Fire Destroys 3 Bronte Business Firms

FIRE FIGHTERS—The scenes shown here were made during the fire Tuesday night. Fallen rocks, broken glass and other debris made the job difficult. The flames in the shots here

show the frame which held the partition between Bronte Feed & Supply and C. R. Smith & Co. The pictures were made by John H. King, publisher of the Robert Lee Observer.

Two business firms were completely demolished and a third received heavy smoke and water damage Tuesday night in a fire on the north side of Bronte's main street.

C. R. Smith Dry Goods and Bronte Feed & Supply were leveled by the flames and severe damage was sustained by Bronte Furniture Store. Minor damage was received by West Texas Utilities Co., White Auto Store and The Bronte Enterprise as a result of the fire. Also housed in the back of the dry goods store was Joni-Lyn Sportswear factory. It was also a complete loss.

Estimates of the loss ran upward of \$40,000.

Mr. and Mrs. C. R. Smith operate the dry goods store and sports-

wear factory, while Hurlin Lee is operator of the feed store. Mr. and Mrs. J. W. Jones are operators of the furniture store. Mr. and Mrs. C. E. Bruton, who operate the White Auto Store, were in Ballinger at the time of the fire, attending church services. The Smiths were also out of town, having gone on a selling trip to take orders for their sportswear. They were reached in San Antonio and left immediately for Bronte, arriving here about 1:30 a. m.

Smith owned the building which housed his store. Mrs. B. F. Bridges owned the building where the feed store was located, and the Keeney estate owns the building housing Bronte Furniture. All of the buildings were insured. Smith and Lee had insurance to

partially cover their stock, but Jones had no insurance.

The fire, which began in the feed store, was discovered by Pete Nutter, operator of the Cactus Cafe, across the street from the burned-out buildings. Fire Chief Bill Luckett said the alarm was turned in at approximately 7:30 p. m.

The fire spread rapidly, as stocks of paints, sprays, etc. in the feed store ignited. In a matter of minutes the flames were coming out of the front of the building. Only a frame partition separated the feed store and the C. R. Smith store, so the flames spread quickly into the dry goods establishment.

Bronte's firemen were on the job within minutes, and began fighting the blaze which threatened the entire north side of the block. Robert Lee's fire truck arrived in a short time and took over the fire fighting job at the back of the buildings. The two volunteer departments were able to slow the spread of the fire to the roofs of Bronte Furniture and West Texas Utilities buildings. Other fire fighting units from Blackwell, Ballinger, Winters and San Angelo arrived shortly and flames were brought under complete control.

Only person reported injured in the fire fighting operation was Tommy Lee, son of the feed store owner. He collapsed from inhaling too much smoke and was given first aid by Sam Williams who was present with a Clift ambulance. He was taken to Bronte Hospital and kept overnight. His father said Wednesday morning that some X-rays were to be made to determine if he needed further medical care.

Firemen from all the departments helping battle the blaze fought gallantly to keep the fire from spreading. They were ably assisted by other volunteers from Bronte, Robert Lee and other towns.

San Angelo Emergency Corps members brought their equipment out to help in the battle. Highway patrolmen were also present.

Smith was out early Wednesday morning making plans to reopen his sportswear factory. He said he had obtained the former Pruitts grocery building, owned by Mrs. Willie Mae Glenn and would order materials and new machines for immediate delivery. He said he hoped to be back in operation Monday morning. Lee and Jones said their plans for re-opening the feed and furniture stores are indefinite now.

Operators of other stores on the north side of main street considered themselves lucky to be in business Wednesday morning. It looked for several minutes as though the flames would encompass the entire block, before firemen brought them under control.

Merchandise, furniture, records and other valuables were removed from First National Bank, White Auto Store and The Bronte Enterprise. A great deal of the merchandise in the furniture store was moved up the street into the Rawlings building immediately west of the Enterprise office. Plenty of volunteers were on hand to help with the moving. The items removed from White Auto, The Enterprise and First National Bank were taken back into their buildings after the fire was under control.

Democratic Primary To Draw Big Vote

Candidates for precinct, county, district and state offices increased the tempo of their campaigning this week stumping the country for votes prior to next Saturday's election.

The democratic primary that will be held throughout Texas Saturday will elect several candidates and decide run-off candidates for the second primary to be held in June.

Probable run-off elections include governor, lieutenant governor, attorney general, congressman-at-large, associate justice, court of civil appeals races on a state-wide basis. Locally, there is a probability of a run-off for Coke County Commissioner Precinct 4. There are four candidates in this race.

A sample ballot identical to the one to be used in the democratic primary election in Coke County is being printed on another page in this paper. Voters will have time to study the ballot for the different candidates for office as well as three propositions for constitutional amendments.

Voters will also decide Saturday whether they want pari-mutuel betting on horse races in Texas and if they want to abolish the poll tax as a prerequisite for voting.

Polls Open at 8 a. m.

Voting polls will be open Saturday from 8 a. m. until 7 p. m. Voters residing in precinct 1 will

cast their vote at the courthouse in Robert Lee. Mrs. Golda Smith is the voting judge for precinct 1.

