## Longhorns Look Good In Loss To Bangs

### Farm Bureau Invites Public to Open House

An open house is planned for Monday, Sept. 19, at the newly remodeled office of Coke County Farm Bureau in Robert Lee. Everyone in the county is invited to come by and visit the office.

Ben Boykin, president of the Coke County unit, said the purpose of the open house is to acquaint residents of this area with personnel who work in the office and with the services offered by Farm Bureau to its members.

Refreshments of coffee and donuts will be served during the open house period from 10 a.m. till 3 p.m.

Farm Bureau officers and others have been doing some work on the office building, including painting, remodeling and installing some new furniture. This work was done in preparation to putting plans into effect to keep the office open full time.

Mrs. C. E. Arrott, secretary of the organization, will be in charge of the office, and present plans call for Dolan Mackey, Farm Bureau insurance representative, to be on hand when she is not working. Mackey also maintains an office in Bronte at his feed and supply store.

#### Membership Drive

Coke County Farm Bureau is also making plans for its annual membership drive, which will be held Sept. 26.

After meeting at Zettler's Restaurant in Robert Lee for a kickoff breakfast, officers and directors will make a canvass of the entire county in an effort to sign up members of the farm and ranch organization. Wayne Arrott, chairman of the membership committee, will head the drive.

Mrs. Arrott said the Coke County unit had 255 members in 1965 and has a goal of 265 for 1966. She said anyone who wants to help make the membership drive is welcome to attend the breakfast and work on the project.

### Funeral Services Held For Brother of Local Woman

Funeral services were held Tuesday in Lubbock for Dale Papasan, 33, brother of Mrs. C. O. Richards of Bronte. Graveside rites were held Wednesday at Dewey Cemetery, near Lawn.

Mr. Papasan was killed Sunday in an automobile accident in Lubbock, where he lived. He had been a bus driver for Texas, New Mexico and Oklahoma Bus Lines for the past eight years. He was known by a number of Bronte residents, as he sometimes drove the bus from Lubbock to San Angelo which stops in Bronte.

Survivors include his wife of Lubbock; his parents, Mr. and Mrs. G. C. Papasan of Lawn; two daughters, one son, two stepsons, two sisters, two brothers and his grandmother.

### Historical Week Set for Sept. 24-30

Plans for a Coke County Historical Appreciation Week Sept. 24-30 were made Tuesday when the county historical survey committee met at the courthouse in Robert Lee. One day during the week will be designated as Beautification Day; another will be "Appreciation of Schools Day" with persons encouraged to visit history classes in the local schools.

Highlight of the week will be on Thursday, Sept. 29, which will be designated as "Pioneer Day." The local committee will have a tea honoring the pioneers of this county from 2 until 4 p.m. at the courthouse.

In other business the committee voted to amend the landmarks list to include more sites.

Committee members present were Mrs. Bryan Yarbrough, chairman, Mrs. Fay C. Roe, Mrs. C. E. Arrott, Bill Allen, Elton Mims and Sterling Lindsey.

Mr. and Mrs. Theron Tidwell Jr. and family of Klondike were weekend visitors in the homes of his mother, Mrs. Winnie Tidwell and his brother, James A. Tidwell, and family. The entire group had Sunday dinner with Mr. and Mrs. Douglas Stevens and family at Happy Valley.

### Services Held For Buddy Kirkland, 54

Funeral services were held Saturday afternoon in First Methodist Church for H. M. (Buddy) Kirkland, 54, lifetime resident of Coke County. Funeral services were conducted by the Rev. A. S. Masterson, Methodist pastor, and the Rev. Wayne N. Stout, pastor of Central Baptist Church. Burial followed in Fairview Cemetery under direction of Williams Funeral Home. Masonic rites were held at the graveside.

Mr. Kirkland died Thursday afternoon near Stacey in McCullough County, after he suffered an apparent heart attack.

