## Longhorns Make It To Region

**TOP ATHLETE** — David Glenn, left, accepts the plaque which will bear his name as Jaycee Athlete of the Year in Bronte High School, from Tommy Lee of the local Jaycee

Chapter. The son of Mr. and Mrs. Clark Glenn, David has served two years as quarterback for the Longhorn football team and is a starter for the hardwooders.

## David Glenn Is Athlete Of Year

David Glenn was named the Jaycee Athlete of the Year at the All Sports Banquet held last Friday night in Bronte School Cafeteria. The award was presented to the small but mighty athlete who quarterbacked the Bronte Longhorn football team to a bi-district championship. Glenn is also a starter on the Longhorn basketball team and only Tuesday night in the first round of regional play against Mertzson was the leading scorer for his team.

In addition to his sports prowess, the high school junior is a top scholar at Bronte High School. Last year he had the highest scholastic average of any student in high school. He is a son of Mr. and Mrs. Clark Glenn.

The Jaycee presentation was made by Jaycee Tommy Lee.

Other high lights of the program which began following a meal prepared by the lunchroom employees, included the main address of the evening by Bob Harrison, professional football player for the San Francisco Forty-Niners. Harrison told the group of high school boys and girls, teachers, parents and friends that it takes four things to be a champion in athletics, and

also in life. He listed them as (1) preparation, (2) aiming high, (3) lots of hard work, and (4) the will to win. He emphasized that all four of these ingredients are necessary to become a winning athlete.

Harrison is a graduate of Stamford High School and the University of Oklahoma, where he played under Coach Bud Wilkerson. He drew on his experiences with the famous coach as he made his speech.

Following Harrison's address, squad members in various sports were introduced by their coaches as follows:

James L. Golson, tennis; Clint Low, golf; Cecil Toliver, football, track and girls basketball; and C. B. Barbee, who stood in for boys basketball coach James Raughton, who was out of town.

Members of various teams presented gifts of appreciation to their various coaches.

The Rev. A. S. Masterson, Methodist pastor, served as master of ceremonies. Decorations were done by cheerleaders and Mrs. Royce Fancher was in charge of serving the food. Elementary school girls served as waitresses.

## School, City Voting Called For Early April

Deadlines are drawing near for candidates who wish to run for school trustee and city council positions. The last date for filing is 30 days before the elections, which will be March 1 for the school board and March 4 for city jobs.

Two trustees will be elected this year, as the terms of Conda O. Richards and J. B. Morrow expire.

A check with the office of County Judge W. W. Thetford Wednesday showed that no trustee candidates have filed from the Bronte school district.

A candidate must file in the

judge's office before the March 1 deadline, or his name may be filed by a petition signed by five qualified voters. However, the name of the candidate must also be signed to the petition, as an indication of his willingness to serve.

### County School Board

Three county school trustees will be elected this year. The post of county trustee at large, now held by D. K. Glenn, expires this year as does the term of Noah Pruitt Sr. in Precinct 2 and C. E. Arrott from Precinct 4. County trustee candidates must also file in the county judge's office.

Bronte Longhorn basketball team members proved themselves champions Tuesday night when they stopped a second half rally by the Mertzson Hornets and went on to win the first round of regional competition. The 51-48 win gives them a berth in the regional tournament to be held this coming weekend at Big Spring.

The Longhorns dominated the first half of the game and went out for their halftime rest with a comfortable 33-22 lead. Coming back for the last half they lived up to their "cold third quarter" reputation and allowed their opponents to narrow the margin to 4 points at the end of the quarter. Then in the fourth quarter the Mertzson boys narrowed the lead to exactly zero when the score was all tied up at 41-all.

The second half battle started off with a score of 33-22. Bronte center Davis Corley fouled out in the third period, leaving the Hornets' big Walter Brooks almost free under the basket.