Noah Pruitt, Sr. is presiding judge for precinct 2. The voting place for this precinct will be in the building formerly occupied by West Texas Utilities Co.

Sam Gaston is election judge for Tennyson and precinct 4. Voting place will be the Tennyson school building.

Voters at Divide in voting precinct 5 will cast their ballots at the Fred McCabe Jr. residence with Fred McCabe Sr. as presiding judge.

Precinct 7 voters will vote at Sanco school building in Sanco with B. D. Gartman presiding.

Silver voters of precinct 8 will vote at the Silver Peak school with H. L. Bloodworth as presiding election judge.

Green Mountain (precinct 9) voters will cast ballots at the Green Mountain school building. D. O. King is election judge in this precinct.

Olga community voters, precinct 11, will cast their votes at Richard Copeland's residence. Bill Hamilton is election judge.

Precinct 12 (Walnut community) election will be held at the G. C. Munn residence with Elton Mims as election judge.

Eugene Brooks will preside over precinct 13 (Lometa community) at the Lometa school building.

Ten Champs to State Meet

Ten students from Bronte High School will leave today for Austin where they will participate in various

state contests of Interscholastic League competition. All winners in regional competition held recently at Odessa College, six of the Bronte entrants are in athletic contests and four will enter literary events.

Regional champions who will be going to Austin are: Ida Lee Parker and Marilyn Gleen in debate; Jimmy Wells in extemporaneous speaking; Johnnie Sims in shorthand; Tommy Boecking in 880 yard run; Buddy Walker, Barry Curlee, Dee Arrott, Rudy Olivas and Charles Lee make up the 440 yard relay team which will enter.

The youngsters will stay at the Driskill Hotel in downtown Austin. They will return to Bronte sometime Saturday night.

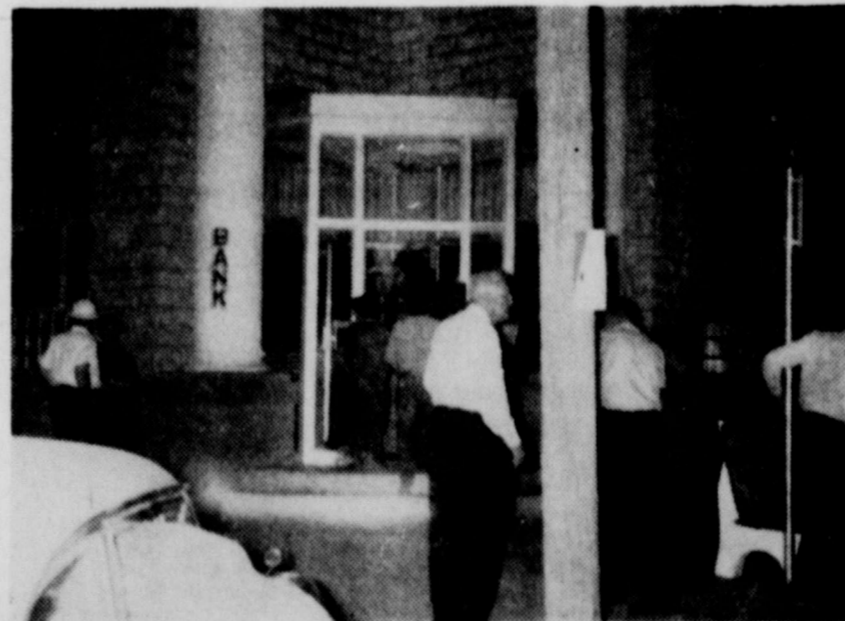

ELECTION PARTY SATURDAY

The usual election party will take place Saturday night in front of The Enterprise office.

A board will be erected in front of the building and results tabulated and posted as rapidly as possible as they are received.

Election judges at Tennyson, Olga and Juniper are asked to call The Enterprise collect as soon as they have their final unofficial results. Other boxes will be obtained through the county clerk's office.

Polls close at 7 p. m. and results will start being posted as soon after that time as possible.

MOVING BACK IN — L. T. Youngblood, president, watches as volunteers move equipment back into the First National

Bank, after it was moved out when the structure appeared to be in danger from the fire.

Dept. Invites Game Warden Applications

San Angelo, April 27—Applications for employment of a limited number of game wardens are now being accepted by the Game and Fish Commission. The commission is interested in receiving these applications from young men between ages 21 and 40, who are high school graduates and have an interest in wildlife conservation.

The need for the additional applications has been brought about through reorganization of the Game and Fish Commission, which has created additional opportunities for advancement of men who can meet the requirements.

Application forms are available at local Game and Fish Commission offices or from the Personnel Office in Austin. Completed applications must be received by the personnel office prior to May 15, 1962.

Written and oral examinations will be conducted in selected areas throughout the state in June to make final selections.

Applicants selected will be employed in September, 1962, and will attend the 16-week game warden training course at Texas A&M College, scheduled for February, 1963. The course of instruction includes all phases of conservation work.

HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITAL

AUSTIN, Tex. — Whether voters take part in the democratic or republican primary elections Saturday, they'll face a mighty long list of decisions regarding national, state and county offices — plus the much-touted question of pari-mutuel betting on the horse races. Democrats will attack the matter on two fronts:

"FOR (or AGAINST) the Legislature to submit a constitutional amendment to legalize pari-mutuel wagering on horse races."

"FOR (or AGAINST) the Legislature to enact a law legalizing pari-mutuel wagering on horse races with the state and the track sharing 14 per cent of the pari-mutuel pool, the home county receiving two per cent of the total pool, and all other counties receiving

one-half the net state share on the basis of population. No racing on Sunday."

Democrats fathered the issue after 200,000 voters petitioned the State Democratic Executive Committee to submit the proposal on the primary ballot to meet legal requirements for including specific legislation in the party platform.

Republicans added the issue to their ballot too, and phrased the following proposition:

"FOR (or AGAINST) The State Legislature of Texas submitting, for a vote of the people of Texas, a constitutional amendment which would legalize pari-mutuel wagering in Texas, on a local county option basis."

Both parties will take a sampling of voter sentiment on the question of repealing the poll tax as a prerequisite for voting.

Should the proposals carry on May 5, it probably would be two or more years before either issue

is settled. They would have to pass by two-thirds majorities in both houses of the Legislature, and then win a majority vote of the people in a statewide election — which likely would be the November election of 1964.

Band Wins 2nd At Abilene Meet

Bronte High School's Longhorn band made a good showing last Saturday at the Interscholastic League band contest held in Cooper high school at Abilene. Only one other class B school, Rochester, outranked the local musicians.

Band director Bobby Bingham's students brought home a second division rating in sight reading and a third division in concert.

Other class B schools taking part in the contest included Rochester, Trent, Jim Ned, Menard and Baird.

AD-LIB-BEN

We are mighty glad to have you reading The Bronte Enterprise today. There has been a time recently when we didn't know for sure just how or when this week's paper would come out.

People in Bronte, particularly those who are in business on the north side of Main Street, are grateful to lots of people today. We all have nothing but admiration for the fine job done by the Bronte Volunteer Department and the dozens of non-members who manned hoses. We found out Tuesday night that we have some mighty good neighbors. Special thanks goes to the fire department of Robert Lee, Winters, Ballinger, Blackwell, and Tom Green County; also the San Angelo Emergency Corps and the Texas Department of Public Safety and Highway Department. All of these people got here as quickly as they could and spared no effort to help us when we needed it badly.

All of us who received help in getting merchandise, records, furniture, etc., out of our threatened buildings are also grateful for the help of everyone who carried the loads out, as well as to those who carried them back in.

We say thanks to several of our neighboring publishers who called to offer their assistance or equipment in getting our papers out this week. It was good to say we didn't need them, but reassuring to know their help was near.

We expect the fire fighters are especially grateful to Pete and Inez Nutter, too. They served gallons of free coffee to firemen and volunteer workers until late in the evening after the fire was under control.

Undoubtedly Tuesday night's catastrophe will cause donations for the new fire truck to increase, because it was proven pretty conclusively that we do need additional fire fighting equipment in this area.

In spite of the expected increase in donations, we feel that it will take a long time to get the money together to buy the new truck. We would like to advance the idea that this is something that should not wait. It should be done just as soon as possible, for we never know when the need may arise again.

Coke County bought the present truck in October of 1948 when its valuations were probably less than a third what they are now. We believe that Coke County can afford to buy this new truck. It would be a good investment and not exorbitant amount for the county to spend. Another thought on this matter is that the use of tax money is the most equitable way to make a purchase of this kind. The volunteer contribution method is fine but it is slow and some people don't even intend to give anything.

If you think this is worth considering, you might mention it to people who are running for office. See how they feel about it. Saturday IS election day.

We've had nothing short of civil war at The Enterprise this week over whether the word "politics" is singular or plural. We thought everybody, including the Lib part of this column was going to quit last week when we ran a 48 point head reading "politics warms up." We all headed for dictionaries, English teachers, World Books but no conclusive proof was found one way or the other. We were about to throw in the towel when we ran into Vetal Flores the other night, and his snap judg-

ment was that politics "is" singular. However he promised to look it up in the Oxford dictionary over at San Angelo College and let us know. He did recall a quotation, however, that uses a singular verb with the word. When we get the word from Flores, we'll pass the information along to you.

County Agents News Column

By STERLING LINDSEY

Coke County Extension Planning Committee has made plans for a brush control and pasture management meeting to be held on May 9. Garlyn Hoffman, Extension Service Range Management Specialist, will be present to conduct the meeting. He will present information on brush control practices and will also discuss pasture rotation systems.

The meeting will be held at the Bronte Park beginning at 8:30 a. m. A short tour may be held fol-

lowing the meeting if those present wish to make a tour with Mr. Hoffman.

We believe he has some interesting and applicable information to present on both subjects. Everyone is invited to hear Mr. Hoffman and to present any questions they may have on Range Management.

