## Longhorns Face Moment of Truth Friday

### Flores Receives French Medal

Vetal Flores of Bronte received a communication from the mayor of the city of Metz, France, recently which informed him he was to receive a medal and certificate for his part in liberating the city from German occupation troops in World War II.

The medal is a gold medalion attached to a black and white ribbon. The inscription on the certificate reads: "Le Ville de Metz a ses Libérateurs 1944, La Medaille de Metz est vecernee a Monsieur Vetal Flores, 95th Infantry Division, 15 September, 1966, Le Maire de Metz."

Roughly translated it says: The city of Metz to its liberators, 1944, the Medal of Metz is presented to Mister Vetal Flores, 95th Infantry Division, Sept. 15, 1966, the mayor of Metz.

Flores and his wife are former teachers in Bronte School and now teach in San Angelo. He is an English instructor at Angelo State College, while Mrs. Flores teaches in San Angelo Public Schools. They maintain their home in Bronte.

### Explorer Scouts To Have Shoot

Explorer Post 488 of Bronte will sponsor a skeet shoot and .22 rifle match Saturday, Nov. 5. The affair will be held at the Little League Park.

Prizes of gift certificates donated by Bronte merchants will be awarded winners.

Shotgun prices will be \$1.50 for 10 shots or \$1.00 for six shots. Those taking part may bring their own shells or purchase them from the scouts.

Shells will be furnished in the .22 competition.

Sid Eubanks, who is in charge of arrangements, said that all guns must be brought to the shoot unloaded.

### Mr. and Mrs. B. A. Bell To Be Honored On 50th Anniversary

Mr. and Mrs. Bailey A. Bell will be honored Sunday afternoon, Oct. 31 with a Golden Wedding Anniversary Open House. All of their friends are invited to call at their home between 2 and 5 p.m.

The Open House is being hosted by their three daughters and their families. They are Mrs. Cullen (Pauline) Luttrell of Sonora; Mrs. Merle (Jerry) Proctor of Wilmeth; and Mrs. Marvin (Snookye) Landers of Bronte.

Their four grandchildren are Joe Luttrell of Sanderson, Mrs. Kyle Donaldson of Sonora, Paula Jane Landers of Bronte and Mary Jo Proctor of Wilmeth. They also have a great grandson, Max Luttrell.

Mr. and Mrs. Bell were married Oct. 29, 1916 at the home of the bride's parents, Mr. and Mrs. J. J. Dunn at Tennyson. They lived at Tennyson until 1920 when they moved to Bronte and he became a rural mail carrier. He retired in 1958.

Mr. and Mrs. Bell are members of the Baptist Church. Mr. Bell has been in ill health since 1962.

### BUSINESSMEN'S MEETING CALLED FOR TUESDAY

Mayor Royce Lee has called a meeting of Bronte businessmen and anyone else interested for 5:30 p.m. next Tuesday, Nov. 1, in the city hall.

Sheriff Melvin Childress will be present to discuss information obtained last week when he and a committee from Robert Lee visited in Somerville, Texas.

A large number of people working with Clement Bros. Construction on the Robert Lee dam will be moving to Coke County from Somerville where a similar project was completed. Childress will tell the businessmen what they can expect in relationship to the employees and other helpful information they obtained.

### Public Is Invited To Barbecue and Matched Roping

Bronte Roping Club has scheduled a matched team roping for Saturday night at 7 p.m. in the arena in West Bronte. Before the roping, the club will stage a barbecue at Bronte County Park, beginning at 5 p.m. Everyone in the area is invited to attend both events.

Price for the barbecue will be \$1.00 per plate for adults and 50 cents for children. Admission to the roping is free.

The Roping Club is sponsoring the event in an effort to raise money to purchase the land on which the arena is located.

Officials of the club promised plenty of good food at the barbecue and plenty of action at the roping, when they invited the public to the activities.

Mr. and Mrs. Royce Lee went to Kerrville Thursday to visit their son, Royce, a freshman student at Schreiner Institute.

The Longhorns will lay their football prowess on the line Friday night when they travel to Trent for what has been booked as the titanic struggle of the year in Class B football circles.

Trent and Bronte are tied for the

top spot in District 4-B competition, as they both will go into the contest with 3-0 records in district play. Trent has a slight edge on season play as they are undefeated with six straight wins, while Bronte lost its season opener to mighty

Bangs, presently called the No. 1 B team of the state.

Bronte has a slight edge in district scoring, however, having chalked up 116 points in three contests to Trent's 108.