He was born March 11, 1912, in Hayrick community and had lived in the Bronte area all his life. He was in the sand and gravel hauling business and was working at the Cecil Montgomery Sand and Gravel Co. at the time of his death. He formerly operated a service station in Bronte for a number of years.

He and Helen Hayley were married here Oct. 4, 1933. She is city secretary for the City of Bronte. Mr. Kirkland was a member of the Methodist Church and the Masonic Lodge of Bronte.

Survivors include his wife; three daughters, Mrs. Leslie Dean Caperton of Big Spring, Mrs. Glenn McKnight and Mrs. Glenwood Marberger, both of San Angelo; a half-brother, J. W. McCracken of Silverton; three sisters, Mrs. L. C. Robbins of Bronte, Mrs. Permelia Reed of San Angelo, and Mrs. Ollie K. Hogue of San Antonio; and three grandchildren.

Pallbearers were Rupert Robbins, Carroll Robbins, Portis Robbins, Buddy Reed, Vernon Kirkland and Bob Lasswell, all nephews.

#### EX-STUDENTS TO MEET

Noah Pruitt Jr. president of the Bronte Ex-Students Association, has called a meeting of all committee members who are working on the prospective homecoming. The meeting will be Thursday at 6:30 p.m. in the school lunchroom.

The homecoming celebration is scheduled for Oct. 15.

Committee members who are requested to attend the meeting include the following:

Publicity, Mrs. J. W. Martin, Mrs. W. D. McDonald, Mrs. Olive Keeney, Mrs. Bob Wrinkle; finance, Mrs. E. G. Collins, Mrs. Willie Mae Glenn, Joe Rawlings and Delbert Coalson; program, Mrs. George Thomas and C. B. Barbee; food, Mrs. Royce Fancher.

### Martin Lee Hurt In Auto Accident

Martin Lee of Bronte was seriously injured in an automobile accident early Wednesday morning which occurred near the overpass at the intersection east of San Angelo where the Bronte and Ballinger highways join together.

One person was killed in the crash and two others were injured though it was reported their conditions are not serious.

It was reported in Bronte Wednesday afternoon that Lee was "holding his own." His condition is serious, however, according to persons who had been in contact with the family.

A report early Wednesday said that he was suffering from concussion, a broken shoulder and severe head lacerations.

Janet Lee, daughter of Mr. and Mrs. Clyde Lee, was admitted to Clinic Hospital in San Angelo Wednesday afternoon and was scheduled to undergo dental surgery this morning (Thursday).

## College Students Leave Bronte On Exodus To Various Campuses

College students from Bronte began their annual trek back to the various campuses this week and by the end of next week, they will all be back in school.

Angelo State College has claimed the greatest number of Bronte students and include Ronnie Sims, Janet Caperton, Donnah Holcombe, Laura Morrow, La Jan Kiker, Ray Sissom, Sharon Mackey, Ida Lee Parker and Wayne Hester.

Rudy Phillips and Jan Wilkins, who have been attending Angelo State, are transferring this fall to

Southwest Texas State University at San Marcos.

Jim Morrow and Marla Rees will return this week to Texas Technological College at Lubbock.

Ann Harris and Jerry Don Holcombe are enrolled at the University of Texas in Austin.

Attending Howard County Junior College in Big Spring are Peggy Corley and Mike McKown. Jimmy Wells and Tad Richards planned to enroll at Tarleton State College in Stephenville.

Marilyn Glenn, Glenn Sims, Ronald Hooper, Ronnie Lee and Vic

The big Bronte Longhorn team looked good in its season opener against the highly rated Bangs Dragons, even though the local lads were defeated, 7-0. It took every second of the ball game, except for 56, for the visitors to make their solitary touchdown. In losing, the

### BAND GOING TO ABILENE

The Maroon and White Longhorn Band will be in Abilene Saturday when the members will participate in the Abilene Christian College Band Day.

Russell L. Fuller, band director, said Tuesday that a full day is planned for the band.

