### USDA Releases Coke Acres For Grazing

Word has been received from Washington that the U. S. Department of Agriculture has authorized the release of reserve acreage in Coke County for grazing because of drought conditions.

A telegram from Congressman Omar Bureson to this newspaper read as follows:

"Pleased to announce Department of Agriculture release reserve acreage to aid livestock in Coke County due to drought. Today offering haying and grazing privileges on reserve cropland taken out of production Coke County to help prevent liquidation livestock herds. This action gives ASCS County Committee authority permit livestock grazing and hay harvesting on

land diverted from crop production. Downward adjustment will be made in payment accordingly. Congressman Omar Bureson."

J. E. Quisenberry, head of the ASCS office in Coke County, said this week that he has already had nine applications to take advantage of the released acreage. He said a total of about 700 acres is involved in the applications already received.

Quisenberry said that 368 farms totaling 13,369 acres are eligible to apply. He added, however, that only 40 or 50 of the 368 have sufficient grass on them to make grazing worthwhile.

The program will allow four months grazing on the reserve acres, beginning July 1. Applicants must have their applications in by that date in order to benefit for the maximum period. Applications will be accepted all through the month of July, but late applicants will not be allowed to graze beyond the Nov. 1 deadline, thus losing the number of days they are late in applying.

A downward adjustment in payments for reserve land used in grazing will amount to \$1 per acre per month, Quisenberry said.

Quisenberry pointed out that permission to use reserve acres does not come about automatically. The operator has to request it, and his request must be approved by the county committee before the land can be used.

### AD-LIB-BEN

An obstinate Linotype machine is worse than a row binder ever thought about being.

Most persons who ever lived on a farm know that a row binder can come awfully close to making a man lose his mind and religion.

But they can't hold a candle to a typesetting machine when it gets in a recalcitrant mood. Like, for instance, Wednesday which is press day, our machine took a sudden notion it would back squirt every few lines. A back squirt is not as bad as a front squirt because the hot metal which squirts out where it should not, doesn't hit the operator in the face or drip down his leg or something. It does, however, make him stop and clean up the mess.

At any rate, it takes a mighty lot of patience, control and even some good straight from the shoulder talking to keep one of the critters going.

I have seen Linotype machines cause ordinarily sane operators to lie down on the floor and cry, throw screw drivers and pliers through windows, and sometimes turn their anger loose on the machine itself with a good swift kick or a blow with a bell peen hammer.

Major Liles' untimely death was a shock to all his friends in Bronte, and leaves a vacancy in the county's official family which will not be easy to fill. We thought Major was a good justice of the peace. He probably made a few mistakes, but we always found him administering justice to offenders just as impartially and fairly as it could be done. He never hesitated to fine or free any one brought before him, strictly in accord with the evidence as he saw it.

Being a husband is like most any other job — it makes it a lot easier if you learn to like the boss.

A lady we know didn't say she didn't like her new neighbor, she just said the only polish she had was on her fingernails.

### Services Held For J. T. (Major) Liles, Justice Of Peace

Funeral services for J. T. (Major) Liles, 70, were held at 10 a.m. Saturday in Central Baptist Church. The Rev. Wayne N. Stout, pastor, officiated. He was assisted by the Rev. A. S. Masterson, pastor of the First Methodist Church.

Burial was in Fairview Cemetery under direction of Williams Funeral Home.

Liles died early Thursday in Lott, where he was visiting relatives, of a heart attack.

He was born March 20, 1897, in Durango, Texas, and was married to Cordia Mills, Sept. 10, 1920, at Ballinger. They came to Bronte in 1923 and have made their home here since that time.

Liles was justice of the peace for precinct 2, serving in that office at the time of his death. He had served in the office since 1958.

He was a veteran of World War I, a member of the American Legion, the Veterans of Foreign Wars, and the Coke County Barracks of the World War I veterans association. He was a member of the Baptist Church.

Survivors include his wife; one son, Horace, of Irving; two daughters, Mrs. O. E. Richie of Pottsboro and Mrs. Frank Wojtek of Robert Lee; a brother, Jack of Lott; and three grandchildren.