According to ratings received this week by Coach Cecil Toliver, the Longhorns are still rated as the No. 2 team in Texas.

Toliver told The Enterprise Wednesday morning that his boys "are ready." The coach said, "We've really shown some improvement this week in some hard workouts, and I believe our boys are physically and mentally ready for the game."

Only dark spot on the scene is injuries to a couple of starters, Victor Brock and Wayne Carlton. However, Toliver said he felt like they would be ready to go by Friday night.

It is expected that Longhorn fans will turn out en masse for Friday night's game.

### Shorthorns Have Chance at Title After Forsan Win

Bronte Shorthorns went to Forsan last Thursday night to win a district ball game, and come home with a 22-8 victory under their belts.

Receiving the kickoff, the Bronte boys moved the ball back up the field, and Wesley Ash carried it the last 40 yards to score before the host team ever got their hands on the ball. Ash also carried the ball for 2 extra.

The second touchdown came in the second quarter, when Joe Basquez traveled 30 yards to cross the double stripe. He, too, carried for 2 EPs.

The Shorthorns were on the Forsan 2 yard line as the clock ticked toward the close, but they got their play off before the gun sounded, with Basquez again crossing the goal line. Try for points failed.

Forsan made their lone tally in the second quarter, and the ball game ended 22-8.

#### Play Lorraine Tonight

The Shorthorns will play again Thursday in a decisive game at Lorraine. If the locals defeat the Bullpups they have a chance to have a share in the district championship. Should they lose, Lorraine will have it sewed up.

#### MARCH OF DIMES GOLF TOURNEY THIS SATURDAY

It was reported Wednesday morning that the annual Coke County March of Dimes Golf Tournament will be held Saturday on the Mountain Creek Course.

The annual battle, between Robert Lee and Bronte golfers, is a big event in raising this county's quota for the March of Dimes.

Bronte has won the trophy the past two years, and Robert Lee will be gunning for the invaders this year.

Reason given for moving the tournament up to this time of year is to beat the cold weather which is prevalent during February when the March of Dimes campaign is held.

All Bronte golfers are urged to make the trip to Robert Lee, and be ready for action about 8 a.m.

Mr. and Mrs. Kenneth Wilkins and Barbara spent the weekend in San Angelo with Mr. and Mrs. James Terry.

### Waggoner Carr Man For U. S. Senate Job

(An Editorial)

Texas will have an opportunity Nov. 8 to repudiate the accidental election six years ago of Republican John Tower.

Waggoner Carr, a West Texan, is the Democratic nominee for U. S. Senator from Texas. He didn't get the nomination accidentally; it was earned and won by long years of honest efficient public service; first to Lubbock district as state representative; then to the Texas Legislature and the entire state as speaker of the House for two terms, then as attorney general of Texas for two terms.

Senator Tower was elected to this office purely because Democrats didn't bother to vote six years ago. The main reason for this lack of interest was that he was opposed by a Democratic nominee who was also ultra conservative, giving voters little choice in their selection.

Waggoner Carr, too, is a conservative, but not just for the sake of opposing everything which comes before the U. S. Senate. In all the years of his public service, he has demonstrated his ability to recognize and carry out the will of the people of Texas.

Carr has received the endorsement of all living ex-governors of the state, as well as that of present Governor John Connally and President Lyndon B. Johnson. That's pretty good recommendation from the men who have worked by his side.

Texas has been virtually without a vote in the U. S. Senate for the last six years. Sen. Tower has almost unflinchingly cancelled out Sen. Yarborough's vote on important legislation. Perhaps Sen. Yarborough's vote needed to be cancelled

on occasion, and if such is the case in the future, Waggoner Carr would be the man to do it unflinchingly. He would not, however, vote against every piece of Democratic legislation which comes up.

The office of U. S. Senator is an important position. The man we elect to this position will be voting on things that vitally affect our lives every day. We need to make a wise choice.

Texas needs a man in this spot who can be seen and heard. Carr is that kind of man. He would receive a friendly hearing from both the legislative and executive branches of our government, since both are firmly in the hands of the party of which he is a member. Certainly not a yes-man to the administration, Carr nevertheless is a Democrat.

Also, Texas needs to put a man in the U. S. Senate who measures up to the giants of the past who have represented us in this august body: men like Joe Bailey, Morris Shepherd, Tom Connally and Lyndon B. Johnson. And certainly voters of Coke County and the surrounding area could be doubly proud of Waggoner Carr as their senator, for he is a West Texan. Granted, the Democratic nominee has outgrown sectionalism, but it would be comforting to know that we have a man representing us who has a headful of good old West Texas horse sense.

