AD-LIB-BEN

Well, the lines in coming political races will be pretty well defined by this time next week, as the deadline for filing is Monday. Some interesting contests have developed and voters will have a choice in at least some of the races.

As we've told most everybody, we're trying to get at least 20 candidates out for each office, but have been unsuccessful. Good, hot political races are good for the newspaper business, but some how they have a dark side, too, because somebody has to lose.

We have a friend who used to make his living sitting around a poker table. He told us one time that in poker you have to be prepared to lose as much as you hope to win. Seems that politics must be about the same way. It definitely is not a field for somebody who can't stand a loss.

Some women are no good at counting calories and have the figures to prove it.

One of the greatest causes of trouble in the world today is that stupid people are so sure about things — and the intelligent folks are so full of doubts.

Mrs. Gaines will preside during the business session which will be attended by the Texas Home Demonstration Association chairman, Home Demonstration Agent, Council chairman and club members from each county of District 7.

A barbecue lunch will be served at noon in the Educational Building. Tickets will be available upon registration.

Mmes. Glenn Waldrop and C. E. Arrott are in charge of registration.

1060 POLL TAXES PAID

At press time Wednesday, a total of 1060 persons had paid their 1962 poll taxes in Coke County. This is a considerably larger number than the 800 which paid last year, an "off" election year.

However, it is considerably lower than the 1,414 which paid poll taxes in 1960. An estimated 300 to 400 persons in the county bring the 1962 voting potential by over the age of 60 will for the county to around 1400 persons.

Deadline for payment of poll taxes was Wednesday, Jan. 31.

Funeral Rites Held Tuesday for Ben F. Murphy, 77

Funeral services for Ben Murphy, 77, were conducted Tuesday, January 30, at 3 p. m. The last rites were held from the First Baptist Church of Bronte with the pastor, the Rev. Lester L. Vinson, and the Rev. R. W. Blackmon, pastor of the Kickapoo Baptist Church, officiating. Burial was in Robert Lee Cemetery under direction of Cliff Funeral Home.

Mr. Murphy died at 9 a. m. Monday in Bronte Hospital after a long illness.

Benjamin Franklin Murphy was born Feb. 16, 1884, at Bowie in Montague County. He was the son of the late William and Margaret Robbins Murphy. He came to Coke County in 1905 and had lived in this area since that time. Mr. Murphy was married July 29, 1913, to Miss Debbie Gunnels. He was a retired farmer. Mr. Murphy was a member of the Baptist Church.

Survivors include his wife; six daughters, Mrs. R. T. Kinney of Globe, Ariz.; Mrs. Miles Clark of Palmdale, Calif.; Mrs. Dorit Smiley of Dimmitt, Mrs. Ray Johnson of Kansas City, Kans.; Mrs. Marvin Corley and Mrs. Jack Sharp, both of Bronte; one sister, Miss Marguerite Murphy of Loving, N. M.; two brothers, T. J. of Corpus Christi and Charles W. of Sheridan; 17 grandchildren and four great-grandchildren.

Pallbearers were Tom Green, James Arrott, Jack Corley, Robert Brown, and Roy Baker, all of Tennyson and Oscar Isabel of Brookshire.

ENROLLMENT UP

Elementary principal James L. Golson announced that 229 students were enrolled in Bronte Elementary School at the close of the first semester. This is in comparison with 214 students enrolled at the end of the first six weeks period.

week's Enterprise. Mrs. Burns is opposing the incumbent, Mrs. Gertrude Gray.

Many rumors are floating around that other candidates will announce before the Monday deadline, but at press time Wednesday Mrs. Burns was the only new candidate this week.

Another development along the political front this week was the withdrawal of Claude Ditmore from the race for commissioner of precinct 4. His withdrawal also appears in this week's paper. This latest development leaves two candidates, Robert I. Brown and Jack Corley, seeking the precinct 4 position.

Thus far county officers who are unopposed in their campaigns for re-election are W. W. (Bud) Thetford, for county judge and ex-officio county school superintendent and J. L. (Chilly) Tinkler, candidate for county clerk. In the other commissioner race to be voted on this year, in precinct 2, Howard Brock is seeking re-election and is opposed by C. E. (Eldred) McGuire. Justice of the peace for precinct 2, J. T. (Major) Liles, is unopposed in his bid for a second term.

Offices which have another two years to run and will be voted on in 1964 include sheriff, tax assessor-collector, county attorney, commissioners in precincts 1 and 3, and constables in precincts 1 and 2.

Buford Girl's Rites Pending

Funeral services are pending at Robert Massie Funeral Home in San Angelo.

Reports from relatives here said that the child had been suffering from measles, but apparently was recovering satisfactorily. She became critically ill shortly after midnight and was rushed by her parents to the hospital.

She was born March 11, 1949, in McCamey and was a junior high school student.

