## Enterprise Subscription Special Now in Effect; Save 50 Cents

The Bronte Enterprise's annual subscription special will go into effect with the publication of this issue. All subscriptions will be reduced 50 cents during the coming month.

A number of subscribers have already asked if they could subscribe and take advantage of the saving, so it has been decided to put the special into effect immediately instead of waiting until July 1st. The 50 cent savings will be in effect throughout July, and regular prices will go back on subscriptions on Aug. 1.

The bargain rate is good for all types of subscriptions — new, renewal and extension. "We will be glad for all readers, whether or not their subscriptions are out, to renew and take advantage of the special rate," said Ben Oglesby, publisher of The Enterprise.

Subscriptions in Coke and adjoining counties, which regularly sell for \$2.50, may be bought during bargain days for only \$2.00. Subscriptions anywhere else, regularly selling for \$3.00, may now be had for \$2.50.

Subscriptions may be brought by the Enterprise office, they may be mailed in, or they may be given to one of The Enterprise representatives in surrounding communities. In the Blackwell area, Mrs. Chas. Ragsdale is the person to see, while in the Tennyson community, Mrs. Jack Corley and Mrs. Tom Green will accept subscriptions; Mrs. Herbert Holland will take subscriptions from persons in the Brookshire community.

Bargain days have been conducted each July for the past 13 years by The Enterprise and the campaign to add subscribers has been a success each year, Oglesby said. He also said that during the 13 years he has been publisher of The Enterprise that only one increase has been made in the subscription rate, which raised the regular prices from \$2.00 and \$2.50 to \$2.50 and \$3.00.

Subscriptions may be brought by the Enterprise office, they may be mailed in, or they may be given to one of The Enterprise representatives in surrounding communities. In the Blackwell area, Mrs. Chas. Ragsdale is the person to see, while in the Tennyson community, Mrs. Jack Corley and Mrs. Tom Green will accept subscriptions; Mrs. Herbert Holland will take subscriptions from persons in the Brookshire community.

## Blackwell Store And Post Office Are Burglarized

By Mrs. Charles Ragsdale

The Blackwell Post Office and Allen Sweet's Food Mart were broken into some time Monday night. The entries were not discovered until Tuesday morning when the postmaster, Mrs. Maureen Steuart, and Mrs. Berdie Mote came to open the post office and Mr. and Mrs. Sweet opened their store. The Post Office is across the street from the Sweet store.

Sweetwater officers were called to investigate.

Mr. Sweet said that he missed some cans of fruit and several cartons of cigarettes. The two locks on the front door were prized open.

The lock on the front door of the post office was also prized open. The safe was not opened but a nob had been taken off. Mrs. Steuart said she had not missed anything unless it was a few stamps that would be checked.

## Funeral Rites Held Here for J. E. McAulay

Funeral services were held at First Methodist Church here Tuesday at 10 a. m. for J. E. McAulay, 79, longtime resident of the Bronte area. The Rev. A. S. Neely, pastor of the church, conducted the services.

Mr. McAulay died Sunday at 4:30 p. m. in St. John's Hospital in San Angelo.

He was born Jan. 8, 1882 in the Liveoak community southwest of Bronte. A farmer all of his life, Mr. McAulay operated acreage in the Maverick community until his retirement a few years ago. He was married Dec. 20, 1907, to Eva Russell. She died in April, 1959.

Mr. and Mrs. McAulay moved to Bronte a few years ago, after his retirement. However, they lived at the Menard Hospital Rest Home until her death, when he moved back to Bronte. He had been making his home with his daughter-in-law, Mrs. Bonnie McAulay.

Survivors include five sisters, Mrs. Vennie Harrell of Abilene, Mrs. Maude Roberson of Ballinger, Mrs. Fannie Morgan of Houston, and Mrs. E. E. Pond and Mrs. Mamie Kinstle, both of San Angelo; three brothers, Sam McAulay of Beltonville, Ark., Garland McAulay of Weslaco and L. R. McAulay of Safford, Ariz.; a granddaughter, Mrs. Nealon Carter of Monahans; two great grandchildren; and his daughter-in-law, Mrs. Bonnie McAulay.

