Contract Is Let for Rebuilding 277 South

A contract for 13.8 miles of construction on U. S. Highway 277 in Coke County has been awarded to an Austin firm, it was announced this week by the State Highway Commission.

Collins Construction Company of Texas submitted the low bid of \$758,412 on the project. Construction of grading, structures, flexible base and asphaltic concrete pavement, from Main Street in Bronte to Tom Green County line is expected to take 300 working days, according to J. A. Snell, District Highway Engineer at San Angelo.

C. C. Stroud, Resident Engineer at San Angelo, will be in active charge of the project while it is under construction.

Right of way required for straightening and widening the highway has been fenced, cost of the additional land being paid for jointly by the county and state. Commissioner Howard Brock secured the right of way from owners in Precinct 2 which runs to the river, while from the river on south to the county line lies in Precinct 4 and was handled by Commissioner Claude Ditmore.

Very little re-location will be made on the new highway, except for straightening and reducing sharp curves. The Colorado River Bridge is to be widened.

AD-LIB-BEN

Probably the toughest game of the regular season faces the Bronte Longhorns Friday night. Eldorado has the same district record as does Bronte with no defeats in conference play. The Eagles have suffered defeats this season, and do not have a perfect record like the big Longhorn eleven. The district title might well be decided here Friday night.

The Eagles will be trying extra hard to defeat the Longhorns and the local boys need the support of every fan in the area. Make your plans now to be at the game Friday night. Help the Longhorns continue their outstanding record this season.

There's still some activity going on in connection with the proposed sewer system for Bronte. The city council is studying the proposal and is in conference with the engineers hired several years ago.

Interest in the sewer system seems to ebb and then rise again. This time we hope all angles of the situation will be thoroughly explored and maybe we can see it to a successful finish.

In Balaam's time it was considered a miracle when an ass spoke. Now we think nothing of it when they drive cars and even when elected to public office. — Copied.

Mrs. M. A. Scott was a visitor in The Enterprise office Tuesday afternoon. She had just come back from Denver City and brought with her a picture from the Denver City Press showing her son, Leroy, and grandson, Doyle Scott, posing with a 300-pound, nine-point buck which Leroy recently bagged on a hunting trip to Colorado.

The new contract is a continuation of rebuilding Highway 277 through Coke County. A 10-mile stretch from Bronte to the Abilene route intersection was completed the past year.

Funeral Services For Mrs. Larkin Here Thursday

Funeral services for Mrs. Eliza Larkin, 86, will be conducted today, Oct. 29, at 2:30 p. m. from Bronte Church of Christ. Services will be conducted by Melvin Placke, minister, Foy Moore, minister of a Robert Lee Church of Christ, and the Rev. Lester Vinson, pastor of Bronte First Baptist Church. Burial will be in Fairview cemetery here with the Clift Funeral Home in charge of arrangements.

Pallbearers will be Jackie Fulgham, Alfred Williams, Delbert Hollaway, B. Bradley and J. B. Sparkman.

Mrs. Larkin died at 7:40 a. m. Wednesday, Oct. 29, in the Bronte Hospital. Mrs. Larkin had been in ill health for a long time but had entered the hospital only the day before her death.

She was born Eliza Dunlap on Oct. 7, 1873 in Milam Co., Texas. She was married to D. Larkin. They moved to Coke County in 1901. Mr. Larkin died in October, 1952.

She was a member of the Church of Christ.

She is survived by four sons, Sam Larkin, Jack Larkin, L. D. Larkin and Joe Bailey Larkin; and six daughters, Mrs. Mary Taylor of San Angelo; Mrs. Annie Clark and Mrs. Mattie Williams, both of Bronte; Mrs. Jessie Mae Jackson of Junction; Mrs. Willie Belle Fulgham of Friona and Mrs. Sallie B. Carter of Sweetwater.