Pallbearers were T. F. Sims, J. B. Mackey, Bill Wrinkle, Jesse Parker, Howard Brock and Hiram Brock.

Four persons were injured and five vehicles were damaged in two different accidents in the Bronte vicinity early Saturday morning. Tad Richards was most seriously injured of persons involved and remains in serious condition in Clinic Hospital in San Angelo.

According to the Texas Department of Public Safety office in San Angelo, the accident occurred about 1 a.m. Saturday on U. S. Highway 277, 5.9 miles north of Bronte.

Richards, who was driving a 1967 Pontiac, was headed south and had stopped because of radiator trouble. Fred Smith of Robert Lee stopped to give assistance and pulled his 1967 Ford pickup around in front of the Richards car, heading it north. A 1967 Plymouth driven by Theodore R. Vassar of San Angelo

was headed south and struck the rear of the Richards car, pushing it into the Smith pickup.

Smith told The Enterprise that he was getting out of his pickup when the collision occurred. He said he thought young Richards had the hood up on his car and was standing to the side of it, looking over into the area of the radiator. The impact threw the youth some 20 or 30 feet beyond his pickup, out onto the highway, Smith said. Tad suffered severe face and head injuries, and has been unconscious much of the time since the accident. Smith received a compound fracture of his wrist and lacerations. Extent of Vassar's injuries were not learned by The Enterprise. Richards was taken to Clinic Hospital and both Smith and Vassar were taken to Shannon Hospital in San Angelo.

Tad's father, Ralph Richards, said Wednesday morning that the injured youth appeared to be somewhat better. He was making an effort to talk, the elder Richards said, and the family felt his condition was considerably improved over the first few days after the accident.

All three vehicles were damaged extensively, according to the highway patrol.

### Golfers Are Due

Bronte's annual Service and Supply Golf tournament will be held this Saturday at the local golf course.

Between 70 and 80 persons had entered the tournament Wednesday.

The tournament will be a 27 hole partnership affair, with each company participating entering a minimum of two teams.

Trophies will be awarded to high teams and individuals.

### Vacancy Exists In JP Office

A vacancy exists in the office of justice of the peace of precinct 2, due to the death of J. T. Liles, who had served in the position since 1958.

Commissioners court of Coke County will appoint Mr. Liles' successor, probably at a regular meeting July 3, according to Commissioner Howard Brock.

Brock said Tuesday that he has heard talk that a number of local persons plan to apply for the job.

He said anyone who is interested in being considered for the position should take or mail his application to County Judge W. W. Thetford before the July 3 meeting.

### SUMMER REVIVAL MEETINGS IN PROGRESS HERE THIS WEEK

Two revivals meetings are in progress in Bronte this week, one at Central Baptist Church and one at First Methodist Church.

#### Central Baptist

Evangelist at Central Baptist is the Rev. O. L. Howard, pastor of Trinity Baptist Church in Edinburg. He is a former missionary to Mexico, and, in addition to his regular duties at the Edinburg church, he teaches in Latin American Migrant Program at McAllen.

A highlight of the revival will occur Friday night when the Rev. Howard will conduct the services in Spanish. All Spanish speaking persons are given a special in-

itation to attend. Services are being held twice daily at 9:45 a.m. and at 7:30 p.m. and the pastor, Rev. Wayne N. Stout, invites everyone to attend the remaining services, which continue through Sunday.

#### First Methodist

The Ed Robb evangelistic team is conducting the services at First Methodist Church at 7 a.m. and 8 p.m. daily with the Rev. Robb doing the preaching. Gene and Bobbie Moore, man and wife musical team, are furnishing special music for the series of meetings and Mr. Moore is leading the congregational singing. A youth choir, directed by

### Scouts Leave Thursday For N.M.

A caravan of some 25 Boy Scouts, Explorers and leaders are leaving Bronte this morning (Thursday) for the Lincoln National Forest near Cloudford, N. M., where they will spend a week camping, playing and working beneath the tall pine trees.

Included in the caravan will be a school bus, two pickups and one camper trailer. In addition to hauling the 25 persons, the vehicles will carry all their camping gear, cooking gear and other equipment.