Pallbearers were Lee Alderman of Blackwell, Howard Brock, Don Edmiaston, Royce Fancher and Sam Gray, all of Bronte, and William Carter of Menard.

Burial was in Fairview Cemetery under direction of Clift Funeral Home.

## Masonic Lodges Install Officers

New officers for Bronte Lodge and Hayrick Lodge of Robert Lee were installed here Saturday evening at 7:30 in a joint installation meeting of the two Masonic bodies. Jacob Bruce Morrow is the new worshipful master of Bronte Lodge, succeeding Leonard Fletcher.

The joint meeting is an annual affair, and meeting place is alternated between Robert Lee and Bronte.

The complete list of new officers includes:

Jacob B. Morrow, worshipful master; Noah Pruitt Jr., senior warden; Brady Mills, junior warden; J. A. Stephenson, treasurer; H. O. Whitte, secretary; R. H. Sims, senior deacon; Bill Luckett, junior deacon; Leonard Fletcher, senior steward; F. E. Collins, junior steward; J. T. Henry, tyler.

Dr. and Mrs. John R. Harris, Rex and Ann, spent the weekend visiting friends in Austin.

## Bronte Merchants To Close for July 4

Most of Bronte's business firms will close for a holiday next Tuesday, July 4th, in observance of the 184th anniversary of the independence of the United States. Some firms located on U. S. Highway 277 will remain open to serve the large amount of traffic expected.

July 4th is one of the holidays observed each year by merchants of Bronte. The next holiday regularly taken will be Labor Day on Sept. 4.

In addition to regular commercial enterprises which will be closed, the city hall and U. S. post office will observe the holiday. L. T. Youngblood said the First National Bank will also be closed.

In former years, a picnic and

old timers reunion was held at Hayrick on July 4, but it was discontinued several years ago. A community picnic and gathering will be held at Tennyson this year on the Charlie and Johnnie Brown place. It will be a basket lunch affair and each family is requested to bring their own food. Everyone is invited.

A covered dish dinner is also scheduled here in Bronte at the American Legion Hall. It will honor W. H. Rodgers of Devine, brother of Mrs. M. A. Scott. Everyone, particularly old timers here, are invited to attend.

Many Bronte residents will go to Oak Creek Lake and other popular recreation areas for the day. A number of family get-togethers have been planned by local residents.

Department of Public Safety officials issued a warning that they expect a large number of traffic accidents during the long weekend. They said that extra patrolmen have been recruited to enforce traffic laws during the period.

## Cancer Crusade Group to Meet

A meeting has been scheduled for 10 a. m. Thursday, July 6, in the city hall, to discuss and make plans for a Cancer Crusade in the east part of Coke County.

Norman R. Kiker has accepted the position of chairman of the drive. He will appoint co-chairmen to fill various key spots in the campaign. Anyone who is interested in assisting with the drive is urged to be present at the meeting.

Robert Lee and the west side of the county have already completed their Cancer Crusade. Judge W. W. Thetford is county chairman of the Crusade.

## Four Sweetwater Men Charged In Rape Case

Four Sweetwater men were charged there Monday with rape by force, threats and fraud in connection with an incident late Saturday night at Oak Creek Lake. The complaint was filed by a 32-year-old married Sweetwater woman.

They are: Archie Dean May, 20; Alford Richard May, 33; Dyan Ronnie Houston, 19; and Jimmy Wayne Rogers, 21.

Bond of \$10,000 was set for Archie May by Justice of the Peace G. E. Davis. Bond on the other three had not been set, pending arraignment.

All four men are being held in Nolan County Jail. A fifth, a juvenile, is in custody outside of Nolan County.

The woman is under a doctor's care. Weldon Kirk, 32nd District Attorney, said that the complaint alleges she was forced into a car by four men late Saturday night on a road at the Lake.

Kirk and Nolan County Sheriff R. S. (Ted) Lambert were continuing the investigation. It is believed the charges will be reviewed at the next grand jury session, set for July 10.

## AD-LIB-BEN

We owe an apology to Jerry McCutchen and the other fellows on his softball team. Jerry asked us a couple of weeks ago to run a little story that they had organized a team and needed a few contributions to buy some equipment. Somehow or other, we failed to get it written. So, if any of you have loose change you'd like to contribute to this team, get in touch with Jerry or some of the other team members.

