## Father-Son Open Set For Bronte Golf Course

A Father-Son Open will be staged at the local golf course with a large number of local and out of town fathers and sons expected to participate.

A total of 27 holes will be played, with the first nine holes score being used to determine flights

for the remaining 18 holes. However, the score on all 27 holes will be counted in determining winners. Starting time is 7:30 a.m.

An entry fee will be charged for each team entering. This fee will pay for the noon meal which will be furnished by the local golf association.

All entry fees should be brought or mailed to A. E. Bell Jr. or Clyde Lee.

Bell said that all members of the local club who do not enter the competition will be needed to help run the tournament and are requested to be on hand during the day.

## SCHOOL BRIEFS

Supt. C. B. Barbee, in an interview Tuesday, made the following announcements concerning various phases of the school's program:

—The school has seven 1965-66 annuals on hand. They are available on a first come-first served basis for \$4.00 each.

—Achievement Tests have been graded and returned to the school. The tests were given students several weeks ago. Elementary Prin. James L. Golson will show and explain results to parents during afternoons only, if they will come by his office. This includes tests of students in both high and elementary school.

—A number of sweaters, pieces of jewelry and other items are in Golson's office and may be picked up by owners who identify them.

—A new 48 passenger Chevrolet school bus has been delivered to the district. R. W. Sims accepted delivery on the bus at Kosciusko, Miss., and drove it to Bronte.

—A total of 25 pre-schoolers have enrolled in a course designed to prepare them for first grade work next September. The course is being taught by Mrs. C. B. Barbee, first grade teacher.

Drivers education, being taught by James N. Raughton, is going full steam, with 15 prospective newly licensed drivers participating.

—Four local students have been approved for participation in the Neighborhood Youth Corps program of the federal government. They will work 24 hours per week.

## Bill Allen To Head Seals Program

Bill Allen of Robert Lee has agreed to serve as the Easter Seal Representative for Coke County. As the Texas Easter Seal Society for Crippled Children and Adults' Representative, Mr. Allen is the person to contact to request assistance or services from the Texas Easter Seal Society.

Allen's appointment was announced by Robert W. Milam, M. D., of McAllen, Chairman of the Case Service Committee.

Last year the Society aided 14,395 Texans in the form of treatments, services, equipment loans and related aids. The Society is carrying out a program to reach every disabled person in the state who needs assistance. This program is to insure that every disabled child and adult has an equal opportunity at a normal way of life.

Mr. Allen urged that any person needing assistance from the Easter Seal Society contact him at the Robert Lee State Bank in Robert Lee. There is no charge for these services, he said.

Mrs. Marvin Landers returned to her home Monday after being hospitalized a week at Shannon Hospital in San Angelo.

## Martin Takes Easy Win In County

Crawford Martin took an easy 120-13 victory in Coke County, as he did over the entire state, in last Saturday's Democratic Primary runoff election. Martin was running against Franklin Spears for attorney general of Texas, and their race was the only one voted on in Coke County. Martin is from Hillsboro and Spears is from San Antonio.

Only two voting boxes were set up in Coke County. Voters of commissioner precincts 1 and 3 voted in Robert Lee, while those living in commissioner precincts 2 and 4 voted at Bronte.

A light turnout gave Martin 60 votes at Robert Lee, 58 at Bronte and 2 absentees. Spears polled 13 at Robert Lee and 10 at Bronte. Martin's nomination, which is usually the same as being elected in Texas, will allow him to run against a Republican candidate next November. He is expected to have little trouble winning at that time.

## Committee to Visit Fort Chadbourne On W. Texas Tour

Fort Chadbourne will be among six old forts of West Texas to be visited the latter part of June by a Texas Legislative Council committee. Purpose of the visits is to study possibility of restoring some of the historic structures.

Rep. Gene Hendryx of Alpine, whose district includes Coke County, is head of the committee. In addition to several state representatives and senators, the group will be composed of a member of the National Park Service.

Old Fort Chadbourne is located some 12 miles northeast of Bronte and is on ranch land owned by Mr. and Mrs. C. H. Wylie.

## McCutchen Takes Position At ACC

Kenneth McCutchen, son of Mr. and Mrs. Calvin McCutchen of Bronte, has resigned his position as minister of Eden Church of Christ to accept a position on the faculty of Abilene Christian College high school.

McCutchen is married to the former June Moore of Bronte and they have two children. They have lived at Eden for about two years. They plan to move to Abilene June 15.