The band will participate in a parade in downtown Abilene and will compete for a trophy and \$50 prize. Next item on the schedule is a period of fun at the West Texas Fair. Later in the day the band members will be guests at a barbecue supper. Following the supper they will be guests at the ACC-East Texas State football game and will participate in half time activities.

The band put on a snappy performance last Friday night in their first public appearance of the year, at the Bronte-Bangs football game.

#### Need Instruments

Fuller asked The Enterprise to print an appeal to everyone in the area who has spare band instruments. "We'd like to borrow or rent some instruments and would appreciate it if anyone will let us know about any instruments which are not in use," the band director said.

### Homecoming Set For Blackwell

Annual Blackwell Homecoming is scheduled for Saturday, Sept. 24, in the old gym at Blackwell High School.

LeRoy Stone, former Blackwell school superintendent, will be the guest speaker.

The Homecoming will begin at 1:30 p.m. with the first two hours set aside for visiting. A pep-rally and business meeting will be held from 3:30 until 4:30 after which Mr. Stone will speak.

A barbecue supper will be served by Blackwell senior class from 5-7 p.m. Cost will be \$1.25 per plate.

The event will be climaxed by a football game between Blackwell and Novice at 6 p.m. Admission to the game is 75c for adults and 25c for students. A get-together with refreshments will be held in the old gym after the ball game.

Longhorns had one touchdown called back, which could well have tied the contest.

#### First Quarter

Doug McCutchen started the game off with a kickoff which went to Tommy Stephens, who was downed in the 3 yard line. Stephens and White made 10 in the first series, but bogged down on the second and had to punt. The ball rolled dead on the Bronte 32.

The Longhorns decided to try a little departure from the usual routine, with David Glenn tossing a long pass to Davis Corley on their opening play. It went incomplete, but would have been a potential touchdown, had it worked. After a couple more tries, Corley punted back to the Bangs 38.

The Dragons advanced to the 49 and a 1st, and then on 3rd down of the next series, a fumble cost them the ball on the Bronte 45. Charlie Masterson carried a couple of times for 5, and then an incomplete pass brought up 4th down, so Corley had to punt. It sailed to the Bangs 27.

White and Hallford gained yards to the 41 for a first, then the Dragons slowed down and punted on 4th. A penalty called it back however, so they kicked again to the Bronte 29, as the quarter ended.

#### Second Quarter

McCutchen started a fine Bronte drive to open the second quarter, moving the ball to his 44 for a 1st. Masterson ran a couple of times for 10 yards and another 1st on the Bangs 44. Quarterback Glenn tossed a pass over center to Corley who went to the 32 for another 1st. Glenn then carried around right end, and on the next play threw the ball to Jerry Parker for another 1st on the 21. McCutchen made 9 around left end; Masterson added 5 more for a 1st and goal on the 7. The next play was fine, as Glenn went over for the touchdown, but a backfield in motion penalty nullified the counter. The Longhorns tried desperately to make the needed 12 yards, but could not. On 4th down, McCutchen tried a field goal but it was wide.

Bangs took over on their 20. Stephens went around right side for a 1st on the Bronte 49. Stephens moved the ball to the 32, and a pass from Hallford to Bruce Mullin gave the Dragons a 1st and goal on the Longhorn 6. After a gain of 1 on 1st down, the Bangs team fumbled the ball and Glenn recovered on the 2 yard line. It was a close call.

Running plays by McCutchen and Masterson, and passes from Glenn to Parker and Brock moved the ball enough for three 1st downs and placed it on the Bangs 48 yard line when the half ended.

#### Third Quarter

Hallford kicked off for the Dragons. The ball went to Steve Williams on the 23 and he went to the 33 before he was downed. Masterson made 5 through the middle, McCutchen added 4, then Masterson made 5 more for a 1st on the 47. The next series of downs was bad news for the local lads and Corley had to punt on 4th down. He kicked the ball high enough to give himself plenty of time to get down field and got the tackle on the Bangs 28 after White ran it back 5 yards.

