AD-LIB-BEN

We took a ride last week with F. S. Higginbotham, who is chairman of the Kickapoo Water District, and W. E. Jacoby, soil conservationist of Robert Lee, out to the site of the dam under construction on Pete McDonald's place.

Our estimate of the scope of this operation has been a little bit small. This is going to be quite a lake and much activity is going on at the site. We are always amazed at the speed with which big machinery can move enormous amounts of dirt, and the goings-on on McDonald's ranch are a good example of what man can do to protect himself against the ravages of nature. If something gets in the way of these guys, they move it; if they need a hole filled up, they fill it up. And they make short work of the whole procedure.

Fort Chadbourne area hasn't been as busy as it is now in a long time.

If you can't be thankful for what you have, be thankful for what you miss.

A frustrated motorist tried to pass a huge truck for many miles. It was no use. Finally at a stop sign, the motorist pulled up beside the truck and looked intently at its driver. "Well?" said the truck driver, glaring back at the motorist. "Nothing important," said the motorist. "I know what you are. I just wanted to see what one looks like."

It's best nowadays not to criticize the wealthy. You may be accused of being anti-labor.

BANQUET SPEAKER — Football great Buddy Dial went over in a big way with the audience at the annual football banquet last Friday night. Others at the head table who can be seen in the picture are, left to right, Conda Richards, Mrs. Royce Lee, Royce Lee, Coach Bob Howard and Mrs. Howard. At left is Dee Arrott, outstanding Longhorn back, with the bi-district trophy, the first of its kind ever to grace the Bronte School trophy case.

Buddy Dial Speaks To Large Crowd at Football Banquet

A large crowd of football players, their dates, parents and other fans were present at the Bronte Longhorn annual football banquet last Friday night. Featured speaker was Buddy Dial, former All-American end for Rice and now on the Pittsburgh Steelers professional team. Royce Lee served as master of ceremonies for the affair.

Following the meal which was prepared by the lunchroom staff and served by 7th and 8th grade school girls, Dial was introduced by Supt. C. B. Barbee. The speaker is a former student of Barbee. Dial addressed his talk, for the most part to the young people who were present. He told them that in order to make something of their lives they needed to possess the "Three D's." He enumerated these as "desire," "determination," and "de-faith." The latter term, he said, was picked up from a Negro preacher who told his congregation that "You've gotta have de faith." He told the audience that with these three qualities, they could accomplish whatever they wanted to make of their lives.

Following his talk Coach Bob Howard presented letter certificates to lettermen of the 1961 football squad. Miniature football emblems were presented to the non-lettering members of the squad. Howard also presented the outstanding lineman award to Jack Corley and the outstanding back award to Dee Arrott.

The first bi-district trophy ever won by a Longhorn team was presented by Arrott on behalf of the team to Principal Joe Simpson. Simpson read a list of persons who contributed to the success of the 1961 Longhorns and offered the school's thanks to each of them.

Conda Richards, president of the Longhorn Club, made a short talk and presented gifts to Coaches Howard and John Boyles. Arrott also presented gifts to the coaches from the football squad.

Mr. and Mrs. J. M. Rippetoe of Bangs visited friends in Bronte Sunday afternoon.

Rites Monday for Mrs. Maggie Scott

Funeral services for Mrs. Margaret Ann (Maggie) Scott, 81, were held Monday at 2:30 p. m. from Kickapoo Baptist Church. The Rev. R. W. Blackmon, pastor, officiated. Interment was in Fairview Cemetery here under direction of Clift Funeral Home.

Pallbearers were Ralph Scott, Jr., Darwin Scott, James Scott, Doyle Scott, Delbert Coalson and J. W. Athey.

Mrs. Scott, a resident of Bronte since she was 9 years old, died at 11:15 p. m. Saturday in Bronte Hospital following a heart attack. She was admitted to the hospital only a few hours before her death.

She was born May 19, 1880 in Erath County, Texas, the daughter of the late Mr. and Mrs. Billy Rogers. She was married to Joseph Lee Scott, who died Jan. 19, 1924. She was a member of Kickapoo Baptist Church and a former member of OES chapter 517, not now active.