Mr. and Mrs. Hoots Married 52 Years

S. D. Hoots came by The Enterprise office last weekend and told the publisher that the story of Mr. and Mrs. Jim Clark's being married in a buggy brought to mind his own wedding 52 years ago. He and Mrs. Hoots were also married in a buggy, under circumstances similar to those surrounding the Clark wedding.

Like the Clarks, Mr. and Mrs. Hoots were on their way to the preacher's house to be married, and met him along the road. So, they simply had him perform the ceremony right there as they sat in their buggy. Mr. Hoots remembered the preacher as being a Rev. Templeton.

Mr. and Mrs. Hoots were married at Goldthwaite Oct. 8, 1907. Mrs. Hoots was the former Mattie Millican. The couple moved to Coke County in 1913 and have made their home here since that time. They live on the west side of town. Mr. Hoots retired a few years ago, after working several years as Watkins products salesman in this area.

Visiting in the home of Mr. and Mrs. W. G. Cresap the past few days have been Mr. and Mrs. J. W. Labenske of Snyder and Mr. and Mrs. Jim Perry of South Texas.

Longhorns and Eagles To Clash in District Tilt

The Bronte Longhorns and the Eldorado Eagles will tangle Friday night at the local football field in a very important district contest. The two teams, both with perfect season records in district play, will be battling in all probability for the loop championship.

Bronte has a better season record than does Eldorado. The Longhorns have won all seven of their games, while Eldorado has lost to Sonora and tied Eden. Neither of these games was a district contest.

The Longhorns have rolled up a total of 197 points this season,

A total of \$158.45 had been turned in up through Wednesday morning for the Boy Scout fund campaign which is now in progress in the Bronte area.

Bill Thomas, chairman of the campaign, said this week that he was hopeful that workers would make their contacts as soon as possible so the campaign could be brought to a successful conclusion.

Thomas said he was well pleased with the way Bronte area residents are giving to the Scouts and he urged that everyone who has not contributed to give liberally to this worthy cause.

Mr. and Mrs. Roy Robinson and girls visited Sunday in Ozona with her sister, Mrs. George Gideon, and family.

Eagles' 55. District opponents of the Longhorns have been able to make only 6 points, while the Eagles' district foes have chalked up 32 counters.

Bronte's season record shows the Longhorns' taking the measurement of their opponents in the following fashion: Robert Lee, 23-8; Eden, 18-6; Wylie, 15-0; Santa Anna, 26-12; Colorado City B, 35-8; Hermleigh, 44-0; and Loraine, 36-6.

The Eagles' 5-1-1 record gives them the following scores over their opponents: Rocksprings, 32-8; Rankin, 12-0; Robert Lee, 20-8; Trent, 35-14; and Big Lake, 7-6. The Eagles bowed to Sonora, 22-6; and tied Eden 12-12.

According to the records of Eldorado and Bronte, the Longhorns will be favorites in the game.

In other District 6-B contests Friday Hermleigh will play at Loraine and Robert Lee Steers

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

The boys up town Saturday was paying their respects to the medical perfession. We got one feller that sets in on our sessions pritty regular that ain't agin fresh air, shade trees, pure spring water and wedded motherhood. Everthing else he's agin, and he was giving doctors a hard time Saturday.

He allowed, fer instant, that you can't hardly git a doctor to come out in the country no more and when you go to town to see one you have to set and wait so long there ain't no chanct of gitting the disease in its early stages. He said his wife went to the doctor about a cold in the head and afore he got to her it had developed into double newmonia.

Another feller said we wouldn't have no country doctors in another 0 year, just specialists. He claims a country doctor treats what you've got, and on the other hand, in the case of specialists, you've got what he treats.

Some of the fellers brung up the rumor that the U. S. Weather Bureau was going to git out a booklet next year that would give the weather forecast fer a whole year. It was voted unanimous that it ain't going to sell unless they put in a few jokes and cooking recipes.