Boy Scouts who plan to make the trip include: David Bell, Jimmy Freeman, Mark Murtishaw,

Garland Richards, Randy Barbee, Tipton Masterson, Jonathan Masterson, Gene Glenn, Steve Clark, Jake Golson, Leroy Zuniga, David Crockett and DeWitt Scott.

Explorers who are going are Brian Richards, Bob Bell, Charles Masterson, Don Hageman, David Glenn, Doug McCutchen, Keith Morris and Johnny Brown. Adult leaders are Conda Richards, Steve Badley, Clint Low and Lucius Wood; also Mrs. Wood will make the trip.

This expedition to New Mexico will take the place of the local scouts annual trip to Camp Sol Mayer. They will camp one dur-

ing the week, cook their own meals and live close to nature.

Bronte scouts have obtained a special permit from the U. S. Forest Service to camp in Lincoln National Forest during the week. Wood said that the boys will spend some of the time working with forest rangers and helping them with their jobs.

Some of the boys and their leaders were busy early in the week filling grocery lists and checking out last minute details. Wood said, "It takes a lot of equipment and a lot of groceries to keep 25 people in a place like this for a week."

### First Baptist Church Has 80th Birthday

Monday, June 19 was an important date in the history of the First Baptist Church in Bronte. It was the church's 80th birthday. Old records show that the church was organized June 19, 1887, by W. G. Green.

At that time the congregation met in the school house and various preachers came and preached until 1890, when the church called R. M. Cumbie as its first pastor. The Rev. Mr. Cumbie was the grandfather of two present members of the church, Edward Cumbie and Mrs. J. B. Mackey.

The Rev. Harry Morris, present pastor, said Wednesday that the church will have some sort of special observance during this 80th year of its existence.

The church's first building was completed and occupied in 1907 in

## PERSONALS

Miss Linda Jones, high school commercial teacher who has been waiting her parents in Plano, was in Bronte over the weekend and the first of the week. She said she plans to attend school the second six weeks of the summer, probably at Texas Tech.

Donna Stevens of Wingate and Beth Ann Tidwell of Lamesa have been visiting with Mrs. Winona Tidwell. Other guests over the weekend were Mr. and Mrs. Theron Tidwell and Michael of Lamesa; Mrs. Vanda Jean Ste-

er and Jackie of Wingate and Mr. and Mrs. James Arnold Tidwell, Jimmy and Barbara, also some friends of Donna Stevens.

### Class Of 1948 Reunion Planned For June 24

The senior class of 1948, Bronte High School, will have their annual class reunion Saturday, June 24, in the Bronte Park. The covered dish supper will be at 6 p.m. All members of the class and their families are invited to attend and asked to bring covered dishes of food, and their own glasses, plates and silver.

## Joe Don Wilkins Named To Attend Teacher Institute

BRUNSWICK, Maine — Joe D. Wilkins of 6409 Seftimer, Houston, Tex., Chairman of the High School in Houston, has been selected as a participant in the 1967 Summer Institute for Secondary School Teachers of Chemistry at Bowdoin College in Brunswick, Maine.

Formerly of Bronte, Wilkins holds a B. S. degree from Texas Technological College and a M. Ed. from the University of Houston.

He has been a mathematics and chemistry teacher in Houston since 1961 and assumed his present position in 1966.

He is married to the former Juliet Dixon of Bronte.

Supported by the National Science Foundation, the Bowdoin Institute will begin June 26 and continue through Aug. 4. It will be under the direction of Professor Sumner E. Hammett, Chairman of the Chemistry Department and Bowdoin's Charles Weston Pilsbry Professor of Chemistry.

Thirty — six secondary school teachers who are offering or plan to offer an Advanced Placement chemistry course in their respective schools will attend the six-week course. The program will strengthen the teachers' back grounds in the fundamental concepts and principles of chemistry and is designed to refresh and extend the participants' understanding of chemical principles for an effective presentation of a college-level course in secondary school.

The program includes lectures, work and laboratory experiments in the field of physical chemistry. Participants will be granted two semester courses of graduate credit upon successful completion of their work.