Brooks fouled off late in the fourth period, and that helped the local lads build up their margin to five points, thanks to baskets made by Doug McCutchen and Don Hageman. With the 5 point lead, and only 12 seconds left on the clock, the Longhorns were content to let their opponents make the final basket of the night, leaving the score at 51-48.

David Glenn's 13 points was high for the game. He was closely followed by McCutchen with 12, and Corley with 11. Gary Don Allen made 9 points, Hageman sank 4, and Wayne Carlton made 2.

A look at the statistics shows that the Longhorns won the game on free shots, sinking 17, while their opponents were able to make only 10 from the free throw line. However, Mertzson outdid the locals on field goals making 19 to Bronte's 17.

Mertzson's Brooks was high point man for the game with 22.

## Dominquez Rites Held Wednesday

Funeral services were held at 2 p.m. Wednesday in St. James Catholic Church for Mrs. Patricia Dominguez, 42, of Miles. Williams Funeral Home was in charge.

Mrs. Dominguez died about 7 a.m. Sunday. She was pronounced dead on arrival at Shannon Hospital in San Angelo.

She was born March 11, 1924. She was the daughter of Mr. and Mrs. Albino Guetierrez of Bronte. They came to Coke County in 1938 and she had lived at Miles for 13 years.

She is survived by her husband, Antonio Dominguez; three sons, Benito Jacobo and Ruben and Alberto Dominguez; three daughters, Rebecca Garcia and Silvia Dominguez and Mrs. Gordon Maginnis of Anchorage, Alaska; and two brothers, Justino and Estiban Montez.

### WATER SAMPLES OKAY

Four water samples recently collected from the City of Bronte have been returned from the Texas State Department of Health laboratories and showed no harmful organisms in the water.

Samples were taken at City Cafe, Cactus Cafe, Bronte Hospital and the City Water Plant.

## First Game Scheduled For Saturday Morning

The Bronte Longhorns' first game in the regional tournament this weekend will be played at 9:45 a.m. Saturday. Announcement came Wednesday afternoon from Coach James Raughton who called in from Big Spring where he went Wednesday morning to make arrangements for the re-

gional competition.

Bronte's first game will see the Longhorns go up against the winner of the Fluvanna-Talpa game which will be played Friday night.

The Longhorns will go into the semifinal rounds of the tourney in their first game, as Coach Raughton drew a bye for the first round.

If the Longhorns are victorious in their first game, they will play the winner of the Sands-Anthony game at 8:30 Saturday night in the regional finals. Sands and Anthony will meet at 11:15 a.m. Saturday.

Should they lost the first game, they will play the loser of the Sands-Anthony contest at 7 p.m. Saturday.

Another contest is on the bill for Saturday night, following the Fluvanna-Talpa game. Howard County Junior College and Amarillo Junior College will square off following the Talpa-Flavanna game.

Supt. C. B. Barbee said the Longhorns will travel to Big Spring Friday afternoon in time to be there for a workout in the HCJC gym from 3:30 to 4:30 p.m. They will spend the night in Big Spring.

Region 6, whose champion will be determined in the Big Spring tourney, is made up of 55 Class B high schools, and includes Districts 55B through 74B. Bronte is champion of District 57B, Talpa 66B, Fluvanna 70B, Sands 71B and Anthony 74B.

### UNDERGOES SURGERY

Kenneth (Buddy) Reed of Fort Stockton and a Bronte resident until a few weeks ago, underwent surgery in Houston Monday. He was in Methodist Hospital before the surgery, but his mother-in-law, Mrs. Sibyl Hester, said Wednesday that he had been moved out of the intensive care unit where the surgery was done, and she had not yet learned whether he was sent back to Methodist Hospital.

She reported that he came through the surgery well and remained in the intensive care ward until Tuesday.

## World Traveler To Hold Meeting At 1st Methodist

"The Methodists of Bronte," said the Rev. Austin Masterson, "are pleased to announce that Dr. Ted Richardson, executive secretary of the Southwest Conference of the Methodist Church, will be the preacher for the revival, Wednesday evening, March 1 through Sunday, March 5."