Once again the visitors started a long drive which looked as if it would end in a touchdown. Hallford, Stephens and White were the main ground gainers, as they took the ball all the way to the Bronte 19, making two 1st downs in the process. Once again David Glenn was the last man off the ball following a

Continued on Page 2

**LONGHORNS —**

Continued from Page 1

Bangs fumble.

Bronte took over on the 20, and McCutchen, first thing, ran 13 yards for a 1st down. Masterson made a couple, then Bangs was penalized 5, making it 2nd and 3. The next play saw a flag for the Longhorns and the ball was moved back 5 yards. A pass from Glenn to Brock moved the ball to the 44 for a 1st.

**Fourth Quarter**

Glenn went for 6 yards, followed by a 4 yard gainer by McCutchen which gave the Longhorns a 1st on the Dragon 46. Fumbleitis then gave the Dragons the ball on their 49. Stephens made 7, then a pass was thrown, juggled and finally held by Brad Mullin for a 1st on the Bronte 26. After gaining 8 yards in 2 carries, the visitors again fumbled and Victor Brock recovered for Bronte on the 11, and again a possible TD drive was halted.

Masterson and Glenn both made 5 for a 1st on the 21. McCutchen then went for 17 and another 1st on the 37. A short pass was completed and Bangs got a 15 yarder to move the ball to the 50 for a 1st down. The next series saw the Longhorns bog down, however and Corley backed into punt formation. Some confusion on the field with flags flying before the ball was snapped gave the Longhorns the short end of the stick and Bangs had the opportunity it had been waiting for. Bangs took over on the Bronte 30 yard line.

The Dragons moved the ball to the 18 for a 1st, and after three attempts which yielded short gains, White went around right end to the 2 before Glenn knocked him out of bounds. On the next play Brad Mullin carried and after the pileup was unscrambled, the referee threw up his arms and the Dragons had a 6-0 lead. The clock showed 56 seconds left. Hallford kicked the EP, making it 7-0.

Hallford kicked to Williams and he was downed on the 21. A pass to Corley went free but pass interference was called on the Dragons, so Bronte had a 1st on the 35. Another pass, Glenn to Corley, gave the locals a 1st on the 49. A loss of 12 and another pass from Glenn to Corley to the 48 was the last completed play before the horn sounded.

By virtue of their win over the Longhorns, the Dragons moved up from second to first place among Class B schools in the state, according to Harris ratings. Even though they lost, the Longhorns also jumped seven notches in the ratings, from 19th to 12th.

The Bronte lads looked good in the game, and the forward wall did a fine job of stopping some of the best backs in the state.

Next Friday is an open date.

**Soil Survey Made In Coke County**

Soil surveys have been made on 454,070 acres in Coke County by Jim Barnhill, soil scientist, Soil Conservation Service.

Soil surveys are made by soil scientists who examine and map the soils. Their knowledge of the relation of landscape features, climate, parent material, relief, and vegetation to soil properties aid them in predicting the kinds of soil they expect to find. But to study soil accurately, they dig or bore numerous holes deep enough to examine the underlying layers.

Upon completion of their examination of the soil, the soil scientists record their observations on aerial photos. Characteristics recorded for each soil include surface texture, thickness of the soil, underlying material, slope of the soil surface, significant losses of soil by erosion, and stoniness.

Additional information needed by the users of the soil survey are included with the soils information on the aerial photos. The map shows the drainage pattern, position of rock outcrops, lakes, roads, railroads, farm houses, schools and churches.

The uses of soil surveys range from management of large areas of public lands to the construction of houses in suburban areas next to large cities. The main uses of soil surveys can be grouped under conservation planning, land valuation, engineering uses of soil, planning and conduct of research, and general education on natural resources.

