FREE FIVES — Mrs. W. W. Millikin makes like she wants to grab his whole roll as the Rev. James W. Campbell gives a \$5

bill to Mrs. Don Edmiaston, left. Campbell was busy this week giving out the bills to persons who failed to get one at the Methodist Church Sunday.

Methodist Church Passes Out \$5 Bills at Sunday Services

A new wrinkle on "passing the plate" was put into effect at the First Methodist Church in Bronte last Sunday morning when money was placed in the plates and passed out to the congregation.

At the close of the worship service ushers passed two plates containing 100 five dollar bills up and down the aisles and everybody who wished to, was asked to take one of the bills.

The pastor, Rev. James W. Campbell, said this week that 75 persons either took one of the bills Sunday or have taken one this week.

Rites Held Sunday In New Mexico For Mrs. Lewis

Dr. and Mrs. John R. Harris were called to Carrizozo, New Mexico last Thursday by the death of her mother, Mrs. LuLu Lewis. Mrs. Lewis' death, which occurred in Roswell, New Mexico, was attributed to heart failure.

She was the former LuLu Hanna, born Sept. 7, 1875, in Boone, Iowa, the daughter of John Quincy Hanna and Mary Ann Hoover Hanna. She was married to Rex Lewis in 1900. Both the Lewis and Hanna families were pioneer residents of this area and the Lewis family resided at Blackwell until 1928 when the family moved to Carrizozo and engaged in the ranching business. Mr. Lewis died in 1935.

Funeral services were held at 2 p. m. Sunday, Sept. 21, in Shaw Funeral Chapel in Carrizozo. Rev. Homer Reid, Baptist minister, officiated, assisted by Rev. Harold Ely, Methodist pastor. Interment was in Evergreen Cemetery there. Mrs. Lewis was a member of the Dunkard (Lutheran) Church.

She is survived by Mrs. Harris and four sons: John, Mose, Brooks and Rex Lewis, and seven grandchildren. Another daughter, Kathleen, died in 1934.

Pallbearers were Pat Withers, Wayne Withers, Roy Richards, William Gallacher, George Berry and Glenn Moore.

Honorary pallbearers were Will Ed Harris, John Fulmer, Ray Lemon, C. A. Branum and Bud Crenshaw.

FOOTBALL RECEIPTS:

A profit of \$69.00 was made on the football game played at Eden two weeks ago. The Bronte team was given a \$100 contract to go to Eden and meals for the boys were \$31, leaving the \$69 for the Bronte Athletic fund.

Net profit at the Wylie game held here last week were: Total gate receipts were \$288.00 with \$50 in change. The Wylie contract was \$100 and officials were paid \$50.65.

Hundreds on Hand For Butterfield Stop

Hundreds of school kids and adults crowded on and around the old Butterfield Stage Coach which stopped in Bronte at noon Thursday. Both Bronte and Blackwell school children were dismissed from classes and allowed to come to town to view the historic coach.

The caravan, going from Tipton, Mo., to San Francisco, Calif., stopped at Bronte as it followed as nearly as possible the original Butterfield Trail route of the Overland Mail Co. Occasion for the event here Thursday was the 100 anniversary of the route which started in 1858.

Postmaster Noah Pruitt, Jr. said he had more than 550 pieces of mail to put aboard the caravan. School kids were allowed to go through the traveling post office.

After stopping here, the group went on to San Angelo, where they spent the night. Leaving Angelo this morning, they will head west via Mertzon, Fort Stockton, and on to the Pacific.

Bronte School Has Deficit of \$22,386

The Bronte School District ended the 1957-58 school year on Aug. 30, 1958, with a deficit of \$22,386.47. Actually the deficit amounts to \$16,455.56 since the school has yet to come in \$4,241.71 from the Texas Education Agency and \$1,689.20 from county money.

Supt. Garland Black said Wednesday that even though the school's operating budget for last year was reduced from the year before the deficit developed because of a decrease in money coming in from the state and from the school district's having to bear the cost of a teacher pay increase voted by the state legislature.

Black and four members of the school board, Hurlin Lee, Allen Sherrod, Edward Cumbie and Jacob B. Morrow, went to Austin last week to confer with Leon Graham, head of the school finance division of the Texas Education Agency. Black said the group returned from Austin with a clearer picture of why the local school received \$11,839.48 less from the agency than was received the year before.