She is survived by two daughters, Mrs. Ray Coalson, Bronte and Mrs. Lee Roy Deppee, San Antonio; three sons, Lee Roy Scott, Denver City, Daniel Scott, Dallas and Joe Ed Scott, Bronte; two brothers, A. E. Rogers, Hobbs, N. M., and Henry Rogers, Devine; one sister, Mrs. S. O. Jackson, Bronte; 28 grandchildren and 32 great grandchildren. Three sons, Walter, Jess and Ralph Scott, preceded her in death.

CAROLYN GLENN IN S. A. C. CEREMONY

San Angelo, Feb. 20, Miss Carolyn Frances Glenn, daughter of Mr. and Mrs. Clark Glenn, Bronte, was among the 22 members of Lambda Tau, San Angelo College social sorority, who took part in the formal presentation ceremony at the Student Center at San Angelo College Saturday evening, Feb. 10.

Miss Glenn is a freshman majoring in secondary education.

OPERATION SCREWORM CONTROL NOW UNDERWAY

College Station, Feb. 21—Texas' multimillion dollar screwworm control program is underway. It was launched Wednesday morning, Feb. 14, when sterile male screwworm flies were air-dropped over Hays county in South Central Texas.

The release—first of its kind in the Southwest—was timed to coincide with a meeting of the Southwest Animal Health Research Foundation in Austin. More than 400 livestock producers and other interested persons from Texas and adjoining states attended the kickoff meeting. William H. Allen, Coke County's Representative on the Foundation council, was in attendance at the meeting. He reported that all concerned were enthusiastic about the progress and potential of the program.

The latest reports show that contributions by stockmen and sportsmen now total approximately \$1,400,000. An intensive drive will be continued, SAHRF officials said, until the \$3 million goal is reached as funds given to the program by the USDA must be matched by contributions from the stockmen.

With the freeze-out of overwintering screwworms in January, stockmen believe there is an opportunity for lowering—if not totally eradicating—screwworms from Texas this year.

One Candidate Out For City Councilman

Only one candidate has announced for city councilman up to Wednesday noon, according to city secretary, Mrs. Helen Kirkland. James O. Pitts, employee of the West Texas Utilities Co., at the Oak Creek power plant, has placed

his name on the ballot for one of the councilman positions.

Three places on the council are to be voted on in the April 3 election, as well as the position of mayor.

Candidates for councilman or mayor should file their names with Mrs. Kirkland before the deadline, 30 days before the election.

Terms of Councilmen Cecil Kemp, Matthew Caperton and Joe McCutchen, and Mayor J. A. Stephenson expire this April. McCutchen has moved from the city and will not be eligible to run for re-election, and the other two incumbents, as well as the mayor, appear reluctant to stand for re-election.

No School Candidates

According to information received Wednesday from the office of County Judge W. W. Thetford, no candidates have filed for trustee on the Bronte School Board. Two spots on this board are to be voted on April 7. Deadline for filing for these positions is also 30 days before the election. Candidates must file with the county judge's office.

Supt. Barbee said that persons who wish to petition a candidate to run may secure the petitions in his office. Five signatures are necessary to have a candidate's name put on the ballot.

Baptist Church Has Sweetheart Banquet Saturday

The First Baptist Church fellowship hall was the scene for the annual sweetheart banquet Saturday night. The hall was beautifully decorated in pink and gold, with cupids, mail boxes and hearts used in the decorations.

John Hartsell, youth director of the church, was in charge of arrangements. Several committees worked on the project.

Rudy Phillips and Jan Wilkins reigned as king and queen.

Speaker of the evening was Jay Chance, who is in the youth department of First Baptist Church in San Angelo.

Band Boosters to Meet

Band Boosters are reminded of an important meeting tonight (Thursday) at 7:30 p. m. in the lunchroom at the school. Mrs. Norman Kiker, president, urged all members to be present for a film and a discussion of plans for the next year.