As we see it, Waggoner Carr, in order to win, needs only the assurance that Democrats of the state will go to the polls Nov. 8 and cast their ballots. This is too important an event, too big a fight, to stay home or go fishing.

# Longhorns Edge By Hermleigh Cardinals

It wasn't easy, but the Longhorns managed to come out of last Friday's night's football game against the Hermleigh Cardinals with a 22-12 victory. It was the first time the 1966 Longhorns have been behind on the scoreboard since they lost the season opener to Bangs, the No. 1 rated Class B team in the state.

The backfield looked some better than in the previous week's game against Loraine, but defensively, the Longhorns lacked something to be desired. Of course, the Cardinals' single wing attack which was used during most of the game caused a little confusion on defense, and a lad named Tom Chorn caused even more confusion in the Longhorn defense, and the Peterson brothers were not to be ignored.

At any rate the victory moved Bronte one more step toward the 4-B championship, which will probably go on the line Friday night when the Longhorns tackle Trent, the only team in the conference which has not suffered a defeat.

## First Quarter

The Longhorns received Chorn's kick to start the ball game. It went to Doug McCutchen on the 10 and he made a nice runback to the 41. With McCutchen and Charlie Masterson doing the leg work, it looked as if the Longhorns were going to drive for a TD. However, it wasn't in the cards for after two first downs and gains which carried all the way to the Cardinal 25, the locals suffered a fumble and it was recovered by David Creswell for the Hermleigh team.

On the first play of the new series of downs, the Cardinals returned the favor by fumbling. It was recovered by McCutchen on the 28. A pass from quarterback David Glenn to Davis Corley was good for 13 yards and a 1st on the 15. Moments later Danny Peterson intercepted a Longhorn pass and he was downed on the 15 yard line.

The Cardinals made a 1st down on the 24, then bogged down and had to punt. It went out of bounds on the Longhorn 41. McCutchen lost 3, then Masterson regained the loss. Glenn faded to pass but had to run it and went to the 45 for a 1st. McCutchen then made 5 and a pass to Corley was good, but flags were downed and the Longhorns were penalized 5. Glenn then tossed a pass to Randy Barbee, who lateraled to McCutchen for another nice gain. Once again a flag called the ball back and the Longhorns were penalized. After a couple of fruitless plays, the Longhorns had to kick, and Glenn punted to Chorn who was downed on his own 13. Odstrcil made 7 to end the quarter.

## Second Quarter

Mike Peterson and Chorn moved the ball to the 26 and the 40, respectively, for two 1st downs. Peterson then went for a 1st on the Bronte 35, and then he moved it on to the 11 for another 1st down. Chorn made 7 and Peterson picked up 2 to make it 4th and 1 on the 3. Chorn carried it over the double stripe to draw first blood in the contest. Try for EP failed and the score stood at 6-0, Hermleigh.

Chorn's kickoff was taken by Glenn who was downed on the 39. McCutchen moved for a 1st on the visitors' 47 in two carries. Masterson added a couple and then Glenn, on a beautiful fake, kept and carried the ball to the 35 for a 1st.

Masterson made 4, McCutchen added 5 and Masterson went for 2 more and a 1st the 24. Masterson then gained 5 and a pass to Barbee with a lateral to McCutchen was good for 3. Glenn made the 1st on the 12 yard line. The next play, a pass from Glenn to Corley, finally put the Longhorns on the scoreboard. McCutchen ran the extra points and the score was 8-6, Bronte.

The Cardinals took McCutchen's kick and got off a couple of plays before the half.

## Third Quarter

To start off the second half McCutchen kicked the ball into the end zone. The Cardinals began play on the 20. Failing to make the 1st down, the Cardinals had to punt. It was a poor one and went out on the Cardinal 40 yard line.

The Longhorns began to show more life, as McCutchen got through and had a clear field, only to have Mike Peterson sneak up behind him and pull him down on the 12 yard line. Masterson then made a 1st, McCutchen added a yard, then went around the right side of the Hermleigh defenders for the needed yardage for a TD. A pass from Glenn to Barbee was good for 2 and the Longhorns were getting a little comfort from the 16-6 score.

McCutchen's kick went to Danny Peterson who ran the ball back 35 yards before the Longhorn defenders pulled him down on his 47. Peterson brothers made 6 in two carries, then Chorn went 12 yards to the Bronte 35 for a 1st. A big effort failed on the next series and the ball went over on the Bronte 28.