Besides this reduction in state funds, the school was out \$7,231.28 to pay the additional cost in teachers salaries.

Black explained that the loss in state funds was brought about by an increase in county income. The Texas Education Agency uses the county income as one of the major

indexes in determining amount of money which is furnished by the state and the amount furnished by the school district.

The increase in county income, which brought about the reduction in state money, was not accompanied by a proportionate raise in school tax money for the district, however. In fact, Black said that tax valuations in the Bronte School District have decreased enough in the past two years to cost the school \$13,100.00 in tax revenue.

This loss in tax income within the district has added to the woes of school officials in their efforts to balance the budget.

School authorities have spent time the past few months, since the deficit became apparent, trying to solve the problem of school finances. Their work will continue, board members say, and they hope to work out the solution to the problem.

Figures quoted above are from an audit made recently by Neimeir & Pierce, Lubbock auditing firm. The audit will be published in full in The Enterprise as soon as it is printed by the auditing company.

Black said that Graham stated he would be available at a later date to come to Bronte if need. He said the state official told the Bronte group he would be willing to appear in a public meeting and explain the state foundation program in its present form.

Funeral Services Held Thursday for T. F. Sims, Sr., 71

Funeral services were held Thursday afternoon at 3 o'clock for Thomas Fewell Sims, Sr., 71. The well known Bronte peace officer died in Shannon hospital at San Angelo at 3:45 Tuesday, Sept. 23.

Mr. Sims was born Aug. 26, 1887, in Bell County. He was the son of the late A. G. and Nannie Richardson Sims. He was educated in the public schools and attended Draughon's Business College in Dallas when a young man. He and the former Emma Jones were married Oct. 26, 1910.

Mr. Sims served as a peace officer in the Bronte area for the past 30 years. At various times during this period, he was a deputy sheriff, city marshal, constable, and city nightwatchman. At the time of his death he was constable in the Bronte precinct.

During his long career as a peace officer, he apprehended many persons wanted by authorities. His experiences included many interesting incidents. Prior to becoming a law enforcement officer, Mr. Sims was a stock farmer.

He was a member of the First Methodist Church in Bronte and also a member of the Woodmen of the World lodge.

Funeral services were conducted at the First Methodist Church, with the pastor, the Rev. James W. Campbell, officiating. He was assisted by the Rev. Douglas Brown, pastor of the First Baptist Church here. Burial was in Fairview cemetery, with Clift Funeral Home in charge of arrangements.

Survivors include his wife; one son, T. F. Sims, Jr. of Bronte; one daughter, Mrs. Royce (Modelle) Hayley of San Angelo; three brothers, Harold Sims of Lone Wolf, Okla., Lewis Sims of Bronte, and Lawrence Sims of Kingston, Okla.; three sisters, Mrs. Willie Taylor of San Angelo and Mrs. Jewell Hardin of Fort Worth; and one grandson, Tommy Glenn Sims of Bronte.

SINGING SUNDAY

There will be a singing Sunday, Sept. 28, at the Bronte Church of Christ. The services will begin at 3 p. m. Singers from all over the area have been invited, according to Melvin Placke, minister. The public is invited to attend.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I doubt if you city folks has noticed it, but you don't see many scarecrows in the fields this year. The price of clothes is so high that a farmer can't afford to dress up a scarecrow anymore. If he's got clothes good enough to scare a crow away, he's probably wearing 'em to church on Sunday. When you git right down to brass

tacks they ain't much difference between depression and inflation. Back during the big depression money was so tight that there wasn't none to speak of, and now it's so cheap a farmer can't afford to dress up a scarecrow. My neighbor says it's cheaper fer him to move his son-in-law and his rocking chair from the porch to the cherry tree than to rig up a scarecrow to keep the birds away.

One thing inflation has done to the country, inflation plus all these taxes that causes a feller to figger his take-home pay. It's taught folks to figger that couldn't count up to 50 afore it started. One feller up at the store said he used to set and dream what he'd do if he had a million dollars. Now he says he dreams what he'd do if he had \$2,000,000.21. The extra million he says, is fer taxes and the 21 cent is fer them parking meters they got in town.