Students Attend Concert

Approximately 60 students of the local school attended the San Angelo Symphony concert Monday night, as guests of the San Angelo Symphony Society. The concert was held in the Municipal Auditorium. Students were transported to San Angelo by bus and accompanied by Band Director, Bobby Bingham.

Graveside Services For Mrs. Gilreath

Graveside services for Mrs. B. F. Gilreath, 69, of San Angelo, were conducted in Fairview cemetery here Saturday afternoon. Funeral services were conducted at 2:30 p. m. at Johnson's Funeral Chapel in San Angelo.

Mrs. Gilreath, a resident of San Angelo for 23 years, died at 4:15 p. m. Wednesday in St. John's Hospital.

She was born June 14, 1892 in Valley Spring, Texas. She was a former Bronte resident.

Survivors include three daughters, Mrs. Jackie Ruth Pierce of California, Mrs. Oleta Clairene Bradburn of Clearfield, Utah, and Miss Eta Bea Gilreath of the San Angelo home; and a grandson, Bennie John DeLaney of the home.

Mrs. Gilreath was a sister-in-law of M. G. Gilreath of Bronte.

Out of town relatives attending the services were Mr. and Mrs. Robert Gilreath, Hamlin; Mr. and Mrs. Lee Rodgers, Odessa; Mr. and Mrs. Carl Best and family, San Angelo; Mr. and Mrs. K. M. Cook, Kenneth Ray and Patricia Ann, Odessa and Earl Delaney, Miami, Florida.

FIREMEN MAKE TWO RUNS SATURDAY

Bronte volunteer firemen made two runs Saturday afternoon to put out a fire on the Tom Williams and Ward Hill farms south of the river. Fire Chief Bill Luckett said Hill was burning off his pasture and the blaze got out of hand and spread to the Williams farm. After apparently getting the fire under control, the firemen were called back after it broke out again.

Luckett reminded Bronte firemen that tonight (Thursday) is regular meeting night for the group.

The Bronte Jr. Home Demonstration members are making plans for an advanced Clothing Workshop to begin on February 27. These ladies attended a Basic workshop last year to make them eligible to attend an advanced class. Some of the techniques I will teach are pattern alteration, using interfacing, lining and backing, tailored button holes, making belts and hemming. Garments will be constructed during the workshop by each lady who attends. Mrs. Jimmie Brunson is president of the Club. The workshop will be held in the home of Mrs. Noah Pruitt.

Miss Thelma A. Casey and Mrs. Roy Huckabee, District Agents, spent Thursday afternoon in Robert Lee. The afternoon was spent in Conference with Mr. Lindsey and me. We always welcome them to Coke County as they are very helpful in assisting us with our work.

Special events coming up soon:
4-H Leader Training Feb. 26, 1:30 p.m.
Foods Leader Training, Feb. 28, 2:00 p.m.

I will be in Temple Wednesday and Thursday of this week for a Clothing Training Meeting. The meeting will be held in the Kyle Hotel. The Home Demonstration Agents from District 7 are to join Agents from Districts 8, 9 and 11 for this meeting.

MORE FASHION NEWS:

Double Knit Cottons: New and Exciting—Completely new and different are the cotton knits being featured for spring and summer. Double is the word heard most often, meaning that two layers of fabric are knitted together. Single knit fabrics are made from only one system of yarn, while two or more yarns of different sources are used in the construction of the new double knit cottons. This makes for a firmer, more stable fabric than the single knit. In addition many double knits are chemically treated to help them maintain their stability, or to make them spot and stain resistant or water repellent.

Double knits adapt perfectly to casual sports wear, overblouses, shorts and jackets. They are equally adaptable to street and dressy dresses, jacket dress ensembles, suits, coats. Double knits are especially good travelers, since they are wrinkle free. They come in 60 to 66 inch widths.

I have been seeing some lovely colors in these knits in dry goods stores the past few weeks.