Dr. Richardson is the former pastor of several large Methodist churches at Austin, Harlingen, and San Antonio. He was appointed the district superintendent of the San Antonio Methodist churches from 1961-65. He was appointed by the Bishop to his present office in June 1965.

"The stature and breadth of the man," said Masterson, "is indicated by the fact that he was elected

## Rattlesnake Roundup Scheduled Mar. 11-12

The annual Rattlesnake Foundry, sponsored by Bronte Jaycees, will be held March 11 and 12, and the Jaycees say they are expecting the biggest show ever this year.

A total of \$335 in prizes will be awarded as follows: for most pounds of snakes delivered Saturday: 1st prize, \$175; 2nd prize, \$50; 3rd prize, \$15. For most pounds delivered Sunday: 1st prize, \$50; 2nd prize, \$25. For snake with most rattles, \$10 and for longest snake, \$10.

Lots of good hunting territory in Coke County has not been hunted in recent years, and hunt-

ers can be assured of finding plenty of rattlers, especially as late as March 11 and 12.

Martin Lee, publicity man for the show, said that more hunters are needed than have signed up in recent years. More farmers and ranchers have requested hunters for their places than have been available.

Any rancher or other land owner who wants his place hunted should sign up at Hurlin Lee's Humble Station or Mackey's Feed Store.

Officers of the Jaycee Chapter said that hunters should be sure they have landowners permission before entering private property.

## TEXAS RANKS 39TH IN AMOUNT SPENT PER STUDENT IN SCHOOLS

Austin-- Texas' expenditure for each of its elementary and high school pupils is more than 50 per cent less than New York state's and 27 per cent less than California's.

A nationwide survey released by Texas State Teachers Association here in Texas disclosed that New York is investing \$912 per pupil annually compared to Texas' \$449. California is spending \$613 annually.

The national average is \$564. The findings place Texas in 39th rank among the 50 states in per pupil expenditures. Among the 38 states having higher annual per pupil expenditures are:

Alaska, \$877; New Jersey, \$740; Wyoming, \$669; Connecticut, \$657; Oregon, \$645; Wisconsin, \$614; and Delaware, \$629.

And all of the states bordering Texas spend more: Oklahoma, \$461; New Mexico, \$556; Louisiana, \$554.

The state with the poorest rating in per pupil expenditures is Mississippi with \$315 annually. New York's is the highest.

The report, which deals only with public schools, shows that Texas:

—Ranks third in size of instructional staff with teachers, administrators, and supervisors totaling 114,000.

—Also ranks third in size of enrollment with 2.5 million children going to school; Texas enrollment is exceeded only by New York and California.

—Ranks sixth in number of high school graduates with 127,442 expected to receive diplomas this spring; Pennsylvania, Illinois, and Ohio will each graduate more high school seniors this year although these states have smaller total school enrollments than Texas.

—Ranks fourth in total number of school districts with 1,303; Nebraska, Illinois, and South Dakota have more school districts than Texas.

The survey shows that Texas' uneven performance in number of high school graduates compared to its total enrollment is probably tied closely to its relative low ranking in total annual per pupil expenditures for public schools.

Although the number of high school graduates in Texas is relatively low compared to the other large industrialized states in the nation, Texas can claim better than average improvement in holding students in school until they graduate.

The national increase in number of high school graduates is expected to be up this year by 2.7 per cent.

But Texas' increase in number of high school graduates will rise by 4.6 per cent. This improved record reflects favorably on both the quality of the school program

and efforts to cut the state's dropout rate.

School revenues in Texas show that the percentage of total revenue represented by federal aid funds have risen one per cent; this year 9.3 per cent of Texas school revenue is contributed by the federal government. The state contributes 49.3 per cent and local districts contribute 41.3 per cent of the revenue.

The survey showed that pupil-teacher ratios in Texas elementary schools compare poorly with several states. This year the average class size in Texas elementary schools is 32.2 students per teacher, while in New York it is 24.6 students per teacher, and in Connecticut it is 27.5 students per teacher in elementary schools.