**SHORTHORNS SEASON OPENER AGAINST WALL TONIGHT**

Another game has been added to the junior high football schedule which was announced in last week's Enterprise. It will be unreeled this Thursday in a season opener with Wall. Game time is 7:15 p.m. and the Shorthorns will be hosts.

Admission price is 50 cents for adults and 25 cents for students.

**LADIES INVITED TO LONGHORN CLUB MEETINGS**

Mothers of football players and any other women of the community have a special invitation to attend meetings of the Bronte Longhorn Club which meets each Tuesday night during football season. Films taken of the previous week's game are shown and Coach Cecil Toliver gives the lowdown on how the team is coming along.

**No Major Diet Changes Indicated**

Moderate reduction in total fat intake and some substitution of polyunsaturated for saturated fat may be indicated for many Americans. So says the Food and Nutrition Board of the National Academy of Sciences.

This recommendation was made in spite of the fact that present evidence on the connection between dietary fat and cardiovascular diseases is not sufficient to justify radical dietary changes. This was a major conclusion in a report which reviews the role of dietary fat in human nutrition and as a factor in atherosclerosis and its complications, particularly coronary artery disease.

And adjustments in the amount and kind of fat consumed must be judged on an individual basis, the report indicates, taking into consideration consequent changes in caloric and nutrient intake.

Besides contributing to palatability and satiety, researchers say that fats play a vital role in nutrition. They provide energy, impor-

tant vitamins, and fatty acids essential for growth and reproduction. Any drastic reduction in fat consumption would alter the body metabolism in unpredictable and possibly hazardous ways.

Until more is learned about which fats are desirable nutritionally, the board recommends that the American consumer partake of the foods that make up a varied, adequate and not over rich diet and maintain a normal body weight by controlling calorie intake and by daily exercising.

**Tempting But Once Forbidden**

Is money really the root of all evil?

It seems as if there were a beginning to evil, it could be traced back to that luscious, tempting, but forbidden fruit—the apple. And even in all of its glory, it doesn't cost much money.

No wonder Eve took that first bite of the apple. Who could withstand the luring appearance promising smooth, juicy satisfaction? And you can be sure that the apples of that time were by no means comparable with the excellent varieties available today.

The U. S. Department of Agriculture reports that this will be another good year for apples. USDA's Consumer and Marketing Service says that the first apples of the

season are beginning to arrive in volume.

Apple varieties appearing at local markets are Red Delicious, Golden Delicious, Rome Beauty, York, McIntosh, Jonathan and Stayman.

Apples contain various vitamins and nutrients, depending greatly on the type of apple and the manner that it is served. However, raw apples are an especially good source of vitamin C.

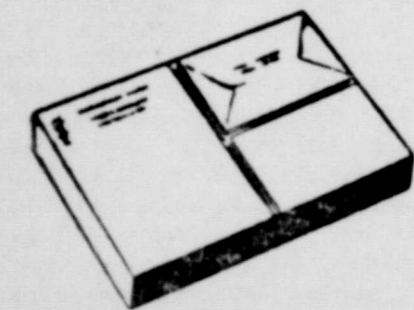

There is almost no limit on the number of different ways you can use your share of apples. Eat 'em raw, or in apple pie. Or you may prefer them in apple dumplings, or Waldorf salad.

No matter which way you prepare apples you can be sure that they will tempt your family beyond their resistance — and there's no punishment for indulging.

**Old-fangled star-spangled savings scheme**

There's nothing new about U. S. Savings Bonds. Millions of Americans have built their savings plans around them for years.

And that's the beauty of it. Bonds are a proven way to save—and they carry a guaranteed rate of interest. You'll get back \$4 for every \$3 you invest when your Bonds are held to maturity.

Just the tax angle alone is pretty enticing. You pay no state or local income tax on E Bond interest—and you can defer federal tax until you cash your Bonds. What's more, your Bonds convert easily into cash when you need it.

