another two year. I see where Ike got \$2,09.60 fer not farming 46 acres on his Getysburg plantation. That's the first time Ike's ever got his hands on some good farm relief money, and it's a mighty catching disease.

JEFF DEAN

Jeff Dean is better. He has come a long way and fast since he started to improve. He is giving his official duties due consideration and will soon be out some among his friends. He is an outstanding County Judge and School Superintendent. For the last three years, he has been wrestling with a most crippling case of arthritis. It has knocked him down and doubled him up; but, it hasn't whipped him. Jeff was working for us when he got sick, he was working for us when he got seriously hurt; he is still working for us. He is well qualified for the office he holds. He is now physically able to attend to all of the duties of his office. He has demonstrated his devotion to his office by his constant attention to his duties under trying circumstances. His illness has cost his wife and him all that they could make. He wants to keep his job; he is able to do the work; he will do the work and he will do it well. Will we fire Jeff Dean? Why should we? (Political Advertising Contributed and paid for by Frank C. Arrives Home From Japan

Mrs. James D. Sanker and children, Patricia Ann and Pamela Sue, arrived in San Angelo by plane from Houston Wednesday and came on to Bronte for an indefinite visit in the home of her parents, Mr. and Mrs. Monroe Alexander. S/Sgt. and Mrs. Sanker and children, recently arrived in the United States after spending the past two years in Tokyo, Japan, where he was stationed with the U. S. Air Force.

The Sankers were scheduled to stay in Japan another six months, however, he received an emergency transfer because of the serious illness of his sister in Houston. Mr. Sanker and children will remain in Bronte until he is permanently assigned to another duty station. Their youngest daughter, Pamela, was born in Japan, and is making her first visit with her grandparents and other Bronte relatives.

Coming to visit their sister were Mrs. Doris Conley of San Angelo and Mrs. R. H. Webster and son, Ricky, of Ozona. Mrs. Conley returned to San Angelo Wednesday but Mrs. Webster and Ricky are here for a week's visit.

TO ANNUAL CONFERENCE

Rev. and Mrs. Lin Loeffler will leave Monday for San Antonio where they will attend the 100th anniversary session of the Southwest Texas Methodist Conference to be held Monday through Friday at Laurel Heights Methodist Church. They will go to San Antonio in company with the Rev. and Mrs. Travis McNair, of Robert Lee. Their two oldest children, Bob and Ann, will visit his parents in Sonora and David is visiting his other grandparents in Marble Falls.

Chancellor Umphrey Lee of Southern Methodist University, Dallas, will be the speaker. A pageant at Jefferson High School auditorium at 7:30 p. m. Wednesday, featuring the dramatic club of Southwestern university, Georgetown, will unfold historical events of the conference's first 100 years. Friday's sessions will end the conference with the reading of pastoral appointments at noon.

Mrs. George Hughes and son, Kelly, of Houston were here for a weekend visit in the home of her parents, Mr. and Mrs. F. S. Higginbotham.

RECITAL MONDAY: Mrs. E. R. Kreyer announces that her voice and piano recital will be held in the Bronte high school Monday night, May 26, at 8 p. m. The public is invited to attend.

Trust in the Lord, and do good; so shalt thou dwell in the land, and verily thou shalt be fed.—(Psalm 37, 3.)

Those who really trust in God's love and wisdom, His kindness and mercy, are spared the fearful worry and anxiety that agonize and shorten the lives of so many of us. In love and in obedience to His will, they do the very best they can each day, and leave the results to Him.

Ass't County Agent Spends Week At Swift & Co. Marketing School

James L. Coffman, associate county agricultural agent of Coke County, spent a week in Fort Worth recently attending a livestock marketing school at the stockyards. Swift & Co. served as host for the group which was composed of 25 County Agents from all over the State.

The Livestock Marketing School began April 27 with a banquet at the Worth Hotel. Monday was spent in the stockyards with cattle buyers from Swift. All kinds of cattle were bought because there is a use for every grade of beef.

Tuesday morning found the men in the sheep and hog barns. Again the agents were with sheep and hog buyers from Swift. It was very interesting watching the hog buyers make their bids to the Commission men. They could pay more for meat type hogs than they could for lard types because they could realize more out of the meat type carcass.

On Wednesday, the entire day was devoted to a complete tour of the meat packing plant. There they saw all livestock as they came to the killing floor. They observed the killing dressing process for beef, lamb and pork. After the carcasses were chilled in coolers for two days, they go into all of the finished products of the meat packing industry. It was interesting to see all of the different finished products and by-products that are made from livestock produce all over the country.