McCutchen will teach Bible and speech and serve as B team basketball coach at the Abilene school. He has also served as a teacher and coach in the Eden Schools.

He will also attend ACC and work on his master's degree while in Abilene.

Beth Ivey will spend next week in Abilene where she will take an advanced hair styling course at Gene and Lottie's School of Beauty. The course will begin next Tuesday. Miss Ivey is an employee at Dorothy Kiker's Beauty Shop and will be out of the shop Tuesday through Friday next week.

## School Building To Be Complete By September 1

The new high school building in Bronte is expected to be ready for occupancy by the time the 1966-67 school term starts Aug. 29. Supt. C. B. Barbee said this week that the contractor told him the struc-

ture may not be completely finished by that time, but it will be ready for use.

The construction schedule called for pouring concrete for the basement floor and the stairs today (Thursday). Barbee said this would be next to the last big pour of concrete. The remaining floor, at ground level, will be poured at a later date.

The new vocational agriculture building is coming along fine, Barbee said, and will be completely finished by school starting time. Also, the renovation of the old two-story building will be completed by fall.

Prime contractor for the project is Edwin O. Wanorek of San Angelo.

T. B. Meredith, field representative for the architectural firm, Wilson, Patterson, Sowden, Dunlap & Epperly of Fort Worth, has moved to Bronte to supervise construction on the job.

The school construction job was assured a little more than a year ago when voters of the district overwhelmingly approved a \$325,000 bond issue to pay the cost of the new building.

Included in the contract are a new agriculture building, gymnasium, classroom section, library, and offices. Most of the classroom section will be constructed underground and will provide a storm shelter for students of the entire school. Also included in the contract is a complete renovation of the old gymnasium, homemaking department and present study hall.

## Last Rites Held For Mrs. Calder

Funeral services were held Tuesday at 2:30 p.m. in First Baptist Church of Mullin for Mrs. Susie Calder of Bronte. She was 81 years old. Burial was in Mullin Cemetery under direction of Williams Funeral Home.

Mrs. Calder died at 10:15 p.m. Sunday in West Coke Hospital at Robert Lee.

She was born Jan. 15, 1885, in Erath County, and came to Coke County from Loraine in 1927.

Among the survivors are two sons, Lewis Calder of Bronte and C. E. Calder of Robert Lee; 18 grandchildren and nine great grandchildren.

## Area Agricultural Meeting Is Called

The Texas Interim House Agricultural Committee will hold its fifth area meeting in San Angelo, June 16, to hear testimony from citizens concerning agricultural problems and needs, committee chairman W. W. Lynch has announced.

The San Angelo meeting will be in the District Courtroom No. 213 beginning at 10 a.m. The public is invited.

The Interim House Agricultural Committee was appointed by House Speaker Ben Barnes in accordance with a resolution adopted by the Texas House of Representatives in May, 1965. Purpose of the Committee is to "study the laws relating to agriculture and receive testimony of farmers and ranchers and others interested in agriculture to determine whether or not legislative action is needed to improve the well-being of farmers in such a way that the people as a whole will benefit."

Members of the committee include W. W. Lynch, president of Texas Power and Light Company, chairman; Dolph Briscoe, Uvalde, South Texas rancher and banker, and Texas state representative Wayne W. Connally, Floresville; Delwin Jones, Lubbock; and Milton J. Schiller, Cameron.

The area from which the Committee will hear testimony at San Angelo includes all counties surrounding Tom Green County as well as any other part of the State from which individuals might come to testify.

## Services Held For Mrs. Nell Martin

Funeral services for Mrs. Nell Martin, 79, will be held at 10 a.m. Thursday (today) at the Art Simpson Funeral Home at La Porte. Burial will be in a Pasadena Cemetery. She died Tuesday night in a Baytown Hospital after a long illness.

She was born Sept. 12, 1886 in Hamilton County, daughter of the late Mr. and Mrs. Joe Fletcher. She was married to R. D. Martin at Mullin in Mills County. The family lived in Mullin until 1924 when they moved to the Maverick community where they resided for many years. Mr. Martin died in 1949.

Mrs. Martin was a member of the Methodist Church.

Survivors include three sons, J. W. Martin of Bronte, Nathan Martin of La Porte and F. E. Martin of Portland, Ore.; four daughters, Mrs. R. G. Rhodes, Bartlesville, Okla.; Mrs. Douglas Forbus, Baytown; Mrs. P. N. Touchstone, Houston and Mrs. Edith Fowler of Corpus Christi; two sisters, Mrs. Tom Crockett of Ballinger and Mrs. M. E. Casey of Wolforth; 16 grandchildren and 17 great grandchildren.