I have received notice that 863 new screw worm cases were identified during the week ending April 21. The report stated that cases have been identified as far north as Scurry County.

The plant at Kerrville hopes to be producing 25 million sterile flies by next week. This is an in-

crease over last week, but is still far short of the saturation that was possible in Florida. When the new plant opens in Mission in July, they expect to be releasing 70-75 million sterile flies a week or three times their maximum at the one plant in Kerrville.

We sincerely hope all operators will continue to employ practices that will help control the fly numbers and or screwworm buildups. Even though they plan to move their barrier zone northward possibly before you read this, we need to continue normal insect control practices.

The seven Coke County boys 4-H Club entries in the District 7 eliminations last Saturday made a creditable showing. Five of the seven entries placed among the top three in their respective contests.

The two public speaking entries placed third as did the junior livestock judging team. The two soils teams placed second in their respective contests. The senior soil judging team will participate in the State Contest at College Station on June 6.

Mr. and Mrs. Burl Testerman and Mr. and Mrs. J. S. Toland of Westville, Okla., were weekend visitors in the E. L. Champion home. The Testermans returned home Sunday and Mr. and Mrs. Toland remained for a longer visit. Mrs. Champion is their daughter.

DEMOCRATIC CANDIDATE

For

STATE REPRESENTATIVE

78th District

Dear Fellow West Texan:

The last Texas Legislature, in accordance with the Texas Constitution, changed the boundaries of several legislative districts.

Our district was changed slightly to include the following 7 counties: Martin, Howard, Glasscock, Sterling, Coke, Reagan and Irion. These seven counties give us an area not only large in size, but also in opportunity.

I know you take pride in this part of Texas, as I do. Let me take this opportunity to tell you that my whole philosophy as your representative in Austin has been to act and vote in such a manner as to bring credit to these fine West Texas counties.

This will continue to be my philosophy if you elect me to a second term as your State Representative.

RE-ELECT
Judge Meade F. GRIFFIN
to
Supreme Court
PLACE NO. 1

Endorsed by the lawyers of Texas in their Bar Poll by a vote of 5,155 to 643. The lawyers in Judge Griffin's home county of Hale voted unanimously for him. Lawyers in his opponent's home county of Potter voted 75 to 17 in favor of Judge Griffin. Ask your attorney who is best qualified to serve on the Supreme Court.

VOTE FOR Edwin A. Walker FOR Governor of Texas

The only recognized completely dedicated patriot of national stature in the race.

Edwin A. Walker pledges that he will fight to —

- (1) His death for NATIONAL SURVIVAL, STATES RIGHTS, and INDIVIDUAL LIBERTY.
- (2) Restore public respect in keeping with STATE SOVEREIGNTY and constitutional authority—always with prayer for Divine guidance.
- (3) Place Texas upon a sane and sound financial footing.
- (4) Guarantee the right to work and the protection of property to every citizen.
- (5) Stop the unconstitutional trespass of Federal power upon the rights of Texas citizens—in education, welfare, business and labor.
- (6) Re-establish the respect of the people for the government of Texas — which under present leadership has sunk to an all-time low.
- (7) Restore our State to its rightful position of leadership and high esteem throughout the United States by ridding her of special privilege, scandal and corruption.
- (8) Take party control away from the Potomac pretenders—who have perverted the purpose, debased the ideals and, by control at the national level, have turned the Democratic Party into an instrument of Federal power.
- (9) Inspire and reinvigorate the Union—thus leading the way for the restoration of National unity and the American Republic.

Edwin A. Walker is a conservative, courageous, Christian man who is opposed to an all-powerful central government and will stand up again the ever-increasing peril of Communist infiltration within our nation.

Local Home Demonstration Clubs Observe HD Week

This week marks the 32nd anniversary of County Home Demonstration Councils and 15 years since Coke County Women organized their Home Demonstration Council.

Present officers of the Coke County Council are Mrs. R. L. Page, Green Mountain club, chairman; Mrs. Glenn Waldrop, Green Mountain, sec-treas.; Mrs. Taylor Emerson, Bronte, vice-chairman; Mrs. C. E. Arrott, reporter and Mrs. Curtis Walker, Friendship, parliamentarian.

Observance of National Home Demonstration week in Coke county is sponsored by the H. D. council and will consist of exhibits in Bronte and Robert Lee, and a clinic on the use of electrical appliances.

Displays from the various clubs may be seen at Bakers Grocery, Wallace Grocery and Brown Lumber Company in Robert Lee. In Bronte they are displayed at the West Texas Utilities Co., Sims Food Store and Cumbie and Mackey Dry Goods.

First Week In May

The first week in May each year is set aside at National Home Demonstration Week. It was first observed in May, 1946. At this time Home Demonstration Club members throughout the states and opportunities take this opportunity to present to the public the facts and figures which prove that Home Demonstration work is a great source of good.

The national goals are:

To inform the public of the benefits derived from the home demonstration programs.

To use the week and the annual meeting of the National H. D. Council to publicize the program of work.

To accent the education value of the program through exhibits and projects carried on during the week.