There's nothing old-fashioned about the way your Bonds go to work for your country. Every penny invested helps to keep America

strong and promote the cause of freedom.

Make U. S. Savings Bonds a regular part of your family's savings scheme. It's the old-fangled, star-spangled way to insure your future.

**Quick facts about Series E Savings Bonds**

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

**Buy E Bonds for growth—H Bonds for current income**

HERE'S BLACKWELL

By Mrs. Rockey Thompson

First Methodist Church concluded a successful revival last week. Bobbie and Gene Moore, well-known gospel singers, were present for the Friday evening service. The Rev. Ed Robb was evangelist. Average attendance was 22 in the morning service and 71 in the evening service.

Out of town persons attending the revival included the Rev. and Mrs. Charles Williams and children of Abilene, Mr. and Mrs. Elmer Hurley and Mrs. Charles Ragsdale of Bronte.

Seven members were present for the Lions Club meeting Sept. 12. The next meeting will be family night, Sept. 26, with each family bringing a salad.

Women's Missionary Union met Sept. 8 at the Baptist Church. Mrs. E. K. Finley, president, presided for a business meeting. Mrs. O. T. Colvin taught the Bible lesson 'The Quickening of Hope Through Return and Restoration.' Others present were Mmes. Clois Versyp, Louis Johnson, Willie Burwick and S. P. Smith.

WCSA met at the Methodist Methodist Church Sept. 12. The president, Mrs. R. Q. Spence, conducted a business meeting before the program 'Dynamics and Dialogues' given by Mrs. Therrell Burwick. Others present were Mmes. Joe Ward, W. Y. McReory, Henry Raney, Josie Hipp, Charles Dunnam, Bobby Sanderson and Linda.

Mrs. Jim Wilson and Mrs. Rockey Thompson attended funeral services for John Newby, 87, in Colorado City. Mr. Newby died Sept. 7. The ladies spent the weekend in Sterling City with Mrs. Wilson's son, Curtis Wilson, and family and with Mrs. Thompson's cousin, Mrs. Clifford Gaston.

Mr. and Mrs. Louis Johnson and Mary Beth visited in San Angelo Saturday with her sister and family, Mr. and Mrs. C. A. Word, and with Mr. and Mrs. Bill Couch and family. Diana Couch returned with them and her parents came for her Sunday.

Weekend visitors of Mrs. Mamie George were Mr. and Mrs. John Sedberry of Colorado City. Mrs. Vernon Haggerton of Venita, Okla., and her mother, Mrs. R. B. Kirk, of Uvalde visited Mrs. George Monday. Mrs. Kirk was returning with Mrs. Haggerton for a visit.

Mrs. Jim Wilson and Mrs. Rockey Thompson attended funeral services last Wednesday in San Angelo for Mrs. A. A. Chapman, the former Mrs. Luther Frost. Burial was in Blackwell cemetery.

Mrs. Jim Litsley of Sterling City was a weekend guest of the A. S. Hendrys.

Mrs. Harvey Glass of Sterling City spent Wednesday and Thursday of last week with her sister, Mrs. Roy Sanderson, Mrs. Henry Raney and other relatives.

Mr. and Mrs. Bob Roe of Mountain Home, Idaho are visiting her mother, Mrs. Ed Stevens.

Mrs. Lillie Griffin is ill in the Simmons Memorial Hospital in Sweetwater.

Mr. and Mrs. Mack Cotten spent Sunday in San Angelo with their parents, Mr. and Mrs. M. T. Cotten and Mrs. Ollie Ditmore.

Mr. and Mrs. Ralph Hunter of Amarillo visited her cousins and aunts, Mr. and Mrs. J. D. Taylor, Miss Mandy Taylor and Mrs. N. J. Taylor.

Mrs. Ruth Walls, Mrs. J. S. George and Mrs. E. E. Bryant attended a Worker's Conference of Sweetwater Association at Trinity Church in Sweetwater Monday. Mrs. George has been visiting friends in Blackwell.