Survivors besides her parents, include a brother, Ronald, and a sister, Lana Sue, both of the home; her grandparents, Mr. and Mrs. E. K. Buford of McCamey, and Mrs. B. R. Davis of San Angelo.

Balmy Weather Being Enjoyed by Bronte Residents

Bronte residents have enjoyed balmy weather this week, with temperatures during the day getting up into the 70s. Cool nights have lowered the mercury almost to the freezing point, but early morning bright sunshine has quickly made the weather comfortable.

The warm weather is a welcome change from the cold spells which recently sank temperatures almost to the zero mark.

Farmers and ranchmen say they are badly in need of rain. They say that winter wheat and oats are suffering from lack of moisture, and that some of the small grain is already too far gone to recover.

Continued fair weather is the forecast for the next few days.

Mr. and Mrs. Rob Herron visited over the weekend in Eunice, N. M., with Mrs. Herron's mother, Mrs. Sally Long, and other relatives.

County Agents News Column

By STERLING LINDSEY

Despite the cold weather and heavy competition the 4-H Club members made a favorable showing at the Abilene Show last week.

Six of the nine steers exhibited placed high enough to make the sale and two of the other three were placed. Maxie Evans placed 7th with his light weight Angus steer to top the calf placings. Jo Alice Evans came in 35th with her light weight steer in the class placings of 47 animals. James Bird Pentecost, showing in the light heavy weight class, placed 34th, while Sheri Pitcock, placed 22nd with her steer in the same class. Three Pitcock steers were exhibited in the heavy weight class, two of them placing 17th and 18th. Gaylon and Darrell Pitcock's two light weight steers placed 10th and 14th, respectively. There were 47 animals in all the classes.

Jimmy Varnadore made us proud with his third place cross-bred lamb in a class of 80 lambs. Also in the class was Nicky Arrott with the 26th place lamb. Jerry Burson exhibited in the largest class in the show, the light weight fine wool class of 175 lambs. Jerry placed 23 and 25 with his two lambs.

Ricky Harris placed 21 with his Dorset lamb in a class of more

than 100 lambs, while Ronnie Varnadore placed 27th in a class of 120 Southdown lambs.

We would have welcomed more high placings, but looking back and considering the competition, we can be satisfied with the results.

A recent letter from the Southwest Research Foundation compels me to write a few more lines on the proposed screw worm control program. Since we have experienced a severe cold spell that pretty well blanketed the State, the Foundation plans to go all out to begin seeding operations this year.

The following is a quotation from a letter I received concerning the matter:

"The recent extremely cold weather, in the estimation of authorities, has reduced the overwintering area of the screw worm fly to such an extent that they feel this would be an ideal year to initiate the control program. It is, therefore, of the utmost importance that producers' contributions be collected as quickly as possible. The amount of money collected locally will be an indication to the various state and federal appropriating bodies of the producer interest in this program. Many authorities feel that it likely will be many years before we will have such an ideal year in which to start the program."

I believe the paragraph graphically presents the situation. I

hope that we of Coke County will see fit to help initiate the program.

As of Monday morning 122 Coke County operators had made contributions totaling \$6462.80.

Since 1962 will be a favorable year to launch the program, we sincerely hope that all operators will help the program off to a good start. It will cost much, much less to initiate this year than it will if the starting is to follow a mild winter.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers where a "animal husbandry expert" from the Agriculture Department has discovered that pigs has ulcers. He says this is the first time this ailment has showed up in pigs, that it's getting worse and is now listed official as a farm problem. The experts he announces, is working on experiments to find out what causes it.

The fellers in town was discussing this item and my neighbor allowed as how pigs, like people, is suffering from world tension. He is a authority on pigs and if he is right, they ain't much them folks in the Agriculture Department can do about it. They can't even git rid of tension in the Farm Program, much less in the world.

Mn neighbor claimed pigs has long been neglected by both political parties in this country. The Democratic and Republican platforms always has a little of everthing in 'em, he says, from a trip to the moon to the price of soy beans, but never nothing about pigs.

I wouldn't be surprised, Mister Editor, if he ain't right. As long as you could drive along the countryside and hear people praying and smell bacon frying, you knowed democracy was safe here at home. When you quit smelling that bacon, I'm afraid things won't be so good. I recollect a while back when North Carolina passed a law making folks boil slop afore they fed it to the hogs. I allowed at the time as how this was a good law, that with sliced ham bring a dollar a pound at the store, nothing was too good fer the hog that produced it.

Whether a feller eats pork or not, Mister Editor, I thing he'll have a heap of sympathy fer the pigs that has ulcers.

Changing the subject from one pig to another, I see where some column writer reports that Khrushchef has started wearing suspenders. Naturally, ole Khrusy is wearing 'em to keep his pants up, and now if he'll wear something to keep his temper down, world tension might ease. It might even ease enough to cure pigs ulcers. And I got a hunch that if he don't, the day is coming when he won't have no pants to hold up.