We can't help from being highly elated over the many recent improvements in our town.

We must place the new sewer system at the top of the list of recent improvements, with more folks being tied on to it every day. Then there's the new post office building, which is going to be very nice. Everybody in the area should be pleased with the wonderful improvement which the owners of Caperton Chevrolet Co. are making in their building on the highway. Construction is going strong on the new Church of Christ building in the west part of town. It will be a beautiful structure.

Another thing of which we are all proud is the completion of the construction of the new highway going north and south through Bronte.

The multi-million dollar plant being constructed by West Texas Utilities Co. on Oak Creek Lake is also wonderful for this area. Construction workers already are adding to life of the community and permanent employees are already making plans to become part of the communities of Bronte and Blackwell.

Preliminary work is already underway on the million dollar plus project of constructing flood control dams on the Kickapoo creeks near Bronte. This insurance against flooding will enhance the area and town, making it a more desirable place to live.

Other projects are in the mill. The city plans to erect additional water storage facilities, which will give local residents better water service. Tentative plans are also being discussed to build a new city hall, and improvements are being made and planned on private property in the business district.

A number of new homes have been completed in recent months, adding to the residential area of the city. Others are being built now, and still others are being planned.

And, speaking of improvements, we must say that recent rains in this area are quite an improvement over some summers we've witnessed.

"Experience is what permits you to make the same mistake again without getting caught." — Franklin P. Jones.

## Anti-Communism Speaker Here Today at 1:30

George A. Roberts of Houston, noted lecturer and authority on Communism will speak here today (Thursday) at 1:30 p. m. in the school auditorium. He has been invited to Bronte by the Anti-Communism Study group.

Roberts is conducting a series of lectures at Abilene Christian College and is coming here on a side trip from his daily duties in Abilene.

Edward Cumbie, president of the local study group, said that residents of this area are extremely fortunate in having the opportunity of hearing Roberts speak. "He is one of this country's outstanding authorities on Communism and has spent most of his adult life traveling and studying the subject."

Roberts served with Army Intelligence during World War II and

since that time has traveled extensively studying in countries that have been pushed behind the Iron and Bamboo Curtains.

Cumbie said he regretted that Roberts' talk had to be scheduled in the afternoon instead of evening. He added that he hopes residents of this area will take advantage of the opportunity of hearing him, however.

Due to my illness the last two weeks a number of meetings were either cancelled or postponed. I'll try to give you a brief run down on the re-scheduling and possibly the confusion will be cleared up for you as well as for me.

4-H

I'm certainly sorry that the clothing workshops scheduled for Silver and Bronte had to be cancelled. I hope that you girls are going ahead without my assistance, because you will profit from the experience. The girls in Robert Lee will tell you that every time they asked a question they were asked to read their instruction sheet. Believe me, girls, it is amazing what you can figure out for yourself, if you will just try to follow the instruction sheet.

Dates concerning Dress Revue are as follows:

You are to be at the Courthouse at 9:30 a.m. July 5 with your garment on for the judging. BRING YOUR COMPLETED RECORD BOOK. The Dress Revue itself will be Thursday, July 6 at 7:30 p.m. at the Robert Lee School auditorium.

Jackie Counts and Nancy Trimble will be in San Angelo July 7 with their favorite food exhibits. This is the first time that the Favorite Food Show has been conducted. Jackie and Nancy were first place winners in their divisions at the County Show in the early spring.

The date for the annual 4-H Camp has been set for August 15-16.

WHD

Foods Leader training on Special Diets will be held in my office Friday, June 30, at 10 a.m.

Camp Committee meetings are tentatively set for July 10. The Yearbook Committee meeting has been changed to August 2 at 2 p.m.

I hope you will try to attend the 4-H Dress Revue. The girls have done a good job in spite of all the interruptions and those girls who are working under the direction of adult leaders are doing an exceptional job.

## Henry Presents Portrait of Tech Prof to College

J. T. Henry, vocational agriculture teacher of Bronte, was the main speaker Monday morning at a presentation of a portrait of Ray L. Chappelle to Texas Technological College at Lubbock.

Chappelle, who has been head of the agricultural education department there since 1936, retired from his position and the portrait was presented the college by former students of Chappelle. It will hang in the main office of the department he headed for 25 years.