Well, I see by the papers where they got a factory that is making wimmin's girdles out of peanuts. They say the protein that gives a peanut fine food value makes fine girdles. It makes a feller sorter sad to think about what science is doing to this world. It used to be a feller could pull up a handful of peanuts and set on a stump and enjoy hisself without worrying. Now evertime he eats a peanut he'll be wondering if he ain't depriving some poor working girl out of a two-way stretch.

Dee Arrott Wins With Heifer At Abilene Jr. Show

Dee Arrott, son of Mr. and Mrs. J. P. Arrott of Tennyson, exhibited the Grand Champion heifer of the Junior breeding beef cattle show of the West Texas Fair in Abilene last week. Dee, in his seventh year of 4H club work, won \$125.00 prize money, two ribbons, a rosette and a trophy with his prize Hereford heifers.

The 8-month old heifer placed fifth in the open show, competing against top breeder's animals from over the state. She won first in her class in the Junior show, which is limited to 4-H and FFA exhibitors, then was judged grand champion heifer of the Junior Show.

Dee, along with T. C. Princess 52, a heifer he purchased from Lee Campbell, a well known breeder at Dublin, appeared on T. V. twice Tuesday night.

Longhorns Romp By Class A Wylie Team By 18-0 Score

By BILL ALEXANDER

Using a brutal ground attack and a stout defense, the Bronte Longhorns swept to their first victory of the year by downing the Wylie Bulldogs 18-0. The win gave the Longhorns a one win, one tie record for the season.

In downing the Bulldogs, the Longhorns showed a strong defense and a sound ground attack. All of the Longhorns scoring drives were for long distance with the majority of the yardage being picked up by way of lugging the ball around and through the Wylie forward wall. On defense, the Bronte club proved to be the superior as they kept the Bulldogs from crossing the Longhorn 35 yard line. The Bulldogs were

unable to get any closer to the Bronte goal line than the 38.

Longhorns Score

Taking a Wylie punt on their own 35, the Longhorns started a sustained drive that started in the failing moments of the first period and came to an end in the early part of the second quarter. With Benny Corley and Dee Arrott doing the carrying, the Longhorns went the distance in five plays. Arrott put the Longhorns on their way with a 10 yard carry and a first down on the 45. Corley carried twice for 13 yards and another first down. Several plays later, Arrott swept end for seven yards and the score. The extra point was missed on an attempted pass and the Longhorns led 6-0

at half time.

March 70 Yards

Taking the opening kickoff of the second half on their 30 yard line, the Longhorns soon marched to their second tally. Arrott lugged the ball for nine yards and Corley added three yards for the first down on the 42. Albert Grace hit Corley with a pass that netted 14 yards and another first down. Arrott carried three times for 21 yards while Grace swept end for 20 yards. Corley carried for 2 yards to the one from where he scored on the following play. Again the Longhorns failed to count on the conversion try and led the Bulldogs 12-0 at the end of the third period.

Late in the final period, the

Longhorns drove 79 yards for their final touchdown. A Bulldog punt put the Bronte lads on the 21 yard line from where they scored in 11 downs. Mickey Black carried for 10 yards and Grace chalked up 19 yards to put the Longhorns on their way. Black and Grace again combined carries to pick up 29 yards. Corley gained two and Robbins found daylight for seven yards to the Wylie 20. Grace hit Corley with a pass that carried the distance and the Longhorn score. Point after touchdown failed and the Longhorns came out with an 18-0 victory.

Light Leads Our People

Each day a new door opens. What it reveals on the other side, for the people who must pass over its threshold, depends upon the conditions under which they lived their yesterdays.

Those in some countries look through the door upon a new day shadowed with oppressions, where there are few freedoms, tyrannies abound and living is hard and cold.