History of Scholarships

The T. H. D. A. scholarship was set up when the Texas Home Demonstration Association was organized in 1926, and was one of the principal reasons for the organization of the Association. Funds for the scholarship were raised through a contribution of fifty cents per club each year.

In 1929 the scholarship fund was raised from \$200 to \$300. In 1941 the scholarship was named for Mrs. Maggie W. Berry who was the organization specialist from 1924-37. The amount was raised to \$500 in 1949. There have been 37 girls receive the scholarship.

The second scholarship was set up in the annual meeting in Minerals Wells in 1949. Both of the scholarships would then be for \$500. In 1949, the scholarships was named for Miss Helen H. Swift. There have been 12 Helen H. Swift scholarships awarded the first being in 1950.

A third scholarship was established in the annual convention in Dallas in 1954. Plan made for this one was that savings of the Association would be invested in government bonds with the interest to be used for the \$500 scholarship. The interest does not make quite that much money, but forms the base of the scholarship. The temporary name was Texas Home Demonstration Association Scholarship. In 1957 it was established as the Bonnie Cox scholarship. Nine of these have been awarded with the one that is coming up this year.

4-H Funds & Scholarships

The 4-H fund is included in the T. H. D. A. budget as are the 4-H scholarships. \$1200 is set aside each year for the 4-H fund with \$100 being given each district in the state. This money is handled through the district vice-

presidents. In the spring district meetings it is decided how the district money will be used.

This money is used for many different things; sometimes for leader training or district camp, or equipment. District 7 voted to spend it's 1962 \$100 to help defray expenses for a junior leadership training camp. It will be held at Brownwood May 31 and June 1. Theme will be citizenship.

Council Organized

The first County Home Demonstration councils were organized in 1924 under the direction of Mrs. Maggie W. Barry, then Extension Advisor, Rural Women's Organizations. Although now the work has increased in volume and variety, they still follow the fundamental principals on which she founded them.

The County Home Demonstration Agent, as a professional home economist and a representative of the Extension Service,

is responsible for technical training relating to homemaking, such as, food, clothing, housing and family relations. The Council, its members trained by the agent, helps to make this information available to all homemakers and interprets it to those unable or unwilling to receive direct instruction. It also informs the agent concerning areas where her assistance is especially needed.

Objectives of the council are to develop leadership and to forward and extend home demonstration work among both women and girls in all parts of the county.

The main three responsibilities of the council are:

1. To serve as an Advisory Committee.

2. To be a means of communication, between clubs, between the clubs and agents and between the clubs and various groups and individuals interested in objectives of Extension Service.

3. To be a demonstration in organization.

The Coke County H. D. Council was organized in 1945 with Mrs. C. E. Arrott as chairman. It has met regularly once each month since that time.

Dear Fellow Citizens

One of the most important State offices is that of Lieutenant Governor of Texas...For it is through his hands that practically all legislation eventually passes.

I know from many years of close, personal friendship the many qualifications of PRESTON SMITH for the job of Lieutenant Governor. He is a man of experience and action. A real worker for Texas during his six years as a state representative and another six years as State Senator.

His legislative experience, with his many years in business, make PRESTON SMITH our best choice for LIEUTENANT GOVERNOR. Because I believe this sincerely, I believe it is my duty to let the citizens of our community know about this man, in order that you may help him, if you are not otherwise committed.

Your support of PRESTON SMITH will be a good step toward better state government.

Sincerely yours,

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:
I was gonna write a column on politics this week, being as how Saturday is election day, but I was afraid you might censor out everthing I wrote, so I decided to stick to something else. National politics is more my speciality anyhow.
One of the preachers come by the store where we was Saturday and reported he had been visiting amongst his congregation ever night fer a week and had a sore throat from hollering loud enough to git heard above their TV sets. He said he wasn't even shore if some of the members would recollect he was there.
At one member's home, he said,

he suggested they have a short family prayer afore he took his departure and the mother ask if they couldn't hold off a few minutes till Wagon Train was over.

But the good parson admitted TV was here to stay, said he was learning to live with it. He predicted the day was coming when big groups of churches would chip in and hire one minister to preach on TV fer all of them. He figgered it would save money and the savings could be used to put up ping pong tables in the Sunday school department.

But the bad news, allowed the parson, was his doctor telling him he was gitting ulcers. The doctor ordered him to take it easy and let the church members do more work. The parson said all his members was already working, 40 was working fer him now and 80 was working agin him, but they was all working.

He said him and one of his members got out the records fer the last 5 years to see how the work was running and the records wasn't good. They showed that 10 per cent was pushing the wagon and 90 per cent was just riding. Oh, he said some of that 90 per cent jumped off once in awhile and pushed a little, but they just wasn't steady pushers. It was that 90 per cent, he allowed, that was giving him the ulcers. He said this member told him he didn't have no ulcers hisself, but he was gitting tired blood and, after looking at them records, he figgered he was just pooped from pushing.

The parson said the two of them decided to make a little survey to find out what that 90 per cent of unemployed church workers was doing. The found 40 per cent

was pouting over somepun that had took place at the church. These members couldn't recollect what it was but they claimed they was so upset they couldn't git over it.

