BRONTE, TEXAS, SEPTEMBER 10, 1964

No. 37

Over 1,000 at Anniversary Celebration

THE QUEEN MOTHER — Mrs. S. A. Kiker, 90, (holding the roses) was selected Queen Mother of Bronte for 1964. She is flanked by her grandson, Norman R. Kiker, and a daughter, Mrs. B. E. Modgling. Standing behind Mrs. Kiker is her son, Dave Kiker of San Angelo.

DISTINGUISHED GUESTS — Senator and Mrs. Dorsey B. Hardeman of San Angelo and former Attorney General John Ben Sheppard were among those present Monday afternoon. Both the Senator and Sheppard, who is now president of the Texas Historical Survey Committee, were on the program.

An all time record crowd of more than 1,000 persons attended Bronte annual Labor Day celebration, which was combined this year with a commemoration of Coke County's Diamond Anniversary.

The larger than usual crowd was easily handled by Aubrey Denman and all his helpers. All the visitors went through food lines in record time and everybody bragged on the quality of the barbecue and other foods. Bob and Pat Johnson were in charge of cooking the meat.

First thing on the program was announcements by Mayor Royce Lee, master of ceremonies; followed by a flag raising ceremony conducted by Bronte Boy Scouts. The

Rev. Murrell Johns gave the invocation and the Rev. Austin Master-son led the Pledge of Allegiance to the Flag.

Following the meal Edward M. Cumbie gave a welcome address, telling those present if they had been in Bronte as much as 15 minutes, they were old timers and were entitled to a genuine old timers welcome.

Some of the old timers who were recognized included Mrs. S. O. Jackson, L. C. Robbins, Mr. and Mrs. Hawley Allen, Willie Tubb, Ira A. Bird, R. E. Cumbie, L. E. Smith, Billy Rodgers, Homer Cornelius, Mrs. Will Hearrell, Bert Cornelius, Mrs. Annie Wilkins. All of them were here when Coke County was organized, or shortly thereafter.

Mayor Lee asked that all the old timers come forward and be recognized. He also recognized Walter Jubber, whose home is in South Africa, as coming the farthest for the celebration. Actually Jubber is living now in Abilene and attending ACC, so the best The Enterprise could determine was that Mr. and Mrs. Tommie Lee of Memphis, Tenn., actually came the greatest distance to attend the 75th anniversary celebration.

Bronte Jaycees then took over the speakers stand and John Boyles, speaking for the group, drew a loud round of applause when he announced that Mrs. S. A. Kiker, 90, had been selected as Bronte's Queen Mother for 1964. Mrs. Kiker is a long time resident, having come here in the early 1900s with her late husband and family.

Lee then introduced Mrs. Bryan Yarbrough of Robert Lee, president of the Coke County Historical Survey Committee, who made some remarks about the indomitable spirit of Bronte citizens down through the years in maintaining their schools and making other civic improvements. Mrs. Yarbrough introduced John Ben Sheppard of Odessa, who dedicated a historical marker which is to be erected at the junction of Highways 277 and 158 near Bronte Hospital.

Sheppard said the marker, known as the "Connally Marker", because Governor John Connally "thought up the idea," is the second of its kind to be dedicated and erected in Texas. Sheppard praised Bronte and Coke County for their interest in preservation of history and for the fine celebration which was held to commemorate the county's 75th birthday.

Sen. Dorsey Hardeman of San Angelo also congratulated Coke countyans on their spirit and initiative and cited some of the highlights of Coke County history, saying that the deeds of Coke County pioneers are something of which all present day citizens can be proud.

Final event on the program was revealing of the winner of the Miss Bronte contest. Miss Jan Wilkins was first place winner, and Miss Donnah Holcombe and Miss Peggy Corley were first and second runners up. Miss Wilkins was sponsored by Webb's Chevron Station, while Miss Holcombe was sponsored by Mackey Feed & Supply and Miss Corley by Sims Food Store.

Denman reported that the following amounts of food were consumed by the big crowd:

Meat, 649 pounds
Bread, 65 loaves
Beans, 85 pounds
Pickles, four gallons
Tea, two pounds
Ice, 40 bags
Coffee, three pounds
Sugar, 40 pounds
Onions, 30 pounds
Barbecue sauce, four gals.
Cabbage, 50 pounds
Bell pepper, 20 pounds
Carrots, 10 pounds
Apple, three dozen
Vinegar, three gals.
Salad dressing, two gals.
Salt, 20 pounds
Pepper, 80c worth.

Other items used were 1,000 plates, 1100 cups, paper towels and six pairs of gloves.

Merchants and others footing the bill for the cost of feeding the crowd were:

First National Bank, City of Bronte, West Texas Utilities, Caperton Chevrolet Co., Bronte Hospital, Bronte Lions Club, Bronte Jaycees, Bronte Firemen, Coke County Golf Association, Bronte Enterprise, Sims Food, Central Drug, Cumbie & Mackey, John Boyles Barber Shop, White Auto Store, Hughes Radio & TV, Motel Victor, Webb Standard Station, Lee Humble Station, Gulf Station & Wholesale, C. R. Smith & Co., Joyce's Food, Mackey Feed & Supply.

AD-LIB-BEN

We have been a bit overwhelmed by the reception given our 75th Anniversary edition which was issued last week. Your acceptance of the paper is certainly reward enough for all the work we put into it.

We believe that this edition will help to some extent in preserving permanently part of the history of Coke County. We have had requests from libraries for copies of the paper, so it will undoubtedly be preserved by them. We are also egotistical enough to believe that a great many of our regular readers, and those who have written or come by for copies, will also put them up for permanent reference.

MOST SERIOUS COMPLAINTS ABOUT PAYMENT OF INSURANCE CLAIMS ARE MADE BY PEOPLE WHO HAVE NOT INSURED THEIR HOMES THRU LOCAL ESTABLISHED AGENTS... says Legislative Investigating Committee.

In its Official Report on loss adjustments made after Hurricane Carla, the Committee of the Texas House of Representatives gave full credit for responsible performance to those companies represented by independent agents! WHAT'S BEEN GOING DOWN

UP

AND OUT

FOR YOUR BENEFIT?

DOWN and down the unit price of electricity has dropped over the past years. Today in homes served by WTU, the cost per KWH is 17% less than it was in 1953. While the cost of living continues to rise... the cost of electricity continues to fall.

UP and up has gone the amount of electricity the customer is using. WTU has grown in the past years and will continue to grow... staying ahead of its customer's needs.

OUT in every direction have gone power lines to supply electricity for all. Customers all through West Texas are provided with benefits from the most modern and efficient generating plants.

ELECTRICITY DOES IN ONE DAY what it would take 228 hours to do by hand in the average American home.

There is quite a lot of interesting historical information which had to be omitted. We plan to run it along as we can, and suggest that if and when these articles appear, you clip them and file them with your copy of this Diamond Anniversary paper.

Just as soon as we get around to it, we are going to write an editorial announcing that The Enterprise will support Lyndon B. Johnson in the forthcoming election for President of the United States. All the other papers are announcing their stands, and we hate to keep our readers in the dark any longer. Big Surprise?

Speaking of the President, we are grateful to him for sending us the greeting to Coke County which was published in our paper last week. A great many of our readers have also expressed their appreciation for this thoughtful gesture. Both Hardeman and Shepard commented on the message in their speeches at the park Monday.