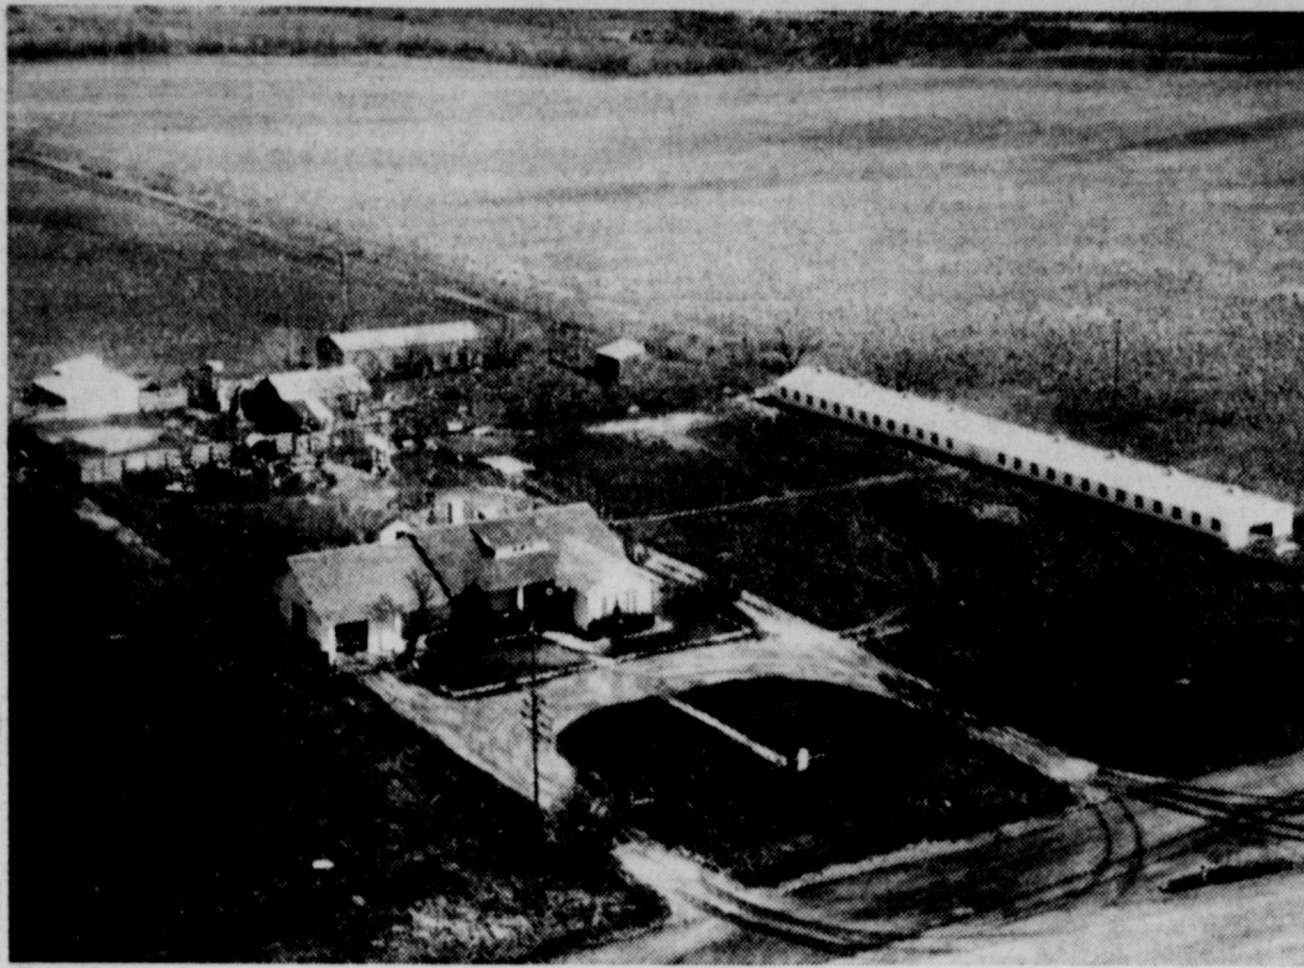

Those of us in America are more fortunate. Opening the door each day, we are met by the light of freedom which has led our destiny for many years. Protecting that freedom

has been — and always will be — a Press that will not succumb to dictation or overpowering despotism.

For the light that leads to all freedoms is Freedom of the Press: Education . . . information of all kinds . . . news of all that transpires . . . and the open discussion of opinions and ideas that sharpens understanding.

Complete freedom of speech and of the press is the light that builds understanding, helping all mankind to advance onward and upward through the opening door of each tomorrow.

MYSTERY FARM

Last week's Mystery Farm has been identified as the home of Mr. and Mrs. James Allen located on the north edge of town. No other information is available.

The mystery farm pictured in The Enterprise Sept. 5 is the home of Mr. and Mrs. Ernest Marshall. The farm is located one mile west of Maverick.