On Thursday morning, each agent went with a Swift salesman to call on local trade in Fort Worth and Dallas. It was interesting to note the different classes and grades of meat purchased and

consumed by the different classes of people. The School was very enjoyable, Coffman said, as well as being educational. He said it gives the entire picture of the livestock marketing and meat packing industry which is particularly good for persons involved in the production of livestock to know.

Mr. and Mrs. Cecil Kemp went to San Antonio last weekend to visit their daughter, Carolyn, who is a freshman student at Trinity University there.

Will Mackey Place Last Week's Mystery Farm

The Will Mackey farm home, built 34 years ago, was the mystery farm home pictured last week. The 400 acre farm lies 4 miles northeast of Bronte and has been in the Mackey family for 57 years, having been bought from Joe Chumbly.

Mrs. Mackey still resides on the farm with her son, Jim. Mr. Mackey died in 1955. The couple were married in 1896.

They have seven children who are: Jim, J. B., Barrett and Marlin Mackey and Mrs. Howard Brock, all of Bronte; Mrs. Ira Prewitt, Balls; and Pharris Mac-

key of San Lorenzo, Calif.

This year, 177 acres of the farm are in oats and the remainder in pasture. None is in the soil bank program. Part of the farm is terraced. The Mackeys also raise Hereford cattle.

Pecan Spraying Indicated For Period May 26-30

By STERLING LINDSEY

Several people have inquired lately about spraying pecan trees to control the nut casebearer. I have checked several pecan trees in the area and found only one egg. The proper time for spraying is still a few days away. Just when to spray can be told only by checking the nut clusters for eggs. I believe spraying during the period from May 26 to 30 will give good control. I will check more trees and clusters later in the week and should be able to give a more positive answer at that time.

To be sure of timing, you could check the nut clusters closely and regularly for the appearance of the casebearer eggs. The eggs are usually deposited singly on the tip or blossom end of the small nuts; are pearly white with a bluish cast and about a third the size of a pin head. They hatch in four to five days. After hatching, the small worm moves down below the pecan cluster and feeds on the buds in the leaf axil. The buds are hollowed and the tell-tale webbing and black frass around the bud can be seen. After four or five days of bud feeding, the worm now much larger, moves back to the cluster and bores a hole at the base of the pecan and enters to feed.

Because of the short period of time the worm is exposed, timing of control measures is of utmost importance. Long residual sprays such as DDT can be applied when a number of eggs are found in the orchard. If fairly short residual sprays such as malathion are used, it is best to wait until some of the eggs have hatched and worms are found feeding in the buds.

Proper application of the insecticide must include a thorough wetting of the nut clusters and the stems immediately below. To do this on a large tree it is best to have a sprayer that will develop 300 to 600 pounds pressure.

Small hand sprayers will do the job, but are slow and tedious and without pressure the leaves will not be parted enough to wet the cluster of nuts and the immediate area where the casebearer does his feeding.

Extra Teachers, Bus Drivers Hired by Board

Several other school employees were hired at a regular meeting of the Bronte School board on May 15. Special teachers, Mrs. Jsmo Black, school nurse, and Mrs. Willie Mae Glenn, librarian, were rehired subject to assignment by the school superintendent. Mrs. Jack Corley was elected to drive the Tennyson school bus and Mrs. Ethel Cole was re-elected to drive the Hayrick route. Mrs. Cole's application was overlooked by the board at a previous meeting when other bus drivers were re-elected.

The board also accepted a new 1958 Chevrolet 48 passenger bus from the Texas State Board of Control of Transportation.

Trustees heard a report from the members who attended a recent area meeting of school boards at San Angelo College. The theme of the meeting was "Changes in Present Day Administration in Our Ever-Changing Public School Systems." At the meeting, Bronte Superintendent Garland Black was selected to serve as representative of the San Angelo area on a committee to organize a permanent Texas school board organization in this section.

1958 Senior Class Prophecy

It is February 1970, I had been traveling for a long time and I was getting very tired. In the distance I could see the bright lights of a town nearby, as I came nearer I could hardly believe my eyes, was this really Orient, the town I once knew? The streets were wide with cocktail lounges, cafes and hotels on both sides for blocks. As I slowed my jet propelled car to a halt, I went inside the Orient Night Club and ordered myself a tall glass of wine.