Another 8 per cent was setting at home keeping score on how many times the parson had come to visit. One woman, he reported, was keeping score on a blackboard in the kitchen. About 22 per cent was figgering out how to git rid of the preacher. The parson told us fellers they didn't have nothing special agin him, but gitting rid of a preacher was just one of their aims in life. He said ever church had some of them kind of members. The other 20 per cent, he reported, was just wearing the varnish off the pews. He allowed as how this was hard on the pews.

To sum up the survey, he told us, is ulcers is here to stay. Mister editor, after hearing him talk, I believe I'll just stick to farming.

Yours truly,
Uncle Huie

To All My Friends of Precinct 2:
As I stated at the beginning of this campaign, I have tried during the years I have been your commissioner to do everything in my power to improve our precinct in both the city and rural area. With the wholehearted cooperation you have given during the time I have been your commissioner, we have accomplished many fine things. One of our first major projects was the paving of 132 blocks in Bronte and the building of 30 new bridges and culverts in the country. Then we built a new courthouse for our county, something we are all proud of. During this time we have also calched all the rural roads in the precinct. Our latest improvements have been the paving of the road through the Bronte County Park. Right now our county crew is working on seal coating 30 blocks in Bronte.
Another thing I am proud of is the fact that our precinct finances are in the best condition they have ever been.
If you like the record of the years I have served you, I would appreciate your vote in the election May 5. Thanks.

TO ALL MY FRIENDS OF PRECINCT 4:

Well, it's not long until the election, and I hope you have made up your mind to vote for me for your commissioner. Like I said at the start of the race, I don't have any long list of campaign promises. My only promise, if you elect me to this office, is always to do the right thing for our precinct and Coke County. I'll appreciate your vote and help.

ELECT EVETTS HALEY, JR. COMMISSIONER TEXAS DEPARTMENT OF AGRICULTURE

"For a Free and Independent Agriculture Through Political Change"

Ask yourself these Honest Questions: WHY should the Texas Department of Agriculture be an Agent of the Federal Government to:

1. Further rob the farmer of his freedom?
2. To promote national politics and Texas politicians?
3. To add to the overall bureaucracy that burdens the farmer, the taxpayer, and the housewife?
4. To keep the incumbent, a politician who for 12 years has never farmed anything but the taxpayers—in public office?

If you believe this is wrong—If you believe that economy, efficiency and integrity in state government are right—Then vote for a change—Vote for Evetts Haley, Jr., Cowman-Farmer, for State Commissioner of Agriculture.

Last Rites Held For S. D. Hoots, Bronte Pioneer

Funeral services for S. D. Hoots 80, were held here Saturday at 11 a. m. from the Kickapoo Baptist Church. Burial followed in the Robert Lee cemetery under direction of Clift Funeral Home.

Mr. Hoots, 80, longtime Coke County resident, died Thursday about 6:30 p. m. at the home of his niece, Mrs. Albert Bragg, at DeSoto. He had made his home with her for the past several months.

He was born Feb. 4, 1882 and was married to the former Mattie Milican Oct. 8, 1907, in Goldthwaite. When the couple celebrated their 52nd anniversary in 1959, Mr. Hoots recalled that they had started to the preacher's home and met him on the way. He performed the ceremony along the road as they sat in a buggy.

The couple moved to Coke County in 1913 and made their home here until after Mrs. Hoot's death in January, 1960, when he moved to DeSoto to live with his niece.

They farmed for many years in the Silver, Robert Lee and Bronte localities, then moved to a residence in the west edge of Bronte about 19 years ago. Mr. Hoots also worked several years as a Watkins salesman in this area.

Only survivors are several nephews and nieces.

Coke Girls Win In 4-H Contests

By MRS. FAY C. ROE

Misses Jo Alice Evans and Dawn Boykin, 4-H members from Robert Lee placed second in the Dairy Foods Demonstrations Saturday in the District Eliminations. These girls will attend the 4-H Roundup in June in College Station and will compete in State Dairy Foods Demonstrations.

Third place ribbons were presented to Jackie Counts, Junior Dairy Foods; Kay Roberts and Vernay Vaughan, Junior Vegetable Preparation; and Bennie Oglesby, Janet Lee and Sharon McCutchen, Junior Share the Fun.

Others in the competition were Kathy Service and Patty Hughes, Junior Dairy Foods; Linda McBroom, Junior, and Carolyn Prine, Senior, Public Speaking; Ida Lee Parker, Senior Share the Fun and Betty Hughes, Senior Dairy Foods.

Competition was very keen in each of these District Contests held in San Angelo last Saturday. Between 600 and 700 boys and girls from 22 counties entered the contests. Mr. Porter Henderson, Board of Directors of San Angelo College, presented ribbons to the winners.

Others attending from Coke County were Mmes. Artell Roberts, Robert Vaughan, Clyde Lee, Joe McCutchen, Truman Parker, J. W. Service, Jr., A. J. Kirkpatrick, Hughes, Evans, Counts, Misses Gladys Waldrop and Daphne Roe and Mrs. Fay C. Roe, County Home Demonstration Agent.