Henry was selected to make the presentation speech, as he was in the first class taught by Chappelle when he went to Tech in 1936. The local teacher is the only one of the class who is still engaged in teaching vocational agriculture. Henry pointed out that Chappelle has taught hundreds of voc. ag. teachers in West Texas and through them has influenced many thousand boys in this area and all over the country.

Gerald Thomas, Tech agriculture dean, accepted the portrait for the college. The oil painting was done by Thelma Clark Griggs of Lubbock.

Mr. and Mrs. Henry and Linda drove to Lubbock Sunday afternoon and returned to Bronte on Monday.

## County Agents News Column

By STERLING LINDSEY

I made six tests last week for moisture penetration and storage in the soil in cotton fields in various spots in the county. In all six fields checked, the soil was wet the depth my auger would penetrate—5 feet. And most of the fields were very wet. On one sandy land field north of Bronte, believe it or not, we struck water at 3½ feet.

I checked one pasture site. I chose a sandy clay soil on a high spot under a mesquite tree. I am sure the soil was dry there before the rains came. The moisture had penetrated 2½ feet in that location.

The Coke County 4-H entries in the Foundation Store Area Heavy Litter Contest made a very creditable showing. Five of the nine awards given were won by Coke

County 4-H Club members.

John Service, of Robert Lee, was high for the county, placing second in the store area with his litter of nine pigs that weighed 304 pounds at 8 weeks of age. Not to be outdone too greatly, his sister, Kathy Service, came in fourth with her litter of nine pigs weighing 255 pounds.

Robert Wink of Graham Valley was fifth in the store area contest. His seven pigs weighed a total of 242 pounds, while Lonnie Bloodworth of Silver, was the proud owner of the sixth place heavy litter, seven pigs that weighed 234 pounds. Seventh place was also garnered by a Coke 4-Her—Carl Bloodworth of Silver. His litter weaning weight was 192 pounds on five pigs.

The Spur Experiment Station, in a Field Day recently showed and presented cost figures on several types of fences that they had

been trying at the station. Several ranchers expressed a keen interest in one type they displayed—a fence with a post every 100 feet and seven staves in between two posts for support. The cost of the materials and also the installation costs appealed to them. I do not have the cost figures, but possibly could secure them if anyone should desire further information on the fences.

Mrs. Jack Graves and children of El Paso are visiting her sister, Mrs. Richard Miller, and family this week.

Mrs. Bob Springer, Ann, Mary and Stephanie, of Wichita, Kansas, have been visiting for two weeks in the home of her parents, Mr. and Mrs. R. S. Walton. Mr. Springer will come after them this weekend.

## THE FALL OF ROME

The pomp and power of Rome is gone,  
While other nations carry on.

Rome was wasteful, would not save;  
To idle pleasure her time she gave.

Though she was rich she lived too high,

**UNCLE HUIE from HOG CREEK says**

DEAR MISTER EDITOR:

The Constitution says everybody is entitled to the pursuit of happiness and, come next Tuesday, the pursuit will be on.

I aim to come through Independence Day this year without a scratch. My plans call for setting in a rocking chair on the front porch and rocking with the grain. I might get a mosquito bite or two but that'll be pritty good compared to all the broken bones I'll be reading about in the papers.

Back when I was a boy it wasn't so dangerous to venture out of the house on July 4. We had a old mule named Jerry and he had a heap of faults but he never turned the buggy over on account of rounding the curve at 90 mile a hour. An they wasn't no 7-cent road tax on his oats. Pa would hitch up the wagon and we'd all go to town on Independence Day. First off, we'd go in some store that was open and git a nickel's worth of cheese, a ten-cent can of sardines and a box of crackers and then we'd all eat like a hog. Nowadays if a family wants to come to town and eat like a hog, they'd have to sell a hog to git the money.

I was reading a piece in the paper about a feller named Elwood Haynes and his contribution to Independence Day. On July 4, 1894, at Kokomo, Indiana, ole Elwood cranked a one-horse-power, two cyle engine on a rubber tired buggy and took off at 7 mile a hour.