Blackwell HD club met Tuesday morning at the Methodist Church. Mmes. James Ware and Lee Alderman were hostesses. Miss Idalia Woods, Nolan County HD agent, gave the program on 'The Style Trend for 1966 and 1967.'

Pecan pie, coffee and iced tea were served to two guests, Miss Woods and Mrs. Douglas Thorn and Mmes. Charles Dunnam, Walter King, Joe Ward, Rockey Thompson, Versyp and Miss Bertha Smith.

The next meeting will be Oct. 1 in the home of Mrs. Clois Versyp with Mrs. Joe Ward as co-hostess.

Mr. and Mrs. Wesley Murphy of Winnie spent the weekend with their parents, Mr. and Mrs. Nealy Mackeys and the G. W. Murphy family in San Angelo. The Mackeys have sold their home here and are moving to San Angelo.

Mr. and Mrs. Wilson Fullwood and Charles of Sweetwater visited Mr. and Mrs. Marshall Hooper and family Sunday.

SOROSIS CLUB NOTICE

Sorosis Club will meet Thursday night at 7:30 p.m. in the home of Mrs. Charlie Boecking.

Mr. and Mrs. Richard Wayne Rees, Ricky and Jeff of Seabrook arrived in Bronte Aug. 29 for a visit in the Wade Rees home. Ricky and Jeff remained here with their grandparents while their parents spent a week in Yellowstone National Park and Teton National Park, Wyoming. They returned by plane, accompanied by Marla Rees, Thursday and the family returned to Seabrook on Sunday. Rees is an engineer at the Manned Space Center, NASA, Houston.

# Bids Sought On Robert Lee Dam

The Colorado River Municipal Water District has taken two big steps in the past several days toward getting the big Robert Lee Dam underway. The water district last Thursday sold \$30,000,000 in revenue bonds to finance the project, and in this week's newspapers are running a notice to bidders seeking bids on the dam and its appurtenances.

According to the legal notice asking for bids, the sealed proposals will be received until 2 p.m., Thursday, Oct. 6, when they will be "publicly opened and read aloud."

O. C. Ivie, CRMWD general manager, said that keen interest is being shown by contractors in the dam. So far 23 firms across the nation have asked for plans. He predicted that this number would grow.

In financing the huge dam and the lake which it will impound, the district caught the market at a peak so far with an interest rate of 4.90 for the 30-year term bonds.

Directors were unanimous, however, in selling the bonds because of the pressing need for water in West Texas, Charles Perry, Odessa, president of CRMWD, said.

Proceeds from sale of the issue, probably the largest single block by any political sub-division in West Texas, are expected to be on hand by Sept. 23.

This will be well in advance of the opening of bids for the construction of the dam in Big Spring Oct. 6. If proposals are within the money, CRMWD will likely make an award immediately.

Eastman, Dillon, Union Securities, Inc. of New York City, which put together the proposal with 53 underwriting houses, including most of the Texas bond firms, will get a 1.6 point discount. This will make the effective rate of the issue 4.96.

Perry said that the board felt the prudent course was to make sure of the money for the big dam project above Robert Lee on the Colorado River and for pipelines reaching as far west as Odessa. While the district has a contract to furnish Midland with water starting in 1970, engineer estimates show the member cities also may need additional water by that time, Ivie said.

Bonds are not callable before July 1, 1975, and then only from any residue in the construction fund, plus funds earned out of operations. Calls on money from any other source, such as refunding, cannot be before July 1, 1981, and then at a 3 per cent premium; calls from Jan. 1, 1985-July 1, 1988 will carry a 2 per cent premium; from Jan. 1, 1989 to July 1, 1992 1 per cent; and after Jan. 1, 1992 to maturity on Jan. 1, 1996 one half of 1 per cent.

Directors authorized the payment of \$5,270 to the Texas Water Rights Commission for the expense of gaug-

ing stations on the upper Colorado River.