TSTA CHAPTER TO HAVE MEETING AT BRONTE

The Coke County Chapter of TSTA will have a dinner meeting Monday night in the Bronte school cafeteria at 7:30 p. m. This will be the last meeting of this school term. Joe Simpson, Bronte High School principal, is president of the group.

Following dinner and a business session, a recreation period will be held.

Mr. and Mrs. F. F. Hamilton of Winters visited Mr. and Mrs. J. W. Martin one day last week.

MRS. PATRICK F. EODICE

**Stafford-Eodice
Wedding Mar. 17**

Miss Linda K. Stafford, daughter of Mr. and Mrs. A. J. Conner of Needles, Ariz., and Patrick F. Eodice, son of Patrick Eodice of New York, were married March 17 at 4 p. m. in the chapel at Travis Air Force Base.

Chaplain Benson performed the double ring ceremony. Wedding music was played by Mrs. Ruth Zeller, organist. The altar was decorated with candelabra, white carnations and gladioli.

Given in marriage by her father, the bride wore an ivory satin gown made with a chapel train. Lace trimmed the bodice and the long sleeves came to points at the wrist. Her wedding veil of French silk illusion net was fastened to a crown of white satin roses. Her bouquet was of white carnations. She wore a single strand of pearls, a gift of the bridegroom.

Female attendants were Misses Patricia Bender and Jeanne La Pierre, who wore similar frocks of green chiffon over taffeta and carried nosegays of green and white carnations. Lee Ann Holbrook, a niece of the bride, was flower girl and wore a white nylon organdy dress.

Darrell Goodwin was best man and Edward Stoner served as usher.

The bride is a 1959 graduate of Needles high school and is an airman second class in the WAF, stationed at Travis Air Force Base. She is the granddaughter of the late Mr. and Mrs. D. J. Corley of Tennyson.

The bridegroom is an airman second class stationed at Travis AFB in the 1051st Air Transport Wing. He is a graduate of Niagara Falls high school.

A reception in the NCO Club followed the wedding.

The couple will live in Fairfield.

**WWI Veterans
Fighting for
Pension Raise**

Coke County Barracks No. 2409 Veterans of World War I U.S.A. will hold its monthly meeting Thursday, May 3, in the American Legion Hall at Bronte, starting at 7:30 p.m. The meeting was changed to Bronte because the County Park community building in Robert Lee has been engaged for another purpose.

A spokesman said the Thursday night meeting is of vital importance to all veterans of 1917-18 since the organization is now presenting to Congress a bill to raise veterans' pensions to make up for the increased cost of living.

Not all veterans of World War I receive pensions, and the law governing same has been made more restrictive since July 1, 1960. A veteran must be over 65 years of age and have a disability before he can be considered for a pension.

The national organization of WWI Veterans had received favorable support for enactment of H. R. 3745, but the bill remains in the Veterans Affairs Committee of the

House. Olin Teague, representing Texas Sixth District, is chairman of the committee and has stated that he will not let the bill get out of the committee, said the spokesman for the Veterans.

"Insofar as Veterans of World War I are concerned," the spokesman said, "time is of the essence. Each month more than 10,000 veterans of 1917-19 die. This number will increase as the years pass. If there is to be any recognition by the Congress in the form of added benefits for these men, it must come soon."

The WWI Veterans organization has decided to try for a discharge petition which, if signed by 219 congressmen, will force the bill out of the committee and onto the floor of the House for debate and vote.

All Coke County veterans of World War I are urged to attend the Bronte meeting Thursday night.

YOU'VE GOT EVERYTHING GOING FOR YOU!

DALLAS LMDA

Here now! This year there's a car that changes your mind about the cost of beauty—and advanced engineering, too. It's the magnificent, masterful Mercury Monterey for 1962, the only new car that's got everything going for you. → It's beauty that beckons, then take a long, loving look. The Monterey is sheer elegance in steel, a timeless sculpture that turns your garage into an art gallery. → If it's advanced engineering that you dote on, peer in and look for yourself: Self-adjusting brakes, 30,000 miles between major lubrications, 6,000 miles between major oil changes. Dozens of industry-leading innovations like that. → And, when it comes to investment, that's really where the new Mercury Monterey has everything going for you. It is priced just a whit more than ordinary-looking, ordinary-riding, ordinary-featured cars. → This is the year you don't have to compromise between beauty and a bargain, between elegance and economy. Mercury Monterey. The one car that's got everything going for you.

The Home Demonstration Council is sponsoring a Hat Making Clinic on May 21 and 22 in Robert Lee. Mrs. Anna Mears, a professional hat maker and millinery store operator, will be in charge. Mrs. Mears resides in Ft. Worth.

The hat making clinic will be open to all ladies who want to attend. The tuition will be \$5.00 per person. A charge will be made for hat supplies each person uses in the construction of her own hat.

Any high school junior or senior and non-club woman who wants to attend is welcome.

Agents who have worked with

Mrs. Mears tell me she is excellent and the hats made in her schools are as pretty as expensive shop purchased ones. I have seen some and they are lovely.