Mr. and Mrs. Martin and Dorothy Ruth left Wednesday morning to attend the services. They were to be met in Brownwood by their son, Gary Martin of Fort Worth, who would continue the trip with them.

## New Tax Exemptions

Rebecca Lynn is the new daughter of Mr. and Mrs. Jim Morrow of Bronte. She was born at 10:30 p.m., Wednesday, June 1, in Shannon Hospital in San Angelo, and weighed 8 pounds, 8½ ounces.

Grandparents are Mr. and Mrs. Jack Corley of Tennyson and J. B. Morrow of Bronte. Great-grandparents are Mrs. B. R. Davis and Jimmy Welburn of San Angelo and Mrs. J. J. Morrow of Bronte.

## Council Passes Parallel Parking Ordinance

Bronte city council has passed and is publishing in this issue of The Enterprise an ordinance setting forth some regulations on parallel parking in the fire zone of the city.

Parallel parking will be required on State Street and Oliver Ave-

nue within the fire zone. This included State Street (U.S. Highway 277) from its intersection with Rielly Avenue to its intersection with George Avenue, and Oliver Avenue from its intersection with Washington Street to its inter-

section with Randall Street.

Marks are being placed on the streets to assist motorists in knowing when they are within the boundaries set forth by the ordinance.

Violations are punishable by a fine of \$1 to \$10.

## Miss Judy Smith Resigns Position On School Faculty

Miss Judith Smith, who has taught English in Bronte High School the past three years, announced this week that she will resign her position. She has accepted a position teaching English in the high school at Globe, Ariz.

Supt. C. B. Barbee said that Miss Smith's resignation will not be official until after Thursday night, when it is expected that she will submit a formal letter of resignation to the school board.

She is a graduate of Abilene Christian College and began her teaching career in Bronte three years ago.

Miss Smith's resignation leaves the school faculty with two vacancies. Mrs. R. C. Lasswell retired from the teaching profession at the end of the past school year.

## CLASS OF 1950 TO HAVE REUNION ON JUNE 18

The 1950 graduating class of Bronte High School will hold a class reunion June 19, it was announced Wednesday morning.

Local relatives and friends of the class members are asked to notify them of the affair. The group will meet at the home of Earl D. Rusk in San Angelo. More details will be printed in next week's Enterprise.

**Preventing clinging in Garments**  
Slips, blouses and shirts of the newer man-made fibers have found wide public acceptance because they launder so easily and wear so well. Sometimes in cold, dry weather, these garments have a tendency to cling to the body. This clinging is caused by what is commonly called static.

This clinging tendency can be reduced in washable garments of the newer man-made fibers by adding a small amount of a liquid detergent, fabric softener, or a special liquid antistatic agent to the final rinse water. Liquid detergents and fabric softeners can be purchased at most food or grocery stores. Liquid antistatic agents can be obtained at notion counters in drug or department stores.

Wash the garments in the usual manner. Then rinse them in a solution of the selected product according to instructions given on the container, or adjust the amount used to suit the needs of the individual.

This recipe below is one I got a few years ago from the David Treadaways who manage Lake Christian Retreat, Brownwood. We enjoy it at our house as it keeps well and is a salad or a dessert.

### Sparkle Salad

Dissolve 1 package each lime, lemon and strawberry flavored gelatin such as Jello in 1½ cups hot water. Put each flavor of Jello into a flat pan large enough that the mixture is ¾ to one inch deep. Chill overnight.

The following morning, dissolve 1 package lemon flavored gelatin in 1 cup hot pineapple juice and ½ cup hot water. Add ½ cup sugar. Mix and chill until thickened, but not set. Whip 2 cups whipping cream, fold into mixture. Remove from refrigerator fruit flavored gelatin made the previous day. Cut into ¾ to 1 inch squares. Add to the whipped cream mixture, fold and mix well. Pour into mold or suitable containers, chill until set. The salad may be served on a lettuce leaf with the main meal, or eaten as a dessert. Flavors of gelatin may be varied according to the color scheme desired.

### Serve Chicken Often

Women ask: Weight watching makes sense, but how can I satisfy my family's lusty appetites and still keep waistlines trim?