Masterson went for 6, then McCutchen went 9 to the 43. Masterson made a fine gain, but it went back to carry the brunt of a penalty. He then made 4, almost regaining the loss. McCutchen went to the Hermleigh 49 and Masterson sewed up the 1st down on the 44. Next play was probably the most sensational of the night, as McCutchen traveled the entire 44 yards for another Bronte counter, to make the score 22-6. Try for points failed.

McCutchen's kick went to Odstrcil who was downed on the 30. Chorn did a nice twist and almost got loose before he was pulled down on the Bronte 39, but it was good for a 1st down. Nice gains by Danny Peterson and Chorn moved the ball to the 30 to end the 3rd quarter.

## Fourth Quarter

Mike Peterson and Chorn moved to the 26, then to the 16 for a pair of 1st downs, and then the Hermleigh drive was brought to a halt and Bronte took over on the 11.

Failing to make a 1st, the Longhorns had to kick and Corley kicked to Chorn who was nailed by Gary Allen on the Cardinal 46. Two unsuccessful runs finally drove the Cardinals to the air, and a pass from Chorn to Doug Coonrod was okay for a 1st on the Bronte 42. Chorn then exercised a little razzle dazze and made another Cardinal 1st on the Bronte 20.

Hermleigh was penalized 15 yards for holding making it 1st and 25. M. Peterson made 5 yards, and a pass from Chorn to Peterson was good for 7 more. Chorn added another 10 by himself for a 4th and 3. The next play was a pass from Chorn to Mike Peterson, who went into the end zone for a counter. Chorn tried an EP run but it was no good and the score was 22-12.

Chorn kicked off to Masterson who got back to the 39. McCutchen made a nice gainer to the Hermleigh 39, then Chorn intercepted a Longhorn pass. Failing to make the needed yardage, Hermleigh surrendered the ball on the Longhorn 44, and one play was run before the final gun sounded. Final score: Bronte 22, Hermleigh 12.

In spite of the big gains allowed by the Longhorn defense, names which appeared on notes on the game as getting tackles and saving the day for the Longhorns read like this: Wayne Carlton, Keith Morris, Victor Brock, David Glenn, Davis Corley, Doug McCutchen, Charles Masterson, Brian Richards, Gary Don Allen, Don Hageman, Gary Stroebel, David Gentry and Bob Bell.

## Bronte Ex Liked Homecoming Events

October 17, 1966

Mr. Noah Pruitt Jr., President  
Ex-Students Association  
Bronte, Texas

Dear Noah: (Junior)

While the glow is so warm and deep and the memories are clear and keen, I want to thank you and all the home-coming committee for a wonderful weekend. My chest is larger and my eyes a little brighter from having had memories renewed and footsteps of long ago re-tread. Again, my heart felt thanks for all your efforts.

Following the Longhorns to a district crown and a huge Number 1 in the state will be a grand climax.

Was that Kern Tips announcing the game? He usually follows the Horns in their schedule.

Warmly yours,  
John Gregg  
Class of 1943.

**Make-It-With-Wool Contest Planned**

San Angelo — The 1966 Make-It-Yourself-With-Wool contest for 12 Central and Southwest Texas counties will be held Dec. 3 at Angelo State College.

Competition will be held in four divisions — sub-deb, junior, senior and adult. Awards will include a tuition scholarship to Angelo State, American loomed wool yardage, sewing equipment, cash, and an expenses-paid trip to the state contest in Denton Jan. 14, 1967.

The home economics department at ASC will direct the district contest with Mrs. Percy J. Pace, department chairman, in charge. A style show planned and directed by ASC fashion design students will set the stage for announcement of the district winners.

The District IV contest will include entries from Upton, Irion, Concho, Runnels, Sterling, Coke, Glasscock, Brown, Comanche, Coleman and Tom Green counties.

Deadline for entering the competition is Dec. 1. Girls 10 to 13 may enter the subdeb division,

those 14 to 16 the junior division, 17 to 21 the senior division, and persons over 21 the adult division.

Sub-debs may enter jumpers or skirts. Juniors, seniors and adults may make dresses, coats or suits, Mrs. Pace said. The garment must be constructed and modeled by the contestant. More than one garment may be entered by each contestant.

Judging at all levels will be based on construction and fit, beauty of design, coordination of design and fabric with the individual, and general fashion appearance.

Entry forms may be secured from county home demonstration agents, high school home economics instructors and from the fabric department of the American Wool Council, 529 Exchange Building, Denver.

Co-sponsors of the annual competition are the Women's Auxiliary to the National Wool Growers Association and the Texas Sheep and Goat Raisers Association.