Coke County will have a large delegation in Houston next week for the big Houston Fat Stock Show as well as a fine exhibit of animals. Approximately 30 4-H Club, Bronte and Robert Lee FFA members, their parents and supervisors will make the long trek to the wet country. The group while there will exhibit nine breeding sheep, five heifers, eight steers and 50 lambs.

The 4-H Club members with entries expected to participate at Houston are: Kay and Robert Wink, James Bird Pentecost, Roy Blair, Dee Arrott, Nickie Arrott, Jimmy, Ronnie and Marsha Varnadore, Ronnie and Donnie Devoll, Ricky Harris, and Bucky Sparks. Nolan Pentecost, Leslie Wink, Bill Blair, Lindy Devoll, Howard Varnadore, and Wayne Arrott will accompany the group. Clarence Mitchell, local trucker, will haul the livestock. The group will load out at D. P. Key's pens and chute on Sunday morning at 11 o'clock.

Coke County's response to the screw worm control program is increasing. At present, 160 operators have joined the fold, contributing \$7525.00 to the program.

Range fires continue to be an ever increasing menace as the dry spell continues. The ground cover that we have is such that in many spots in the county a fire would be hazardous on the dry windy days we are having.

The damage from a range fire goes beyond the point of lost grass. Authorities say the losses that follow can be greater than the immediate loss.

We need to be conscious of the danger and more careful with our use of any item or product that could produce a fire. Tossed cigarettes or matches can be particularly dangerous at a time like this.

I have noticed fire guards being plowed along the highways. Another good precautionary measure that many operators can take is to keep their portable sprayer filled with water, for an emergency. Or if a water tank is available, keep it in your trailer and filled if possible.

Mr. and Mrs. Pat Moosburg of Dallas spent the weekend in the F. R. Collins home. Mrs. Moosburg and Mrs. Collins are sisters.

Signup Opens for Feed Grain Program

Growers of corn and grain sorghum may sign up to take part in the 1962 Feed Grain program, according to C. E. Arrott, chairman of the Agricultural Stabilization and Conservation Committee. The signup period began Feb. 5 and will continue through March 30.

Operation of the program, Arrott said, will be similar to the 1961 Feed Grain program and its objectives will be the same: 1. To increase farm income; 2. to further reduce the excess feed grain stocks; 3. to reduce Government costs of farm programs; 4. reduce risk of overproduction of meat, poultry and dairy products; and 5. to assure consumers of fair and stable prices for these products.

Corn and grain sorghum producers are eligible to take part in the feed program, which calls for diversion of acreage, formerly planted to one or more of these

crops, into an approved soil-conserving use. The program is voluntary, but program participation by grain farmers is required before they are eligible for price support on their feed grain crops, including oats and rye.

Arrott said that for corn and grain sorghum, there must be a minimum reduction of 20 percent from the farm's 1959-60 average acreage of these crops and the producer must not exceed the farm's barley base. For barley, there must be a minimum reduction of 20 percent in the farm's average 1959-60 barley acreage and the producer must not exceed the farm's corn and grain sorghum base.

Producers of oats and rye will be eligible for 1962-crop price support if they comply with either the corn-grain sorghum program or the barley program.

UNCLE HUIE from HOG CREEK says

My neighbor's preacher come by our session Saturday for a few minutes, said he couldn't stay long on account of his church was putting on a hot dog sale and he was Chairman of the Mustard Committee.

The good Parson allowed as how he wasn't agin eating but it was gitting so's you couldn't hold the weekly prayer meeting without serving hot coffee and doughnuts. At his church, fer instant, he claims it takes more time and members to run the kitchen than it does to run the Lord's busines. He told the fellers a week never went by but what the Kitchen Committee was putting on a barbecue supper or a chicken dinner and some weeks both.

This hot dog sale they was putting on, he said, was something new and if it went pritty good he wouldn't be surprised to see 'em announce the next one on the church bulletin board out in front of the building, right under the topic fer his next sermon.

And, claimed the Parson, the end ain't in sight. Just last week, he reported, some of the members was planning to put in some ping-pong tables and rig up a place to play horseshoes and softball out on the lawn. He was predicting that the time was coming when the members was going to have to make up their mind whether they was running a church or a Y. M. C. A., and whether they wanted the emphasis on the Good Book or hot dogs and ping-pong.