Serve them chicken. Compared with other popular meats, chicken ranks lowest in calorie count. A

three-ounce portion of skinless broiled chicken breast has only 115 calories; even with the skin, the count is only 185, according to the National Broiler Council. A serving of roast pork has 310 calories, market-ground hamburger has 245, while one half fried chicken breast (3.3 ounces with the bone) has a calorie count of 155. Other meats have even higher counts for the same size portion. In addition, no meat is lower in fat content than chicken. And 64 percent of the fat chicken does contain is unsaturated.

### Dental Check-Up Needed by Age 3

At what age should young parents start taking their children to the family dentist?

You should arrange your child's first visit to the dentist by his third birthday — or as soon as all 20 of his primary teeth have appeared. Never neglect the primary teeth.

If one of these teeth is lost prematurely, the space may close and the permanent teeth cannot grow into proper position.

Early visits to the dentist make possible preventive dental care.

On the first dental visit, routine cleaning and careful inspection of teeth and gums may be all that is necessary for your child. However, Texas records show that this is often not the case.

Many youth who enter high school have never seen a dentist, according to records of the State Department of Health.

Miss Jerina Bess Fletcher and Stover Wayne Taylor Exchange Marriage Vows in Rochester Ceremony

Miss Jerina Bess Fletcher of Rochester became the bride of Stover Wayne Taylor of Bronte in a ceremony at 7 p.m. Saturday, June 4. Cecil Cox, minister of the Bronte Church of Christ officiated for the double ring wedding in the Rochester Church of Christ.

Miss Carolyn Bean of Rochester was soloist for the ceremony.

Parents of the couple are Mr. and Mrs. John Michaels of Rochester and Mr. and Mrs. Horace Taylor of Bronte.

Given in marriage by Mr. Michaels, the bride wore a long white dress of imported Chantilly lace with a sabrina neckline and long pointed sleeves. The front of the bodice was embroidered with crystals and the front of the skirt was pulled up in a point with a cabbage rose and ruffles of lace extended to the floor. The back fullness fell in a chapel train. Her shoulder length veil was caught to a cabbage rose of taffeta. Her bridal bouquet was crescent shaped and fashioned with white glamelias and ribbon bows.

Francis Wiseman of Sudan was maid of honor. Ramona Choate of Breckenridge and Lynda Taylor of Bronte, sister of the bridegroom, were bridesmaids. They wore identical dresses of pink dacron dotted swiss, floor length and with empire waists encircled with ribbon and lace, and with scooped necklines. Their head dresses were cabbage roses made of the dotted

swiss with a pink tulle circlet veil. They carried bouquets of charmaine pink rosebuds and ribbon bows.

Mothers of the couple wore white glamelia corsages, gifts from the the bridal couple.

Frank Odem of Artesia, N. M., was best man.

Benny Lee Michaels of Abilene and Tommy John Michaels of Rochester, brothers of the bride, were candlelighters and ushers. Bob Taylor of Fort Worth, brother of the bridegroom, was also an usher. Groomsmen were Allen Collins and Pat Morgan of Abilene.

A reception followed the ceremony in the basement of the church. Mr. and Mrs. Michaels were hosts.

After a wedding trip to Lubbock the couple is at home at 641 East North 19th St., in Abilene.

Mrs. Taylor is a graduate of Rochester High School and is a second semester junior student at Abilene Christian College, majoring in physical education. She is a member of and has held offices in the WRA and Home Economics Club at ACC. She plans to attend school this summer.

Mr. Taylor is a graduate of Bronte High School and ACC, where he majored in psychology. He has almost completed requirements for his M. A. degree there. He is employed at ACC and the First State Bank in Abilene.

Mr. and Mrs. Horace Taylor were hosts for the rehearsal dinner at Wharton's Restaurant in Rochester Friday night, June 3.

Ronnie Lee, Edwyn McDaniel, and elementary principal James Golson enrolled this week for summer courses at Angelo State College. Lee attended Baylor University, Waco, during the long term and McDaniel attended Texas Tech at Lubbock.

Mrs. Norman R. Kiker was scheduled to undergo surgery Wednesday morning at Shannon Hospital in San Angelo.

Coke County will have two judging teams participating in the State 4-H judging contests in College Station this week. The 4-H quarter horse judging teams and soil judging team have qualified for the State Contests to be held on the Texas A&M campus June 8.

Members of the quarter horse judging team planning to make the trip are Joy Cervenka, daughter of Mr. and Mrs. Jack Cervenka, and Lillian Strickland, daughter of Mr. and Mrs. Guy Strickland, all of Bronte; Keith Waldrop, son of Mr. and Mrs. Glenn Waldrop of Robert Lee, and Teddy Millican, son of Mr. and Mrs. Wilburn Millican, of Silver. They will be accompanied by their coach, Mrs. Jerald Weddle.