At that moment the door opened and I looked into a familiar face; it is JACKIE GRIMES, although she has been married three times now, J. Grimes has a steady job as a singer at the club.

On the table I saw a newspaper, I picked it up to find that it was the Orient Standard Times. I

was shocked to read about ROBERT FEEL on the front page. As I went on reading I found that he had been critically injured while being bounced out of a nightclub for causing a disturbance among the women and giving hot checks.

I turned to the sports page and saw a picture of two of my classmates, CAROLYN CASWELL and OLETA BRICE. Carolyn is challenging Oleta for the heavyweight wrestling championship title. It seems as though Carolyn has been secretly training to take the title away from Oleta.

After Jackie finished singing we sat at the table for a few minutes and talked about our old classmates. She told me that AUBREY DON DENMAN gave up his cowboy career because his faithful companion, Cindy, his horse,

died in a flu epidemic similar to the one that hit Bronte way back in 1957. A. D. decided that he could never get a horse to take Cindy's place so now he is residing in New York as President of the Humble Oil Company.

I also learned that Gene Sherrod, now the father of ten, is having financial difficulties. It seems as though his farm is not producing sufficient funds to keep his children and wife in a healthy condition. As I hear, his plans are to sell his baby grand piano, as it was the only possession he had left when he decided to drop his doctorship and become a farmer.

As I was catching up on the rest of the news I learned that MR. FLORES did drill something into our heads. TOMMY LATHAM heard his talk about poets so much that he has decided to be a hermit and write poetry. Since most of the poets we studied about back in Bronte High School were either drunkards or dope addicts, he had to make his choice. Since drinking had come natural—well anyhow, Tommy is now a famous poet; he spends most of his time at Scotties and only comes up for air long enough to sell his poetry.

The waiter switches on the television set about the time for the news to come on and we were all amazed to see that JERRY McSHAN had struck gold. About 1959, Mac decided to hide his broken heart, so he took to the Hayrick Mountains to look for gold. He had been coming into town in his ol' Dodge only once a month to get provisions.

Jackie and I went on with our conversation and she told me that she saw JEANETTE McDANIEL last week while she and her husband were home on a furlough. Jeanette told Jackie that they were stationed in Africa. Jeanette has gotten so used to army life that she has opened a dance school for the other sergeant's children.

I told Jackie about DOYLE ROGERS who has become the champion heavyweight wrestler of the world. He is the idol of millions of young ladies who adore his unique physic. He is known to have created as much excitement as did Elvis Presley.

Jackie told me that I could go on to Tennyson and see JOYCE FAULK, she became so attached to the place after all these years that she can't bear to leave it. She is now running a boarding house for the wayward boys of this district.

I traveled on down to Tennyson and talked to Joyce a few minutes. She told me that PAT LEE is now the owner of a chain of

baby food stores throughout the nation. It seems as if Martin's ulcer diet put them into a new, profitable business.

Joyce had found out that JERRY PARKER is now the Head of the English Department at the University of Oxford. Professor Parker also writes books on the side, his latest one being "How To Get Your Brownie Points."

At present he is engaged in a game of chess with Mr. Flores by correspondence.

We went on discussing our classmates and I recalled talking to Buddy Dyess when he was having a hard time trying to get WANDIE WEBB back in the rodeo ring. She was rather reluctant after she broke her leg at her

Senior Class History Given

The discovery of the class of 1958 was an accident. Twelve years ago, early one morning on the eighth of September, 1946, the faculty of the Bronte Public School was strolling aimlessly through the halls, chatting about the just-ended vacation and wondering whether there would be any startling changes in their work during the coming year.

Suddenly they caught a glimpse of something new and strange. Just inside the front door, huddled together in mute embarrassment and anxiety, were the members of what became the first grade class of 1946. To the casual eye, they seemed merely a group of ordinary little boys and girls, well dressed, reasonably good looking and badly frightened. But to the trained eyes of those dauntless and experienced explorers, these strangers seemed distinct and widely separated individuals, each possessing aptitudes and talents, deficiencies and capabilities decidedly worth finding out.

Gently attempting to dispel the fears of the strangers, the faculty bade them enter and spent the next few weeks attempting to gain their confidence. Of course, the major part of this job went to Miss Nell. She succeeded, after

great difficulty, in accomplishing this. So today, the discoverers of the class of 1946 will be celebrated in history for the gentleness and courtesy they have received through the years in dear old Bronte School.