I think one thing that's making the world crisis worse is that everybody is trying to talk the longest and loudest. The Russians, Chinese, and even some of them Congressmen goes at it around the clock. We need a custom like the old Cherokee Indian tribe had. They didn't allow nobody tostand up and talk but the Chief, an he couldn't talk no longer than he could stand on one foot.

Now that Nehru has cooled a little on Russia, he says they are "twisting history." I thought they invented it.

Yours truly,
Uncle Huie

The Gene Halamicek home was the site for the meeting of the Bronte Jr. Home Demonstration Club last Tuesday. A luncheon was enjoyed by the ladies attending. Dishes were prepared from recipes from the recipe sheet I made up as suggestions for using left overs. Members attending the program were Mes. Wayne Arrott, J. B. Arrott, LeDrew Arrott, Noah Pruitt, James Golson, Richard Miller and Halamicek.

A few copies of the recipe sheet "Encore - Lucious Left-Overs", are in the office. You may obtain one by phoning, writing or dropping by. The recipes suggest uses of small amounts of meats, breads, fruit and vegetables. Even though you do not use left-overs, the recipes are suggestions for low cost dishes which I think any family will enjoy.

The Silver and Robert Lee 4-H Clubs met last week to organize and make plans to begin work on food demonstrations. The interest is good, but the number enrolled is smaller than I had hoped. If you have a daughter who is 9 years of age and is interested in enrolling, please contact me. I am searching for some leaders who would like to work with a group of girls—if you are one please let me hear from you.

People are asking what can be done to prevent colds—this may be the answer—you need to in-

clude more foods rich in Vitamin A and C in your menus. These Vitamins, A and C, are effective in preventing the invasion of cold germs since they help the linings of the nasal passage to resist bacteria. Vitamin A also helps improve the ability of the eyes to adjust to light and dark, and aids in preventing "night blindness."

Children need Vitamin A for optimum growth, and Vitamin C is necessary for proper tooth formation and quick healing of burns and wounds.

Among best sources of the vitamins are dark green leafy and yellow vegetables, citrus fruits, tomatoes, raw cabbage, milk, butter, eggs and cheese, potatoes, strawberries and cantaloupes.

THE FALL OF ROME

The pomp and power of Rome is gone,
While other nations carry on.

Rome was wasteful, would not save;
To idle pleasure her time she gave.

Though she was rich she lived too high,
Decay set in, and she passed by.

And so with man who lives too fast,
He, too, will fall; he cannot last.

Sees a lesson we should all take home.

AD-LIB-BEN — Continued from Page 1

The magnitude of our space program taxes even the imagination.

One of the disturbing things about always being punctual is that there's never anybody there to appreciate it.

We heard quite a few encouraging remarks about our column of a few weeks ago concerning a small bond issue for the re-surfacing of Bronte's streets and extension of paving into some newly settled addition to the town.

Persons who have mentioned it to us seem to be of the opinion that it is a small expense to protect a big investment — sorta like painting a house. We like to see some action taken on this matter as soon as possible, for the longer we wait the more damage will be done to our treetts.

OLD PICTURES STILL AVAILABLE AT ENTERPRISE

Many persons have rummaged through the Enterprise's collection of old pictures the past several days, but there are still plenty of them in the box.

These pictures have accumulated over several years, and anyone who has brought pictures in or who has had pictures taken by The Enterprise is welcome to look through them and claim them.

If nobody wants the pictures they will be burned in the near future.

Jimmy is the son of Mr. and Mrs. James Wells of Bronte.

Claude Ditmore Out of Race for Commissioner

Claude Ditmore told The Enterprise the latter part of last week that he is withdrawing from the race for Commissioner of Precinct 4 of Coke County.

Ditmore said that he had been thinking about the matter since he announced for re-election and decided that for reasons of age and health he would not seek another four year term.

"I will have held this office for 14 years when my term expires next January," he said, "and that's a lot longer than I ever hoped to hold it when I was first elected. The people of precinct 4 and all of Coke County have been mighty nice to me and it has been a real pleasure for me to serve them during my term of office."

Ditmore was elected to the office in 1948 and has held it continuously since that time. During his tenure, much work has been done toward getting roads in his precinct in good condition; in addition to the regular county roads, he has been instrumental in getting a farm to market road constructed east from Tennyson to the Runnels county line. It connects with a paved road that runs through the Brookshire community and on to Miles, U. S. Highway 277 was also rebuilt last year through Precinct 4 from the river to the Tom Green county line.

"I believe it will be a good feeling to wake up in the morning and not have anybody's business but my own to think about," Ditmore said.

Two other candidates, Robert I. Brown and Jack Corley, have announced for the precinct 4 job.