### MURTAGHAN HAVE 1967 REUNION

The 12th annual reunion of the family of Mrs. Grace Murtaghan and the late Claude Murtaghan was held last weekend. The family met at the H. C. Murtaghan cabin on Oak Creek Lake Saturday and Sunday.

## Wesley Ash Going To Baseball Camp

Wesley Finch Ash, the son of Mr. and Mrs. James P. Ash has been enrolled at the Big State Boys Baseball Summer camp on the beautiful one thousand-acre campus of the University of Dallas. He will attend the session beginning June 25, according to Johnnie Carrigan, founder and director of the camp which is starting its seventeenth season.

Guest instructors for the camp this summer will be a pair of former major leaguers, Bobby Bragan and Fred (Firpo) Mayberry. Bragan will teach the players to hit and catch and Marberry will instruct in pitching.

Head instructor for the camp is Bill McElduff, a former professional player who is now coaching at Palo Duro high school in Amarillo. McElduff, who is starting his sixth season as head of the permanent staff, will be assisted by Tom Fee of Kansas, Louis Mexia of Sam Houston State, Steve Frieman of Southwestern University, Dick Rawdon of Colgate and the University of Louisville, and others who will be added to the staff later.

Since Carrigan and his wife established the camp in 1951, several of the players have advanced to the major leagues and more than 500 have played on college teams after receiving full or part scholarships.

Director Carrigan sees that especial attention is paid to the younger age groups by adapting the program to their needs, by

providing them with their own ball parks, and by assigning them coaches who are experienced in dealing with boys of these years.

A highlight of each of the four sessions is a trip to Houston for a major league baseball game in the fantastic Astrodome and another trip to Six Flags over Texas.

Further information may be obtained by writing Big State Baseball Camp, University of Dallas, Irving, Texas, or by calling PL 2-8650, Waco, Texas.

## Annual Dedicated To Coach Toliver

The 1966 - 67 Longhorn, Bronte school annual, was distributed last Monday by Miss Linda Jones and the annual staff. A number of annual signing parties were being held this week.

This year's annual was dedicated to head coach Cecil Toliver. The dedication read:

"Sports are a unifying factor in any high school. In B. H. S. the sports scene has instilled the student body with enthusiasm and, above all, genuine pride. We feel that it is now time to honor that person whose dedication to his boys and girls has inspired countless victories. All those who have been coached by him have acquired high ideals of sportmanship and the understanding of true victory that 'it is not whether you win the game but how you play it.'"

Coach Cecil Toliver

"We, the yearbook staff of 1967, in appreciation of his contributions to our school, do dedicate this Longhorn to Coach Cecil Toliver."

## Crippled Children Roundup Nears

C. A. (Charlie) Morris, owner-manager of the Ranchers and Farmers Livestock Commission Company in Abilene, has been re-appointed general chairman of the 1967 Cattleman's Roundup for Crippled Children, Raleigh Brown, president of the board of directors of the West Texas Rehabilitation Center, announced Monday.

The sale, scheduled in late September, was founded in 1961 when Bronte rancher Conda Wylie donated 20 calves to the center.

This year's Roundup is expect-

ed to receive hundreds of animals from ranchers throughout the Southwest. All proceeds from the sale go to the WTRC, providing a third of the annual operating costs of the Center.

Morris, chairman of the sale since 1962, said this year's sale would be held at Ranchers and Farmers auction facilities on East Highway 80.

"We're ready to begin picking up cattle anywhere and at any time," Morris said. Cattle will be quartered at the new WTRC feeding pens south of Abilene until the sale date.

## HIGHLIGHTS AND SIDELIGHTS FROM THE STATE CAPITAL

By Vern Sanford  
Texas Press Association

AUSTIN, Tex. — Railroad Commission authorized Texas oil industry to produce an additional 2,268,000 barrels of oil during the last two weeks of June in view of curtailed supplies from the unsettled Middle East.

Commission increased the June allowable from 33.8 per cent to 35.9 per cent, retroactive to June 1. This figure will permit maximum oil production of 3,112,191 barrels daily compared to current 2,992,236 barrels. Commission postponed setting an allowable for July, but another moderate increase is almost certain.