In September, 1946, twenty-five little creatures began their invasion of the Bronte Primary department. Miss Nell was first on the long list of victims. Some of the invaders were Jimmy Basquez, Aubrey Denman, Don Bagwell, Chester Derrick, Charles Harris, Robert Kirchman, Gary Martin, Billy Gene Mitchell, Jerry Parker, Jimmy Rosser, Leslie Sharp, Alton Thomas, Cornell Thomas, James Tidwell, Elzie Wright, Abel Martinez, Donald Martin, Wanda Kirkland, Patricia McCutchen, Joan Webb, Wandie Webb, Lucille Smith, Enequina Herman, Leonor Cerda, and Minijares Merse.

After nine months of Miss Nell's constant drilling the group learned their ABC's and trooped off to the second grade and their next unfortunate victim, Mrs. Vera Thomas. They were joined by William Culp, Gilbert Fuentes, Jerry McShan, Doyle Rogers, Enrique Martinez, Benjamin Reyes, Easter Crawford, Glen Corley, Ortensia Puentes, Joyce Bramlett, Loyce Bramlett, Sally McShan,

Frankie Ballard, Aletha Murtishaw, Willie Mifares, Janie Cafey, Jane Tatum. We lost several students from our class that year.

Leaving Miss Vera behind, we advanced to the third grade, where Mrs. Phillips, after hearing of the invasion, was pacing the floor. New students were Richard Foster, Edward Murphy, Jimmy Rosser, Wilburn Wrinkle, Jimmy Samaniego, Mario Garcia, Cecil Sheen, Janet Foster, Jan Sharp, Lora Wright, Linda Earnest. That year, we also lost several students.

After finishing our primary grades we entered the fourth grade, our first year of grammar school with Mrs. Anderson as our teacher. Newcomers that year were Robert Feil, Tommy Latham, Roy Max Hester, Jerry Nardell, Jackie Rogers, Ysabel Garcia, Robert Moore and Oleta Brice. That year we lost three students.

We then plunged on to the 5th grade with Miss Sanderson drawing the task of trying to pound some knowledge into our thick little skulls. New pupils were Ronald Denton, Gary Reeger, Willard Smith, Jerry Coward, Bobby Morphis, Morris Overstreet, Joe Vaughn, Mary Blue, and Missie Taylor. We had two students to leave our fine class.

Mrs. Holcombe was our teacher in the sixth grade and we had no new entries.

The following year we went into the seventh grade. Mrs. Henry took up the task of being our sponsor. Our new pupils during that year were Douglas Looney, Gene Sherrod, Tommy Gray, Christine Allison, Minnie Chesshire, Jackie Grimes and Elizabeth Smith. We lost two students that year.

Mrs. Chet Holcombe drew the job of trying to keep us under control during our final year in grade school. This was no easy job as she can probably testify. We had one new entry and that was Carolyn Caswell. Those who left after graduation day were Christine Allison, Joyce Bramlett, Loyce Bramlett, Elizabeth Smith, Trilby McAdams, Missy Taylor, and Audrey Roach.

Leaving our grade school ways behind, we entered our first year in Bronte High School. We found high school much different from what we were accustomed but finally managed to get used to it. Mrs. Fancher was given the task of sponsoring us. Students who came in this year were Roger Adams. We lost Jimmy Rosser that year.

We left the ninth grade with Mrs. Fancher heaving a sigh of relief. The next year, however, her cries turned to those of anguish as she was again given the task of sponsoring us. We had one student to come in and that was Joyce Faulk. We lost Roger Adams at the end of that year.

Mrs. Fancher was once again given the task of sponsor. It was the third year and we felt sorry for her, even though we think she enjoyed us. We gained no new students but lost Wanda Kirkland, Jan Sharp and Joan Webb, due to their marriages. Two more of our class members also got married, but continued in school. They were Aletha Murtishaw and Patricia McCutchen. This class of seventeen made a grand entry into their senior year and we are all hoping that we will leave together. Our two sponsors are Mrs. Fancher and Mrs. Henry.

ON VACATION

Dr. and Mrs. John R. Harris, Rex and Ann, left Wednesday for a ten day vacation trip. They were to visit in Carlsbad, N. M., El Paso, points in Arizona, including the Grand Canyon, and will return by Carizozo, N. M., to visit Mrs. Harris mother, Mrs. Lulu Lewis.