Mr. Marshall has lived on the place for the past 73 years. He purchased the farm from his parents. The farm consists of 195 acres. Ordinarily the land is used to raise cotton and grain sorghums. However, it has been in the Soil Bank this year. A few head of cattle are now being run on the place.

Mr. Marshall and Mrs. Pearl Thomason were married in 1915 and this place has been their home since that time.

The farm run in the Sept. 12 issue of The Enterprise is owned by Charley Cave. It is located just this side of Blackwell on Highway 70. Several persons have come by and written in identifying the place.

SEVENTH GRADE OFFICERS

Jan Wilkins is new president of the seventh grade class of the Bronte school. Mrs. C. C. Glenn is sponsor of the class. Other officers are Janice Hester, vice president; Glenn Sims, secretary and treasurer and Gale Mackey, reporter.

Rev. Johnny Johnson was back in the pulpit at the Baptist Church Sunday after a three week vacation.

Mr. and Mrs. J. P. Tounget, Fracilla and Mike attended a Tounget family reunion Sunday in Ballinger.

Mrs. Doyle Gleghorn, Ollie Mae and Gary and Mrs. W. Y. Boatright of Miles visited Mr. and Mrs. T. G. Gleghorn Sunday. In the afternoon they visited Mrs. J. C. Boatright.

Sunday guests of Mr. and Mrs. Herbert Holland were Mr. and Mrs. James Holland and children and Dee Foster of Big Spring. They also visited Mrs. Jim Clark, who is ill in the Bronte hospital.

Herbert Holland and Carl Florence made a business trip to Cisco and Eastland one day recently. Mr. and Mrs. Willie McNute of Miles visited Mr. and Mrs. Jim Clark Wednesday.

Mr. and Mrs. Willard Caudle were Thursday night supper guests of Mr. and Mrs. Willis Smith in Ballinger.

Mr. and Mrs. Verlin Oates and Mary Evelyn came out from San

their second victory of the season as they take the field against the Cowboys. Thus far this year, the local club has looked good in their two previous outings. In downing a weak Class A team, Wylie, last week, Bronte showed a strong defense and an offense that can go. In their first two clashes, the Longhorns tied Eden 0-0 and rolled by Wylie 18-0.

Not much is known about the Cowboys as this is their first year in several years to compete in interscholastic play. The Abilene Reporter News rated the Cowboys third in their respective district. Only Rochester and Rule were ranked above them. Reports are that Woodson has a small squad, but that they are very fast and hard chargers. Results of their previous two games were not available at press time.

A good crowd was on hand last Friday night as the Longhorns downed Wylie. From all indications another substantial crowd will be backing the Longhorns tonight as the ball is teed up at 8 o'clock.

Angelo Sunday to visit Mr. and Mrs. Willard Caudle.

Mr. and Mrs. Charles Hedges of Midland were guests in the Caudle home Monday night.

Mrs. Susie Garlington of Ballinger visited the Jerry Landers family Friday.

Attending a Workers Conference in Ballinger Tuesday night were Mr. and Mrs. T. G. Gleghorn.

Mr. and Mrs. Floyd Adams of Longview visited Mr. and Mrs. Herbert Holland Tuesday and Wednesday.

Tug Boatright returned Wednesday from a trip to Louisiana.

Jim Clark and Homer Clark were in Goldthwaite on business Saturday.

Mr. and Mrs. A. J. Essary visited Mr. and Mrs. John Shipman in Winters one day last week.

The community received 1/2 to 1 inch of rain last week. Grain is really looking good.

A guest in the G. L. Cook home this week has been her brother from Andrews.

Mrs. J. C. Boatright spent Sunday and Monday nights with Mr. and Mrs. J. B. Arrott at Tennyson. Mrs. Boatright visited her parents, Mr. and Mrs. C. H. Hester, in Bronte Monday and they all went to Winters to visit Mr. and Mrs. Lonnie Hester and Lloyd. Lloyd continues to improve from injuries received in an auto accident several months ago and his arm is now out of the cast.

Mr and Mrs. Jimmy Lee and son of San Angelo visited Mr. and Mrs. James Lee and Judy Sunday.