Ideal class size for the best instruction in elementary schools is estimated by most educators to be 25 students per teacher.

The survey was conducted by the Research Division of National Education Association and the data enumerated in "Estimates of School Statistics, 1966-1967."

## FB Membership Drive Is Planned

Coke County Farm Bureau will begin its annual membership drive next Monday night with a kickoff dinner at Zettler's Restaurant in Robert Lee. Plans will be made for the 1967 campaign that night, and workers will start canvass of the county Tuesday morning.

Bill Wedemeyer of Waco, state Farm Bureau official, will be on hand for the dinner and will help the workers get their drive underway. Claude Anderson of San Angelo, vice president of this district, has been invited to attend, and Edward Cumble of Bronte, district Farm Bureau field man, will be there.

The drive will be made by the membership committee and the board of directors. Wives of the workers are also invited to attend the dinner.

Coke County Farm Bureau had a total of 265 members in 1966, and the 1967 goal has been set for 275, a gain of ten new members. The drive will be completed by March 7.

## BLUE CROSS DEADLINE NEARS FOR PERSONS 65

Persons over 65 year of age who wish to have Blue Cross Insurance in conjunction with their Medicare coverage have only until next Tuesday, Feb. 28, to apply.

Mrs. C. E. Arrott, Coke County Farm Bureau secretary, has all the information concerning the insurance, and will be glad to assist anyone in applying for it. She emphasized that a person does not have to be a member of Farm Bureau to qualify for the coverage.

Information may also be obtained at Bronte Hospital or West Coke County Hospital in Robert Lee.

## MRS. BRYAN YARBROUGH TO REPRESENT COMMITTEE

Mrs. Bryan Yarbrough will represent the Coke County Historical Survey Committee at the 1967 County Chairman's Workshop being held in Austin, March 1 and 2. She is chairman of the Coke County committee.

Sponsored every two years by the Texas State Historical Survey Committee and the Texas Historical Foundation, the workshop will aid county committee chairmen in planning their 1967-68 programs of work.

Discussed in detail will be the development of local history as a tourist attraction, since 1968 is predicted to be a record breaking year for tourism in Texas.

## LIONS, 4-H PANCAKE SUPPER TO BE HELD FRIDAY, MAR. 3

First annual Robert Lee-Silver Lions Club and Coke County 4-H Clubs Pancake supper has been planned for Friday, March 3 in Robert Lee School.

Heretofore both groups have had a pancake supper with the Lions Club supper being held at Silver.

A talent show will be held in connection with the supper. Jack Denman is in charge of the talent show and persons wishing to enter should contact him.

The pancake supper will be held in the cafeteria and the talent show will be presented in the auditorium.

Tickets are on sale at 75 cents each. Pre-schoolers will be admitted free.

John Conley, president of the Lions Club, is chairman for the night, and he will be assisted by County Agents Sterling Lindsey and Fay Roe.

## Fisher Deplores U. S. Diplomacy

(Editor's Note: The following article was written by Congressman O. C. Fisher, and pretty well tells the story of how bright some of our State Department decision-makers are.)

What happened when the carrier Franklin D. Roosevelt recently visited Cape Town must go down in history as one of the monumental bloopers of United States diplomatic history. It was so described by the Washington Star.

It all happened when the carrier put into port for a 72-hour visit and the ship's commander notified the South Africans that he had received orders from Washington not to allow shore leave for any of the 3,700 seamen and officers enroute back to the USA from Vietnam.

A hundred thousand South Africans lined the shores to give the biggest welcome in history to the war-weary seamen. As the ship appeared over the horizon it gave a 21-gun salute, which was answered by shore batteries. Thousands of Cape Town homes had been opened to entertain the Americans. No expense had been spared in preparing for the gala event.

But at the last minute the Administration buckled under in response to pressures from 40 liberal Congressmen and a battery of civil rights agitators. They claimed they didn't like the way South Africa handled her race problems.