State officials, conscious of the Legislature's special tax session looming next year, see a possible revenue windfall (which could reduce the new tax need) from the crisis - caused oil production jump.

With an increase from 10 to 13 days a month in production, there is no telling at this point how much the ultimate increase will be. Before the emergency situation, the oil production tax income for the coming year had been estimated at nearly \$140,000,000.

These factors figure in the magnitude of future allowable increases:

— Kuwait, Saudi Arabia, Iraq and Algeria have banned oil shipments to U. S. and Britain. Libya's production has been halted by a strike.

— Arabs want to nationalize their oil fields or call in Spain

and France to develop their petroleum industry, replacing the U. S. and Britain.

— Suez Canal may remain blocked for several months. Thus any oil shipments would have to round the Cape of Good Hope. Trip would be longer and more expensive.

Interstate Oil Compact adopted a resolution calling for a 12.2 per cent limit on the ratio of imported oil to domestic stocks east of the Rocky Mountains. Experts say present situation demonstrates need for better government attitude toward domestic production and industry development.

DRIVERS POINTS — Auto drivers may have forgotten, but they will be reminded of "points" starting August 1.

That's when the new insurance plan adopted last July by the State Board of Insurance begins to show on insurance rates. Drivers will pay 15 per cent more for insurance if they have one point charged against them, 35 per cent for two points, 60 per cent for three points and 90 per cent for four points.

Points are assessed for accidents or traffic law violations which came after August 1, 1966, when the plan was adopted. Penalties will apply when auto insurance policies are bought or renewed after August 1, this year.

A driver who is assessed points can "work them off". Only points assessed after August 1, 1966,

will count. But after three years of being charged more, the points drop off the driver's record, for rate purposes.

Board believes this will lower the basic rates, thus will reward no - point drivers.

14-YEAR-OLDS CAN DRIVE - Fourteen - year - olds who complete driver education before August 28 still can get a license good until its regular expiration date.

Homer Garrison Jr., Director of Texas Department of Public Safety, issued the interpretation following numerous calls about new licensing law amendments.

New law which goes into effect in late August would raise the minimum age for licensing drivers with behind - the - wheel instruction to 16, except in unusual cases. Garrison said, however, he did not interpret the new law as denying "the privilege of driving" to 14 - year - olds who already qualified under existing regulations.

## Jaycees Vote For Ball Club

Bronte Jaycees met Monday night in the home of Mr. and Mrs. Tommy Lee. State Director Don Roderick of Midland was a guest at the meeting and discussed Jaycee work with those present.

The group conducted a short business meeting and decided to have a ladies night once a month. The Jaycees also decided to organize a softball team and issued an invitation to all young men in the area who are interested to contact one of the members.

Mrs. Lee served home made ice cream, cookies, punch and coffee to the Jaycees and their wives.

### ADDITION BEING BUILT TO GOLF CLUB HOUSE

An addition is under construction on the rear of the clubhouse at the golf course in Bronte. The 26x26 structure will be used to store golf carts.

It has a concrete floor, asbestos siding and a sheet iron roof. A number of local golfers have carts, and a place was needed to park them out of the weather. Those who park carts in the new addition will be charged a small monthly fee, which will be used to cover the cost of construction.

Visiting in the home of Mr. and Mrs. Ernest Seay Saturday through Tuesday were Mrs. Vesta Evatt of Mansfield, Mo., Mr. and Mrs. Frank Jones of Iowa Park, and Mr. and Mrs. Sam Seay and daughter, June, San Angelo. The group gathered at the Sam Seay home Sunday for a Father's Day celebration, honoring Ernest Seay. Mrs. Evatt also visited her mother-in-law, Mrs. Cora Evatt, in Brownwood before leaving Wednesday morning for her home in Missouri.

### ZETA DELTA CLUB TO MEET MONDAY

Last meeting of the Zeta Delta Club for the club year will be held Monday, June 26, in the home of Mrs. Martin Lee. The club will disband for the summer and meet again September 11.