When Elwood twisted the crank that Independence Day, he started somepun. The piece said a stone marks the place where America's first gasoline automobile sputtered off down the road. And I reckon, Mister Editor, they is a million stones today in this country erected in memory of folks who has died by that devioe in the pursuit of happiness on Independence Day.

Of course, I ain't hankering to go back to them days of crackers and sardines and ole Jerry. But sometimes I do git right homesick to pick up a newspaper and read where the big argument of the day is somepun gentle like gitting off the gold standard. Back in

them days the papers was full of discussions about things. Now everthing is a argument. In a discussion folks exchange ideas but in a argument they just swap ignorance. You could have a real discussion around a store counter eating crackers and sardines. Around these new-fangled eating places today, about all you git is a argument.

Talking about arguments, I see where two writers is having a argument on how many wimmen a man can love at the same time. I don't know nothing about wimmen, but I know men, and I'd say that if a feller has a hankering fer wimmen he can love as many as time, opportunity, and wimmen permits.

Yours truly,  
Uncle Huie

**Joe Bailey Luttrell and Miss Westbrook Wed In Rites at Eldorado**

The First Baptist Church in Eldorado was the setting June 10 for the wedding of Miss Myrtle Westbrook and Joe B. Luttrell. The Rev. D. C. DuBose, pastor, officiated.

The bride is the daughter of Mr. and Mrs. A. L. Westbrook of Eldorado and the bridegroom is the son of Mr. and Mrs. J. C. Luttrell of Sonora, and formerly of Bronte. He is a grandson of Mr. and Mrs. B. A. Bell of Bronte.

The bride was given in marriage by her father. She wore a gown of peau de faille fashioned with a Sabrina neckline and short sleeves. The princess line skirt held inserts of Alencon lace.

A full circular veil cascaded from a tiara of pearls and iridescent sequins. Her bridal bouquet was of white orchids and stephanotis which she carried on a white Bible, a gift from her mother.

Her father's gift, a single strand of pearls, was her only jewelry.

Frank O'Banion was the soloist. He was accompanied at the organ by Mrs. John Stigler.

Maid of honor was Miss Peggy Spencer and Miss Elaine Luttrell, the bridegroom's sister, was the bridesmaid.

Kyle Donaldson was best man, and groomsman was the bride's brother, Arnie Lee Westbrook of San Angelo.

### Guaranteed by Uncle Sam:

A retirement plan that will return **\$1.93 for every \$1.00 you put in**

Would you like to be sure that every dollar you put aside for retirement will pay you \$1.93 later on? It can be done, and here's an example: Buy a \$100 Savings Bond (for \$75) each month for 17 years and 9 months. (This is exactly ten years longer than the official maturity period for Bonds, and means extra interest earnings.) At the end of that time, you can cash in a Bond every month for the next 17 years and 9 months, and each one of them will pay you \$1.45. This works out to \$1.93 for every \$1.00 you put in Bonds—and please note—the \$75 figure is only an example. You can put as little or as much as you like into this retirement plan. See the chart.

#### SOME ADVANTAGES YOU MIGHT THINK ABOUT

You can save automatically with the Payroll Savings Plan. Tell your company how much to set aside from your pay for Bonds. This way you won't forget to save and your savings will add up automatically.

You now get 3 3/4% interest, at maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E Bonds now mature 14 months earlier than

before—in just 7 years, 9 months. Bonds bought before June 1, 1959, earn more, too—an extra 1/2% from then to maturity.

You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.

Your money is guaranteed by the U.S. Government. Bonds are an absolutely riskless investment. The Government promises you that the cash value of your Bond will not drop—it can only grow.

Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace with every Bond you buy. Peace costs money—money for science, education, military strength. And the money you save helps keep our nation's economy strong.

Pick the amount you would like to receive each month for 17-3/4 years

	\$36.25	\$72.50	\$145.00	\$290.00	\$725.00
You save each month for 17 years, 9 months	18.75	37.50	75.00	150.00	375.00
At maturity, 7 years, 9 months from issue date, each bond will be worth	25.00	50.00	100.00	200.00	500.00
Hold each bond for another 10 years					
You collect each month for 17 years, 9 months	36.25	72.50	145.00	290.00	725.00

Tables based on assumption that 3-3/4% rate will be in effect 17 years and 9 months from original purchase date of each Bond.