It is a bit odd that these same radical-liberals have never raised a whimper when U. S. ships have docked at Communist and pro-Communist ports and shore leave was granted to the sailors.

It is also significant that not one time has South Africa cancelled shore leave for her sailors when ships from that country visited American ports. Not once has South Africa slapped our face with such orders because South Africa or some of her people may not have liked the way we in this country handle our race problems.

The diplomatic blunder stems from the fact that the Union of South Africa has throughout the years been one of our most valued and trusted friends. That country fought with us in two wars, always votes with us in the U. N. against the Communist bloc, and controls the Cape of Good Hope...one of the most strategic spots militarily in the world. And not one dime of our foreign aid has ever been sought or given to South Africa.

This gratuitous slap makes one wonder how long the Government of South Africa can go on being friendly with us. Such insults as this against a friendly nation will not be easy for those people to forget.

## Bill Introduced to Increase UCRA Size

Sen. Dorsey B. Hardeman of San Angelo has introduced a bill in the Texas Legislature which calls for expansion of the Upper Colorado River Authority, now composed of Coke and Tom Green counties.

The bill would increase the area covered by the authority also to include Sterling, Irion, Concho, Coleman, Mason, Menard, McCulloch, Brown, Kimble and Runnels counties.

It would give broad powers to the proposed organization in storing, controlling and distribution of Colorado River water for domestic, municipal, industrial, mining and irrigation purposes.

The new authority would have power to construct dams on the river and its tributaries, provided permits were issued by the Texas Water Rights Commission.

The authority would have taxing powers, and could borrow money, accept grants, issue bonds,

etc. Information received here states that monies now held by the present UCRA would be held in a special fund for the benefit of Coke and Tom Green counties, since they are the only counties which have contributed to assets of the present organization.

The UCRA is now headed by Gerald C. Allen, Robert Lee banker.

## Remodel to Electric Heat

It's easy to add electric home heating when you remodel a home. Everything from decorator wall panel units to an electric heat pump is available for your selection. Baby-safe baseboard units with individual room controls are a big favorite with families who have growing children.

WTU's low 1¢\* winter heating rate, Guaranteed Operating Cost, and Equal Payment Plan keep operating costs way down. In fact—you pay no more for clean flameless electric home heating.

See your electric home heating contractor or WTU for complete information.

### How To Save on Meat Buying

How to get more food for our dollars interests all of us.

Meat takes about a third of the food dollar, so good buying of meat, fish and poultry goes a long way in balancing the food budget.

To save money on meat:

1. Compare prices among stores.
2. Buy meat on special.
3. Buy the less expensive meat like chuck roast, hamburger, pork shoulder, pork, and beef liver.
4. Buy low-cost fish like whiting, ocean cod, perch, canned tuna, pink salmon and mackerel.
5. Buy dry beans and peas, and peanut butter as low-cost meat substitutes.

6. Here are some other suggestions for wise food buying:

7. Cost per serving is a good way to recognize the cheaper foods in the meat group. (A serving of from 2 1/2 to 3 1/2 ounces of cooked, lean meat).

Ground beef, heel of round, brisket, flank, or cube steaks give four servings per pound. At 69 cents a pound, a heel of round roast would serve four and cost 17 cents a serving; whereas, short ribs at 59 cents a pound would only serve two and cost 30 cents a serving.

Lean meats or ground meats will yield four servings per pound. Meats with a medium amount of fat and bone, such as short ribs or rib steaks, will give only two per pound. Meats with a large amount of bone such as spareribs figure 1 1/2 servings per pound.

Chicken fryers also will yield 1 1/2 servings per pound. If chickens are 39 cents a pound the serving cost is 30 cents.

The occasional substitution of dry beans or eggs for meat lowers the cost per serving from 6 to 9 cents. One cup of cooked dried beans, two eggs, and 1/4 cup peanut butter are each equal to a serving of meat as far as protein is concerned.