Soil judging team members going are Darrel Pitcock, son of Mr. and Mrs. T. E. Pitcock, Sanco; Steve Rives, son of Mr. and Mrs. Edward Rives, and Leroy Casey, son of Mr. and Mrs. Roy Casey, Robert Lee; and Jerry Parker, son of Mr. and Mrs. Truman Parker, Bronte. County Agricultural Agent, Sterling Lindsey, will attend the State 4-H Club Round-Up with the team.

I did not have an opportunity to check a lot of pecan trees for case-bearers last week, but did check three locations Monday, May 31. None of the three had a lot of case-

bearer sign, but all three had some. One location had casebearer hatched out from one to three days. Another had possibly 50% of the eggs hatched, most of them hatching Sunday and Monday. The third spot checked had none hatched that I found.

Summing up the above, not two sites will show the same infestation or timing. Generally speaking, based on our limited inspection, the peak hatch should have occurred between May 28 and June 3. This will vary with the location.

Freeze-branding being used in Texas — Reports from over the state indicate that Texas stockmen are already using the new developed freeze-branding technique. The new method of branding is still an experimental procedure and no recommendations for its use have been made. Copper branding irons, chilled to 94 degrees F. below zero by a mixture of dry ice and alcohol, are used. It is supposedly painless, is permanent and leaves no scars to thicken areas to cause a dock in the price of hides. It destroys pigment producing hair follicles and the hair grows out a permanent white in color.

"Velvet Horn Deer" are no longer a problem in the Edwards Plateau. Jack Thomas, Texas Parks and Wildlife Service biologist, recently said the male deer born dur-

ing 1958 and 1959 were the only ones showing the condition. It was probably caused, he said, by a deficiency in the diet of the deer which occurred only during these two years. The condition left male white-tailed deer sterile.

Coke 4-Hers Attend District Leadership Camp

Kaye Roberts of Robert Lee, Sharon McCutchen of Bronte and Gaylon Pitcock of Sanco returned Friday from the District 7 4-H Leadership Camp held June 1, 2, and 3. The camp is held annually at Lake Christian Retreat on Lake Brownwood. Activities participated in were District 4-H Council meeting, career planning, isometrics, citizenship, morals and recreation.

The camp was attended by 165 4-H club members, leaders and agents from the 22 county area that makes up District 7.

Gaylon Pitcock was installed co-chairman of the District Council.

Coke County young people were accompanied by the extension agents, Mrs. Fay C. Roe and Sterling Lindsey.

Marilyn Glenn, accompanied by Ronald Hooper, went to Waco last Saturday where Marilyn registered for the summer term at Baylor University. Hooper plans to attend Baylor in the fall and attended to business on campus.

**Hayrick Lodge Building To Get Historical Marker**

The historic Hayrick Lodge (Masonic) Building in Robert Lee has been named a Recorded Texas Historical Landmark, significant to the history of this community and state and worthy of preservation. This announcement was made June 1 by John Ben Sheppard of Odessa, president of the Texas State Historical Survey Committee.

Having completed the requirements for this high official designation, the Texas Historical Building Medallion with interpretive plate will be affixed to the structure. A beautiful certificate signed by Governor John Connally, Sheppard and County Chairman Mrs. Bryan Yarbrough will be presented at the dedication of this marker. The dedication date will be announced later according to Mrs. Yarbrough.

The aluminum markers with Swedish steel effect are not only durable but beautiful and require practically no maintenance. More than 2,500 historical markers and Medallions with plates have been awarded throughout Texas and daily more history is found which warrants such recognition, Sheppard stated.

The program of marking historical structures as worthy of preservation is part of a five-year plan

to record, appreciate, mark, preserve and survey the history of Texas and is designated as the "RAMPS" program by the Texas State Historical Survey Committee.

This marker and its location will appear in the next edition of the Guide to Official Texas Historical markers, in tourists guides, and on maps, to stimulate tourist interest in the area, provide highpoint on historical tours, and focus attention of the citizens of the county with their unique historical past, Mrs. Yarbrough said.

The official inscription will read: Hayrick Lodge 696, A.F. & A.M. Organized 1890 at Hayrick, first county seat of Coke County. Moved to Robert Lee 1891. This hall was built in 1906 by a contractor, S. C. Wilkins, of concrete blocks mixed and cast by hand. First story has housed many businesses, U. S. offices."