Folks has got used to having a little of everthing in their almanacs and they ain't going to change their reading habits fer the U. S. Weather Bureau. The jokes and recipes is the main thing, and the weather forecast is secondary, es-

Gerald C. Allen of Robert Lee, chairman of credentials committee of Grand Chapter of Texas, was introduced. Members attended from Roscoe, Sweetwater 352, Mamie D. Crain of Sweetwater and Robert Lee.

A salad plate was served by the social committee, Mmes. Alsop, Burwick, Ragsdale and Sweet.

REPORT NEXT WEEK ON KICKAPOO DAMS

F. S. Higginbotham, chairman of the board of directors of the water district working on the flood control project on the Kickapoo Creeks, said Wednesday that he would be able to give a report for next week's Enterprise on progress made by the planning party working on the project.

Higginbotham said the planners are progressing on schedule and have gathered much data.

Texas has not been without cattle since 1690, when the Spanish brought stock for the first mission.

There is evidence that the pecan — Texas' state tree — grew in this region in prehistoric times.

OUR SOIL ★ OUR STRENGTH
COKE SOIL CONSERVATION DISTRICT NEWS

Present Supervisors —

C. N. Webb, Chairman; W. E. Burns, Vice Chairman; D. K. Glenn, Secretary and Treasurer; Bryan Yarbrough and Robert Walker.

New cooperators with the Coke Soil Conservation District include E. O. Nicholas and M. C. Hendry. Hendry has a place west of Fort Chadbourne. Conservation plans with a complete program of soil and water conservation measures have been developed on their places with the assistance of local Soil Conservation Service technicians.

Ben L. Keyes has started into the Great Plains Conservation Program with the construction of a 20' x 5' concrete storage tank and ½ mile of pipeline for stock water, on his place southwest of Robert Lee.

Olin Blanks is receiving assistance from the Great Plains Conservation Program on a 5300 cubic yard stockpond on his ranch in the northwest part of Coke County.

Foster S. Price has completed most of the practices that he planned to apply under the Great Plains Conservation Program for the 1959 program year. Practices installed include three earthen stockponds, two 20x5' concrete storage tanks and a pipeline for livestock water. In addition to this Price has pushed approximately 600 acres of cedar and has applied chemical pear control on approximately 900 acres.

Now is the time for ranchers and stockmen to take a good look at the grass that is left on the ground. We will grow little more, if any, so what you have will be all there is until next spring. A cover is essential to protect the soil and plant crowns during the winter and to make best use of spring rains. Some adjustment of livestock numbers to keep a cover on the ground will pay dividends of more grass next spring.

Texans Launch Campaign For Lyndon Johnson

By Vern Sanford
Texas Press Association

Austin—It is more than a year until the day when the next President of the United States will be elected, but in Texas, the race is on.

From now until Nov. 8, 1960, may well be a year of the most feverish political activity the state ever has known.

House Speaker Sam Rayburn fired the starting gun by calling for an all-out campaign to win the Democratic presidential nomination for U. S. Sen. Lyndon Johnson. Rayburn called for Johnson-for-President organizations in every county in Texas.

A campaign kick-off by the man who has often been called "Mr. Democrat" gave enormous impetus to the activities of Johnson supporters. Pro-Johnson clubs, rallies and editorials blossomed over the state. Gov. Price Daniel and the state executive committee had previously pledged support.

Speaker Rayburn's sponsorship also makes exceedingly difficult the position of Texas' liberal wing Democrats who have been cool toward the senator since the convention hassles of 1956.

In 1952, Rayburn championed the liberals in their battle against a conservative party leadership working for Eisenhower. But the same group, now the Democrats of Texas Club members, will have to fly in the face of their old friend, Rayburn, if they decide on open opposition to Senator Johnson this year.

Some DOTers have pledged Johnson support. But Mrs. R. D. Randolph, leader, refused to commit herself on the grounds the senator has not declared himself a candidate.

Candidate or not, Senator Johnson is whizzing around Texas for personal appearances, scheduled at the rate of more than one a day in the months ahead.