Fish sticks and fish fillets cost about 15 cents a serving. Canned mackerel can be made into fish patties for about 7 cents a serving.

Sizeable savings can be made in buying foods in the meat group because of the differences in costs per serving of these foods.

When buying meat and poultry, remember that the USDA inspection sign is assurance of wholesomeness. The USDA grade sign is an indication of quality in the product.

The most popular grade of beef on the market is Choice. Good and Standard are USDA grades of beef that are sometimes found on the market. Good and Standard grades indicate leaner, less tender, and less expensive meat.

Forty-one young people and adults attended the affair. Garry Bivins, church music director, was master of ceremonies. The pastor, the Rev. Harry K. Morris, gave the welcome address and Miss Cumbie gave the response. Several amusing skits were presented by church members.

A Valentine motif was used in the decorations.

The menu consisted of roast beef, new potatoes, green beans, small beets, sweetheart salad, iced tea, coffee and cherry pie.

Marvin Thompson gave the invocation and Victor Brock gave the benediction.

## Large Group Attends Runnels Music Festival

Approximately 60 persons from First Baptist Church in Bronte attended the annual Music Festival of Runnels Baptist Association, held Monday night at First Baptist Church in Winters.

A large number of local young people participated in the program.

Bob Wells, one of Bronte High School's top bandmen, played a tuba solo, accompanied at the piano by Mrs. Harry K. Morris and at the organ by Keith Morris.

The combined Primary and Junior choirs, under the direction of Garry Bivins, church music director, performed for the crowd. They were accompanied by Mrs. Morris at the piano and Mrs. Olive Keeney at the organ.

Bivins also directed the Intermediate and Young People's choirs when they sang. Mrs. Morris and Mrs. Keeney also accompanied them.

A duet number was sung by Janet Lee and Kreta Kiker, accompanied by Mrs. Morris. Keith Morris played an organ solo.

### WMU Members Hold All Day Mission Study

Eternal Vigil...

Salt air, the beating of heavy waves, and rains... these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and corrupt his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

**HERE'S BLACKWELL**

By Mrs. Rockey Thompson

A fire, set from burning trash nearby, completely destroyed two old landmark buildings and all their contents, in Blackwell about 3:30 Saturday afternoon.

One building was known as the old First State Bank, owned by Joe Davis, and the other was an adjacent building, formerly the J. W. Reed & Company Store, owned by Therrell Burwick. The buildings were being used for storage purposes only Davis lost about \$2,000 worth of feed stored in the building and Burwick's building contained about \$3,000 in hay, which also was lost.

The Blackwell, Bronte and Sweetwater fire departments battled the blaze but could make no headway toward saving the buildings or their contents.

Mr. and Mrs. Leslie Dean Caperton and children of Big Spring and Mr. and Mrs. Glen McKnight of San Angelo spent the weekend with the ladies' mother, Mrs. Helen Kirkland. Mrs. Vera Thomas joined the group for Sunday dinner.

The Bronte Longhorns went to Bangs last Thursday night for a practice game with the Dragons. They took a 78-64 victory, and the B team won an earlier contest 62-56, after going into an overtime session.

In the A game, Davis Corley ripped the basket for a big 26 points, Gary Allen tossed in 17. Doug McCutchen 16, Wayne Carlton 11, and David Glenn 8.

Randy Barbee hit for 21 points to lead his teammates in the B game. He was followed by Willie Zuniga with 15, Keith Morris 11, Jim Arrott 6, Otis Rolls 5, and Manfred Thompson 4.

**"Two Dolls" Tag For Landing Strip**

The landing strip northwest of Bronte on "Tootsie" Ivey's place has been designated as an official emergency landing strip and will be shown on charts of the Austin aeronautical section.

The strip has been designated as "Two Dolls."

Word of the designation was received from the Albuquerque area office of the Federal Aviation Agency by Steve Badley, who initiated the move to have the strip shown on charts.

Badley supplied all data necessary and corresponded with authorities for three years in his effort to have the landing field recognized.