Press Box Chatter

By BILL ALEXANDER

Football really got underway last week as all Texas High schools saw action with the larger majority of the colleges and universities. As usual, upsets were the big news stories. About the most sizeable upset was the Sweetwater Mustangs defeating Abilene. San Angelo also surprised everybody when they downed Corpus Christi Ray. Looks like there might be in the making a new king of District 4-AAAA. San Angelo, no doubt.

If the Longhorns keep improving they could give the top rated teams of District 6-B a good run for their money in the race for district champions. These boys have been working hard and under the coaching of Norman Porter and Joe Simpson have come a long way since the start of the season. The coaches as well as the boys deserve all the support that can be furnished by the local people. If you want to see some good football, go out tonight and watch the Longhorns in action.

Predictions went a little slow last week as upsets took their toll on sports writers. Results in District 6-B went like this week: Bronte 18, Wylie 0; Knox City 12, Hermleigh 8; Baird 10, Trent 8; Coahoma 20, Lorraine 0; Jim Ned 18, Robert Lee 14. This week will see Woodson at Bronte; Robert Lee at Melvin; Eldorado at Rankin; Roby at Lorraine; Trent at Jim Ned; Hermleigh at Roscoe.

Maetta Phillips and Leon Brice Married

MRS. LEON BRICE

Miss Maetta Phillips, daughter of Mr. and Mrs. B. A. Phillips of Bronte, became the bride of Leon Brice in a ceremony read at 6 p. m. Saturday, Sept. 20. Melvin Placke, minister of the Bronte Church of Christ, read the ceremony in the Phillips home. Sixty-seven guests were present for the wedding.

The couple was attended by Miss Deanie Allen, maid of honor, and Stover Taylor, best man.

The bride wore a turquoise faille sheath dress fashioned with pleats at the bottom of the skirt and a low neck trimmed in rhinestones.

Following the ceremony Mr. and Mrs. Phillips were hosts at a barbecue buffet-style supper. A three tiered wedding cake was also served.

After a wedding trip to Midland, the couple is at home in Bronte, where he is employed on the W. A. Hickman ranch.

Among wedding guests were three great aunts of the bride: Mr. and Mrs. T. R. Davis, Hart, Tex.; Mr. and Mrs. John Fast, Arkansas; and Mrs. Addie Crabtree, Roseburg, Oregon.

The following clause in the lease will be of interest to those who wish to lease their property:

"This lease to be placed in the First National Bank, Bronte, Texas. There to remain until a well has been completed from which is now known as the Youngblood No. 1. At which time leases are to be delivered to Barney Carter.

"Work to begin not later than ninety days (90) after completion of the leases in as many as 4 units, referred to as Drilling Units by the city ordinance of the City of Bronte. If after completion of the first well, the drilling of another well has not begun within 12 months from this date, then any and all leases not in the units producing shall be forfeited. . .

"Unless at that date and each month thereafter a proportionate amount of royalty so paid shall be equal to the proportional amount it would be if the lot or lots in the blocks not drilled were a part of the 4 block unit being produced. In such cases, the royalty to be paid by Lessee directly as and when oil produced and production sold and paid for. Failure to continue to pay after payment has begun according to the above provision shall forfeit such leases unless a well is being drilled or has been completed in the block unit on which this lot here described is a part of. This provision to remain attached hereto as a part of this lease."

Brownfield spent the weekend with Mr. and Mrs. Gordon Montgomery.

Mr. and Mrs. Bob Ragsdale are vacationing in New Mexico. They will visit the Carlsbad Caverns and other points in New Mexico and also the Big Bend area of Texas.

Mrs. Austin Jordan, Mrs. H. C. Raney, Mrs. Lee Alderman and Mrs. Charles Ragsdale attended an all day district meeting of the W-SCS at the Methodist Church in Merkel Thursday.

Mr. T. A. Carlisle was honored at the Methodist Church Wednesday night. Mrs. L. W. Sweet was master of ceremonies when a program "This is Your Life" was presented. Mrs. Austin Jordan presented him with a Bible. He had taught an adult Sunday School Class in Blackwell for 50 years.

All through these years Mrs. Carlisle has had flowers every Sunday for the church. Mr. Carlisle has missed very few Sundays in the fifty years, only when ill or out of town.

The Kingdom Seekers Sunday School Class of the First Baptist Church of Blackwell met Thursday night at the church for a social and business meeting.

Officers were elected, games were played and refreshments served.