Any person who wants to attend must call me so I can pre-register you. At least 30 ladies can attend. Deadline for pre-registration is Thursday, May 17. Please call and give me your name if you desire to attend. Reservations will be taken on first come, first serve basis!

I was so very proud of the way the Coke County 4-H Girls did in the District Contests Saturday. Each one won even though they did not all receive ribbons. The demonstrations and speeches given give the girls experience, poise and self-confidence. All were winners!

The Home Demonstration Leader Meeting held Wednesday was well attended. Mmes. Taylor Emerson, J. C. Boatright, Glenn Waldrop, Linzy McDorman, Waymon Robinson and Bobby Roberts heard "Records That Are Important" discussed. These ladies will present the program in the clubs during May.

The Silver Home Demonstration Club is meeting again Thursday evening. More work is to be done on the seed pictures, according to Mrs. Jerome Sirus, president.

BRASWELL FARM SOLD

W. H. Braswell has sold his 80-acre farm, 3 miles northwest of Bronte, to J. P. Jameson of Silver. Purchase was made through the Texas Veterans' land program and the deal was handled by A. J. Kirkpatrick, real estate dealer of Robert Lee.

Mr. Braswell owned and operated the place the past 15 years. He recently bought the Eula Holman 164-acre place a few miles northeast of Bronte and is now operating same.

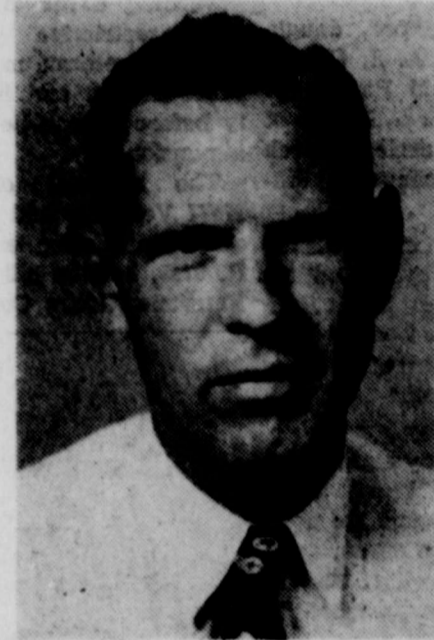

Jameson will use his newly acquired farm in the production of crops and livestock. He owns an oil field roustabout service at Silver.

Mr. and Mrs. Jimmy Erwin and Andrea of Lubbock were weekend guests in the home of Mr. and Mrs. J. L. Keeney.

Mr. and Mrs. Zack Wells of San Saba spent the Easter weekend in Bronte with their son, James Wells, and family.

John L. Boyles and Chris Ann went to Aspermont over the weekend to visit his parents, Mr. and Mrs. L. L. Boyles.

To The People Of Precinct 2

Since announcing that I would make the race for Commissioner of Precinct 2, I have talked with most of the people in the precinct, and I want you to know that it has been a real pleasure. I appreciate the friendly reception you have given me and will always remember your many courtesies.

The election is not far away, and I want again to ask for your vote. I need the job, and I believe my qualifications will make it possible for me to do a good job for you.

As most of you know, I have had many years experience in construction business, and I believe this experience will qualify me to handle your road and other construction problems economically and efficiently.

If you see fit to honor me with this office, I promise I will handle your affairs honestly and openly. My records will always be open for your inspection. County and Precinct Results In Demo Primary

(Editor's Note: Well, we really goofed on the election story. We lost the first part of the story on page 1 when we were making up the page, and didn't know it until the paper was all printed. If you will take this small sheet out and read it before you start reading the election story, it will all come out all right.)

Nearly 1400 voters went to the polls last Saturday to vote in the Democratic Primary held that day. This was considered a good turnout by election officials. The two largest boxes in the county, Robert Lee and Bronte, polled 447 and 443 votes, respectively. Heavy interest in local races, as well as those on the district and state level, brought out the big voting crowd.

In the county judge's race W. W. (Bud) Thetford was re-elected to a second term, defeating his opponent, Charlie Boecking, 853 to 506. Likewise, in the county clerk's voting, the incumbent, J. L. (Chilly) Tinkler was re-elected over Pauline Roe Holland. Count was 944 to 435.

A newcomer was elected to the office of county treasurer. Inez Burns received the greatest number of votes given any candidate when she defeated Gertrude Gray, the incumbent, 1003 to 371.

In the commissioners race for the two east side precincts, the present commissioner, Howard Brock, was re-elected in Precinct 2, defeating C. E. McGuire, 334 to 185. The only runoff in the county developed in Precinct 4, where a 4-way contest was being waged. Jack Corley came out as top man with 46 votes. He will run in the second primary against Robert I. Brown who received 27 votes. J. D. Huffaker received 19 votes and four votes were cast for E. J. (Gene) Halamicek.

Roy P. Ross and J. T. Liles were unopposed in their bid for second terms of justice of the peace in Precincts 1 and 2. Liles received 509 votes and Ross, 590.