'58 Class Will

Ladies and Gentlemen, and friends and teachers:

Upon behalf of my client, the class of 1958 of Bronte High School, of the city of Bronte, County of Coke, State of Texas, I am about to publish her last will and testament.

Listen then, one and all, while I read the document as duly drawn up, witnessed, and sworn to:

We, the class of 1958 of Bronte High School, in 17 individual and distinct parts, being about to pass out of this sphere of education (we hope) in full possession of crammed minds (if any) and well trained memories (especially on Shakespeare) do make and publish this our last will and testa-

ment.

We, the Senior Class of 1958, to the school as a whole do give and bequeath the tradition of character, school pride, and wholesome respect for authority.

To our incomparable superintendent we give and bequeath the satisfaction and pride in a duty well done in handling the Bronte Schools, unsurpassed in this world, or any other world. To him we also leave our ability to ignore the rapid pace of today's world and to live slow and easy. We are hoping he will take this to heart and slow down his rapid and ever increasing ways.

To our principal, Mr. Simpson, (better known as papa Joe) the seniors will the ability to work

math problems correctly, especially when Coke parties are involved.

To Vetal Flores, our beloved English professor, the seniors will the ability to concentrate on a full stomach.

To Mr. Henry, the seniors will the ability to distinguish between colors. Somewhere, someone said that he was color-blind.

To Oscar Dorsey, the seniors will the ability to give advice to the love-lorn.

To Bud Thetford, the seniors will their cramped fingers and carbon paper.

To Mrs. Henry, the seniors will ALL the sweet smells from the chemistry lab.

And now to those shy, bashful, unfortunate juniors, we fondly dedicate a few remembrances.

To the junior class as a whole, we give and bequeath the senior privileges, if there are any, and the ability to steal other classes' money making projects. However, they already seem to possess the latter.

To Ida Nell Shields, James Tidwell leaves his ability to handle a car strictly within the law.

To Francis Johnson, Jackie Grimes will her ability to keep a solemn face in Homemaking class.

To Linda Smith, Carolyn Caswell White will her forward, outspoken ways. Maybe with this Linda can overcome her shy bashfulness.

To Albert Grace, Bob Feil will his ability to get along with the girls and to keep his girl friend a secret.

To Stover Taylor, Aubrey Denman will the undying love of a certain freshman girl.

To Ruthie Phillips, Jeanette McDaniel will her purple eye lashes.

To Ray Eubanks, Robert Moore will his ability to agree completely with everything said in the classroom and his ability to date foreigners.

To Jettie Kirkland, Joyce Faulk will her bashful, timid ways amongst boys.

To Ronnie Robbins, Jerry McShan will his "brownie points in English," although Ronnie probably won't need them.

To Modene McGuire, Oleta Brice will her secret love affairs.

To Dean Black, Tommy Latham will his ability to completely ignore to opposite sex.

To Ellen Brock, Aletha Walker will her unsuspecting faith in duck hunters.

To Tommy Bell, Jerry Parker will his brilliant scientific mind and his love for his books.

To Juanita Wrinkle, Wandie will Stanley Goober.

To Ronnie Cole, Doyle Rogers

will his secret parking places. However, in view of the present development he may want them back.

To Epsie Hageman, Pat Lee will her handbook entitled "How to Prepare Baby Food." Martin will be glad of this.

To Abel Martinez, Yours truly (Gene Sherrod) will his curly hair and his resemblance to Pat

Boone.

And last but not least, we give and bequeath to Mrs. Fancher, our beloved sponsor, our life-long respect and appreciation for her patience and skill in guiding us through out school days.

In witness whereof, we the class of 1958, the testators, have set our hand and seal this 8th day of February, Anno Domini, 1958.

first attempt to ride a bull.

One of Joyce's wayward boys told her that ROBERT L. MOORE slipped while trying to fulfill his life's ambitions as a preacher. However, Robert L. is not the type of boy to admit defeat so he pushed ahead in life and finally became a preacher. He now has one of the largest congregations in California. It seems like the name is Alcatraz or something to that effect. He was caught running crooked gambling tables in Reno. It seems his persistent

topic is "I was framed."

Several weeks ago, Joyce read in the papers that ALETHA WALKER was now competing with Kim Novac for the leading lady's role in movies.

I had found out about all my classmates and had an enjoyable visit. But now I must be going, as I go on duty in F. W. tonight. I have become a highway patrolman. I decided it would be cheaper this way.