Those present and officers elected were Mrs. Dick Cooper, Mrs. James Cate, president; Mrs. B. B. Johnson, vice president; Mrs. Kenneth Jones, secretary; Mrs. Bob Johnson, treasurer; Mrs. Gordon Montgomery and Mrs. G. E. Neely, social chairman.

Mrs. Charles Ragsdale was accompanied to Marfa and Alpine by Mrs. Carl Faith of Decatur and Mr. and Mrs. Burl Moore of Divide where they will visit relatives.

Mrs. Rocky Thompson visited her brother, Grady Patterson, and family in Slaton last week. She was accompanied by Mrs. Rose, who visited her sister, Mrs. Roy Meeks, and family while they were there. . .

Mrs. Dabney Hosts Euterpean Club

By Mrs. Charles Ragsdale

First fall meeting of the Euterpean club of Blackwell was held in the home of Mrs. P. G. Dabney Thursday afternoon of last week. The yearbook committee presented the new year books.

Mrs. Owen Colvin, president, welcomed new members, Mmes. Bob Harris, C. B. Smith and Miss Bertha Smith. Mrs. James Cate is also a new member but was unable to attend.

Mrs. Kay Corley and Mrs. Bob Ragsdale were voted in as new members.

The club will entertain their husbands Thursday night Sept. 28 with a covered dish supper at the L. W. Sweet cabin at Oak Creek Lake.

A refreshment plate was served to Mmes. H. C. Raney, W. C. Shamblin, Charles Ragsdale, Austin Jordan, W. W. Youngblood, R. Q. Spence, L. W. Sweet, R. V. Copeland, Reece McCarley.

Mr. and Mrs. Hervey Latham and girls of Robert Lee visited Mr. and Mrs. Marvin Corley recently.

J. T. Sanderson Honored On 83rd Birthday Sept. 21

By Mrs. Charles Ragsdale

Mr. J. T. Sanderson, pioneer Blackwell blacksmith, was honored on his 83rd birthday Sunday, Sept. 21, at the ranch home of his daughter, Mrs. R. V. Copeland. Hosting the backyard barbecue with Mrs. Copeland were her husband and the immediate family.

Mr. Sanderson came to Blackwell in 1910 and has lived here continuously. He has been an active member of the Methodist Church 38 years and has done blacksmithing for 59 years, and still is the towns only blacksmith.

Joining in the celebration were his wife, and his sister, Mrs. Virginia Jackson of Benjamin, Tex., his children, Mr. and Mrs. R. V. Copeland, Mr. and Mrs. J. Roy Sanderson, Blackwell. Grandchildren are Mr. and Mrs. George V. Smith, Mr. and Mrs. Jack Blanchard, Snyder; Mr. and Mrs. Percy G. Anderson, Midland; Mr. and Mrs. Tom V. Copeland, Levelland; Mr. and Mrs. Bill W. Hipp, Artesia, New Mex.; Mr. and Mrs. R. D. Harris and Bobby J. Sanderson, Blackwell; great grandchildren are Jo Nila, Bobby and Gary Harris, Brent Blanchard, David Anderson and Cynthia Hipp.

Members of the family that were unable to attend included Mrs.

COKE SOIL CONSERVATION
DISTRICT NEWS

Present Supervisors —

C. N. Webb, chairman; Robert Walker, Vice Chairman; D. K. Glenn, Secretary and Treasurer; Bryan Yarbrough and W. E. Burns.

During the past few weeks interest in the Kickapoo Creek watershed has been running high. The commissioners court has set up \$18,500 for the development of a work plan on the watershed. This fund will be made available when easements for planning and construction have been given by the landowners in the watershed. Interest in soil and water conservation through watershed programs has reached an all time high. Hardly a week passes now that we do not read about a new water improvement district being organized or some other watershed progress reported.

Following good rains the past week farmers and ranchers in the Coke Soil Conservation District are looking over their pastures evaluating their grasses for winter grazing prospects. Now is a good time to take a close look at just how much forage is available for grazing and still leave enough to protect pastures from erosion and insure continued good grass growth. Most grasses have the ability to take care of themselves when properly managed. In order to understand proper management of grasses it is necessary to know something of the effect of grazing on them. Growth and productivity may be prevented by grazing excessively, depending on the season and degree of maturity at which plants are grazed.