At their last meeting June 12 in the home of Mrs. J. B. Arrott, Miss Melody Holcombe, a guest, showed films of the trip to Europe which she made last summer. Mrs. Dolan Mackey was in charge of the program and introduced Miss Holcombe. Roll call was answered with "my wedding dress."

Refreshments were served to Miss Holcombe and Mmes. Elmer

Hurley, James Koenig, Martin Lee, Harold Moon, Bob Ragsdale, Noel Brevard, Bob Wrinkle, Mackey and the hostess.

### MRS. EUBANKS HONORED AT WEDDING SHOWER

Mrs. Bryan Eubanks, the former Frances Glenn, was the honoree at a seated bridal shower last Friday afternoon in First Baptist Church.

Hostesses were Mmes. C. B. Barbee, Royce Fancher, Norman Kiker, Clyde Lee, J. W. Martin, Dwain Pruitt, Joe Rawlings, C. O. Richards, T. O. Spiller and Guy Strickland.

## Music Appreciation

I am not a musician, but as I write this I think back and realize how my taste in music has changed. Early in life, it took only the simplest childhood jingles to please me, then in school I was trained and taught to appreciate more intricate music. All through life I feel that my knowledge of . . . and appreciation for music has grown and matured.

Through study and help from others, I have also grown as a Christian and have a better appreciation of my Lord.

My knowledge of, and love for God increases with each church worship service . . .

This way of life and worship, I would recommend to anyone. Won't you try it . . . Start by attending church this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Mrs. Fancher Attends HE Conference

Mrs. Royce Fancher, Bronte High School homemaking teacher attended and participated in an Area Two in-service education conference held June 8 and 9 in Big Spring. Over 200 persons attended the affair which was held at Cosden Country Club.

Mrs. Fancher presided and directed the program for the Friday morning session. She said that outstanding speakers provided the programs.

Sam Potts, consultant for the division of instructional media for the Texas Education Agency, talked on overhead projectors, preparation of materials to use

with them, and their use in classroom instruction.

Dr. Donald Longworth, professor of home and family life at Texas Tech, lectured on "Facts and Prospects for Family Life Education." His talk provided homemaking teachers with points to consider in guidance for girls toward courtship, marriage and family relationships.

Mr. and Mrs. C. E. Bruton, accompanied by Mr. and Mrs. Spec Nicholas of San Angelo, spent Fathers day in the home of Mr. and Mrs. Bon Spoons and family in Abilene.

## Social Security Representatives Coming Monthly

Bob Logan of the Social Security office in San Angelo will now visit Coke County once each month, it was announced Friday. He will be at the city hall in Bronte from 9:30 until 10:30 a. m. the first Friday in every month, then will go to Robert Lee and will be available in the courthouse from 11:00 a.m. until noon.

Ted F. Mollering, district manager of the Social Security Administration from San Angelo, said that he felt they had enough clients in Coke County to warrant the monthly visits, and that

any person who had questions to ask or business to transact should visit Mr. Logan at the times mentioned above.

His first visit to Coke County will be on Friday, July 7.

Guests last weekend in the home of the C. B. Barbee family included his father, Rip Barbee of Rule; his brothers, J. R. and D. H. Barbee of Rule and Ernest Barbee of Arlington and their families; his sisters, Mrs. R. C. Pool of Rule and Mrs. Monty Penman of Knox City and their families, and Mrs. Iona Sellers of Fort Worth; also, Miss Jane Burnett of Canton.

**Fancher Renamed Housing Chairman**

Royce Fancher was reelected chairman of Bronte Housing Authority at a regular meeting of the group last Tuesday night. He, Matthew Caperton and E. F. Glenn were reappointed to the Housing Authority for a two year term, and officers were elected at the meeting. Ben Oglesby was named vice chairman. Gilbert Basquez is the other member of the board.

Fancher told housing authority members that they can expect considerable activity in the next few months, as plans for building Bronte's low rent housing project are nearing completion, and the authority expects to advertise for bids some time this summer.

All the land for the project has been secured, and revised plans are being drawn by the architect. As soon as the plans are completed, they must be okayed by federal officials before bids be received and a contract let.

The project will be located in an area north and east of the Texas Theatre.