But taking everthing all in all, the Parson reported, he'd had a pritty good week, only two little matters coming up for major consideration. One of the members got in the hospital and it was three days afore he went to see her. The reason he was so late

gitting there, he said, was because none of the members told him she was sick. But some of the congregation was mighty disturbed about it, he reported.

The second item, he told the fellers, was a little more tricky. The income tax folks was checking on one of his good members and he come to the Parson asking him to sign a statement verifying the figger on how much he had give to the church last year. This member don't use no envelops, is one of them put-it-in-losses members, he said, and the figger he wanted signed was pritty high.

The good Parson left without saying whether he signed it or not, and to speak frank, Mister Editor, none of the fellers had the heart to ask him.

DORSEY B. HARDEMAN

Hardeman Asks Re-Election As State Senator

Dorsey B. Hardeman is running a story in this week's Enterprise announcing his candidacy for re-election as State Senator from the 25th Senatorial District of Texas. The Senator visited in Bronte Tuesday and called on some of his constituents.

Senator Hardeman has been a member of the Senate since 1947 and has served as Chairman or member of all major Standing Committees of the Senate, as well as on many important special and interim Committees. He is presently Chairman of the powerful Senate General Investigating Committee, a position he has previously occupied, and is a member of the Legislative Budget Board on which he has served for ten years. He was elected president Pro Tempore of the Senate and served as acting Governor of the State on December 3, 1954, during the absence of Governor Allan Shivers and Lieutenant Governor Ben Ramsey.

Senator Hardeman is recognized and respected by his colleagues as an authority on constitutional law and Texas and American history. He has been invited by his colleagues to address the Senate on constitutional questions and historical subjects on a number of occasions. He was made an honorary life member of the Texas State Historical Association for outstanding service rendered to Texas, which is the highest honor the Association bestows. Only five other persons currently hold this honor.

Mr. Hardeman is married to the former Geneva Moore, daughter of the late Lawrence Moore and Mrs. Moore, of Schleicher County, Texas. They have two young sons, Mark and Bryan, attending public school in San Angelo. Mr. and Mrs. Hardeman are members of the Church of Christ.

Senator Hardeman, a lawyer, is a partner with Earl W. Smith and Joe H. Foy in the law firm of Hardeman, Smith & Foy, in San Angelo.

Mr. Hardeman is a former Mayor of San Angelo, and former State Representative, which latter office he resigned and volunteered as a private in the Air Force in November, 1942. He attended Officer Candidate School, and, upon graduation, received a commission in the Judge Advocate General's Department and was assigned to the 2nd Air Force. He later was aide to Major U. G. Ent and was honorably discharged with the rank of Captain, February, 1946.

Senator Hardeman is a native of Tennessee, and came to San Angelo in 1932, where he has since resided. He holds membership in the Sons of the American Revolution, Sons of the Republic of Texas, Sons of Confederate Veterans, the American Legion and B. P. O. E.

In his announcement, Senator Hardeman said:

As a candidate for re-election to the office of State Senator I re-

spectfully solicit the support and votes of all the people of the 20 counties comprising the 25th Senatorial District. I shall try to see as many of the voters personally as I am able during the remaining weeks of the campaign.

My record in the office has been made on the basis of my deep and abiding respect for the principles of our Constitution and for constructive and economical government. This is not a single-issue office. It involves numerous matters of vital importance to Texas and the 25th District.

Many controversial issues have arisen during my tenure, which have been met with courage and due deliberation and with the best interests of my State, and this District, ever in mind.

Legislation of local interest, to the various counties of the district, has been handled with dispatch, as is well known by the representatives and the people of those several counties.

The Bronte Enterprise

February 22, 1962

On such record I submit my bid for re-election, with the pledge to continue my support of constructive, progressive and Constitutional measures.