Due to selective use of better grasses by livestock management should be grazed on the more desirable grasses. When more than 50% of the current season growth is utilized pastures tend to deteriorate. On the other hand they will improve if only 50% is used. For this reason, when a healthy plant is grazed more than 50% its root system is affected by shrinking to support only the amount of top growth left and inturn is not capable of providing nutrients and support for the large top

it once had.

If continuous over grazing persists the same cycle is repeated until there is no grass plant left. You might say that every time a sheep or cow takes a bite of grass over 50% of the current growth, it is taking a bite of the roots too. A little time spent in evaluating pastures before restocking or increasing stocking rates will mean more money in the bank and better pastures in the long run. Your local soil conservation service assisting the Coke Soil Conservation District has technicians available who will be glad to help you in evaluating your range conditions.

"In addition to the flood prevention or control we are likely to think of first when considering watershed problems, there is another problem, and one of particular interest in this part of the county. Someone has termed it 'drouth control.' The watershed job doesn't consist solely of holding back storm waters and keeping them from doing damage to the land and property. Making the fullest use of water always has been an important part of soil and water conservation. An important part of the watershed job accordingly is to provide for making beneficial use of the water on the land close to where it falls." D. A. Williams, Administrator, Soil Conservation Service.

I spent Monday and Tuesday of this week in Brady at a Work Simplification Meeting. I picked up some good ideas that I'll pass along to you later.

A Mexican Supper sponsored by the Women's Home Demonstration Council has been set for October 17th. More details will appear later, but we hope you will remember the date.

September and the opening of school means a "fresh start" for most family members in one way or another. This is the time when eating habits are re-established for the school and work days ahead.

Eating a good breakfast pays off in efficiency, alertness and better health. There's lots of proof for that statement. Research has shown that breakfast skippers rob themselves of potential alertness and efficiency during late morning hours, and that dieters are wrong if they think missing breakfast is a practical way to lose weight.

A good mother's aim should be for an adequate breakfast for her family. That means one that will provide one-fourth to one-third of the day's total food requirements in calories and nutrients. It should include these basic foods — fruit or fruit juices, cereal or eggs and meat, or both, whole or enriched bread, butter or margarine, milk and coffee.

If some of you who are dieting have cut down on your milk or you're doing without it completely — don't. Milk isn't fattening. A glass of whole milk has fewer calories than a serving of many other foods. There are only about 165 calories in a glass (eight oz.) of whole milk, and each ounce is packed with food value. Rich in calcium, milk also provides high quality protein, other minerals and vitamins. By the way, if you or your children, are having trouble getting your requirement of calcium, try using "double milk." Add 4 tablespoons of dry milk to one cup of fluid milk. For a mid-morning or afternoon pickup, add your favorite fruit or flavoring to this.

AD-LIB-BEN—

Continued from Page 1

An era has passed in Bronte with the death of Fewell Sims. Since we came to Bronte about ten years ago, we have always considered Mr. Sims as the protector of our property. He was nightwatchman until a year or two ago and we always figured that everything was all right as long as Fewell was on the job.

Several times he called us at home to tell us we left a door unlocked, and we always knew that he would discover and report it when we pulled a boner of this kind. We are sure that all the other business men in Bronte received the same fine service.

Fewell's reputation for not missing anything has been a big protection for Bronte over the years. Burglars and other hoodlums haven't been too prone to want to encounter him.

Yes, it will be different without him.

We're going to have a right nice

highway running north out of Bronte. In fact, the nine miles from Bronte to the Sweetwater-Abilene Y is going to cost in excess of a half million dollars. No wonder taxes are high.

Better watch out for rattlesnakes. O. H. Willoughby (who, incidentally lives only a short distance from us) reported that he has killed two rattlers close to his house. Cats belonging to the Willoughbys, in both instances, had the varmints cornered. We heard, too, that Royce Fancher killed one near his home in the southeast part of town; haven't verified this one, however. This is the time of year for snakes to be thinking about crawling up some place for the winter. So, it wouldn't be a bad idea to be extra careful during the next few weeks.

Mrs. Carroll Leathers, John Robert and Ann, Roberta Herron and Mike Herron, all of Odessa visited Mr. and Mrs. R. H. Herron last weekend. Mike is the son of Mr. and Mrs. Bill Herron.