Contract quantity for delivery of water to Standard Oil Company of Texas was lowered from 1,890,000 gallons a day to 1,680,000 a day.

Ivie reported to the board on purchase of lands in the basin of the lake which will impound 488,000 acre feet of water when full. It appears at this stage that condemnation proceedings will be pressed in three or four instances, he said. The board had previously authorized this action to clear the way for land acquisition in the dam area.

Representing Eastman, Dillon, Union Securities, Inc., at the sale were Richard Locke, and C. N. Burt of New York City. Paul Horton, Dallas, the district's bond attorney, was also on hand to assist in closing the deal.

## State HD Meeting To Be In Corpus

The Texas Home Demonstration Association, statewide homemakers' organization, will hold its annual meeting in Corpus Christi, Sept. 21-22.

Mrs. C. R. Berkley of Odessa, president, announces that general convention business sessions, lectures, workshops, an election of officers, committee reports and tours are planned.

"The meeting is the 40th for the organization, and a special recognition ceremony is planned for 40-year club members," Mrs. Berkley said.

Key speaker at the opening convention session will be Ben Barnes, Texas speaker of the House of Representatives.

Scheduled to extend greetings to THDA delegates are H. C. Heldenfels of Corpus Christi, chairman of the board of directors of Texas A&M University; Nueces County Judge Noah Kennedy Jr. of Corpus Christi, and Dr. McIver Furman, mayor of the host city.

Other speakers will include women of national and state prominence in the field of home economics.

Officers will be elected Sept. 22 and installed at a dinner that evening. Mrs. George Hackney of Greenville, present parliamentarian and past president of the homemaker group, will serve as installing officer.

Delegates attending from Coke County will be Mrs. J. C. Boatright, Mrs. C. E. Arrott, Mrs. Floyd Harmon, Mrs. Pat Rives and Mrs. Fay C. Roe, County Home Demonstration Agent. The group will ride a special bus from Ballinger.

The Coke County group will be recognized on Wednesday, Sept. 21, as having had 100 per cent membership subscription to the Messenger, the official magazine.

Between 800 and 1,000 delegates and members of the 26,500-member homemakers' organization are expected to participate in the meeting, officials have announced.

Home demonstration work is an adult education program in better homemaking.

**MARLA REES RETURNS FROM SUMMER AT YELLOWSTONE**

Marla Rees, daughter of Mr. and Mrs. R. W. Rees, came home Thursday from a summer of fun and work in the northwest. She made the trip by plane. She was one of the more than 2,000 college students who worked at Yellowstone National Park in Wyoming.

Marla was hired as a fountain clerk in one of the old fashioned styled Hamilton General Stores. Student employees at the park were from almost every state, including Hawaii and some were from China.

On their days off, students enjoyed traveling through the park, seeing the various attractions and many bear, elk, deer and moose. Marla also traveled outside the park to places such as Teton National Park, Cody, Wyo. (home of Buffalo Bill); and Virginia City, Mont.

The dormitory-housed students enjoyed varied activities including dances, weiner roasts, talent shows, movies, hiking, horseback riding and swimming in the rapids.

A featured event of the summer was the annual traditional Yellowstone Christmas celebration on Aug. 25. It is celebrated by all park employees with a Christmas dinner in addition to the Christmas Eve party with the exchange of gifts.

Miss Rees will return to Lubbock Sept. 19 to enroll in Texas Tech College where she will be a sophomore.

A little time spent in reading them is time well spent.

**BHS CLASSES ELECT OFFICERS**

Officers for the classes of Bronte High School were announced this week by Prin. James L. Golson, as follows:

**Freshman Class**

Linda Carlton, president; Tipton Masterson, vice president; Cynthia Robinson, secretary - treasurer; Mary Jane Morrow, reporter; Randy Barbee, class representative to the student council. Nicky Arrott and Sandra Lee were elected class favorites. Clint Low is class sponsor.