Weekend visitors in the N. M. Curlee home included her parents, Mr. and Mrs. Clayton Crawford of Troy and his mother, Mrs. Edith Curlee of Temple.

Mr. and Mrs. Bill Terry and children of Anson and Mrs. J. O. Raley, Olin and Tootsie of Junction were Sunday guests of Mr. and Mrs. Louis Galloway. Mr. and Mrs. Terry participated in a dedication ceremony at the Methodist Church Sunday night when an altar set was presented to the Church in memory of the late E. J. Smith and Louise Terry.

INCOME TAX SERVICE

Starting Jan. 8, I will be in my office in Robert Lee on Monday, Tuesday & Wednesday, and in Bronte on Friday and Saturday, to assist you with your 1961 Income Tax Returns. Over fifteen years experience with all types of Income Tax accounting. REASONABLE FEES CHARGED.

W. A. Stroman Enters Race for State Senator

W. A. (Bill) Stroman, San Angelo attorney, this week authorized this newspaper to announce his candidacy for State Senator from the 25th Senatorial District of Texas. The 25th District includes Coke and 19 other West Texas counties.

In making his announcement Stroman submitted the following biographical information about himself:

Native Texan, Finished High School at Uvalde, Texas. Earned own money to go to Business College. Then worked in Court Houses and Abstract Offices including the abstract office of Vice-President John N. Garner at Uvalde. Married Elsie Cloudt, daughter of a pioneer ranchman, Rocksprings, Texas. Have three children, viz: Eileen, graduate of Texas University, married to Col. John Lemp, Army Reserve, Washington, D. C.; Wm. J. Stroman, graduate of A & M College, ranchman, married to Cleo Lane of Concho County, Texas; Gusta Mae, graduate of Austin College, married to Fred O. Brewton, Presbyterian minister, Levelland, Texas.

Studied law and admitted to practice law in Texas in 1923; elected County Attorney of Tom Green County in 1924 and 1928; then elected District Attorney of the 119th Judicial District of Texas in 1934 and 1936. Was elected in 1951 to fill out the unexpired term of Hon. Peppy Blount, who resigned from the Legislature after the regular session that year. Was re-elected to the State Legislature as Representative from Tom Green County (which comprised the new 92nd District) in 1952, 1954, 1956 and 1958. Did not seek re-election to that post in 1960.

Stroman's announcement statement to the voters of the district follows:

I am now asking to be your State Senator and consider it an honor, a promotion and a sacred trust. While I am an Attorney in good standing in the State of Texas, I am not engaged in the active practice of law, and did not engage in the practice of law

while State Representative, directly or indirectly. This policy will be continued as your State Senator.

I do not have now, nor will I have, any outside interests or entangling alliances that might tend to influence my decisions adversely to the best interests of the people or interests of this District or to the State of Texas.

I do not consider being a ranch owner in this district an adverse interest. On the contrary I consider it an advantage because it affords me practical first hand knowledge of the problems and needs of the Live Stock Industry. One pressing need now is to fully co-operate in the movement to eradicate the screw worm.

This Senatorial District embraces twenty counties and the combined population, I believe, at the present time is around two hundred thousand and as your State Senator would always strive to give every part of the District the same consideration and diligent attention. As your Public Servant, will welcome and give close attention to all suggestions, requests and information communicated to me either by letter or personal calls — all of which would be welcome.

The only legislation that I have promised to sponsor at this time is the measure to advance San Angelo College to a four year status. I feel this legislation will inure to the benefits of this District. I consider it important that we have first class educational facilities from the first grade on up through Colleges and Universities of Higher Learning and then have them as near as possible to the people that students will not have to travel so far from home to finish an education.

The State Board of Insurance was given unlimited powers as to rates and rules prior to the beginning of my tenure in the Legislature. I am in favor of returning this control to the Legislature. I am specifically thinking of the unfair automobile rate.

As your State Senator I would give the utmost attention and study to all Legislation coming before the Senate in order that I might be able to cast a vote thereon that would be in the interest of good and honest Government of the people, by the people and for the people.

W. A. Stroman.
